## LEGACY

MARCH 2026

### Legacy

When we think of legacy we think of something we leave behind. I often wonder, what type of legacy am I leaving behind? What will my kids think of me? What difference am I making in this world? What difference am I making for eternity? Then an answer to these questions floods my mind as I ponder an old christian statement, "Only one life to live will soon be passed, only what's done for Christ will last." That's it, I can know that I am leaving a great legacy if I am living my life for the mission of Christ. So many things that we see flood across our phone screens and our news programs are obsessed with the temporary. If we are not careful we can get sucked into thinking that the temporary problems of this world are where we should spend all of our time, energy, and focus. But as Jesus explained to Pilate, "my kingdom is not of this world," So the best we can do is live for something that is not temporary, the kingdom of God. Seeking first His kingdom, His Righteousness. In doing so we can leave behind a legacy that lasts for all eternity.

### Recently we had a single mother attend our church with her two boys.

They have been through some horrible circumstances and through a friend decided to start attending church again. The mother had been saved, but had not been in church for years. So this church experience was new for her boys, who had a great time learning about God and growing with new friends at church. Recently we held the Lord's Supper and the oldest boy was confused as why he was not allowed to partake. So, I met with him after the service, explained the gospel to him, and in that moment he accepted Jesus as his Lord and Savior. Praise God!  
The boy had an amazing name by the way...his name is Legacy.

### NEW YEAR

We have had a great start to the new year with our church theme coming from ACTS 8:8 "There was GREAT JOY in that city." Our people are stoked to see the Great Joy of Jesus come over San Francisco as we seek to reach more people for Him.

### EQUIP PASTORAL TRAINING

As a church planting missionary one of my goals is to train others for ministry so that we can turn over churches we plant to Pastors we train and we can go on planting more churches (just like Paul did in Acts 14). We this year I have two men that have been discipled in our church that I will be taking through Pastoral training. Our goal that in the next couple years as we train them for ministry that we will be able to ordain them as Pastors!
