

FALL OUTREACHES

OCT-NOV 2025

TUESDAY NIGHT OUTREACH

We started a Tuesday night explorers Bible study where non-believers could come and hear about the basic elements of the faith. We served a meal each week, watched a video, and had open discussion. This lasted for 10 weeks and over the course of that 10 weeks we had 5 first time guests join us the entire time.

Two of those guests were already Christians but had been out of church for a long time and this group helped them get plugged into our church. **Two of the guests came to know Jesus as their Savior** and I am talking to them about baptism. One of the guests, Omar, did not get saved, however, he continues to come each Tuesday night for Bible study and he is starting to be more and more open to Jesus. Please continue to pray for these individuals.

FALL FEST OUTREACH

As you know we started a brand new outreach based Bible study in Daly City, Ca (a city that shares a border with San Francisco). We held our first outreach as a trunk or treat there and we saw nearly 300 people come through. I had the opportunity to talk to many of them and share the gospel with a few. Please pray for all these guests as we continue to reach out to them.

THANKSGIVING POTLUCK

Since we have so many people that do not have family in SF when the church first started we hosted a Thanksgiving potluck for everyone at our church. The last few years we have held it on a Sunday and our people always invite their friends and family to join. We had multiple first time guests on that Sunday and made really great connections with them.

FAMILY

--One of the hardest parts about being in missions work is being apart from family. Hali and I do not get to see our siblings that often, and our kids do not get to spend tons of time with their grandparents. And during the holidays when everyone is celebrating with family, it can make it extra hard.

However, God has blessed us with a wonderful church family. We are surrounded with brothers and sisters in Christ that we get to love on and love us back. My kids have many church family aunts and uncles that play with them and care for them. Whether it was growing up watching my parents start churches, or starting church now with Hali, one thing I have really learned through all of this is the importance of a loving church family. Not only in our lives, but in the lives of others. There are so many people that have been blessed by having a church family in Branches Baptist Church. Lives have been changed by the gospel yes...but they have also been changed by being part of a church. And that is thanks to you all and your faithfulness in praying and supporting our ministry.

Thank you all so much for your continued prayers and support. We could not do this work without you!!
