Appendix

Ideal for Both Home & Commercial Use

Sleek and Elegant

- European-inspired modern contemporary style design.

Specifications:

- **Material:** Ceramic

Product Features:

- **Premium Quality Ceramic Construction:** Delicate and solid ceramic with a crystalline glaze.
- **Durable and Smooth Ceramic:** Easy to maintain and clean.
- **Sleek and Elegant Design:** Smooth lines, curved corners, and safer for use.
- **High-Temperature Integral Molding:** Seamless, no leakage, and ensures longer life.
- **Easy to Clean:** Simply wash with water and shampoo only.

Note:

- Wash with water and shampoo only.

Package Includes:

- Basin only.
-

"Elevate the Arts of Elegance" means enhancing or taking the concept of elegance to a higher level, treating it as a refined art form. It suggests that OM Cera Art doesn't just make functional basins but crafts artistic, stylish pieces that bring sophistication and beauty into any space. It's about merging utility with high aesthetic value.
