

ERNIE AND MONOKA BROWN CROSS CULTURAL MISSIONARIES

SEP. 2024

Dear Pastor and Church Family,

We are thrilled to tell you of a new Guatemalan man, Domingo, (in the picture above) that has been coming to the Sunday services. He has heard the gospel very plainly presented and has not accepted God's plan of salvation. But in the evening after a Sunday AM service, he had an accident where he lost control, ran into a rock and totaled his car. Thankfully he was not hurt badly. But we pointed out that God was trying to get his attention. He said he knew he needed to believe in God and His plan. Praise God he made that decision recently in the morning service. The young lady, Rosalia, (Amy's mom) is the one who invited him to church! Also the little girl with stickers on her face is Amy, the little one who had to have brain surgery. Rosalia is Amy's mom. With correct medicine, great care, and your prayers she is doing well. They are trying to wean her off the medicine that helped with controlling the seizures! So far its good!

In regards to Pastor Luis in Ecuador, he finished his first treatment and the Dr. was surprised at how much the affected area had shrunk. He has completed his 2nd treatment now; waiting to hear those results. He and his family both need your prayers. It is amazing to see how God is supplying. The translation work that Hermana Graciela is doing for a prison Chaplain is having a great impact on those who are in grave need of God's plan of salvation and the truths from His Word.

We are very blessed to have an Ecuadorian family staying with us for Mauricio, wife Rocio, son Jeremy, and son Sebastian have been and love for Christ. Hermano Mauricio has preached and taught for Sundays. Since Spanish is not a challenge for him, the folks services can hear and see his testimony and that of his family.

a time. Hermano sharing their talents us for a couple of attending our

We rejoice that God is still blessing His faithful servants and is using us to sow the seed of salvation. There are many who still need to hear. Wherever we meet the Latinos in this area we are thrilled to share God's Word! **And for your part in this ministry we are ever so thankful!** May God richly bless you as a church and as individuals! Keep on praying please!

Yours for Souls
