Theme: A-Z of Microlaryngeal Surgery

OTHER FEATURES

- Hands-on workshop on flexible and rigid bronchoscopy.
- Hands-on thyroplasty workshop on goat larynx
- Hands-on laryngeal massage, FEES workshop and Vitalstim workshop.

Dear Colleagues,

We are delighted to invite you to the 8th Annual Conference of the Association of Phonosurgeons of India – Kerala Chapter (KAPSICON 2025), to be held at Hotel Ashoka Inn, Thrissur, on 25th and 26th October 2025. The theme for this year's conference is: "A-Z of Microlaryngeal Surgery." In an era where laryngology is becoming increasingly specialized and distanced from general ENT practice, microlaryngeal surgery remains a vital area still performed by many general ENT practitioners. It is therefore essential that all otorhinolaryngologists receive comprehensive training in this field to help bridge the gap between general ENT and laryngology. With this goal in mind, we have carefully curated 16 sessions that aim to cover the entire spectrum of microlaryngeal surgery. As a special addition, we are hosting a pre-conference workshop on October 25th, designed not only for ENT surgeons and laryngologists but also for speech-language pathologists. The workshop will feature hands-on training in:

- FEES (Flexible Endoscopic Evaluation of Swallowing)
- Laryngeal massage
- VitalStim stimulation
- Flexible and rigid bronchoscopy
- Thyroplasty on a goat larynx model

Please note that hands-on workshop slots are limited, so we encourage you to register early to secure your place.

We sincerely look forward to your esteemed presence and active participation in making KAPSICON 2025 a memorable and enriching experience.

Warm regards,
Organizing Team
KAPSICON 2025

Organising Committee KAPSICON

Dr. Jayakumar R Menon
Chief Patron

Dr. Rejith R S
Organising Chairman,
AOI Thrissur Secretary

Dr. Vishnu Vinayakumar
Organising Secretary

25.10.25:Pre-conference workshop schedule

08:30 am-08:45 am : Introduction to FEES

Dr. Vishnu Vinayakumar

08:45 am-09:00 am : Procedural description of FEES

Ms. Arya C J

09:00 am 10:00 am : Hands on practice

10:00 am-10:15 am : NMES

Ms. Sreedevi E.V

10:20 am-11:00 am : Hands on Practice

11:00 am-11:15 am : Tea break

11:15 am-11:30 am : Anatomy of neck muscles

Dr. Sania Abraham

11:30 am-11:45 am : Laryngeal massage therapy

Dr. Jayakumar R Menon

11:45 am-01:00 pm : Hands on practice

1:00 pm - 2:00 pm : Lunch break

02:00 pm-02:15 pm : Lateralisation thyroplasty and pitch
altering thyroplasties

Dr. Reshmi M Nair

02:15 pm-03:30 pm : Hands on practice on goat larynx

03:30 pm- 03:45 pm: Bronchoscopy

Dr. Manju E Issac

03:45 pm-05:00 pm : Hands on practice on mannequins

26.10.25: SCIENTIFIC SESSION

History of Microlaryngeal surgery : Dr. Vishnu Vinayakumar
09:00 am - 09:15 am

Microanatomy of vocal cord : Dr. Avinash Mohan
09:20 am - 09:35 am

Anesthesia and preop evaluation : Dr. Asish Karthik
09:40 am-09:55 am

Principles of Microlaryngeal surgery : Dr. Jayakumar R Menon
10:00 am-10:20 am

Instrumentation for Microlaryngeal surgery : Dr. Sabari Nath H S
10:25 am-10:40 am

Flaps in Microlaryngeal surgery : Dr. Ammu Sreeparvathi
for Microlaryngeal surgery 10:45 am- 11:00 am

Inauguration followed by tea break : 11:00 am - 11:45 am

Cyst, mucosal bridge and sulcus vocalis surgery : Dr. Reshmi Aravindakshan
11:45 am - 12:05 pm

Laryngeal web and Wendlers glottoplasty : Dr. Manju E Issac
12:10 pm - 12:40 pm

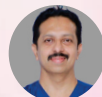

Surgeries for benign neoplasms of larynx : Dr. Raghavi Vishnu Prasanna
12:45 pm- 01:00 pm

Lunch break : 01:00 - 02:00 pm

Surgeries for malignant neoplasms of larynx (TLM and TORS) : Dr. Shawn Joseph
02:00 pm - 02:20 pm

Surgeries for Congenital laryngeal stridor : Dr. Gautham Kulamarva
02:25 pm - 02:45 pm

How to overcome difficulty in laryx exposure : Dr. Raga Panicker
02:50 pm - 03:05 pm

Powered instruments for Microlaryngeal surgery : Dr. Padmanabhan K
03:10 pm - 03:30 pm

Microlaryngeal surgery for disorders other than Reinke's space : Dr. Reshmi M Nair
03:35 pm - 03:55 pm
