Regular Delivery:

35 Weeks | 4 Months Online Class* + 4 Months Clinical Placement*

Fast Track Delivery:

25 Weeks | 3.5 Months Online Class* + 2.5 Months Clinical Placement*

Program Overview

The Personal Support Worker (PSW) program provides comprehensive training to equip graduates with the skills needed to deliver compassionate care to individuals across all stages of life. Through this program, students will learn to assist clients with daily living activities and offer essential support to those facing cognitive impairments, physical disabilities, and mental health issues. Upon graduation, students will be prepared for entry-level positions in a variety of healthcare settings, including community care centers, retirement homes, long-term care facilities, and hospitals.
