

THE BRIMS TO BRAZIL

Dear Praying Friends,

March 7, 2026

Greetings in the name of the King of Kings and Lord of Lords! We praise and thank our Lord for what He is doing in these first few months of the new year. We would like to share some of the blessings He has showered upon us.

In January, I had the privilege of visiting Belém and spending the weekend with our good friend and colleague, missionary Kyrton Horton, in the north of Brazil. This trip was to promote the Institute. On Saturday afternoon, I had the privilege of meeting with pastors from six churches and prospective students in the area. Twenty-two people were present.

On Sunday morning, I was able to speak at Kyrton Horton's church, and on Sunday night at another Fundamental Baptist church in the area, challenging the pastors and churches about participating in the Institute ministry. Praise the Lord for the man who accepted the Lord as his Saviour during the invitation on Sunday night.

Last Monday we started the first module for this semester. God moved in a great way, and we had 23 students studying, including six new students from Belém. Praise the Lord for His goodness and blessings! We are blessed to be teaching students in five different states here in Brazil through online classes. We prayerfully anticipate the Lord doing even more throughout the rest of this semester. We would like to ask for your prayers for God's continued blessing and guidance on this ministry, specifically for more new students and teachers.

In February, we held our Vacation Bible School here in Arembepe. A total of 64 children attended and heard Bible lessons and missionary stories. We glorify the Lord for saving 12 children! We covet your prayers for us as we follow up and seek to see these children become part of our Sunday school ministry.

Over the last few months, we have been blessed to see people saved in different ways and in different places. Leticia and Pedro were saved in Sunday school. Valeraino and Edison were saved in church during our Sunday night services. Jadson and Jacqueline were saved during a visit by members of the church. Caroline was saved in a supermarket parking lot. I thank the Lord that He is not limited by where and how He can save people. May our Lord receive all the glory for all that has happened!

We would like to thank each one of you who prays for and gives financially to our ministry. We count it a privilege and a blessing to be your partners and representatives in Northeast Brazil. May God bless each and every one of you abundantly. We remain...

Yours in the white fields,
Frank, Darla, Campbell, Cait, Sofia and Stefan Brim
