## *Church planting in Australia*

November 22, 2025

Dear Pastor and Friends,

**Palmerston Markets** – Our outreach at the Palmerston Markets has finished with the onset of the rainy season. Every Friday night for 6 months we set up a tent to pass out tracts, gospels of John and Romans, and Gospel bracelets. Our folks have done a good job of witnessing and sharing the Gospel. We have had several visitors to church as a result of this outreach.

**20/20 Outreach** – We are currently going from “house to house” distributing tracts and invitations to church (Acts 20:20). We have already had several phone calls and a man and wife visit the church after receiving the invitation. We hope to saturate our area during the next couple of months.

**Baptism** – I recently had the pleasure of baptizing Joseph, the son of Anthony, who is our church treasurer, and Corinne, who is one of our Sunday School teachers, who were both saved through our ministry about 10 years ago. I had the privilege of both marrying and baptizing them. It is exciting to see the next generation follow the Lord, please keep Joseph and our children’s ministry in your prayers.

**Short Furlough** – As I mentioned in our last letter, Caleb and Melissa are expecting their third child in 2026, so Cyndi and I will be taking a short furlough to welcome our newest grandchild into the world. We are planning be in the States from June – October. If you would like us to come by and give a report to your church, just let us know. I am also available for VBS and Camps. We are hoping to visit some of our supporting churches in Texas and Florida in September and October.

**Prayer Requests** –

- Faith (our daughter) – ongoing physical needs, POT’s Syndrome
- Andrew – Our Associate Pastor who will be carrying the load while I am away next year
- New Families – We have several new families and individuals who have just recently started attending our church, please pray that we can be a blessing to them in their Christian walk.
- Cyclone Fina – Every year during the wet season we experience several cyclones, Fina is a category 3 cyclone with wind gusts of 195 kilometres per hour (120 miles). Right now, we are experiencing heavy rains and winds, please pray for our services tomorrow.

**Thank you** – Thank you for supporting us both financially and prayerfully. We appreciate your faithfulness!

God Bless – The Chapmans
