**CROSS-CULTURAL MISSIONARIES  
TO SPAIN AND LATINOS**

Hi everybody! We have had contact with some supporters who have misunderstood what we are doing after receiving the letter from our mission director. We want to clarify that **we are not on staff at any church** and are currently continuing the same ministry we have been doing for the last four years. The only thing that has changed is our timeline as we had previously thought we would be able to plant an indigenous Spanish speaking church in St. Joseph County, Michigan by 2025 but God has not allowed that to happen. Please use the link below or the QR code to **check out this 5 ½ minute video** for a quick overview of our current ministry. We think it will be an encouragement to you and you might even want to send a group to Spain!

**We continue to work as missionaries to *evangelize* Latinos alongside existing churches and *plant* a new, Spanish-speaking church while also *facilitating short-term mission trips* for groups from the US to go to Spain to evangelize and encourage national pastors and their churches there. These are pastors who we helped disciple, including one with roots to the ministry we worked in from 2005-2010, as well as the church we planted in Cártama. We also help lay the groundwork for new church plants in unreached towns! This summer was the 5th group we've brought to Spain- a group of 16 from the Houston area. We are confident that these are the ministries God has for us right now and we are seeing a lot of fruit from the opportunities He is giving us, with **18 decisions for Christ and two baptized** in just our 2025 summer ministries between Spain and the US.**

**We are available** and willing to answer any questions about our ministry and God's leading in our lives. Bill can be reached at 269-816-0374. We are also available for Zoom meetings or mission conferences as we are able to find someone to cover our Spanish service so we can travel. **Feel free to share our presentation video in your service** and we also have new prayer cards we can send to anyone who would like them. We do ask that you would continue to pray for us as we seek God's wisdom for our lives and ministry.

God bless! Bill & Dena Rose
