Dear Friends,

We begin this letter by expressing our gratitude to you for your faithful prayers in our behalf. In our last letter we asked you to pray for our Vacation Bible School, specifically asking you to pray that we would be able to carry things across the border to Mexico without problems. Every year we take backpacks, school supplies, and other things that are important to the children in our churches over there. This year we were told by the Mexican Consulate that we would have to pay taxes on everything that we took across the border. But when we took everything over there, the officials in Mexican Customs treated us with courtesy and kindness. We explained to them what we were doing, and they did not require us to pay any taxes at all. We know that God answered the prayers of His people, and we thank you for praying.

The VBS at our church in Valle Hermoso was a great success, and many children accepted Christ as their Savior. Pastor Juan and some of the members of our church traveled to Zacatecas to hold VBS at the mission that our church supports. That VBS was also successful. The work in Zacatecas just celebrated their first year anniversary. God is blessing that ministry.

All of our churches in the border cities are doing well. During the summer months, they all participated in youth camps and Vacation Bible Schools. Many souls have been saved, and many teenagers have given their lives to the Lord for full-time service. We are thrilled to know that God is moving in a mighty way in all of our churches.

THANK YOU for being a part of our ministry! Your generous financial gifts and your faithful prayers make it possible for us to continue to serve the Lord. Thank you for sharing in everything that has been accomplished in our churches in Mexico. We are grateful!

In Christ,

*Gary & Monnie*
