

Caleb and Deana

Missionaries to the UK

November/December 2025

Greetings from the UK.

First of all, we want to thank all the kind churches we were at on our short furlough. Thank you for your encouragement and generosity. It was wonderful to meet those of you who have been supporting me since I married Deana, and it was wonderful to introduce my wife to the churches that have been supporting me since my single years. I wish we could have gone to every supporting church, but we will not be able to do a long furlough until after I get my indefinite leave to remain in the UK, which is at least three and a half years away.

During our furlough, we were able to pick up one more supporting church, please pray that more follow.

Since we returned to the UK, we have hit the ground running. In my case, literally. One of our church members has a five-mile walk and jog that he started doing every Monday while we were on furlough, and I am going with him and taking that time to disciple him, particularly in areas of stepping up in service to God. I am definitely out of shape, but I am able to walk the entire route, and I am watching the Lord work on his heart.

On Wednesday nights, I am taking another member through the book "Continue." On Saturday, we are doing New Testament Survey. Currently, in Sunday School, I am taking our members through the Romans road. When we are finished, I plan on taking our men out for outreach.

We plan on starting "12 Weeks to Freedom" on January 7th, and between now and then, we have several forms of outreach planned to advertise it. Pray that we receive wisdom and favor.

Due to some changing laws, Deana is going to begin the process of becoming a UK citizen in the upcoming months. We are thankful for all God has done to allow us to minister to the people here, and we ask that you pray God would continue opening doors for us to reach more people in the UK with the gospel.

Thank you for your continued prayers and support.

To Bear Up Their Arms
