## ABOUT US

Vimalalaya Hospital has been committed to providing accessible and affordable healthcare for over four decades. Established in 1977 by the congregation of FIH sisters (Franciscan Sisters of Immaculate Heart of Mary, Headquartered at Kollam), Vimalalaya has earned the approval of major health insurance providers and offers cashless hospitalization facilities.

At Vimalalaya, we prioritize caring and providing compassionate healthcare to every patient. Our team of talented professionals brings expertise in clinical practice and surgical management, all with the vision of delivering protocol based pragmatic healthcare.

Our focus on affordability ensures that the moment you step through our doors, you receive not just treatment but genuine care. We are dedicated to serving you with the utmost compassion and providing the healthcare that you rightfully deserve.

## VISION

To experience God's love in its fullness through total upliftment of the person.

## MISSION

To reach out to the sick and needy for their upliftment through compassionate and utmost health care.
