

R Real Sweet Melons, LLC
Environmental Policy/Mission Statement

Mission Statement

R Real Sweet Melons, LLC is committed to protecting the environment, the health and safety of our employees, and the community in which we conduct our business. It is our policy to seek continual improvement throughout our business operations to lessen our impact on the local and global environment by conserving energy, water and other natural resources; reducing waste generation; recycling and; reducing our use of toxic materials. We are committed to environmental excellence and pollution prevention, meeting or exceeding all environmental regulatory requirements, and to purchasing products which have greater recycled content with lower toxicity and packaging, that reduce the use of natural resources.

The requirements of this policy apply to all employees of R Real Sweet Melons, LLC. The primary audience for this policy is those responsible for the implementation which is management and sales.

Own Company

R Real Sweet Melons, LLC will internally attempt to minimize the environmental impacts of our own operations through best practice management of our use of energy, transportation, material consumption, water use, waste and emissions.

Purchasing Decisions

Preference will be given, where possible, to purchasing products and services that have the following environmentally friendly attributes with acceptable parameters for price, quality and delivery:

- Maximizes post-consumer recycled content.
- Minimizes packaging and other wastes.
- Minimizes toxicity.
- Are durable and reusable.
- Are more locally available to minimize transportation.
- Are made from sustainably produced materials.
- Are compostable or biodegradable.
- Conserves energy, water and other natural resources.

Audit

R Real Sweet Melons, LLC will ensure adherence to our established environmental management process through periodic internal and external audits.

Biodiversity Policy

Mission Statement

Southern Corporate Packers is committed aligning our practices with being stewards of systems, cultures and values that allow ecological and sustainable developments to evolve and flourish.

Biodiversity Policy

Biodiversity speaks to the very ecosystems in which we live and work. We are determined to honor our responsibility in shaping environmental stability through the lessening of our collective carbon footprint. Southern Corporate Packers remains fully committed to supporting and establishing sound and sustainable practices that contribute to the success of all ecosystems.

How We Are Actively Working Towards Our Aim

- We have internally established a team to focus on environmental issues to expand in the near future to ensure sustainable development
- We educate our supply chain partners on resin loss prevention
- Our lighting systems and installations are designed to be energy efficient
- We promote and contribute to circular economy values via the 4 R's; Reduce, Reuse, Recycle, and Repurpose
- We have an in-house recycling program
- We have landscaped the property with native species
