

Norm & Jeanie Higgins
Your missionaries to
Baja California
Mexico

September, 2024

Dear co-laborers:

My daughter gave me a ball cap a while back with the words “God is always Good” on the front. So true! It is a blessing to be able to share with you some of His goodness on the field since our last letter.

The Tijuana Fundamental Baptist Bible Institute held its 25th graduation ceremony in June with 2 men and 4 ladies graduating. God has used this ministry in a great way since its beginning, now with grads pastoring in various areas of Mexico as well as foreign fields.

The El Camino Baptist Church held 2 youth camps this summer. The first, senior camp, was held as a “primitive” camp on a lake in the mountains south of Tijuana. There were 110 young people attending, with 6 accepting Christ and following in baptism at camp. The second camp, junior camp, was held at a nearby ranch with 75 youths attending. The church continues to grow, having great services with decisions for Christ each week.

The Towers Baptist Church in Tijuana observed its 6th anniversary with 245 present. This church was planted by Bro. Mario Nungaray, an institute graduate. Prior to founding the church, he had a great ministry as an evangelist for several years.

The El Camino Baptist Mission, also in a different part of Tijuana, was begun in April of 2020; this was during the time of Covid. But God didn't let the problems of a serious health pandemic stop Bro. José Vazquez from doing a work for Him. They have seen the Lord bless the work with steady growth since its beginning, and have had a high attendance of 188.

We sincerely thank you for your vital part in these and the other ministries, and all of the precious faithful servants involved in them. Please keep Jeanie in your prayers; she needs oxygen much more now; we would like to get her a portable concentrator for when needing to go out. Thanking you for your continued prayers on behalf of these ministries, and for Jeanie and myself for health needs, I remain:

Yours in Christ,

Norm Higgins
