

MARTY AND JESSIE STARLING TO HISPANICS IN NORTH FLORIDA

"HELPING PEOPLE BLINDED BY RELIGION FIND CHRIST"

June- July -August 2023

Faithful Supporters and Friends,

We are so happy with the way God has been working in and through our ministry. In La Iglesia Biblica Bautista de Starke the attendance has been steady with visitors. With the new immigrations laws there's fear among several families. We are praying for them and asking God to take their fears and change them into a desire to be faithful to church. Some people have moved away from Florida and left their jobs, etc. Join us in prayer that they'll be reached even if they move to another state.

We have been able to convince three men to come to the services that have moved into the area. One is a believer, the other two are still hiding behind the religion they've had since childhood and are holding off and haven't made a decision yet. We have seen a growth in several others. "God is still working" on some of the folks. We are still fellowshipping with other Hispanic churches in Florida. I'm scheduled to speak at a one of those meetings in September. The usual attendance is around 250-300 with people from the churches who participate. This has been a real boost to everyone who attends. Continue to pray for these meetings.

We are definitely praying for our different methods and outreaches to the people. Continue to pray for open doors. Visitation, approaching people at the flea market, handing out invitations and tracts at Walmart and other places have been effective. Pray as God leads us to people who need to hear the Gospel.

Also, Enrique and family are still waiting for their permits and have not been able move here yet from south Florida. Please pray that this will take place soon and they will be here to help in the outreaches we have planned.

We heard recently from a Pastor/Missionary Juan M. He was a student I taught in a Bible Institute in Mexico. This Brother has been preaching in three different towns in the State of Coahuila and God is blessing his ministry. We were able to help him with his vehicle repair bill and now he can continue his ministry in Coahuila. Please pray for Juan. Praise the Lord for dedicated men who are willing to take the Gospel to these small remote towns who otherwise would not have the Message of Christ. Juan was saved out of a "street fighting" gang and God is using Him tremendously. You never know whose lives will be touched and called to carry the Gospel. I have been truly blessed by Pastors and Missionaries who were just young men who sat in my classrooms at a time in my ministry. Wow! Thank you Lord for using us. And thank you folks for helping us in our ministry.

Marty and Jessie
