NOVEMBER 2024

Dear Prayer Partner,

The apostle Paul wrote Timothy, **“This know also, that in the last days perilous times shall come”** (2 Timothy 3:1). In Brazil truth is often compromised, doctrinal clarity is more vital than ever. Many are sidetracked with modern technology, false Bible gospels and tolerance or every belief except the claims of Christ. There is a need for taking steps in support of our doctrinal stand. Biblical marriage, abortion and human sexuality are just a few scriptural teachings that have been challenged. I was blest when both my home church and the World Baptist Fellowship Mission Agency took steps to strengthen our position as Independent Fundamental Baptist.

As we look forward to coming of our Lord we are reminded of our forefathers unwavering faithfulness to proclaim the Word of God. Their dedication was blessed not because of cultural changes but because they were firm to the unchanging truths of the Bible. We also must build on the foundation set by Jesus, the corner stone, and the apostles. We must stand against all cultural challenges. In so doing we know that Christ is honored by our passion for the truth of the Word.

In closing I ask your support as we will be in Manaus, Amazonas for the first two weeks of December. Meetings are being planned by three of the churches. Our objective is to see souls saved and encourage them to keep on keeping on for our Lord. Plans are to visit the Institute for Transforming Lives to work among the children of lepers. We will also hope to visit the new church among the lepers.

Thanks for your prayers and financial support for our ministry. With the fall back in time our online classes may increase in number. Please keep this work in prayer.
