

News from Brazil

The Bible Baptist Church in Belém, Pará is really growing under the leadership of Pastor Juscelino Costa. They have completed the construction of a beautiful sanctuary and are working on a 2 story Sunday School and fellowship hall. Please pray that God will provide the needed funds.

Pr. José Moraes and the First Baptist Church of Pau D'Arco are winning souls and working on expanding their building. They have a growing children's ministry with Angela Machado and Elma Moraes. Although we do not have pictures, the first church that God enabled us to start, the Calvary Baptist Church in Vigia Pará, has a new Pastor and is growing again. Please

keep this church with Pastor Amarildo Macedo in your prayers.

One of the ministries that God enabled us to start, is the El Shalom Camp ministry. Awhile back they had to move to a new location and God gave them a beautiful place. During the years, many souls have been saved and lives changed during our camps and retreats.

Your faithfulness to pray for and give through the Horton family as we ministered in northern Brazil, has resulted in churches being established, the El Shalom camp and the EMDEC children's ministry, as well as the Bible Baptist Institute of the North that trains and teaches and prepares Brazilian pastors and teachers. We are so thankful to our Lord for using us to

serve Him in the country of Brazil. Mary and I feel like fish out of water sometimes, not serving in Brazil, however serving in our home church is a blessing. We still keep up with the works there and are able to witness to the lost here in this Texas Metroplex. Bill has also been asked to publish more Sunday School series in the Portuguese language which he is very happy and qualified to do.

Both of us have had health problems, several visits to the ER and doctors offices. God has been very merciful and good to us. Life in your 80's when your mind still thinks you are 50, well it requires some adjusting. We thank you for your continued prayers and financial help that is definately needed. May God continue to bless and use each of you.

Co-laborers in the harvest until Jesus returns,

Bill and Mary Horton
