Summer Newsletter 2025

Dear Friends, Family and Prayer Warriors,

We pray that you are all well and have enjoyed the summer. We do want to thank all of you for your support. You are all a huge blessing to us.

We have had a very busy summer. I had the pleasure of substituting for Pastor Pablo while he was out of the state preaching a Church dedication. I have also been asked to teach at the local church, here in Huachichil on Thursday nights. What a blessing it is to see that the church wanting to grow and serve.

We also had the pleasure of a group of 7 from our home church come down for a week to help us help other churches with Vacation Bible Schools and the beginning construction of a new church in a small village of La Presa. We helped here in Huachichil in the mornings and then drove about 45 minutes to Los Lirios and helped them as well. A lot of early mornings and late nights, but the group was awesome. Over twenty kids received Jesus Christ as their personal savior that week. God is so good. Our group also drove a van that our Church has gifted us. This will be a big blessing.

After the group left, we helped with another Vacation Bible School and I worked more on the Church construction. Several kids received Jesus that week as well. What an honor it is to serve the Lord

We had money donated to buy kids backpacks and our home church donated school supplies to fill them and we passed them out to a very poor village, about an hour south of us, called San Juan Del Prado. We had about 40 kids show up with their mothers and some grandmothers. Before we passed out the backpacks, I had the opportunity to share the Gospel with them.

We want to thank everyone who helped with the backpacks and schools supplies and we also want to thank everyone who helped us get our suburban and trailer imported.

A big thanks to our home church for the Van, and for many other things, you are so dear to us. We got the van completely legal this week, however, we are still waiting on tags for the trailer

Prayer Requests:

That we would be able to reach the communities with the truth and love of Jesus Christ.
