

THE BROWNS Cross Cultural Missionaries

March 2025

"Let's get into the Bible and feed our faith and
starve our doubts and fears."

Dear Pastor and Church Family,

We have blessings to share with you from your faithful giving and praying.

OHIO: The family of Domingo, Rosalía & Amy have been more faithful in coming. We also had a first time visitor who sought us out after seeing the invitation on the Internet. He is from Mexico but lived in California for over 30 years and has recently moved to Ohio. As he visited with us in the church service he seemed very excited and plans to return for services and bring his wife! Praise God for this.

ECUADOR : Pastor Luis continues to recover from his cancer surgery and his chemo treatments. But Hermana (sister) Fabiola, his wife, is still having a difficult time keeping her sugar level where it should be, although she is watching her diet, taking medicine and injections. In spite of these serious health needs, they continue working at the missions holding evangelistic preaching services and children's meetings winning souls in Ecuador! And they continue with classes in the Bible Institute. Please keep them especially in your prayers.

Instituto Bautista de Massillon (Massillon Baptist College) continues and is making plans for graduation in May 2025. There are 5 from Guayllabamba that will be graduating and there were 2 students from the Campus in Carapungo, north Quito, that recently graduated. Thank God for the men and women who teach the Institute classes and remain so faithful. It is so rewarding to see the Ecuadorians themselves having a burden to share God's Word and teach the true doctrine of the Word of God to their own people. Thank you all for your part in this ministry.

Yours for Souls,

Thank you very much for your faithful prayers!
