**PAUL STORM**

My name is Paul Storm and I would like to be your Marine Embassy Guard Association (MEGA) Treasurer for the 2025-2027 term.

My vision for being the MEGA Treasurer is to adhere to sound fiscal policies and procedures and be a responsible fiduciary for MEGA.

As the interim MEGA Treasurer, I have already begun these things. For example, I have greatly increased interest earned from our bank accounts and enhanced supplier purchasing accountability.

My experience includes being treasurer or fiduciary at multiple other organizations and governmental entities.

I would be honored to be your MEGA Treasurer and ask for your support and vote.

### **STEVE MAXWELL**

Steve Maxwell is a retired Account Manager for Allied Universal Security, where he managed and coordinated security and fire operations for Ford Motor Company in Avon Lake, Ohio. His leadership responsibilities included overseeing emergency response operations, liaising with municipal jurisdictions, and ensuring team members were trained in Confined Space Entry, Hazardous Material Response, Rescue at Heights, and Medical & Fire Response. His dedication earned him numerous commendations, including a World-Class Leadership Award.

Steve is a proud U.S. Marine Corps veteran, having served eight years, including time as a Watch Stander at the U.S. Embassies in Kuwait City, Kuwait, and Santiago, Chile. His experience in diplomatic security and operational coordination has reinforced his commitment to excellence, leadership, and mission success.

Beyond his professional career, Steve has remained engaged in leadership and service roles. He recently served as the Communications Committee Chairman, assisted in the planning and implementation of MEGA's new website which launched in 2024 and was a member of the 2021 MEGA Reunion Committee. He also serves on the disciplinary board at AMVETS Post #32, demonstrating his commitment to upholding integrity and accountability within the veteran community.

Now, Steve is seeking election to the Marine Embassy Guard Association Board of Directors to continue serving his fellow Marines. He is committed to strengthening the organization, fostering engagement among Marine Security Guard veterans, and ensuring the association remains a pillar of support and camaraderie.

In his free time, Steve enjoys exercising, working around the yard, and spending time with family.

**DALE CLARK**

I am an active member of the membership and history committee. I volunteer for other committees such as the Reunion Committee when I see a notice requesting volunteers. I am a new member of our elite organization. I am now retired after 45 years as an AVP bank fraud investigator, police officer, local homeland security professional for the City of Seattle, GS 12 Security Specialist for Dept. of Commerce and the final two years as a DOD Classified Contractor Facility Security Officer.

Now that I am retired as a disabled vet, I want to give my time to this organization to continuously improve its membership and operations.
