MARCH 2026 REPORT

The 60 that attended this year's ladies conference was the lowest number ever due to the cold weather. Iris Posas continues this ministry she helped Mary begin in 1998.

Our home church send \$15,000.00 for Luis Posas to replace the pickup worn out by over ten years travelling over extremely bad roads to minister in Agalteca.

Luis Turcios has two believers to be baptized in Woodburn, Oregon. They meet in a resturant, in homes and also in a park in warm weather. Pray for their need of an adecuate meeting place.

Pray for missionaries in Malawi and Mexico to begin seminary classes. Another I encouraged is a native of Honk Kong who speaks two Chinese

languages. My challenge was for him to also record courses for Landmark.

As we minister to prisoners in a nearby prison, pray I be allowed to also minister in Spanish. A door is also opening to explain to men addicted to drugs and alcohol the power God's Word. Pray the building for the rehab center will soon be habitable.

Our W.B.F. Mission sent \$700.00 to buy Bibles in the Misquito people's native language that are only available in Managua, Nicaragua. A trip to Nicaragua is not possible now due to the governments repressive actions against Christians. The funds will enable them to have Spanish Bibles, their second language.

A four week series I taught on missions to 36 students in Mexico will hopefully result in the pastors who attended beginning seminary classes. Each church enrolled as a seminary extension doubles our ministry.

In glory we will rejoice as we see the full extent of the abundant harvest reaped for the Lord's glory. Your support has kept our ministry active well beyond retirement age.
