Dear Prayer Warriors,

Blessings: First Baptist Church in Vista Catalina continues to move forward. The AWANA ministry wrapped up for the year in June and has been a great blessing. It has served as an outreach to the community and really boosted the Children's ministry. Thank you much to **West Orlando Baptist** in **Ocoee, FL** for helping purchase the books! The young couples group enjoyed a Friday night together (away from the children), and was a great time of sharing and encouragement. Please pray for the as they continue to raise Godly families in this current fallen world.

The Children's ministry had a mini-Vacation Bible school with around fifty children in attendance. There also have been many visitors who need the Lord. Help us pray for them and for them to decide to follow Jesus! We have also seen a few return who have left over the years. While it is a great blessing to see them return, pray for them to understand they need to follow through with their commitment to the Lord.

Building Update: Please continue to pray for the building program. As of now, the church is waiting for a letter of approval from the Dominican Ministry of Tourism. The process began in early March, and they are still waiting. This is the final permit needed before applying for the final building license.

Family Update: Andrew is now driving! Please pray for him during this time (and his parents). Driving in the DR is very dangerous, and we constantly ask for your prayers regarding our safety on the streets. We pray everyone is having a great summer and please remember that you are always close to our hearts. Thank you for being such a great blessing to us as well as a great source of encouragement.

God bless all of You
