

## TUTORIALS PROPOSAL GUIDELINES (LASCAS 2024)

The LASCAS 2024 technical program will include tutorials that complement the regular technical program with new topics of special interest to participants. Tutorials are an integral part of LASCAS where faculty members have the opportunity to share their expertise in a particular area and research topic with fellow researchers and other interested parties. Both academic and industry proposals are solicited. Proposals may be established or emerging topics with profound and new insights, best presented through an oral presentation.

Tutorial proposals should include:

- Title of tutorial
- Abstract (300 words maximum for inclusion in registration materials)
- Duration of tutorial (1.5 or 3 hours tutorials)
- Instructor(s) and their credentials (2-page CV for each instructor)
- Expected impact
- Required Materials

### PROPOSAL SUBMISSION

Please submit proposals (PDF files) by email to [tutorials@ieee-lascas.org](mailto:tutorials@ieee-lascas.org)

### IMPORTANT DATES

- Tutorial Proposals: ~~September 4<sup>th</sup>, 2023~~ **September 22, 2023**
- Notification of Acceptance: November, 30<sup>th</sup> 2023
