TERNAK+

DIGITAL SOLUTION FOR FARM EFFICIENCY, PROFITABILITY, AND COMPLIANCE.

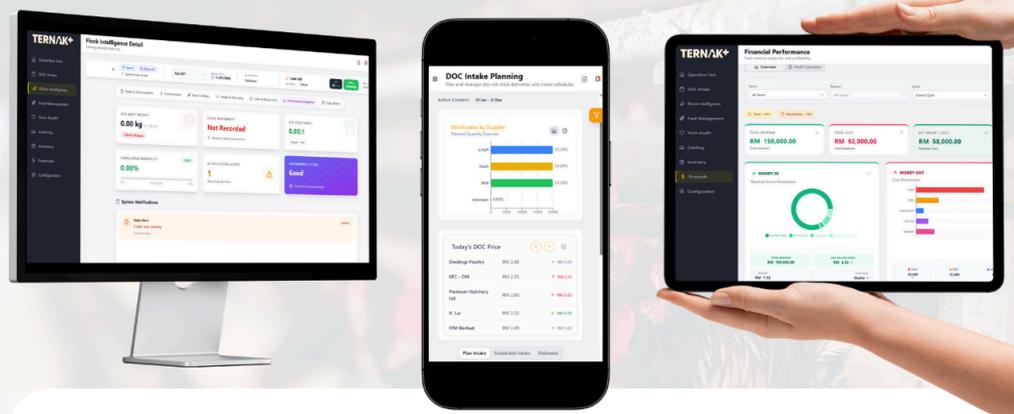

"Smarter Poultry Farming, Better Results"

Limitations faced by Farmers

TERNAK+

A poultry farm management platform that digitizes daily tasks, provides real-time insights, and helps you run a more efficient, profitable, and compliant farm.

Modules

TERNAK+ organizes poultry farm operations into easy-to-use digital modules that cover the entire broiler cycle.

Modules	Freemium 3 cycles	Standard	Pro
Operation Hub	✓	✓	✓
DOC Intake	✓	✓	✓
Flock Intelligence	✓	✓	✓
Feed Management	✓	✓	✓
Catching	✓	✓	✓
Inventory	✗	✓	✓
Financials	✗	✓	✓

Features

Each subscription tier adds features that bring greater value to farmers. This tiered approach makes it easy for farmers to start simple and scale up as they grow.

Features	Freemium 3 cycles	Standard	Pro
Planning & Procure	✓	✓	✓
Intake Management	✓	✓	✓
