

2025 Courses

If this is your first time taking this NASSCO-Training, or if you have previously had this NASSCO-Training, but your certification has expired, then you would be looking at 1. **Initial Certification** below. If you are instead looking to re-certify for NASSCO-Training, this means you have been successfully certified previously but have not yet reached your 3-year expiration date, then you would be looking at 2. **Recertification** below.

1. INITIAL CERTIFICATION

Below are currently available options for [initial certification](#), [recertification](#) and [recertification after expiry](#); where you have either never taken this course before, or was previously certified but require recertification after your certification has expired:

Description	Type	Duration
PACP Only	INITIAL CERTIFICATION or RECERTIFICATION AFTER EXPIRY	2 day / 16 hrs
PACP LACP MACP	INITIAL CERTIFICATION or RECERTIFICATION AFTER EXPIRY	3 day / 24 hrs

2. RECERTIFICATION

Below are your currently two or three-day available options for [recertification](#); where you are currently still certified but require recertification before your certification expires:

Description	Type	Duration
PACP Only	RECERTIFICATION (Condensed)	1 day / 8 hrs
PACP Only	RECERTIFICATION (Standard)	2 day / 16 hrs
PACP LACP MACP	RECERTIFICATION (Combined)	3 day / 24 hrs

2025 SUMMER TRAINING DATES

Currently all my scheduled sessions are offered as public, virtual and are available to enrol into via NASSCO's Find Classes page. If you would like to request a private class at your location and have 10 to 15 students, then please reach out to me directly at jroy@sitelineservices.ca or call me at 1 (604) 819-2096.

To view and/or enrol my public, virtual session offerings, follow the instructions below:

1. Click [here](#) to open the **Purchase a NASSCO Training Course** form page on NASSCO's website,
2. Fill in relevant details and click **Next**,
3. Select that you are purchasing the course for yourself and click **Next**,
4. In the filter by course type drop-down, select **PACP** and press the **Filter** button below it,
5. Note that the available course filtered by PACP will populate, but these are listed in USD prices. Here, select either:
 - **2025 - PACP | LACP | MACP - Pipeline, Lateral and Manhole Assessment Certification Class** or
 - **2025 - PACP | LACP | MACP Recertification - (2-day) Pipeline, Lateral and Manhole Assessment Class**
6. On the page that opens you will be able to see all virtual training of the type you selected, offered by [all trainers](#). To more easily find my sessions, you can press CTRL+F and enter Jason Roy into search and your browser will find and highlight every instance of my name on the list. Check available dates and number of remaining available seats to select a class that works for you.
7. Once you've selected the course you want, click **Next**, and then go through the remaining pages to:

- a. indicate if you require CEU's
- b. indicate the type of manual you want and other details
- c. pay for your manual and get it shipped to your chosen location
