Dear Prayer Partners:

We trust that you had a blessed Christmas season as did we. As always, it is a blessing to be able to share with you some of the blessings and the burdens of ministries in Mexico.

The El Camino Baptist Church in Tijuana continues to be greatly blessed of the Lord. Some of the blessings for 2025 are 127 baptisms, 838 1st time visitors, and 3 new missions begun out of the church. There are 30 students enrolled in the bible institute this year. They ask for prayers for more students enrolled in the institute, more souls saved and completion of 2 building projects on the campus.

The Firm Anchor Baptist Church in Camalú reports 17 saved in January. New homes are being built and occupied, and some of these folks are attending. They have 15-20 members of the church doing door to door soul-winning visitation. They ask for prayers for souls of the parents of young people and children that are attending, and for the completion of their building.

Bro. Mario Nungaray pastors My House Baptist Church in Tijuana. He has just spent 2 months in the hospital for a pulmonary embolism and is back in the pulpit. Their church has been greatly blessed with growth; 300 in attendance, 100 of which are having to sit outside. They ask for prayer for the ability to enlarge their facility.

Bro. Villalpando, pastor of the El Camino Baptist Church in Guadalajara was just in the hospital for a week and a half with problems resultant of his sugar diabetes. He requests prayer for health for he and his wife, and souls for salvation.

Brother José Reyes in Chiapas is in need of a vehicle. Their present one is old and spent; the transmission is out, and the suspension is worn out due to the roads in the area. He requests prayer for this need, and for the health of his wife, who suffers with asthma and thyroid problems.

Thanking you for your help in praying for these needs, and for these faithful laborers for Christ and their ministries, I remain:

Yours in Christ,

Received, Dec.-Feb.
