September 2024

Dear Prayer Partner,

The month of August was busy and passed quickly. Groups from three different churches in the USA visited the works in northern and southern Brazil. Churches from North Carolina, Ohio and Pennsylvania spent time with the works in Brazil. It is a joy to report that a total of 24 came to know the Lord as Savior, seven in the city of São Paulo and seventeen in the city of Manaus. The group spent several days in a VBS in the school in Alexo. They also ministered in the church in Dom Pedro. What a blessing these churches were to the works in Brazil.

The Lord willing I will be in mission conferences in Manaus in December. Plans are to leave the states after Thanksgiving and return before Christmas. I have been invited to hold a mission conference in São Paulo which is another five hours by plane. Most Tuesday evenings from 7:30 p.m. to 9:30 p.m. along with missionary Mark McCutchen, I have the joy of meeting with a group of Brazilian pastors and missionaries via Zoom. During our time together we try to encourage one another in serving our Lord. Recently we were joined with the presence of a newly ordained pastor and two missionaries.

The topic of recent meetings has been on the “perilous times” that the apostle Paul wrote to Timothy, his son in the faith. Things in Brazil are even worse than those encountered in the USA. Recently the leftist government passed a law that prohibits certain internet transmissions. Those caught using the forbidden internet transmission can be fined and even arrested.

Thank you for your financial support and prayers for us and the mission work around the world.

Unworthily His,
Wendell Hiers
