**CROSS-CULTURAL MISSIONARIES
TO SPAIN AND LATINOS**

November 7, 2025

Fall has flown by- turns out time flies whether you're having fun or not! We participated in a great mission conference in Arlington back in September and were encouraged by God's people. We took a few extra days to head down to the Houston area and visit Dena's dad, and providentially, we were able to take him out to dinner on his last relatively good day. He had been fighting cancer for some time but we had no idea how close to the end he was at that time. He passed away a few short weeks later on October 9th. We thank God that he had trusted Christ as his Savior and his funeral was a beautiful, bittersweet time of laughter and tears. Bill was able to visit another supporting church in Florida in the month of October and we have another appointment coming up this month. We are touching base with as many of our supporters in person as we can, in between our other responsibilities. If you haven't yet seen it, our latest video can be found at: <https://youtu.be/nCNnh10-Xc0> or by scanning the QR code. We're happy to report that rosetospain.com is back up and active again as well.

Bill & Dena with JoseManuel & Ruth

Also in October we were able to go to Spain where we participated in the 40th anniversary celebration of our "consuegros," (our daughter Kelsey's in-laws!). This dear couple has participated in so many ministries together with us over the last 15 years, including taking an interim pastor role in our church plant years ago when it was just a baby church but we needed to take a furlough. Most recently, Jose Manuel has been teaching seminary classes over Zoom and Gilmar from our Spanish church in Michigan is one of his weekly students! The celebration was not just a celebration of their love for each other, but of the goodness and faithfulness of God to each and every one of us. The other purpose for taking the trip to Spain right now was to pick up our

new residence cards, which had to be picked up individually, in person by appointment. **We are happy to report that we have brand new Spanish residence cards that are valid until 2035!** On many levels it is a miracle that we were able to renew our residence, and we praise God that He opened the doors to make it possible.

The work to plant a Spanish speaking church in St Joseph County is on-going. We continue to teach and preach God's Word and ask Him to give the increase. We still go out to the farm for a service once a month, and Bill goes out weekly to teach English as a second language classes, using the Bible as one of his texts. **Kelsey and Gonzalo have arrived in the US** from Spain and are seeking to present the great need in Spain to individuals and churches as God leads in the next couple of months. They have done a great job preparing resources to explain the situation they face and we would be happy to pass those on to anyone interested. We are all excited that they will be here for the holidays for the first time since they got married nine years ago as well!

May God bless you in your place of service as we serve Him together, Bill and Dena Rose
