Dear Pastors, Supporting Churches, & Friends,

I want to thank each of you for your prayers, love and support. As you may have heard by now, David went Home to be with the Lord on Tuesday, April 29. He had many problems with his health, and he fought so hard to overcome them. He remained active in the ministry until the very end, and he is now with the Lord he loved. The kind outpouring of love and support from our family, coworkers, friends, mission office team and missionaries has been such a blessing!

Missionary Karen Werth made a special trip to Jogja to be with me and was a great help to me in so many ways. Thank you, Karen! Both of our sons, David and Steve, and our daughter-in-law, Jody, came to be with me. I cannot even begin to tell you what a blessing they have been and all they have done since their arrival. Please pray for our extended family in the US as they mourn this loss with us.

I'm asking from you a special prayer that God will guide my next steps and give clear direction of the best road for me to take - there are many factors to consider. I know with God all things are possible, and that He doeth all things well! I will continue in the various ministries here until a definite decision is clear.

I plan to continue the work with the four churches (Agape Baptist, Iman Baptist, Mt Karmel Baptist, and Batu Karang Baptist), as well as with the Bible Institute, which involves youth ministry, ladies ministry, and ministering within the local church. Please pray for each of these pastors and their ministries as they also mourn the loss of David.

We have been missionaries with the World Baptist Fellowship Mission Agency for 51 years and have been in Indonesia since 1976. It is my sincerest prayer that you will consider continuing to support me for as long as the Lord will allow me to stay.

Love and Prayers,  
Carole Ross

PS - I will put the video of David's funeral on the website so you can see the love the Indonesian people feel for David and me.
