### *Reaching French-Speaking Québec with the Gospel*

November 2025

Dear Co-laborers in Christ,

There is an **important issue** for all **churches** in our province of Quebec:

A **report** was recently **submitted** to the Quebec government recommending the **expansion** of the application of the **principle of secularism** in our province. Following this report, a **Quebec constitutional bill was introduced** in the **national assembly**. Some of the **recommendations set out** in this **report** have already been included in the bill and others, if adopted, **will have extremely serious consequences for the future of our church**, and also for all churches and Christian organizations in our province of Quebec.

For example, **taxation of places of worship**; the **loss of tax exemptions and tax credits for donations**; and **secularism** that would **take precedence** over the **fundamental rights to freedom and conscience of religion**; and the **marginalization and erasure of faith** in the **public sphere**.

Today, Christians from all over Quebec are encouraged to take action while they still can. Together in unity and **prayer**, they must make their voices heard with respect, clarity and conviction.

Christians in Quebec are encouraged take action by **writing** a letter their M.P. (Member of Parliament), by **sharing** information with their contacts and those around them, and **by praying**. The **word of God teaches us to make our needs known through prayer**. So, Christians in Quebec and elsewhere are encouraged to **pray for our authorities**, for our government, and **specifically for all those who will make decisions**.

**1 Timothy 2:1-2 says**, “I exhort therefore, that, first of all, supplications, prayers, intercessions, and giving of thanks, be made for all men;

<sup>2</sup>For kings, and for all that are in authority; that we may lead a quiet and peaceable life in all godliness and honesty.”

We invite you to **pray with us**. May God keep His churches in Quebec free so that they can be a force for good, compassion and action and justice, a light, a source of hope and peace, touching multitudes, one person at a time in our nation of Quebec.

The **future of Christian churches in Quebec is in God’s hands**, and **He remains in control of all things**. Please **pray** for this **important issue for churches** in our province of **Quebec**.

**Debra and I**, along with our **children**, would like to **thank you for your continued prayers and financial support** for our **family** and for this **ministry**, which **enables us to reach souls with the Gospel of salvation in Jesus Christ**.
