Forward

According to several Human Rights agencies the world has been witnessing a Genocide in Gaza since late 2023, which has been carried out by the Israeli regime mainly against women and children. As of early 2026 the Israeli terrorist regime has killed over 38,000 Palestinian women and over 20,000 children. But they claim they are fighting Hamas.

Every school, hospital, university, health centre, church, mosque and home in Gaza has been destroyed. It is now a wasteland.

Terrorism is generally defined as the use of violence against civilians and civilian infrastructure for political or religious goals.

So defining Israel as a terrorist regime is not far wrong. It is quite obvious that Israel wants to force the Palestinians out of Gaza and the West Bank so that Israel will be a country for Jews only.

Some people will say what about Hamas and October 23rd and the Jews that they killed. Well I will cover that later but we now have testimony from several ex Israeli IDF or Israeli Intelligence officers that the Israeli forces were told to depart from the fences that surround Gaza 2 or 3 hours before Hamas came through. Almost as if they knew Hamas were coming and they wanted them to so that they would then have the excuse to erase Gaza and make it inhabitable to live in for the Palestinians. It is called a false flag attack which Israel has been the leading entity in these type of attacks in the past.

The reason Israel is allowed to carry out a genocide without any pushback from America is simply because of Jewish control of the Politicians in America and the U.K through the various Jewish Lobby groups such as AIPAC. America has provided the money and military hardware for Israel to carry out their Genocide and the U.K government as also helped Israel to carry out the slaughter of the Palestinian civilians with RAF spy missions flying over Gaza from the U.K Cyprus base.

But how did it get to this point in time where Israel exists in the first place and Palestinians are forced out of the land where they have lived for thousands of years. Let us go back in time and see the demography of the land called Palestine and the creation of the Zionist movement and how They Stole Palestine.

But this will lead to many rocks upturned and many lies uncovered and many facts laid bare that the mainstream media try to keep hidden from the public such as the Zionist control in the media, social media, banking and the political systems of several countries.

From the movie the Matrix: Morpheus to Neo: *"This is your last chance. After this, there is no turning back. You take the blue pill - the story ends, you wake in your bed and believe whatever you want to believe. You take the red pill - you stay in Wonderland and I show you how deep the rabbit-hole goes. Remember - all I am offering is the truth, nothing more."*

Ancient Egypt & Exodus 2000 b.c – 1250 b.c

Roughly 2,000 years before the birth of Jesus, Jewish patriarch Jacob (whose name is changed to Israel by God) had twelve sons who became the leaders of the twelve tribes of Israel. The Jewish tribes are named Reuben, Simeon, Levi, Judah, Issachar, Zebulun, Benjamin, Dan, Naphtali, Gad, Asher, Ephraim, and Manasseh. There is no tribe of Joseph, one of the sons of Jacob. This is because in some biblical lists, the tribe of Joseph was split into two, named Ephraim and Manasseh after Joseph's sons.

Most people assume the Jewish people are the sole remaining descendants of the ancient nation of Israel. This belief is incorrect. The Jews are descendants of two of the Israelite tribes: Judah and Benjamin. 10 other tribes in ancient Israel were never called Jews. These northern tribes were historically distinct and politically separate from the Jews. Since all 12 tribes, including Jews, are descendants of their father Israel (Jacob), we can apply the term Israelite to all of the tribes. Could the other 10 tribes become the Palestinians, Lebanese, Iraqi's, and the Jordanians? The people who have lived in that area for thousands of years.

Arabs are supposedly descended of Ishmael. And Ishmael is a son of Abraham. So, Arabs can also be called Hebrews. And the Arab language is very closely related to the Hebrew language. In the article below after examining DNA from 93 burials found at Canaanite archeological sites researchers have concluded that most modern Jews and Arabic-speaking people derive at least half their ancestry from Canaanites.

<https://www.biblicalarchaeology.org/daily/ancient-cultures/ancient-near-eastern-world/jews-and-arabs-descended-from-canaanites/>

When a famine happens in Canaan, Jacob and his remaining children go to Egypt for help and end up staying in Egypt. Eventually, their descendants are enslaved in Egypt and then led out by Moses. When they re-enter Canaan, the land they steal from the Canaanites is distributed among the 12 tribes, which are collectively called "Israel" because they descend from the patriarch Jacob-Israel

According to the bible the Israelites spent 400 years in bondage in Egypt. Israelites lived in peace in Egypt for 300 years before a Pharaoh ascended to the throne and enslaved them. While the Bible does not explicitly name the pharaoh, popular tradition and many scholars identify Rameses II (reigned c. 1279–1213 BC) as the pharaoh of the enslavement but others say the pharaoh of the oppression was Seti I who ruled from 1318 to 1299 B.C.

Although some scholars reject the idea that the Hebrews ever dwelt in Egypt. The one main reason they reject this biblical account as fiction is because of a lack of archaeological evidence. "The Exodus is so fundamental to us and our Jewish sources that it is embarrassing that there is no evidence outside of the Bible to support it," wrote archaeologist Stephen Rosenberg in the Jerusalem Post (April 14, 2014).

Scholars can't even agree on the Moses Exodus story as it is heavily debated between biblical chronology and archaeological evidence. The two main theories are an early date of 1446 BCE or a late date around 1260–1290.

Did Moses even exist?

In the book 'Did Moses Exist? The Myth of the Israelite Lawgiver' by author D.M Murdock he puts forth the evidence from many sources old and new that the story is just that....a story. Moses, is just another of the ancient myths our ancestors had, that somehow over the centuries evolved into stories people today except as facts.

But it is a good story if you want to allude to the fact that the Jews are 'the chosen people'.

This is the forward from another book titled 'Egypt knew neither Pharaoh nor Moses' by Ashraf Ezzat

"What if the whole story of the Exodus from Egypt was a fake story, and what if we could prove that it is? Whenever we say 'the Exodus' everybody unconsciously and instantly recognizes the story as the fleeing of the Israelites headed by Moses from the grip of Egypt's ruthless Pharaoh. Thanks to the Church, the Synagogue, the Mosque and of course Hollywood films this Exodus story has sunk deep in the collective subconscious of the masses, so deep that the story of Moses and Pharaoh has turned into an almost unshakable historical truth that once took place in Ancient Egypt. But actually nothing in the 'milieu of that story' indicates that it happened in Egypt, except maybe the mistaken association between 'Pharaoh' and 'King' of Egypt. Likewise, nothing in ancient Egyptian records or its oral tradition say or even allude to the fact that this tale of Moses really happened in Egypt. Even more shocking is the fact that the ancient Egyptian records do not refer to the Kings of Egypt as Pharaohs. Yes, Pharaoh was never a title for Egypt's king. Linking Pharaoh to Ancient Egypt is merely a myth propagated by centuries of falsehood brought about by misleading interpretation of Biblical history. The only reason we know the story of the Exodus happened in Egypt is because the Bible says so. We keep on believing that is the case because mainstream Egyptologists just went along with the Biblical narrative and absent mindedly designated Egypt's Kings as Pharaohs. But if we examined the Hebrew text the Bible used as a reference we will strangely not find Egypt mentioned in it as the site/land of the Exodus story. The whole mess/deception took place" during translating the Hebrew/Aramaic stories into Greek back in the third century BC. This is when Egypt was first hijacked and forcibly placed in the Hebrew Bible as the theatre of the Israelite landmark stories. Ironically this whole act of duplicity took place on Egyptian soil and specifically at its legendary library of Alexandria. But what if the Bible as we know it has long been tampered with? • What if the first western translation of the so-called Israelite stories, that came to be known as the Septuagint Bible, was a distorted translation? • What if the Israelite stories we all have been made to believe took place in Egypt simply did not? • What if Egypt was fraudulently introduced in the Bible as the theatre of the Israelite stories? • What if the homeland of Judaism and the early Israelites is not Palestine? • What if ancient Egypt never

knew any so called Pharaohs? • What if Abraham, Joseph and Moses never set foot in Egypt nor even dreamed about it? What if the whole story of the Exodus from Egypt was a fake story, and what if we could prove that it is?

1000 B.C

Samson was the last of the Judges of the ancient people who live in the area of Palestine mentioned in the Book of Judges. Samson was supposed to have been given superhuman powers by God in the form of extreme strength. Samson lived during the time of the judges in around 1154-1124 BC. During the period of the Judges, Gaza is notably associated with the exploits of Samson. Judges 16:1-3 recounts how Samson visited Gaza, where he was trapped by the Philistines but managed to escape by carrying away the city gates.

When the tribes of Israelites came to Palestine, after their captivity in Egypt, they were united into one kingdom by King David. His son King Solomon built the first Temple of Jerusalem.

King David is generally believed to have ruled for 40 years, from approximately 1010 BC to 970 BC.

720 B.C

Assyrians attacked the kingdom of Israel and carried many of its inhabitants away as captives. Assyrians are an indigenous Semitic, predominantly Christian people native to Mesopotamia (modern-day Iraq, Syria, Turkey, and Iran) with a 3,000-year history. Descendants of the ancient Assyrian Empire, they are a distinct ethno religious group speaking Neo-Aramaic and belonging to Syriac churches

600 B.C

Babylonian King Nebuchadnezzar attacked the kingdom of Judah, destroying Jerusalem and Solomon's temple in 567 BCE. Most of the inhabitants were carried into captivity.

Nebuchadnezzar (Nebuchadrezzar¹), son of Nabopolassar the Chaldean, was the Babylonian ruler who reigned over much of the civilized world in 604-562 BCE. Ancient Babylon was located in Mesopotamia on the Euphrates River, roughly 85 kilometres (53 miles) south of modern-day Baghdad near the town of Al-Hillah in Iraq. Nebuchadnezzar is considered the greatest king of the Babylonian Empire and is credited with the construction of the Hanging Gardens of Babylon. Nebuchadnezzar is mentioned by name around 90 times in the Bible. Nebuchadnezzar being a follower of the Babylonian gods Nabu and Marduk. Marduk was worshiped as the god of storms and fertility, much as the Baal of the Canaanites was. In Zecharai Sitchens books on the Anunnaki, Marduk is the son of Enlil, the second in command of the Anunnaki. According to Sitchin and other researchers the Anunnaki were human like beings from another planet called Nibiru.

Baal was the name of the supreme god worshipped in ancient Canaan and Phoenicia. The practice of Baal worship infiltrated Jewish religious life during the time of the Judges (Judges

3:7), became widespread in Israel during the reign of Ahab (1 Kings 16:31-33) and also affected Judah (2 Chronicles 28:1-2).

The Canaanites worshipped Baal as the sun god and as the storm god, he is usually depicted holding a lightning bolt, who defeated enemies and produced crops. They also worshipped him as a fertility god who provided children. Baal worship was rooted in sensuality and involved ritualistic prostitution in the temples. At times, appeasing Baal required human sacrifice, usually the firstborn of the one making the sacrifice.

(Jeremiah 19:5). *“condemns the people of Judah for building high places to Baal in the Valley of Hinnom to burn their children as sacrifices. God declares this abhorrent practice was never commanded, mentioned, nor did it ever enter His mind. This verse emphasizes the extreme wickedness and disobedience of Judah”.*

Is this Jewish human sacrifice still ongoing as we know there is emails in the Epstein files which says this maybe the case. Epstein was Jewish and working for Israel intelligence.

Who is Baal? Epstein's newly released files spark fear amid ‘sacrifice’ claims; ‘too deep and extreme’

The final tranche of files related to Jeffrey Epstein was released by the Justice Department on Friday, and a document has raised questions about his religion.

They've Been Doing This Since Babylon

I've written before about Jeffrey Epstein having a bank account named Baal. For anyone who missed it, Baal is the Canaanite demon god who demanded child sacrifice. Parents would burn their children alive in the bronze arms of massive statues while drums drowned out the screaming. This is documented in the Bible, in archaeology, and in the historical records of every civilization that encountered it.

Leviticus 18:21 says "You shall not give any of your children to offer them to Molech," and God doesn't waste words warning about imaginary threats. Baal and Molech are the same entity with different names, a demon who required the torture and death of innocents in exchange for worldly power.

Cyrus 600 – 530 BC

In 538 BC, Cyrus the Great conquered Babylon and established the Achaemenid/First Persian Empire, the largest kingdom the world had ever seen. Cyrus instituted a policy of altruism through the Edict of Restoration, allowing conquered peoples to return to their homelands. They had been in captivity and exile for 70 years due to the Babylonian invasion. Now the Israelites/Canaanites could return home.

515 BCE: Solomon's temple had been rebuilt.

Xerxes the Great - 518 BC – 465 BC

In Western history, Xerxes is best known for his invasion of Greece in 480 BC, which ended in Persian defeat. This included the Battle of Thermopylae and the 300 Spartans

The Jewish festival of Purim celebrates the deaths of thousands of Persians.

Esther, heroine and central figure in the Book of Esther of the Hebrew Bible and Christian Old Testament. She was a beautiful Jewish woman, the wife of the Persian king Ahasuerus (Xerxes I). She and her cousin Mordecai (Jewish) persuaded the king to cancel an order for the extermination of Jews in his realm, plotted by the king's chief minister, Haman. Instead, Haman was hanged, and the Jews were given permission to destroy their enemies. 75,000 Persians were killed.

The Jews in Roman Times

139 BC

Jews banished from Rome and again in 19 AD during the reign of Claudius

Judea 66 AD

Jewish discontent exploded into rebellion

70 AD: Roman Emperor Titus crushed the Jewish rebellion and destroyed Jerusalem

and the Temple, leaving only the Western (Wailing) Wall. In 73 AD the last defending fortress, Masada fell.

132-136 AD: Emperor Hadrian banned Judaism and prohibited Jews from entering Jerusalem, dispersing Jews throughout the world.

Author Juri Lina, in his book, Under the Sign of the Scorpion (pp. 66-68), describes a few of the bloody and savage massacres committed by Jews in ancient times:

"The Greek historian Dio Cassius described in detail how the Jews in the eastern provinces of the Roman Empire, in the year 116 A.D., during a rebellion began to murder various races they lived among. Judaists killed both women and children, at times using terrible torture. The most infamous bloodbaths were committed in the city of Cyrene and the province Cyrenaica (in the eastern part of present-day Libya) and on Cyprus and above all in its capital Salamis. The Greek historian Eusebius confirmed this. Mass murders were also perpetrated in Mesopotamia and Palestine. In Cyrenaica alone, the Jews killed 220 000 Romans and Greeks. On in Cyprus, their victims were estimated at 240 000. The Roman Emperor Marcus Ulpius Traianus (53-117 A.D.) sent troops to stop the killing. It took Rome a year to rein in the bloodlust of the Jews. Dio Cassius tells us how the Jews even ate their victims and smeared themselves with their blood. (William Douglas Morrison, "The Jews Under Roman Rule", London and New York, 1890, pp. 191-193.) The most brutal murders were committed in Egypt. Dio Cassius describes how the Jews even attacked the ships in which fear-stricken people tried to escape.

More serious was the insurrection of the Jews of Cyrene under Trajan (117 C.E.). This was quelled by Marcius Turbo, but not before about 200,000 Romans and Greeks had been killed (Dio Cassius, lxxviii. 32). By this outbreak Libya was depopulated to such an extent that a few years later new colonies had to be established there (Eusebius, "Chronicle" from the Armenian, fourteenth year of Hadrian). Bishop Synesius, a native of Cyrene in the beginning of the fifth century, speaks of the devastations wrought by the Jews ("Do Regno," p. 2).<https://jewishencyclopedia.com/articles/4826-cyrene>

From then till 1948, no Jewish Government has existed in Palestine. Although the whole of these provinces where Jews resided was governed by Romans. The Israelites have not really governed the area of Palestine since the days of King David in 1000 B.C which was 3000 years ago. But the Jews seem to think they have the right to remove 2 million Palestinians from Palestine because the Jews say it belonged to them 3000 years ago.

After 136 AD: Palestine was nearly empty of Jews. Remaining inhabitants were the existing peoples of Palestine, other people from neighbouring areas who were free to move around the Roman Empire, and the few remaining Jews.

300s AD: Christianisation of the Roman Empire - many local people became Christian, including most of the remaining Jews. Palestine ruled by Eastern Roman Empire, Byzantium.

570 Prophet Mohammed was born in Mecca

630 – 640 Byzantium's rule ended with the Arab conquest in Egypt and Syria.

685 – 715 Al Aqsa Mosque and the Dome of the Rock were constructed about the same time. When Muslims entered, there were no Jews left in Jerusalem.

Gradually the people of Palestine Arabised and many became Muslim. By the end of the Crusades, the majority of Palestinians had become Muslim.

1187: Saladin, the Arab ruler, invited the Jews to return to Palestine. This was part of his policy for religious tolerance that was very different from the Christian Crusaders policy of forbidding Jews in the city.

1517: Turkey conquered Palestine and it became part of the Ottoman empire. The Turks ruled it until the end of the first world war.

Palestine was ruled by Arabs and then by Turks for over 1,300 years following the Byzantine era. The population of Palestine was mostly Semitic Arab, both Moslem and Christian. There were also small numbers of Semitic Jews. Both the Arabs and the Ottoman Turks accorded the Jews the right to continue to worship and to keep alive the Jewish spiritual link with Palestine.

Population of Historic Palestine

Some Israelis claim there was no ancient land called Palestine. Below two maps of Palestine. One from 1873 and one from 1947 and a coin from 1927

During the nineteenth century, the Ottomans authorised small settlements of Jewish immigrants from European countries where anti-Jewish discrimination was increasing. At the time of the British occupation in 1917, Jews formed less than a tenth of the population of Palestine. Nine-tenths were Arab, both Moslem (80 per cent) and Christian (10 per cent). The traditions, customs and language of the Arab Palestinians constituted the predominant culture of Palestine.

In 1850, there were approximately 300,000 Muslims, 13,000 Jews, and 27,000 Christians in Ottoman Palestine

In 1882 there was 408,000 Muslims in Palestine, 15,300 Jews and 44,000 Christians

In 1903 there was 518,00 Muslims in Palestine, 26,000 Jews and 66,000 Christians

In 1914 there was 602,000 Muslims in Palestine, 38,000 Jews and 81,000 Christian

Muslims, Jews and Christian lived in relative peace at this time. All of these peoples coexisted in everyday life, but had different legal and local governance systems according to their religion.

Palestinian Christians celebrating the Christmas in Ottoman-era Bethlehem town of Palestine, 1900s

This photo from 1900s Jerusalem reveals the vibrant spirit of Palestinian Christians celebrating under the Ottoman Empire. It captures a time defined by the "Millet System," a unique framework of tolerance that granted religious autonomy to minorities.

This allowed Christians, Muslims, and Jews to govern their own community affairs, run their own schools, and maintain their traditions while living side-by-side in the Holy City.

The two indigenous populations of historical Palestine (an Arab majority one and a Jewish minority) lived there in relative peace for centuries prior to the Nakba and the creation of the State of Israel. Yet, in the Zionist account of the settlement of the area, Palestine was empty of any population, except the ancestral Jewish community. This myth strongly encouraged Jewish immigration to historical Palestine. Unfortunately, it also paved the road to one of the largest forced displacements in modern history.

Muslims were not kicking the Jews out or starting any pogroms against the Jews even though the Muslims were a vast majority in Palestine. Within 35 years after WW1 the Jews will start massacring the Palestinians and forcing them out of their homes and villages.

Waves of Jewish immigration to Palestine are known as aliyot. Aliyah means "ascent." Many of these waves of immigration were to escape persecution, notably Russian pogroms and later WW2.

Zionist's Plan to Steal Palestine

During the First World War, Britain and its allies looked for support against Germany and its ally the Ottoman Empire. Since some Arab leaders at the time were seeking independence from Ottoman rule, Anglo-Arab collaboration was a natural outcome. Accordingly, understandings were reached in 1915 between the Sherif of Mecca acting as the spokesman for the Arabs, and Sir Henry McMahon, the British High Commissioner in Egypt who negotiated for the British. The Sherif demanded recognition of independence of all Ottoman Arab territories including Palestine. This was at the time that the British used Thomas Edward Lawrence (Lawrence of Arabia) to help the Arabs overthrow Ottoman Turkish rule.

The future of Palestine was also the subject of separate assurances given by the British Government to the World Zionist Organization. In 1897, the organization had declared its aim "to create for the Jewish people a home in Palestine secured by public law". Under the leadership of Theodor Herzl, the organization considered areas in Uganda and Argentina as sites for the Jewish national home. However, it finally decided on Palestine, claiming it as a national home on the basis of ancient Jewish links with the holy land. Forgetting that Jews have not had any sort of governance in Palestine since the time of the Romans 2000 years earlier.

Theodor Herzl (2 May 1860 – 3 July 1904)[3] was a Hungarian Jewish journalist and lawyer who was the father of modern political Zionism. Herzl formed the Zionist Organization and promoted Jewish immigration to Palestine, which, in the late 19th century was part of the Ottoman Empire, in an effort to form a Jewish state. He is specifically mentioned in the Israeli Declaration of Independence and is officially referred to as "the spiritual father of the Jewish State.

He established hundreds of chapters of the Zionist Organization throughout Europe and in America, a Jewish national bank and the Zionist newspaper Die Welt. Herzl's campaigns paid off in pledges of support from British candidates running for office already during his lifetime. During World War I, a decade after Herzl's death, his former legal counsel in Britain, David Lloyd George, became Prime Minister and adopted a policy of establishing a Jewish national home in territories liberated from Turkey by British forces. This alliance between Britain and the Zionist Organization brought hundreds of thousands of Jews to Palestine and led to the establishment of Israel as an independent Jewish state in 1948, a mere 52 years after the publication of Herzl's book The Jewish State.

Below Zionist Congress 1919

Jewish Zionists claim the world's Jewish population has a right to that part of the modern Middle East that has, for thousands of years, been home to Palestinian Arabs (Muslims, Christians and Jews).

So if the Palestinian Arabs form 85% of Palestine and have been living there for 2000 years then these Jewish Zionists would have to somehow convince the world through blackmail, lies, coercion, wars, money and force to steal Palestine for the Jews.

Herzl courted the British, because they were the most significant imperial power of the age. He believed that a Jewish homeland could only be obtained by 'assured supremacy', that is, becoming a colonial settler state tied to imperial interests. As Herzl said:

'England with her possessions in Asia should be most interested in Zionism, for the shortest route to India is by way of Palestine. England's great politicians were the first to recognise the need for colonial expansion ... And so I believe in England the idea of Zionism, which is a colonial idea, should be easily understood.'

Zionist leaders worked for support from the British Government, emphasizing the strategic advantage of gaining a new ally that would help guard the Suez Canal. The British, still seeking support in their war effort, reacted favourably. Accordingly, the Foreign Secretary, Lord Balfour, addressed a letter on 2 November 1917 to the World Zionist Organization. This letter, which came to be known as the Balfour Declaration was written to the Jewish banker Rothschild, and stated that:

November 2nd, 1917.

Dear Lord Rothschild,

I have much pleasure in conveying to you, on behalf of His Majesty's Government, the following declaration of sympathy with Jewish Zionist aspirations which has been submitted to, and approved by, the Cabinet

His Majesty's Government view with favour the establishment in Palestine of a national home for the Jewish people, and will use their best endeavours to facilitate the achievement of this object, it being clearly understood that nothing shall be done which may prejudice the civil and religious rights of existing non-Jewish communities in Palestine, or the rights and political status enjoyed by Jews in any other country"

I should be grateful if you would bring this declaration to the knowledge of the Zionist Federation.

A. Balfour

The Balfour Declaration specified that it should be "clearly understood that nothing shall be done which may prejudice the civil and religious rights of existing non-Jewish communities in Palestine." At the time, non-Jewish communities made up **92 percent** of the population of Palestine.

Of course Britain had no right to promise to give a country away as Palestine did not belong to Britain. Britain had many overseas territories such as Gibraltar but Palestine was not one of them.

In 1939 a young John F Kennedy (who would later become President), spent two weeks in Palestine. In a lengthy letter to his father, he described the situation and difficulties. He wrote, *"The sympathy of the people on the spot seems to be with the Arabs. This is not only because the Jews have had, at least some of their leaders, an unfortunately arrogant, uncompromising attitude, but they feel that after all, the country has been Arabic for the last few hundred years... Palestine was hardly Britain's to give away."*

In 1916 German Jewish Zionists approached the British War Cabinet and offered them a deal. The deal was that at the end of the war Britain had to promise to give Palestine to the Jewish people so that it could have its own state. At the time Palestine was controlled by the Turkish Ottoman Empire which was allied to Germany. The end of the bargain was that the German Jewish Zionists and bankers (Rothschild) would persuade America to enter the war on the side of Britain. Before the Jews went to the British government with this dastardly plan the Jewish bankers in America actually favoured and funded Germany in this war because they hated the Czar and Russia and Britain and France were allied with Russia in WW1. But when the Jewish bankers learned that they could get Palestine they changed sides in a second and dropped their support of Germany and suddenly Germany was their enemy and the Jews then used the media that they own in America to turn the American people against Germany, basically brainwash them.

Furthermore, in a 1923 memorandum to the British Cabinet, **Colonial Secretary Lord Cavendish** wrote:

"The object [of the Balfour Declaration] was to enlist the sympathies on the Allied side of influential Jews and Jewish organizations all over the world... [and] it is arguable that the negotiations with the Zionists...did in fact have considerable effect in advancing the date at which the United States government intervened in the war".

Samuel Landman was a high-ranking Zionist leader in Britain, and in 1935 and 1936 he published various articles and pamphlets describing how the Zionists had secretly arranged to bring America into the war on the Allied side in exchange for receiving Palestine as a Jewish homeland, with the Balfour Declaration merely constituting the formalization of this bargain. He explained that during 1916 the Zionist leaders convinced the government of Britain that the best and perhaps the only way (which proved so to be) to induce the

American President to come into the War was to secure the co-operation of Zionist Jews by promising them Palestine, and thus enlist and mobilise the hitherto unsuspectedly powerful forces of Zionist Jews in America and elsewhere in favour of the Allies on a quid pro quo contract basis.

Below is Benjamin Freedman's statement about this plan.

Benjamin Freedman's World War 1 Statement

Benjamin H. Freedman was one of the most intriguing and amazing individuals of the 20th century. In his speech below he suggests that it was the Jewish Zionists who caused the defeat of Germany in WW1

Mr Freedman, born in 1890, was a successful Jewish businessman of New York City who was at one time the principal owner of the Woodbury Soap Company. He broke with organized Jewry after the Judeo-Communist victory of 1945, and spent the remainder of his life and the great preponderance of his considerable fortune, at least 2.5 million dollars, exposing the Jewish tyranny which has enveloped the United States.

Mr Freedman knew what he was talking about because he had been an insider at the highest levels of Jewish organizations and Jewish machinations to gain power over America. Mr Freedman was personally acquainted with Jew Bernard Baruch, Jew Samuel Untermyer, Woodrow Wilson, Franklin Roosevelt, Joseph Kennedy, and John F. Kennedy, and many more movers and shakers of our times.

This speech below was given before a patriotic audience in 1961 at the Willard Hotel in Washington.

"The reason is that here in the United States, the Zionists and their co-religionists have complete control of our government. For many reasons too many and too complex to go into here at this -- time I'll be glad to answer questions, however, to support that statement -- the Zionists and their co-religionists rule this United States as though they were the absolute monarchs of this country.

Now, you say, 'well, that's a very broad statement to make', but let me show what happened while you were -- I don't want to wear that out --- let me show what happened while we were all asleep. I'm including myself with you. We were all asleep. What happened?

World War I broke out in the summer of 1914. Nineteen-hundred and fourteen was the year in which World War One broke out. There are few people here my age who remember that. Now that war was waged on one side by Great Britain, France, and Russia; and on the other side by Germany, Austria-Hungary, and Turkey. What happened?

Within two years Germany had won that war: not alone won it nominally, but won it actually. The German submarines, which were a surprise to the world, had swept all the

convoys from the Atlantic Ocean, and Great Britain stood there without ammunition for her soldiers, stood there with one week's food supply facing her -- and after that, starvation.

At that time, the French army had mutinied. They lost 600,000 of the flower of French youth in the defence of Verdun on the Somme. The Russian army was defecting. They were picking up their toys and going home, they didn't want to play war anymore, and they didn't like the Czar. And the Italian army had collapsed.

Now Germany -- not a shot had been fired on the German soil. Not an enemy soldier had crossed the border into Germany. And yet, here was Germany offering England peace terms. They offered England a negotiated peace on what the lawyers call a status quo ante basis. That means: "Let's call the war off, and let everything be as it was before the war started."

Well, England, in the summer of 1916 was considering that. Seriously! They had no choice. It was either accepting this negotiated peace that Germany was magnanimously offering them, or going on with the war and being totally defeated.

While that was going on, the Zionists in Germany, who represented the Zionists from Eastern Europe, went to the British War Cabinet and -- I am going to be brief because this is a long story, but I have all the documents to prove any statement that I make if anyone here is curious, or doesn't believe what I'm saying is at all possible -- the Zionists in London went to the British war cabinet and they said: "Look here. You can yet win this war. You don't have to give up. You don't have to accept the negotiated peace offered to you now by Germany. You can win this war if the United States will come in as your ally."

The United States was not in the war at that time. We were fresh; we were young; we were rich; we were powerful. They [Zionists] told England: "We will guarantee to bring the United States into the war as your ally, to fight with you on your side, if you will promise us Palestine after you win the war."

In other words, they made this deal: "We will get the United States into this war as your ally. The price you must pay us is Palestine after you have won the war and defeated Germany, Austria-Hungary, and Turkey."

Now England had as much right to promise Palestine to anybody, as the United States would have to promise Japan to Ireland for any reason whatsoever. It's absolutely absurd that Great Britain -- that never had any connection or any interest or any right in what is known as Palestine -- should offer it as coin of the realm to pay the Zionists for bringing the United States into the war.

However, they made that promise, in October of 1916. October, nineteen hundred and sixteen. And shortly after that -- I don't know how many here remember it -- the United States, which was almost totally pro-German -- totally pro-German -- because the newspapers here were controlled by Jews, the bankers were Jews, all the media of mass

communications in this country were controlled by Jews, and they were pro-German because their people, in the majority of cases came from Germany, and they wanted to see Germany lick the Czar.

The Jews didn't like the Czar, and they didn't want Russia to win this war. So the German bankers -- the German-Jews -- Kuhn Loeb and the other big banking firms in the United States refused to finance France or England to the extent of one dollar. They stood aside and they said: "As long as France and England are tied up with Russia, not one cent!" But they poured money into Germany, they fought with Germany against Russia, trying to lick the Czarist regime.

Now those same Jews, when they saw the possibility of getting Palestine, they went to England and they made this deal. At that time, everything changed, like the traffic light that changes from red to green. Where the newspapers had been all pro-German, where they'd been telling the people of the difficulties that Germany was having fighting Great Britain commercially and in other respects, all of a sudden the Germans were no good. They were villains. They were Huns. They were shooting Red Cross nurses. They were cutting off babies' hands. And they were no good.

Well, shortly after that, Mr Wilson declared war on Germany.

The Zionists in London sent these cables to the United States, to Justice Brandeis: "Go to work on President Wilson. We're getting from England what we want. Now you go to work, and you go to work on President Wilson and get the United States into the war." And that did happen. That's how the United States got into the war. We had no more interest in it; we had no more right to be in it than we have to be on the moon tonight instead of in this room.

Now the war -- World War One -- in which the United States participated had absolutely no reason to be our war. We went in there -- we were railroaded into it -- if I can be vulgar, we were suckered into -- that war merely so that the Zionists of the world could obtain Palestine. Now, that is something that the people in the United States have never been told. They never knew why we went into World War One. Now, what happened?

After we got into the war, the Zionists went to Great Britain and they said: "Well, we performed our part of the agreement. Let's have something in writing that shows that you are going to keep your bargain and give us Palestine after you win the war." Because they didn't know whether the war would last another year or another ten years. So they started to work out a receipt. The receipt took the form of a letter, and it was worded in very cryptic language so that the world at large wouldn't know what it was all about. And that was called the Balfour Declaration.

The Balfour Declaration was merely Great Britain's promise to pay the Zionists what they had agreed upon as a consideration for getting the United States into the war. So this great Balfour Declaration, that you hear so much about, is just as phony as a three dollar bill. And

I don't think I could make it more emphatic than that. Now, that is where all the trouble started. The United States went in the war. The United States crushed Germany. We went in there, and it's history. You know what happened. Now, when the war was ended, and the Germans went to Paris, to the Paris Peace Conference in 1919, there were 117 Jews there, as a delegation representing the Jews, headed by Bernard Baruch. I was there: I ought to know. Now what happened?

The Jews at that peace conference, when they were cutting up Germany and parcelling out Europe to all these nations that claimed a right to a certain part of European territory, the Jews said, "How about Palestine for us?" And they produced, for the first time to the knowledge of the Germans, this Balfour Declaration. So the Germans, for the first time realized, "oh, that was the game! That's why the United States came into the war." And the Germans for the first time realized that they were defeated, they suffered this terrific reparation that was slapped onto them, because the Zionists wanted Palestine and they were determined to get it at any cost.

Now, that brings us to another very interesting point. When the Germans realized this, they naturally resented it. Up to that time, the Jews had never been better off in any country in the world than they had been in Germany.

You had Mr Rathenau there, who was maybe 100 times as important in industry and finance as is Bernard Baruch in this country. You had Mr Balin, who owned the two big steamship lines, the North German Lloyd's and the Hamburg-American Lines. You had Mr Bleichroder, who was the banker for the Hohenzollern family. You had the Warburg's in Hamburg, who were the big merchant bankers -- the biggest in the world. The Jews were doing very well in Germany. No question about that. Now, the Germans felt: "Well that was quite a sell-out."

It was a sell out that I can best compare -- suppose the United States was at war today with the Soviet Union. And we were winning. And we told the Soviet Union: "Well, let's quit. We offer you peace terms. Let's forget the whole thing." And all of a sudden Red China came into the war as an ally of the Soviet Union. And throwing them into the war brought about our defeat. A crushing defeat, with reparations the likes of which man's imagination cannot encompass.

Imagine, then, after that defeat, if we found out that it was the Chinese in this country, our Chinese citizens, who all the time we thought they were loyal citizens working with us, were selling us out to the Soviet Union and that it was through them that Red China was brought into the war against us. How would we feel, in the United States against Chinese? I don't think that one of them would dare show his face on any street. There wouldn't be lampposts enough, convenient, to take care of them. Imagine how we would feel.

Well, that's how the Germans felt towards these Jews. "We've been so nice to them"; and from 1905 on, when the first Communist revolution in Russia failed, and the Jews had to scramble out of Russia, they all went to Germany. And Germany gave them refuge. And

they were treated very nicely. And here they sold Germany down the river for no reason at all other than they wanted Palestine as a so-called "Jewish commonwealth."

Listen to the video below where Jewish Zionist Benjamin Freedman exposes the Jewish conspiracy against Germany and he was in a position to know as he moved in circles within high levels of the American and British governments - **Benjamin Freedman**

To anyone who says this is a conspiracy theory then listen to the words of Chaim Weizmann who served as secretary of the World Zionist Organisation and later as the first president of Israel *"The only way (which proved so to be) to induce the American President to come into the war was to secure the cooperation of Zionist Jews by promising them Palestine, and thus enlist and mobilize the hitherto unsuspectedly powerful forces of Zionist Jews in America and elsewhere in favour of the Allies on a quid pro quo contract basis"*.

"Zionist Jews and the British government had already been finagling behind the scenes over a Jewish homeland in Palestine. In October, 1916, two months prior to the German peace offer, a group of Zionist Jews led by Chaim Weitzman (later the first president of Israel) had met with British leaders with a proposition. If Britain would guarantee the creation of a Jewish state in Palestine after the war, the Jews would use their influence through powerful Jews in America to bring America into the war on the side of Britain and the Allies, which would assure an Allied victory. These Jews were so confident of their power and influence that they virtually guaranteed that they would be able to achieve this. The Jews were very powerful in America. In addition to owning most of the big banking firms, they also owned most of the newspapers, and they owned Hollywood. They controlled all the means of running an effective propaganda campaign. Because of their wealth and their willingness to support the campaigns of politicians, they also had enormous political influence and would have little trouble in persuading politicians to see things their way. Immediately after the British promise of a Jewish homeland in Palestine, American Jews began pressuring the Wilson administration to enter the war against Germany. President Woodrow Wilson was highly malleable in the hands of the Jews, as his political career had been a product of Jewish financial and media support and he remained closely associated with Jews throughout his political career. Even his non-Jewish right hand man, "Colonel" Edward Mandell House, had been closely associated with Jews prior to his association with Wilson. House had been employed as an agent for the Jewish House of Rothschild, negotiating U.S. cotton purchases for them before he linked up with Wilson. Wilson's campaign for governor of New Jersey was financed by a group of Jewish bankers and financiers, including Jacob Schiff, president of the Kuhn, Loeb Bank, Paul Warburg, brother-in-law to Schiff and Wilson appointee to the Federal Reserve Board; and by Henry Morgenthau, Sr., a financier and Wilson appointee as ambassador to the Ottoman Empire. These same Jews, as well as others, financed his run for the presidency. Other Jews who influenced Wilson included the first Jewish Supreme Court Justice, Louis Brandies, whom Wilson had appointed; Barnard Baruch, the wealthy and powerful financier; Rabbi Stephen Wise, founder of the Federation of American Zionists in 1897, who later became Wilson's most trusted advisor; and Felix

Frankfurter, a crypto communist, who was later appointed to the Supreme Court by FDR. These Jews virtually controlled Wilson because they had been responsible for his career. All of them applied relentless pressure on Wilson to enter the war against Germany” - From the book ‘The Myth of German Villainy’ by Benton L. Bradberry

A Book by Samuel Landman (1936) called Great Britain, the Jews and Palestine, shows exactly how the Zionist lobby manipulated America into entering the First World War against Germany, in exchange for the British Government’s undertaking to give Palestine to the Jews as a homeland at the end of the war. The deal—based on the fact that Palestine was at that time under the control of the Ottoman Empire, an ally of Germany during World War I—would be defeated by the British Army, and that its territories would thereafter pass into British military control. This book reveals how the Zionist movement struck a “deal” with the British Government on the matter: in return for Britain handing Palestine over to the Jews at the end of the war, the Zionists would use their power in America to bring that nation into the war on the side of the Allies against Germany.

Jewish Immigration into Palestine during and after WW2

The wishes of the vast majority of the indigenous people of Palestine counted for little. Their land had been promised to another people by a foreign Government, which, at that time, held no sovereign rights over Palestine. Several authorities have asserted that the Balfour Declaration had no binding or legal effect beyond being a statement of the intentions of one Government.

Remarkably, the Mandate did not once use the term “Arab”. Although the Palestinian Arabs constituted nine-tenths of the population at that time, they were referred to in the document only as the “non-Jewish communities of Palestine”.

The Zionist Organization also acquired land to settle the Jewish immigrants. In 1920, Jewish holdings in Palestine were about 2.5% of the total land area. By 1939, they had increased their holdings to over 5.7% of the total land area.

The Palestinian Arabs regarded the Zionist Organization’s activities to increase Jewish immigration to and land holdings in Palestine as colonization of their ancestral land by foreigners. Not yet politically organized, the Palestinians vented their anger through violence. Anti-Zionist riots erupted in 1920, 1921, 1929 and 1939. These eventually culminated into a full-scale rebellion from 1936 to 1939. The British Government was only able to suppress the rebellion through the use of drastic measures and strong military force.

In 1931, a British Royal Commission headed by Lord Peel was sent to report on the turmoil in Palestine. The Commission declared that the underlying causes for the earlier revolts and the rebellion was a combination of the Palestinian Arabs’ desire for national independence and “their hatred and fear of the establishment of the Jewish national home” in their land.

In 1937 the Peel Commission report was published, recommending partition for the first time, separating Palestine into a Jewish state and an Arab state, with a British Mandate remaining over Nazareth, Bethlehem, and Jerusalem. The Arab Higher Committee denounces it immediately, fully opposes the idea of a Jewish state, and calls for a state of Palestine with protected rights for Jews and other minorities, a cessation of Jewish immigration, and land purchase.

After three decades of implementing the Balfour doctrine in a radically transformed Palestine, the British Mandate neared its end. The Jewish population had swelled from 56,000 in 1918 to 608,000 by 1946. Much of the immigration had been due to the German persecution of European Jewry. Palestinian Arabs sympathized with the plight of European Jews. However, the sudden immigration brought undue hardship on the Palestinian Arab population. And, since the Arabs were not responsible for the atrocities in Europe, they naturally objected to being made to suffer in turn.

Germany -The Haavara Agreement

The Jews were identified by the Third Reich as a racially-alien group engaged in political, social and moral subversion of Germany. The founder of communism Karl Marx was a Jew, Hitler knew the leaders of the Bolshevik revolution where millions died where Jews, the majority of the post WW1 communist leaders in Germany where Jews such as Rosa Luxemburg, the vast majority of the media and banking in Germany where Jewish owned and where responsible for the financial swindles in the 1920's that ruined many a German. Because of the above mentioned the Jews have been removed from nearly every European country over the past 2000 years. This was even mentioned in the English Magna Carta of 1215. It was for these reasons that Hitler wanted the Jews removed from Germany.

A regulated agreement was set up between leading Jewish Zionists and Nazi leaders for the transfer of Jews from Germany to Palestine. This was called the Haavara Agreement. The accounts of Jews fleeing Germany in secret by night across some border are just lies and propaganda. The Zionist leaders realised to make Palestine their own they needed Jewish people to emigrate their and the German leaders did not want the majority of the Jews in their country. The agreement stated that Jews could put their money into a Jewish German bank and then retrieve the money form a bank in Palestine. The Jews were allowed to take all their household goods with them. Additional rules and special privileges benefited the immigrant Jews from Germany in Palestine, among them that all social security and pension payments could be transferred without deductions. Although the Jews had to find one thousand pounds to immigrate to Palestine the Haavara agreement provided loans which did not have to be paid back for years. Camps where also set up by the SS and Gestapo which trained the German Jews about their new life in Palestine.

A coin was even minted to commemorate this Haavara transfer agreement.

According to official figures, there were approximately 523,000 Jews in Germany as of January 1933, the year Hitler came to power. By 1940, official figures showed that 131,800 Jews remained in Germany, the vast majority, about 100,000 went to America and about 70,000 immigrated to Palestine. Others went to countries such as Britain and the South American countries.

The Haavara Agreement lasted from 1935 until 1941 when it was stopped with America's entry into the war. The German leader's final solution for the Jews was to remove them from the country and not gas them.

Below is the cover of the book written by Edwin Black about this Haavara agreement and Mr Black was a Polish Jew whose parents had been in the concentration camps.

After WW1 Several Jewish organisations were trying to get governments around the world to see the Jews as victims and to garner sympathy for the Zionist cause so that they could more easily steal Palestine. They did this by claiming Jews were being exterminated or persecuted. Amazingly they claimed that exactly 6,000,000 Jews were been exterminated but this time the persecution was in Russia. Strange that they always use this 6,000,000 figure. And not 5 million or 7 million. Of course all these claims of millions of Jewish exterminations were all lies and propaganda.

"We come out now before the world with the determined slogan, 'The pogroms must stop,'" said the President in his annual message. "It is only a question of holding these facts continually before the civilized world: we must not permit the world to slumber. This fact that the population of 6,000,000 souls in Ukraina and in Poland have received notice through action and by word that they are going to be completely exterminated—this fact stands before the whole world as the paramount issue of the present day."

The Crucifixion of Jews Must Stop!

By MARTIN H. GLYNN
(Former Governor of the State of N. Y.)

From across the sea six million men and women call to us for help, and eight hundred thousand little children cry for bread.

These children, these men and women are our fellow-members of the human family, with the same claims on life as we, the same susceptibility to the winter's cold, the same propensity to both love and the fangs of hatred. Within their midst the illimitable possibilities for the advancement of the human race as naturally would reside in six million human beings. We may not be able to save them, but we ought to be their helpers.

In the face of death, in the throes of starvation there is no place for mental distinctions of creed, no place for physical differentiations of race. In this catastrophe, when six million human beings are being whirled toward the grave by a cruel and relentless fate, only the most idealistic promptings of human nature should sway the heart and move the hand.

Six million men and women are dying from lack of the necessities of life, eight hundred thousand children cry for bread. And this fate is upon them through no fault of their own, through no transgression of the laws of God or man, but through the awful tyranny of war and a hatred that has Jewish blood.

In these threatened thousands of human life, forgotten are the theories of political distinction, forgotten are the differences of historical interpretation; and the determination to help the helpless, to shelter the homeless, to clothe the naked and to feed the hungry becomes a religion, at whose altar men of every creed can kneel. In this calamity, the temporalities of man's foolishness fall away before the eternal verities of life, and we awaken to the fact that from the temple of one God we all come and before the tribunal of one God we all must stand on the day of final reckoning. And when that reckoning comes more prominent in life will not weigh a pennyweight, but death, more tangible death, death that dries the tear of sorrow and alters the path of anguish, death that with the spirit of the Good Samaritan pour oil and wine in wounds and find restlessness and shelter for the suffering and the sorrowing, will stretch all the stars in the heavens, all the waters in the seas, all the rocks and metals in all the celestial globes that revolve in the firmament around us.

Race is a matter of accident; creed, partly a matter of inheritance, partly a matter of environment, partly only a method of rationalization; but our physical make and corporate needs are implanted

In all of us by the hand of God, and the men or women who sin, and will not hear the cry of the starving, who can, and will not, take hand of the wail of the dying, who can, and will not, stretch forth a helping hand to those who sink beneath the waves of adversity in an attempt of nature's blind instinct, a tribute to the cause of the human family and an abjuration of the natural law written upon the tablets of every human heart by the finger of God himself.

And so in the spirit that turned the poor widow's scarce offering of copper into silver, and the silver into gold when placed upon God's altar, the people of this country are called upon to manifest their money by giving \$10,000,000 in the name of the humanity of Man. It is the duty of the humanity of Man. It is the duty of the humanity of Man.

Six million men and women are dying—eight hundred thousand little children are crying for bread.

And who?

Because of a war to buy democracy for the dust and give democracy the aspects of the dust.

And in that war for democracy 200,000 Jewish boys from the United States fought between the guns and bullets. In

the 17th Division alone there were 1400 of them, and in Argentine Forest the division captured 14 German guns. This shows that at Argentine the Jewish boys from the United States fought for democracy as Jewish fought against the Abolition on the plains of Abraham. In an address on the occasion "Last Battalion" led by Colonel Whitloney of Pittsfield, Major-General Alexander shows the fighting staff these Jewish boys were made of in some way or another. Whitloney's command was surrounded. They were short of bullets. They tried to get word back to the rear telling of their plight. They tried and they tried, but their men never got through. Powder and ammunition and despair were in the air. And when the hour was darkest and all seemed lost, a soldier had stepped forward, and said to Col. Whitloney: "I will try to get through." He tried, he was wounded, he had to crawl and crawl, but he got through. Today he wears the Distinguished Service Cross and his name is ABRAHAM KHOTOSHINSKY.

Incidents of this war for Democracy million Jewish men and women are fighting across the seas, eight hundred thousand Jewish boys are crying for help.

“The claim that six million died in World War II is actually an echo of a story that was first seen in the New York Times in the 1920s claiming six million Jews were at risk of death in Europe. This was the fever pitch of Jewish immigration from Russia and Eastern Europe that followed pogroms they staged themselves to gain sympathy, a tactic they have always used back to Roman days. All those emaciated bodies you see in the World War II film clips were actually caused by starvation and typhus after Allied bombings cut off the German supply lines. The gassing story really derives from its invention and use in the Russian gulags by yet another Jewish madman. The Germans didn’t gas anyone; they only tried to get their country out of the international Jewish financial crime scheme that was and is choking the life out of the planet. Now hundreds of honest people are in jail for insisting this is the historical truth, yet they are not allowed to present their evidence to the world court of public opinion because of the deafening white noise of Jewish media, always ready to shape the public the way they want us to go, and the corrupt Jewish courts, which in Germany have reached laughably sad abuse of logic and honesty, subhuman, really, decisions controlled by Jews”, - John Kaminski, American writer and journalist.

As you can see Jewish Zionists like to lie and exaggerate for their cause. But because they control so much of the media the general public seem to believe their lies.

I remember listening to a video of former President of America Richard Nixon and as he explains why America supports Israel one of the reasons he gave was a moral reason because of the 6 million Jews who died in the Holocaust.

Prominent German politicians and officials have explicitly stated that Germany’s support for Israel, including during the war in Gaza, is rooted in its historical responsibility for the Holocaust. This stance is often referred to as Staatsräson (reason of state), a doctrine meaning that the security of Israel is a fundamental national interest of Germany due to the

Nazi-era genocide of six million Jews. "Six Million Reasons": Falko Drossmann, a German SPD parliamentarian and member of the Bundestag's Human Rights and Defense Committees, stated in a January 2024 interview: "To be honest, Germany has six million reasons why we have to support a Jewish state. Full stop". The Holocaust is obviously the reason for Germany's unwavering support for Israel. "History and our responsibility arising from the Holocaust make it our duty to stand up for the existence and security of the State of Israel" said Germany's Chancellor, Olaf Scholz, from the centre-left SPD Party, recently in Israel.

Is it possible that the Holocaust is a lie. A lie created by the Zionists so that they could get the sympathy of these governments so that they could steal Palestine?

We already know that they lied about the 6,000,000 Jews who were supposedly being exterminated or in peril as early as 1905. A full 28 years before Hitler even came to power in Germany. We know that with the Haavara agreement the German regime was able to move up to 70,000 Jews out of Germany and into Palestine. If Germany was gassing all Jews in Germany, why did they let thousands move to Palestine?

Why is it a criminal offence in 17 countries in Europe to question the Holocaust, which is simply just a thought crime? If it is true why stop people researching it. Many Europeans have been sent to prison for questioning the Holocaust. See their stories here:

<https://www.thehardtruth.info/holocaust-prisoners>

Why do Jews have to collect free money because of the so called Holocaust? Over 60 million people died during WW2, most of them Christians but somehow the Jews have to get paid lifetime pensions from Germany. Germany has paid out over \$80 billion to Jews who claimed they survived the Holocaust. Even if you were Jewish and lived in Britain during WW2 you still got the money. Jews have been getting about \$400 per month for free from Germany. It never seems to stop even in today new payments to Jews are being made 80 years after the end of WW2. Payments are being made to children and grandchildren of Jews who were alive during WW2.

Jewish Norman Finkelstein wrote a book titled 'The Holocaust Industry: Reflections on the Exploitation of Jewish Suffering' arguing that the American Jewish establishment exploits the memory of the Holocaust for political and financial gain and to further Israeli interests. According to Finkelstein, this "Holocaust industry" has corrupted Jewish culture and the authentic memory of the Holocaust.

In fact using the word Holocaust is false for a people who were supposedly gassed. The word Holocaust is derived from the Greek holokauston, a translation of the Hebrew word 'olah, meaning a burnt sacrifice offered whole to God.

The Holocaust Money

<https://www.thehardtruth.info/holocaust-money>

For 80 years we have only heard one side of the story about this Holocaust in education and movies and documentaries. If you were sitting on the Jury in a court of law would you just hear the evidence presented by the prosecution and then give your verdict? Of course not, you would also hear the evidence presented by the defence before giving your verdict. But most people have only heard one side of the story and they believe in it.

If you have not already done so, you should read the evidence presented by the defence with regard to the Holocaust.

There is a mountain of evidence collected by Historical Revisionists that says the Holocaust of 6 million Jews did not happen. Much of it can be found here.

Jewish Refugees Arrive in Palestine

In the beginning, Palestinians and Arabs showed mercy to Jewish refugees, allowing them to settle in Palestine. They sold them land and gave them a safe place to live.

But over time, the settlers grew stronger, brought in more migrants with British support, and eventually displaced the same Palestinians who had once helped them.

Below Jewish refugees arrive in Palestine in 1947. Today in 2026 Jews have razed Gaza to the ground and are attempting to throw the Palestinians out of the West bank

The Yishuv organized "illegal" immigration to Palestine, in an ongoing operation known as Aliyah Bet. Zionist groups, especially their youth components, facilitated the migration of both individuals and small groups from Vienna, Berlin, Prague, and Warsaw, among other places. Initially, the Jewish Refugee ships left from Greek ports. Later, the main route was by boat down the Danube River, via the Black Sea, to the Mediterranean. These voyages, which became more difficult once the war began, were carried out under the auspices of two rival political organizations in Palestine: the Labor Zionists and the right-wing Revisionists. Despite the dangers, 62 such voyages were carried out from 1937 to 1944. From January 1939 to December 1944, 18,879 Jews reached Palestine by sea. Some 1,393 documented travellers are not known to have reached Palestine and may have drowned en route.

In the 1940s the Royal Navy intercepted dozens of Jewish refugee ships trying to reach British-controlled Palestine.

Israel and the Jewish Zionists will kill anyone who does not support their agenda. They will even kill their own people if it supports their agenda. A potent example of the cynical and violent behaviour of Israel's founders is the S.S.Patria. The S.S.Patria was a 12,000 ton passenger ship carrying 1,904 Jewish refugees that had fled the German regime in 1940. At that time the British authorities were attempting to slow Jewish immigration to Palestine, and they had decided to send the Patria to Mauritius. The Zionist leadership wanted fervently to prevent the deportation of the newly arrived refugees, so the Jewish paramilitary organizations—the Irgun and the Haganah decided to bomb the Patria. The Haganah, operating under orders from Moshe Sharett (the future second prime minister of Israel, 1953–1955), planted a bomb in the inner hull of the ship. On November 26, the bomb detonated and blew a massive hole in the ship's hull. The ship sunk in 15 minutes, killing 260 innocent Jewish refugees and injuring another 172. Who was responsible and the true reason why the Patria sank remained controversial until 1957, when the Jewish man Munya Mardor, the person who planted the bomb, published a book about his experiences. The pre-Israel Jewish sectarian militias were guilty of extraordinary brutality against civilians for political gain, this is terrorism according to any reasonable interpretation of the term. Israel has followed the same pattern of bombing anyone and any nation for political gain and that includes 9/11 as you will discover later.

After World War II, growing protests by Arab Palestinians and increased attacks by armed Jewish and Palestinian militia forced Britain to ask the UN to resolve the situation.

At the time, Arab Palestinians considered this division of land unfair, given that Jews were only 33 percent of Palestine's population and most of them were newcomers, whereas Palestine's Arabs had lived there for centuries. Jews welcomed the plan, as it formalised their vision for an independent homeland. The real Zionist plan was to eventually take all of Palestine.

The UN passed the 1947 partition plan. The Israeli leadership accepted it, while the Palestinians rejected it. With hindsight, and knowing what the next 80 years held for the Palestinian people, perhaps it would be accepted. But it's important to consider the context of the time period. Palestine had been part of an independent Arab state under the Ottomans. The British had made a deal promising a Palestinian homeland. In the 1947 partition plan, 55% of historic Palestine went to a Jewish state and 45% to an Arab state.

The Jewish Terror Network and the Nakba after WW2

5 October 1937: "We must expel Arabs and take their places ... and if we have to use force — not to dispossess the Arabs of the Negev and Transjordan, but to guarantee our own right to settle those places — then we have force at our disposal - **David Ben-Gurion, first prime minister of Israel:**

"It should be clear to us that there is no room in Palestine for these two peoples. ...Without the Arabs, the land will become wide and spacious for us; with the Arabs, the land will remain sparse and cramped. ...The only solution is Palestine, at least Western Palestine, without Arabs. There is no room here for compromise. ...Not one village, not one tribe should be left" - **Joseph Weitz, director of the Jewish National Fund, 20 December 1940**

In 1923 Communist Jew Valdimir Jabotinsky writes *The Iron Wall*, arguing that Jewish settlement in Palestine could only be established through force. This would form the basis of Revisionist Zionism. Jabotinsky was born in the Ukraine and founder of the Revisionist Zionist movement and the Jewish Self-Defense Organization in Odessa. This is the same Jabotinsky that wanted all Germans wiping out in 1934.

"The fight against Germany has now been waged for months by every Jewish community, on every conference, in all labor unions and by every single Jew in the world. There are reasons for the assumption that our share in this fight is of general importance. We shall start a spiritual and material war of the whole world against Germany. Germany is striving to become once again a great nation, and to recover her lost territories as well as her colonies. But our Jewish interests call for the complete destruction of German" – **Valadimir Jabotinsky, in Mascha Rjetsch (January, 1934)**

The 1942 Biltmore Conference in New York represents a shift in Zionist policy, arguing Palestine should be established as a Jewish commonwealth. They advocate for unrestricted Jewish immigration to Palestine and reject the 1939 White Paper on moral and legal terms. David Ben-Gurion thinks Jews need a state in all of Palestine.

"We will expel the Arabs and take their place. In each attack a decisive blow should be struck resulting in the destruction of homes and the expulsion of the population," **explained fake-Hebrew Ashkenazi David Ben-Gurion, a Prime Minister Thief of Israel (1949-54, 1955-63)**

These Jewish foreign invaders were quickly to form the militias that they would need to drive the Palestinians out of their homelands. A Jewish Zionist militia group called the Haganah was formed as early as 1920. The Haganah was the main Zionist paramilitary organization that operated for the Yishuv in the British Mandate for Palestine. It was founded in 1920 to defend the Yishuv's presence in the region, and was formally disbanded in 1948, when it became the core force integrated into the Israel Defense Forces.

A more apt name to use would be a terrorist army as their sole intention was to kill, rape and remove civilians out of their homes and villages by force. Other Jewish terrorist groups would be formed. In 1931, a more radical group known as the Irgun broke off from the Haganah. Albert Einstein and Hannah Arendt, in a 1948 letter to the New York Times compared the Irgun to the Nazis and called it a "terrorist, right wing, chauvinist organization. The British tried to restrict Jewish immigration and land settlement in what was known as the British White Paper. Irgun leader Avraham Stern created the "Fighters for

the Freedom of Israel” (commonly known as “Stern Gang,” or “Lehi”) as a response to these British restrictions.

By 1947, Zionist para-military organizations such as the Haganah and the Irgun became active. They were later joined by the Stern gang. These three military groups would go on to terrorise the Palestinians and British with bombing and killings and massacres.

These Jewish Terrorists then started a wave of bombing against the British to try and drive them out of Palestine. The Jews did not want the British around to stop them with their ethnic cleansing program against the Palestinians.

The Irgun declares the Jewish Revolt. Under leadership of Menachem Begin (who later became prime Minister of Israel), the Irgun wants the British to leave Palestine, to establish a Jewish state, and to allow for unrestricted Jewish immigration. All the early future Prime Ministers of Israel were all leaders in these Jewish Terror groups. So all the early leaders of Israel were terrorists really and that’s why the Palestinians have been terrorised for 80 years.

The Assassination of Lord Moyne - 1944

On November 6, 1944, British minister Lord Moyne was assassinated in Cairo by members of Lehi, a Zionist terrorist group, for one brutal reason: he represented British policies that stood in the way of establishing a Jewish state on Palestinian land. Moyne was the first high-profile British official to be killed by the Jews.

As the British Minister Resident in the Middle East, Lord Moyne enforced the 1939 White Paper—a colonial policy that restricted Jewish immigration to Palestine at a time when Zionist leaders were determined to seize the territory for mass Jewish settlement, regardless of the rights of the millions of Palestinians already living there. The White Paper was not just about quotas. It was a direct response to Palestinian resistance against British colonialism and Zionist settler expansion. For Lehi, Moyne symbolised Britain’s refusal to hand Palestine over to Zionist control. They saw him as a roadblock to their goal of ethnically cleansing Palestine and replacing its people with Jewish immigrants. His

assassination was a calculated act of terror to intimidate Britain into abandoning its policies—and to send a message: anyone opposing Zionist ambitions would pay with their life.

The Assassination of Count Folke Bernadotte - 1948

The Jews wanted to steal as much of Palestine as they could and any diplomat who tried to restrict them or advocated for Palestinians to be able to stay on their own land would be assassinated. Count Folke Bernadotte, a diplomat sent by the United Nations to mediate between Israel and the Arabs during the War of Independence, was assassinated in Jerusalem by members of Lehi (the Stern Gang) on September 17, 1948.

On September 17, 1948, Bernadotte's three-car convoy was stopped at a small roadblock in Jewish-controlled West Jerusalem. Two gunmen shot out the tires of the automobiles and a third gunman fired a pistol through the open back window of Bernadotte's vehicle. The UN mediator was struck by six bullets and died instantly, along with a French officer seated next to him. No one was ever charged for the murders, although those ultimately responsible were well known.

The actual assassin of Bernadotte, Yehoshua Cohen, went on to become a bodyguard for Prime Minister David Ben-Gurion. The first public admission of the Stern Gang's role in the murder was not made until 1977.

Bernadotte (born 1895) was a Swedish diplomat, the nephew of King Gustavus V, who gained recognition as the head of the Swedish Red Cross during World War II. He used that position to negotiate with Nazi leader Heinrich Himmler and save 15,000-20,000 Jews and others, mostly Scandinavians, from concentration camps. Near the end of the war,

Bernadotte received Himmler's offer of Germany's surrender to the US and Britain on condition that it could continue its war against the USSR.

On May 20, 1948 (six days after Israel declared independence), Bernadotte was appointed the United Nations' mediator in Palestine. He was mandated to "promote a peaceful adjustment of the future situation in Palestine" and allowed to negotiate beyond the terms of the Partition Plan.

In the summer of 1948, he was sent by the UN to arrange a truce between Israel and the Arab countries that had attacked it. On June 11, he succeeded in organising a 30-day truce. During the lull in the fighting, Bernadotte "put forward his first proposal for solving the conflict. Instead, it was to lead to his death. Bernadotte's wrongdoing, in the view of Jewish terrorists, was to include in his June 28 proposal the suggestion that Jerusalem be placed under Jordanian rule.

Other proposals by Bernadotte, published after his death, included granting the Negev desert to the proposed Arab state and the Galilee to the Jewish state; granting control over the Arab sections of Palestine to the Arab states, ensuring that the port in Haifa and the airport in Lydda served both the Arab and Jewish portions of the country, as well as the neighbouring Arab states; returning Arab refugees to their homes; establishing a Reconciliation Committee as the first step toward achieving a lasting peace in the region.

Jewish Terror groups were already threatening Bernadotte's assassination. New York Times columnist C.L. Sulzberger reported meeting with two Stern members on July 24, who stated: 'We intend to kill Bernadotte and any other uniformed United Nations observers who come to Jerusalem.' Asked why, 'They replied that their organization was determined to seize all of Jerusalem for the state of Israel and would brook no interference by any national or international body'.

Bernadotte's assassination was decided upon and planned by three leaders of the Stern Gang, including Yitzhak Shamir, who would become prime minister of Israel in 1983.

The King David Hotel Bombing - 1946

The King David Hotel in Palestine was the home in 1946 of British military command and the British Criminal Investigation Division. It was bombed by the Jewish terrorists Irgun and the attack killed 91 people, most of them civilians. It was organised by Irgun leader, Menachem Begin, who went on to be twice prime minister of Israel. The Jewish motive was to destroy all evidence the British had gathered proving that the terrorist crime waves in Palestine were not merely the actions of "fringe" groups such as the Irgun and Stern Gang, but were committed in collusion with the Haganah and Palmach groups and under the direction of the highest political body of the Zionist establishment itself, namely the Jewish Agency. That

so many innocent civilian lives were lost in the King David massacre is a normal part of the pattern of the history of Jewish Zionist outrages.

These Jewish terrorist organizations needed to push out the British. To accomplish that Menachem Begin, who was the head of Irgun, was given this responsibility. The Irgun started a gorilla warfare against the British. Kind David Hotel was a six-story hotel, which was opened in 1932 as the first modern luxury hotel in Jerusalem. This hotel was not only used by prominent dignitaries but also a section was reserved for the offices of British military police and a branch of the Criminal Investigation Department of the Palestine Police. Begin used 350 kg (770 lb) of explosives to blow up the King David Hotel in Jerusalem on July 22, 1946, with his fellow terrorists, resulting in the deaths of 91 people and injuries to 46 others. Once the British retreated... now these Jewish terrorist forces combined to start the Ethnic cleansing of the Palestinians.

In the 2002 BBC documentary called "Age of Terror," the Zionist bombers admitted to disguising themselves as Arabs as they carried out the attack. Not that last sentence well because the Zionist Jews would do a similar thing on 9/11, that is carry out the attack themselves and blame Arabs.

Below newspaper clippings from the King David Hotel bombing July 22nd 1946

Jewish Zionist Terror against the British

The bombing of the King David hotel was not was not the only atrocity that the Jews used to drive the British out of Palestine. In the spring and summer of 1946 there was a concentrated reign of terror by the Stern Gang against the British. The British got tough, put on a curfew and arrested over 1,000 Jews. One example was on April 25, 1946, the Stern Gang opened fire on paratroopers of the Sixth Airborne Division, killing 7 men outright in the crossfire.

"I have received your message of regret but I have sent for you to-day to say how horrified and disgusted I am at the outrage committed by the Jews on the night of April 25, when seven British soldiers were wilfully and brutally murdered by members of your community. As a result I have decided to impose certain restrictions on the Jewish community as a whole. My decision to restrict the whole community has been made in order to maintain public security and because I hold the community to blame. There is no doubt whatsoever in my mind that many members either knew of this project or could have given some warning before it happened. Further, I am quite certain that if you, as representative of Tel Aviv, chose to do so you could produce sufficient information to lead to the arrest of the criminals."

Three Jewish Stern gang terrorists were arrested for several terror incidents against the British. They were Jacob Weiss, 23, Meir Nakar, 21, and Avshalom Habib, 20. The British decided to execute the three terrorists. The Irgun then kidnapped two British sergeants, Mervyn Paice and Clifford Martin, who were kidnapped at Nathanya on July 11, as hostages for the three Jews. Menachem Begin of the Irgun, declared: 'We will hang the British sergeants at exactly the same time as our men die'. The bodies of Sgt. Paice and Sgt. Martin were found hanging from two trees (see picture below). A booby trap blew Martin's body to bits when it was cut down.

1. The two 20-year-old British Army sergeants, Mervyn Paice and Clifford Martin, who were kidnapped in Palestine by Menachem Begin (latter prime minister of the Zionist entity), head of the *Irgun* Jewish terrorists, and then on 31st July 1947 were hanged with piano wire in the eucalyptus groves at Netanya. Their bodies were booby-trapped in the hope of killing those who came to cut the bodies down (see picture on top).

Below extract from the article - *August 1947—Kristallnacht in the UK in response to Jewish anti-British terrorism in Palestine to the sergeants hanged in Palestine affair which was on the website www.theoccidentalobserver.net*

The deaths of British servicemen and the murderous ingratitude of the Jewish community caused a huge shock in post-war Britain. It is not widely known that the two young sergeants affair led to the last widespread anti-Jewish riots in Britain. Jewish Shop windows were smashed across Britain but especially in Glasgow, Liverpool and Manchester.

There were already signs that a backlash was imminent. In Birkenhead, near Liverpool, slaughterhouse workers had refused to process any more meat for Jewish consumption until the attacks on British soldiers in Palestine stopped. Around Merseyside, the anger was starting to spill on to the streets as crowds of angry young men gathered in Jewish areas.

On Sunday afternoon the trouble reached Manchester. Small groups of men began breaking the windows of shops in Cheetham Hill, an area just north of the city centre which had been home to a Jewish community since the early 19th century. The pubs closed early that day because there was a shortage of beer, and by the evening the mob's numbers had swelled to several hundred. Most were on foot but others drove through the area, throwing bricks from moving cars.

"Soon the streets were covered in broken glass and stones and the crowd moved on to bigger targets, tearing down the canopy of the Great Synagogue on Cheetham Hill Road and surrounding a Jewish wedding party at the Assembly Hall. They shouted abuse at the terrified guests until one in the morning. The next day, Lever said, "Cheetham Hill Road looked much as it had looked seven years before, when the German bombers had pounded the city for 12 hours. All premises belonging to Jews for the length of a mile down the street had gaping windows and the pavements were littered with glass." By the end of the bank holiday weekend, anti-Jewish riots had also taken place in Glasgow and Liverpool. There were minor disturbances, too, in Bristol, Hull, London and Warrington, as well as scores of attacks on Jewish property across the country. A solicitor in Liverpool and a Glasgow shopkeeper were beaten up. Nobody was killed, but this was the most widespread anti-Jewish violence the UK had ever seen. In Salford, the day after a crowd of several thousand had thrown stones at shop windows, signs appeared that read: "Hold your fire. These premises are British." Arsonists in West Derby set fire to a wooden synagogue; workers at Canada Dock in Liverpool returned from the holidays to find "Death to all Jews" painted above the entrance. And in Eccles, a former sergeant major named John Regan was fined £15 for telling a crowd of 700: "Hitler was right. Exterminate every Jew – every man, woman and child. What are you afraid of? There's only a handful of police."

So any anti-Semitism attacks are always for a reason and not because people dislike Jews for no reason.

Further attacks against the British by the Jewish Zionist's followed.

In August 5, 1947, Palestine. British security forces arrested 35 leading Zionists and sent them to the Latrun detention camp in an attempt to wipe out the Irgun leadership. In reprisal, Irgunists blew up the Department of Labor in Jerusalem, killing three British constables.

On August 23, 1947, Jerusalem, British authorities reported that five Arabs in one family; two men, one woman and two children, were murdered by Jewish terrorists as retaliation for the British arrest of two Irgun leaders.

On March 1st 1947 - 17 British officers were killed, during bombing of the Goldschmidt Officer's Club by the Jewish Irgun terrorists. Militants of the Irgun Zvai Leumi used a Bren light machine gun on King George Avenue (a high-security zone) in Jerusalem, opposite the Yeshuron Synagogue. The indiscriminate firing was a distraction to lure the local police's attention away from an explosive-laden lorry that rammed through barricades and was driven up outside the Goldschmidt House, a club for British Officers. Irgun militants threw satchel bombs into the club rooms and windows. On that same day 20 Britons were killed and 30 wounded in the Bevingrad Officers Club bombing by Jewish Terrorists.

1944, September - 27 Unknown number of casualties, around 150 Irgun members attacked four British police stations

1944, September 29 - 1 Senior British police officer of the Criminal Intelligence Department assassinated in Jerusalem.

1945, November - 15 locomotives destroyed in Lydda station. Two staff, one soldier and one policeman were killed. One of the bombers, Yehiel Dresner, was later executed for other crimes.

1945, December 27 - 3 British policemen and 4 Sotho soldiers killed during the bombing of British CID headquarters in Jerusalem; 1 British soldier killed during attack of British army camp in north Tel Aviv

1946, February - 14 aeroplanes destroyed at 5 RAF stations.

1946, October 30 - 2 British guards killed during Gunfire and explosion at Jerusalem Railway Station.

1946, October 31 - Bombing of the British Embassy in Rome. Nearly half the building was destroyed and 3 people were injured.

1946, November 13 - 6 Palestine police (2 British, 4 Arabs) killed in bombing of railway line.

1947, March 12 - 1 British soldier killed during the attack on Schneller Camp.

1947, June 18 - One Haganah member killed by a booby trap while sealing a tunnel dug by Irgun to blow up the British Headquarter in Citrus House, Tel Aviv.

1947, July 19 - 4 locations within Haifa are attacked, killing a British constable and injuring 12.

1947, July 29 - 2 kidnapped British sergeants hanged.

1947, August 4 - Two Suitcase time-bombs explode in the basement of the Hotel Sacher, Vienna (British Army Headquarters)

1947, August 5 - 3 British policemen killed in bombing of British Labour Department office in Jerusalem. Two British constables and 11 Arabs were killed and 32 Arabs wounded when Irgun members threw a bomb from a taxi at Jerusalem's Damascus Gate.

1948, February - Twenty-seven British soldiers and airmen murdered, and thirty-five injured in an attack on a train at Rehovath.

1946 British Embassy bombing by Jewish Irgun

The bombing of the British Embassy at Porta Pia in Rome was a terrorist action perpetrated by the Irgun that occurred on 31 October 1946. Two timed explosives encased in suitcases were planted by the Embassy's front entrance; the resulting blast injured two people and damaged the building's residential section beyond repair. The Irgun targeted the Embassy because they considered it an obstacle to illegal Jewish immigration into Mandatory Palestine. One of the Irgun's intended targets, ambassador Noel Charles, was away on leave during the attack. It was quickly determined that foreign militants from Mandatory Palestine were behind the attack and under pressure from Great Britain, the Italian police, Carabinieri and the Allied Police Force rounded up numerous members of the Betar organization, which had recruited militants from among the displaced refugees. Confirming fears of the expansion of Jewish terrorism beyond Mandatory Palestine, the bombing of the Embassy was the first attack against British personnel by the Irgun on European soil.

The British and Italian governments commenced an extensive investigation and concluded that Irgun operatives from Mandatory Palestine organized the attack.

1947 Jewish Plot to bomb London

Baruch Korff led a Lehi (Stern Gang) plot to firebomb the Foreign Office in London in protest to Britain slowing down Jewish Immigration to Palestine. Korff was an American Orthodox rabbi. He was a longtime Jewish community activist who was associated with the terror groups Irgun and Lehi. Korff offered money to USA pilot Reginald Gilbert to drop the bombs. Gilbert feigned acceptance of Korff's offer, but immediately turned informant, notifying the American Embassy in London, who in turn alerted Scotland Yard to the Stern Gang's planned attack on London. The authorities convinced Gilbert to go along with the plan, and after a week Korff was arrested and indicted for masterminding the plot. After a hunger strike by

Korff, all charges against him were dropped and he was released. Korff went on to be part of Menachem Begin's underground terror network against the Palestinians.

The King David hotel bombing, as well as the other Zionist bombings against the British were the world's first real terrorist incidents. In fact Menachem Begin the one who was behind the assassination of Lord Moyne and the King David Hotel bombing said in an interview he was the father of Terrorism.

"How does it feel, in the light of all that's going on, to be the father of terrorism in the Middle East?" "In the Middle East?" Begin then said. "In all the world!" - Russell Warren Howe interview with Menachem Begin, January 1974

This campaign of terror came from men who were to become senior Israeli figures, and Prime Ministers of Israel. Another figure who made his name as 'The Butcher of Beirut' long after the British withdrawal was Ariel Sharon, who also went on to become Israeli Prime Minister

Deir Yassin Massacre - April 9, 1948

The Palestinians are the ones who took the real brunt of the Jewish terror in the late 1940s. To steal Palestine the Jewish Zionists had to use fear, massacres, rapes to force the Palestinians to abandon their towns and villages and flee.

1947, December - 6 Arabs killed and, 42 injured by grenades at Haifa refinery, precipitating the Haifa Oil Refinery massacre, which led to the Balad al-Shaykh massacre.

1948, January 1 - 2 Arabs killed and 9 injured by shooting attack on cafe in Jaffa.

1948, January 5 - 14 Arabs killed and 19 injured by truck bomb outside the 3-storey 'Serrani', Jaffa's built Ottoman Town Hall

1948, January 7 - 20 Arabs killed by bomb at Jaffa Gate.

1948, February 10 - 7 Arabs killed near Ras el Ain after selling cows in Tel Aviv

1948, February 18 - 12 Arabs killed and 43 wounded at a marketplace in Ramla

The Deir Yassin massacre took place on April 9, 1948, when Zionist paramilitaries attacked the village of Deir Yassin when commandos of the Irgun (headed by Menachem Begin, future Israel prime minister) and the Stern Gang attacked Deir Yassin, a village with about 750 Palestinian residents. How come a murderer ends up being Prime Minister? In all over 200 men, women, and children were systematically murdered. Fifty-three orphaned children were literally dumped near the Old City, where they were found by Miss Hind

Husseini and she brought them to her home, which was to become the Dar El-Tifl El-Arabi orphanage.

"The photos clearly show there was a massacre," says Daniel McGowan, a US retired professor who works with Deir Yassin Remembered. "Those photos show [villagers] lined up against a quarry wall and shot."

"They went into the houses and they shot the people inside. They killed everybody they saw, women and children," said Mr Zidain, who lost four of his immediate family, including his father and two brothers, in the attack. Abdul-Kader Zidain was 22 years old in 1948 when it happened.

According to testimonies from the perpetrators and surviving victims, many of the people slaughtered – from those who were tied to trees and burned to death to those lined up against a wall and shot by submachine guns – were women, children and the elderly.

Accounts by Red Cross and United Nations observers who visited the scene at Deir Yassin, said that the houses were first set on fire and the occupants were shot down as they came out to escape the flames. One pregnant woman had her baby cut out of her stomach with a knife. Reminiscent of the acts committed by their brother Jews in Russia during and after the Bolshevik {Jewish} take over. The head of the International Red Cross delegation in Palestine, Jacques de Reynier, drove into the village and was met by a detachment of Irgun terrorists. In his report of the massacre the previous night, he wrote: "All of them were young, some even adolescents, men and women armed to the teeth: revolvers, machine-guns, hand-grenades, and knives, most of them still blood-stained. A beautiful young girl with criminal eyes showed me hers {knife} still dripping with blood, she displayed it like a trophy."

In an article published recently by Israeli newspaper Haaretz, hidden evidence and shocking new testimonies regarding the massacre have been released.

Neta Shoshani, an Israeli filmmaker who has been researching the history of the massacre, entitled her most recent film "Born in Deir Yassin". Shoshani interviewed and gathered testimonies from people who were present during the massacre, and evidence from Israeli archives that are hidden from the public.

She showed the evidence to the Israeli Newspaper Haaretz. The film shows "A young fellow tied to a tree and set on fire. A woman and an old man shot in the back. Girls lined up against a wall and shot with a submachine gun."

Among those who testified was Yehuda Feder, former member of Lehi. "In the village I killed an armed Arab man and two Arab girls of 16 or 17. I stood them against a wall and blasted them with two rounds from the Tommy gun." He told Shoshani, adding "We confiscated a lot of money and silver and gold jewelry fell into our hands."

Yair Tsaban, a member of the Youth Brigades at the time, was sent to bury the corpses in fear of the Red Cross showing up “at any moment, and it was necessary to blur the traces [of the killings] because publication of pictures and testimonies about what had happened in the village would be very damaging to the image of our War of Independence.”

A member of the Information Service of the Haganah at the time, Shraga Peled, told his story Personally to Shoshani. “When I got to Deir Yassin, the first thing I saw was a big tree to which a young Arab fellow was tied. And this tree was burnt in a fire. They had tied him to it and burned him. I photographed that.” Peled was sent to document the events, and later gave the film to his superiors. He hasn’t seen it since then.

In addition to the killing, there was widespread looting and there may have been cases of mutilation and rape. By the end of the operation, all of the villagers had been expelled and the Haganah took control of the village. In 1949, the village was resettled by Israelis, becoming part of Givat Shaul.

Britain’s Secretary of State for the Colonies, speaking in the Commons on April 12th, 1948, stated, “This barbarous aggression was a proof of savagery. It was a crime that added to a long list of atrocities committed by the Zionists to this day, and for which we can find sufficient words of revulsion.

News of the killings was widely publicized, sparking terror among Palestinians across the country, frightening many to flee their homes in anticipation of further violence against civilians by advancing Jewish forces.

What followed was Nakba, when hundreds of Palestinian villages and towns were burned down and tens of thousands of native Palestinians were killed in a massive ethnic cleansing.

In the summer of 1948, Zionist forces occupied almost 80 percent of the Palestinian land, destroyed about 530 villages and cities, massacred at least 15,000 and further ethnically cleansed 750,000 Palestinians, roughly 80 percent of the total population.

Palestinian refugees who had fled or been expelled during the war were denied the right to return to their communities of origin in what had become the state of Israel. For the most part, these refugees have been forced to live in refugee camps in the West Bank, Gaza, Lebanon, Jordan, Syria and Egypt since that time. Their numbers have swelled to over 5 million today.

The Nakba and the denial of the right to return: In 1947-48, during the Nakba, nearly two-thirds of the Palestinians fled or were forced to abandon their homes, and half of the villagers were stripped of their land. Few of them were allowed to return after the war, although the right to return should have been guaranteed. This right has been notably recognised by Resolution 194 of UN General Assembly, and reaffirmed by Resolutions 394, 513 and 3236 of the Assembly. Moreover, according to Article 13.2 of the Universal

Declaration of Human Rights, "Everyone has the right to leave any country, including his own, and to return to his country."

Prime Minister David Ben Gurion earlier said after Israel brutally expelled the Palestinians from their homes and land in the 1948 war establishing the state of Israel: "We have come and we have stolen their country....We must do everything to insure they (the Palestinians) never do return".

"There was no such thing as Palestinians, they never existed." **Golda Maier Israeli Prime Minister June 15, 1969.**

Renowned Israeli historian, Ilan Pappé's groundbreaking book 'The Ethnic Cleansing of Palestine' states over 400 Palestinian villages were deliberately destroyed, civilians were massacred and around a million men, women, and children were expelled from their homes at gunpoint. Denied for almost six decades, had it happened today it could only have been called "ethnic cleansing". Decisively debunking the myth that the Palestinian population left of their own accord in the course of this war, Ilan Pappé offers impressive archival evidence to demonstrate that, from its very inception, the Jewish terrorists forcibly removed the Palestinians.

"Today, Israel is a formidable settler-colonialist state, unwilling to transform or compromise, and eager to crush by whatever means necessary any resistance to its control and rule in historical Palestine. Beginning with the ethnic cleansing of 80 percent of Palestine in 1948, and Israel's occupation of the remaining 20 percent of the land in 1967, Palestinians in Israel are now enclaved in mega-prisons, bantustans, and besieged cantons, and singled out through discriminatory policies. Meanwhile, millions of Palestinian refugees around the world have no way to return home, and time has only weakened, if not annihilated, all internal challenges to this ideological infrastructure. Even as I write, the Israeli settler state continues to further colonize and uproot the indigenous people of Palestine", - Israeli, Jewish Historian Ilan Pappé from his book 'The Ethnic Cleansing of Palestine

Consider this story, as recounted by a Jewish soldier present at the time of the massacres in al-Duwayima, Palestine, 1948: "I arrived in al-Duwayma immediately after its occupation. The conquering army was the 89th battalion... They killed some 80–100 Arabs, women and children. The children were killed by smashing their skulls with clubs. There was not a single house without dead. The second wave of the army consisted of the battalion of the soldier who gave this eyewitness report... In the village there remained Arab women and men who were put in houses without food or drink. Then the sappers came to blow up the houses. One officer order a sapper to put the two old women into the house he was about to blow up. The sapper refused, and said that he would obey only such orders as were handed down to him by his immediate commander. So the officer ordered his own soldiers to put the women in, and the atrocity was carried out. Another soldier boasted he had raped an Arab

women and then shot her. Another Arab woman with a day-old baby was employed in cleaning jobs in the yard... She worked for one or two days in the service, and then she was shot, together with her baby”

Moshe Dayan, one of Israel's commanders, confessed in all but name to Israel's ethnic cleansing in a 1969 speech:

"We came to this country, which was already populated by Arabs, and we are establishing... a Jewish state here. Jewish villages were built in place of Arab villages. You do not even know the names of these Arab villages, and I do not blame you, because those geography books no longer exist. Not only do the books not exist, the Arab villages are not there either... There is not one place built in this country that did not have a former Arab population."

The Jewish massacres against the Palestinians continued...

Below a few of the more prominent massacres

The Abu Shusha massacre

Barely a month after the Deir Yassin massacre, another terrible massacre occurred in the village of Abu Shusha, where around 70 Palestinian civilians were killed

The village in the Ramle area was subjected to multiple Zionist militia assaults by the Givati Brigade, and despite the valiant efforts of its residents to protect their homes, it fell to the occupation forces.

During the short time of captivity, a single Haganah soldier was reported to have twice attempted to rape a 20-year-old woman prisoner.

A week after the fall of the village, the local population was forcibly displaced, and on the same day Arab authorities in Ramle informed that “the Jews had committed barbaric acts” in Abu Shusha and called for Red Cross intervention.

In 1995, a mass grave with 52 skeletons of Palestinian villagers was discovered.

The Tantura massacre

In the same month as the Abu Shusha massacre, another bigger massacre was recorded in the Mediterranean coastal hamlet of Tantura, where at least 200 Palestinian civilians were massacred.

A small fishing town with a population of around 1,500 was attacked by the Zionist Alexandroni Brigade and due to the lack of equipment, it offered no resistance.

The Tantura residents surrendered to the occupiers, but they were nevertheless massacred and despite the testimonies of survivors, the Israeli authorities denied the event for decades.

Three of their mass graves were discovered beneath a beach resort in recent years.

In a critically acclaimed documentary film titled "Tantura," Zionist mass murderer Amitzur Cohen boastfully spoke about his role in the Tantura massacre:

"I do not remember the number of Arabs I killed in 1948. I never counted the number, because I was a murderer, and I did not take any prisoners," Cohen admitted, bursting into peals of laughter.

On being asked how many Arab Palestinians he remembered murdering in the massacre, he replied: "I didn't count. I had a machine gun with 250 bullets. I can't say how many."

The Lydda massacre

Lydda massacre took place in July that year, when Zionist forces promised citizens safety if they stayed in houses or places of worship, and then shot at those who sought shelter.

The city's defenders initially put up a fierce resistance but eventually depleted their ammunition, leaving space for the occupying forces to enter the city and shoot everyone indiscriminately.

Over 400 inhabitants of that town were massacred, including those who took refuge in two mosques, namely the Great Mosque and the Dahmash Mosque.

With David Ben-Gurion's directive, survivors were further expelled and many later succumbed to thirst, dehydration, and exhaustion during the harrowing journey towards Ramallah.

The Saliha and al-Dawayima massacres

During the Saliha and al-Dawayima massacres in October of that year, Zionist criminals committed similar atrocities, blowing up mosques where a total of 120 to 150 sheltered civilians were killed.

In the village mosque, tens of bodies were discovered, primarily those of elderly men, while numerous corpses of men, women, and children lay strewn across the streets.

Upon conducting a census in al-Dawayima, it was revealed that a total of 455 individuals lost their lives, consisting of 280 men and the rest women and children. Women were raped and then shot with their children. In an account by an Israeli soldier he states:

"There was no battle and no resistance. The first conquerors killed from 80 to a 100 Arabs including women and children. The children were killed by the smashing of their skulls with sticks"

From the sworn Statement given by the Mukhtar of Dawaymeh village, Hassan Mahmaod Ihdeib:

"A section of the armoured cars entered the village with automatic weapons blazing — Jewish troops jumped put of the armoured cars and spread out through the streets of the village firing promiscuously at anything they saw. The villagers began to flee the village while the older ones took shelter in the Mosque and others in a nearby cave called Iraq El Zagh. The shooting continued for about an hour. The following day, the Mukhtar met with the villagers and agreed to return to the village that night to find out the fate of those that had stayed behind. He reports that in the Mosque there were the bodies of some sixty persons, most of them were, men of advanced age who had taken shelter in the Mosque. His father was among them, He saw a large number of bodies in the streets, bodies of men, women and children, He then went to the Cave of Iraq El Zagh, He found at the mouth of the cave the bodies of eighty five persons, again men, women and children, The Mukhtar then carried out a census of the inhabitants of the village and found that a total of 455 persons was missing of whom 280 were men and the rest women and children, There were other casualties among the refugees, the number of which the Mukhtar was unable to determine, The Mukhtar explicitly states that the village had not been called upon to surrender and that the Jewish troops had not met with any resistance".

Jewish Terror using Biological Warfare against the Palestinians

The Jews used biological warfare against the Palestinians during the Nakba in 1948. Two historians - Benny Morris, professor emeritus at Ben-Gurion University in Be'er Sheva, and professor emeritus Benjamin Ze'ev Kedar of the Hebrew University in Jerusalem - have written Cast thy bread: Israeli biological warfare during 1948.

According to the research - scientists from the Scientific Corps in collaboration with military units were "involved in a systematic campaign to poison water wells" with typhoid bacteria to effectively ethnically cleanse the Palestinian population and to frighten them into abandoning their land. The order to use the typhoid contamination was given or approved by the founder of the 'Jewish state' - David Ben-Gurion. Ben-Gurion consulted with eminent scientists including Prof. David Erenst Bergman who is considered the originator of the Israeli nuclear program.

Military top brass privy to the operation included Generals Yohanan Ratner and Yigal Yadin and Lt.Col. Moshe Dayan. It was Dayan's task to deliver the typhoid test tubes to his subordinates with the instructions to distribute it throughout water wells near Jericho and in villages throughout the Jerusalem countryside.

The code name of the biological warfare operation, "Cast Thy Bread" was a reference to Ecclesiastes 11:1, which directs Jews to *"cast thy bread upon the waters, for after many days you will find it again."*

According to British Arab and Red Cross documents, dozens of local residents of Acre were poisoned and became severely ill. An unknown number of them died.

The 1925 Geneva Protocol forbids the use of biological weapons but Israel refused to sign up to it.

<https://israelpalestineneews.org/water-weapon-israeli-hands-ethnic-cleansing/>

The Jews hatched a similar plan after World War 2. They tried To Kill 6 Million Germans. It was known as Plan A, which was to poison the water supply of five German cities: Nuremberg, Weimar, Hamburg, Frankfurt, and Munich. A Jew by the name of Abba Kovner had about 50 recruits to help implement Plan A. Disguised as engineers and workers, the Nakam Avengers infiltrated the waterworks of each target city. There, they studied how the water supply was pumped into German homes. The British were tipped off about the plan and Kovner was arrested on December 1945. Kovner nor any other of the conspirators were charged with any crimes in connection with the plot.

Massacres After the Nakba

Anti-Palestinian massacres were not limited to the Nakba period, but continued in the following decades, claiming thousands of civilian lives and leaving behind destruction.

The major massacres in the years that followed include the Qibya massacre (October 1953), the Kafr Qasim massacre (October 1956), the Khan Yunis massacre (November 1956), the Sabra and Shatila massacre (September 1982), the Al-Aqsa massacre (October 1990), the Ibrahimi Mosque massacre (February 1994), Jenin Refugee Camp massacre (April 2002), and the list goes on.

None of the perpetrators was convicted. They were rewarded with prominent political roles.

David Ben-Gurion, Menachem Begin and Yitzhak Shamir, leaders of the aforementioned Haganah, Irgun and Lehi terrorist groups, respectively, later served as prime ministers of the Israeli regime.

Yehuda Feder, a mercenary of the latter group who was involved in the Deir Yassin massacre, later served as chairman of the Likud branch in the occupied Jerusalem al-Quds and in 2001 was reportedly given the "Jerusalem Notable Citizen" award.

Ariel Sharon (later Prime Minister of Israel) orchestrated the 1953 massacre of 69 Palestinian civilians in Qibya, mostly women and children, while leading "Unit 101," an infamous Israeli army unit. In 1982, Sharon led the invasion of Lebanon, shelling and besieging Beirut. It was during this campaign that Sharon invited the Lebanese Phalange militia into the refugee camps known as Sabra and Shatila on the outskirts of Beirut, resulting in the massacre of approximately 3,000 Palestinian and Lebanese men, women and children.

The Goldstein Massacre

In 1994, on the day of the Jewish hate-festival of Purim, an orthodox Jew named Baruch Goldstein walked into a crowded mosque in Hebron, West Bank, with an automatic assault rifle, locked the door behind him and opened fire as they were kneeling in prayer.

Goldstein shot his victims in the back with his army assault rifle until he was finally subdued and killed by survivors. When the murderous rampage was finished, 29 Palestinian Muslims had succumbed to Goldstein's bullets; 125 others were seriously wounded. Israeli soldiers possibly possessing foreknowledge of the attack, quickly amassed outside the mosque and shot dead a number of Palestinians fleeing Goldstein's onslaught. Rioting ensued shortly thereafter, and another 19 Palestinians were murdered by Israeli soldiers within 48 hours.

Astonishingly, the mass murderer Baruch Goldstein is hailed as a hero by many Jews in Israel and abroad to this very day. ("Graveside Party Celebrates Hebron Massacre," BBC News, Mar. 21, 2000.) Before Goldstein's funeral procession commenced, well-known rabbis eulogized Goldstein and commended his murderous deed. Rabbi Dov Lior of Kiryat Arba stated, "since Goldstein did what he did in God's own name, he is to be regarded as a Righteous Man," asserting that Goldstein was "a martyr of God."

"The holy martyr, Baruch Goldstein, is from now on our intercessor in heaven. Goldstein did not act as an individual; he heard the cry of the land of Israel, which is being stolen from us day after day by the Muslims. He acted to relieve that cry of the land! The Jews will inherit the land not by any peace agreement but only by shedding blood!" (Israel Shahak, Norton Mezvinsky. Jewish Fundamentalism in Israel, Pluto Press, 1999, p.102)

Hundreds of rabid Jewish settlers were recorded on video celebrating and praising Goldstein's massacre of Arabs. One particular Jew, Leonard Goldberg, was asked to comment on the incident and said that Goldstein "did a tremendous deed, an act of self-sacrifice to try to save the Jewish people." In the weeks following the massacre, thousands of Israelis travelled to Goldstein's grave to venerate his devilish deed. Some Hasidim danced and sang around his grave. Other visitors kissed and hugged the gravestone, or even kissed the earth under which Goldstein was buried, declaring him a "saint" and "hero of Israel."

More recent massacres against the Palestinians include **Operation Cast Lead** in December 2008. Israel launched Operation Cast Lead, a massive, 22-day military assault on the Gaza Strip. The ferocity of the attack was unprecedented in the more than six-decade-old conflict between Israelis and Palestinians. According to human rights organisations, over 1400 Palestinians were killed during Cast Lead, a majority of them civilians, including at least 308 children. According to the UN, 3,540 housing units were completely destroyed, with another 2,870 sustaining severe damage. More than 20,000 people — many of them already refugees, some two or three times over — were made homeless. Eighteen schools, including 8 kindergartens, were destroyed, and at least 262 others damaged. UN Human Rights Council established a Fact Finding Mission to investigate possible violations of international law committed during the conflict.

They included:

Samouni family massacre: In perhaps the most infamous incident of the war, Israeli soldiers ordered around 100 members of the Samouni family into a single building in the Zaytoun area of Gaza City. Soldiers held the family in the building for 24 hours before shelling the building on January 4, 2009. Twenty-one members of the family, all civilians, were killed.

Al-Daya family massacre: On January 6, an Israeli F-16 jet fired a missile at the home of the Al-Daya family, also in the Zaytoun neighborhood of Gaza City, killing 22 family members, most of them women and children.

In June 2009, six months after the Israeli Cast Lead operation against Gaza in which hundreds of Palestinian civilians were bombed by Israel (sounds familiar?), UK Prime Minister at the time, David Cameron addressed the very grand annual lunch of the Conservative Friends of Israel (CFI) at the Dorchester. David Cameron's speech made no reference to Gaza whatsoever in fact Cameron went out of his way to praise Israel because it 'strives to protect innocent life'. What a joke these people are. These people are under so much control by the Jewish Lobby groups, it staggers the imagination it really does.

In 2013, the UK sold £6.3 million-worth of arms to Israel.

In 2014 the Israel war machine launched **Operation Protective Edge** against the defenceless Palestinians. It began just after four o'clock on a sunny Wednesday afternoon. Four young boys, all cousins from the same family aged from 9 to 11, were playing football on a Gaza beach. The shelling rained down – killing all four children.

Remembering Israel's killing of four children on the beach in Gaza

<https://www.middleeastmonitor.com/20200716-remembering-israels-killing-of-four-children-on-the-beach-in-gaza/>

One of Israel's reasons for this attack against the Palestinians was the kidnapping and killing of three Israeli teenagers, which it blamed on Hamas. However one week before two Palestinian youths were killed by the Israeli military. The killing of the three Israeli teenagers

received huge publicity in the media (well it would wouldn't it, the western media is owned by the Jews) but the deaths of the Palestinian youths who died received no media coverage. This is how the people of the western world are brainwashed by the Jews about the Palestinian conflict. During this attack against the Palestinians some 2,205 Palestinians were killed, including 577 children. 89 entire families were killed by Israeli bombardments.

Israel's military committed a new massacre against Palestinian civilians between March and May 2018 as they were peacefully commemorating Palestinian Land Day. Tens of thousands took part in Great March of Return rallies to demand their right of return to lands from which Palestinians were ethnically cleansed, and to protest Israel's decade-long blockade of Gaza.

Israeli soldiers wounded more than 2,700 Palestinian protesters and killed dozens more with rifle fire. At least 112 Palestinians were killed, 14 of them Children. A staggering 12,271 had been wounded. There is nothing more cowardly than a soldier sitting on a hill with a sniper rifle shooting down to kill unarmed civilians.

But you will not hear much about all these massacres by the Jews against the Palestinians in the media. You will not hear from the media 'terrorism' and 'Israel' in the same sentence, but you will constantly hear Hamas as terrorists in the media. Hamas was not created until 1987 and the vast majority of the massacres against the Palestinians happened long before any Hamas ever existed. Out of 195 countries only nine, including the UK, have designated Hamas a terrorist organisation. Those 9 countries will probably have strong Jewish lobby groups controlling the politicians. Armed resistance is legal under international law, designating a resistance movement a terrorist organisation is a political decision.

Many Israeli sympathisers state Hamas started this war and they should not have attacked the Jews on October 7th.

But, it did not start on October 7, 2023, but in 1948 when the Zionist genocidal war against Palestinians began.

In 1967, Israel invaded the West Bank and Gaza and launched pre-emptive attacks on Egypt, Syria, Iraq and Jordan. In just a few days, Israel managed to occupy the Syrian Golan Heights, the Gaza Strip, Egypt's Sinai Peninsula, and the West Bank - including Jerusalem. Israel immediately announced that it was annexing East Jerusalem, which was and remains Arab-majority and the site of many of Islam's and Christianity's holiest places. The UN has repeatedly passed resolutions confirming the illegality of this annexation.

Since 1967, Israel has maintained a military occupation of the West Bank and Gaza, despite numerous UN resolutions calling on Israel to end it. As well, successive Israeli governments of every political stripe have encouraged the "settlement" of Palestinian land, a move universally regarded as illegal under international law. With its "settlement" strategy, Israel confiscates Palestinian land in the occupied Palestinian territories for Jewish-only settlers. In the process, Palestinians are displaced from their lands and stripped of their livelihoods.

The transfer by an occupying power of its civilian population to the area militarily occupied violates the Fourth Geneva Convention. To date, Israel has transferred about 600,000 settlers to East Jerusalem and the rest of the West Bank.

Israel has built a massive 700-km wall that cuts deep into Palestinian territory, annexing large blocks of Palestinian territory to the “Israeli” side of the Wall. Israel’s actions have resulted in over 40 percent of the Palestinian territories being now off limits to the vast majority of Palestinians, and under the control of Israel.

Today, the Palestinian people number around 14 million individuals, dispersed throughout the world. According to the 2023 estimates, about 2 million of them reside in the Gaza Strip and about 3 million in the West Bank. Nearly 5 million Palestinians are refugees, according to UNRWA, of which 1.5 million live the refugee camps (in the West Bank, Gaza, Jordan, Syria and Lebanon).

Immediately after the 1967 conflict, Israel began to build illegal settlements and demolish Palestinian housing in the annexed areas of East Jerusalem. Yet the UN has not shifted from its position that the Palestinian residents of East Jerusalem, since 1967, are under belligerent occupation and therefore protected by the 4th Geneva Convention

UN Security Council Resolution 242 (1967) demanded the 'withdrawal of Israel armed forces from occupied in the recent conflict', and emphasised 'the inadmissibility of the acquisition of territory by war'.

The United Nations General Assembly has acknowledged on several occasions the right of colonised peoples to resist 'by all available means, particularly armed struggle' including in relation to Palestine.

Jimmy Carter – US president (1977-1981) was the only American President who publicly confronted Israel for its crimes against Palestinians and identified it as an apartheid state.

“Israel’s continued control and colonisation of Palestinian land have been the primary obstacles to a comprehensive peace agreement in the Holy Land,” wrote Carter in his 2006 book *Palestine: Peace, Not Apartheid*. *“Palestinians are deprived of basic human rights, their land has been occupied, then confiscated, then colonised by the Israeli settlers,”* he said. In his dealings with Hamas, Carter told an interviewer in 2009, he found that Hamas demanded only one thing: Israel must open supply routes in the “enormous wall that surrounds Gaza” in order to let one and a half million people in the besieged enclave have sufficient food and water.

“The Jews have no sense of proportion nor do they have any judgment on world affairs. The Jews, I find are very, very selfish. They care not how many Estonians, Latvians, Finns, Poles, Yugoslavs or Greeks get murdered or mistreated as displaced persons as long as the Jews get special treatment” - **Harry S Truman, US president from 1945 to 1953**

The Israeli government is now trying to ethnically cleanse the West Bank by murdering and torturing Palestinians and burning their houses.

West Bank ethnic cleansing, settler attacks Israel's state policy: Amnesty

Israel is using war crimes and crimes against humanity to 'accelerate' its 'annexation agenda and settlement expansion', according to the global rights group.

Below you can see how much Palestinian territory Israel has stole over the years. It is even less than that now after the genocide and the constant removal of Palestinians from the West Bank by the Israeli settlers and the control of over 40% of Gaza by the Israel Military.

Richard Sanders on Double Down News describes the Nakba

How the Rothschild's and the Jewish Mob funded Israel

For over a century, the Rothschilds, economic, political, and physical foundations of the state of Israel. Few families in modern history have wielded as much influence as the Rothschilds. "My family created Israel," Lord Jacob Rothschild, once said. The Rothschilds bought land in Ottoman Palestine and constructed Israel's Supreme Court.

"The Rothschilds funded Cyrus Scofield, a controversial figure with a fraudulent past, to create a Bible Commentary published by Oxford University Press. This work molded evangelical views on End Times prophecy, promoting "The Rapture," dispensationalism, and

Christian Zionism, convinced American Christians to support British Zionism and the Rothschild-backed purchase of Palestine. The Rothschilds exert influence over Israel through The City of London. Banks like JPMorgan and asset managers like BlackRock, shaped by Rothschild wealth, dictate Israel's economy" - From the book 'The Hidden Hand — Unraveling the Rothschilds and Israel'

Mayer Amschel Rothschild (1744-1812), a banker who laid the foundations of Europe's most powerful financial family. His five sons fanned out across London, Paris, Vienna, Naples, and Frankfurt, forming a European banking empire that would fund monarchies, infrastructure, and wars.

Lionel Walter Rothschild (1868-1937) was President of the English Zionist Federation, he became the formal recipient of the 1917 Balfour Declaration, the British letter pledging support for a Jewish homeland in Palestine.

James Armand de Rothschild donated 1.25 million pounds for the construction of the Knesset, Israel's Parliament building. After his death, his wife financed the Israeli Supreme Court.

Another donor to create the state of Israel was Jew Sam Bronfman. He had long-standing deep ties to organized crime in America and Canada, specifically to the Jewish Meyer Lansky's organized crime syndicate. Bronfman was actively involved in the illegal shipping of arms to Zionist paramilitaries in Palestine prior to 1948, specifically as a co-founder of the National Conference for Israeli and Jewish Rehabilitation that smuggled weapons to the paramilitary group Haganah. At the same time Bronfman was helping with the illegal smuggling of weapons to the Haganah, his associates in the criminal underworld were doing the same. After World War II, close aides of David Ben-Gurion, who would later become the first prime minister of Israel and was instrumental in the founding of Mossad, forged tight-knit relationships with Meyer Lansky, Benjamin "Bugsy" Siegel, Mickey Cohen and other Jewish gangsters of the period. They used their clandestine networks to establish a vast arms smuggling network between the United States and Zionist settlements in Palestine, arming both the Haganah and the Irgun paramilitary groups.

In 1991 the Bronfmans created the Mega Group (a secretive group of Jewish billionaires) Another member of the Mega group was Leslie Wexner who the FBI labelled a co-conspirator to Epstein's sex trafficking network.

Abraham (Abe) Feinberg (1908-1998) was a rich and powerful Jew who spent his entire life using his wealth and influence behind the scenes as a shadowy influence peddler, arms smuggler, political fixer, and espionage agent who dedicated his life to manipulating American politicians into giving the Zionist state of Israel anything it wanted — including nuclear weapons — all at the expense of American security and the subversion of numerous laws. Feinberg used his money and influence to help establish a Jewish state in Palestine, smuggling weapons to the Haganah and urging American politicians to recognise the new

Jewish state as soon as it declared its independence in 1948. Like most American Jews, he had no intention of moving to Israel, but was deeply committed to seeing it prosper. Feinberg was working with a larger group of American Jews in the New York area to smuggle weapons to the Zionists in Palestine, under the direction of Teddy Kollek, a low ranking Haganah official who would later become Jerusalem's first mayor. Declassified FBI files show Feinberg being actively involved with a shell company, Foundry Associates Inc. which was probably responsible for funding some of this operation. Feinberg also stored guns in his basement, linked via an underground tunnel he built to his synagogue. He fundraised and donated money for ships full of ammunition to be sent to Palestine, and machinery to make bullets and mortars at a secret underground bullet factory in Israel. He also arranged for eight B-17 bomber planes to be flown illicitly to Palestine during Israel's War of Independence between 1947-1949. Abe Feinberg was a financial contributor to President Truman. "Truman would tell Feinberg, "If not for my friend Abe, I couldn't have made the trip and would not have been elected." U.S. President Harry Truman was the first world leader to officially recognize Israel as a legitimate Jewish state on May 14, 1948, only eleven minutes after its creation.

The passage below is from the article titled Jack Ruby: Israel's Smoking Gun by Laurent Guyénot:

"Mickey Cohen claims in his memoirs that, in the 1940s and 1950s, he was 'engrossed with Israel', and boasts about his financial and criminal contributions to the arms smuggling operations of the Haganah. Gary Wean, a detective sergeant for the Los Angeles Police Department, claims in his book There's a Fish in the Courthouse (1987) that he saw Ruby twice in Hollywood in 1946 and 1947 in the presence of Cohen. He also writes that Cohen had frequent contacts with Menachem Begin, and that he was sharing his girlfriend, stripper Candy Barr, with Menachem Begin as well as Ruby. Cohen was not the only mobster working for Israel. A pact had been sealed between prominent Zionists and Jewish mafia bosses around 1945, when the Haganah organized a highly effective black market of weapons and explosives from the US to Palestine. The operation was orchestrated by a group of about 40 wealthy American Jews who pledged to help David Ben-Gurion when the latter visited New York in July 1945. Headed by Rudolf Sonneborn. The group operated separately from the Jewish Agency in order to shield it from direct involvement in unlawful activities. Among its active members was the future Jerusalem mayor (1965-93) Teddy Kollek, who also played a key role in forging the CIA-Mossad Alliance. Robert Rockaway has documented the contribution of the Jewish underworld to this operation, in his article "Gangsters for Zion: How Jewish mobsters helped Israel gain its independence". He writes: In 1945, the Jewish Agency, the pre-state Israeli government headed by David Ben-Gurion, created a vast clandestine arms-purchasing-and-smuggling network throughout the United States. The operation was placed under the aegis of the Haganah, the underground forerunner of the Israel Defense Forces, and involved hundreds of Americans from every walk of life. They included millionaires, rabbinical students, scrap-metal merchants, ex-GIs, college students,

long shoremen, industrialists, chemists, engineers, Protestants and Catholics, as well as Jews. One group, who remained anonymous and rarely talked about, were men who were tough, streetwise, unafraid, and had access to ready cash: Jewish gangsters. Sent by Ben-Gurion to the U.S. to purchase heavy armaments, Haganah operative Yehuda Arazi approached Meyer Lansky and met with members of Murder, Incorporated. Another Haganah emissary, Reuvin Dafni, who would become Israeli consul in Los Angeles and New York, also dealt with Jewish gangsters. "When I interviewed Dafni," Rockaway writes, "he told me about his meetings with Jewish mobsters. His meetings were arranged by members of the local Jewish community. His first meeting was in Miami with Sam Kay, a leading Miami Jewish gangster." Dafni also met with Bugsy Siegel. As Dafni relates, "I told him my story, how the Haganah was raising money to buy weapons with which to fight. When I finished, Siegel asked, 'You mean to tell me Jews are fighting?' Yes, I replied. Then Siegel, who was sitting across the table, leaned forward till his nose was almost touching mine. 'You mean fighting, as in killing?' Yes, I answered. Siegel leaned back, looked at me for a moment and said, 'OK, I'm with you.'" "From then on," recalled Dafni, "Every week I got a phone call to go to the restaurant. And every week I received a suitcase filled with \$5 and \$10 bills. The payments continued till I left Los Angeles." Dafni estimates that Siegel gave him a total of \$50,000. Some of those "gangsters for Zion", writes Rockaway, "did so out of ethnic loyalties," or "saw themselves as defenders of the Jews, almost biblical-like fighters. It was part of their self-image." -Jack Ruby: Israel's Smoking Gun by Laurent Guyénot

Zionist Terror against the West

We have already seen Jewish terrorism with the King David Hotel bombing and the assassinations of Lord Moyne and Count Bernadotte and it just shows how far the Zionists will go to steal Palestine and other Arab lands for the Greater Israel. But they still need to fool the Western World and make them believe that the Arab nations are the enemy and the Jewish Zionists are the victims fighting for democracy and peace. They will even attack the United States military and kill Americans and their control of American media and politicians is so vast that they get America to cover up these acts.

Jewish extremists have, many times in the past, committed violent acts of terrorism and even genocide to further their political ambitions. When engaging in these monstrous criminal activities Jewish supremacists have often cunningly cloaked themselves as members of other ethnic and religious groups. It is necessary to establish some historical precedents in order to demonstrate to the reader that Jews are indeed capable of heinous acts of terrorism and mass murder. Here is a brief overview of some of the atrocities that Jewish extremists have inflicted upon the various nations and peoples of the world. To attain certain political ends, Jewish extremists have engineered a plethora of "false flag" attacks as a means of deceptively disguising their crimes as the work of others. This brief and compact

list of terrorist atrocities and false-flags committed by Jews and their helpers is by no means complete, but it plainly demonstrates that Jews have historically lived up to the Mossad's sick motto, "By Way of Deception Thou Shalt Do War." All of these salient facts establish the grim historical reality of Jewish terrorism and violence, vividly illustrating the extreme lengths that they will go to in order to frame their enemies. Taken together, these examples of Jewish trickery and deceit are a warning sign to the world, not only showing what Jews are capable of, but also what they are capable of getting away with. Failing to recognize the significance of these historical facts would be a catastrophic mistake, and will only embolden Jews to increase their subversive schemes, believing that gentiles are too ignorant or apathetic to uncover the truth about these events". - Masters of Deception: Zionism, 9/11 and the War on Terror Hoax by Zander C. Fuerza

"Acts of terror have been carried out by people of many nationalities and ideologies. But contrary to the mainstream media's spin, since World War II Israel has probably been the world's number-one sponsor of terrorism, implemented "by way of deception"—words from the motto of Mossad, Israel's intelligence service. These acts have almost invariably been executed in a way that Arabs would be blamed" – Author James Perloff

The Lavon Affair

Remember the King David Hotel bombing where the Jewish Zionists dressed up as Arabs to plant the bombs to make it look like an Arab act well they did it again in 1954.

Israel initiated another false flag deception in 1954, this time in Egypt. Egyptian Jews who had been recruited by Israeli intelligence planted firebombs in British and American-owned cinemas and other buildings in Cairo and Alexandria. The attacks were designed to frame Egyptian Muslims and thereby poison relations between Egypt and the West. The terrorist hits were to be blamed on the regime of Egyptian President Gamal Abdul Nasser, with the purpose of alienating the US and Britain from Egypt and Nasser and somehow preventing Egyptian nationalisation of the Suez Canal Codenamed "Operation Susannah," the plot was foiled after one of the Zionists' explosives detonated prematurely in his pocket, leading to the capture and confessions of all the Zionist conspirators. The incident was later dubbed the "Lavon Affair" named after Israel's then-Defence Minister Pinhas Lavon who was forced to resign as a result of the debacle. Instead of condemning this act of terrorism, Israeli President Moshe Katsav held a ceremony in 2005 honouring several of the surviving terrorists who took part in the operation with medals of appreciation. This was another one of the times that Israel Intelligence were caught planning a terrorist atrocity and trying to pin the blame on Arabs and they will do it again.

For five decades the arrogant, eternally deceitful Jews refused to admit responsibility for the attack, claiming it was just an "anti-Semitic conspiracy theory" (similar to what they call people who say Israel did 9/11) In 2005, however, the Israeli government not only admitted

responsibility, but held a ceremony honouring the Jewish terrorists who took part in the operation with medals of appreciation for their “service” to the Jewish state!

Reuters reported:

“Egypt is astonished at Israel’s tribute to nine Egyptian Jews recruited by the Jewish state to carry out “terrorist operations” in Cairo and Alexandria in the 1950s, the foreign minister said. Israeli President Moshe Katsav last week honored the Egyptian Jews recruited by Israel as agents to ruin Cairo’s rapprochement with the United States and Britain by firebombing sites frequented by foreigners visiting the cities. Israel hoped the attacks, which caused no casualties, would be blamed on local insurgents. But the young Zionist bombers were caught and confessed at public trials. Two were hanged and the rest served jail terms and immigrated to Israel....”

The USS Liberty

One of the most dastardly attacks on the United States came at the hands of Israel. In June 1967, Israeli air and naval forces attacked America’s most advanced spy ship, the U.S.S. Liberty, killing 34 of its crew and wounding 174.

The Liberty had been refitted by the NSA (National Security Agency) for use as a signals intelligence platform, a floating listening ship. It had a very sophisticated system of radio antennae including a sonar-radio listening device with a clear capability range of over 500 miles. Up to that distance the Liberty could intercept virtually any form of wireless communication, including military and diplomatic traffic, telemetry data, rocket guidance and satellite control, among others. It could then decode and process the intercepted messages and relay them back to the NSA in the U.S. At the time, the ship was in international waters about 25 miles northwest of the Egyptian town of Arish. President Johnson gave the green light for Israel to start the 6-Day war against Egypt and made it clear that Israel could not move this war into Syria or Jordan for fear of reprisals from the Soviet Union. So the listening ship the USS Liberty was sent into Egyptians waters to listen into troop movements of the Israeli military.

Without any warning, Israeli fighter aircraft launched a rocket attack on the USS Liberty. The aircraft made repeated firing passes, attacking the USS Liberty with rockets and their internal cannons. After the Israeli fighter aircraft completed their attacks, three Israeli torpedo boats arrived and began an attack and five torpedoes were launched with one hitting the Liberty. The torpedo boats then went up and down the ship firing on it with cannon fire.

A brief distress signal was sent by the Liberty which was picked up by the USS Saratoga and USS America and each launched aircraft to come to the aid of USS Liberty. Israeli attack helicopters then arrived on the scene with soldiers on board ready to board the Liberty but the Israeli's knew these aircraft were heading in the direction of the Liberty so they called off their attacks. A 40 million dollar state of the art ship had now been destroyed with 34 Americans dead. Israel said it was mistaken identity even though there was a massive American flag flying on the Liberty and the incident was swept under the carpet by the US administration. If it was the Arabs that had attacked the Liberty it would have been all over the media and Israel would have pressured the U.S for revenge but because it was Israel it was all hushed up.

America gives Israel \$3 billion per year just for its military budget and at the time of this attack it was receiving about \$300 million per year from America. Israel then uses this money to kill Americans. The Jewish Zionists will stab anyone in the back for political gain.

Admiral Moorer was top legal counsel to the official investigation and agrees that Israel intended to sink the USS Liberty and blame Egypt for it, thus dragging the United States into a war on Israel's behalf. This seems to be a common trick of Israel. Starting with the Lavon affair, through the USS Liberty, to the fake radio transmitter that tricked Reagan into attacking Libya, to potentially 9-11 itself, Israel's game is to frame Arabs and set them up as targets for the United States.

The real question facing the American people is why the US Government seems more concerned with protecting Israel after they are caught playing these dirty tricks, rather than doing something to stop Israel from killing Americans. Imagine if any other country had attacked an American ship for no reason and killed Americans. What would Americas response be? This just shows the total Jewish Zionist control of the media and the politicians in America.

'But Sir, It's an American Ship.' 'Never Mind, Hit Her!' When Israel Attacked USS Liberty

'The Americans have findings that show our pilots were aware the ship was American,' a newly published document

Below survivors of the USS Liberty

Statement from Lieutenant Commander Jim Ennes, a USS Liberty survivor:

"Israeli Reconnaissance pilots were heard telling their headquarters that we were an American ship. Reconnaissance pilots circled the ship 13 times in the hours before the attack. Israeli documents admit that their aircraft identified us in the hours before the attack. Israel claims firing stopped as soon as the boats came close enough to identify the ship as American. Not so. They continued to fire from close range for another 40 minutes and fired upon life rafts in the water waiting for survivors".

"Israel's premeditated, sneak attack, on the USS Liberty was a direct attack on America," says Phillip Tourney, a crewman wounded in the attack. Fifteen years after the attack an Israeli Pilot who was ordered to participate in the attack came forward, approaching Liberty survivors and former Congressman Paul N. McCloskey. The pilot relates that he identified the ship as American and informed his superiors, but was told to proceed with the attack. When he refused to do so, he was arrested on returning to base.

Israeli messages intercepted on June 8, 1967, leave no doubt that sinking the USS Liberty was the mission assigned to the attacking Israeli warplanes and torpedo boats as the Six-Day War raged in the Middle East. Let me repeat: there is no doubt – none – that the mission of

the Israeli Defence Forces (IDF) was to destroy the USS Liberty and kill its entire crew.” – Former CIA analyst Ray McGovern.

“I don’t give a dam if everyone on the liberty sinks, we are not embarrassing Israel” U.S President Johnson.

Most Americans are completely unaware of this act of war by its so called ally Israel. The main reason for this is that the American media have almost completely suppressed any mention of the event and you do not see any documentaries on American T.V or U.K T.V networks about Israel’s attack on the USS Liberty and that is simply because most of the media in both these countries are owned by Zionist Jews.

So Israel murdered 34 Americans to further its agenda in the Middle East and it will do so again on 9/11. We have learned the following points about the Israeli attack on the USS Liberty:

Israel is capable of attacking its allies, and especially the U.S., to further its Zionist agenda. One can’t help but think about 9/11 in this regard.

- Israel will lie to America to draw it into a war under false pretences. It also has no problem blaming a third party like Egypt for an atrocity it did not commit.
- Israel wields sufficient power within American circles of power that the U.S. government is more concerned about not embarrassing Israel than it is about defending its own people.
- The American media will participate in a cover-up of an act of war against America rather than point the finger at Israel. That is because the media is owned and ran by Jews.
- Israel uses the same attacks against the Liberty survivors that governments and mainstream media use to marginalize “conspiracy theorists.”
- Israel will also play the “anti-Semitic” and “neo-Nazi” cards against American servicemen who were victimized in the attack and who are continuing to demand accountability.

Surviving Sailors Break Their Silence 40 Years After Israeli Attack On Us Navy Ship

This article first published in 2008 is based entirely on documented sources and on interviews with six of the survivors, Capt. Ward Boston who said in a signed affidavit that he was ordered to cover-up the Israeli attack on the USS Liberty, and Bill Knutson, the executive

officer of the USS America fighter squadron sent to rescue the USS Liberty from Israeli attack that was called back on the orders of US President Lyndon Johnson.

1984 English Police woman Yvonne Fletcher killed

In 1984, Zionist Jews staged a protest outside the Libyan embassy in London. Approximately 25 English policeman were used for crowd control. During the middle of the demonstration, a shot rang out and a female officer named Yvonne Fletcher was shot and killed.

The shot came from a building used by the Mossad to spy on the Libyan embassy, but the newspapers overlooked that and blamed Libya.

The demonising of Libya first started with the death of Woman Police Constable (WPC) Yvonne Fletcher in 1984. She was a British policewoman who was shot and killed in London's St James's Square during a protest outside the Libyan embassy. The shooting resulted in a siege at the embassy which lasted for eleven days, as well as the breakdown of diplomatic relations between the United Kingdom and Gaddafi's Libya. Like Lockerbie, the crime was staged so as to be falsely attributed to Libya and Gaddafi. In 1996, 12 years after the killing, the Channel 4 documentary programme Dispatches, in what was acknowledged by all to have been a massively researched and extremely credible work of broadcast journalism, cited various credible and experienced sources to conclude that Fletcher had in fact been murdered by elements of British and American intelligence. But to highlight how important the shooting of Ms Fletcher was, in 1998, 14 years after her killing, it was still being cited as the sole reason by Jack Straw for maintaining the ongoing sanctions against the Socialist Republic of Libya. We know that Israel and the Jewish Zionists want to demonise Libya and Gaddafi so could they be the ones who were behind the bombing of the plane over Lockerbie?

"The bullet entered WPC Fletcher's upper right back at sixty degrees then sliced down through her rib cage, turning her vital organs into a bloody pulp before exiting her body below the bottom left rib. With Yvonne Fletcher's exact position recorded by a television camera when the shots were fired there was no room for doubt. It was an absolute scientific impossibility for that shot to have been fired from the Libyan Embassy, and the steep angle of entry of the bullet limited the firing point to one floor of only one building: the top floor of Enserch House, an American multinational building staffed by personnel with documented links to the international intelligence community", - Joe Vials, investigative journalist.

Israel behind the German Disco Bombing, 1986

In 1986, a bombing took place in Germany at a Berlin disco, the nightspot was visited frequently by

U.S. military personnel stationed in the area. The explosion killed three people and injuring at least 120, including more than 40 Americans. Two of the dead were an American soldier and a Turkish woman of 28. The incident was immediately blamed on Libya, and was used by U.S. President Ronald Reagan as a pretext for a bombing campaign against the North African country. At least 60 people, including many children, were killed in the bombing of Tripoli and Benghazi.

However on 25 August 1998, German TV exposed apparent CIA and Mossad links to the bombing of the disco La Belle. The German ZDF TV programme Frontal provided evidence that several of the key suspects in the 1986 Berlin disco bombing were intelligence agents working for the USA and Israel.

Frontal asserts that an additional group was involved in the La Belle bombing - a group of mercenaries, led by "Mahmoud" Abu Jaber. Reportedly the USA planned to use "Mahmoud" to invent a case that Libya was involved in the attack. Mohammed Amairi, the right-hand man of "Mahmoud" Abu Jaber is an agent of Mossad.

Amairi left Germany for Norway in 1990, when a warrant was issued for his arrest. He now lives in the Norwegian town of Bergen, where Frontal found and interviewed him. He stopped the interview when he was asked what secret service he had been working for. His lawyer, Odd Drevland, finally told the story.

When Amairi moved to Norway he was arrested and branded "a danger to the country" on the front page of tabloids. But then the Israeli secret service Mossad took charge of him and "everything changed." "Was Amairi a Mossad agent?" asked Frontal. "He was a Mossad man," answered Drevland.

At the Berlin disco bomb trial, the prosecution was unable to prove that Libya's Colonel Gaddafi was behind the attack. The court blamed this failure on the "limited willingness" of the German and US governments to share intelligence.

Victor Ostrovsky, in his book "The Other Side of Deception", recounts how the Mossad planted a radio transmitter in Tripoli that would transmit "incriminating" messages seeming to show that Libya was responsible for the Berlin bombing. It was messages from that transmitter that the Reagan administration used to justify the attack on Libya. This suggests that it was Israel that was solely responsible for the "false flag" Berlin bombing, and that the U.S. didn't know about it, since the U.S. believed the faked incriminating broadcasts. Ostrovsky should know he was actually a former Mossad agent.

Jewish Mossad bombs own Embassy, London 1994.

Israel's Mossad blew up its own embassy in London to get the U.K to sympathise with them against the Palestinians. The miscarriage of justice occurred in the 1990s when two Palestinian students and a young woman called Samar Alami were both wrongfully convicted of conspiracy to bomb the Israeli embassy in London in July 1994. This was one of the cases that former MI5 officer David Shayler blew the whistle on during the 1990s. He revealed the existence of two relevant documents that should have been disclosed to the defence but, for some reason were not. The first, an agent report from a credible and trusted source, pointed to a non-Palestinian group planning the attack before it had even occurred. This report was not acted upon by the MI5 officer responsible, who then tried to cover up her mistake. The second one written by the senior MI5 officer who oversaw the post-incident investigation. His view was that Mossad, the external Israeli intelligence agency, had carried out a controlled explosion outside its own embassy (the shadowy and unidentified Reda Moghrabi being the potentially crucial missing link) in order to acquire the long-demanded additional security protection around Israeli interests in the UK, and also to shatter the Palestinian support networks in London – a long-term objective of Mossad. It emerged during the appeal hearing that no fewer than seven people from a variety of police and intelligence organisations had failed to disclose the relevant documentation to the defence. In reality it was a cover up. As a result Jawad Botmeh and Samar Alami, ended up serving their full sentences, despite the overwhelming body of evidence proving their innocence, and were finally released in 2008 and 2009. Annie Machon, a former official of British intelligence MI5 has said that the Israeli Mossad security agency carried out a 1994 bombing at the Israeli Embassy in London to shatter support for Palestinians in the United Kingdom.

Ex MI5 agent Annie Machon describes the incident in several videos which can be found on video sharing platforms Youtube, Rumble or Odysee

Abu Nidal (Mossad Agent) - The Twin Cruise Ship Attacks

Jordanian and French intelligence, and even PLO sources, pointed out at the time, that the Abu Nidal Palestinian terrorist organization, responsible for over one hundred vicious attacks during the years in which it operated, was a completely Mossad-controlled asset. Off the coast of Egypt on October 7, 1985, the attack on the Italian cruise ship Achille Lauro, where Leon Klinghoffer, a 69-year-old Jewish American in a wheelchair, was murdered by throwing him overboard to drown, was the work of the Abu Nidal organization, and was designed to portray Palestinians as terrorist animals, thugs and cut-throats. Just over two and a half years later, on July 11, 1988, this same Mossad-directed terror group attacked the Greek cruise ship City of Poros, leaving nine dead and eighty wounded. This attack was seen by analysts as a move by Israel to damage the sympathetic relationship that had developed between Greece, its prime minister, Andreas Papandreou and the Palestinians. This attack

damaged the Greek tourist trade and helped bring about the fall of the Papandreou government.

In fact, Greece was the European country most sympathetic to the Palestinian cause, its prime minister, Andreas Papandreou, often defending Arabs against Israel's charges of terrorism. After the attack, Greece was furious with the Palestinians, who had damaged the Greek tourist trade and hastened the fall of the Papandreou regime.

The motive, as in the Achille Lauro attack, was apparently to cast the Palestinians as heartless murderers. Obviously the Israeli motive was to turn the Greece people against the Palestinians so that they would no longer support them. 9/11 was the same theme, to turn public opinion against the Arabs so that America would support the bombing of the Arab countries for Israel.

The October 1985 "Palestinian terrorist" hijacking of the Achille Lauro was reported to have been directly ordered and funded by the Mossad. This is detailed by former Israeli Defense Force (IDF) arms dealer Ari Ben-Menashe in his 1992 book, *Profits of War: Inside the Secret U.S.-Israeli Arms Network*.

In 1992, Patrick Seale, former correspondent for the London Observer, and one of Britain's top Middle East specialists, wrote a biography, *Abu Nidal: A Gun for Hire*. Seale's book made a stunning revelation: although portrayed in mainstream media as a "Palestinian terrorist" and "enemy of Israel," Nidal was in fact employed by Mossad—Israel's equivalent of the CIA.

Quoting Seale:

"Every Palestinian who works in intelligence," he told me, "is convinced that Israel has a big hand in Abu Nidal's affairs." His suspicions had now hardened into a conviction: Abu Nidal was not just an extreme rejectionist who sold his services to Arab regimes. Israel had gained control of him. That was the key to his persistent sabotage of Palestinian interests. . . . Abu Nidal had killed the PLO's most accomplished diplomats: Hammami, in London; Qalaq, in Paris; Yassin, in Kuwait; he had slaughtered hundreds of Palestinian fighters; he had debased the Palestinian national struggle with his senseless and savage terrorism and succeeded in alienating the Palestinians' best friends. He had made the word Palestinian synonymous with terrorist. Abu Nidal, he told me, was the greatest enemy of the Palestinian people.

A CIA officer who had been station head in several Arab countries told Seale: "It's quite likely that Mossad picked up Abu Nidal in the late 1960s, when it was putting a lot of effort into penetrating the newly formed Palestinian guerrilla groups."⁹

In 1977, the Likud, Israel's far-right party, came to power for the first time. Menachem Begin, who had once been leader of the Irgun terrorist gang, now became Prime Minister. Begin wanted to expand Israeli territories in Palestine, and destroy the PLO, even though

the PLO had turned from violence to seeking peaceful negotiations. A few months after Begin came to power, Abu Nidal began killing Palestinian moderates.

Abu Nidal, who himself almost seemed like a scripted movie villain, carried out a series of terrorist attacks that invariably aided Israel and harmed Palestine.

Seale writes that in 1985, "Austria and Italy were the two European countries with which the PLO had the closest relations, and with their encouragement, a European-Palestinian dialogue had been developing satisfactorily."¹⁴

So what did Abu Nidal do? He had his fanatical young followers, doped on amphetamines, launch simultaneous attacks on the Vienna and Rome airports on December 27, 1985, killing 18 people and wounding 110 with rifle fire and hand grenades. Nidal lied to the gunmen, telling them that people at the El Al ticket counters would be Israeli pilots in civilian clothes who had bombed their families.

Israel falsely accused the PLO of carrying out the attacks, even though the PLO denounced them and Abu Nidal took the credit. In the public mind, however, it was just "Palestinians."

Seale notes: "Greece was the European country most sympathetic to the Palestinian cause, and its prime minister, Andreas Papandreu, was the European leader who had most effectively defended the Arabs against Israel's charge of terrorism.

So what did Abu Nidal do? On July 11, 1988, he had his men, armed with machine guns and grenades, attack a Greek cruise ship carrying hundreds of tourists, killing nine and wounding 80. Does anyone think Nidal really believed this would somehow help Palestine? Greeks were furious that Palestinians had badly damaged their tourist trade, and the incident helped bring about the downfall of the Papandreu government.

Everything Abu Nidal did, Israel benefitted and the Palestinians were demonised as terrorists. It is obvious that to any critical thinking person he was working for Israel.

Israel behind the East Africa Embassy Bombings, 1998

On 7th August 1998 two simultaneous truck bombs exploded at the U.S Embassies in Nairobi, Kenya and Dar Es Salaam, Tanzania. We are told that 223 people are killed and over 4000 are injured in the joint attacks. However there is evidence that Mossad were involved in the bombings. Officially we are told that Osama Bin Laden and Al Qaeda were guilty but there is no real evidence of that. Serious investigators of 9/11 know that Bin Laden was framed for the events of 9/11 so we can assume he was for this also. These bombings and the USS Cole bombing would be used as propaganda to install in the minds of the public the name of Osama Bin Laden and Al Qaeda as terrorists. Bin Laden is nothing more than a

Patsie for the Mossad Zionist crime network. The bombings in East Africa were just part of the setup for Bin Laden to take the heat for the events of 9/11.

This is what former Pakistani Intelligence Chief Hamid Gul had to say in an interview.

“Mossad is strong in both countries. Remember the Israeli operation to free hostages in Entebbe (Uganda)? Both Kenya and Tanzania were part of the logistical tail. A so-called associate of Osama was framed at Karachi airport. The incidents took place on Aug. 8, 1999, and on the 10th a short, clean-shaven man disembarks at Karachi airport and presents the passport of a bearded man. Not your passport, he was told. He then tries to bribe the clerk with 200 rupees. A ludicrously small sum given the circumstances. The clerk says no and turns him in and he starts singing right away. Not plausible. Osama has sworn to me on the Koran it was not him and he is truthful to a fault. Pious Muslims do not kill innocent civilians who included many Muslim victims. The passport must have been switched while the man was asleep on the plane in what has all the earmarks of a Mossad operation. For 10 years, the Mujahideen fought the Soviets in Afghanistan and not a single Soviet embassy was touched anywhere in the world. So this could not have been Osama's followers”.

“We don't know yet who was at the wheel of those car bombs; but we do know that the long fuse leading to these terrorist flare-ups was lit in Israel”. Capt. Aurelio dell Acqua, a retired Italian Carabinieri officer, previously specializing in diplomatic security.

The Mossad, Israel's secret service, literally set up the U.S. embassy in Nairobi, Kenya, for the August 7 truck bombing by persuading the CIA and the White House to disregard American intelligence reports which warned of an imminent attack. This dis-information given to Washington just weeks before the bombings, was the key factor in persuading the U.S. to let its guard down, resulting in the loss of life of 223 victims including 11 Americans.

The first military people to show up after the explosions were Israeli armed forces and high level operatives of Israel's Mossad. This is confirmed by Magen David Adom who was part of the Red Cross team giving Emergency Aid to Nairobi MDA Paramedics. David Adom says “members of the Israeli Defense Force Rescue team were involved in searching for survivors in the rubble of the building which was demolished by the bombing”.

Michael Ross, a Canadian who joined Israel's Mossad, serving the terrorist institution for nearly a decade, admitted in his book “The Volunteer: The Incredible True Story of an Israeli Spy on the Trail of International Terrorists ”that officials of the Israeli Shin Bet were first on the scene in the aftermath of the U.S. embassy bombing in Nairobi”.

To add further evidence to this bombing been setup by Mossad an American team of forensic specialists from Virginia was turned away by the Israelis according to a ABC News article from August 1998.

This is stereotypical Mossad. Their "aiding with the recovery/investigation" is used as a cover to plant false evidence as well as do a little clean-up work to remove anything that would give away their role.

The surveillance cameras at both compounds were mysteriously not filming that day. This is normally a huge clue which suggests the official story is a lie. When we are told the CCTV was not working then we know this is to hide the real perpetrators of this crime.

The building which was attacked in Dar Es Salaam had once been an Israeli compound so they had inside knowledge of the building. The truck carrying the bomb had been the Embassy's water truck used to deliver fresh water to embassy staff around town, and had been actually parked on the Embassy compound. The cameras would have to be turned off so as not to show the Mossad agents planting the bomb onto the truck.

The Jewish Zionist media then went into full swing blaming Osama Bin Laden and his Al Qaeda network and then telling us that they will attack American cities in the future.

These false flag attacks, these stabs in the back and then blaming someone else for the stabbing are standard practice for Israel and Mossad. Remember their motto 'By Way of Deception, Thou Shalt do War'. The list above is not complete but it just highlights the main terrorist atrocities and false flag attacks that have been carried out by the Jews to help their political agenda. It is highly possible that Mossad was involved in many more false flag terror events such as the 1996 Khobar Towers bombing. Israel said it was done by Hezbollah, but US military investigators linked it to Mossad. Mossad were also probably behind the bomb that killed 241 American soldiers on October 23, 1983 at the Marine barracks in Beirut to force America out of Beirut.

All of this false-flag terrorism, mass murder and genocide are all just part of the Jewish Zionist quest for power over the 'Goyim'. For those who don't know the 'Goyim' is anybody who is not a Jew and that is about 6.9 billion people.

This is backed up by what Robin Cook said about Al Qaeda. In early 2003 Cook was one of the government's chief opponents of military action against Iraq, and on 17 March 2003 he resigned from the Cabinet.

"The truth is, there is no Islamic army or terrorist group called Al-Qaeda, and any informed intelligence officer knows this. But, there is a propaganda campaign to make the public believe in the presence of an intensified entity representing the 'devil' only in order to drive TV watchers to accept a unified international leadership for a war against terrorism. The country behind this propaganda is the United States." – **Former British Foreign Secretary, Robin Cook.** Robin Cook mysteriously died 4 weeks after giving this statement.

Attack on the U.S.S Cole, Yemen 2000

In October 2000, the USS Cole was allegedly attacked by suicide bombers, while in port in Aden, Yemen. The explosion ripped a hole in the hull of the ship, killing 17 U.S. sailors.

Thirty-nine others were injured. The attack was attributed to Al Qaeda. However this was a similar attack to the USS Liberty which we know was carried out by Israel. A former CIA agent who worked with the FBI's Joint Terrorism Task Force in New York and New Jersey stated that the USS Cole was hit by a specially-configured Popeye cruise missile launched from an Israeli Dolphin-class submarine. Probably the same type of missile that hit the Pentagon on 9/11. Israeli tests of the missile in May 2000 in the waters off Sri Lanka demonstrated it could hit a target 930 miles away. The ex-CIA agent also stated that Ambassador to Yemen Barbara Bodine (Jewish) threw (FBI investigator) John O'Neill and his team out of Yemen because their investigation began uncovering evidence that the Cole was not blown up by an explosive-laden boat but by an Israeli cruise missile. FBI investigator John O'Neill had his investigation thwarted. He was not permitted to interview Yemenis who witnessed the Cole explosion and was not permitted to examine the hat worn by one of the bombers in the boat. John O'Neill had been with the FBI for 20 years, and was involved in investigating a number of terrorist cases, including the 1993 World Trade Center bombing. He was considered the FBI's top man on terrorism. In the late 1990's, he became very attuned to Israel's involvement in many terror operations. In fact Abu Nidal was the leader of the infamous Black September terror organization, and spent 30 years hijacking jets and planting bombs for Israel intelligence. O'Neill suspected Abu Nidal was a Mossad operative and talked openly about it with other field agents. The Jewess Bodine started an intense political battle to oust O'Neill from the Cole investigation. Bodine and Madeleine Albright (Jewish secretary of Defence) finally went to the Zionist Jewish FBI Director, Louis Freeh, to remove John O'Neill from Yemen. O'Neill was sent from Yemen and was not allowed to return. In July 2001, O'Neill resigned from the FBI. See how the Jews stick together to cover up Jewish crimes.

John O'Neill was given a job by the Jewish Larry Silverstein (Twin Towers owner) in security at the World Trade Centre for a Jewish security firm Kroll Associates and his first day on the job was 9/11/01 and unfortunately he was one of the victims. Was he intentionally given that job so that he would be silenced? Yes of course he was 100%. The Jews silenced him, he knew too much.

The former CIA agent said the reason for the Israeli attack was to further galvanize U.S. public opinion against Al Qaeda and it was also used to install the Al Qaeda group into the minds of the American public because a year later they would be blamed for 9/11.

Yemen's Interior Minister Hussein Mohammed Arab made a statement that there was no evidence linking the Cole bombing to Al Qaeda *"Investigations have not so far proved, either to us or to the Americans, any link between Osama bin Laden and the Cole bombing"*.

AIPAC and the Jewish control of American Politicians

"The organized Jewish community, through its various lobbies, non-profit organizations, museums, charities and other institutions, essentially controls the Western political establishment. The United States Congress, White House and Supreme Court are dominated by Jews and non-Jewish puppets of the Jews. It's truly shameful how subservient the American government, political establishment and "elite society" is to Israel and the Jewish community. On a daily basis, American politicians literally commit treason against their own country – right in the face of the American public" - John Friend, independent journalist, and host of the <http://therealistreport.com> and reporter for American Free Press (<https://americanfreepress.net>)

David Christie, New York Journalist says *"Israel controls American politicians and media through its powerful lobby in Washington. They already own every politician in the Congress" and "control the entire media apparatus in the Western world," "This is because when Jews control the media," the journalist said, "they control the perceptions of everything among couch-potatoes in the United States," making it possible for American voters to "vote for the candidate that is most loyal, not to the United States, but to Israel."*

"Every time we do something you tell me America will do this and will do that . . . I want to tell you something very clear: Don't worry about American pressure on Israel. We, the Jewish people, control America, and the Americans know it." - Israeli Prime Minister, Ariel Sharon, October 3, 2001, to Shimon Peres, as reported on Kol Yisrael radio.

"But you know as well as I do that, somehow, the Israeli government is placed on a pedestal [in the US], and to criticize it is to be immediately dubbed anti-Semitic ... People are scared in this country, to say wrong is wrong because the Jewish lobby is powerful – very powerful." - Bishop Desmond Tutu of South Africa, who was awarded the 1984 Nobel Peace Prize.

How did Israel have the power to enable the cover-up of the USS Liberty attack against America and where does Israel get the money for it's military machine to slaughter the Palestinians? Why did America attack Iraq and Iran? Why has America supported Israel in its Genocide in Gaza? No US politician dare criticise Israel for fear of the Jewish lobbies and the Jewish media backlash. The answers lies in the grip that Jewish lobby groups have over the American political system and Zionist control of the American media network. This is not something new it has been going on for decades.

Before the main Jewish Zionist lobbies were operating, Jews at the highest level still held sway over American Presidents. During Woodrow Wilson American presidency between 1913 and 1921 his closes advisors were all Jews which included Bernard Baruch (banker), Rabbi Stephen Wise (Zionist Leader), Henry Morgenthau, Louis Brandeis (Lawyer), Felix Frankfurter (Associate Justice of the Supreme Court), Paul Warburg (German-born American investment banker) and Jewish banker Jacob Schiff.

Henry Ford's book, (1920) The International Jew noted:

"The large degree of Jewish influence on Woodrow Wilson: "They formed a solid ring around him." Commenting on the special access to Wilson held by the Jewish journalist David Lawrence, There was a time when he communicated to the country through no one but a Jew". Ford's book provides examples of Jews who were involved in corruption during WW1 attributing the crimes to the immense power of Jewish financier Bernard Baruch who controlled the War Industries Board

All of these Jews pushed Wilson into world war 2 with Germany

Jewish Control of US Presidents #1: Woodrow Wilson

<https://www.theoccidentalobserver.net/2023/01/23/jewish-control-of-us-presidents-1-woodrow-wilson/>

Again it was the same with American President Franklin Roosevelt during WW2. Roosevelt's closest advisors were all Jewish including Bernard Baruch (Rothschild's banker and advisor to both Presidents) and Samuel Untermyer, President of International Jewish Federation, Henry Morgenthau, Jr, Harry Dexter White, Judge Samuel Roseman, Rabbi Stephan Wise and Felix Frankfurter.

"I am aware how almost impossible it is in this country to carry out a foreign policy [in the Middle East] not approved by the Jews. Marshall (referring to Secretary of State George Marshall) and Forrestal (referring to Secretary of Defense) learned that.... terrific control the Jews have over the news media and the barrage the Jews have built up on congressmen I am very much concerned over the fact that the Jewish influence here is completely dominating the scene and making it almost impossible to get congress to do anything they don't approve of. The Israeli embassy is practically dictating to the congress through influential Jewish people in the country" – Secretary of State John Foster Dulles in February 1957 (Donald Neff's book: "Fallen Pillars" page 99)

"Israel controls the U.S Senate. The Senate is subservient, much to much, we should be more concerned about U.S interests rather than doing the bidding of Israel. The great majority of the Senate of the U.S , somewhere around 80% is completely in support of Israel, anything Israel wants, Israel gets. This has been demonstrated time and again and this has made foreign policy difficult for our government" Senator William Fulbright told CBS Face the Nation on April 15th 1973.

A very respected U.S Senator saying that about 80% of the Senate was in Israel's hip pocket and this was in 1973, over 50 years ago.

Over the past 80 years, the organized American Jewish community – in short, the Israel lobbies, the main one being AIPAC – has amassed unparalleled political power through skilfully combining the wealth of its members with its extraordinary organizational skills to achieve what amounts to a takeover of the U.S. Congress and virtual veto power over the

presidency. That its primary goal has not been to improve the security and well-being of the United States or the American people, but to advance the interests of a foreign country, namely Israel.

AIPAC has a \$100 million endowment and annual revenue of about \$60 million. AIPAC's annual conventions are typically a who's who of high government office from both parties pledging their loyalty to Israel.

The American Israel Public Affairs Committee was created in 1954 to influence or buy American Politicians. Originally named the American Zionist Committee for Public Affairs, the group changed its name in 1959.

Under the Foreign Agents Registration Act (FARA), organizations that promote or lobby on behalf of a foreign government are required to register and account for their finances and activities. Under Attorney General Robert Kennedy (1962), the Department of Justice (DOJ) instructed the American Zionist Council (AZC) to register as agents of a foreign country. AZC is the parent organization of the American Israel Public Affairs Council. On 21 November 1962, the Assistant Attorney General wrote to them, "The receipt of such funds from the American sections of the Jewish Agency for Israel constitutes the (American Zionist) Council an agent of a foreign principal... the Council's registration is requested." On October 11 1962, the Department of Justice demanded that American Zionist Committee register, and "the department expects a response from you within 72 hours." attorneys for AZC pleaded for not being required to register as foreign agents. They offered to provide the required financial disclosures but that registering as a foreign agent "would be so publicized by the American Council on Judaism that it would eventually destroy the Zionist movement." If AZC was forced to register as agents of a foreign country Israel would not have any financial support from America and Israel would not have been the powerful force it is today. The AZC did not have to register as a foreign agent as JFK was assassinated the next year.

AIPAC doesn't officially contribute to candidates, so as not to appear to be bribing them directly for Israel, but it does coordinate a massive political financing network of Jewish American donors. Three of the top political contributors in the US are Jewish—Haim Saban (Israeli), Sheldon Adelson, and George Soros. Goldman Sachs is the top American corporate political contributor and was also the top contributor to Obama and Mitt Romney. In 2003, the Washington Post reported that 60% of the Democratic Party's political contributions come from Jewish sources. It is widely estimated that 50% of all American campaign funding comes from Jewish sources. AIPAC designates politicians as supportive of Israel or unsupportive and then ensures that the supportive politicians see millions of dollars flood into their campaign, while those labeled unsupportive see those millions pledged to ensure their defeat.

As such, every major American political candidate in the last two decades has attend the annual AIPAC conference. Every single President and Vice President in the last 20 years has addressed AIPAC.

THE TRUMP ADMINISTRATION

PRESIDENT DONALD TRUMP

Our latest analysis uncovered **>\$20 MILLION** in spending by pro-Israel interest groups benefiting President Donald Trump since 2020. Miriam Adelson's [Preserve America PAC](#) is by far the biggest spender, pouring \$215 million+ into U.S. presidential elections to help Trump.

The Republican Jewish Coalition, an AIPAC ally, has spent **>\$14 million** supporting Trump since 2020.

RECEIVED FROM THE PRO-ISRAEL LOBBY
[AIPAC, NORPAC, US Israel PAC, Citizens Organized PAC]

Many Politicians have lost their job for criticizing Israel's genocide of the Palestinians. Helen Thomas, a White House correspondent and fifty year veteran of the White House press corps, was pressured to resign from her position after she was recorded on video making statements Israel's treatment of the Palestinians.

Another person who lost her job was Cynthia McKinney, a former U.S. Congresswoman from the state of Georgia, was railroaded out of office by the Zionist lobby (AIPAC) due to her sympathies for the oppressed Palestinians.

The following is a quote from the book *The Israel Lobby and US Foreign Policy* by John Mearsheimer, Professor of Political Science at the University of Chicago

“AIPAC’s success is due to its ability to reward legislators and congressional candidates who support its agenda, and to punish those who challenge it. ... AIPAC makes sure that its friends get strong financial support from the myriad pro-Israel PACs. Those seen as hostile to Israel, on the other hand, can be sure that AIPAC will direct campaign contributions to their political opponents. ... The bottom line is that AIPAC, which is a de facto agent for a foreign government, has a stranglehold on the U.S. Congress. Open debate about U.S. policy towards Israel does not occur there, even though that policy has important consequences for the entire world.”

AIPAC also uses its political influence to cover up Israeli human rights abuses in Gaza by strong arming the media to keep damaging stories off the air. It is quite common for AIPAC to gather a collection of Jewish groups together to bombard news stations with negative comments and phone calls when Israel is portrayed negatively in the press. This is of course on the rare instance that Israel is mentioned negatively in the press; 90% of the American media is owned or controlled by Jewish Americans who support AIPAC and Israel.

Israeli Prime Minister Benjamin Netanyahu has recently taken to the American airwaves to warn about the danger that a nuclear Iran poses to the world. Netanyahu’s fear-mongering rhetoric should come as no surprise to those who remember his infamous 1992 wolf-crying comments about Iran being “three to five years away from acquiring a nuclear weapon”; or his testimony before Congress in the lead up to the Iraq war, in which Netanyahu showed an almost superhuman capacity to shamelessly lie to the American public in a successful effort to drag them into war. When Americans consider Benjamin Netanyahu’s current plea to attack Iran, they must not forget the eerily similar lies and purposefully deceptive intelligence that Netanyahu and his government gave to American officials about Saddam Hussein’s mythical “Weapons of Mass Destruction”. There is several videos showing Netanyahu’s September 12, 2002 testimony before the House Committee on Government Reform and Oversight.

In the video, Netanyahu tells Congress, “There is no question whatsoever that Saddam is seeking and is working and is advancing to the development of nuclear weapons. No question whatsoever.... Two decades ago it was possible to thwart Saddam’s nuclear ambitions by bombing a single instillation, but today nothing less than dismantling his regime will do.” In his testimony, Netanyahu repeatedly said there was “no question” Saddam was working to increase his arsenal of weapons of mass destruction. He also fanatically said, “Every indication we have is that he is pursuing, pursuing with abandon,

pursuing with every ounce of effort the establishment of weapons of mass destruction, including nuclear weapons.”

When questioned about why the 250 international inspectors found “no evidence or plausible indication of the revival of a nuclear weapons program in Iraq,” Netanyahu falsely told the Congressional body that Saddam was burying these nuclear centrifuges in tunnels. One can not watch Netanyahu’s testimony and conclude anything other than these two fundamental truths: 1. Netanyahu’s testimony was perjurious, and 2, The Israeli intelligence provided to the US government was a purposeful deception to get America to attack Iraq.

AIPAC’s greatest “accomplishment” in the last two decades has been its successful behind the scenes lobbying for sanctions and wars in Iraq, Libya, Iran, and Syria. In 2000, AIPAC distributed a letter asking AIPAC members to put pressure on the US Congress and the President to ramp up sanctions on Iraq and block the oil for food program, which was providing Iraqi civilians with much needed food and medicine. In 2003, AIPAC attempted to block a bill that would have allowed US companies to export food and medicine to Iraqi civilians. AIPAC took the position in this case that the food and medicine would not help the Iraqi people, which is obviously untrue, and that the bill would hasten Saddam’s effort to procure weapons of mass destruction. Saddam was of course not building weapons of mass destruction, and the AIPAC efforts ended up murdering thousands of Iraqi civilians.

In January 2003, AIPAC executive director Howard Kohr stated, “quietly lobbying Congress to approve the use of force in Iraq” was one of “AIPAC’s successes over the past year.” Jeffrey Goldberg reported during a profile piece of AIPAC’s policy director Steven J. Rosen that, “AIPAC lobbied Congress in favor of the Iraq war.” AIPAC has been more vocal in its campaign for similar sanctions on Iran and the use of military force to combat a non-existent nuclear weapons program.

The Iraq war cover up: What did AIPAC do and when did it do it?

<https://mondoweiss.net/2012/02/the-iraq-war-coverup-what-did-aipac-do-and-when-did-it-do-it/>

“The Israel lobby’s buying off of nearly every senior politician in the United States, facilitated by our system of legalised bribery, is not an antisemitic. It is a fact. The lobby’s campaign of vicious character assassination, smearing and blacklisting against those who defend Palestinian rights—including the Jewish historian Norman Finkelstein and university students, many of them Jewish, in organisations such as Students for Justice in Palestine—is not an antisemitic. It is a fact. Criticism of Israel and the ideology of Zionism is not antisemitic. Criticism of Israel’s influence and control over US foreign policy, and of Israeli efforts to silence those who champion Palestinian rights, is not antisemitic. Criticism of Israel’s oppression of the Palestinians or its dangerous campaign to orchestrate a war with Iran is not antisemitic. The more Israel and the Israel lobby abuse the charge of

antisemitism, a charge the Israel lobby has leveled against British Labour Party leader Jeremy Corbyn, among many others ” - Israel’s stranglehold on American politics
<https://canadiandimension.com/articles/view/israels-stranglehold-on-american-politics>

But AIPAC is not the only Jewish lobby, there is over 50 in America alone. These groups and organisations also advocates on behalf of Israel, including a focus on attacking Iran.

The **American Israel Education Foundation (AIEF)**. AIEF is a subsidiary of AIPAC that takes Congressional Representatives on all-expense-paid trips to Israel.

The **Washington Institute for Near East Policy (WINEP)**. It is a highly influential think tank that pushes Israel Middle East policies.

Anti-Defamation League (ADL) The ADL bills itself as a civil rights institution devoted to stamping out anti-Semitism. But in practice, it regularly works to promote Israeli interests and attacks virtually any prominent person who criticized Israel and labels them “anti-Semitic.

The ADL is a member of the CoP with revenues of around \$68 million and as of 2008 had net assets of over \$185 million.

International Fellowship of Christians and Jews (IFCJ – aka Stand for Israel) Founded in 1983 by Rabbi Yechiel Eckstein “to promote understanding between Jews and Christians and build broad support for Israel,”

Central Fund of Israel, based in Manhattan, says it funds “over 250 charitable causes in Israel.” A Ha’aretz investigation found it funneled much of its money to settlements; it has sent money to an extremist Israeli organization in which the “rabbis heading the yeshiva published a book that discussed the circumstances in which non-Jews can be killed.”

NCSY: Originally named "National Conference of Synagogue Youth," this is an Orthodox Jewish youth group under the auspices of the Orthodox Union that inculcates young people with pro-Israel propaganda and trains them to advocate for Israel.

Christians United for Israel (CUFI) CUFI is a right-wing Evangelical Christian organization that was long run by David Brog, a Jewish American attorney who previously practised corporate law in Tel Aviv, Israel. He’s the author of Reclaiming Israel’s History and executive director of the Maccabee Task Force, funded by American billionaire Sheldon Adelson.

Friends of the Israeli Defense Forces (FIDF) This American organization supports the Israeli armed forces. It hosts lavish fundraisers and has fourteen regional offices in the U.S. and one in Latin America. FIDF also brings hundreds of Israeli soldiers to the U.S. every year to lecture at synagogues, universities, and schools in order to increase American support for Israeli policies. It has annual revenues of around \$60 million and net assets of \$80 million.

Zionist Organization of America (ZOA) The Zionist Organization of America was established in 1887, making it the oldest pro-Israel organization in the US. Their goal is to spread the

Zionist message wherever in all aspects of American life. Their objectives include spreading Zionism on American campuses, work to advance the interests Israel and Jewish people within the American legal system.

The Jewish Institute for National Security of America (JINSA), formerly named the Jewish Institute for National Security Affairs. JINSA is a non-profit organization whose mandate includes promoting a “a strong U.S. military, a robust national security policy, and a strong U.S. security relationship with Israel's

Colin Powell in his book Soldier states “‘the JINSA crowd’ is in control of the Pentagon. The Jewish Institute for National Security Affairs pushed us into Iraq and they are doing the same to get us into Iran”. Colin Powell was a four star General and also served as National Security Advisor (1987–1989) and as Commander of the U.S. Army Forces Command. That says it all really, Colin Powell saying that Jews pushed America into the war against Iraq.

In his book, *A Promised Land*, Former **US President Barack Obama** writes how lawmakers and candidates who "criticized Israel policy too loudly risked being tagged as 'anti-Israeli' (and possibly anti-Semitic)" by leaders of the American Israel Public Affairs Committee (AIPAC).

The consequences for crossing AIPAC and other pro-Israel organizations could be dire for any U.S. politician. Obama noted, “Those who criticized Israeli policy too loudly risked being tagged as ‘anti-Israel’ (and possibly anti-Semitic) and confronted with a well-funded opponent in the next election.”

Pro-Israel Political Action Committees (PACs) AIPAC does not give campaign contributions itself but instead uses a campaign finance network consisting of around thirty Pro-Israel Political Action Committees (PACs), which AIPAC is constantly signaling. Only four of these PACs have names that indicate their true agenda, such as ‘Allies for Israel’ or ‘World Alliance for Israel.’ The rest have innocuous names like ‘National Action Committee’ or ‘Heartland PAC.’ Constituents usually don’t realize their candidates are receiving money from PACs that advance the interests of a foreign government.

Usually a PAC can only donate \$5,000 for a primary and \$5,000 for general elections. But with thirty “unaffiliated” PACs marching in lockstep behind AIPAC, this can balloon up to \$300,000 for any given candidate.

A 1996 book called *Stealth PACs* reports that “in 1988, Israel’s lobby had 78 PACs spending more than \$5.5 million to bribe Congress to vote more aid for Israel.

There is no comparable pressure from the Arab-American side, much less from stateless Palestinians, who have no army, navy or air force; little money. For example, in 2010 pro-Israel PACs gave \$3 million to candidates while the two Arab-American PACs—Arab American Leadership Council PAC and Arab American Political Action Committee—gave a total of \$36,500.

We have a recent example of the Jewish Zionist control of American politicians in action. In May 2026 Congressman Thomas Massie was beaten in Kentucky Primary because of Jewish money. Thomas Harold Massie (born January 13, 1971) is an American politician. A member of the Republican Party, Massie has been the United States representative for Kentucky's 4th congressional district since 2012.

Massie's criticism of Trump during his second administration led Trump to solicit a primary challenge against Massie. Massie was totally against America supporting Israel and was against Americas participation in the war against Iran. Massie was America first and not Israel first. In October 2023 Thomas Massie was the only Republican to vote against a resolution guaranteeing American support for Israel's war on Gaza and backed the withdrawal of US troops from the Middle East.

Another reason Trump wanted Massie out was because in July 2025, Massie introduced a petition to force a vote on a law to compel the release of the Epstein files. This again resulted in criticism from Trump, who called Massie an "Embarrassment to Kentucky. That is because Trump is mentioned many times in the Epstein files. However, the petition passed on November 12, 2025, and the bill it supported, the Epstein Files Transparency Act, was signed into law a week later. The files were all required to be released by December 19, 2025, but the Department of Justice only released part of the files that day and in so doing violated the law. Over 3.5 million pages of the Epstein files were released. This announcement received pushback from Massie and others, with some reports indicating that the full Epstein files consist of over 6 million pages.

The primary became the most expensive U.S. House primary in American history, with over \$32 million in ad spending. The Israel lobby has broke spending records to oust Republican Thomas Massie. Ed Gallrein, a retired Navy SEAL and farmer who previously ran unsuccessfully for the Kentucky state Senate in 2024, defeated Massie after pro-Israel groups poured millions into his campaign.

More than 95% of Gallrein's donations have come from pro-Israel lobbyists and interest groups. Beyond direct donations to Gallrein, these megadonors have spent over \$25 million on the primary, with the American Israel Public Affairs Committee (AIPAC) pitching in more than \$4.1 million, the Republican Jewish Coalition's 'RJC Victory Fund' spending \$3.9 million, and MAGA KY – a super PAC funded by pro-Israel philanthropists Paul Singer and Miriam Adelson (Jewish and Funded Trump) – spending \$7.9 million, according to Federal Election Commission (FEC) filings.

"Their position is more war, it's more strife, it's more bombs, it's more foreign aid, and those are the things that I've been voting against," Massie told Tucker Carlson in an interview. Massie has accused AIPAC of controlling Congress, telling Carlson in 2024 that every US lawmaker "has an AIPAC person... like a babysitter" who works to ensure that they vote in line with Israel's interests. He has since voted against military aid to Israel, boycotted

Israeli Prime Minister Benjamin Netanyahu's address to Congress, and introduced legislation that would force AIPAC to register as a foreign agent.

Thomas Massie received only 2,000 less votes than usual, yet his AIPAC-funded opponent is credited with 400% more votes than Massie's last opponent. There were 10,854 "mail in" ballots (ballots are not votes, by the way) and Massie lost by 10,280 votes. Not too difficult to figure out what happened there.

To any normal person who can think and reason it is quite obvious that powerful rich Jews control the American political scene. But to the Jews and the media it is an antisemitic conspiracy theory. When the Jews can't win an argument with evidence they always throw out that word. They draw it like a gun.

Joe Kent former Director of Counter terrorism who resigned (March 2026) saying Iran posed no imminent threat to the USA:

"Iran posed no imminent threat to our nation, and it is clear that we started this war due to pressure from Israel and its powerful American lobby. This was a lie and is the same tactic the Israelis used to draw us into the disastrous Iraq war that cost our nation the lives of thousands of our best men and women. We cannot make this mistake again."

"If the American people knew the extent at which the Israeli Lobby influences America's decisions to get us into this war (Iran war) and all the other post 9/11 Middle East wars they would be absolutely furious. So I made a promise to myself in my 20s that if I was ever in a position to prevent young men and women from going into a needless war that I would speak out and do something. Fast forward 20 years and I found myself in President Trump's administration, I was honoured to be there, I was leading the National Counterterrorism Center. I wanted to help Trump deliver on his campaign promises. Then I watched a foreign government, I watched the Israelis march right in and basically dictate terms to us and manipulate American Intelligence agencies, manipulate the media, manipulate those around President Trump to put us in the Iran war. I knew I had to leave and start speaking out because I couldn't stand by and watch more body bags come into America and have to support it. I read a little bit about the Israeli influence when I was in the Special Forces and the CIA but I didn't see the actual influence the Israelis have over us until I was working at the Executive Branch. Until I saw it at first hand I didn't know how bad it really was. It was a gut punch to watch Massie be defeated. But when you looked at the demographic breakdown of the voting the younger people know what's going on and they are with us 100%" - Joe Kent

In his resignation letter, Kent pointed out that Trump had pledged to keep the US out of "never-ending wars", like those that had unfolded in Iraq and Afghanistan. Kent said Trump had been misled about the threat posed by Iran. He blamed members of the media, as well as high-ranking Israeli officials and lobbyists, for prompting Trump to abandon his America First agenda.

*“It’s not an antisemitic conspiracy theory when a foreign lobby *(AIPAC) openly brags that they bought two congressional seats with candidates who will be loyal to Israel.” – Former US Congresswoman Marjorie Taylor Greene*

Former U.S. Congressman James Traficant (2010) stated:

“Israel has a powerful stranglehold on the American government. They [Zionist Jews] control both members of the House, and the Senate. They have us involved in wars in which we have little or no interest. Our children are coming back in body bags. Our nation is bankrupt over these wars. And if you open your mouth, you get targeted. And if they don’t beat you at the poll, they’ll put you in prison. [...] They’re controlling much of our foreign policy. They’re influencing much of our domestic policy. Wolfowitz as undersecretary of defence manipulated President Bush number two back into Iraq. They’ve pushed definitely, definitely to try to get Bush before he left to move into Iran. We’re conducting the expansionist policy of Israel and everybody’s afraid to say it. They control much of the media, they control much of the commerce of the country, and they control powerfully both bodies of the Congress. They own the Congress.”

Blood Money: The Top Ten USA Politicians Taking the Most Israel Lobby Cash. “Is the Tail Wagging the Dog?”

There is many Pro-Israeli Jewish billionaires in America who push Politicians to promote Israel and endless wars in the Middle East

Of the 10 richest Americans, five (50%) are Jews: Mark Zuckerberg (\$72B), Larry Page (\$60B), Sergey Brin (\$59B), Larry Ellison (\$54B), and Michael Bloomberg (\$50B). Most of this money comes from the high-tech industry: Facebook (Zuckerberg), Oracle (Ellison), and Google (Page and Brin). Of the 50 richest Americans, at least 27 (54%) are Jews. Jews are 2% of the population of America. The total number of American Billionaires (Jews and non-Jews combined) was recently estimated by Forbes to be just 585. If this is correct, around 290 of these are Jews. Their total wealth is about \$1.5 trillion.

Jewish Oracle founder **Larry Ellison** is one of the richest men in the world. According to Forbes, as of early 2026, Ellison's estimated net worth is \$201–203 billion, making him the world's sixth-richest person. Ellison and his son David own Paramount and CBS media groups as well as TikTok in America.

In 2017, he gave over £10 million to Friends of the Israel Defence Forces (FIDF). Since 2016, Ellison has been supporting Republicans. He was one of the top donors (\$4 million by

February 2016, equivalent to \$5,000,000 in 2025) to Conservative Solutions PAC, a super PAC supporting Marco Rubio's 2016 presidential bid. Ellison lobbied Israeli mogul Arnon Milchan to drop his lawyer so that Benjamin Netanyahu could hire the lawyer for one of his corruption cases. In 2021, Ellison offered Netanyahu a board seat at Oracle. The same year, Netanyahu and his family vacationed on Lana'i, an island Ellison owns in Hawaii.

The US Federal Aviation Administration briefly banned flights to Israel over security concerns. Former Jewish New York City Mayor Michael Bloomberg flew to Ben Gurion International Airport in Tel-Aviv to protest the ban and show support for the Israeli government.

Miriam Adelson (net worth: \$35B) and **Sheldon Adelson** (deceased, net worth: \$29.8B) Miriam is an Israeli citizen who served in the IDF; husband Sheldon had said he wished he'd served in the Israeli military rather than the U.S. Army. He's buried in Israel. Sheldon was a businessman and casino magnate, He owned a number of resorts as well as the Israeli newspaper Israel Hayom, the most widely circulated paper in Israel. It is well known that the

Adelson's funded Donald Trumps political campaigns to become President of America twice.

Haim Saban (net worth: \$3B) Israeli multimedia mogul with interests in financial services, entertainment, and media; major activist donor to Democrats, gave \$1 million to a superpac; said, "I'm a one-issue guy and my issue is Israel." In 2010, he told New Yorker magazine that his greatest concern is to protect Israel by strengthening the United States-Israel relationship. Saban has bluntly outlined his formula for gaining influence in American politics: make donations to political parties, establish think tanks, and control media outlets.

Len (net worth: \$30.4B) and Emily Blavatnik Len Blavatnik is an Israeli-Russian billionaire (his wife is American) who funds scholarships for Israeli military veterans; is a member of Israeli Prime Minister Netanyahu's "billionaires club" (a list that also includes Sheldon Adelson, Charles Kushner, and Donald Trump); may be part of an alleged corruption scandal involving Netanyahu and Israeli Hollywood producer and Mossad asset Arnon Milchan.

Ronald Lauder (net worth: \$4.7B) is fervently pro-Israel. He is head of the World Jewish Congress and Chairman Emeritus of the Jewish National Fund, which advocate for Israel.

Seth Klarman (net worth: \$1.3B) is a major funder of The Israel Project (TIP), a hawkish advocacy organization [now defunct]. A member of TIP's board of directors, he gave the group nearly \$4 million between 2008 and 2011.

David Geffen (net worth: \$8B) established the David Geffen Foundation – one of its five major areas of giving is "issues of concern to the Jewish community" – such as a grant to "Friends of the Israel Defense Forces"

Pritzker Family (net worth: \$32.5B) is one of the wealthiest families in the U.S. It is known for being pro-Israel. The Chicago Tribune reported in 1985: "The Pritzker family buys \$500,000 worth of Israel bonds each year and, besides their other philanthropies, also makes donations to universities and institutions in Israel.

William Ackman (net worth: \$3.7B) and Neri Oxman founded the Pershing Square Foundation – which in 2018 gave more grants to Israel than to any other country outside the US

Leonid Radvinsky (Died of cancer in March 20, 2026) was an American Jewish billionaire businessman and the majority owner of OnlyFans. Radvinsky was worth \$4.7 billion at the time of his death.

OnlyFans is a content subscription service based in London. Content creators can earn money from users who subscribe to their content. But it's mainly for sex workers. According to a recent study, an estimated 42% of OnlyFans' content is adult-oriented. So it is mainly used by pornographic creators.

According to leaked documents the late OnlyFans owner and Leonid Radvinsky was secretly the biggest donor to the pro-Israel lobbying group the American Israel Public Affairs Committee (AIPAC). He donated more than \$11 million to the AIPAC.

So Radvinsky used the money he made (from young girls exposing themselves on his website) to give to AIPAC who used their money to give to Israel and support Israel's wars and it's genocide in Gaza.

None of these Jewish lobbies or Jewish billionaires advocate for peace in the Middle East. They all push for American wars against the perceived enemies of Israel, namely Iraq, Syria, Lebanon, Palestine and Iran. This has cost the lives and displacement of millions of civilians for the Greater Israel.

Zionists Now threatening Every U.S. Politician With Jewish Money!

How Much money does America give Israel?

Since WWII, the US has provided more foreign aid to Israel than to any other country.

The US had already given Israel over \$350 billion in aid since its founding. This includes \$260 billion in military aid and \$90 billion in economic assistance.

In 2016, President Obama signed the most significant military aid package in U.S. history to Israel: \$38 billion in military assistance over the next decade. The aid will allow Israel "to upgrade most of its fighter aircraft, improve its ground forces' mobility, and strengthen its missile defense systems.

In September 2024, the U.S. secured an \$8.7 billion aid package for Israel. In April 2024, Congress approved \$14.3 billion in emergency military assistance to help Israel carry out their genocide against the Palestinians. This amounts to \$23 billion in U.S. military aid to Israel in a single year. This is no surprise when we know Jewish lobbies and Jewish billionaires control Congress and the U.S Politicians.

This military aid enables Israel to have the largest fleet of F16 fight jets in the world outside of America and this is for a country with a population of 8 million. Yet America has 50 million of its citizens using food banks and 15 million people out of work but hey giving billions to Israel is more important so that it can use this money to slaughter the dangerous women and children of Lebanon and Palestine. Israel receives this money because it is one hand of the Rothschild Zionists (America) giving to the other hand of Rothschild Zionists (Israel). That is the same reason that the American Government does not criticise Israel about its treatment of the Palestinians. Why would Rothschild America criticise Rothschild Israel? Over the past 60 years, in fact, Israel has received close to a quarter of a trillion dollars in such aid from the U.S.A. Now here's a thought imagine if that money was spent on the

American people instead. American taxpayers spend more money on Israel's defence than Israeli taxpayers do, fact. Wake up America. You have people starving and homeless but giving billions for Israel's war machine is more important.

"I did a live interview satellite with Bryant Gumbel, and I said, "When they put this innocent man [John Demjanjuk] to death, they're going to lose \$15 billion to \$20 billion every year they get from the American taxpayers. And Bryant Gumbel says, "What are you talking about? They only get \$3 billion." And I said, "Bryant, that's only the foreign aid bill. Look at all of the other trade compacts, economic assistance, and military assistance." I am saying this to you right now — Israel gets approximately \$15 billion a year from the American taxpayers. That \$15 billion is \$30,000 for every man, woman and child. And people in my district are losing their pension benefits", the late U.S congressman James Traficant.

"The naïve politicians in Washington are gullible. Most of them are not too bright so the powerful Jewish lobbyists influenced this practice years ago and there is no one strong enough to stop it. Some of the money is even returned to the United States and spent on Zionist propaganda efforts, much of it through the B'nai B'rith and the Conference of Jewish Organizations and the World Jewish Congress. The Jewish Agency is a funding arm, a sort of body of B'nai B'rith officials. There is nothing wrong with sending American dollars to Israel tax-free so long as we are smart enough to get away with it". Harald Rosenthal, Jewish Zionist, 1976 from the 'Harald Rosenthal Interview'.

So it is quite easy to understand why America has been bombing the Arab countries since 2003 and turning a blind eye to Israel's slaughtering of the Palestinians for 70 years including the current Gaza genocide and the bombing of Lebanon by Israel. Former Malaysian Prime Minister Mahathir Mohamad once said 'the Jews rule the world by proxy'. He was not far wrong, if the Jews control the most powerful country in the world.

Benjamin Netanyahu was in a meeting at Finks bar in Jerusalem, a well-known Mossad watering-hole. Here is what he said as taken directly from the transcript of the recording:

"If we get caught, they will just replace us with persons of the same cloth. So it doesn't matter what you do. America is a "Golden Calf" and we will suck it dry, chop it up, and sell it off piece by piece until there is nothing left but the World's biggest welfare state that we will create and control. Why? Because it's God's will and America is big enough to take the hit so we can do it again, again and again. This is what we do to countries that we hate. We destroy them very slowly and make them suffer for refusing to be our slaves." — Benjamin Netanyahu

The Israelization of America Paul Craig Roberts (an American economist, author, and political commentator who served as Assistant Secretary of the Treasury for Economic Policy from 1981 to 1982):

Israel has such contempt for its American puppet doll, into which Israeli operative President Donald Trump has turned a once proud United States, that US Representative Ro Khanna and his fact-finding delegation in the West Bank were detained by criminal “Israeli settlers” armed with US Army machine guns who had no right to be in what remains of Palestine’s West Bank.

Khanna and the US delegation were at a village destroyed by the “Israeli Settlers,” an extremist apartheid group operating outside Israeli and international law, not only tolerated by Netanyahu but also encouraged by him. The Israeli illegal invaders destroyed the village and its residents and is incorporating the Palestinian land into Israel. The American media, which is solicitous of Israel, never reports these atrocities, and Rep. Khanna went to see what the truth is. After all, as the Israeli-owned US Congress is in the process of merging the US and Israeli states into one, Khanna thought he should find out more about the content of America’s new identity.

When the Israeli Defense Force appeared, it took the side of the illegal murderous settlers. Eventually Khanna got through to the US Embassy. The Israeli-worshipping US Ambassador Huckabee was able to comprehend that if a US Representative and an American delegation were machine-gunned by Israeli extremists it could become a problem for the pro-Israel Trump regime. Forces arrived to secure the release of the Americans.

This is what it means to be a lowly American today. You are a nothing to Israel and its powerful lobbies but a fool to be taken advantage of. America’s Israel-owned Congress is about to pass two laws. One merges the American state with Israel. The other criminalizes Americans who criticize or protest Israel’s criminality. The US media is afraid to report these attacks on American sovereignty.

The Republican Party and President Trump are 100% behind the subordination of America to Israel. Deceived Americans have been fighting in behalf of Israel’s domination of the Middle East for the entirety of the 21st century. American money and lives were used by Israel to destroy three countries that stood in the way of Greater Israel—from the Nile to Pakistan as Israeli government ministers recently expressed it—Iraq, Libya, and Syria. The Israeli-dominated US governments disguised their subservience to Israel as a “war on terror.” In fact it was a war of terror in which Washington adopted the Israeli practice of focusing on the murder of women and children.

New U.S. Bill Will Fuse Israel and U.S. Militaries Into One

Amid widespread and growing public opposition to the Israeli genocide of Gaza and South Lebanon, a controversial new bill seeks to formally integrate the U.S. and Israeli militaries like never before, making it difficult to tell where one ends and the other begins. Section 224 of the 2027 National Defense Authorization Act (NDAA) proposes to join the two forces together at the hip, laying the groundwork for extensive cooperation into “seemingly every manner of U.S.-Israeli military-industrial complex cooperation,” It would compel the United States to integrate Israeli arms and technologies into its defense supply chain, and fuse the countries’ data capturing and storage facilities together, meaning that Israel could have access to essentially all the U.S. military’s data.

Jewish Control of British Politicians

It is a very similar theme in the U.K with Jewish lobby groups funding the political parties. It is still estimated that over 75% of Conservative MPs, including those in government, are registered members of the Conservative Friends of Israel lobby group that supports Israel. The Conservative Friends of Israel (CFI) is a British parliamentary lobby affiliated to the Conservative Party, which is dedicated to strengthening military and political ties between the British Conservative Party and the extremist Right-wing Israeli Likud party.

In 1995 Conservative politician Robert Rhodes James called it “the largest organisation in Western Europe dedicated to the cause of the people of Israel”.

The website Declassified has revealed that Pro-Israel lobbyists have donated to 13 out of Labour’s 25 cabinet members since they were first elected to parliament. The list of recipients includes prime minister Keir Starmer, his deputy Angela Rayner, chancellor Rachel Reeves, foreign secretary David Lammy and home secretary Yvette Cooper.

Pro-Israel lobbyist Trevor Chinn donated \$62,000 to help Keir Starmer win the UK Labour Party's leadership election.

Sir Trevor Chinn CVO is a Vice President of the Jewish Leadership Council. Chinn also sits on the executive committee of the Britain Israel Communications and Research Centre (BICOM). In 2016, he became President of the Movement for Reform Judaism.

Chinn donated to the Labour Party during the Tony Blair years, but mostly ended that relationship after Corbyn, a lifelong Palestinian rights supporter, won the leadership in 2015.

The exception to this was Chinn's funding of anti-Corbyn Labour members of Parliament, including deputy leader Tom Watson, former BICOM staffer Ruth Smeeth and Labour Friends of Israel's then chair Joan Ryan.

All three played key roles in promoting the smear campaign that Corbyn's Labour Party was a hotbed of anti-Semitism.

In 2016 Labour lawmakers staged a coup against Corbyn, hoping to remove him as leader. Chinn funded Corbyn's rival in the resultant leadership election, Owen Smith.

Jeremy Corbyn, a politician was not allowed to become Prime Minister of the U.K because he was pro-Palestinian and he isn't interested in Jewish money and has never followed Jewish orders. Again evidence of the Jews using the word anti-Semitism as a weapon of fear.

"When he became Labour leader, Corbyn didn't end the party's tradition of working tirelessly against the interests of Whites. But he did end the party's tradition of working tirelessly for the interests of Jews. And that's why he was demonized as an "anti-Semite" and finally driven from office. Starmer isn't going to make Corbyn's mistakes. Not only is he married to a Jew, he has happily accepted money from at least one very rich Jewish businessman. In April 2020, the Jewish Chronicle reported that Starmer "had been targeted

by hard-left activists after it emerged that Sir Trevor Chinn, a Jewish philanthropist, had donated £50,000 to his leadership campaign.” The activists were making the horrific allegation that Starmer would somehow be influenced by the Zionist Chinn simply because Chinn had given him large sums of money and helped him become Labour leader. During the previous Labour government, Tony Blair and Gordon Brown were ardent Zionists because they accepted the justice of Israel’s cause, not because Labour’s chief fund-raisers were first the Jew Michael Levy and then the Jew Jonathan Mendelsohn (both are now members of the House of Lords). And during the current Conservative government, David Cameron, Theresa May and Boris Johnson have been ardent Zionists because they too accept the justice of Israel’s cause, not because the Conservatives’ chief fund-raisers have been first the Jew Sir Mick Davis and then the Jew Sir Ehud Sheleg” – from the article:

How Israel and its agents hijacked British democracy

In the book *‘Killing Corbynism: Zionism’s War on Socialism’* by Rebecca Gordon-Nesbitt, she sets out Israel’s final capture of Britain’s political class and commentariat during the past decade and the smearing of all Israel’s opponents or critics as bigots, anti-Semites, racists and terrorists. Israel and its British propagandists and character assassins helped deliver the party leadership to his deputy, Starmer, now prime minister, an active Zionist and supporter of Israel before and since the start of its genocide against Gaza’s Palestinians.

The book lists 60 of these Israeli front organizations, many of them posing as charities. Gordon-Nesbitt focuses on nine charities from the Zionist alliance, the best known being the Board of Deputies of British Jews, the Campaign Against Antisemitism and UK Lawyers for Israel. In 2015, these and other groups, including Israel’s hard-working teams of propagandists and supporters at Labour Party HQ, in the Labour parliamentary party and at local council level, were deployed to abuse Corbyn, lie about his past, create false “anti-Semitic” incidents and tropes for him, and, using disinformation combined with hysterical and often foul-mouthed imprecations, to paint him as a racist and Jew-hater.

One example was the “Wreathgate.” affair. Just before the general election of June 2017, the London Sunday Times (owned by Rupert Murdoch) and The Jewish Chronicle, London’s Zionist weekly, published stories saying that in 2014 Corbyn had attended a wreath-laying event in Tunis, former HQ of the Palestine Liberation Organization, for Palestinian terrorists involved in the 1972 Munich Olympic killings of Israeli athletes.

The story was a lie.

The ceremony was a memorial event for an Israeli air strike on the PLO’s area, in October 1985, which killed as many as 70 Palestinians and 25 Tunisians. This was where and why Corbyn laid his wreath. Such facts never hindered this much-repeated story; and it took its place among the stores of ammunition plundered to assassinate Corbyn during the coming five years.

In short the Jewish organisation used lies and propaganda to paint Jeremy Corby as a Anti-semitic Jew hater and all because he supported the Palestinians. The Jews will never allow a Palestinian supporter to become President of America or Prime Minister of Great Britain. Jews are 0.3% of the British Population.

It does not matter who is Prime Minister now that Keir Starmer has stepped down as Prime Minister of the U.K. The new Prime Minister (possibly Andy Burnham) will still support Israel and be a member of the Jewish Lobby groups.

In the Video below: “Israel is not an ally” of Britain, former UK ambassador Sir Richard Dalton has told Declassified in a wide-ranging interview. He also warns that Britain’s Israel lobby is getting “stronger” and exerts “a very powerful force in our society” including over politicians and political parties.

https://www.youtube.com/watch?v=K1pq2co_Bhw

In a discussion on the current conflicts in the Middle East, Dalton, who served as Britain’s top official in Tehran from 2003-06, said that the United States and Israel together constituted “a greater threat to the stability of the region than Iran”.

He added that prime minister Keir Starmer's backing of Israeli and American air strikes on Iran this month does "a disservice to Britain, and a disservice to the cause of preserving international law as guidance for nations in their interactions with each other".

Dalton told Declassified that the contention that Iran was on the verge of developing nuclear arms is "false" and that "no such threat existed".

In what way did Israel prosper by buying the British politicians?

Zionism Has Poisoned the UK's Central Nervous System by Craig Murray (*Craig Murray is an author, broadcaster and human rights activist. He was British Ambassador to Uzbekistan from August 2002 to October 2004*)

Unquestioning Zionism has for decades been the entry ticket to the British political and media Establishment. Anybody who was not a fully certified and compliant Zionist would find their career limited – as Jeremy Corbyn, Alan Duncan, Robin Cook and David Mellor all found. Most others, of course, were never allowed to progress that far.

In the media there are any number of examples – Antoinette Lattouf, Emily Wilder, Katie Halper, Gabriele Nunziante and Sangita Myska just from the top of my head. Lack of enthusiasm for Israel is career-destroying.

One consequence is that now, as the UK political system retches to try and vomit up a new Prime Minister, every single one of the contenders – Andy Burnham, Angela Rayner, Ed Miliband and Wes Streeting – has a long history of nailed-on, certified Zionism and relationship with both Israel and Labour Friends of Israel, and is a long-term recipient of Zionist lobby cash.

The media have spent the last several days since the local elections studiously ignoring the fact that support for Genocide is a key factor in alienating the Labour Party's traditional voting base – or when they do mention it, relating it only to Muslim voters. One thing we know for certain is that any probable new Prime Minister is not going to change Britain's support for the genocidal Zionist entity.

Zionism has long poisoned the central nervous system of the UK body politic. For many years, due to their media control, this system worked seamlessly. The media portrayed a benign image of Israel as a bastion of liberal democratic values under siege from corrupt and barbaric Arab peoples. The Genocide of Palestinians, which has been in progress almost 80 years, proceeded at a pace and by methods which rigorous media control made it possible to convince Western audiences was not really happening at all.

When a kickback against Genocide came on October 7th 2023, media gatekeeping made the declaration of condemnation of Hamas a ritual which had to be observed to ensure purity before you were permitted to express anything else at all. The media united around false atrocity stories of the events of October 7th. Then they united around false Israeli narratives in which every Gazan hospital, clinic, school, public utility and eventually home was a secret Hamas missile base.

At this point, something broke. There was a spectacular burst in public opinion. From being a lulling, soothing narrative of European civilisational superiority, the Zionist propaganda was revealed as obvious lies in the service of the very worst atrocities man could do to man (and child).

The media covered up the horrors and the Israeli government raced to stem the flow of images out of Gaza by murdering every journalist there, but public belief in the Zionist narrative was fatally damaged.

The result of that was western Zionist governments became scared of their own populations. In virtually every western state, extreme authoritarian measures were adopted to limit free speech and punish pro-Palestinian protest. This was followed by attempts to reinforce the exclusion from public life of non-zionists by a new wave of accusations of anti-semitism, reinforced by waves of false flag or agent provocateur organised “anti-semitic incidents”.

Israel spent £50,000 lobbying Reform

Before deputy leader Richard Tice told MPs not to talk about Israeli influence

Reform UK's deputy leader said last week that a parliamentary debate into Israeli influence on British politics was “antisemitic in its very motivation and at its core”.

“As such, we should utterly reject it,” argued Richard Tice to a room full of MPs.

What he did not tell them, however, was that he had been on a trip to “the Gaza front line” last September funded by the newly-created Reform Friends of Israel, where he concluded that the Gaza famine was a “blatant lie”.

And that trip is not the only example of pro-Israel pressure groups working with Reform. Just a few short weeks after Tice’s visit, his chief of staff and a motley crew of Reform figures visited Israel in a trip which has received scant media attention.

Their six-day jaunt in November 2025 included a visit to the illegally occupied Golan Heights, which the UK recognises as part of Syria.

They also visited Israel’s police headquarters, which is overseen by far-right national security minister Itamar Ben-Gvir, who is sanctioned by the UK for “repeated incitement of violence against Palestinian civilians”.

This trip was funded by the Israeli Ministry of Foreign Affairs, according to newly released Israeli government data seen by Declassified and found by Berlin-based journalist Yossi Bartel.

The records show that the ministry paid Conexión Israel – a company based in Jerusalem that organises high-level country visits – more than £50,000 to facilitate the delegation.

Does Israel control the British Justice System? It looks that way after the protest group Palestine Action were named as a terrorist group by the UK Politicians, no doubt under pressure from Jewish money. Now everyone knows that a terrorist groups is really a group that plants bombs and kills civilians. Palestine Action are protesting an end to Israel’s genocide in Gaza. Four Palestine Action members broke into the Israeli owned Elbit Systems factory near Bristol in August 2024. Elbit Systems makes weapons and parts for the drones and Quadcopters killing Palestinian children and civilians for Israel’s military. Imagine if there was an Iranian company in Britain making weapons to kill innocent civilians. I am pretty sure it would be closed down by the British government. The Palestinian Activists used crowbars and hammers to damage computers, equipment, drones and other products Elbit had manufactured. The group said they aimed to destroy what they believed were combat drones and other military equipment that would be used by the Israeli Defence Forces in Gaza. The Palestinian activists were sentenced to prison for a combined total of 26 years. That Israel’s largest weapons manufacturer is allowed to trade and manufacture weapons in Britain which are then used to kill thousands of civilians in Gaza and the four people who were trying to at least slow down that process have ended up in prison is a national disgrace and shows how Israel controls the UK Justice system. To learn more about this listen to Richard Sanders at Double Down News.

Exposed: How Israel Occupies British Justice

Israel used the technology from Elbit Systems to identify 1,000 'real-time targets' per day over two years. This must have led to the deaths of thousands of civilians. So Elbit Systems was providing technology to Israel that was killing civilians but those protesting against this go to prison for a combined 26 years.

Israel identified 1,000 'real-time targets' per day over two years in Gaza, Lebanon using Elbit Systems AI

An Israeli command and intelligence system equipped with AI identified over 800,000 "targets" in the first two years of the wars on Gaza and Lebanon – and was used to target "up to or over half" of the besieged strip's population and infrastructure, according to Elbit Systems. Wes Bryant, a former senior targeting advisor and policy analyst at the Pentagon, told The Guardian that the number of real-time intel targets (850,000) shared by Edelstein at the military conference was "highly concerning." "There were 2.2 million people and 300,000 buildings in Gaza before October 2023 ... the [Israeli army] had at one point or another targeted up to or over half the entire population and infrastructure of the territory," he was quoted as saying.

Women tells Old Bailey jury why they helped raid Israeli-owned Elbit arms factory near Bristol.

Two women have told a court how they felt compelled to join the Palestine Action protest group after watching "a live-streamed genocide" of Israeli attacks in Gaza.

"I would see mothers scrape up tiny pieces of their children," 53-year-old Hannah Davidson told jurors at the Old Bailey this week. "I saw a stray dog with a toddler's arm in its mouth."

Co-defendant Teuta 'T' Hoxha, a 30-year-old care worker, said she watched a video of a Palestinian father carrying two bags. "He was wailing. It was the type of wail that comes from the soul.

"What he was saying was, 'I have my son in these plastic bags', and that devastated me."

It is the same story in Australia where Jewish lobbies control the Politicians

The following are excerpts from an interview with Bob Carr, former Australian premier for New South Wales—the largest state in Australia and home of that nation’s largest city, Sydney. Carr, 77, served as premier from 1995 to 2005, and then later as Foreign Minister (2012–2013)

“I think Australians should be concerned. I have said, and I am recorded as having said, that the Israeli lobby—I believe the [term] ‘Jewish-Israeli Lobby’ is more accurate, because that is the term used by AIJAC [Australia Israel and Jewish Affairs Council]—the Jewish-Israeli Lobby in Australia is a foreign influence operation. It is designed to place Israel’s interests above Australia’s in its foreign policy. No one else has such a well-funded operation. No one else, no other country, has an operation with offices in every Australian capital city. No one else organizes donations to try to raise their influence, like the Jewish Lobby in Australia does. I mean, I used to get this response all the time as Foreign Minister. For example, and I like to be specific, here is a concrete example. As the Foreign Minister in New York for a meeting with the General Assembly, I issued a statement expressing opposition to the latest surge in Israeli settlements. And I got a request relayed thru Bruce Wolpe, advisor to Julia Gillard, to meet “the community,” to discuss this, referring to the leadership of the Jewish community. And I told him, “No.” The opposition to the expansion of settlements is based on the fact that they are plainly illegal under international law. We oppose them in line with the policy of our like-minded allies, our partners—except for the United States, which does not use the word ‘illegal’, but at that time, used the word ‘illegitimate.’ So, I thought it was simply impertinent of the Jewish community to say, “Oh my goodness, the Australian Foreign Minister has expressed opposition to the expansion of settlements. We need to get him on line.”

Bob Carr on the Australian Jewish Lobby

<https://www.theoccidentalobserver.net/2025/08/25/bob-carr-on-the-australian-jewish-lobby/>

The power of the Jews in Australia has been shown with Australia’s attack on free speech with the Combatting Antisemitism, Hate and Extremism Bill 2026. You can be investigated, charged, and potentially imprisoned for speech that harms no one, threatens no one, and is lawful today. If you say Jews control the media in Australia or Israel did 9/11 in Australia and if a Jewish person takes offence and calls it hate speech you could end up in prison. Not for any violence or incitement and not even for intimidation that anyone actually experienced. For speech that a court later decides might have caused fear to a hypothetical person. The mandatory minimum sentences range from 12 months for giving a Nazi salute in public. Absolutely crazy. The Western nations have been built on free speech but the Jews are taking that away from us. The population of Australia is 28 million of which there is about 120,000 Jews living in Australia which is about 0.5% of the population, a tiny minority and yet they have so much power over the rest of the population.

The Untold Jewish Role in Venezuela's Crisis

Venezuela has emerged as the most consistently anti-Zionist country in South America, Jewish factions within the U.S. foreign policy establishment have increasingly viewed Caracas as a threat.

Venezuela broke away from Israel on January 14, 2009, during Operation Cast Lead in Gaza. Chávez described Israel's military offensive as a "cruel persecution of the Palestinian people, directed by Israeli authorities." The Venezuelan Foreign Ministry announced the severance of diplomatic ties, stating the move was made "given the inhumane persecution of the Palestinian people carried out by the authorities of Israel."

Following this diplomatic break, Venezuela officially recognized Palestine on April 27, 2009, becoming the first country in the Americas to establish formal diplomatic relations with the Palestinian Authority.

Following Venezuela's disputed 2024 election, Maduro repeatedly blamed "international Zionism" for Venezuela's internal problems. In August 2024, after widespread protests over alleged electoral fraud, Maduro claimed that his opposition was supported and bankrolled by international Zionist networks.

"All the communication power of Zionism, who controls all social networks, the satellites, and all the power behind this coup d'état," Maduro declared in a televised speech. He also

described Argentina's president Javier Milei, who currently leads Latin America's most philosemitic government, as a "Zionist" and "social sadist."

Maduro's remarks drew sharp criticism from Deborah Lipstadt, then U.S. Special Envoy to Monitor and Combat Antisemitism, who accused him of reviving classic antisemitic tropes about Jews controlling global affairs.

Of course we now know that the Zionist controlled Trump government kidnapped Venezuelan President Maduro because he was a thorn in the side of Israel. Guess who got the first shipment of free oil from Venezuela when they removed Maduro?

The Right-Wing Zionist Wave Sweeping Latin America

A decade of left-wing governance has collapsed as right-wing leaders pledge allegiance to Washington and Tel Aviv through the Isaac Accords framework.

No figure looms larger in this transformation of Latin American politics than Argentine President Javier Milei. The libertarian economist who took office in December 2023 has positioned himself as Israel’s most devoted ally anywhere on earth.

“I am sincerely proud to be the most Zionist president in the world,” Milei declared at Yeshiva University in March 2026. At the Western Wall in June 2025, he proclaimed that “My support for Israel comes from the heart, because I believe this is a just cause—the cause of the West. I will always stand by your side.”

Milei personally studies Torah with Rabbi Shimon Axel Wahnish from the Moroccan Jewish community in Argentina and has said he intends to convert to Judaism after leaving office. In June 2025, he became the first non-Jewish head of state to receive Israel’s Genesis Prize, known as the “Jewish Nobel,” awarded for his “unequivocal support” of Israel.

Germany advances bill to jail, fine people who deny Israel's 'right to exist'

Is this Jewish interference or control in other governments political system a new phenomenon? Actually it is not and it has been going on for at least 100 years. If you look at Germany after World War 1 and take a look at the sexual decadent era called the 'Weimar Republic' it was totally ran by Jews. You can see all the evidence that you want here:

How The Jews of Weimar Germany Ensured the Rise of National Socialism?

<https://www.thehardtruth.info/jews-in-weimar>

"It can be asserted with almost mathematical certainty that, wherever Communist experiments were tried and armed risings organized at the time of the Revolution, Jews took the lead or added fuel to the flames. If these Jewish elements had had their way, Germany would have followed the example of Russia at that time, and Europe would have been delivered into the hands of Bolshevism. It can also be said with almost mathematical certainty that, wherever the interests of the German people were betrayed in this fight for existence, Jews had a hand in the game. The Jew Kurt Eisner, the Bavarian Minister President in Munich', conducted his own foreign policy — against the Foreign Office in Berlin!" - From the book 'The Jewish Domination of Weimar Germany' by Eckhart Verlag.

The book 'The Jewish Domination of Weimar Germany' was the National Socialist government's first English-language attempt to explain the rationale behind their legislative moves to restrict Jewish influence in Germany after 1933. This work showed that Jews were massively over-represented in all fields of German social and economic life—except that of farming and creative work. It lists the ownership of mass media in Weimar Germany, the astonishing financial scandals, Communism and political subversion, degenerate theater, sexual psychology, Communist indoctrination in educational institutions and the media—all of which was predominantly Jewish in origin.

Before Hitler came to power in 1933, banks, theatres, newspapers were mostly controlled by Jews. Which is quite remarkable when they are a small minority of the population

According to Sir Arthur Bryant (1940, Unfinished Victory) the British historian states:

"The banks, including the Reichsbank and the big private banks, were practically controlled by the Jews. So were the publishing trade, the cinema, the theatres and a large part of the press all the normal means, in fact, by which public opinion in a civilized country is formed. The largest newspaper combine in the country with a daily circulation of four millions was a Jewish monopoly. Every year it became harder and harder for a gentile to gain or keep a foothold in any privileged occupation. At this time it was not the 'Aryans' who exercised racial discrimination. It was a discrimination that operated without violence. It was exercised by a minority against a majority. It was the Jews with their international affiliations and their hereditary flair for finance who were best able to seize such opportunities. They did so with such effect that, even in November 1938, after five years of anti-Semitic legislation and persecution, they still owned, according to the Times correspondent in Berlin, something like a third of the real property in the Reich. Most of it came into their hands during the inflation. But to those who had lost their all this bewildering transfer seemed a monstrous injustice. After prolonged sufferings they had now been deprived of their last possessions. They saw them pass into the hands of strangers (Jews), many of whom had not shared their sacrifices and who cared little or nothing for their national standards and traditions".

Sarah Gordon, in her book (Hitler, Germans and the "Jewish Question") essentially confirms what Bryant says. She states:

'Jews were never a large percentage of the total German population; at no time did they exceed 1% of the population during the years 1871-1933.' But she adds 'Jews were over-represented in business, commerce, and public and private service. They were especially visible in private banking in Berlin, which in 1923 had 150 private Jewish banks, as opposed to only 11 private non-Jewish banks. They owned 41% of iron and scrap iron firms and 57% of other metal businesses. Jews were very active in the stock market, particularly in Berlin, where in 1928 they comprised 80% of the leading members of the stock exchange. By 1933, when the Germans began eliminating Jews from prominent positions, 85% of the brokers on the Berlin Stock exchange were dismissed because of their "race". At least a quarter of full professors and instructors (at German universities) had Jewish origins. In 1905-6 Jewish students comprised 25% of the law and medical students. In 1931, 50% of the 234 theatre directors in Germany were Jewish, and in Berlin the number was 80%. In 1929 it was estimated that the per capita income of Jews in Berlin was twice that of other Berlin residents".

We have never been told the real truth about World War 2.

"International Jewry under the banner of Communism — had emerged from the wreckage of the First World War to threaten a now prostrate and defenceless Europe. The Jews had always been there as a rival force to Western, Christian Civilization, but they had always been kept in check. Now, they were spreading over Corpus Europa like surging bacilli in an ailing body with a weakened immune system. All of Europe, including Russia, was bankrupt

and disorganized as a result of the First World War, and therefore extremely vulnerable to the predations of this new aggressor. Russia was the first to fall into its grip, the result of the 1917 Revolution, which then became its base of operations. Using the economic and military power of Russia which it now controlled, International Jewry, under the banner of Communism, set about to seize control of all of Europe. Their modus operandi was to foment revolution amongst the disgruntled masses through a network of Jewish dominated Communist parties (which were organized under the Moscow based "Communist International", or Comintern), and then to coordinate with the Jewish populations in each European country who functioned as "fifth columns." (A "fifth column" is a group who clandestinely undermines the nation from within.) Germany alone seems to have recognized this new threat to Europe for what it was, and organized itself to oppose it. Germany's old antagonists, Britain and France, eventually initiated a war against Germany (WWII) in pursuit of their same old agenda of holding Germany down, though this aspect of the war became subsidiary to the main struggle. The main struggle was between Germany, as the self-designated defender of Western Christian Civilization, on the one hand, and International Jewry masquerading as Communism, intent upon the conquest of all of Europe, on the other". - From the book 'The Myth of German Villainy' by Benton L. Bradberry

As the title *The Myth of German Villainy* indicates, this book is about the mischaracterization of Germany as history's ultimate "villain." The "official" story of Western Civilization in the twentieth century casts Germany as the disturber of the peace in Europe, and the cause of both World War I and World War II, though the facts don't bear that out.

During both wars, fantastic atrocity stories were invented by Allied propaganda to create hatred of the German people for the purpose of bringing public opinion around to support the wars. The "Holocaust" propaganda which emerged after World War II further solidified this image of Germany as history's ultimate villain. But how true is this "official" story? Was Germany really history's ultimate villain?

Below is part of an article titled 'Democracy Is an Ideal Government for Jewish Influence' by Thomas Dalton PhD:

Thus we can see that modern democracy perfectly serves Jewish interests. The "freedom" and rights granted to Jews allow them to accrue vast wealth. With this wealth in hand, they can then (a) buy controlling interests in mass media, and (b) buy politicians, who in turn do their bidding. Via the mass media, they then hide their own roles and hide their effect on politicians, keeping the public confused and in the dark about the manipulations of their political system. Pro-Jewish candidates are the only ones taken seriously (by the Jewish media and pro-Jewish politicians) and thus are the only ones in a position to win elections. The masses then vote under conditions of either ignorance, fear, resignation, or despair. The system of Jewish democracy, or Judeocracy, thus reinforces and solidifies itself, locking in its gains and blocking any individuals or groups who might pose a threat to this system. This

was certainly the case in Europe by the start of World War II. The major “democratic” nations of England and France (pre-1940) were largely under Jewish control. By contrast, there were several non-democratic and quasi-fascist European leaders that managed to keep their Jewish populations in check; these included Dollfuss in Austria, Pétain in France (post-1940), Metaxas in Greece, Quisling in Norway, Salazar in Portugal, Antonescu in Romania, Tiso in Slovakia, and Franco in Spain. So there was in fact a close correlation between a nation being “democratic” and its being under Jewish control. American poet Ezra Pound was not far from the mark when he wrote “Democracy is now currently defined in Europe as ‘a country run by Jews.’ After their victory in World War II, democratic Jews rode the wave of success, consolidating their control and accruing even more wealth. Via the economic structures established in 1944 at Bretton Woods, American Jews like Harry Dexter White, Jacob Viner, and Henry Morgenthau, Jr. managed to push through a system of global economic control based on the U.S. dollar and supported by such novel institutions as the International Monetary Fund and the World Bank. And later Jewish innovations—such as “quantitative easing” that allows virtually unlimited printing of money—would bring essentially limitless cash into Jewish hands. “Democratic America” would now be the means to exercise Jewish control over vast regions of the world.

Israel did 9/11

The 9/11 attacks occurred on September 11, 2001, when alleged Arab terrorists hijacked four airplanes and crashed them into the World Trade Center towers in New York City, the Pentagon in Washington, D.C., and a field in Shanksville, Pennsylvania killing 2997 people.

It is quite obvious to anyone with a critical thinking brain that it was Israel and the American Jews with the help of paid of or bribed US Politicians who were the real culprits of the 9/11 events in order to kickstart the War of Terror against the Arab countries, namely Iraq, Syria, Libya, Lebanon and Iran.

I won’t go into great detail on this as I covered this in my 2016 book ‘The 9/11 Deception and False Flag Terror’ which can be found on Amazon. But I will cover some of the main evidence.

The media has never examined the evidence or explained the analysis provided by scientists, architects, engineers, pilots, and the first responders who experienced the explosions of the World Trade Center twin towers. The media has never asked for the release of the multiple videos that recorded whatever struck the Pentagon. The media has never investigated whether cell phones worked in 2001 from the altitudes at which the official story claims calls were made.

You only have to look at the testimony of thousands of architects and engineers who say that it was impossible for the Twin Towers to collapse like they did when struck by planes. They say only explosives can bring the towers down like that at free fall speed. Not to mention that Building 7 collapsed at free fall speed exactly like a controlled demolition on the afternoon of 9/11. Building 7 was not hit by a Plane and the BBC reported that Building 7 collapsed 20 minutes before it actually collapsed as if they were reporting from a pre-planned script. You can hear and listen to this evidence from the experts at their website.

<https://www.ae911truth.org/>

There is also many pilots who state that the alleged Arab terrorists did not have the skills needed to fly passenger airliners into their targets and the pilots manoeuvre that they supposedly pulled off to strike the Pentagon was impossible. All this evidence can be found here.

<https://911pilots.org/>

Here I will list the main evidence linking Israel to the terror attacks in New York on the 11th of September 2001. You will not ever here any of this evidence in the mainstream media as most of the Media is owned or influenced by Jewish Zionists. Don't forget at this point in time Israel or Jewish Zionists have carried out 3 terrorist atrocities that we know off and tried to lay the blame on Arabs.

"The Israeli Mossad is ruthless and cunning, with the capability to target U.S. forces and make it look like a Palestinian-Arab act." - **Report issued by the U.S. Army School of Advanced Military Studies (SAMS); September 2001**

1. PNAC

The Project for the New American Century (PNAC) was a neo-conservative (Jewish) think tank (1997 to 2006). PNAC's web site said it was "established in the spring of 1997" as "a non-profit, educational organization whose goal is to promote American global leadership or is that Zionist Jewish global leadership because the two men who founded PNAC were Zionist Jews William Kristol and Robert Kagan.

The PNAC group's stated objectives included the desire to "shape a new century favourable to American principles (Israeli principles really) and interests" along with challenging "regimes hostile to U.S. interest and values". Basically they want to start wars and kill millions of people specifically in the Middle East and one of the main aims of PNAC was regime change in Iraq, Libya, Iran and Syria. Several PNAC neo-cons subsequently found positions in the presidential administration of George Bush. Other members of PNAC included Zionist Jews Paul Wolfowitz and Richard Perle both two of the main campaigners

for the invasion of Iraq and the War on Terror. The plans contained in their documents [which were published only 8 months before 9/11] are being carried out word for word, and have been for the past 25 years.

In PNAC's defining document titled, *"Rebuilding America's Defence's,"* written in September of 2000, a full year before the 9/11 attacks, they acknowledged that these regime changes would not happen unless there was a 'new Pearl Harbour event'

"Further, the process of transformation, even if it brings revolutionary change, is likely to be a long one, absent some catastrophic and catalysing event - like a new Pearl Harbor...."

The Pearl Harbor attack by the Japanese was used to get America into WW2. The PNACERs hoped that their Pearl harbour type even would enable them to get America to attack the Arab countries. It certainly worked.

One year later, that Pearl Harbor type event would arrive..

2. Larry Silverstein

The first step in this Jewish Zionist plan was to take control the WTC buildings which would be needed to bring them down at free fall speed. Who leased the World Trade Center (WTC) only seven weeks before the 9/11 attacks?

Step forward Jewish billionaire Larry Silverstein.

The Jewish supremacist Larry Silverstein is a dedicated Zionist whose rabid support for Israel is not a secret. In his life, he has been involved with numerous Jewish supremacist organizations. He was chairman of the United Jewish Appeal a Zionist organisation which raised money for the state of Israel.

Silverstein has close ties with many of Israel's bloodthirsty leaders who sit at the head of the ruling Likud Party. He is personal friends with no less than three former Israeli Prime Ministers: Benjamin Netanyahu, Ehud Barak and Ariel Sharon as well as a key player in the Zionist controlled media, Rupert Murdoch. According to Israeli daily Haaretz, Silverstein was such good friends with Netanyahu that he would receive a telephone call from him every single Sunday.

Silverstein bought the \$3.5 billion lease with only a \$15 million down payment. He then took out maximum terrorist insurance coverage only 6 weeks before the 9/11 attacks. Now that is not a coincidence he knew there was going to be a terrorist incidence on the Twin Towers. After 9/11 he then collected 4.5 billion dollars in insurance pay-outs. 99 times out of 100 Silverstein would have breakfast at Windows on the World, the restaurant on the 107th floor of the North Tower every morning but we are supposed to believe that Larry Silverstein was at a doctor's appointment when the planes hit the towers on the morning of September 11th? This guy has great timing. His son and daughter also worked at the Twin

Towers but they were suspiciously absent from the twin towers on this morning as well. This is just stretching credulity a little bit too much if you ask me.

The other owner of the Twin Towers was Frank Lowy, a Hungarian Jew born in Czechoslovakia. He was part of the Jewish terrorist group known as Haganah which slaughtered Palestinians and stole their land in the late 1940's and early 50's. After his time as a terrorist killing innocent Palestinians he moved to Australia and started up his retail company Westfield Group.

3. Who authorized the lease of the WTC complex to Silverstein?

It was Lewis Eisenberg, Chairman of the New York Port Authority. Not only are all three men Jewish, but they are all also prominent members of the Jewish Anti Defamation League (ADL) and the United Jewish Appeal. The 30 year old World Trade Center had always been publicly owned, and managed by the New York/New Jersey Port Authority but that is until a Jewish business financier and investor named Louis Eisenberg became chairman of the Port Authority in 1995. Who pushed for the privatisation of the Twin Towers? It was another Jewish billionaire, Ron Lauder.

Jew Ron Lauder was a member of the board of directors of New York's privatization committee. Not only was Lauder the principle force behind the privatization of the Twin Towers, but he was also responsible for the privatization of Stewart Airport, formerly Stewart AFB, in Windsor, New York. Notably, the flight-paths of flight 175 and flight 11 converged directly over this airport on the morning of 9/11.

Lauder has even funded a school for training Mossad officers in Herzliya, Israel. The Mossad is Israel's top spy agency.

Lauder was active in the following organisations:

- Conference of Presidents of Major American Jewish Organisations
- Jewish National Fund
- World Jewish Congress
- American Jewish Joint Distribution Committee
- Anti-Defamation League
- Jewish Theological Seminary

Below a picture of Jacob Rothschild (2nd from left, bankrolled Israel) and Ron Lauder (3rd from left)

4. Who had the contract to run the security at the Twin Towers before the events of 9/11?

It was Kroll Associates, which is owned by Jules Kroll and managed by Jerome Hauer both of whom are Jewish. Hauer was also appointed to run Mayor Rudy Giuliani's office of emergency management from 1996 to 2000. Jerome Hauer is also Jewish. Hauer's mother, Rose Muscatine Hauer, was the honorary president of the New York Chapter of Hadassah, a major Zionist organization devoted to maintaining the Israeli state.

The former special agent FBI, John O'Neill, who was given the job of investigating Bin Laden and the U.S.S Cole bombing in 2000 coincidentally enough, was hired as head of security at the WTC by Jerome Hauer. Amazingly, O'Neill was killed on his FIRST day of work - 9/11. Killed or silenced?

It is important to note that O'Neill had quit his job at the FBI after his investigation into the U.S.S. Cole attack in Yemen was obstructed & sabotaged by U.S ambassador to Yemen, Zionist Jew Barbara Bodine. This is because the U.S.S. Cole was NOT done by Al Qaeda. The USS Cole was hit by an Israeli cruise missile to sway public opinion against Arabs (Al Qaeda). Here again we have Israel attacking an American warship (just like the U.S.S Liberty) and blaming it on Arabs.

5. Zim Israel American Shipping Company

Zim is a company owned by the state of Israel and they were absent on the morning of 9/11 as well. The Zim shipping company moved out of the WTC around Sept. 4, 2001 even though they had a significant remaining lease obligation at the WTC but had to pay a \$50,000 dollar fine. It is possible that the explosives used to take down the three WTC towers were manufactured in Israel and imported to the US on the Israeli Zim company's ships and then drove to the Twin Towers in the Urban Moving System van's (more on them later). Coincidentally, Zim's main shipping port on 9/11 was Red Hook Port in Brooklyn, New York which is a mere 3-mile drive to the WTC.

Later, FBI agent Michael Dick, who was investigating Israeli spying before and after 9/11 and looking into the suspicious ZIM shipping company move, was removed from his duties by

the then head of the Justice Department's criminal division, Michael Chertoff, another Jew and staunch supporter of Zionism.

6. Who ran security at all three airports involved in the alleged 9/11 hijackings?

It was ICTS International Huntleigh USA, which was owned by Ezra Harel and Menachem Atzmon. Both men are Israeli Jews.

The fact is that an Israeli company International Consultants on Targeted Security (ICTS) was in charge of security and CCTV at the three airports used in 9/11, Boston, Newark and Washington. ICTS was owned by Ezra Harel and Menachem Atzmon - both Israeli Jews. ICTS also had control of the security and CCTV at the three Train stations where the alleged bombers were on the London 7/7 explosions and they were also in charge of the CCTV on the London bus that blew up. According to ICTS the CCTV was not working at the three 9/11 airports, the three London train stations and the Bus because they are unable to provide any video showing us these alleged Muslim bombers. The real reason they cannot show us the videos is because the videos would show no Islamic hijackers boarding the planes and it would show no Islamic bombers getting onto the trains in London or the bus. If a German, English, American etc. company was in charge of security (CCTV) at these locations then maybe they could have shown the world the truth but that is the reason Israel had to take control of security at these location so the truth can be covered up.

Menachem Atzmon was criminally convicted of fraud, falsifying documents, as well as breaching Party Funding Law in the 1980's.

The company was run by "experts" in the security and intelligence field - Israeli intelligence that is. Most employees were ex- Shin Bet agents. Shin Bet is the equivalent in Israel of the FBI in America. It is not credible that this company, which ran security at both Boston Logan and Newark airports, was so clumsy as to allow 19 Arabs to board 4 different planes with box-cutters, mace, and even a gun. Sorry can't buy that.

Another point indicating ICTS's complicity is that the Patriot Act was edited to make foreign companies in charge of security on 9/11, immune to lawsuits. This effectively prevents American courts from demanding that ICTS provide testimony or hand over surveillance videos from the airports.

7. Were Jews or Israelis forewarned of the attacks on 9/11?

Yes. Israeli instant messaging company Odigo admitted that two of its employees received instant messages warning of an impending attack a full two hours before the first plane struck the north tower.

Inexplicably, the warning was never passed on to authorities.

Two weeks after 9-11, Alex Diamandis, Odigo's vice president, said, "The messages said something big was going to happen in a certain amount of time, and it did – almost to the minute."

Odigo has a feature on its service that allows the passing on of messages through a search feature based on nationality, such as Israeli. Knowing these two particular Jews were forewarned, it is very likely they passed the message on to other Jews considering that out of the 4000 Israeli Jews believed to work in the world trade centre towers, only 3 died that day. The 4000 was based on an Israeli government figure. There were, in fact, only three Israelis who had been confirmed as dead: two on the planes and another who had been visiting the towers on business and who was identified and buried.

HAARETZ.com

Odigo says workers were warned of attack

Yuval Dror

Odigo, the instant messaging service, says that two of its workers received messages two hours before the Twin Towers attack on September 11 predicting the attack would happen, and the company has been cooperating with Israeli and American law enforcement, including the FBI, in trying to find the original sender of the message predicting the attack.

Micha Macover, CEO of the company, said the two workers received the messages and immediately after the terror attack informed the company's management, which immediately contacted the Israeli security services, which brought in the FBI.

"I have no idea why the message was sent to these two workers, who don't know the sender. It may just have been someone who was joking and turned out they accidentally got it right. And I don't know if our information was useful in any of the arrests the FBI has made," said Macover.

Odigo is a U.S.-based company whose headquarters are in New York, with offices in Herzliya.

Odigo has offices in New York, and in Herzliya, Israel. Herzliya happens to be the Head Quarters of Mossad. Odigo was later bought up by another Israeli company called Comverse. The CEO of Comverse was Kobi Alexander, "dual" Israeli-US citizen, with connections to Mossad. He has been charged on several counts of fraud and money laundering.

Alexander, was allowed to flee the United States after he and two other former Comverse executives were charged with securities, mail and wire fraud by U.S. prosecutors in Brooklyn, New York. A warrant was issued for his arrest. In the year 2000 Alexander reportedly earned some \$102.5 million, with \$93 million coming from the "exercise of options." Most of Alexander's money was made through the fraudulent "exercise of options."

Avner Ronen, the "founder" of Odigo, was Vice President of Business Development of Comverse Technology in October 2005. Shortly after 9-11, Odigo was completely taken over by Comverse Technology, which had been part owner of Odigo since early 2000.

How can the Israeli's have knowledge of an impending attack unless they were behind the planning of it?

8. When the Twin Towers collapsed who quickly shipped all the twin Towers scrap metal overseas?

Jew Alan D. Ratner's Metals Management and the SIMS group had the contract to scrap the WTC metal overseas.

Investigators were not allowed to examine the remains of the WTC site. Steel beams could have been tested for evidence of explosives. Girders and joists could have been analysed for damage patterns. Residue from incendiary and explosive devices could have been investigated. But the necessary evidence was destroyed. It was a crime scene and it was a violation of federal law to ship all the debris from the Twin Towers to China and India. The company involved in shipping and smelting the steel over to the Far East was Metals Management which was owned by the Zionist Jew Alan D. Ratner. In my opinion the reason it was removed from the U.S so quickly was so that the debris from the Towers could not be analysed because it would have shown explosives were used or some other form of technology was used to collapse the towers and then the case would have been solved straight away. Jew Ratner bought the Twin Towers metal remains for \$70 per ton and then sold it to China and India for \$120 per ton.

9. Israeli espionage around 9/11 - The Dancing Israeli's

The only people arrested on the morning of 9/11 in New York with possible links to the events of 9/11 were five men from Israel. They became known as the five dancing Israeli's.

The FBI came to the conclusion... that the five Israelis arrested in New Jersey last September were conducting a Mossad surveillance mission and that their employer, Urban Moving Systems of Weehawken, N.J., served as a front removal company.

"Evidence linking these Israelis to 9/11 is classified. I cannot tell you about evidence that has been gathered. It's classified information." US official quoted in Carl Cameron's Fox News report (that was later erased from the Fox News website) on the Israeli spy ring and its connections to 9-11.

The Israeli's were held in America for over two months before pressure was applied on the American government by Israel and Michael Chertoff, The Jewish assistant attorney general for the criminal division of the Justice Department, (later appointed Director of Homeland Security) to release them. They were released and deported back home where they then appeared on an Israeli talk show and said "Our purpose was to document the event."

But the big question is how did they know they would be an 'event' unless they were behind the planning of it?

The Israelis worked for a Weehawken moving company known as Urban Moving Systems.

A few days after the attacks, Urban Moving System's Israeli owner, Dominick Suter, dropped his business and fled the country for Israel after he was initially questioned by the FBI. It was later confirmed that the five detained Israelis were in fact Mossad agents. The 5 detained Israeli's were Sivan Kurzberg, Paul Kurzberg, Oded Ellner, Yaron Shimuel and Omar Marmari.

The real story is that these Mossad agents were there to document and photograph the Planes crashing into the Twin Towers and their collapse because they took part in the planning and carrying out of these terror events just like they have many times in the past. One of the Mossad agents then called the authorities to try and blame the Palestinians. The Mossad agents then went to the George Washington Bridge to drop of the van with the bomb in it and then catch the other Urban System getaway vehicle. The intention of the Israeli's was to blow up the Holland and Washington bridges but the NYPD had reacted quickly and closed off all the bridges and stopped the white van before it could cross the bridge.

The controlled mainstream media then totally ignored this story and instead focused on blaming Osama Bin Laden but that is no surprise when you know that Jewish Zionists own and control the mainstream media in America and the Western World or at least they did at the time of 9/11. But 5 Israeli Mossad agents were caught on a bridge with explosives in a van and not 5 Arabs. If it had been 5 Arabs it would have been all over the newspapers and media that day.

But then again part of the 9/11 deception is to blame the Muslims and not the Israeli's. "*By way of deception, thou shalt do war*" Motto of the Mossad

This is the van that the Israelis were arrested in. How can anyone have a van like that with that picture of a plane crashing into the twin towers, on the morning of 9/11 unless you knew about and were participants in the 9/11 plot? The van definitely belonged to Urban Moving Systems which was an Israeli Mossad front company.

Shortly before 9/11, over 140 Israelis had been arrested for suspected espionage. Some of them were posing as Art students. These suspects targeted or penetrated Military bases, DEA, FBI, the Secret Service, ATF, U.S. Customs, IRS, INS, EPA, Interior Dept., U.S. Marshal's Service, various U.S. Attorneys' Offices, Secret government offices and Unlisted private

homes of law enforcement/intelligence officers. Most of the suspects served in military intelligence, electronic surveillance intercept and/or explosives ordinance units.

Dozens of Israelis were arrested in American malls kiosks selling toys, acting as a front for a spying operation.

60 detained suspects worked for the Israeli company AMDOCS, which provides most directory assistance calls and handles almost all call records and billings services for the U.S. by virtue of its contracts with the 25 largest telephone companies in the U.S.

Jewish Zionist ran the Pentagon at the time of 9/11

To pull off 9/11 it was imperative that total control of The Department of Defense (DOD) be established. The offices of the DOD are located in the giant office complex in Washington, D.C. known as the Pentagon that was constructed during preparations for, and just prior to, WWII.

To enable four drone airliners to successfully reach their targets, the unfathomably expensive United States Air Force had to be rendered impotently inept. If you control the Department of Defense you control the U.S. Air Force.

Not a single jetliner, not to mention three, would have reached their targets without the USAF being castrated on 9/11.

Enter the **Jewish “Wrecking Crew”** who were all George W. Bush appointees including:

Paul Wolfowitz arrived on January 20, 2001 and became the #2 ranked man at the Pentagon.

Rabbi Dov Zakheim arrived on April 4, 2001 as Pentagon Comptroller. Zakheim was also a Council on Foreign Relations member and controlled the finances in the Pentagon on 9/11. Co-author of PNAC paper “Rebuilding America’s Defenses,” which calls for a “Pearl Harbor-like event” to justify American (read Israeli) imperial ambitions. Zakheim served as Pentagon comptroller from May 4, 2001 to March 10, 2004. Two large sums of money disappeared from the Pentagon during his watch. Some \$2.3 trillion. Possibly used to pay for the 9/11 operation. Dov Zakheim's System Planning Corporation (SPC) specializes in remote airplane control technology. SPC provides flight-termination systems and command-transmitter systems -- exactly the kind of technologies that would allow planes to be taken over and flown by remote control should the pilots be incapacitated or the plane hijacked.

Douglas Feith arrived in July of 2001 and became the #3 ranked man at the Pentagon. Feith was fired from his Reagan Administration appointment at the NSC because the FBI was investigating him for passing classified NSC documents to the Israeli embassy in 1982. Created the “Office of Special Plans” shortly after 9/11 which was where all of the fake intelligence accusing Iraq of developing WMD’s and having ties to Al Qaida came from.

Richard Perle also arrived in 2001 in time for 9/11. Doug Feith appointed Perle as the chairman of the Defense Policy Board Advisory Committee mainly to distract and misdirect the already distracted and misdirected Donald Rumsfeld who was the George W. BUSH appointed Department of Defense Chairman installed on January 20, 2001.

Zionist Jew **Elliot Abrams** was another Rumsfeld handler who was appointed to the National Security Council on June 25, 2001.

Wolfowitz, Feith, Zakheim, Perle and Abrams are all Jewish Zionists who are rabidly loyal to Israel first and foremost. None had any military experience whatsoever.

Wolfowitz, Feith and Perle had all been investigated by the FBI years prior to 9/11 for passing classified documents to the Israelis.

How did the Jewish Pentagon crew stop the USA air force from intercepting flights on 9/11. They had them all involved in war games.

On the very morning of 9/11/01, five war games and terror drills were being conducted by several U.S. defence agencies, including one "live fly" exercise using REAL planes. Then-Acting Head of the Joint Chiefs of Staff, Air Force General Richard B. Myers, admitted to 4 of the war games in congressional testimony. Indeed, a former Los Angeles police department investigator, whose newsletter is read by 45 members of congress, both the house and senate intelligence committees, and professors at more than 40 universities around the world, claims that he obtained an on-the-record confirmation from NORAD that on 9/11, NORAD and the Joint Chiefs of Staff were conducting a joint, live-fly, hijack exercise which involved government-operated aircraft POSING AS HIJACKED AIRLINERS.

Operation Northern Vigilance: This was planned months in advance of 9/11. It insured that on the morning of 9/11, jet fighters assigned to the North East Air Defense Sector (NEADS) had been reassigned to duties in Alaska and Canada to participate in a simulated attack out of Russia, thus reducing the number of fighters available to NEADS on 9/11. General Norton Schwartz was in command.

Operation Vigilant Guardian: The exercise simulated hijacked planes in the North East Air Defense sector (NEADS). This exercise was only applied to the North East Air Defense Sector. It commenced on the morning of 9/11. Lt. Col Dawn Deskins was the NORAD airborne control and warning officer. At 8:40 am she took a call from Boston Center (air traffic control center) advising her of a hijacked airliner. Her first words were, as quoted by Newhouse News Service were: "It must be part of the exercise."

Operation Vigilant Warrior: This drill was conducted by the Joint Chiefs of Staff involving at least one real commercial airliner in the air intended to simulate exactly the kind of emergency perpetrated on 9/11. One of the components of the drill included "false blips" which were simulated radar imprints placed on all FAA radar screens in the North East area and only in the North East area!

On the morning of 9/11, FAA Director Jane Garvey said that as many as 11 hijackings were seemingly evident. No one could determine which were the real hijackings, what was simulated and which were deemed “live-fly” exercises.

Remember that for the real attacks to have succeeded, it was necessary that actions be taken in the middle of the war games and the actual attacks which would thwart the normal military response. Fighter jets were also sent far off-course over the Atlantic Ocean in the middle of the attacks (testimony of Senator Mark Dayton), so as to neutralize their ability to intercept the alleged hijacked airliners. Could Osama Bin Laden and his cave band of followers have exercised this degree of control over the U.S military? Obviously not. But the guys in charge at the Pentagon could misdirect the U.S Military’s response to any hijacked planes and who was in charge at the Pentagon at the time, none other than Zionist Jews Paul Wolfowitz, Richard Perle, Douglas Feith and Dov Zakheim. All dual AmericanIsraeli citizens and loyal to Israel and it’s policies.

How could Israel disable NORAD and disrupt American air defenses?

The computerized national-security systems that should have automatically scrambled jets in the event of a national emergency like 9/11 were running on Ptech software

In the 1980’s a company called Inslaw produced some software called PROMIS. At first this software was used to track criminals by the justice department in America. This PROMIS software then ended up in Israel.

The PROMIS software at the Department of Justice was stolen by an Israeli gentlemen who identified himself as Joseph Ben-Orr. According to retired Israeli spy Ari Ben-Menashe, the name of Dr. Ben-Orr was an alias of Israeli spymaster Rafi Eitan. Rafael Etian was the chief of the Israeli defense forces anti-terrorism intelligence unit.

This Israel Intelligence unit then created a back door in this PROMIS software which was one of the most complex pieces of software ever developed. Basically if you are unaware a backdoor in software means that the person or people who created this backdoor then could secretly hack into any computer that had this software program installed.

Ptech produced software that derived from PROMIS, had an artificial intelligence core, and was installed on virtually every computer system of the U.S. government and its military agencies by September 11, 2001. This included the White House, Treasury Dept. (Secret Service), Air Force, FAA, CIA, NORAD, FBI, both houses of Congress, Navy, Dept. of Energy, IRS, Booz Allen Hamilton, IBM, Enron and more,

Overriding FAA (The Federal Aviation Administration of the United States) systems would be the most effective way to ensure the 9/11 attacks were successful. This means the air traffic controller’s computer screens could be compromised. The backdoor in this PROMIS software could take an FAA computer screen, for example, and display fake planes in the air

traffic patterns and make a real plane's radar blips disappear. This is probably why NORAD could not direct any F16 fighter Jets to the correct locations because they were being fed misleading information by the PROMIS software which we know was in the hands of Israel and its spies.

Ptech's manager of marketing and information systems at the time of 9/11 was the Jewish Michael S. Goff, whose PR firm, Goff Communications, currently represents Guardium, a Mossad-linked software company. Guardium has been funded by Cedar Fund, Veritas Venture Partners, and Stage-One, all Mossad funding outfits.

Controlling this Ptech software was how Israel and the Zionist Jews disabled NORAD and the American air defence systems and that is why no jets were scrambled effectively on 9/11.

Jews were appointed the chief judges in several 9/11 cases

Alvin K. Hellerstein, a judge for the US District Court for the Southern District of New York. Hellerstein has been involved in several high-profile 9/11-related cases, including cases against the three airlines, ICTS International, Pinkerton's airport security, the WTC owners, and Boeing.

Michael B. Mukasey, the Jewish judge that oversaw the litigation between Larry Silverstein and insurance companies in the wake of 9/11. Mukasey saw to it that fellow Jew Silverstein was awarded billions of dollars.

Other Jewish Zionists controlling the 9/11 Cover-Up

Much of this rush to hide the truth of 9/11 was under the executive command of **Michael Chertoff**. **Chertoff** is a Zionist Jew and on 9/11 he was the official in charge of the US Justice Department's criminal division, including the FBI. Later appointed Director of Homeland Security. Chertoff is a citizen of both Israel and the US. Chertoff saw to it that the 5 Dancing Israelis that were arrested on the morning of 9/11 were sent back to Israel without any questions asked.

The Patriot Act - authored by Michael Chertoff (Jewish) and his lackey, Viet Dinh: Inserted into this legislation at the last minute was language that made 'foreign security companies' such as ICTS immune from 9-11 lawsuits. Even more damning, any individuals involved in future court battles weren't granted access to this information prior to their legal proceedings. In effect, ICTS and other similar firms were shielded from providing any evidence regarding their connection to 9-11. Dinh later helped defend two former AIPAC employees—Steven Rosen (Jewish) and Keith Weissman (Jewish)—for violating provisions of the U.S. Espionage Act.

Who wrote the patently fraudulent 9/11 Commission Report?

Philip Zelikow - Zionist Jew - Led the 9-11 Cover-Up Commission. He personally wrote the 9/11 Commission Report, a best-selling work of fiction. The report did not even mention the collapse of building 7 at free fall speed. So here we have a Jew loyal to Israel in charge of the official report about 9/11 in which he says Arabs did it. Hmm, don't think so somehow.

The officials under Chertoff were especially anxious to get rid of evidence contained in the remnants of the structural steel at ground zero. A careful analysis of the undisturbed steel left in place, could have explained much about the completely unprecedented free fall of three, steel-framed skyscrapers in Manhattan.

Kenneth Feinberg, who set up the victims' compensation fund (\$7 billion). Some 97 percent of victims' relatives were coerced into taking the payoff in exchange for waiving their right to demand a legal investigation of 9/11. (The rest had to deal with "special mediator," Jewess Sheila Birnbaum.)

Benjamin Chertoff, the first cousin of Michael Chertoff, wrote the 9/11 hit piece in Popular Mechanics debunking "9/11 conspiracy theories."

Stephen Cauffman, point-man on the NIST (National Institute of Standards and Technology) cover-up of the WTC 7 controlled demolition. NIST continues to maintain that fire alone brought down WTC 7.

Ari Fleischer – Jewish - White House spokesman for Bush on 9-11; Lied that Iraq had WMD to the press; "dual citizen" of US and Israel.

David Frum – Jewish Zionist – Wrote George Bush's speeches on 9/11 and came up with the phrase 'axis of evil'. Part of Frum's speech for Bush in response to 9/11 included: 'We will make no distinction between those who committed these acts and those who harbor them. Our war on terror begins with Al Qaeda, but it does not end there. It will not end until every terrorist group of global reach has been found, stopped and defeated. Any country that does not support Washington will be treated as an enemy. Either you are with us, or you are with the terrorists'.

Sarah Kasirer (Jewish): Along with her husband Bruce Teitelbaum, Kasirer coordinated Mayor Giuliani's interactions with the Jewish community in New York City. She also served on the National Jewish Democratic Council and was the vice president of a Zionist organization named Edah.

Richard Sheirer (Jewish): As Giuliani's right-hand man and commissioner of the mayor's Office of Emergency Management, Schierer authorized and oversaw the removal of crucial evidence from Ground Zero, then had it transported to nearby waste yards.

Marvin Burns (Jewish): The engineering firm Burns and Roe Securacom later became Securacom, which landed security contracts for the WTC complex, Dulles International

Airport and United Airlines (all of whom had direct connections to 9-11). Securacom oversaw security at the World Trade Center, and had on its board of directors Marvin Bush, brother of President George W. Bush.

Michael S. Goff (Jewish): Marketing manager of Ptech, a computer firm whose software was loaded with an array of Trojan horses and trapdoors. Their products became an integral part of the United States' most sensitive computerized national security systems that failed to automatically scramble fighter jets during the high-alert emergencies of 9-11.

Goff was also under the employ of Guardium and another computer software firm named Mitre. Both Ptech and Mitre held office space at the FAA (Federal Aviation Administration), and thus coordinated information technology efforts between NORAD, the Air Force, FBI, Army and the FAA. Any of these entities could have been remotely manipulated via this backdoor software, and all were severely compromised on 9-11.

One of the main groups releasing false videos and information on Al-Qaeda was the **S.I.T.E. Intelligence Group, run by Rita Katz**. Her father was executed by Saddam Hussein for spying for Israel. She joined the Israel Defence Force when she grew up.

Where's the proof that the 19 named Arabs were the hijackers? No CCTV video footage placing them at the airports where the hijacked planes took off from, including those of other passengers on these planes, has ever been released. Out of 19 alleged Arab hijackers at least 7 of these hijackers were found alive: Abdul Aziz al-Omari, Salem al-Hamzi, Saeed al-Ghamdi, Ahmed al-Nami, Wail al-Shehri, Waleed M. al-Shehri, Mohand al-Shehri! Even better, Abdul Aziz al-Omari's name was used with the picture of another person, Abdul Rahman al-Omari; Mr. Aziz reported he was an engineer who had no idea how to fly a plane; Mr. Rehman, a pilot in Saudi Arabia, went to the U.S. embassy in Jeddah and demanded to know why he was being declared a dead terrorist.

Who says Israel did 9/11

If you still have any doubt that Israel, Mossad and the Jewish Neocons in America were not behind the events of 9/11 then read these quotes from some very important people who know a great deal about intelligence agencies and world affairs.

Francesco Cossiga, President of Italy between 1985 and 1992, declared on 30 November 2007 to the daily Corriere della Sera: *"From areas around the Palazzo Chigi, nerve centre of direction of Italian intelligence, it is noted that the non-authenticity of the video is supported by the fact that Osama bin Laden in it 'confessed' that Al Qaeda was responsible for the 9/11 attack on the Twin Towers in New York. However, all of the democratic areas of America and of Europe, with the Italian center-left in the forefront, now know full well that the disastrous attack was planned and executed by the American CIA and Mossad with the help of the Zionist world to falsely incriminate Arabic countries and to persuade the Western Powers to intervene in Iraq and Afghanistan"*

"In my opinion 9/11 was the product of the neoconservatives, almost all of whom are Jewish, Dick Cheney, and Israel. Its purpose was to provide "the new Pearl Harbor" that the neoconservatives said was necessary to launch their wars of conquest in the Middle East. I don't know how far back it was planned, but Silverstein was obviously part of it and he had not had the WTC for very long before 9/11", - Dr. Paul Craig Roberts- Former assistant secretary of the U.S. Treasury under President Ronald Reagan.

"When we get to 9/11, there are series of clues and series of explanations that have been provided for us; they really get in the bottom of the fact that it was Israel that was the chief player in calling up 9/11, - Former U.S. Senate candidate Mark Dankof

"Israeli intelligence service, Mossad, was involved in the attacks and that it warned Israelis to avoid the Twin Towers in the days before 9/11", - Andreas von Bulow—former German Defense Minister.

"The destruction of the World Trade Center was destroyed by planes that had been fitted with transponders and that Israeli Mossad agents guided them into the towers", - Alan Hart, Former Middle East Chief Correspondent for Independent Television News, and former BBC Panorama presenter.

"I have had long conversations over the last two weeks with contacts at the Army War College and the headquarters, Marine Corps and I've made it absolutely clear in both cases that it is 100% certain that 9/11 was a Mossad operation Period. The Zionists are playing this as an all-or-nothing exercise, if they lose this one, they're done". Alan Sabrosky (Jewish) Former Director of U.S Army War College.

"While Israel's role in the destabilization of the world post-September 11 is becoming increasingly clear, the idea that a faction of Likudniks, aided by their allies embedded in the U.S. State apparatus, are responsible for the false flag operation of September 11 is becoming more difficult to suppress, and some individuals have the courage to state so publicly", - Laurent Guyénot - Engineer (National School of Advanced Technology, 1982) and medievalist (PhD in Medieval Studies at Paris IV-Sorbonne, 2009)

"There is abundant and compelling evidence that 9/11 was brought to us by the US neo-conservatives and the Israeli Mossad. When asked who could have had the resources to pull

off 9/11, intelligence experts have been unanimous that only two agencies could have done it: the CIA and the Mossad”, - Dr. James H. Fetzer, a retired professor of philosophy at the University of Minnesota.

The below is an excerpted article from ‘The Hidden Powers behind the Destruction of America’ on the themillenniumreport website:

“The false flag terrorist attacks carried out on September 11, 2001 were ordered by the International Banking Cartel, overseen by the Khazarian Mafia headquartered in Tel Aviv, and coordinated with Neocon Zionists in Washington, D.C. This well-planned terror operation was carried out to (i) declare the bogus War on Terror, (ii) establish the Stasi-like Department of Homeland Security and (iii) pass the unconstitutional Patriot Act. Each of these events was designed to further strip Americans of their rights and liberties, as well as to lay the groundwork for a future war against the Patriot Movement. There are no other treasonous acts of terrorism which have so prepped the US government to wage a war on its own citizenry. The many Jewish traitors know they have nowhere to run but Israel when these truths are generally known, so they have locked the whole place down until their next big move. Not only the state-sponsored 9/11 black operation, but also the Oklahoma City bombing, Virginia Tech massacre, Las Vegas mass shooting, Sandy Hook hoax, Parkland Florida staged shooting and many other mass casualty events were ordered by the International Banking Cartel. In point of fact, all of the Operation Gladio-style mass shootings were meticulously planned to achieve certain goals such as draconian gun control measures legislated either statewide and/or nationwide. The reality is that Terrorism, Inc. is a wholly owned subsidiary of the International Banking Cartel inasmuch as it takes a LOT of money to pay for these highly consequential black ops and never-ending psyops”. - See the link below titled indisputable evidence confirms: 9/11 was both an “Inside Job” and “Mossad Job”. 9/11 Was an Israeli Job - <http://themillenniumreport.com/2019/02/hard-evidence-confirms-9-11-was-both-an-inside-job-and-mossad-job/>

Zionist Media Control

The main tool to persuade or brainwash the people to believe in a certain narrative, in this case make us believe that Muslim terrorists carried out 9/11 is the mainstream media.

The group who control the mass media get to choose what you see and what you don't. What you hear and what you don't. What you learn and what you don't. At the time of 9/11 Jews had total control of the American Media and some of the British media which they used to push the '*Arabs did it*' false story.

"People have to realize that the Jews in the USA control the entire information and propaganda machine, the large newspapers, the motion pictures, radio and television, and the big companies and there is a force we have to take into consideration" - **Former President of America (1969-74) Richard Nixon as cited in Leonard Dinnerstein's book 'In Search of Anti-Semitism'**

"The media's the most powerful entity on earth. They have the power to make the innocent guilty and to make the guilty innocent, and that's power. Because they control the minds of masses. If you're not careful, the newspapers will have you hating the people who are being oppressed, and loving the people who are doing the oppressing." **Malcolm X.**

"Hollywood is run by Jews; it is owned by Jews--and they should have a greater sensitivity about the issue of people who are suffering. Because...we have seen...the greaseball, we've seen the Chink, we've seen the slit-eyed dangerous Jap, we have seen the wily Filipino, we've seen everything but we never saw the kike. Because they knew perfectly well, that that is where you draw the line." **By the late American Actor Marlon Brando on Larry King Live**

Let us look at who is (was) in charge of these media corporations at the time of 9/11 and at least up until 2013.

News Corp. President Peter Chernin (Jewish)

Paramount Pictures Chairman Brad Grey (Jewish)

Walt Disney Co. Chief Executive Robert Iger (Jewish)

Sony Pictures Chairman Michael Lynton (surprise, Dutch Jew)

Warner Bros. Chairman Barry Meyer (Jewish)

CBS Corp. Chief Executive Leslie Moonves (so Jewish his great uncle was the first prime minister of Israel)

MGM Chairman Harry Sloan (Jewish)

NBC Universal Chief Executive Jeff Zucker (Jewish).

Jeff Zucker is also the President of CNN

Gerald Levin (Jewish), CEO and Director of AOL Time Warner

Michael Eisner (Jewish), Chairman and CEO of the Walt Disney Company

Edgar Bronfman, Sr., (Jewish) Chairman of Seagram Company Ltd

Edgar Bronfman, Jr, President and CEO of Seagram Company Ltd and head of Universal Studios

Sumner Redstone (Jewish), Chairman and CEO of Viacom, Inc

Dennis Dammerman (Jewish), Vice Chairman of General Electric

Rupert Murdoch (son of Elizabeth Green who was Jewish) owns News Corporation Ltd which includes Sky Media network in Britain

This is no conspiracy theory you can look it up yourselves.

Imagine if all the media was owned by Arabs and this Arab media said Israel did 9/11 and we should attack Israel. No one would have believed it. But the truth is that Jews owned all the media and they said Arabs did 9/11 and later they said America should attack Iraq and Iran.

On the morning of the September 11th attacks, just after the Twin Towers had collapsed, Ehud Barak (former Prime Minister of Israel) appeared on the U.K's BBC news where he gave a story to the public. The main part of this story was that Osama bin Laden is responsible for the attacks and that a "global war on terror," led by the United States, must be launched to defeat this terror. How can he possibly know Bin laden was guilty minutes after the attack on 9/11, without looking at any evidence? Immediately assigning blame to your enemy is a tell-tale sign of a false-flag in action. Don't forget a false flag is carrying out

a terrorist event and then blaming someone else for that terrorist event. That was an important piece of dis-information by Barak to brainwash the million of people listening with the lie that Arabs did 9/11.

That same night Ehud Barak went on the UK news program Newsnight and advocated American military strikes against Iraq, Iran, Syria, Libya, Afghanistan, Hezbollah and Hamas, all of whom are enemies of Israel and World Zionism! Pointing your fingers and immediately blaming someone else for an act is just a way of turning the guilt away from yourself. Barak is a former head of Israeli military intelligence and was a consultant to a Mossad front company, SCP Partner, specializing in security

In the run up to 9/11, in the years before the Jewish Zionists even inserted the number 9/11 into various movies and cartoons. One of the most well known was the numbers 911 and a picture of the Twin Towers on an episode of the **Simpsons** which was aired in 1997.

In the 1999 movie '**The Matrix**', the character Neo, played by Keanu Reeves has a passport and the passport expires on September 11 2001 (9/11). You can't tell me that it was a coincidence. They could have used any date, any year but no they chose to use September 11 2001 as the expiration date

In the 1985 movie **Back to the Future** the 'Doc' holds up two stopwatches which say 9/11 plus there are several other references to 9/11 in the movie.

In the movie *Back to the Future* when Michael J Fox disappears in the De Lorean car he leaves 2 fire streaks which means the number 11 and on the left hand side there is a sign which is a number 9

In the *Back to the Future* movie below we can see the numbers 9-11 and the sign the Twin Pine Falls meaning the Twin Towers

In the kids cartoon episode **Johnny Bravo** which was aired in April 2001 a tall building can be seen on fire with the words 'coming soon'.

In the movie **Terminator 2 from 1991** the man chasing Arnold Schwarzenegger crashes into a tunnel but above the tunnel is an engraving which says 'Caution 9-11' and the two tunnels represent the Twin Towers.

The movie **Independence Day** came out in 1996, five years before the events of 9/11. This movie was also utilised as a tool for preparing the public for the 9-11 attacks. The theme of the movie was about an enemy attacking the world or America unexpectedly. In the movie when the helicopter where David (Jeff Goldblum) is watching the "countdown" of the sequences on his laptop computer, when the camera focuses on the time, co-incidentally the time is just at 9 minutes 11 seconds. Unbelievable.

In the movie **Minority Report** starring Tom Cruise we find the number 911 showing up yet again. The film is set in the future in 2054 and Tom Cruise plays the character called John Anderton and when John Anderton gets arrested in the movie he is placed in a prisoner containment facility and he is given a prisoner number, the number 1109. Now they could have used any combination of numbers with four digits and they are 10,000 different number combinations using the numbers 0 to 9 but no somehow they have to include the

numbers 9/11. Now the movie premiered in July 2002 but filming took place between March-July 2001 so obviously the movie was finished by September 2001. Also the year the movie was based in 2054 adds up to 11. Who made the movie? It was the very Jewish Steven Spielberg and his DreamWorks production company. DreamWorks was also owned by two other Jewish men Jeffrey Katzenberg and David Geffen.

The movie **Traffic** made in the year **2000** was about America's war on drugs starring Michael Douglas and Benicio Del Toro. After 3 minutes of the movie a truck is stopped in the middle of the desert and inside are boxes of drugs and printed on each side of the 6 sides of the box is the number 911. What are the odds? They could have used any numbers. Below screenshots from the movie Traffic

The Iron Man cartoon (below) which was shown in October 1994 suggest prior knowledge of the events of 9/11. The cartoon depicts a plane and missiles hitting the Twin Towers and a plane smashing into the Pentagon in the first minute. It is no surprise that two Jews produced this cartoon, Avi Arad (an Israeli producer) and Stan Lee (born Lieber).

The **1978 film “The Medusa Touch”** (below) was about an airliner that crashed into a tall building and the producer was ex-Mossad agent and Zionist Jew, Arnon Milchan.

Arnon Milchan the producer of ‘the Medusa Touch’ has close ties with Israel Prime Minister Benjamin Netanyahu. In fact Israeli police have recommended that Benjamin Netanyahu be indicted on charges of bribery and breach of trust, following a 14-month investigation (2017-18) into two cases of alleged corruption. The Israeli Police said that enough evidence had been gathered against the Prime Minister for committing the crimes of “bribery, fraud, and breach of trust”. Police said Netanyahu had accepted gifts valued at 750,000 shekels (£150,000, \$208,300) from Milchan. In return, Netanyahu had helped Milchan, a Hollywood producer who has worked on many movies, on US visa matters and Israeli tax breaks.

Predictive programming is a theorised method of mass mind control, proposes that people are conditioned, through works of fiction, to accept planned future scenarios. Researcher Alan Watt defines this phenomenon as “the power of suggestion using the media of fiction to create a desired outcome”.

Look at all these depictions of 9/11 in the movies and cartoons, you can't seriously tell me that they were a coincidence. The people who planted this 9/11 information in the movies and cartoons were the same people who helped plan the events of 9/11 or at least had foreknowledge of it. The Muslims don't own the media corporations that produced these 9/11 depictions, the Zionist Jews own them and they have done for the past 100 years. The reason you have all these 9/11 depictions in movies and cartoons going back to 1978 is because Israeli Intelligence had been planning 9/11 in New York since the mid 1970's and all those Jews who own the media are Zionists (such as Rupert Murdoch & the Rothschilds) and loyal to Israel. They knew that they would carry this out on September 11th but they were not certain which year the plans would be ready for execution. So that is why you see the numbers 9/11 in these movies and cartoons and not 9/11/01. Another reason for the 9/11 date is that to phone for the emergency services in America you have to dial 911. Obviously some sick joke by the real perpetrators, I mean what bigger emergency was there on the morning of 9/11 in New York.

“When agents of a foreign government, like the criminal Arnon Milchan and Avi Arad, produce films and television programs that clearly indicate prescience of an attack that later occurs, why are they not arrested and interrogated on suspicion of having prior knowledge of the attacks? The fact that these Israelis made films depicting the 9/11 attacks years before they actually occurred shows that the planning by Israeli military intelligence of the 9/11 attacks goes back to the 1970s, when the Likud party of Menachem Begin came to power. The planning for the 9/11 attacks in the late 1970s coincides with the planning, by Israeli military intelligence, for the War on Terror to deceive the U.S. military into waging

war against Israel's enemies on behalf of the Zionist state. The Israeli-designed terrorism of 9/11 was carried out to kick-start their long-planned War on Terror” – **Christopher Bollyn – Author, American investigative journalist.**

"We [the Zionists] have it all under such control that no one -- no one or no-body can [reach] people unless it is done through our media control. (Who has had control of the mass media in the 20th century? -- Chairman of ABC pp Leonard Goldenson, President of CBS -- James H. Rosenfield, Chairman of RCS -- David Sarnoff, Chief Executive of NBC -- Fred Silverman, President of PBS -- Lawrence Grossman, Chairman of Time -- Arthur Heiskell, Editor of U.S. News & World Report -- Marvin Stone, Chief Executive of Dow Jones -- Warren H. Phillips, Editor of Newsweek -- Lester Bernstein, President of TV Guide -- Walter Annenberg, President of New York Times -- Sulzberger family, TV program producer -- Norman Lear -- these and more all are Jews!!) We have it sewed up!!" - Harold Wallace Rosenthal (Jewish Zionist) from the Harold Wallace Rosenthal Interview 1976.

Jonathan J. Goldberg, was editor of the influential Jewish community weekly 'Forward.' In his 1996 book, Jewish Power, he wrote:

"In a few key sectors of the media, notably among Hollywood studio executives, Jews are so numerically dominant that calling these businesses Jewish-controlled is little more than a statistical observation ... Hollywood at the end of the twentieth century is still an industry with a pronounced ethnic tinge. Virtually all the senior executives at the major studios are Jews. Writers, producers, and to a lesser degree directors are disproportionately Jewish -- one recent study showed the figure as high as 59 percent among top-grossing films."

"The narrative we have been given about 9/11 is false. But for 20 years now that narrative has been protected by the media in a most unusual way. We supposedly live in a democratic country in the United States but all the media is owned by 6 corporations and they are all lock step in unison supporting the official 9/11 false narrative and that false narrative has been used to take us into a war, a global war on terror which is an Israeli construct. All the people who are involved in the cover-up are themselves supporters of the state of Israel at the highest level or they are Israelis themselves. The media and the government are in unison blocking 9/11 truth from coming out to the public. That gives us an understanding of how serious the situation is in America, it's obvious that the government and the media in America are controlled by the same ones who carried out 9/11. That's a pretty serious state of affairs", - Christopher Bollyn – American author (Solving 9/11), journalist, researcher.

"Along with the rest of the Jewish-Zionist dominated media, Hollywood sensationalizes and distorts current events, systematically falsifies history, promotes debased "entertainment" and perverse cultural standards, and makes possible the Jewish-Zionist hold on American political life, thereby enabling Israel's wars and decades-long oppression of Palestinians", - Charles Maultsby, American Researcher, Author of 'Who Should Go Down in History',

“Controlling the World's source of news, Jews can always prepare the minds of the people for their next move. The greatest exposure yet to be made is the way that news is manufactured and the way in which the mind of whole nations is moulded for a purpose. When the powerful Jew is at last traced and his hand revealed then comes the ready cry of persecution and it echoes through the world press. The real cause of the persecution (which is the oppression of the people by the financial practices of the Jews) are never given publicity”. **Henry Ford, 1921 – ‘The International Jew, the World’s foremost Problem’.**

“Jews have a very large presence in the media as owners, writers, producers, and editors—far larger than any other identifiable group. In the contemporary world, this presence is especially important with respect to perceptions of Israel. Media coverage of Israel in the U.S. is dominated by a pro-Israel bias, whereas in most of the world the predominant view is that the Palestinians are a dispossessed people under siege. A critical source of support for Israel is the army of professional pundits “who can be counted upon to support Israel reflexively and without qualification. Perhaps the most egregious example of pro-Israel bias resulting from Jewish media control is the Asper family, owners of CanWest, a company that controls over 33% of the English-language newspapers in Canada. CanWest inaugurated an editorial policy in which all editorials had to be approved by the main office”, - **Kevin MacDonald** - <http://www.kevinmacdonald.net/UnderstandJI-1.htm>

The Nixon Tapes

In 1972, during a private White House meeting, President Richard Nixon and the Rev. Billy Graham, the nation's best-known Christian evangelist, spoke together frankly about the Jewish grip on the media. Their secretly recorded one-on-one conversation was not made public until 30 years later. During their talk, Graham said: "This stranglehold has got to be broken or the country's going down the drain." The President responded by saying: "You believe that?" Graham replied: "Yes, sir." And Nixon said: "Oh, boy. So do I, I can't ever say that, but I believe it."

Even though President Nixon, supposedly the most powerful man in the world, believed that America was, as he put it, "going down the drain" unless what he regarded as the Jewish "stranglehold" on the US media is broken, he was afraid to speak publicly about this matter. As powerful as he was, President Nixon feared a power greater than his own.

“The Jews are all through the government and we have to get in those areas. The government is full of Jews. Second, most Jews are disloyal. You can’t trust them, they will turn on you” – **Former American President Richard Nixon, the Nixon Tapes July 3rd 1971**

“The Jews are just very aggressive and abrasive and obnoxious personality. They put the Jewish interest above America's interest, and it's about goddamn time that the Jew in America realizes he's an American first and a Jew second” - **Former American President Richard Nixon, the Nixon Tapes July 3rd 1971**

“The Jews are born spies. You notice how many of them are? They're just in it up to their necks” - **Former American President Richard Nixon, the Nixon Tapes July 3rd 1971**

Rupert Murdoch and Israel

Without a biased media, Israel's powerful military would be next to useless in its attempts to ethnically cleanse Gaza. It relies on crucial Western support for its project, and no one is as important in manufacturing consent for Israel as Rupert Murdoch. Murdoch is Israel's greatest supporter. The Australian-born media baron has close and extensive personal ties to the Israeli political elite and many business connections to the country. He has used his media empire to defend Israel and sing its praises.

Murdoch was born to a Jewish mother (Margaret Green) in Melbourne, Australia in 1931.

Murdoch owns dozens of newspapers and TV channels including Fox news and Sky Broadcasting Media. His British holdings, including The Sun, The Times and Sunday Times, constitute one-quarter of newspaper circulation in the country. His News Corp company also operates Sky television, TalkTV, TalkRadio and TalkSPORT. In the United States, Murdoch owns influential outlets such as The Wall Street Journal, The New York Post, and much of the Fox network. This is in addition to owning the influential Harper Collins publishing house.

In Australia Murdoch owns 7 of the country's 12 national or capital daily newspapers. In half of the country's state or territory capitals, there is no local alternative to the Murdoch publication. Former prime minister, Kevin Rudd labeled his empire a “cancer” on Australian democracy.

In 2010, Israeli newspaper Yedioth Ahronoth published a leaked list compiled by Prime Minister Benjamin Netanyahu of whom he considered his best sources of campaign contributions. Murdoch's name appears on the list. Netanyahu considered him a close ally.

At 95, Murdoch has relinquished much of the day-to-day running of his businesses to his son, Lachlan. Earlier in 2024, Lachlan travelled to Israel to meet Netanyahu and former prime minister Benny Gantz.

In 2010, Murdoch and banking billionaire Lord Jacob Rothschild each purchased equity stakes in Genie Energy and joined the company's board of directors. While he was on the board, Genie was awarded a contract to drill for oil and gas over approximately 400 square kilometers of Golan Heights, Syrian territory that Israel has illegally occupied since 1967.

In 2007 Murdoch's News Corp business donated to the Jerusalem Foundation, a group that builds illegal Israeli settlements in the West Bank, including in the Sheikh Jarrah neighbourhoods of Jerusalem.

Murdoch uses the control of his media to downplay Israel's genocide and atrocities. The New York Times, for example, has told its reporters not to employ words such as "genocide," "slaughter," and "ethnic cleansing" when discussing Israel's actions. It has even forbidden the use of terms like "refugee camp," "occupied territory," or even "Palestine," making it virtually impossible to report accurately on the situation.

The New York Post published a remarkable article titled "Just how many of Gaza's civilians are entirely 'innocent'?" in which it repeatedly insinuated that essentially every adult in Gaza was a legitimate target, even using the word "civilian" in scare quotes. The article was written by two Jews

Just how many of Gaza's civilians are entirely 'innocent'?

On October, 2023 an Israeli airstrike targeted the Church of Saint Porphyrius in Gaza City, where hundreds of refugees had taken shelter. In describing the attack, the Wall Street Journal ran with the headline "*Blast goes off at Orthodox Church Campus in Gaza,*" turning what was one of the most notorious incidents in Israel's months-long assault on Gaza into a regrettable accident. At no point during the article did the Journal suggest that the "blast" might have been an attack or even hint at Israeli involvement.

In 2026 Jews still dominate about 70% of the media in America. Jewish billionaire Larry Ellison founder and Chairman of database giant Oracle and founder of a media dynasty that owns CBS and Paramount and he personally gives millions to the Israel defence Force.

In 2017, Ellison donated \$16.6 million (equivalent to \$21,800,000 in 2025) to the Friends of the Israel Defense Forces (FIDF), saying, "Since Israel's founding, we have called on the brave men and women of the IDF to defend our home". This was the largest donation in the organization's history

Ellison lavishly supports pro-Israel groups, has created a semi-secret underground bunker data center in Israel in cooperation with his close friend and butcher of Gaza Benjamin Netanyahu. Because to much of the Gaza genocide was being viewed by Americans on TikTok the Jews went into a frenzy and got President Trump to force Bytedance, the Chinese TikTok owners to sell TikTok in America to the Jew Larry Ellison.

In August 2025, Ellison provided funding through his family trust for the merger of Paramount Global with his son David's Skydance Media. On September 10, 2025, Ellison was briefly the wealthiest person in the world, with an estimated net worth of \$393 billion

Below is an excerpt from an article titled 'The Primacy of Antisemitism' by Thomas Dalton PhD:

How, then, do our brave media handle these issues? Our media—those intrepid truth-seekers, noble and uncorrupted, “speaking truth to power”—yes, how about them? Which members of our vast media system are willing to get to root causes, to call a spade a spade, and to “name the Jew”? I suspect we know the story. The mainstream media, both left and right, are hopelessly corrupted by Jewish ownership and Jewish management. I won't recount the details here, but all five of the major American media conglomerates—Disney, Warner, NBCUniversal, Fox Corp, and Paramount—are dominated by Jewish leaders, or in the case of Fox, by rabid Zionists (and likely crypto-Jews). Consider a few specifics. CNN and MSNBC are the most obvious, most craven examples of Jewish compliancy. Here we see, not

investigative journalism or balanced and nuanced opinions, but blatant pro-Israel, pro-Jewish propaganda. Everything Israeli or Jewish is implicitly good and innocent, and everything Palestinian, Arab, Muslim, or even neutral are implicitly evil. There are few Jewish program hosts—both networks seem to prefer Gentile gays, Blacks, and women—but the guest commentators and analysts are heavily, obscenely Jewish. If a segment has two guests, at least one is a Jew; if three guests, one or two Jews; if a panel, two or three. It is a calculated effort to maintain, at all times, a substantial Jewish presence. Suffice to say that never, ever, would CNN or MSNBC ‘out’ a Jew, blame a Jew as a Jew, or touch on issues of Jewish sensitivity. Fox News is virtually as bad. Even as they vehemently disagree with the “liberal” media on virtually every issue, they are lock-step compliant on Jewish-Israeli issues. The worst are the prime-time hosts: Sean Hannity, Jesse Waters, and Laura Ingraham. All three are pathetically, revoltingly pro-Jewish and pro-Israeli. They could hardly be more fawning if they were paid Mossad agents. This cannot be a coincidence; again, it must be coordinated from the top of Fox. Only Tucker Carlson was willing to slightly, barely, touch on criticism of Jews (but never as Jews, unless you count his conflict with the ADL over their hypocrisy on immigration)—and he got fired. The three main network news channels—ABC, NBC, and CBS—are all but useless. All three parrot the same talking points, almost as if they had the same scriptwriters. Their evening “national news” shows are parodies of real news, deliberately designed to grab the viewer’s attention and deflect it from deeper issues. As above, never, ever, would they criticize Jews or Israel in any serious fashion. But wait, you say; today, thank God, we have independent news sources on the Internet, ranging from groups like Politico or Buzzfeed or Vox or ProPublica or The Intercept—and there are brave individual journalists and writers. They, surely, are not frightened by the Jewish Lobby; they, surely, will give us the honest truth. Sadly, no. Once again, nearly all such sources rigorously avoid touching the “third rail” of the Jewish Question. Jews are never named, they are never outed, they are never involved—as Jews—with anything. Indeed, the word ‘Jew’ almost never appears in such sources, as if it were an evil talisman of some sort. And this, even in our supposedly brave, hard-hitting, independent journalism.

The Jewish owners of Social Media and how it Aids the Gaza genocide

Jews also have a large presence in the big social media companies. First we have Google which is owned by the Alphabet group. Google was founded in 1998 by American Jews Larry Page and Sergey Brin. They also own Youtube. Social media influencer Candace Owens was kicked off YouTube for stating that Israel was carrying out a genocide against the Palestinians.

The social network site Facebook is owned by the very Jewish Mark Zuckerberg. Zuckerberg also owns Whatsapp and Instagram.

ChatGPT is a generative artificial intelligence chatbot developed by OpenAI. OpenAI CEO Sam Altman is Jewish. Altman co-founded OpenAI in 2015 and became its CEO in 2019, a role that made him a prominent figure of the AI boom. He supervised the launch of ChatGPT in November 2022

Google Search and YouTube are the two most-visited websites worldwide, followed by Facebook, Instagram, and ChatGPT.

In January 2024, Palantir announced a partnership with the Israeli Ministry of Defence to deploy its technology in support of "war related missions" that use drone-fired missiles to target civilians in Gaza, including journalists and aid workers. Palantir specializes in building data integration and artificial intelligence platforms that help organizations, militaries, and governments map out fragmented data and make complex, real-time decisions. The Jewish Google then takes orders or advice from various Jewish organisations such as the ADL and the Zionist Organization of America to lay down the censorship of the internet and Google. For example: "New York, NY, April 22, 2004 ... The Anti-Defamation League (ADL) today praised Google for responding to its concerns about rankings of extremist Web sites. Google has assured ADL that its staff is looking at various technical modifications that will enable the Internet search engine to better identify and categorize racially offensive sites that come up in search results". "We are extremely pleased that Google has heard our concerns and those of its users about the offensive nature of some search results and the unusually high ranking of peddlers of bigotry and anti-Semitism," said Abraham H. Foxman, ADL National Director.

Google Imports Ex Israeli Spies, The Genocide Resumes.

In March 2025 Google bought Israeli cybersecurity company Wiz for \$32 billion.

The acquisition will mark the single largest transfer of former Israeli spies into an American company. This is because Wiz is run and staffed by dozens of ex Unit 8200 members, the specialist cyber-spying arm of the IDF. Unit 8200 wrote the programming and designed the algorithms that automated the genocide of Gaza and was also responsible for the pager attack in Lebanon.

Rotten Apple: Dozens of Former Israeli Spies Hired by Silicon Valley Giant

A new MintPress News study has found dozens of former agents of the Israeli spy agency, Unit 8200, working at tech giant Apple.

Apple has made headlines in recent weeks for touting its commitment to privacy and human rights, rolling out tools to limit surveillance and spyware. But behind the corporate messaging lies a much darker reality.

The company has quietly brought in dozens of veterans from Unit 8200, Israel's shadowy military intelligence unit known for blackmail, mass surveillance, and targeted killings.

Many of these hires took place as Israel escalated its war on Gaza, and as CEO Tim Cook publicly expressed support for Israel while disciplining employees for pro-Palestinian

expressions. Apple's deepening ties to Israel's most controversial intelligence raise uncomfortable questions, not only about the company's political loyalties, but also about how it handles vast troves of personal user data.

Exposed: How Israeli Spies Control Your VPN

An estimated 1.6 billion people rely on VPNs to carry out the most sensitive tasks online, from watching illegal videos to engaging in sexual or political activities. But few people know that a considerable chunk of that market—including three of the six most popular VPNs—is quietly operated by an Israeli-owned company with close connections to that country's national security state, including the elite Unit 8200 and Duvdevan Units of the Israeli Defense Forces (IDF).

Previous MintPress News investigations into Israel's growing control over the tech industry have outlined how those units have been involved in many of Israel's most outrageous hacking, surveillance and assassination programs, acting as spies and death squads. Unit 8200, for example, has been the source of much of the world's most infamous spying software, including Cellebrite and Pegasus, the program used to snoop on tens of thousands of the world's top politicians and journalists, including by Saudi Arabia, who used it to help track down and kill Washington Post columnist Jamal Khashoggi.

How Microsoft became a hub for Israeli intelligence

Microsoft's close collaboration with Tel Aviv — including its employment of over 1,000 Israelis — strongly undermines the tech giant's claim that no Palestinians have been harmed by its services.

Microsoft disabled the email account of the International Criminal Court's chief prosecutor Karim Khan, impeding the court's work on executing the arrest warrant for Netanyahu and other senior Israeli leaders.

This is no surprise.

The links between Microsoft and Israel are so long, deep and extensive it can be hard to see where Microsoft ends and the Israeli state begins. Microsoft employs more than one thousand ex-IDF soldiers and intelligence officers in its offices in Israel, and dozens of ex-IDF in its global headquarters in Redmond, Seattle, and at its offices in Miami, San Francisco, Boston and New York. My investigation, drawing on an extensive list of names provided by a source, has identified well over three hundred former Israeli intelligence personnel who are currently working at Microsoft

Hi-Tech Holocaust: How Microsoft Aids The Gaza Genocide

Israel's genocide is being powered by Microsoft. The below is an excerpted article from 'The Hidden Powers behind the Destruction of America' on the themillenniumreport website:

"This particular tribe of moneychangers and merchants learned long ago that whoever controls the media controls the society, the nation and the world. Toward that end, the entire mainstream media (MSM) in the USA is completely controlled by Jewish money and investment. So are all the top positions of the MSM occupied by Jewish CEOs, CFOs and COOs as well as Presidents and Board Directors. Because their Khazarian Mafia masters and handlers are essentially in charge of the CIA's Mockingbird Media, they all realize that any serious transgressions against The Company (aka the C.I.A.) will occur on pain of death, or worse. Even more significantly, all the Big Tech and Big Social Media corporations are run by members of the Jewish Tribe. Almost all of the Big Social Media start-ups are commandeered by Jewish college kids who have been given stolen intellectual property,

proprietary information and/or patents by attorneys or other covert agents of DARPA, the C.I.A. or DIA. The IPOs are then managed in such a way so as to guarantee immediate billionaire status to these mind-controlled puppets who are then easily kept on the CIA reservation under threat of losing everything. The notorious Mark Zuckerberg, just like Bill Gates, is just one of many Jewish fake whiz kids who was set up from the start with stolen technology to autocratically lead a major media company for his C.I.A. masters. Ditto that for Google's Jewish founders Larry Page and Sergey Brin among several other tech founders. What needs to be said about the ironclad control that Jews have always exerted over Hollywood from the very beginning? Every major studio in Tinseltown was founded by Jewish entrepreneurs who originally hailed from Eastern or Central Europe if not Russia. Even a cursory examination of all the most successful CEOs and presidents, directors and producers, screenwriters and film editors, actors and actresses, cinematographers and directors of photography, as well as talent agents and scouts, will prove that Hollyweird is a fundamentally Jewish industry from the top down and bottom up. The vast and complex web of interlocking directorships that predominate throughout Corporate America are populated with business magnates and VIPs who work directly for hidden Jewish banking interests. Serial corporate criminals such as Goldman Sachs, JPMorgan Chase, Bank of America, Citigroup, Wells Fargo, The New York Times, The Washington Post, CNN, MSNBC, Monsanto, BP, Google, Facebook, Twitter, etc. are all run by mostly Jewish (or crypto-Jewish) CEOs and Boards of Directors. Likewise, these corporate entities are effectively owned by Jewish institutional investors which possess the majority ownership in the form of both equities and debt instruments. Of course, the Jewish banker-aligned Boards of Director are always interlocking and marching in lockstep according to the New World Order globalist agenda" - <http://themillenniumreport.com/2019/12/the-hidden-powers-behind-the-destruction-of-america/>

War of Terror after 9/11 for Israel

American President Bush launched the Iraq war in 2003 as Iraq and Saddam Hussein was supposed to have Nuclear Weapons or 'Weapons of Mass Destruction'. Weapons the lying media told us that could reach London in 45 minutes. Notice how the media is almost a propaganda tool for the state of Israel. Make no doubt about it these wars were fought for Israel. That is what the whole 9/11 event was about to kick start the 'War of Terror' against the Arab countries just like the former Israeli Prime Minister Ehud Barak said live on the BBC hours after the Twin Towers were struck. A war of terror must be started against Iraq, Syria, Afghanistan, Libya and Iran, Barack said.

Of course most of the British people reading these headlines believed them to be true. It was used to prep the British public for war against Iraq.

The "45-Minute" Claim: UK Prime Minister Tony Blair famously presented a government dossier asserting that Iraq could deploy WMDs within 45 minutes. The official Chilcot Inquiry later concluded this threat that was presented was a lie. The US administration repeatedly suggested Saddam Hussein was in league with Al-Qaeda, fostering a public belief that Iraq was involved in the 9/11 attacks. Coerced confessions and single-source reports—such as a fabricated claim that a hijacker met an Iraqi diplomat in Prague—were used to push this narrative, even though it was contradicted by the FBI and CIA.

Before the Iraq war in 2003 the USA had already placed sanctions on Iraq where Iraq could not acquire much needed medical equipment and medicines for hospitals. In 1995 the Food and Agriculture Organization of the U.N. reported that U.N sanctions against on Iraq had been responsible for the deaths of more than 560,000 children since 1990.

Leslie Stahl on the TV Program 60 Minutes in 1996 mentioned to Madeleine Albright (Jewish), U.S. Ambassador to the U.N. "We have heard that a half million children have died. I mean, that's more children than died in Hiroshima. And - and you know, is the price worth it?" Albright replied "I think this is a very hard choice, but the price - we think is worth it."

Over 2 million people from Iraq died from sanctions and the war combined. Although the total Iraqi deaths from the sanctions could have been high as 1.5 million and deaths from the war over 600,000.

<https://www.gicj.org/positions-opinions/gicj-positions-and-opinions/1188-razing-the-truth-about-sanctions-against-iraq>

America lost over 7000 soldiers in the Iraq and Afghanistan Wars and Britain lost 462 soldiers fighting in wars in Afghanistan and Iraq.

However, many analysts view that the Iraq War was for Israel's sake. James Petras, an academic and U.S. writer, wrote that the party exerting intense pressure on Bush to launch

the Iraq War was the pro-Israel lobby. Architects and essential decision makers in the Iraq War were Zionists, such as Wolfowitz and Senator Lieberman. Steven L Spiegel is a professor of politics at UCLA. In his article in the Jerusalem Center for Public Affairs, Israel-based think-tank Spiegel wrote that U.S. troops' victory in the Gulf War was a victory for Israel because Iraq was a fundamental threat to Israel's security that had been weakened. So over 2 million Iraqis were murdered and a whole country destroyed for Israel!

Zionist Jews had total control of the American government under George Bush. Over 50 Zionist Jews (Neocons) were part of Bush's administration during after 9/11.

Among them were: **Richard Perle** - Foreign policy advisor, **Henry Kissinger** - Foreign Policy Advisor, **Paul Wolfowitz** - Deputy Secretary of Defense, **Richard Haass** - Director of Policy Planning, **James Schlesinger** - Foreign Policy Advisor, **Elliot Cohen** - Pentagon's Defense Policy Board, **Steve Goldsmith** - Senior Advisor to the President, **Michael Chertoff** - Head of the Justice Department, **Douglas Feith** - Under Secretary of Defense for Policy, **Michael Mukasey** - Attorney General.

Most of these Jews had dual American/Israeli citizenship and they served the best interests of Israel and not America.

All of these Jewish Zionist Neocons were also members of the many Jewish Zionist lobby groups in America such as AIPAC, JINSA, and PINAC etc

"One hoped that the neoconservatives would have disappeared after George W. Bush left office and the Iraq War they worked so hard to engineer proved to be a disaster. All those dead, nothing accomplished except the establishment of Iran as the main player in Iraq. But they are still around and still pushing for a war with Iran, which they want even more than the last one. Everywhere you look there's Elliot Abrams, Richard Perle, John Bolton, John Podhoretz, Douglas Feith, Danielle Pletka, The Washington Post editorial page, Frank Gaffney, Charles Krauthammer, Max Boot, The Wall Street Journal, Daniel Pipes, New Republic, Liz Cheney and a host of others who, undaunted by the Iraq debacle, are gung-ho about taking out Iran. (Then there is AIPAC, which is the war party's headquarters.) Check out the Commentary website, and you'll see one piece after another urging the United States to allow Israel to attack Iran. At the most, there are 200 neocons. They are not all Jewish although many are, and that number includes the leadership of AIPAC, the American Jewish Committee. What distinguishes neocons from normal people is their relentless dedication to what they perceive (incorrectly) as Israel's best interests, their contempt for Muslims, and their reckless desire to involve America in wars that have little, or nothing, to do with US interests", - MJ Rosenberg Worked for U.S Democratic Senators and House members for 20 years

"We say to the Americans as people and to American mothers, if they cherish their lives and if they cherish their sons, they must elect an American patriotic government that caters to

their interests, not the interests of the Jews." .The American system is totally in control of the Jews, whose first priority is Israel, not the United States." **Osama Bin Laden**

"Israel is a rogue state. It is committing a genocide before our eyes. 2 million people are being starved and it absolutely has to stop. One reason it doesn't stop is because the United States is utterly complicit in this. The USA finances and arms Israel and the United States blocks action against Israel in the UN Security Council. Its profoundly evil". – Jeffrey Sachs

Iraq War was for Israel – The Clean Break Strategy

Shlomo Bron, a brigadier general in the Israel army reserves, and a senior researcher at a major Israeli think tank, said that intelligence provided by Israel played a significant role in supporting the US and British case for making war. Israeli intelligence agencies, he said, "badly overestimated the Iraqi threat to Israel and reinforced the American and British belief that the weapons [of mass destruction] existed."

Whatever the secondary reasons for the war, the crucial factor in President Bush's decision to attack was to help Israel. With support from Israel and America's Jewish-Zionist lobby, and prodded by Jewish "neo-conservatives" holding high-level positions in his

administration, President Bush – who was already fervently committed to Israel – resolved to invade and subdue one of Israel’s chief regional enemies.

This is so widely understood in Washington that US Senator Ernest Hollings was moved in May 2004 to acknowledge that the US invaded Iraq “to secure Israel,” and “everybody” knows it. He also identified three of the influential pro-Israel Jews in Washington who played an important role in pushing the US into war: Richard Perle, chair of the Pentagon’s Defense Policy Board; Paul Wolfowitz, Deputy Defense Secretary;

Jewish-Zionist plans for war against Iraq had been in place for years. In mid-1996, a policy paper prepared for then-Israeli Prime Minister Benjamin Netanyahu outlined a grand strategy for Israel in the Middle East. Entitled “A Clean Break: A New Strategy for Securing the Realm,” it was written under the auspices of an Israeli think tank, the Institute for Advanced Strategic and Political Studies.

The Clean Break strategy was to destroy the countries that support the Palestinians. Iraq, Libya, Syria, Lebanon and Iran. Benjamin Netanyahu has been advocating to destroy Iran for 40 years with lies and tales of Iran been weeks or months away from having a nuclear bomb. All lies.

The authors of “A Clean Break” included Richard Perle, Douglas Feith, and David Wurmser, three influential Jews who later held high-level positions in the Bush administration, 2001-2004: Perle as chair of the Defense Policy Board, Feith as Undersecretary of Defense, and Wurmser as special assistant to the Undersecretary of State for Arms Control.

Samuel Francis, author, editor and columnist, also looked into the “neo-conservative” role in fomenting war. “My own answer,” he wrote, “is that the lie [that a massively-armed Iraq posed a grave and imminent threat to the US] was fabricated by neo-conservatives in the administration whose first loyalty is to Israel and its interests and who wanted the United States to smash Iraq because it was the biggest potential threat to Israel in the region. They are known to have been pushing for war with Iraq since at least 1996, but they could not make an effective case for it until after Sept. 11, 2001...”

The role of the pro-Israel lobby in pressing for war has been carefully examined by two prominent American scholars, John J. Mearsheimer, professor of political science at the University of Chicago, and Stephen M. Walt, professor of international affairs at Harvard University. In an 81-page paper, “The Israel Lobby and U.S. Foreign Policy,” they wrote:

“Pressure from Israel and the [pro-Israel] Lobby was not the only factor behind the decision to attack Iraq in March 2003, but it was critical. Some Americans believe that this was a war for oil, but there is hardly any direct evidence to support this claim. Instead, the war was motivated in good part by a desire to make Israel more secure... Within the United States, the main driving force behind the Iraq war was a small band of neoconservatives, many with close ties to Israel’s Likud Party. In addition, key leaders of the Lobby’s major organizations lent their voices to the campaign for war.”

For some Jewish leaders, the Iraq war is part of a long-range effort to install Israel-friendly regimes across the Middle East. Norman Podhoretz, a prominent Jewish writer and an ardent supporter of Israel, was for years editor of Commentary, the influential Zionist monthly. In the Sept. 2002 issue he wrote:

“The regimes that richly deserve to be overthrown and replaced are not confined to the three singled-out members of the axis of evil [Iraq, Iran, North Korea]. At a minimum, the axis should extend to Syria and Lebanon and Libya, as well as ‘friends’ of America like the Saudi royal family and Egypt’s Hosni Mubarak, along with the Palestinian Authority, whether headed by Arafat or one of his henchmen.”

Patrick J. Buchanan, the well-known writer and commentator, and former White House Communications director, has been blunt in identifying those who pushed for war:

“We charge that a cabal of polemicists and public officials seek to ensnare our country in a series of wars that are not in America’s interests. We charge them with colluding with Israel to ignite those wars and destroy the Oslo Accords. We charge them with deliberately damaging US relations with every state in the Arab world that defies Israel or supports the Palestinian people’s right to a homeland of their own. We charge that they have alienated friends and allies all over the Islamic and Western world through their arrogance, hubris, and bellicosity...

“Cui Bono? For whose benefit these endless wars in a region that holds nothing vital to America save oil, which the Arabs must sell us to survive? Who would benefit from a war of civilizations between the West and Islam?

“Answer: one nation, one leader, one party. Israel, Sharon, Likud.”

Uri Avnery – an award-winning Israeli journalist and author, and a three-time member of Israel’s parliament – sees the Iraq war as an expression of immense Jewish influence and power. In an essay written some weeks after the US invasion, he wrote:

“Who are the winners? They are the so-called neo-cons, or neo-conservatives. A compact group, almost all of whose members are Jewish. They hold the key positions in the Bush administration, as well as in the think-tanks that play an important role in formulating American policy and the ed-op pages of the influential newspapers... The immense influence of this largely Jewish group stems from its close alliance with the extreme right-wing Christian fundamentalists, who nowadays control Bush’s Republican party. ... Seemingly, all this is good for Israel. America controls the world, we control America. Never before have Jews exerted such an immense influence on the center of world power.”

In Britain, a veteran member of Britain’s House of Commons bluntly declared in May 2003 that Jews had taken control of America’s foreign policy, and had succeeded in pushing the US into war. “A Jewish cabal have taken over the government in the United States and formed an unholy alliance with fundamentalist Christians,” said Tam Dalyell, a Labour party

deputy and the longest-serving House member. “There is far too much Jewish influence in the United States,” he added.

Stop Netanyahu Before He Gets Us All Killed by Professor Jeffrey Sachs

For nearly 30 years, Israel’s Prime Minister Benjamin Netanyahu has driven the Middle East into war and destruction. The man is a powder keg of violence. Throughout all the wars that he has championed, Netanyahu has always dreamed of the big one: to defeat and overthrow the Iranian Government. His long-sought war, just launched, might just get us all killed in a nuclear Armageddon, unless Netanyahu is stopped.

Netanyahu’s fixation on war goes back to his extremist mentors, Ze’ev Jabotinsky, Yitzhak Shamir, and Menachem Begin. The older generation believed that Zionists should use whatever violence—wars, assassinations, terror—is needed to achieve their aims of eliminating any Palestinian claim to a homeland.

The founders of Netanyahu’s political movement, the Likud, called for exclusive Zionist control over all of what had been British Mandatory Palestine. At the start of the British Mandate in the early 1920s, the Muslim and Christian Arabs constituted roughly 87% of the population and owned ten times more land than the Jewish population. As of 1948, the Arabs still outnumbered the Jews roughly two to one. Nonetheless, the founding charter of Likud (1977) declared that “between the Sea and the Jordan there will only be Israeli sovereignty.” The now infamous chant, “from the River to the Sea,” which is characterized as anti-Semitic, turns out to be the anti-Palestinian rallying call of the Likud.

In 1996, Netanyahu and his American advisors devised a “Clean Break” strategy. They advocated that Israel would not withdraw from the Palestinian lands captured in the 1967 war in exchange for regional peace. Instead, Israel would reshape the Middle East to its liking. Crucially, the strategy envisioned the US as the main force to achieve these aims—waging wars in the region to dismantle governments opposed to Israel’s dominance over Palestine. The US was called upon to fight wars on Israel’s behalf.

The Clean Break strategy was effectively carried out by the US and Israel after 9/11. As NATO Supreme Commander General Wesley Clark revealed, soon after 9/11, the US planned to “attack and destroy the governments in seven countries in five years—starting with Iraq, then Syria, Lebanon, Libya, Somalia, Sudan, and Iran.

State Department Says US Is in Conflict With Iran 'At the Request' of Israel

Hamas attack October 7th 2023

Charlie Kirk before he was assassinated questions what happened on October 7th.

"I find what we were told about October 7th very hard to believe. I have been to that Gaza border. You cannot go 10 feet without running into a IDF soldier with an Automatic machine gun. The whole country is surveilled. Was there a stand down order given to the Israeli soldiers to remove themselves from the Gaza border? It took them 6 hours to respond to Hamas on October 7th. I have been to Israel, it is the size of New Jersey. I have flew in a helicopter across Israel in 45 minutes".

"Never ever believe Israeli figures. I have been in the government too long to know that the Israelis are patent liars, in their Intelligence community, in their propaganda and in their leadership, they are liars. So you can't believe anything that comes out of Jerusalem. It's all propaganda". - Larry Wilkerson, Former Chief of Staff to the US Secretary of State Colin Powell

Ex CIA Officer Philip Giraldi:

"As a former intelligence officer, I find it impossible to believe that Israel did not have multiple informants inside Gaza as well as electronic listening devices all along the border wall which would have picked up movements of groups and vehicles. In other words, the whole thing might be a tissue of lies as is often the case."

Gaza has been destroyed and made a wasteland because of the Hamas attack on October 7th 2023. But what if Israel knew the attack was being planned and let it happen so that they could then destroy Gaza so that they will never be a Palestinian state. Israel has a certain expertise in false flag attacks to further their nefarious agenda.

Gaza is surrounded by a fence and that fence was surveilled by Israeli Defence forces 24 hours and 7 days a week. Not even a fox could get within a few yards of that fence without the IDF knowing about it. But yet on October 7th 2023 we are to believe that Hamas soldiers got through the fence on motorbikes, trucks and even hand-gliders without Israel even knowing about it. As Charlie Kirk said why did it take the Israeli defence force 6 hours to respond to the attacks.

Below is the testimony of an ex IDF Soldier a few days after it happened and you can find her interview online.

Efrat Fenigson, former IDF intelligence:

"I served in the IDF 25 years ago, in the intelligence forces. There's no way Israel did not know of what's coming. A cat moving alongside the fence is triggering all forces. So this?? What happened to the "strongest army in the world"? How come border crossings were wide open?? Something is VERY WRONG HERE, something is very strange, this chain of events is very unusual and not typical for the Israeli defense system. To me this surprise attack seems like a planned operation. On all fronts. If I was a conspiracy theorist I would say that this feels like the work of the Deep State. It feels like the people of Israel and the people of Palestine have been sold, once again, to the higher powers that be".

"We Were ORDERED To Stand Down On October 7th!" -Says IDF Soldier

A former Israeli soldier testified that on October 7th 2023, the day of the Hamas attacks, troops were unexpectedly ordered to cancel all border patrols and stand down between 5:20 and 9:00 a.m., despite Gaza being one of the most heavily surveilled areas in the world. this strange directive raised serious doubts about the official narrative.

The Jimmy Dore Show present a broader theory that Israeli leadership, including Netanyahu, intentionally empowered Hamas over more moderate Palestinian factions to justify military action and territorial expansion.

Israeli soldier reveals 'strange order' to cancel Gaza border patrols on 7 Oct.

The revelation adds to evidence suggesting Israel knew of the Hamas attack in advance, yet allowed it to occur so that they could carry out the destruction of Gaza

An Israeli soldier stated that he and his fellow soldiers stationed at a military outpost near Gaza received orders not to carry out their usual early morning patrol on the border fence on 7 October 2023, Israeli media reported on 17 July.

During the time the border patrol would have normally been carried out, members of Hamas's armed wing, the Qassam Brigades, crossed the fence to attack Israeli army bases and settlements (kibbutzim).

Shalom Sheetrit, a soldier in the Golani Brigade, revealed the directive while giving testimony at a meeting of the lobby for reserve personnel in the Israeli Knesset.

He stated that on the night before the 7 October attack, he and two other soldiers, Yotam Srur and Itamar Ben Yehuda, sat by the battalion radio at the Pega military outpost near Kibbutz Be'eri.

"We were playing on the phone [at 5:20 am] and suddenly a strange message comes from my battalion commander," the soldier explained, "and what he says on the call is something

like this: 'I don't know why, but an order was issued that there are no patrols at the fence until nine in the morning.'

Sheetrit said soldiers from the outpost carried out patrols on the border fence every morning "because you are in an operational battalion and that is part of the matter."

Recent testimonies from IDF Soldiers have now surfaced, proving that IDF Soldiers were in fact told to stand down during the October 7th attack on Israel.

"Anyone who wants to thwart the establishment of a Palestinian state has to support bolstering Hamas and transferring money to Hamas," he [Netanyahu] told a meeting of his Likud party's Knesset members in March 2019. "This is part of our strategy – to isolate the Palestinians in Gaza from the Palestinians in the West Bank." (Haaretz, October 9, 2023, emphasis added)

Israeli domestic intelligence agency Shin Bet has confirmed Benjamin Netanyahu, Israel's long-serving prime minister, secretly funded Hamas for years—and enabled the deadly October 7 false flag to further his expansionist ambitions in the region.

According to the Jerusalem Post: "...policies carried out under Netanyahu that the agency flagged as problematic and as contributions to Hamas's decision to invade were his facilitation of Qatari funding to Hamas and his opposition to proposed assassination operations of top Hamas leaders at the time."

Netanyahu's support for Hamas can be seen as a plan to justify terrorising the Palestinians. By secretly funding and enabling the group, he ensured that Hamas would carry out attacks, creating a pretext of "security threats" that could be used to legitimize full-scale military operations and occupation.

Netanyahu oversaw massive transfers to Gaza—\$30 million a month in 2014 alone—while claiming the money was "humanitarian." At the same time, Hamas continued launching rockets at Israeli civilians.

Warnings from Shin Bet in 2019 and IDF intelligence in 2020 that these funds were directly fuelling terrorism were ignored. Shin Bet is like Israel's FBI.

"In the visible dimension Hamas is an enemy, in the hidden dimension it is an ally."

– IDF Major General Gershon Hacohen

Since Hamas's "surprise" attack on Israel on October 7, the Zionist-owned and controlled Western media has regaled us 24/7 with alleged narratives of atrocities committed by Hamas: beheading children, widespread rape and murder.

The mainstream media has frantically discredited accounts by Israelis who do not believe that the Hamas attack was a surprise, or that Hamas could have breached the world's most secure and guarded border without Israel's foreknowledge and complicity.

What the kosher media does not tell us – or even acknowledge – is that Hamas was originally created and funded by Israel's Mossad, which is consistent with the Israeli maxim "If Israel has no enemy, then it must create one" to justify their blatant ethnic cleansing of the Arab population in Palestine.

The following essay, published by Swiss Policy Research, provides a detailed history of how and why Israel created Hamas as a classic "controlled opposition" to provide it with a *casus belli* – and the "moral" high ground to commit genocide and land theft – all while the world was under the illusion that the ethnic cleansing was actually "self-defense."

The October 7th Attacks on Israel Were Allowed to Happen. Here's Why.

As we watch the Israel's genocide in Gaza unfold, some basic facts still make no sense.

First: How could Israel not see the October 7th attacks coming? Second: What was the Hamas' grand strategy with these attacks? The answer to these questions might ruffle some feathers.

Hamas had absolutely no strategic reason to perpetrate these attacks. Furthermore, Israel had absolutely no reason to not see these attacks coming. The sad reality is that the heads of both parties are in cahoots. They are funded and supported by the same entities.

Below is from the article titled: *Wiping Palestinians Off the Map Is Prepping for Armageddon: Netanyahu's False Flag Exposed*

The coordinated false flag Hamas attack on Israel serves as the perfect pretense of an excuse for Israel to demolish Gaza and the Palestinian people, nearly half of which are innocent children. Another clue is Netanyahu's speech at the UN General Assembly less than two weeks ahead of the Israel's "counterattack" on Gaza, Bibi pulled out a map titled "The New Middle East" that shows no Gaza or West Bank on the map, only Israel. The fact that Palestinians have been literally "wiped off the map" in Bibi's world is hardly coincidence. Israel's Defense Minister Yoav Gallant vowed at a press conference: We will wipe them off the face of the Earth Though "them" is supposed to be Hamas, what he and his boss Bibi really mean is Palestinian people will be wiped off the face of the Earth.

In 1992, Israeli military intelligence whistleblower, Ari Ben-Menashe, revealed how Israeli intelligence agencies were using “Palestinian terrorists” to sabotage the Palestinian cause:

“The slush fund helped finance the intelligence community’s “black” operations around the world. These included funding Israeli-controlled “Palestinian terrorists” who would commit crimes in the name of the Palestinian revolution, but were actually pulling them off, usually unwittingly, as part of the Israeli propaganda machine.”

In his 1994 book, *The Other Side of Deception*, former Mossad case officer and whistleblower Victor Ostrovsky revealed how the Mossad secretly supported Hamas:

“Supporting the radical elements of Muslim fundamentalism sat well with the Mossad’s general plan for the region. An Arab world run by fundamentalists would not be a party to any negotiations with the West, thus leaving Israel again as the only democratic, rational country in the region. And if the Mossad could arrange for the Hamas (Palestinian fundamentalists) to take over the Palestinian streets from the PLO, then the picture would be complete.”

In December 2001, during the Second Intifada, PLO leader Yasser Arafat gave interviews to two leading Italian newspapers and discussed the origins and financing of Hamas.

In an interview with L’Espresso, Arafat stated:

“Hamas was constituted with the support of Israel. The aim was to create an organization antagonistic to the PLO. They received financing and training from Israel. They have continued to benefit from permits and authorizations, while we have been limited, even to build a tomato factory. Rabin himself defined it as a fatal error. Some collaborationists of Israel are involved in these [terror] attacks,” he said. “We have proof, and we are placing it at the disposal of the Italian government.”

Is Hamas a terrorist organisation? It may be surprising to know but out of the 195 countries in the world only 9 say that Hamas is a terrorist organisation. Those 9 countries are mostly Western Countries where Jewish lobbies have probably pressured the Politicians to designate Hamas as terrorists. The 9 countries include Israel, America, U.K, Australia, Canada, New Zealand. So 186 countries say Hamas is not a terrorist organisation.

Hamas was not formed until 1987. After 40 years of Israeli massacres and bombings the Palestinians are allowed to resist their torture. According to International law any people are allowed to resist their oppression. I don’t hear of Hamas dropping bombs on schools or hospitals or killing unarmed civilians over a period of 80 years but that is what Israel has

been doing to the Palestinians. It is the same in Lebanon with Hezbollah. Hezbollah emerged out of Shia militias formed to resist Israel after its invasion of southern Lebanon in 1982.

Propaganda has always been part of war to try and influence the public to accept a war or force an agenda.

From the start of World War I, stories of German atrocities filled British and American newspapers. Most emanated from the German march through Belgium to outflank French defenses in their drive on Paris. Eyewitnesses described infantrymen spearing Belgian babies on their bayonets as they marched along, singing war songs. Accounts of Belgian boys with amputated hands (supposedly to prevent them from using guns) abounded. Tales of women with amputated breasts multiplied even faster.

One eyewitness claimed the Germans dragged twenty young women out of their houses in a captured Belgian town and stretched them on tables in the village square, where each was violated by at least twelve "Huns" while the rest of the division watched and cheered.

Clarence Darrow, the famously American lawyer, went to France later in 1915 and searched in vain for a single eyewitness who could confirm even one of the stories. Darrow announced he would pay \$1,000, a very large sum in 1915 -- more than \$17,000 in 21st Century money -- to anyone who could produce a Belgian or French boy whose hands had been amputated by a German soldier. There were no takers.

A more recent example is the 40-beheaded babies myth that quickly emerged during the initial months of the "October 7th" (2023) Israeli-Hamas war based primarily on the lies-exaggerations of one Israeli soldier. There was no evidence, no witnesses and no victims. It was a lie to get the public on the side of Israel so that it could then begin its destruction of Gaza. With no evidence the media was only too happy to help the Israelis by using these lies on their front pages.

Even the President of America appeared on American television and stated he saw photos of the 40 beheaded babies. Of course nearly the whole of Bidens administration was Jewish. Israeli first Jews held most of the key positions in his cabinet. The White House then retracted Bidens statement a week later but the damage had been done.

It was claimed that the Nova music festival was a specific target of Hamas and that they started mass executing people there. It was later shown that the music festival was coincidentally going on when Hamas attacked. Investigations by Jewish outlets (Yedioth Ahronoth, Haaretz) showed that many of the festival goers who died were not killed by Hamas (at least not on purpose in "executions"), but rather in crossfire in the fighting with the IDF, as well as by Israeli helicopter strikes.

The key problem with Israel's 7 October mass rapes narrative has never been merely the failure to name victims publicly.

Yet to this day, Israel has not provided even the most of evidence that you would expect in a serious investigation: How many people have complained that they were raped on 7 October, how many deceased persons have been positively identified as rape victims, how many families have been informed that their relatives were assessed to have been raped. There is none.

Israel is “falsifying claims” of Palestinian rape against Israelis on 7 October 2023 to “to justify a further genocide” in Gaza, a groundbreaking new report says.

Published by the Sexual Violence Prevention Association this week, the report documents how Israel is deploying “wartime rape propaganda” and the “weaponization of sexual violence as a tool of war” in Palestine.

October 7th Al Jazeera Investigations

Hamas's incursion into Israel on October 7 transformed the politics of the Middle East. Al Jazeera's Investigative Unit (I-Unit) has carried out a forensic analysis of the events of that day – examining seven hours of footage from CCTV, dashcams, personal phones and headcams of dead Hamas fighters, and drawing up a comprehensive list of those killed.

In October 7, the I-Unit reveals widespread human rights abuses by Hamas fighters and others who followed them through the fence from Gaza into Israel.

But the investigation also found that many of the worst stories that came out in the days following the attack were false. This was especially true of atrocities that were used repeatedly by politicians in Israel and the West to justify the ferocity of the bombardment of the Gaza Strip, such as the mass killing of babies and allegations of widespread and systematic rape.

In particular the I-Unit reveals that claims by the Israel Defence Force that it found 8 burned babies at a house in Kibbutz Be'eri were entirely untrue. There were no babies in the house and the 12 civilians inside were killed by Israeli forces when they stormed the house. This was one of a number of incidents where the police and army appear to have killed Israeli citizens. October 7 is a deep dive into the events that led to the deaths of tens of thousands of people, the significance of which will reverberate for decades.

In an exclusive documentary, Max Blumenthal (The Grayzone) rips the cover off the media deceptions and atrocity hoaxes Israel pushed after October 7 to create political space for its gruesome assault on the Gaza Strip. Blumenthal exposes the US mainstream media's role as a megaphone for the Israeli government, introducing new lies even after their initial ones were debunked.

Atrocity Inc raises serious questions about the official narrative of October 7, while revealing how Israel's army has consciously engaged in the same hideous atrocities which it falsely accused Palestinian militants of committing.

October 7 The Lies

If you want to dehumanize an enemy, if you want to desensitize people to the suffering that is inflicted on the enemy, then you portray them as barbarians, as savages who behead babies, as people who are not deserving of humane treatment

Jews lie compulsively in order to make themselves out to be victims. Certainly, there were Jewish innocent victims on October 7th, as there are always victims in war, but the fact is, most of the innocents were killed by the Jews themselves, and the Hamas operation was a legitimate military operation to take hostages. There is over 9000 Palestinians in Israeli prisons who are in their without any charges brought against them. Strange their not classified as hostages. But when 200 Jews are taken hostage the world erupts.

It is shocking to me personally that the same people who will say the Jews lied about really everything they could possibly lie about with relation to October 7th are not willing to question the stories Jews tell about what supposedly happened to them during World War II.

At some point in the future, people will ask: "well, what else have the Jews been lying about?"

The Gaza Genocide

At the Jerusalem Post Diplomatic Conference in Jerusalem 2015 Israel Prime Minister Benjamin Netanyahu defined terrorism:

"Terrorism is the deliberate and systematic targeting of the innocent, of civilians, of non-combatants for a political or ideological ends. This is what defines terrorism. It's always evil," he said.

So in Netanyahu's own words Israel is a terrorist state.

Only a great evil could turn a modern city into rubble like this. There is no justification

No matter what the media spin says and the lying Israeli Politicians and the Israeli apologists say, Israel has been carrying out a Genocide against the Palestinian people.

Every human rights organisation on this planet states that it is a genocide. We have Amnesty International, Human Rights Watch, University Network for Human Rights, B'Tselem, Physicians for Human Rights-Israel (another Israeli organization) United Nations Independent International Commission of Inquiry on the Occupied Palestinian Territory, the International Association of Genocide Scholars, Raz Segal, Israeli historian and associate professor of Holocaust and Genocide Studies and endowed professor in the Study of

Modern Genocide at Stockton University and Shmuel Lederman, professor specializing in political theory and genocide studies at the Open University of Israel.

B'Tselem is an Israeli Human Rights Group and although it took 22 months it finally admitted Israel is carrying out a genocide against the Palestinians

The International Association of Genocide Scholars (IAGS) has passed a three-page resolution that outlines a wide range of Israeli actions that it says constitute genocide, including deliberate attacks against civilians, starvation, deprivation of humanitarian aid, sexual violence, and forced displacement of the population.

A UN Independent Commission of Inquiry has established that Western-supported Zionists are indeed committing genocide against Palestinians by satisfying not just one but four of the criterion in what is now appropriately named the Palestinian Genocide.

Highlights of the Report include these genocidal acts:

Killing members of the group

Israel has admitted that 83% of its victims are/were civilians

Causing serious bodily or mental harm to members of the group

Palestine has the largest cohort of amputated children in modern history, and Zionists have damaged or destroyed 94% of Gaza's hospitals.

Deliberately inflicting on the group conditions of life calculated to bring about its physical destruction in whole or in part

Israel has imposed a total siege on Gaza. It has destroyed 90% of civilian infrastructure. It has engaged in ecocide by destroying most of its farmland. One quarter of Gaza's 2.3 million population is suffering from famine, and one in three children is acutely malnourished. Israel has destroyed 85% of Gaza's clean water facilities, and diseases are rampant. Both health and food supplies are deliberately being intercepted and unacceptably restricted. As Gazans starve, trucks full of food and supplies are sitting idle on the other side of the fence.

Imposing measures intended to prevent births within the group.

In its criminal attacks against hospitals, Israel has also directly attacked maternity wards, thus accelerating the mass murder and depopulation of Palestine.

A 2025 study found that half of American voters believe Israel is carrying out a genocide against its neighbors in West Asia. The International Criminal Court has issued arrest warrants for Israeli prime minister Benjamin Netanyahu and former defense minister Yoav Gallant, among others, on charges of crimes against humanity.

The United States, however, has refused to accept the ICC's actions, attempted to shut down proceedings, and imposed sanctions on the court. That just shows the power of the Jews in America.

How many people has Israel killed in Gaza

Officially there was about 2.1 million Palestinians in Gaza as of 2023.

According to *Skewering History: The Odious Politics of Counting Gaza's Dead* by Dr Richard Hil and Dr Gideon Polya, a report on the death toll suffered by Palestinians in Gaza so far, around **680,000** people have been killed in the Gaza genocide, with an estimated 380,000 children being among this number.

Gaza is one of the most densely populated places in the world, and over the past two years the territory has been subject to a relentless bombing campaign by the forces of Apartheid Israel. Entire neighbourhoods have been reduced to rubble, hospitals and schools have been targeted and destroyed, with basic infrastructure essential to life like water, electricity, and sanitation collapsing in parallel with this devastation.

Added to this, over the past two years Apartheid Israel has repeatedly blocked desperately needed aid from reaching Gaza, exacerbating the suffering of Palestinians, subjecting them to famine, disease, and total societal collapse.

Actual death toll in Gaza is ten times as high as officially reported — UN

According to UN special rapporteur Francesca Albanese, if this figure is verified, some 380,000 of them are children under five

The actual death toll from Israel's operations in the Gaza Strip is at least 680,000, or ten times as many as officially reported, United Nations special rapporteur on the occupied Palestinian territories, Francesca Albanese, told a briefing in September 2025.

<https://tass.com/world/2017029>

The Lancet study (June 2024) estimates death toll in Gaza 186,000 or even more

Applying a conservative estimate of four indirect deaths per one direct death reported in Gaza, a new study published in respected medical journal *The Lancet* said it is "not implausible" to estimate that up to **186,000** or even more deaths could be attributable to the genocidal war in Gaza. The paper titled 'Counting the dead in Gaza: difficult but essential', published on 05 July, stated that using the 2022 Gaza Strip population estimate of 2,375,259, the estimated death toll would translate to 7.9% of the total population in the

besieged enclave. Don't forget this Lancet estimate was in June 2024 some 2 years ago. It would be way above that now in the summer of 2026.

Harvard Study: Israel 'Disappeared' Almost 400,000 Palestinians in Gaza, Half of Them Children

A new report published by the Harvard database reveals that Israel has "disappeared" at least 377,000 Palestinians since the start of its genocidal campaign against the Gaza Strip in 2023.

Half of this number is believed to be Palestinian children.

The report was written by Israeli professor Yaakov Garb, who used data-driven analysis and spatial mapping to show how the Israeli army's siege of Gaza and indiscriminate attacks on civilians in the enclave have led to a serious drop in its population.

The 377,000 Palestinians who are unaccounted for due to Israel's genocide are approximately 17 percent of the Gaza Strip's entire population, which now stands at about 1.85 million. Prior to the war in Gaza, the strip's population was estimated at 2.227 million.

‘Point-Blank Range’: How Israel Executed 15 Medics and Rescue Workers in Gaza

The Israeli army gunned down 15 rescue workers in March 2025 but only after reportedly making sure that at least some of their hands and legs were tied, unable to move. In other words, Israeli soldiers executed these rescue workers at point-blank range; they were reportedly found with approximately 20 gunshot wounds (each) to the head and chest. But the soldiers did not just tie up and then execute them. No, this time, the ambulances and firetrucks that these rescue workers were in – vehicles that were on their way to rescue other Palestinians in Rafah that Israel had decided to bomb – were flattened and then buried in the sand by the Israeli army.

Israel’s Flour Massacre

Israeli troops killed more than 100 starving Palestinians waiting for flour from aid trucks and wounding more than one thousand others in March 2024. Footage shows Israeli soldiers firing indiscriminately at thousands of civilians who gathered at al-Nabulsi roundabout at al-Rasheed Street to receive flour from aid trucks. Medical sources report that most victims were shot directly in the head, chest, or stomach. Israeli tanks ran over dead and wounded bodies. The scene resembled a slaughterhouse. Most of the victims were children. A heartbroken mother was heard screaming through the crowds: “My girl is gone; she’s been starving for seven days.” The massacre is a war crime on top of a war crime, as Israel slaughtered Palestinian civilians whom it has been starving for months, and whose only

crime was queuing up to receive flour for their families. Palestinian officials have described the carnage as a “cold-blooded massacre.”

British surgeon Nick Maynard describe how Israeli soldiers routinely shoot children in different body parts

Nick Maynard, a consultant surgeon at Oxford University hospital.

A British surgeon in Gaza has claimed medical workers are seeing “clear patterns of injury”, suggesting IDF soldiers are deliberately shooting Gazan children in different body parts depending on the day of the week.

Professor Nick Maynard told BBC Radio 4 he and his colleagues have experienced unusually high instances of gunshot victims targeted at aid distribution sites - mainly teenage boys - needing treatment for similar injuries.

“On one day they’ll all be abdominal gunshot wounds, on another they’ll all be head gunshot wounds or neck gunshot wounds, on another they’ll be arm or leg gunshot wounds,” he said.

“It’s almost as if a game is being played, that they’re deciding to shoot the head today, the neck tomorrow, the testicles the day after.”

You can find many videos on Youtube where Doctor Maynard discusses with horror his experiences in Gaza hospitals.

British Doctor testifies that Israel is using Drones to shoot children in Gaza

A retired surgeon who volunteered at a hospital in Gaza has told MPs that Israeli drones would target children who were lying injured after bombings.

Prof Nizam Mamode, from Brockenhurst, Hampshire, worked at Nasser hospital for a month in August and September.

Giving evidence to the parliamentary International Development Committee, he broke down as he described children's accounts of being shot by quadcopters.

Labour MP Sarah Champion, who chairs the committee, said his evidence was "profound and deeply chilling".

UN report says Israeli snipers and drones picked off Palestinian children one by one

UN Commission of Inquiry has found that Israeli forces repeatedly and deliberately shot individual Palestinian children in Gaza. A UN Commission of Inquiry has found that Israeli forces repeatedly and deliberately shot individual Palestinian children in Gaza, often with a single precise round to the head or upper body, in circumstances its investigators said ruled out crossfire. The Commission based its conclusions on forensic analysis of dozens of cases, interviews with medical workers and an assessment of the weapons used. The Commission interviewed 17 medical workers who described a consistent flow of children arriving with single gunshot wounds from snipers or drones. In one set of cases, it documented 168 children shot between late 2023 and mid-2025; at least 88 were killed, most struck in the head or chest, the majority by quadcopters and others by snipers.

Why Are Israelis Obsessed with Killing Palestinian Children?

The Israeli military is notorious for deliberately targeting and murdering children.

They are proud of killing children. Ayelet Shaked, the former Justice Minister, is notorious for calling for the mass murder of Palestinian children. She called them "little snakes." And she said Israel should also kill their mothers. So there is something deep in the Israeli psyche that is twisted, mentally ill. They hate Palestinian children and want to kill them.

Palestinians 'buried alive' by Israeli army in Nasser Hospital mass graves

Civil Defense Department announced on 25 April that 392 bodies have been unearthed from three mass graves discovered at the Nasser Medical Complex in the city of Khan Yunis, with some showing signs of having been buried alive.

“Why do we have children in mass graves?” he added, stressing that the evidence shows the Israeli army committed “crimes against humanity.”

Ten of the bodies unearthed had their hands bound, while others still had medical tubes attached to them.

“There are indications of carrying out field executions against some of the victims, while the bodies of other victims carried signs of torture and others were buried alive,” officials from Gaza's Civil Defense Department said during a press conference.

Dr. Mark Perlmutter, who spent weeks treating patients in Gaza, shares a horrifying account of two children allegedly buried alive by “Israeli” soldiers using a bulldozer during mass grave burials. The doctor says the children’s cries were silenced by dirt as they were buried, and their bodies were later found with hands tied and identifiable red and green shirts. The story, now being pursued by the ICJ, highlights the unimaginable brutality faced by Gaza’s civilians.

The Killing of 6 year old Hind Rajab

On January 29, 2024, Israeli tanks blocked Hind Rajab's family car fleeing Tal Hawa, firing hundreds of rounds and killing her relatives while wounding five-year-old Hind.

Hind (above) pleaded with the Red Crescent as she bled for hours. After hours of coordination, paramedics Yusuf al-Zeino and Ahmed al-Madhoun were granted safe passage, but Israeli tanks lured and shelled them just hundreds of meters from Hind's car.

Her body was found two weeks later, on 10 February, alongside the bodies of six of her family members in the car they drove to flee their neighbourhood as Israeli forces invaded. The bodies of two Palestine Red Crescent Society (PRCS) paramedics, missing since the evening of the call when they were dispatched to rescue Hind, were discovered in their ambulance about 50 metres away.

The Hind Rajab Foundation was set up in her name devoted to breaking the cycle of Israeli impunity and achieving justice for all the victims of the Gaza genocide. A movie was also made about Hind Rajab's murder called 'The Voice of Hind Rajab'. At the 82nd Venice International Film Festival, the film won the Grand Jury Prize and six other parallel prizes.

The Hind Rajab Foundation (HRF) revealed the identity of the Israeli battalion, company, and commanders responsible for the killing of six-year-old Hind Rajab — the Foundation has submitted a 120 pages Article 15 filing to the International Criminal Court (ICC) in The Hague.

This new filing names 24 Israeli soldiers and commanders responsible for the killing of Hind Rajab, six members of her family, and two Palestinian Red Crescent paramedics, Yusuf al-Zeino and Ahmed al-Madhoun, who were deliberately targeted while attempting to rescue her on 29 January 2024 in Gaza City.

The Israeli soldiers responsible:

Colonel Beni Aharon, Commander of the 401st Armoured Brigade

Lieutenant Colonel Daniel Ella, Commander of the 52nd Armoured Battalion

Major Sean Glass, Commander of the Vampire Empire Company

Along with 22 identified tank crew members of the same company who directly participated in or facilitated the attack.

In April 2026 a nine-year-old Palestinian girl was shot in the head by Israeli forces stationed nearby while attending class. She was actually sat in the tent classroom when she was shot by some sick Israeli psycho. Ritaj Abdulrahman Rihan was practising the subtraction of four-digit numbers during a maths lesson in Beit Lahia, northern Gaza. She was rushed to the hospital but was pronounced dead before her parents could say goodbye. The family had been living in a makeshift tent after their home was destroyed in Israeli attacks. Despite this, they insisted on keeping Ritaj in school, walking about 1km to and from classes each day.

She was their first child.

“I wanted her to learn and go to school like any other child around the world. We indeed have another four-year-old child. But Ritaj was our first child, our first joy,” Abdulrahman said.

“We were happy she had grown up enough and remained alive and healthy after two years of genocide to carry a school bag and notebooks. She was finally back at school. She was clever and loved school.”

Israeli precision-guided munition likely killed group of children playing foosball in Gaza, weapons experts say

The last time Mona Awda Talla saw her daughter Shahed alive, she was leaving the house to go buy her some cake, wearing pink pants. The 10-year-old stopped to play foosball with her friends beside the cake shop in Gaza's Al-Maghazi refugee camp. Moments later, she was dead. Grief-stricken and sobbing, Awda Talla said she still can't believe that her only daughter will never come home. A video showing the aftermath of the strike that killed Shahed captured her sprawled on the ground next to her friends, her pink pants impossible to miss. In the two weeks since the attack, the Israeli military's statements have shifted, but it has not taken responsibility for the strike that ultimately killed Shahed and 10 other children. An analysis of the site of the attack, documented by a freelance journalist working for CNN in Gaza, paints a very different picture of Israeli military responsibility. Three munitions experts who reviewed videos and photos showing damage caused by the strike and shrapnel left in its aftermath, independently drew the same conclusion: that the carnage was likely caused by a precision-guided munition deployed by the Israeli military. Chris Cobb-Smith, a former British Army officer and weapons expert, who has experience investigating munitions used by Israel in Gaza said that, based on available imagery of the

aftermath, he believed the strike was "absolutely" caused by a precision-guided missile fired by an Israeli drone.

"It's certainly a light missile fired by UAV — by a drone," Cobb-Smith. "There's a certain aspect of this particular missile, which is very evident — it's clearly a small munition," and has devastating consequences, he added.

In November 2025 Israel soldiers shoot a 14 year old Palestinian boy and stood and watched as he bled to death in front of them. They even stopped an ambulance from reaching him.

Jad Jadallah was shot at close range by Israeli soldiers in a refugee camp in the occupied West Bank.

As Jad lay collapsed in an alley, the soldiers created a cordon around him and blocked two Palestinian ambulances from reaching him.

According to video footage and eyewitness testimony, the soldiers – 14 in total – then stood around Jad casually for at least 45 minutes while he bled from one or more gunshot wounds.

The IDF has also accused Jad of throwing a rock, which, under their rules of engagement, can permit soldiers to use lethal force.

But the footage of the incident shows an IDF soldier dropping an object next to Jad after he was shot, then taking a photograph of it – an action Jad's family and a leading human rights group say appears to be an attempt to frame him.

These Israelis are pretty sick and twisted. No other military in the world does this. The Germans during WW2 were angels compared to these evil sickos.

According to a United Nations report in June 2026 the Israeli terrorist regime has been targeting children and purposely trying to kill as many children as possible.

“The evidence shows that Palestinian children have been deliberately targeted and killed by the Israeli security forces,” said Srinivasan Muralidhar, chair of the UN Independent International Commission of Inquiry on the Occupied Palestinian Territory, including East Jerusalem, and Israel.

Here are some findings in the UN commission’s report:

- Israel has killed 20,000 children and injured 44,000 more since 7 October 2023
- Severe physical and mental injuries, mass trauma, orphanhood, separation, disability, repeated displacements, starvation and the collapse of education and healthcare have erased childhood and will continue to affect children in Gaza throughout their lives
- Palestinian children have been arrested and subjected to torture and other severe forms of mistreatment in Israeli prisons and detention facilities, with no information on their whereabouts
- Israeli security forces have used sexual violence against children as part of the collective shaming and oppression, entrenched within a prolonged, ethnic, gendered and intergenerational pattern of occupation and hostilities

The report states by targeting children, Israel is eroding the foundational structure of Palestinian society, weakening the demographic vitality and overall capacity of the Palestinian people to sustain and exercise its right to determine its future as a people.

"The protection, care and survival of Palestinian children are inseparable from the Palestinian people's right to self-determination," Mr. Muralidhar said. "By targeting children, Israel is attacking the very capacity of the Palestinian people to exist and to determine their future."

Israel DELIBERATELY Killing Children: UN Report

Hundreds of Palestinian journalists killed by Israel in Gaza

As of May, 2026, The Committee to Protect Journalists preliminary investigations show that at least 263 journalists and media workers have been killed across Gaza since 2023. Some were killed with their families at home, others were in vehicles marked "PRESS," in tents near hospitals or while covering the violence. More journalists have been killed in Gaza than in any other war, according to a report by the Costs of War Project at the Watson Institute for International and Public Affairs. This includes the US Civil War, World Wars I and II, the Korean War, the Vietnam War (including the conflicts in Cambodia and Laos), the wars in Yugoslavia in the 1990s and 2000s, and the post-9/11 war in Afghanistan

The killing of the journalists is to stop the truth from reaching the outside world. It is Israel's aim to kill the 2 million Palestinians without anyone knowing. They are slowly starving them to death, shooting them, bombing them and there is no hospitals for people to recover.

On August 10, Israel deliberately targeted a tent near Al-Shifa Medical Complex in Gaza, killing two Al Jazeera journalists, Anas Al-Sharif and Mohammed Qreiq. Killed with them were photojournalists Ibrahim Zaher, Moamen Alaiwa, and camera assistant Mohammed Noufal.

Israel does not want their citizens, or the world, to see what the actual situation is inside Gaza. Israel has not allowed foreign reporters to enter Gaza since October 7, 2023

Israel murders 7 World Central Kitchen workers in Gaza

Israel intentionally murdered 7 World Central Kitchen members when they were delivering aid to starving Palestinians in April 2024. WCK is a United States-based nonprofit that focuses on feeding people during conflicts and major disasters across the world, often as first responders. WCK said its team members came from Australia, Palestine, Poland and the United Kingdom. One was a dual citizen of the United States and Canada.

The seven members of the organisation had been killed while travelling in a convoy in Deir el-Balah after unloading 100 tonnes of food aid at its central Gaza warehouse.

It said the group was travelling in a “deconflicted zone” in two armoured vehicles that were branded with the WCK logo and that it had coordinated their movements with the Israeli military.

One of the victims James Kirby was in the British armed forces, where he bravely served tours in Bosnia and Afghanistan. Another victim John Chapman use to be in the British Special Forces. James Henderson, 33, who was born in Truro, Cornwall, and according to his

LinkedIn page he served for six years in the Royal Marines before working for private security firms.

“This is not only an attack against WCK, this is an attack on humanitarian organizations showing up in the most dire of situations where food is being used as a weapon of war,” CEO Erin Gore said in a statement. “This is unforgivable.”

The Israelis don’t respect International law. They are a pariah terrorist state and will kill anyone who tries to bring aid to the Palestinians, even if those people are Christians from USA or the U.K. Imagine if Iran had killed these Food Aid workers? Imagine the hysteria in the media. But Israel does it and it’s ok.

Two healthcare workers killed every day on average during Israel’s genocide in Gaza

Following two years of Israel’s genocide in Gaza over 1,700 healthcare workers have been killed, an average of more than two killed every day. Since Israel broke the temporary ceasefire in March 2025, that toll has risen to an average of three per day.

These devastating statistics – equating to the loss of 70 healthcare professionals per month – confirm the deliberate and systematic targeting of Gaza’s health system. UN experts have called it “medicide”, and an independent UN Commission of Inquiry has concluded it constitutes the crime against humanity of extermination.

Almost every single hospital in Gaza has been attacked. None remain fully functional. The surviving healthcare workers are exhausted, traumatised, malnourished and displaced from their homes.

The Israeli military is making it impossible to sustain life in Gaza – deliberately starving the population, forcibly displacing people from their homes again and again, and imposing a suffocating siege that blocks access to the most basic needs.

The World Health Organization has reported that 94 percent of hospitals in the Gaza Strip have been damaged or destroyed and there are only 2,000 beds for a population of over 2 million.

A documentary was made about the experiences of the Doctors in the Gaza hospitals called **“Gaza: Medics Under Fire”**. The BBC had arranged to air this documentary on it’s channel but it was cancelled because of pressure from Jewish groups.

The open letter to BBC Director-General Tim Davie, Silencing the Frontline: Health Workers Demand BBC Air “Gaza: Medics Under Fire”, states:

“The health workers featured in this documentary have witnessed countless colleagues being killed and have risked their lives not only to care for their patients, but to document and expose the relentless targeting by Israel of healthcare infrastructure and personnel. Suppressing their voices is to erase the truth.”

Evidence on the Health Care Workers Watch website shows that 1571 Palestinian

Healthcare workers have been killed by Israeli Occupation Forces since October 7, 2023 and 446 Palestinian Healthcare workers unlawfully detained by Israel.

Released Gaza doctor describes torture and medical neglect in detention as Israel continues to incarcerate at least ninety-five Palestinian healthcare workers.

“In Naqab, one guy was bleeding from his private area behind, and he told me what they did to him [...] he told me three soldiers put an M16 in my private areas, I heard this directly from him, he was terrified. [...] First thing they put the M16 and then the three took turns raping him. I saw him bleeding with my own eyes from his bottom. [...] His mental health was terrible [...] I don’t think he told anyone. He started talking to himself in prison, Naqab. No one knew about him, but he spoke to me as a paramedic.” – Gaza Paramedic

“An Israeli soldier started kicking me in the face with his combat boots until blood gushed from my nose and under my eyes. He kept beating me in my chest and stomach. All the soldiers around joined him and struck me with the butts of their rifles in my head, stomach, and chest. They beat me with their knees on my flanks until I was short of breath. He pulled my hair and covered my face with sand and made me eat from it.” Gaza Nurse

Renowned Gaza surgeon killed in Israeli detention

Dr. Adnan al-Bursh, the 50-year-old head of orthopedics at Gaza City’s al-Shifa hospital, was killed in Ofer Prison in the West Bank on 19 April. Dr. Al Bursh had reportedly been beaten in prison, with his body showing signs of torture.

Al Shifa Hospital Massacre

Following the withdrawal of Israeli troops from the Al-Shifa Hospital in central Gaza in 2024 over 500 Bodies were uncovered in mass graves at Al-Shifa and Nasser Hospitals. The U.N. High Commission for Human Rights issued a report detailing information about the mass graves, including the fact that many of the Palestinian victims were reportedly stripped naked with their hands tied. A total of 283 bodies were recovered at Nasser Hospital.

“Among the deceased were allegedly older people, women and wounded, while others were found tied with their hands...tied and stripped of their clothes,” said Ravina Shamdasani, spokesperson for the UN High Commissioner for Human Rights. Citing the local health authorities in Gaza, Ms. Shamdasani added that a mass grave had also been found at Al-Shifa Hospital.

Many of the bodies were:

- partially/completely decomposed
- zip tied and executed.
- some were run over by tanks.
- some had signs of torture (fingernails and toenails pulled- teeth broken)

Children’s corpses were discovered burned beyond recognition.

During the massacre at al-Shifa Hospital, the Israeli army shot patients in their beds and doctors who refused to abandon the sick, separated people into groups with differently-colored bracelets, and executed hundreds of civil government employees.

Human heads eaten by crows, unidentified and decomposing body parts, and hundreds of corpses piled up and buried in mass graves are all that remained of the victims of the massacre at al-Shifa Hospital. The grim scene was something out of a dystopian movie, the product of the two-week siege of Gaza’s largest hospital that ended in its total destruction.

The Euro-Med Human Rights Monitor said that the massacre at al-Shifa was one of the largest in Palestinian history, estimating that at least 1,500 people had been killed, injured, or reported missing, “with women and children making up half of the casualties.”* The organization also confirms that at least 22 patients were shot while in their hospital beds, while the number of displaced persons sheltering at the hospital who were forced to evacuate southward was estimated to include 25,000 people. Moreover, 1,200 housing units in the vicinity of al-Shifa were destroyed.

Despite the Israelis claims about the al-Shifa operation’s strategic and military importance and the number of alleged Hamas members it had arrested and killed, it hid the real intended purpose of the operation, which was to destroy the health system in northern Gaza and worsen the already disastrous humanitarian conditions.

Israel has turned the largest medical facility in the Gaza Strip into a charred wasteland, a slaughterhouse, a cemetery.

Israel's intention was to kill as many Palestinians as possible so having a hospital which helps people recover or saves lives or gives life was out of the question.

Nuseirat Refugee Camp Massacre – June 2024

In trying to free 4 Jewish hostages, Israel massacred 270 Palestinians at the Nuseirat refugee camp. 3 hostages were also killed.

Most of them children and women, and wounding over seven hundred others. Footage shared by Palestinian journalists in Gaza shows hundreds of dead and wounded bodies lying strewn in the streets, with many still under the rubble or scattered in bombarded market alleys. "I collected my son in pieces," said one bereaved mother.

"Palestinians were slaughtered like animals," said Palestinian journalist Hossam Shabat. Entire families were massacred; the remains of ten children, all in pieces, were discovered inside a single room in Abo Karem Bhour's house in the western part of Nuseirat. Many were executed while attempting to flee to safety.

Other children were also executed, including three young sisters: Rital, Mayar, and Mariam Abu Yousef. Hanan Aqel, a ten-year old girl, had her face erased by a bomb. One heartbreaking video features a child shielding his slain baby brother from the sun with his bare hands moments before he was buried.

The massacre came two days after an Israeli airstrike in the Nuseirat refugee camp hit the UNRWA-run al-Sardi school that was sheltering displaced Palestinian refugees, killing more than 30 people, including 23 women and children.

Israel is now doing in Lebanon what it did in Gaza. It is erasing entire villages and displacing thousands of civilians from their homes.

WHO has documented 190 Israeli attacks on healthcare facilities and health workers in Lebanon over the past three months, warning that the country's health system is under severe strain due to ongoing military escalation.

The data indicates that these attacks have resulted in the killing of at least 128 health workers and the injury of hundreds more, along with a rising number of civilian casualties since the escalation of fighting in March.

In Lebanon alone, nearly 700,000 people including around 200,000 children have been forced from their homes, "adding to the tens of thousands already uprooted from previous escalations", the UN Children's Fund UNICEF.

Israeli Military shooting People queuing up for food.

Israeli forces and private contractors put in place a flawed, militarized aid distribution system that has turned aid distributions into regular bloodbaths.

The dire humanitarian situation is a direct result of Israel's use of starvation of civilians as a weapon of war—a war crime—as well as Israel's continued intentional deprivation of aid and basic services, which amounts to the crime against humanity of extermination, and acts of genocide.

The Israelis repeatedly call the Palestinians animals and they herded the Palestinians like cattle as they waited for food aid.

Israeli forces at the sites of a new US-backed aid distribution system in Gaza have routinely opened fire on starving Palestinian civilians in acts that amount to serious violations of international law. Mass casualty incidents have taken place on a near-daily basis at or near the four sites operated by the Gaza Humanitarian Foundation (GHF), which operates in coordination with the Israeli military. At least 859 Palestinians have been killed while attempting to obtain aid at GHF sites between May 27 and July 31, 2025, most by the Israeli military, according to the United Nations.

“Israeli forces are not only deliberately starving Palestinian civilians, but they are now gunning them down almost every day as they desperately seek food for their families,” said Belkis Wille, associate crisis and conflict director at Human Rights Watch.

Inside the Jewish-armed terror proxy looting Gaza aid to advance a genocidal agenda

Recent reports have revealed that the Israeli regime is providing arms to a Daesh-affiliated terrorist group to loot aid designated for people in the besieged and war-ravaged Gaza Strip, where the 2.3 million population is grappling with famine.

The so-called “Popular Forces” militia, led by Yaser Abu Shabab, is systematically looting and redirecting humanitarian aid in Gaza, manipulated to serve Israeli genocidal objectives.

Testimony of retired Army Green Beret Lieutenant Colonel Anthony Aguilar.

Colonel Aguilar’s missions took him to Iraq, Afghanistan, Tajikistan, Jordan, and the Philippines. He received the Purple Heart for wounds he received in combat.

After retiring from the Army, he served as a security contractor in Gaza for UG Solutions, which was contracted to provide security at aid distribution sites operated by the Gaza Humanitarian Foundation. He resigned from his position after approximately two months, citing human rights violations and crimes against humanity being committed by the security agency at the behest of the Israel Defense Forces (IDF).

Colonel Aguilar was recently interviewed. Here are excerpts from that interview:

Anthony Aguilar: *Never in my life did I think that an army could be so evil as to use food to lure a starving population through a battlefield, killing women and children and the elderly on purpose. What I witnessed in that first look as we came in was the most devastating, destructive, beyond war annihilation, apocalyptic thing I’d ever seen in my life. Something that I couldn’t even imagine in a nightmare. Rubble, dogs eating remains of bodies, smoke in the horizon from bombs being dropped, not a building left in sight and everything leveled. It was a landscape of destruction and horror, which I’ve never witnessed before. And honestly, it made me feel sick. The Israelis did not want to feed the Palestinians. From the very bottom level, IDF soldiers in Gaza that I talked to that are in Gaza, in the war, they asked me flat out one day, clearly, “Why are you feeding our enemy?” I was like, “Well, we’re feeding the civilians.” “No, they’re all our enemy. You are feeding our enemy.” I was like, “Women, children, old men and women?” “Yeah, they’re all the enemy. Every Palestinian is our*

enemy.” That’s how they saw it. But they also referred to them as animals. They called them zombies. They referred to the groups of the Palestinians where they’d come to the sites as “the zombie horde,” dehumanizing them, not providing them water, shooting at them to get them to move a certain way like they’re animals in a cage. It’s horrible. So, there was a Palestinian man in the crowd who lifted these children up because they were getting trampled and crushed; they were small. And the Israel Defense Force liaison officer, a senior ranking officer in the Israel Defense Force who is in our operations center, looks at the screen, and he says, “Get them off of there right now.” And so, I’m looking at the same thing he’s looking at. I’m like, “Well, the security on the ground there, they’re addressing it. They’re dealing with it. But I mean, these are children. Calm down. These are children.”

“Get them off of there. That’s not secure. Get them off,” the IDF officer said.

I was like, “They’re children. They have no shoes on. They don’t have any weapons. There’s nothing in their hands at all. One of the children doesn’t even have a shirt. Calm down.”

He walks back to his desk, gets on the radio with his forces, and then he comes back over to where I’m standing, and there was an American in our operations center that understood and could speak Hebrew a little bit. And he says to me, “He just said on the radio for his snipers to shoot them down.” So, when this officer came back, I asked, “Did you just order your snipers at site number two to shoot these kids?” He said, “Well, if you’re not going to take care of it, I will.” And I said, “We’re not shooting children.”

Israel Systematically Abuses, tortures and Rapes Palestinians

In October 2024, the UN Independent International Commission of Inquiry on the Occupied Palestinian Territory, including East Jerusalem, and Israel issued a report examining the treatment of thousands of Palestinian detainees after October 7th, 2023. In the report, the commission determined that detainees from Gaza held in Israeli military prisons, including children, were “subjected to widespread and systematic abuse, physical and psychological violence, and sexual and gender-based violence amounting to the war crime and crime against humanity of torture and the war crime of rape and other forms of sexual violence.”

Dr. Mark Perlmutter, a Jewish-American orthopedic surgeon who was a volunteer medic in Gaza last year, reported how one Palestinian prisoner was treated. “He was raped by female IDF soldiers with a zucchini placed up his rectum and the zucchini was soaked in pork blood” the pork used specifically because pork is forbidden to Muslims, as it is to Jews.

The incident occurred in July 2024 and the soldiers had been detained after the Palestinian proved to be so seriously injured that he had to be hospitalized. The IDF soldiers raped the man so violently, using in one instance a knife in his rectum, that his intestines exploded and his rectum was ruptured. He has undergone 20 surgeries since what happened to him.

Another Palestinian boy was raped in a Palestinian detention centre and it was videoed and leaked to Israeli news network Channel 12, apparently by the General and possibly others in her office, and the story subsequently developed that she had resigned her commission and disappeared. General Tomer-Yerushalmi would not be permitted to return to her post, forcing her resignation and accused of treason. That is how sick these people are. It is not the soldiers doing the rape that got into trouble it was the one who leaked the video. Incredible. This rape had millions of views on social media.

Sexual abuse is systematically deployed as a method of subjugation and degradation inside Israeli detention centers, says Journalist Ana Kasparian, citing findings from a Euro-Med Human Rights Monitor report. Titled 'Another Genocide Behind Walls,' the report outlines cases of detained Palestinians being subjected to rape, assaults involving objects, genital torture, and abuse carried out with the use of dogs.

Ex-IDF soldier-turned investigator confirms: Israel is using dogs to rape Palestinian prisoners

The evidence of systemic sexual abuse of inmates in Israeli prisons using canines, dismissed as “blood libel” by Netanyahu’s thugs, is too overwhelming to ignore, says Israeli Shaiel Ben-Ephraim.

Citing prisoner testimony to media and human rights groups, Ben-Ephraim collated the grim details below.

Nihad: 50-yo father held at Israel’s notorious Ofer Prison who suffered “the most painful moments” of his life after an Israeli police dog was pushed on him to assault him sexually.

A 48-yo detainee who witnessed a dog mauling a prisoner’s genitals until he bled out and died.

Wajdi: 43-yo detainee tied to a bed and raped, first by a soldier, then by a dog, as other guards filmed it.

35-yo father stripped naked and raped by a dog that seemed “trained” to engage in such abuse. Other dogs urinated on him.

18-yo detainee who said he and fellow inmates were raped by bottles and dogs.

Halim Salem: detainee who was “mounted and raped” by a dog, and beat by guards for “disturbing the dog” by screaming

Mohammed Arab: journalist who witnessed dogs raping inmates at Sde Teiman prison.

Death sentence for Palestinians only

Israel is not a democracy. No democratic country could bring in a law which legislates a mandatory death penalty targeting a single ethnic group under military occupation. Under the new law, military courts prosecuting Palestinians whose attacks resulted in the death of an Israeli must apply the death penalty as the sole available sentence, unless the court finds special circumstances allowing for life imprisonment instead. Once a final ruling is handed down, the sentence must be carried out within 90 days. Israeli settlers can go into the West Bank and kill Palestinian civilians and steal their home and they will not even get a prison sentence or any form of punishment. If a Palestinian kills an Israeli in self defence he or she will get a death sentence.

Excerpt from the article: Israel: The Bane of America's Existence

"You have to admit: the overt Zio-Nazi terrorists and warmongers such as Bibi "The Butcher" Netanyahu" who populate the highest echelons of the government of the Zionist state of Israel are very good at what they do: mass murder via naked genocides, steal homes and land at will, lie and deceive about anything and everything all the time, carry out the most egregious false flag terror attacks worldwide, start wars anywhere and everywhere when it serves their world takeover scheme, stealthily advance their devastating and deadly Greater Israel project in broad daylight, etc. The American people have paid for all of that mass death and destruction both directly and indirectly since the very founding of the apartheid state of Israel in 1947. Not only that, but the successive U.S. administrations since provided full support — financial and economic, material and military, political and moral to that utterly rogue criminal entity and international crime syndicate set up as a nation-state over the same time frame. In other words all of the wars that the United States has illicitly waged since World War II (and including WW2) were fought for Israel...or for the great benefit of that blatantly apartheid country. Which means that most of the nearly \$40 Trillion U.S. National Debt was incurred in service and support of Israel (the Military Industrial Complex is a completely Zionist-owned and operated supranational corporate entity run out of the American Zionist headquarters of Chicago). How did the American body politic allow their precious blood and massive treasury to be used for such a heinous and disgraceful Zionist enterprise? The entire world community of nations now knows that there is great truth to the Iranian statement:

The United States is the "Great Satan" and Israel is the "Little Satan".

— Ayatollah Ruhollah Khomeini, the founder and first Supreme Leader of the Islamic Republic of Iran

No wonder why Israel coerced Trump to wage an unprovoked war of aggression against Iran —the mullahs in Tehran were brave enough to tell the unvarnished truth as no other nation on Earth.

Most Young Americans now have a negative view of Israel

Israel's genocidal war in Gaza has led to notable shifts in American public opinion.

Since Israel began its war against Gaza in October 2023, public opinion in America has undergone one of the most significant shifts in the history of US-Israeli relations. Israeli approval of US foreign policy has fallen to a record low of 32%. Among Americans under 35, that figure is just 9%. A similar trend can be seen regarding Iran: only 15% of Americans aged 18 to 34 approve of Israeli strikes on Iran's nuclear program. Even among Republicans - Israel's most reliable political base - the situation is changing. The latest data from the Pew Research Center shows that 57% of Americans aged 18 to 49 have a negative view of Israel. Many Republicans and allies of Trump within the MAGA movement are openly accusing the president of betraying their movement because he allowed Israel to draw the US into the Iran conflict. Millions of Americans saw daily images on social media of destroyed neighborhoods, shattered hospitals, starving civilians, and mass casualties. Children with body parts missing etc.... The scale of the destruction has changed public opinion, especially among young Americans.

Israel becomes world's most disliked country, global survey finds

Colonel Nathan McCormack, who was tasked with helping advise the Chairman of the Joint Chiefs of Staff on Israel-related matters called Israel a DEATH CULT. He called Israel a "death cult" and referred to the Israeli government as "Netanyahu and his Judeo-supremacist cronies," "The Western states go to great lengths to avoid criticism of Israel, much out of Holocaust guilt," McCormack tweeted in April. "Netanyahu and his Judeo-supremacist cronies are determined to prolong the conflict for their own goals: either to remain in power or to annex the land." "I've lately been considering whether we might be Israel's proxy and not realized it yet," he posted. "Our worst 'ally.' We get literally nothing out of the 'partnership' other than the enmity of millions of people in the Middle East, Africa and Asia." McCormack claimed that Israel aims "to expel them and cleanse 'Eretz Israel' of ethnic Palestinians."

Colonel Nathan McCormack was then removed from his post at the Pentagon which again shows Jewish\Israeli control within America. This little tiny country with 9 million people exerts so much power.

Palestinians to Be Herded Into 'Humanitarian Shelters' in Gaza, which really means concentration camps.

Gaza's Palestinian people will be forced into fenced and guarded 'humanitarian shelters' under the plan implemented under Trump's Orwellian-named 'Board of peace'.

This will be combined with a further seizure of land in Gaza by the IOF. Any Palestinians refusing to move into the camps will be treated as 'terrorists'.

This was always, since the October 7th false flag been a land theft, ethnic cleansing operation by Israel.

<https://novaramedia.com/2026/07/02/palestinians-to-be-herded-into-humanitarian-shelters-in-gaza/>

So the Jews escaping from concentration camps in Germany after WW2 arrived as refugees in Palestine and are now putting the Palestinians into concentration camps. It just shows you the morals of this race of people.

Israeli journalist Gideon Levy:

"Now that Gaza has been destroyed almost completely, Israel is advancing confidently toward the next phase: making the entire population permanently disabled, injured, sick, hungry, homeless and unemployed."

It's the prelude, says Levy, to mass expulsion.

"No society can function without teachers, doctors, social workers, engineers and clerks. And without a functioning society, it's easy to expel Gaza's residents to the four corners of the earth."

Israeli Hate of the Palestinians & the Talmud

"Not a single grain of food, not a single drop of water, not electricity, nothing should enter Gaza. Not food, not water, not fuel—I wouldn't let anything in there. Yes, I want the Palestinians to starve to death, and I'm not ashamed to say it." - **Jewish presenter Eyal Berkovic on Israeli TV**

An Israeli rabbi says 'kill everyone in Gaza, including babies'. Rabbi Eliyahu Mali, head of the Shirat Moshe yeshiva (religious school) in the occupied city of Jaffa, called on the Israeli army to kill everyone in Gaza, including babies. During a conference on 8 March 2024, Mali said that "according to the halachic principle (a religious-ethical system of legal reasoning in

Judaism), all residents of Gaza must be killed.” When asked during the conference if babies should be killed as well, he said: “The same thing. You can't be clever with the Torah. Today he's a baby, tomorrow he's a fighter. There are no questions here. Today's terrorists were previously 8-year-old children.” The rabbi's students in the Shirat Moshe yeshiva serve in the Israeli army. The Yeshiva is sponsored by the Israeli government.

Why do the Israelis hate the Palestinians so much, why do they want to kill most of the children, why do they starve the Palestinians to death and bomb their hospitals and schools, drop bombs on their tents? The answer lies in the dehumanisation of Palestinians that is at the core of Israeli society and starts in the Israeli school system. This only happens in Israel. Can you imagine if British children were taught in school to hate Africans or Indians. It just wouldn't happen. As the U.S army Colonel said the Israelis are like a death cult.

Amnesty International's new investigation shows that Israel imposes a system of oppression and domination against Palestinians across all areas under its control: in Israel, and against Palestinian refugees, in order to benefit Jewish Israelis.

<https://www.thehardtruth.info/israel-apartheid>

Support for genocide, mass murder, and ethnic cleansing is widespread in Israel.

Israel's former Prime Minister Ehud Olmert admitted that his country is waging a “war of extermination: the indiscriminate, unrestrained, cruel, and criminal killing of civilians”.

Meanwhile, the vast majority of Israelis want to expel Palestinians from Gaza, and roughly half want to kill every single man, woman, and child in the besieged strip.

This is according to a poll that was published by the major Israeli newspaper Haaretz.

It found that 82% of Israelis want to expel Gazans, and 47% support killing all Palestinians in Gaza.

This is not a Netanyahu problem or an Israeli military problem. It is the state of mind of the Israeli citizens which gets drummed into them at a school age.

Poll: 82% of Israelis want to expel Palestinians from Gaza; 47% want to kill every man, woman, child

A poll found that 82% of full citizens of Israel want to expel Palestinians from Gaza. 47% want to kill every single man, woman, and child in Gaza. Former Prime Minister Ehud Olmert wrote that Israel is waging a "war of extermination: the indiscriminate, unrestrained, cruel, and criminal killing of civilians".

Israel's defence minister Yoav Gallant described Palestinians as "human animals" in 2023 and many other Israeli politicians and Rabbis have said similar things in the past.

It is not just Palestinians, it is Lebanese to.

"For every tear of an Israeli mother, a thousand Lebanese mothers must weep. All of Lebanon must burn" - **Ben Gvir Israeli minister of National Security**

That is because this Jewish Supremacist Gvir must believe Jews are the Chosen people and the lives of Non-Jews are worth nothing compared to Jewish lives.

"We control between 60% and 70% of the Gaza Strip. We are destroying its entire infrastructure. Everyone knows what this means. Gaza will be left in ruins, and its inhabitants will have to migrate because there will be nowhere to live for decades to come."

Bezalel Smotrich, Israel's finance minister, speaks proudly of the ethnic cleansing and systematic destruction they are perpetrating in Gaza, asserting that the goal is to make it uninhabitable so that Palestinians will have to flee. In a reasonably normal world, after a minister utters such a barbaric statement, he would have to be arrested immediately for crimes against humanity.

ISRAEL ISRAELI POLITICS NEWS REPORT

Rabbinic Official: Palestinians are 'Human Animals'

MAY 11, 2015

Of course there is a Jewish holy (unholy) book called the Talmud which specifically defines all who are not Jews as non-human animals.

The Talmud is the central text of Rabbinic Judaism, and second in authority only to the Hebrew Bible, the first five books of which form the Torah along with the texts in Nevi'im and Ketuvim. It is a primary source of Jewish law and Jewish theology. It consists of the part of the Oral Torah compiled in the Mishnah and its commentaries, the Gemara. There are two versions, the Jerusalem Talmud and the Babylonian Talmud. The Babylonian Talmud is regarded as the authoritative version and was created by Jewish scholars in Mesopotamia (modern-day Iraq) between the 3rd and 7th centuries AD.

Talmudic Judaism in Jesus Christ's time was known as Pharisaism, which Jesus Christ called the "Synagogue of Satan" (Rev 2:9, 3:9). It was the Pharisees' oral traditions which were later compiled as the Babylonian Talmud.

Jesus Christ said, *"I know the blasphemy of them which say they are Jews, and are not, but are the synagogue of Satan."* (Revelation 2:9)

A few passages from the Talmud.

"The Jews are called human beings, but the non-Jews are not humans. They are beasts."

Talmud: Baba mezia, 114b

"The Akum (non-Jew) is like a dog. Yes, the scripture teaches to honour the dog more than the non-Jew."

Ereget Raschi Erod. 22 30

"Even though God created the non-Jew they are still animals in human form. It is not becoming for a Jew to be served by an animal. Therefore he will be served by animals in human form."

Midrasch Talpioth, p. 255,

"When a Jew murders a non-Jew ("Cuthean"), there will be no death penalty. What a Jew steals from a non-Jew he may keep" **(When a Jew murders a Palestinian there is no death penalty, no prison sentence. When a Palestinian murders an Israeli there is now a death sentence)**

Sanhedrin 57a.

"It is the law to kill anyone who denies the Torah. The Christians belong to the denying ones of the Torah."

Coschen hamischpat 425 Hagah 425. 5

There is also a distinct hate for Jesus and Christians in the Talmud

"Jesus was a bastard conceived when an evil spirit slept with Mary"

Kallah 1b, 18b

“Mary, who was dung, was a prostitute and committed adultery”

Sanhedrin, 67a

“Jesus was a fool who practised Egyptian magic”

Sanhedrin, 67a

“Jesus died like a dog and is in Hell buried in feces”

Zohar, III p. 282

“...it is permitted for a Jew to rob a gentile.”

Sanhedrin 57a:17

Therefore, the Talmud teaches it's acceptable for Jews to steal from non-Jews.

When you think about this in practical terms, it means Jews are allowed to steal from 8 billion people on the planet. We should remember, one of the Ten Commandments is “Thou shalt not steal,” (Exodus 20:15). Yet, the Talmud teaches that only applies to other Jews, not Gentiles.

When you look back in history you can see where Jews have stolen money from Non-Jews. Look at the Holocaust where Germany had paid out over \$90 billion in payments to Jews and every year America (Goyim or Non-Jews) give over \$3 billion per year to Israel for free. America receives nothing in return.

Judaism teaches that Jews can have sex with 3-year-old girls. In the eyes of the rabbis who wrote the Talmud, and the Jews who adhere to it, this is not considered an offense at all.

Ketubot 11b:6

“An adult man who engaged in intercourse with a minor girl less than three years old has done nothing”

What does Ketubot 11b say in full

You would think surely that can't be true. If it is not true how come Jewish paedophiles can flee to Israel from any other country in the world and be protected from persecution.

Many accused American paedophiles have fled to Israel, taking advantage of the Law of Return, which grants automatic citizenship to Jewish individuals and their families, with minimal barriers. While criminal background checks exist, offenders can bypass these requirements in various ways, allowing them to evade justice.

Jewish Community Watch (JCW), an American organization tracking these individuals, has been working to bring them to justice since 2014. They report over 60 suspects fleeing from the U.S. to Israel, though they believe the actual number is higher due to limited resources.

In addition to the above statistics, the Matzof Association, which monitors pedophilia in Israel, estimates that tens of thousands of offenders operate each year, affecting around 100,000 victims annually. In July 2020 alone, 22 paedophilia cases in Israel were reported to the media.

Israel has repeatedly blocked U.S. extradition requests for child sex offenders, according to more than 2,000 internal government case files. The documents, current as of May 2022, show a clear pattern: when American predators flee to Israel, they are more often shielded than sent back to face justice.

The files which detail extradition attempts involving convicted abusers, rabbis, fugitives, and even world-famous figures like Roman Polanski reveal how Israel has delayed, obstructed, or outright refused to comply with U.S. demands.

The Talmud: Wellspring of the Jewish Pornography Industry

<https://www.truthtellers.org/alerts/Talmud-Wellspring-of-Jewish-Pornography-Industry.html>

A book called ‘The Talmud Unmasked’ was written in 1882 by Lustinus Bonaventura Pranaitis. He was a Catholic priest and Professor of the Hebrew Language at the Imperial Ecclesiastical Academy of the Roman Catholic Church in St. Petersburg. The book contains a full list of the slurs, vilifications, insults, and abuse contained in the Talmud which are directed specifically against Christians. The book caused a stir in Russia and beyond, and every effort was made to suppress it and smear its author. Lustinus Pranaitis was a marked man, he was targeted by the Jewish Bolsheviks and executed in St. Petersburg—his only crime having been this book. This was when anti-Semitism was declared “counter-revolutionary” in Russia and punishable by death.

The Talmud Unmasked offers an insight into the nature of Jewish Supremacism and the hatred of non-Jews which lies at its heart.

The implementation by Jewish supremacists of Talmudic hate literature has caused untold suffering throughout history and now, in occupied Palestine, it is used as a justification for the mass murder of Palestinian civilians.

Again you don’t have to believe me you can hear it from their own lips.

Below is an Excerpt form an interview with Yossi Gurvitz: When Israel Is Mighty

“Rabbinical Judaism is Judaism that hates humans. It defines only Jews as humans – only Jews who believe in the religion as humans. Everyone else is some level of ‘other’ that must be pushed aside or in extreme cases destroyed. Jewish law prohibits the killing of non-jews but it does not punish a person for doing so. In other words if you kill a Jew, even a Jewish woman or the slave of a Jew, and here it is important to note that Judaism has never abolished slavery, that there is a penalty you have to pay and it could come to an execution

or a fine. If a Jew kills a non-Jew then you are guilty but there is no penalty. God will punish you. That is a bit problematic. You can kill a non-Jew with impunity. The kosher laws prohibit you from eating with them and treating them fairly. Now the situation for the Christians, on the other hand will be really bad. According to Judaism they are idolaters and you have to kill them, even if they do not resist Jewish rule. In Jerusalem religious students have a habit of defecating and urinating on churches. Spitting on clergymen in the street is something that happens regularly. Christianity is the arch enemy of Judaism. Christianity is going to get seriously beating once the religious Zionists are in power”.

Part of an extended interview with writer Yossi Gurvitz [<http://ygurvitz.net>] - transcribed & translated from Hebrew to English

In 2012, Ex-Yeshiva student Yossi Gurwitz (1970-2023) explained what non-Jews can expect when Talmudic Jews gain total ascendancy:

“According to Judaism, they are idolaters, and you have to kill them.” This explains Gaza and what will follow.

The West has tied its future to Jewish religious fanatics who control Israel.

<https://henrymakow.com/2026/07/yossi-gurwitz---jewish-talmud-.html>

“Zionism is the conspiracy of Talmudic Jewry to establish a counterfeit version of the ancient Kingdom of Israel, which will be ruled by a counterfeit messiah. Two millennia ago, the Jews crucified their true Messiah, Jesus Christ, whom God sent to redeem the nation and to establish His righteous Kingdom. The Jews did not anticipate that God would send His own Son as a meek and lowly Messiah, who preached Grace and Truth, forgave sinners, including Gentiles, and set them free from the bondage of sin. The Jews expected a worldly, wealthy, idolatrous King, like Solomon, who would deliver them from the domination of Rome, and restore Israel's former glory and military power in the world. Because the Jews rejected and crucified their Messiah, God destroyed their nation and temple, put an end to their corrupt religious system, and drove them out of the land He had given them. (Matt. 23:37-39) The Jews as a race have never repented for their rebellion against God and crucifixion of His Son. Quite the contrary, after they were taken captive to Rome, the Jewish rabbis committed their oral traditions to writing, adding blasphemy of Jesus and hatred of Christians to their "holy book", the Talmud, which replaced the Torah as the central text of Rabbinic Judaism and the primary source of Jewish religious law and theology. Their descendants have over the centuries conspired to recapture Palestine in order to establish their own world kingdom ruled by their counterfeit messiah. This vile person will be the Antichrist, a Jewish tyrant who will destroy the whole world, exterminate Christianity and much of humanity and establish a

universal Talmudic religion, which criminalises the worship of Jesus Christ. To achieve their grandiose ambition of world domination, the dispersed Jews have adopted Gentile names and identities which have enabled them to infiltrate all Gentile institutions, including the churches. In recent centuries, crypto-Jewish agents have infiltrated and controlled the world's governments. In 1846, the immensely wealthy Jewish House of Rothschild began to purchase land in Palestine; in 1917, Great Britain's Foreign Secretary, Arthur Balfour, promised Lord Rothschild Britain's support for establishment of a Jewish 'national home' in Palestine; and in 1948 Israel was recognised by the U.N. as the State of Israel" From the article What is Zionism -<https://www.zionismexposed.com/what-is-zionism/>

Top rabbi says that while it might seem presumptuous, it is Israel's destiny to lead civilization forward. Rabbi Shmuel Eliyahu the Chief Rabbi of Safed and a member of the Israel's Rabbinate Council, says that we are witnessing the beginning of the end of America as a superpower, thus paving the way for Israel to take its place in guiding Civilization forward.

Jewish Control of World Finances

Israel is not a country, it is a terrorist organisation. It blows children to bits, burns them alive, starves them to death or shoots them at food distribution sites; it holds televised debates on the morality of raping prisoners to death; it teaches its members to kill and to enjoy, celebrate and publicise the brutal demise of others, to degrade human beings on account of their ethnicity.

Why is 'the global community' supporting this terrorist organisation?

The only plausible answer is that Israel controls almost all Western governments. It is as simple as that. Call me a conspiracy theorist?

How does a country with a population of 9 million (Israel) and that is the size of New Jersey control so much? It has something to do with the Rothschilds banking network which is ran from the City of London.

We covered earlier the Balfour Declaration, an agreement between the British government and the House of Rothschild which was arranged in 1916, to give British-administered Palestine over to Zionist Jews for their final "homeland". The Rothschilds were instrumental in establishing the Zionist state through their funding of the Jewish National Fund, and the Palestine Jewish Colonization Association, support for Theodore Herzl and the World Zionist Congress, funding for infrastructure including government buildings and for arms to the

Zionist terror groups Haganah, Irgun and Stern Gang (Lehi) and many other measures to build up the nation of Israel.

If you control the finances of the world that governments depend on you will have a lot of power.

The Rothschild family is a dynasty of unimaginable wealth which it manages to somehow conceal. They never seem to be publicly credited as the richest and most influential family in the world. By dividing their capital and holdings up amongst the many members of the family they hide their true wealth, however, the family as a whole represents the largest fortune ever known.

The financial website Investopedia estimates the family's total wealth at over \$2 trillion in assets and holdings.

At \$2 trillion plus, the family's reported wealth is closing in on five times as much as the combined wealth of the world's top 8 individual billionaires, meaning that the Rothschild family alone controls more wealth than perhaps three-fourths or more of the world's total population.

It is worth read the following articles to understand the power of Jews in the world of finance.

An excerpt from the article 'Jewish Banking Dynasties Founded the Fed'

"Eight Families own the Federal Reserve. A quick glance at the eight names immediately shows that at least six are Jews: Goldman Sachs, Lehmans, Kuhn Loeb, Rothschilds, Warburgs and Israel Moses Sieffs. After confirming their Jewish racial type (not necessarily their religion), we will examine the Lazard family of Paris. The Rockefellers we will maintain as the lone exception, since they are well-known to be White Anglo-Saxon Protestants (WASPS), although inter-marriage, collusion and philo-semitism must not be excluded. The greatest white-washing of the Rothschilds' devastating usury, war-mongering and mass impoverishment activities while glutting their rapacious greed and world control agenda is found in Niall Ferguson's two volume official biography of the family, The House of Rothschilds, Volume 1: Money's Prophets, 1798-1848 and Volume 2: The World's Bankers, 1849-1999. Even here Ferguson acknowledges the family used deception, family and tribal nepotism, blackmail, of course ruinous usury rates imposed on desperate people, economic bullying and other typically unscrupulous Jewish business practices on a grand scale to increase its already enormous fortune. Ferguson would never use these terms, but we must if we are to be honest about the devastating effects the Rothschild Jewish banking family has had throughout the world".

<https://www.unz.com/article/jewish-banking-dynasties-founded-the-fed/>

"Mr. Chairman, we have in this Country one of the most corrupt institutions the world has ever known. I refer to the Federal Reserve Board and the Federal Reserve Banks, hereinafter called the Fed. The Fed has cheated the Government of these United States and the people of the United States out of enough money to pay the Nation's debt. The depredations and iniquities of the Fed has cost enough money to pay the National debt several times over. This evil institution has impoverished and ruined the people of these United States, has bankrupted itself, and has practically bankrupted our Government. It has done this through the defects of the law under which it operates, through the maladministration of that law by the Fed and through the corrupt practices of the moneyed vultures who control it". **House of Representatives and Chairman of the Banking and Currency Committee for more than 10 years, Louis T. McFadden, 1932. He was murdered 3 years later.**

Jewish Zionist Harald Rosenthal said this in an interview in 1976:

"Our power has been created through the manipulation of the national monetary system. We authored the quotation. 'Money is power.' As revealed in our master plan, it was essential for us to establish a private national bank. The Federal Reserve System fitted our plan nicely since it is owned by us, but the name implies that it is a government institution. From the very outset, our purpose was to confiscate all the gold and silver, replacing them with worthless non-redeemable paper notes. This we have done! By controlling the banking system we were able to control corporation capital. Through this, we acquired total monopoly of the movie industry, the radio networks and the newly developing television media. The printing industry, newspapers, periodicals and technical journals had already fallen into our hands. The richest plum was later to come when we took over the publication of all school materials. Through these vehicles we could mold public opinion to suit our own purposes. The people are only stupid pigs that grunt and squeal the chants we give them, whether they be truth or lies."

The article below is from Larry Romanoff titled 'The Richest Man in the World'

It shows the history of the Jewish control of banking, gold and the World's money supply

Larry Romanoff is a retired management consultant and businessman. He has held senior executive positions in international consulting firms, and owned an international import-export business.

"A great many of the world's largest corporations are owned and controlled by Jews, many of these by the select few in the City of London, but also very many outside this small group. The world's major oil companies are controlled by Jewish interests, as are the major pharmaceutical companies, many of the weapons manufacturers and the world's airlines, a preponderant amount of the world's shipping capacity, and many other industries that

might not normally come to mind. It is impossible to obtain access to all the information required to even hazard a guess at the value of the corporate asset ownership of these people, but consider that virtually all of the media in the West, and a great deal of the prime media outlets in the rest of the world, including movies and book publishing, are owned or controlled by Jews. There are international companies worth in total many trillions of dollars that are entirely Jewish; Nestle, Sanofi, Monsanto, being a few among hundreds such. We cannot easily know what part of this reverts to our handful of Jewish bankers in the City of London, how much of that was financed by, and is controlled from, that center, but it isn't negligible. Things are not always what they seem. Many of the world's large fortunes were financed by Rothschild or others from that inner circle and thus there is a hidden ownership that will never be revealed. Trolling through historical records, we sometimes discover that a very wealthy man left an estate of only a few million dollars. It isn't a secret although apparently not widely-known, that one of the Rothschilds financed Rockefeller's creation of Standard Oil, and did the same with Andrew Carnegie's steel empire and the Harriman railroad fortune in the US, among others. The financing was usually done through J. P. Morgan, who was a Rothschild agent for all of his career, and in fact Morgan's banking interests themselves were much more European Jewish than they were American. It is worthy to bring this to the attention of readers since it appears that much of the wealth of the famous American and European families may not have been really theirs but belonged instead to the ultimate Jewish financiers in the background. Today, Google, Facebook, Tesla, Amazon, Starbucks, and many others are in this category, firms that could not possibly have attained their extent of market control without both heavy financing and intense planning originating elsewhere. A number of studies have been done on interlocking corporate ownership and control, with consistent conclusions that as few as 400 companies, and perhaps even as few as 250 companies, own outright or at least have control of, more than 40% of all the value listed on all stock exchanges everywhere. But behind those 400 or 250 companies is that same number of men controlling those companies. Even though most large corporations are listed as public, with sometimes hundreds of millions of shares outstanding, we cannot know where the true control lies. Increasingly, many of the shares are held by proxies like Blackrock or Blackstone or other investment groups, and we have no information on share classifications or other restrictions on voting and control. The greatest of all family dynasties are hidden from view, expunged from the media, deleted from the history books, and almost never attract public attention. All of these are Jewish – Rothschild, Sassoon, Sebag-Montefiori, Warburg, Lehman, Goldman, and so many names you may have never heard of. Here is a listing of a few of the Jewish bankers, representing perhaps only 25% of them, most having begun banking, financing and industrial operations in the early to mid-1800s, so an average of nearly 200 years, and many resulting in Jewish family dynasties that continue to this day, entirely out of the public eye. Rothschild, Sassoon, Warburg, Moses Montefiori, Sebag-Montefiori, Kadoorie, Lehman, Israel Moses Seif, Kuhn Loeb, Goldman Sachs, Salomon, Schiff, Joseph Hambro, J. The Vanguard Group, Inc. is an American registered investment adviser founded on May 1, 1975, with approximately **\$12 trillion** in global assets under management as of 2025. Vanguard is a private company and we cannot see who the shareholders are. The elite who own Vanguard apparently do not like being in the spotlight.

These two financial companies are consistently listed among the top institutional holders of other parent companies including: Apple Inc; Boeing Co., Caterpillar Inc., Coca-Cola Co., Exxon Mobil Corp., General Electric Co., General Motors Corporation, Hewlett- Packard Co., Intel Corp., Johnson & Johnson, JP Morgan Chase & Co., McDonald’s Corp., Merck & Co. The power of these two companies is beyond your imagination. Not only do they own a large part of the stocks of nearly all big companies but also the stocks of the investors in those companies. This gives them a complete monopoly.

A Bloomberg report states that both these companies in the year 2028, together will have investments in the amount of 28 trillion dollars. That means that they will own almost everything.

Early History of the Jewish Banking System

Below is some of the early history of how Jews created the Usury banking system (lending money for interest). A system where they had to start wars, murder, assassinate and bribe leaders to maintain and grow their banking system which has placed humanity in a slave system which the book by Stephen Mitford Goodson shows.

In the book ‘A History of Central Banking and the Enslavement of Mankind’ by ex-South African banker Stephen Goodson, he explains how the Central Banking “scam” originated, and how those who run it have throughout history used their power to subvert governments, and manufacture wars that not only produced vast profits, but frequently to topple ‘regimes’ whose banking system was not under their control.

The ‘scam’ of the money-lenders is the ability to literally create money from nothing, and then lend and accumulate interest on “credit,” and then re-lend that interest for further interest, in perpetuity, that creates pervasive, worldwide debt, from the individual, to the family, to the entire state.

The ability to operate a fraudulent credit and loan system has long been known, and with all the slickness of a snake-oil salesman, the money-lenders – the same types Jesus whipped from the Temple – have persuaded governments that banking is best left to their private interests.

The cultural and material progress of a Civilization will often relate to the degree by which it is free from the influence of debt, and the degradation that results when the money-lenders are permitted to abuse their power. Hence, Goodson shows that both World Wars, the Napoleonic wars, the American Revolution, the rise and fall of Julius Caesar, the regicide of Charles I of England, the overthrow of Gaddafi in Libya and the revolution against Tsar Nicholas, among much else in history relate to this “Hidden Hand”.

If you wish to have a real understanding of history – look for the influence of the bankers. This is the key to understanding the past, the present and the future.

Excerpt from the book by Stephen Goodson:

The Jews first arrived in England in 1066 in the wake of William I's defeat of King Harold II at Hastings on 14 October. These Jews came from Rouen, 75 miles (121 km) from Falaise in Normandy, where William the Conqueror was born illegitimately as William the Bastard. Although the historical record does not indicate whether they promoted the idea of a military invasion of England, these Jews had at the very least financed it. For this support they were richly rewarded by being allowed to practise usury under royal protection.

The consequences for the English people were disastrous. By charging rates of interest of 33% per annum on lands mortgaged by nobles and 300% per annum on tools of trade or chattels pledged by workmen, within two generations one quarter of all English lands were in the hands of Jewish usurers. At his death in 1186, Aaron of Lincoln was declared to be the richest man in England and it was estimated that his wealth exceeded that of King Henry II. [10] Furthermore the Jewish immigrants undermined the ethos of the guilds and exasperated the English merchants by selling a large variety of goods under one roof. They also played a prominent role in the clipping of silver coins and the melting of them into bullion and the plating of tin with silver.

The famous economist, Dr. William Cunningham, compares “the activity of the Jews in England from the eleventh century onward to a sponge, which sucks up all the wealth of the land and thereby hinders all economic development. Interesting too, is the proof that even at this early period the government did everything in its power to make the Jews take up decent trades and honest work and thereby at the same time amalgamate with the rest of the population, but all to no purpose.”

In 1215 the nobles revolted and forced King John to sign the Magna Carta on 15 June 1215. This document consists of 61 clauses relating to the establishment of various constitutional and legal rights, but its principal purpose was to cancel the bonds of the Jewish moneylenders and to abolish usury and the privileged position of the Jews.

On 19 October 1216 King John died and was succeeded by his nine year old son Henry III, who ruled from 1219 to 1272. His reign was little better than that of his father and 19 of the clauses affecting the Jews were abrogated the following year. However, his heir Edward I (1272-1307) soon realised that Jews had no place in English society and that if he did not take action, he would be in danger of losing his throne. In 1233 and 1275 Statutes of Jewry were passed which abolished all forms of usury. As many of these Jews could no longer earn a “living”, a statute was passed by King Edward on 18 July 1290 compelling the entire Jewish population of 16,511 to leave England forever; one of over 100 hundred expulsions which have been recorded throughout European history. The announcement was greeted with great joy and jubilation throughout the land. Unlike the modern practice of ethnic cleansing, the Jews, after paying a tax of 1/15 of the value of their movables and 1/10 of their specie, were permitted to leave with all their goods and chattels. Any Jew who remained after 1 November 1290 (All Saints Day) was liable to be executed.

With the banishment of the moneylenders and the abolition of usury, taxes were moderate and there was no state debt, as the interest free tally stick was used for government expenditures. With tolerable taxes, no state debt and no interest to pay, England enjoyed a period of unparalleled growth and prosperity.

During the 17th century this golden era came to a tragic end. Large numbers of Jews, who had been expelled from Spain in 1492 by Isabella I of Castile and Ferdinand II of Aragon on account of their persistent involvement in usury and unethical business practices, had settled

in Holland. Although the Dutch were at that time an important maritime power, the Jewish usurers based in Amsterdam desired to return to England, where their prospects for expanding the operations of their money-lending empire were far more promising.

Oliver Cromwell and the Jews and the English Civil War

In 1534, by the Act of Supremacy, the Church of England was established as the official religion of England by King Henry VIII. During the 16th and 17th centuries Puritan beliefs based on the teachings of John Wycliffe and John Calvin gained an increasing number of adherents. The Puritans considered the Bible to be the true law of God and emphasised Bible reading, prayer and preaching and the simplification of the ritual of the sacraments.

*The Stuart King Charles I (1625-49), who wished to maintain the pre-eminence of the Anglican Church, came into intensified conflict with the Puritans, who were making great progress in proselytising the population. After the assassination of Charles's trusted friend and adviser, the Duke of Buckingham in 1628, he gradually became more isolated. The growing religious division provided a perfect opportunity for exploitation by the Jewish conspirators. As Israel D'Israeli, the father of prime minister Benjamin D'Israeli, wrote in *The Life and Reign of Charles I*, "The nation was artfully divided into Sabbatarians and Sabbath Breakers."*

In 1640 one of the leaders of the clandestine Jewish community Fernandez Carvajal, a merchant and spy, who was also known as "the Great Jew", organised an armed militia of about 10,000 operatives, who were used to intimidate the people of London and sow confusion. Large numbers of pamphlets and leaflets were also distributed.

Civil war soon followed between the Royalists (Anglicans) and Roundheads (Puritans) and lasted from 1642-48. The Roundheads with their 'New Model Army' were victorious and an estimated 190,000 persons or 3.8% of the population died.

The leader of the Roundheads was Oliver Cromwell (1599- 1658), whose 'New Model Army' was not only outfitted and provisioned by the chief contractor and professional agitator, Fernandez Carvajal, but also bankrolled by Jewish moneylenders in Amsterdam. The leader of the Dutch Jews, Manasseh Ben Israel, sent begging petitions to Cromwell asking that the Jews be allowed to immigrate to England in return for the financial favours, which he had so generously arranged.

Jewish control in finance is not a new phenomenon. Look at these quotes from several prominent men going back as far as 1858

In the book *The Jews* by Hilaire Belloc, - *"There is already something like a Jewish monopoly in high finance. There is the same element of Jewish monopoly in the silver trade, and in the control of various other metals, notably lead, nickel, quicksilver. What is most disquieting of all, this tendency to monopoly is spreading like a disease."*

Hilaire Belloc -(born July 27, 1870, died July 16, 1953, Guildford, Surrey, Eng.) was a French-born poet, historian, and essayist who was among the most versatile English writers of the first quarter of the 20th century.

H. H. Beamish, in New York Speech, October 30, 1937 *"The Boer War occurred 37 years ago. Boer means farmer. Many criticized a great power like Britain for trying to wipe out the Boers. Upon making inquiry, I found all the gold and diamond mines of South Africa were owned by Jews; that Rothschild controlled gold; Samuels controlled silver, Baum controlled other mining, and Moses controlled base metals. Anything these people touch they inevitably pollute."*

W. Hughes, Premier of Australia, Saturday Evening Post, June 19, 1919 *"The Montefiores have taken Australia for their own, and there is not a gold field or a sheep run from Tasmania to New South Wales that does not pay them a heavy tribute. They are the real owners of the antipodean continent. What is the good of our being a wealthy nation, if the wealth is all in the hands of German Jews?"*

Lord Harrington. 19th century British statesman. Opposed admission of Jewish immigrants to England because: *"They are the great moneylenders and loan contractors of the world... The consequence is that the nations of the world are groaning under heavy systems of taxation and national debt. They have ever been the greatest enemies of freedom. (Speech in the House of Lords, July 12, 1858)*

Walter Crick, British Manufacturer, in the Northampton Daily Echo, March 19. 1925) *"Jews can destroy by means of finance. Jews are International. Control of credits in this country is not in the hands of the English, but of Jews. It has become the biggest danger the British Empire ever had to face."*

Jeffrey Epstein & Israel

Epstein was a paedophile and lured the rich and famous to Epstein Island to have sex with underage girls and blackmail them. Epstein was Jewish and working for Israeli Intelligence but the mainstream media have went out of there way to try and convince the general public that he was working for the Russians. Again covering up for Israel, this little tiny country with 9 million people.

Epstein tried to cozy up to Russian officials, including Putin, documents show

Epsteins partner in crime was Ghislaine Maxell. In 2021 she was convicted of child sex trafficking, and in 2022 was sentenced to 20 years in prison. She was the daughter of British Media tycoon Robert Maxwell (Jewish) who died in 1991 in mysterious circumstances falling from his boat. Robert Maxwell became an agent of the Mossad, according Several books including Robert Maxwell: Israel's Superspy by Gordon Thomas and Martin Dillon. Furthermore, Seymour Hersh's The Samson Option: Israel's Nuclear Arsenal and American Foreign Policy alleges ties between Maxwell and Israeli intelligence. Ghislaine became the sole partner in Epstein's business, and he called her his best friend.

Below Robert Maxwell with former Israel Prime Minister Ariel Sharon in 1990

Epstein worked for Leslie Wexner (Jewish) and lived in one of his houses for 20 years. Wexner was a Pro-Israel billionaire and founder of the Mega group along with Jewish billionaire Edgar Bronfman. All of Epstein's initial wealth and connections came via Wexner. Wexner gifted Epstein his New York house, and it was Wexner money which secured Epstein Island and Epstein's private jet.

Jeffrey Epstein was hand-picked by the MEGA group, whose sole purpose is the capture of U.S. politics for Israel. A profile in the Wall Street Journal from 1998 described it as "a loosely organized club of 20 of the nation's wealthiest and most influential Jewish businessmen"

Israeli intelligence sources later described the Mega Group as a vehicle for influence operations in the United States. Analysts pointed to the group's contacts with the Israeli Mossad, its alignment with the broader Israel lobby, and its habit of operating behind closed doors.

The Jewish members of the Mega Group included:

Leslie Wexner, founder of The Limited and Victoria's Secret.

Charles and Edgar Bronfman, heirs to the Seagram liquor empire and longtime leaders of the World Jewish Congress.

Michael Steinhardt, pioneering hedge fund manager described in Hedge Fund Alpha and MicroCapClub as one of Wall Street's most successful investors.

Max Fisher, Detroit oil magnate and Republican powerhouse who advised presidents from Eisenhower through George W Bush on Jewish and Middle Eastern affairs.

Ronald Lauder, heir to the Estée Lauder fortune and later president of the World Jewish Congress.

Harvey Meyerhoff, Baltimore real estate magnate and founding chairman of the United States Holocaust Memorial Museum, profiled by his own charitable foundation and Pi Lambda Phi.

Laurence Tisch, chairman of Loews Corporation, whose son James later led United Jewish Communities.

Epstein operated as part of an Israeli sexual blackmail apparatus. Ari Ben Menashe, a former Israeli intelligence operative, told Electronic Intifada and other outlets that Epstein and British Jewish socialite Ghislaine Maxwell worked for Israeli military intelligence and specialised in blackmail. Whitney Webb, a former investigative journalist for Mint Press, in her book One Nation Under Blackmail, claimed that the MEGA group ran as a "joint CIA-Mossad operation."

The words Goyim (meaning non Jews) and Mossad and Israel appear thousands of times in the millions of released Epstein files. You can search yourself here:

Former Israeli Intel Official Claims Jeffrey Epstein, Ghislaine Maxwell Worked for Israel

In an interview given by a former high-ranking official in Israeli military intelligence he claimed that Epstein's sexual blackmail enterprise was an Israel intelligence operation run for the purpose of entrapping powerful individuals and politicians in the United States and abroad. The former senior executive for Israel's Directorate of Military Intelligence, Ari Ben-Menashe, claimed not only to have met Jeffrey Epstein and his alleged madam, Ghislaine Maxwell, back in the 1980s, but that both Epstein and Maxwell were already working with Israeli intelligence during that time period.

Here's a breakdown of the worldwide, Zionist-controlled, Pedogate control mechanism

The Jeffrey Epstein story reveals how agents from a foreign government can hijack and control the US government. What will be presented here is the anatomy of a sexual blackmail operation orchestrated by Israel's Mossad as a means of gaining and maintaining control over America's foreign policy and top leaders so that the US Empire ultimately fights Israel's wars for the Greater Israel Project. Through AIPAC bribery and Mossad blackmail, virtually every US politician in Congress including the president is and has been a puppet of the Zionist Jewish State. This chapter will focus on how Israel invested in a complete unknown, a Jewish American college dropout, overnight granting him the title of hedge fund mystery man as promoted in the Zionist controlled New York Magazine, owning multiple mansions for the covertly licensed purpose of pursuing both his own kinky perversions raping young underage girls while enticing notable puppet figures to indulge in their pedophilic fantasies as thoroughly compromised and subsequently owned tools for Israel and the Zionist Khazarian mafia. The Rothschild's central bankster system funding this Illuminati mafia scheme wouldn't have it any other way. Wexner's ties to Israel and Mossad became more than apparent when a document entitled "Wexner Analysis: Israeli Communication Priorities 2003" was uncovered, outlining a PR campaign promoting the Iraq war invasion demonizing Saddam Hussein – dead or alive – as the false link to terrorism with emphasis that Israeli foreign policy interests are identical to US foreign policy interests. The report serves as confirmation that Wexner and his charity organization called the Mega Group provided the cover as a Zionist Mossad front actively influencing and dictating US war policy in the Middle East. Wexner's Mega Group consists of about 20 fellow Jewish American financial titans who use their Zionist power to manipulate and control Washington into fighting illegal wars for Israel against the Islam religion and people in Iraq, Afghanistan,

Syria, Libya, Yemen, and eventually Iran, using their US-Israeli creation of al Qaeda/ISIS terrorists as proxy war allies to justify their prefabricated US “endless war on terror.” Wexner and company worked hand in hand with the neocons and Israeli first dual citizens behind the Project for a New American Century calling for their “new Pearl Harbor” 9/11 to justify US-Israeli global hegemony.

The Israeli Government Installed and Maintained Security System at Epstein Apartment

The Israeli government installed security equipment and controlled access to a Manhattan apartment building managed by convicted sex offender Jeffrey Epstein, according to a set of emails recently released by the Department of Justice. The equipment was installed starting in early 2016 at 301 E. 66th Street—the residence where former Israeli Prime Minister Ehud Barak frequently stayed for stretches at a time.

The security operation at “Ehud’s apartment” was in place for at least two years, emails from the DOJ disclosure show, with officials from the Israeli permanent mission to the United Nations corresponding regularly with Epstein’s staff regarding security. The apartment was technically owned by a company connected to Epstein’s brother, Mark Epstein, but was effectively controlled by Jeffrey Epstein

Israeli Spy Stayed for Weeks at a Time With Jeffrey Epstein in Manhattan

Leaked emails show Epstein working on a wire transfer to Ehud Barak’s top aide, Yoni Koren, who regularly stayed at his apartment.

An Israeli military intelligence officer stayed at Jeffrey Epstein’s Manhattan apartment on at least three occasions—including once, in February 2013, while working as a senior aide to then-Israeli Minister of Defense Ehud Barak.

Yoni Koren made his intelligence career working in covert operations alongside the Mossad, and remained a lieutenant colonel in reserve duty after he officially left the intelligence directorate. He stayed in Epstein’s apartment again for two weeks, in October 2014, and a third time for ten more days in September 2015.

Jeffrey Epstein Helped Broker Israeli Security Agreement With Mongolia

Jeffrey Epstein used his political network and financial resources to help broker a security cooperation agreement between the governments of Israel and Mongolia, according to a trove of leaked emails from former Israeli Prime Minister Ehud Barak. This new set of emails between Barak and Epstein has largely been ignored by the mainstream press, but includes crucial new context on Epstein's operation.

It's well known that Epstein had personal ties to Israel, including to senior political officials like Barak and Ehud Olmert, and that he donated to organizations like Friends of the IDF. But Epstein's activities in Mongolia show, for the first time, that he facilitated a deal that led to a security agreement between Israel and other nations.

Jewish Spying

“The Jews are born spies. You notice how many of them are. There just in it up to their necks’ – **President Richard Nixon from the Nixon Tapes 1971**

Some of the most notorious spies in the world have been Israeli or Jewish. Jews are the only people in American history to be tried and executed for treason. In the 1950’s Atomic secrets were stolen and passed on to the Soviets. When it comes to listing the spies and traitors involved, it almost reads like a Jewish Who’s Who. The most notorious were Julius and Ethel Rosenberg, who were tried and executed for treason, the only traitors in modern U.S. history to have suffered this fate. Further involved in this spy network were Harry Gold, Abraham Brothman, David Greenglass, [Ethel Rosenberg's brother], Israel Weinbaum, Miriam Moscovitz, Sidney Weinbaum, Morton Sobell. All these were Jews, and all were convicted of treason.

American Jews and The Mossad Conspired to Steal U.S. Uranium for Israel’s Secret Nuclear Weapons Program. Years before John F. Kennedy had his final showdown with David Ben-Gurion over Israel’s development of nuclear weapons, the Mossad — with the help of American Jews loyal to the fledgling Zionist state — orchestrated one of the greatest criminal heists in history — the theft of over 600 pounds of weapons-grade uranium with the complicity of both the FBI and C.I.A. The story of this espionage and betrayal is documented in the book, *Stealing The Atom Bomb: How Denial And Deception Armed Israel* by Dr. Roger Mattson, former advisor and manager with the Nuclear Regulatory Commission and the Atomic Energy Commission.

The Jews in America stole top class defense departments documents from America and passed them to Jewish controlled Communist China. Jewish spy Jonathan Pollard, found guilty of stealing thousands of classified documents from the Defense Department where he worked, gave these materials to his masters, the Israeli Mossad operating in the U.S.A. The Israelis, in turn, transferred these valuable military secrets straight to Red Chinese dictators in Beijing. Pollard, a Jew born in Galveston. When Israeli Prime Minister Netanyahu came to America, he visited Pollard in prison and assured the despicable turncoat Israeli spy that the Israeli government was working behind-the-scenes with Obama’s White House to pardon the convicted spy. Meanwhile, Pollard is a national hero in Israel—honored for stealing America’s most precious military secrets which Israel gave to Communist China. In 1987, he was sentenced to life in prison for violations of the Espionage Act. Pollard was released from prison on November 20, 2015.

The Jews then used sexual blackmail to try and force President Bill Clinton to release Jonathan Pollard by placing a Jewish agent in the White House named Monica Lewinsky. Israeli Mossad then wiretapped the phones in the White House to record Clinton's conversations with Lewinsky. A book on the Clinton family titled "Clinton Inc: The Audacious Rebuilding of a Political Machine," author Daniel Halper claims that Israel tapped White House phones and blackmailed the president with recordings of Lewinsky.

Israel attempted to use tapes of former US president Bill Clinton's steamy conversations with intern Monica Lewinsky to leverage the release of Jonathan Pollard.

Lewinsky testified that she and the President had 10 sexual encounters, which included oral sex but never intercourse. The encounters generally occurred in or near the private study off the Oval Office, most often in a windowless hallway outside the President's study.

Lewinsky said she had about 50 telephone conversations with the President, often after 10 p.m. and sometimes well after midnight. Sometimes they talked about "everything under the sun," she testified. Other times, the report says in citing her testimony, they had phone sex.

Halper is not the first to claim that Israel illicitly taped the steamy conversations between Clinton and Lewinsky and tried to leverage it to its advantage. In 1999, UK author Gordon Thomas claimed that the Mossad had collected some 30 hours' worth of phone sex conversations between Lewinsky and Clinton and was using them to blackmail the US or to protect a deeply-embedded mole in the White House.

Thomas also claimed that the Mossad was behind the deaths of Princess Diana, Robert Maxwell, William Buckley, and the 241 Marines killed in a 1983 barracks explosion in Lebanon.

Pollard and his second wife relocated to Israel and settled in Jerusalem.

Since relocating to Israel, Pollard has endorsed Israeli far-right minister Ben-Gvir and advocated a population transfer to relocate Gaza's Palestinians to Ireland.

Israeli Spyware

Israel has created spyware for surveillance of journalists, politicians, government officials, chief executives, and human rights activists. The spyware is called Pegasus. It can be deployed on Android and Apple smartphones with a great deal of stealth. Pegasus gains access to your phone through a variety of mechanisms, including a zero-day vulnerability in Apple's iMessage app. A victim receives a message with a malicious link, which leads to a page that exploits a vulnerability in the device's built-in browser. Once infected with Pegasus Spyware, a device is under the complete control of the attacker. It acts as a listening and tracking device for the user. Not only does the Pegasus Spyware give the attacker access to a user's texts, phone conversations, contacts, and emails, but it also can use the GPS function to track their location. Is this how Israel is able to track and assassinate Iranian leaders and Palestinian and Lebanese journalists?

Pegasus spyware was made by the Israeli technology company NSO Group. The NSO Group was founded in 2010 by Israelis Niv Karmi, Shalev Hulio, and Omri Lavie who used to work for the cyber outfit Unit 8200 of the Israeli Defence Forces.

French President Emmanuel Macron and fifteen of his ministers were forced to change their phones and numbers after it was revealed that they were targeted in 2019 by Moroccan authorities using Israeli-made spyware called Pegasus. Once installed, the Pegasus spyware can access and turn on a smartphone's camera and microphone and access all applications, harvesting GPS location data, photos, videos, SMS messages, emails, WhatsApp chats,

calendar and phone contacts. According to French newspaper Le Monde, Macron's and his ministers' mobile phone numbers were among more than 50,000 targeted by the spyware, which was developed by cyber-surveillance company NSO Group Technologies.

Among those targeted political leaders, were the current leaders of France, Pakistan, South Africa, Egypt, Morocco and Iraq.

<https://www.bbc.co.uk/news/world-europe-57937867>

Spain's Prime Minister Pedro Sánchez, Defence Minister Margarita Robles, Interior Minister Fernando Grande-Marlaska, and 18 Catalan separatists were also targeted by Pegasus. Sánchez's phone was hacked twice in May 2021, with officials claiming that there was at least one data leak. This was the result of, according to the government, an "illicit and external" operation, conducted by bodies with no state authorisation.

Israeli spyware: tested on Palestinians, deployed around the world

Tel Aviv newspaper Haaretz reported that Israel has continued to carry out its cyber-surveillance operations using Pegasus against Palestinians in the occupied Palestinian territories, including "monitoring the media, social media and the population as a whole". Haaretz noted that the operation was "among the largest of its kind in the world".

<https://redflag.org.au/article/israeli-spyware-tested-palestinians-deployed-around-world/>

It was suspected by Facebook as early as 2019 that Pegasus was intercepting some WhatsApp communications.

In July 2021, the Pegasus Spyware suddenly gained widespread publicity due to an Amnesty International investigative report stating that it is being misused to access peoples' personal information without consent.

Essentially, it is as if someone is quietly listening to all your conversations and has been for years. The worst part is that you may never even find out that your phone has been infected by the Pegasus Spyware unless your device is scanned at a digital security lab!

Maker of Pegasus spyware told to pay \$167m for WhatsApp hack

The Israeli firm behind the Pegasus spyware has been ordered to pay WhatsApp \$167m (£125m) for hacking 1,400 people in 2019.

<https://www.bbc.co.uk/news/articles/c77n76kzmz4o>

NSO also faces a lawsuit from Apple, which claims the spyware maker violated US laws by breaking into the software installed on its iPhones.

There is more insidious Israeli spyware companies.

Lead among these is **Cellebrite**, founded by ex-IDF soldier Yossi Carmil and staffed with dozens of ex-Unit 8200 Israeli intelligence personnel. Cellebrite's flagship tool is called the Universal Forensic Extraction Device which extracts data including contacts, locations, deleted messages, and calls from a range of devices including smartphones, pads, SIM cards, and GPS devices. In the US Cellebrite has a \$30 million contract with ICE, and a \$1.6 million contract with Customs & Border Protection to scrape the data from phones seized at the border. Freedom of Information Requests have previously found twenty six of the UK's forty seven police forces admitted using the Israeli Cellebrite technology. Cellebrite has boasted of its work enabling the Israeli genocide of Gaza, saying it has been 'instrumental' in providing phone hacking services to Israeli intelligence since October 7th.

Israel's permanent war and apartheid economy, and the spy tech firms run by Israeli intelligence operatives that emerge from this economy, are the single biggest threat to civil liberties in the world today.

Toka is another Israeli spyware which was created by former Israeli Prime Minister Ehud Barack. Toka advertised itself as "a one-stop hacking shop for governments that require extra capability to fight terrorists and other threats to national security in the digital domain." Toka's software suite claims to offer its customers in law enforcement, government and intelligence the ability to obtain "targeted intelligence" and to conduct "forensic investigations" as well as "covert operations."

The Israeli Spy Behind PragerU's Plan to Rewrite American Education To Indoctrinate Children

PragerU is trying to take over American schools. The right-wing, pseudo-educational group is now an official educational partner in at least ten states, and blitzes children with highly questionable messaging on race, history, and politics. Even more concerning, PragerU is led by former Israeli spy, Marissa Streit, who has stated she uses the tactics and techniques honed by IDF military intelligence on the American people. Streit's company is involved in a big-money operation targeting children with neoconservative, pro-war, pro-business, pro-Israel messaging, attempting to indoctrinate them at their youngest and most impressionable age.

Israel is Spying On Millions Of Christian Americans In Their Churches

If you are a Christian living in the Western United States, you have almost certainly been targeted with pro-Israel, anti-Palestine propaganda, paid for directly by the government of Benjamin Netanyahu. Your searches, location, and internet activity is being monitored by Israel, and your algorithms and search results across multiple platforms are being manipulated by Israeli government in what its American partner calls the "largest geofencing and targeted Christian digital campaign ever."

Israel is spending millions of dollars to target individuals entering churches or Christian colleges with ads, and paying pastors across the country to promote propaganda and false "anti-Palestinian" narratives every Sunday, documents filed with the United States' Foreign Agents Registration Act (FARA) show.

Israeli spyware is a threat to all freedoms everywhere

Israel's permanent war and apartheid economy, and the spy tech firms run by Israeli intelligence operatives are the single biggest threat to civil liberties in the world today.

<https://www.middleeastmonitor.com/20210722-israeli-spyware-is-a-threat-to-all-freedoms-everywhere/>

"The reality is, of course, that Israel has been a major source of spying and even worse against the United States since the 1950s, always ranking in FBI and Department of Defense assessments as one of the top three foreign espionage offenders, frequently as number one. And Israeli clandestine covert actions and false flag attacks have not hesitated to kill Americans as part of their efforts to cover-up their more disreputable activities. Notably, the Israeli false flag attack on the US Navy's USS Liberty in international waters on June 8th 1997 in which 34 crewmen were killed stands out, particularly due to the subsequent cover-up conveniently arranged by Presidents Lyndon B Johnson and Secretary of Defense Robert McNamara. Israeli spies, which might have included Netanyahu himself when he resided in the US, arranged the illegal removal of enriched uranium from a Zionist-Jewish-owned metallurgical company in Pennsylvania and also obtained the special triggers in California that enabled Tel Aviv to create a nuclear arsenal. When President John F Kennedy sought to stop that development he was assassinated, quite possibly with help from Mossad. And then there was the most damaging spy in the history of the US, Jonathan Pollard, who stole for Israel the most sensitive intelligence ever obtained by a foreign power. He is now running for the Knesset in Israel and is speaking of the next two likely targets for the Israeli army once the Palestinians, Lebanese and Syrians are disposed of, Neighbors Egypt and Turkey!" -Philip Giraldi - American columnist, commentator and security consultant. He is the executive director of the Council for the National Interest. He was previously employed as an intelligence officer for the CIA.

Israel's Nuclear Weapons

"Israel and its overseas network in the US....(threatens) not only the oppressed people of Palestine (and Iraq, Iran, Lebanon, Syria and any other state Israel takes aim at) but the rights of people throughout the world. We have mass public opinion on our side nearly everywhere outside the US, and it's gaining resonance here as well. It sees Israel and our actions in support of the Israeli state as the greatest of all threats to world peace and stability", - James Petras, from the book 'The Power of Israel in the United States'.

Israeli opposition leader accuses Netanyahu of fabricating Iran nuclear claims to frighten public. Former Israeli army chief and opposition leader Gadi Eisenkot accused Prime Minister Benjamin Netanyahu of fabricating claims that Iran possesses nuclear weapons in order to frighten the Israeli public at a conference in central Israel in June 2026.

<https://www.middleeastmonitor.com/20260701-israeli-opposition-leader-accuses-netanyahu-of-fabricating-iran-nuclear-claims-to-frighten-public/>

Israel possesses a sizeable nuclear arsenal but no one really knows how big that arsenal is. In 2008, President Jimmy Carter said that Israel probably has a minimum of 150 weapons in stock ready to use if the direst circumstances warrant it. Six years later, the former President revised that estimate and put the figure in the 300 range, which based on Carter's calculations would mean that Israel doubled its arsenal from the 2008-2014 time-period. The truth is Israel wants to control the Middle East and it can only do that if it is the only country in the Middle East which has Nuclear weapons and that's why it puts pressure on other countries to stop Iran from having a nuclear arsenal. Again this is just lies because Iran only wants to have a cheaper form of energy, nuclear energy.

How is a terrorist state like Israel allowed to have Nuclear weapons anyway? In the 1950s and early 1960s, the Israeli Government repeatedly lied to the U.S and its Allies about requests for information on possible weapons development. Israel said its nuclear research plant at Dimona was a 'metallurgic research installation' which was a lie. Foreign minister Shimon Peres assured President John F. Kennedy in a 1963 meeting in the Oval Office that Israel would "not introduce nuclear weapons to the Middle East. Israel lied about its Nuclear weapons program.

Israel obtained its nuclear weapons without international sanction and to this day, refuses to admit to having nuclear weapons. As such, Israel is not a signatory to the Treaty on the Non-Proliferation of Nuclear Weapons. Israel is one of only four nations in the world to have never signed the treaty. Seems strange that all we hear in the media is Iran's nuclear weapons that they are supposed to have. Another Zionist lie to fool the masses.

In the early 1960s Jews stole highly enriched Uranium – a key material used to produce nuclear weapons – from the NUMEC nuclear processing plant in Pennsylvania, USA. It was stolen by American Jewish Zionist named Zalman Mordecai Shapiro and a team of Israeli spies. Shapiro received a PhD in chemistry from John Hopkins University in 1948 and began working on the USS Nautilus, which would become the world's first operational nuclear-power submarine in 1954. Shapiro was a member of the Zionist Organization of America's Pittsburgh chapter, traveled frequently to Israel, had NUMEC serve as a procurement and sales agent for the Israeli Ministry of Defense. The other Israelis helping with the Uranium theft were Rafael "Rafi" Eitan and Avraham Shalom , former Shin Bet agents.

Investigators found that more than 337 kilograms of that material had vanished—enough fissile material to construct multiple nuclear weapons. The CIA concluded that the missing uranium ended up in Israel's nuclear arsenal.

1968 CIA Director wrote a letter (below) demanding FBI investigate suspected Israel theft of hundreds of pounds of US weapons-grade uranium from NUMEC, run by Dr. Shapiro, who had close ties to the Israeli government.

American President JFK tried to stop Israel from acquiring a Nuclear Bomb

Did Israel have something to do with the assassination of American president John F Kennedy in November 1963. Quite possibly. JFK wanted Israel to stop the development of a nuclear bomb. When intelligence indicated that Israel might be trying to build a nuclear weapon at Dimona in 1962, Kennedy was determined to find out if this was true and, if so, to stop it. This caused an intense diplomatic confrontation between JFK and Israeli Prime Minister David Ben-Gurion. On May 18, 1963, the President warned Israel Prime Minister David Ben Gurion that unless American inspectors were allowed into Dimona, Israel would find itself totally isolated and would not receive any aid from the U.S. Rothschild was the controller of the Israeli state (and the Federal Reserve) and to control the Middle East he needed Israel to have a nuclear bomb.

Ben Gurion stepped down in 1963 because of the pressure from Kennedy appointing a new Prime Minister, Levi Eshkol. Kennedy took the occasion to write a polite diplomatic letter to Eshkol, and asked for date for another inspection of the Dimona facility “within six months”, to be followed with regular inspections every six months. And he added the following ultimatum,

“As I wrote Mr. Ben-Gurion, this Government’s commitment to and support of Israel could be seriously jeopardized if it should be thought that we were unable to obtain reliable information on a subject as vital to the peace as the question of Israel’s effort in the nuclear field.”

Below is part of the letter Kennedy sent to the Prime Minister of Israel on July 5th 1963:

“Dear Mr. Prime Minister (Levi Eshkol of Israel):

It gives me great personal pleasure to extend congratulations as you assume your responsibilities as Prime Minister of Israel. You have our friendship and best wishes in your new tasks. It is on one of these that I am writing you at this time.

You are aware, I am sure, of the exchange which I had with Prime Minister Ben-Gurion concerning American visits [i.e.: inspections] to Israel’s nuclear facility at Dimona. Most recently, the Prime Minister wrote to me on May 27th. His words reflected a most intense personal consideration of a problem that I know is not easy for your Government, as it is not for mine. We welcomed the former Prime Minister’s strong reaffirmation that Dimona will be devoted exclusively to peaceful purposes and the reaffirmation also of Israel’s willingness to permit periodic visits [inspections] to Dimona.

Therefore, I asked our scientists to review the alternative schedules of visits we and you had proposed. If Israel’s purposes are to be clear beyond reasonable doubt, I believe that the schedule which would best serve our common purposes would be a visit early this summer, another visit in June 1964, and thereafter at intervals of six months”. - President of the United States

John F. Kennedy Administration: Letter to Israeli PM Ben-Gurion Regarding Visit to Dimona

https://history.state.gov/historicaldocuments/frus1961-63v18/pg_197

Of course these visits to inspect the Dimona plant never came about because as you know Kennedy was assassinated in November 1963 and the man who took his place Lyndon

Johnson reversed all of Kennedy's policies. Lyndon B. Johnson looked the other way and let Israel get its nuclear capability.

In Kennedy's last fiscal budget year of 1964, Israeli aid was \$40 million. In LBJ's first budget of 1965, it soared to \$71 million, and in 1966 more than tripled from two years earlier to \$130 million! Plus, during Kennedy's administration, almost none of U.S aid to Israel was military in nature. Instead, it was split equally between development loans and food assistance under the PL480 Program. Yet in 1965 under the Johnson administration, 20% of U.S aid to Israel was for the military, while in 1966, 71% was used for war-related materials. These figures show that Kennedy was not keen on making Israel the dominate force in the Middle East and that is one of the main reasons he had to be removed.

Freed Israeli nuclear spy Mordechai Vanunu said in an interview published in 2004 that Israel was behind the 1963 assassination of U.S. President John F. Kennedy. Vanunu, a former nuclear technician who was released from Israeli prison after serving an 18-year sentence for exposing Israel's nuclear program at Dimona to Britain's Sunday Times, has been barred from leaving the country, talking to the media or meeting with foreigners. This claim about Israel's involvement in the Kennedy assassination was also made by the late Colonel Gaddafi of Libya. If anyone doubts that the Rothschild Jewish Zionist Establishment could have done this then you need to read Michael Collins Piper's book Final Judgment, linking Israel to the Kennedy assassination. Final Judgment documents show how Israel's leaders, the Mossad, the Jewish Meyer Lansky-run organized crime syndicate, and a pro-Zionist faction of the CIA colluded to assassinate President, John F. Kennedy.

Israel & The Assassinations of the Kennedy Brothers A Documentary By Laurent Guyénot

Released in 2021, this independent documentary by French author and researcher Laurent Guyénot examines the assassinations of John F. Kennedy in 1963 and Robert F. Kennedy in 1968, proposing that Israel's Mossad played a central role. It focuses on tensions between the Kennedy administration and Israeli leadership, particularly over the Dimona nuclear facility and efforts to require the American Zionist Council to register as a foreign agent. The film draws connections through archival footage, historical documents, and analysis of key figures like David Ben-Gurion, James Jesus Angleton, and Lyndon B. Johnson, suggesting these events shifted U.S. foreign policy toward stronger support for Israel and prevented further scrutiny of nuclear ambitions.

The list below are the main points gathered from watching the video above.

Ben Gurion and JFK clashed over the Dimona nuclear plant, as JFK requested for inspections to ensure there was no Israeli nuclear weapons program, causing him to resign. The new Israeli PM, Levi Eshkol, also delayed JFK's requests and demands about the plant.

- JFK supported UN Resolution 1994, which would allow the Palestinians the right to return. Kennedy also supported Nasser—Israel's biggest enemy.
- JFK's trip to Dallas on November 22 1963 was sponsored by a powerful business group known as the Dallas Citizens Council, dominated by two Jews Julius Schepps and Sam Bloom. It was that appointment at the Dallas Trade Mart which led his motorcade to pass through Dealey Plaza where the fatal shots were fired. A coincidence?
- Abraham Zapruder (Jewish), who filmed the killing and sold 150k the film to Life Magazine, was a member of the DCC. He was a clothing manufacturer whose company's HQ just so happened to be in the Dallas Textile (Dal Text) building where a sniper's nest was found.
- Narratives to steer everyone away from Mossad involvement were being pre-empted soon after Kennedy's assassination. Jewish activist Alan Weberman wrote a book, *Coup D'état in America*, blaming the CIA, with the help of Richard Perle (Jewish).
- Newsweek Journalist, Edward Jay Epstein, wrote a book mentioning an interview with George de Moherschildt, who claimed he was introduced to Lee Harvey Oswald by a CIA agent. Moherschildt was found dead after the interview—his death deemed a suicide. He wrote *Jews were after him*, weeks before.
- Mark Lane (real name Levin—a Jewish), blames FBI and CIA in his book *Rush to Judgement*.
- Oliver Stone's (Jewish) movie *JFK* was produced by Arnon Milchan (Jewish)—one of the most important Israeli agents ever fielded.
- The CIA's narrative is contradictory: it states the JFK assassination was a false flag to invade Cuba, yet an invasion never happened.
- James Jesus Angleton was the Mossad liaison for the CIA—head of the CIA Israel office. He was clearly a mole.
- Oswald, the apparent "lone gunman" who killed JFK, was a former Marine recruited by the US Navy. He worked for Naval Intelligence.

- Oswald was killed by Jacob Ruby (real name Jacob Leon Rubenstein), a Jewish mobster tied to Mickey Cohen from the Yiddish Connection—which was connected to Bugsy Seigel, of Murder Inc., also linked to Irgun.
- Sam Bloom (Jewish) suggested the Dallas Police move Oswald to a county jail to give a good story. This transfer allowed Rubenstein to intercept and kill him. Sam Bloom's name, address, and telephone number were found in Rubenstein's home.
- Rubenstein said he killed Oswald "for the Jews."
- Zapruder's film shows JFK was shot in the front; Dr. Charles Crenshaw, who was on the medical team that treated JFK's wounds, says he was shot from the front; The Warren Commission claims shots were from the back. Witnesses say Grassy Knoll.
- Warren Commission was full of JFK's enemies and Jewish Zionists, like Arlen Specter. Arlen invented the "Magic Bullet Theory."
- Rubenstein eventually pointed the finger at Lyndon Baines Johnson (LBJ).
- LBJ was involved and benefited. Johnson's connection to the Navy allowed him to have JFK's body stolen from the hospital to make a fraudulent autopsy.
- JFK wanted to drop LBJ due to massive corruption, after RFK's DOJ implicated Fred Couth, Navy secretary, and Bobby Baker, LBJ's personal secretary, in a 7-billion fraud contract.
- LBJ was immoral and power-hungry; RFK suspected he was involved in the coup.
- LBJ was always Israel's man; his campaigns were funded by Jews, namely Abraham Feinberg, who was a key financier in the Dimona project.
- LBJ was most likely forced to be JFK's VP, due to Hoover and the Jewish press that would spread rumors of his womanizing.
- After Kennedy's death, LBJ turned American policy into a pro-Israeli one. He was probably Jewish. His aunt was in the Zionist Organization of America.
- When the USS Liberty was attacked and 34 Americans killed by Israel. It was covered up by LBJ.

Lee Harvey Oswald's Killer 'Jack Ruby' Came From Strong Jewish Background," and that he told his rabbi Hillel Silverman that he "did it for the Jewish people".

"I was shocked," said Silverman. "I visited him the next day in jail, and I said, 'Why, Jack, why?' He said, 'I did it for the American people.'" I interrupted Silverman, pointing out that other reports had Ruby saying he did it "to show that Jews had guts." The rabbi sighed. "Yes, he mentioned that," Silverman said. "But I don't like to mention it. I think he said, 'I did it for the Jewish people.' But I've tried to wipe that statement from my mind."

Ruby's defense lawyer William Kunstler also claims in his memoir that Ruby told him: "I did it for the Jews," repeating on several occasions: "I did this that they wouldn't implicate Jews." During Kunstler's last visit Ruby handed him a note in which he reiterated that his motive was to "protect American Jews from a pogrom that could occur because of anger over the assassination." There is only one possible interpretation of Ruby's words: he must have known, and those you tasked him with killing Oswald must have known, that if Oswald was tried, the Jewish hand in JFK's assassination would likely be made apparent.

This piece of information comes from a useful book written about Ruby: Seth Kantor's 1978 *Who Was Jack Ruby?* retitled *The Ruby Cover-Up* in 1980. Kantor was a reporter working for the Dallas Times Herald in 1963. He knew Ruby and was less than ten feet away from him when he shot Oswald.

Do not dismiss the fact that a Jew and probable Mossad (SAYANIM) asset, Abraham Zapruder, just happened to be at the perfect place at the perfect time to capture the gruesome film footage of the actual murder and recorded the gruesome murder without flinching (just like the 5 dancing Israelis who had a video camera already set up to capture footage of the planes hitting the Twin Towers on 9/11). The question must be asked: Was Abraham Zapruder (Jewish) a Mossad operative on assignment positioned at exactly the right place at the right time to capture the gruesome murder as a graphic lesson for posterity? Zapruder either had incredible nerves of steel to be able to capture the event without so much as flinching; or he knew exactly what was coming and performed his assignment perfectly.

The man who played the key role in fabricating the government lie purveyed by the Warren Commission was the Jewish Arlen Specter, the inventor of what came to be called the "magic bullet" theory: a single bullet supposed to have caused seven wounds to Kennedy and John Connally. 38 years later the Jews would also run the 9/11 commission, what a coincidence.

Facts are facts: of the 22 Warren Commission staff attorneys, nine were Jewish. Another was married to a Jewish woman. Several others had ties to the Israeli lobby. What's more, one of the commission's most active members—Gerald R. Ford—was the protégé of a figure long linked to both the Mossad and the Lansky Crime Syndicate. Another commission member, John McCloy, was intimately associated with some of the most powerful families in the Jewish elite. If the Warren Commission had been sincere in investigating the JFK conspiracy—and discovered an Israeli connection—the immense "Jewish presence" within the

commission could have provided the means whereby the Israeli connection would undoubtedly have been covered up.

So, at all stages of the JFK Assassination, we find a Zionist cabal including business men, politicians and Irgun-connected gangsters, not forgetting media executives, all devoted to Israel.

Andrew Adler, owner and publisher of the Atlanta Jewish Times, wrote in a column in the issue of Jan. 13, 2012, that Israel's leaders should, if necessary, "give the go-ahead for U.S.-based Mossad agents to take out a president deemed unfriendly to Israel in order for the current vice president to take his place, and forcefully dictate that the United States' policy includes its helping the Jewish state obliterate its enemies." Adler specifically mentioned Iran, the Palestinian resistance movement Hamas, and Hezbollah in Lebanon, as the "enemies" that every American president must help Israel destroy, or otherwise risk death by Israeli agents.

Adler continued: "Yes, you read ... correctly. Order a hit on a president in order to preserve Israel's existence. Think about it. If I have thought of this Tom Clancy-type scenario, don't you think that this almost unfathomable idea has been discussed in Israel's most inner circles? ... How far would you go to save a nation comprised of seven million lives? ... You have got to believe, as I do, that all options are on the table."

There was a front company involved in the assassination of JFK. It was called Permindex. It was a MI6/Mossad front company. It was involved in espionage and assassinations.

Permindex was formed out of the World Commerce Corp and it worked closely with World Trade Mart of New Orleans. The founder and chairman of the World Trade Mart was Col. Clay Shaw. Louis Bloomfield and Clay Shaw came together on the board of Permindex and worked together on its cover operation, the setting up of trade exhibitions around the world. Bloomfield was a Jewish Zionist and good friends with Prime Minister of Israel, Ben Gurion. Bloomfield was a major fund-raiser for Israel and known asset for Israeli intelligence. There are in the Bloomfield papers many documents showing that Louis M. Bloomfield was acting as attorney for the Rothschild family, and particularly for Baron

Edmund de Rothschild. Bloomfield joined the British military and served in Palestine as an Intelligence Officer and was involved in training the Jewish army, Haganah (1936-1939).

Permindex was connected to the assassination attempt on French President Charles De Gaulle in 1962. A French colonel, Bastien Thiery, commanded the 1962 group of professional assassins who made the actual assassination attempt on DE Gaulle. Colonel Thiery set his group of assassins up at an intersection in the suburbs of Paris in this final attempt in to kill DE Gaulle. The gunmen fired more than one hundred rounds in the assassination attempt. But General DE Gaulle, traveling in his bullet proof car, evaded being hit, although all of the tires were shot out.

President Charles de Gaulle forced the Swiss and Italian governments to expel Permindex after it was caught orchestrating this failed attempt to kill him and in fact Permindex operations in France were shut down after an investigation by SDEC (French intelligence) revealed that Permindex as an MI6Mossad front. General DE Gaulle's intelligence had traced the financing of his attempted assassination into the FBI's Division Five Permindex in Switzerland and Centro Mondiale Commerciale in Rome.

Why would the Jewish controlled Permindex want to assassinate De Gaulle. Well De Gaulle was critical of Israel's attempt to create a nuclear bomb and he also wanted to give Algeria its independence something Israel was against.

Permindex and its subsidiary Centro Mondiale Commerciale in Rome was also behind the assassination of Enrico Mattei, leader of Italy's post-war industrial reconstruction. Mattei was deliberately killed by a bomb which blew up his plane on Oct. 27, 1962. Mattei was already a legendary figure, known throughout the world for his fight against the London-centred oil marketing cartel and for his anti-colonial policy. Mattei was trying to break up the 'seven sisters' (Exxon, Mobil etc.) that had a monopoly on world oil production which is owned by the Rothschild's and Rockefellers.

Some of the board members of Permindex at the time of the JFK assassination were:

Bruce Medaris, Clay Shaw, Edgar Bronfman (Jewish), Ernest Israel Japheth (Jewish), Hans Seligman (Jewish), Louis Dreyfuss, Mortimer Louis Bloomfield (Jewish), Roy Cohn (Jewish), Viscount Samuel (Jewish), Tibor Rosenbaum(Jewish) and Max Fisher (Jewish).

Don't forget Clay Shaw was the one arrested by District Attorney Jim Garrison which was made famous by the movie JFK starring Kevin Costner. Shaw came under suspicion when he provided defence advice for Lee Harvey Oswald when Oswald was arrested. When Clay Shaw was arrested who provided the funds for his defence against Garrison? It was the powerful Stern family, leaders of the New Orleans Jewish community--were primary shareholders in the Apollo, Pennsylvania-based NUMEC nuclear facility from which American nuclear material was illicitly channelled to Israel with the collaboration of CIA chief of counter-intelligence, James Angleton, a devoted ally of Israel as head of the CIA's Mossad desk.

Shaw was tried on charges of conspiracy to assassinate JFK and acquitted. Yet, but for a legal technicality, Shaw would have been found guilty and his conviction would have led the investigation of the Kennedy murder directly to the door of Major Louis Mortimer Bloomfield, Permindex board member.

So Shaw's Rothschild--and Mossad--connection via Permindex was solidified by the Stern link to Israel's nuclear weapons program we now know JFK was so determined to stop.

The former Mossad agent, Victor Ostrovsky, has confirmed all this in his books, *By Way Of Deception* and *The Other Side of Deception*, which massively expose the extent of Mossad's world-wide operations.

At least eight of the board members of Permindex were Jews. All told, a variety of evidence indicates Permindex fronted for a Mossad operation funding Israel's drive to assemble the atomic bomb. Bloomfield, board member of Permindex and Rothschild stooge was good friends with David Ben Gurion (Israeli Prime Minister). Both pictured below.

The man who bankrolled Oliver Stone's JFK film, Israeli arms dealer Arnon Milchan--listed as "executive producer"--was a primary player in Israel's nuclear program. Head of a global empire in weapons, chemicals, electronics, aerospace and plastics--operating in the Rothschild sphere has been described as "Mr. Israel," and is a close friend and business partner of Rothschild-sponsored media baron Rupert Murdoch. The reason he bankrolled Stone's movie was to make sure that there was no Mossad or Israeli link in the movie to the assassination of JFK.

"I have a friend close to President Trump I said to him thank god that the President finally released the remaining JFK documents and he said no he didn't and I said yes he did he was compelled by law. Congress passed a law compelling him to release all documents related to the Kennedy assassination and he said there are 10,000 documents that are never going to be released and I said why, and he said because every single one of them points directly at Israel" - **John Kiriakou - An American former Central Intelligence Agency (CIA) officer, author, and whistleblower who, in 2007, exposed the CIA's use of torture during the war on terror. He was an intelligence analyst and operations officer for the CIA's Counterterrorism Center and a senior investigator for the Senate Foreign Relations Committee.**

Jack Ruby: Israel's Smoking Gun

<https://www.unz.com/article/jack-ruby-israels-smoking-gun/>

Germany has given Israel 4 Dolphin-class nuclear missile submarines for free. It has given them free because of the guilt that Germany has been made to feel by the Jews about the Holocaust. Germany is so under the thumb of Jewish Zionists. The cost to Germany of

these 4 nuclear submarines is about \$3 billion which is nothing compared to the \$89 Billion the Jews have extorted from Germany because of the so called Holocaust. Israel has three Dolphin-class submarines, acquired from Germany, currently in use. A fourth was handed over in 2012, and is undergoing a testing period before it will be added to active duty. A fifth submarine is due to be delivered in 2018, and the contract for a sixth was recently signed. All have been fully or partially funded by the German government. The submarines, according to Der Spiegel, are equipped with Israeli-designed Popeye missiles, which can carry a warhead of up to 200 kilograms. The nuclear warheads are produced at Israel's Dimona nuclear reactor which JFK tried to stop.

The German magazine Der Spiegel published a 12-page expose on the issue, headlined "Secret Operation Samson: How Germany arms nuclear Israel," in 2012.

Israel Built One of The World's Most Secretive Nuclear Deterrents — And Germany Delivered The Submarines

<https://nationalsecurityjournal.org/israel-built-one-of-the-worlds-most-secretive-nuclear-deterrents-and-germany-delivered-the-submarines/>

Ex-CIA spy John Kiriakou:

"The reason Trump decided to bomb Iran (2026) was the Israelis said, for the first time, 'If you don't bomb Iran we're going to use nuclear weapons.'"

The Samson Option

If the existence of Israel is ever threatened and that could mean just sharing their country with the Palestinians, the official policy of the state of Israel is the Samson Option which is a nuclear policy to take down the rest of the world with it.

One of the most dramatic stories in the Old Testament is that of Samson, who in the Philistine temple of Dagon, destroyed both his enemies and himself by pulling down the temple pillars and the roof: "Judges 16:30".

According to two books, **Seymour Hersh, "The Samson Option: Israel's Nuclear Arsenal and American Foreign Policy"**, (Random House, 1991) and Avner Cohen, "Israel and the Bomb", (Columbia University Press, 1998) the Samson option of nuclear blackmail has already been used. During the Yom Kippur war in 1973 when the Arabs looked like overwhelming Israeli forces Prime Minister Golda Meir ordered 13 nuclear weapons to be readied for attack. President Nixon was warned that these weapons would be used if the United States failed to airlift supplies, which it promptly did.

The Samson option has been described by leading Israeli military historian Martin van Creveld as follows: *"We possess several hundred atomic warheads and rockets and can launch them at targets in all directions, perhaps even at Rome. Most European capitals are targets by our air force"*.

Let me quote Israeli General Moshe Dayan: *"Israel must be like a mad dog, too dangerous to bother". I consider it all hopeless at this point. We shall have to try to prevent things from coming to that if at all possible. Our armed forces, however, are not the 30th strongest in the world, but rather the second or third. We have the capacity to take the world down with us. And I can assure you that that will happen before Israel goes under"*. (Quoted in David Hirst, "The Gun and the Olive Branch" (2003), at "Samson Option", at http://en.wikipedia.org/wiki/Samson_Option).

"Abandonment of proportionality is the essence of the so-called Sampson option in all its variants. A Samson option is made possible by the fact that even if Israel has been obliterated, it can be sure that it's dolphin-class nuclear missile submarines cruising the Red Sea, the Indian Ocean, and the Persian Gulf, at depths impervious to detection, can carry out a genocidal-scaled retaliation virtually anywhere in the world", - **Ron Rosenbaum, "How the End Begins: The Road to a Nuclear World War III"**.

"The terrorist state of Israel threatens the entire world with its large nuclear weapons arsenal that is, unlike most other states, not subject to any international inspections or regulations. Despite Israel's murderous policies against innocent and defenseless people, American politicians are forced to express approval of its atrocious behavior and acquiesce to every Israeli demand, genuflecting at the altar of this entity like servile slaves. The reason for this should be obvious: Jews completely control the United States. Using their media, economic and political clout, Jews force the American government to support and defend

Israel no matter what the cost is to America. In the words of the former Israeli Prime Minister Ariel Sharon: “We, the Jewish people, control America!” It is a fact that the U.S. panders to Israel — a state which offers no geostrategic or economic benefits to America — and this essentially validates Sharon’s boastful statement”, Zander C. Fuerza, Author’ **Masters of Deception: Zionism, 9/11 and the War on Terror Hoax’.**

“Since the end of World War II, Israel has bombed, invaded and occupied more countries in the Middle East and Africa than previous colonial power, except the US. The list of Israel’s victims includes: Palestine, Syria, Lebanon, Egypt, Iraq, Jordan, Sudan and Yemen. If we include countries where Israel has launched quasi-clandestine terrorist attacks and assassinations, the list would be greatly expanded to include a dozen countries in Europe and Asia – including the US through its Zionist terror network. Israel’s projection of military power, its capacity for waging offensive wars at will, is matched by its near-total impunity. Despite their repeated violations of international law, including war crimes, Israel has never been censored at an international tribunal or subjected to economic sanctions because the US government uses its position to veto UN Security Council resolutions and pressure its NATO-EU allies”, - James Petras, from the book’ **The Power of Israel in the United States’.**

The Greater Israel Project

What is 'Greater Israel'?

The term “Greater Israel” refers to the idea of a Jewish state expanding across large parts of the Middle East encompassing parts of Egypt, Saudi Arabia, Jordan, Iraq, Lebanon. These Arab countries would have to be splintered and broken up into weaker states. This has been accomplished with Iraq and Syria and currently Lebanon. Israeli forces pushed deep into Lebanon’s territory beyond the Litani river, which in one of the biblical versions, is the northern limit of the “Greater Israel.” That is one of the reasons Israel has told Lebanon that Hezbollah needs to be disarmed so that Israel does not receive any resistance to its land theft. It also involves a policy of excluding Palestinians from Palestine leading to the annexation of both the West Bank and Gaza to the State of Israel.

Israeli Prime Minister Benjamin Netanyahu and Defence Minister Israel Katz have said that troops will maintain an indefinite presence in southern Lebanon, Syria and the Gaza Strip.

“We dominate southern Lebanon, from the summit of the Beaufort, and we will remain as long as required in the security zone,” Netanyahu said. “We do not intend to withdraw from it.”

In the Book of Genesis (15:18--21), God promises Abraham's descendants a land stretching "from the Brook of Egypt to the Euphrates." That description -- depending on which map you draw -- would encompass most of present-day Israel, Lebanon, Syria, Jordan, and Iraq.

In Deuteronomy, God instructs Moses to lead the Israelites in taking possession of Palestine, Lebanon, and parts of Egypt, Jordan, and Syria. In the Book of Samuel, the lands secured by Kings Saul and David include Palestine, Lebanon, and sections of Jordan and Syria.

The soldiers of the Israel Defence Force even have a badge of the Greater Israel map on their arms. So it can't really be a conspiracy theory.

According to Mahdi Darius Nazemroaya in a 2011 Global Research article, The Yinon Plan was a continuation of Britain's colonial design in the Middle East:

"[The Yinon plan] is an Israeli strategic plan to ensure Israeli regional superiority. It insists and stipulates that Israel must reconfigure its geo-political environment through the balkanization of the surrounding Arab states into smaller and weaker states.

Israeli strategists viewed Iraq as their biggest strategic challenge from an Arab state. This is why Iraq was outlined as the centerpiece to the balkanization of the Middle East and the Arab World. In Iraq, on the basis of the concepts of the Yinon Plan, Israeli strategists have called for the division of Iraq into a Kurdish state and two Arab states, one for Shiite Muslims

and the other for Sunni Muslims. The first step towards establishing this was a war between Iraq and Iran, which the Yinon Plan discusses.

The Atlantic, in 2008, and the U.S. military's Armed Forces Journal, in 2006, both published widely circulated maps that closely followed the outline of the Yinon Plan. Aside from a divided Iraq, which the Biden Plan also calls for, the Yinon Plan calls for a divided Lebanon, Egypt, and Syria. The partitioning of Iran, Turkey, Somalia, and Pakistan also all fall into line with these views. The Yinon Plan also calls for dissolution in North Africa and forecasts it as starting from Egypt and then spilling over into Sudan, Libya, and the rest of the region.

The start of Israel's land theft from Arab countries was in 1967 during 'The Six-Day War'. In six days, Israeli forces captured the West Bank, the Gaza Strip, the Sinai Peninsula from Egypt, and the Golan Heights from Syria. The Israeli government retained all captured territories and settled them with Jewish populations.

In February 1982, a Hebrew journal called Kivunim -- "Directions," published by the World Zionist Organization, published an article by Oded Yinon, a former senior official in the Israeli Foreign Ministry. The article was titled "A Strategy for Israel in the 1980s."

The Oded Yinon plan had two directives. Israel must:

1. Become an imperial regional power.
2. Effect the division of the whole area into small states by the dissolution of existing Arab states.

This is exactly what has been happening since the events of 9/11 and the 'War of Terror' against the Arab countries.

As was mentioned earlier in 1996, American Jewish neoconservatives including Richard Perle, Douglas Feith, and David Wurmser wrote a policy paper for Benjamin Netanyahu titled A Clean Break: A New Strategy for Securing the Realm.

It argued Israel should abandon the Oslo peace process and instead pursue a regional transformation through regime change -- targeting Iraq, Syria, Lebanon, and Iran.

A year later, many of the same figures helped found the Project for the New American Century (PNAC), which advocated for American global military dominance. The ones who said 'A New Pearl Harbor' type event must happen to kickstart the regime change wars in these same Arab countries.

The wars that followed in Afghanistan, Iraq, Libya, Syria and pressure on Iran to stop supporting Palestine and these other Arab states.

Convicted spy Jonathan Pollard indicated on a May 20 2026 podcast that Turkey and Egypt could become Israel's next adversaries in the region after its actions against Iran.

The American-born Pollard, who was convicted nearly 40 years ago of spying for Israel, made the comments during an interview on Arutz Sheva, where he urged Israel to ready itself for additional conflicts in the Middle East.

The Greater Israel project is not merely about land—it is about power, control, and the fulfilment of an ancient plan. The evidence suggests that the expansion of Israel is not simply a matter of national security but a calculated move toward establishing a global power base and to make Israel the most powerful country in the world. The Plan to make Israel the center of a one world government

The founders of Israel have a plan to make the Holy Land the headquarters of a future Jewish One World State.

Personally I believe there is another Satanic group hiding under the label of Jews and creating Israel and controlling Israel, pretending to be Jews but they are not. I will cover this in the next chapter.

Are Jews really Khazars from Eastern Europe?

“I will make those who are of the synagogue of Satan, who claim to be Jews though they are not, but are liars—I will make them come and fall down at your feet and acknowledge that I have loved you.” Rev 3.9

“I know thy works, and tribulation, and poverty, (but thou art rich) and I know the blasphemy of them which say they are Jews, and are not, but are the synagogue of Satan.” Rev. 2.9

The next piece of information is a secret. It is a fact that anybody in a position of power or influence who talks about this will possibly lose their job, as many have. No one is supposed to talk about this or you will be called an anti-Semite even though the real Semites are the Arab people of Palestine. If I wrote an article about the crimes of the Italian Mafia would that make me anti-Italian, no I don't think it would. But did you know that 80% of the Jews in the world are descended from a place called Khazaria which was a nation in the 13th century which is situated near Ukraine, Hungary, Poland and Georgia and often referred to as 'the pale of the settlement'.

In fact seven of Israel's first nine Prime Ministers were born in Eastern Europe. The rest are the children of European immigrants.

Benjamin Netanyahu's family originally had the surname Mileikowsky, which was changed to the Hebrew name “Netanyahu” when his father immigrated to Mandatory Palestine from Poland. The Mileikowsky family hailed from Warsaw, where Benjamin's paternal grandfather Nathan was a rabbi and Zionist writer. His father, Benzion Mileikowsky, was born in 1910 and became a prominent figure in Revisionist Zionism, a militant and expansionist strain of Zionism that advocated for a Greater Israel. Benzion lobbied extensively in the United States for the creation of Israel aligned with the Revisionist vision before eventually accepting the borders defined by the 1947 UN Partition Plan. So Netanyahu's family have no connection to the ancient Hebrew land and neither do the other prime Ministers of Israel

This name change was a deliberate move to adopt a more Zionist identity and shed their European roots.

First Prime Minister of Israel **David Ben-Gurion** was born on 16 October 1886 in Poland by the name of David Grun. His father was an avid Zionist. David attended a Hebrew school and led a Zionist youth group in his teens. At the age of twenty, David left for then British Mandatory Palestine. Here he used the ancient Hebrew name, Ben-Gurion.

Golda Meir previously Meyerson; née Mabovich 3 May 1898 – 8 December 1978) was the prime minister of Israel from 1969 to 1974. She was Israel's first and, to date, only female head of government. Born into a Jewish family in Kiev (within present-day Ukraine), Russian Empire, Meir immigrated with her family to the United States in 1906.

Menachem Begin (16 August 1913 – 9 March 1992) was an Israeli politician who founded served as prime minister of Israel from 1977 to 1983. Menachem Begin was born to Zeev Dov and Hassia Begun in Brest-Litovsk, Russian Empire (now Brest, Belarus). He was the youngest of three children. On his mother's side he was descended from distinguished rabbis. His father, a timber merchant, was a community leader, a passionate Zionist

Ehud Barak, changed his name from Ehud Brog; 12 February 1942) is an Israeli former general and politician who served as the prime minister of Israel from 1999 to 2001. he was born in Palestine but his paternal grandparents, Frieda and Reuven Brog, were from Lithuania (then ruled by the Russian Empire).

Ariel "Arik" Sharon (26 February 1928 – 11 January 2014) was an Israeli general and politician who served as the prime minister of Israel from March 2001 until April 2006. Born in Kfar Malal in Palestine to Russian Jewish immigrants. Ariel (Arik) Scheinerman (later Sharon) was born in Kfar Malal, an agricultural moshav, then in Mandatory Palestine, to Shmuel Scheinerman (1896–1956) of Brest-Litovsk and Vera (née Schneirov) Scheinerman (1900–1988) of Mogilev.[15] His parents met while at university in Tiflis (now Tbilisi, Republic of Georgia)

Yitzhak Shamir (born Yitzhak Yezernitsky; 22 October 1915 – 30 June 2012) was an Israeli politician who served as the seventh prime minister of Israel, serving two terms (1983–1984, 1986–1992. Yitzhak Yezernitsky was born in the predominantly Jewish village of Ruzhany, Bialystok-Grodno District of Ober Ost, shortly thereafter incorporated into the Kingdom of Poland (now in Belarus).

So all of these ex Zionist Israeli Prime Ministers have no roots in the land that they are stealing called Palestine. They have their roots in 'The Pale of the Settlement'. The Pale of Settlement was a western region of the Russian Empire with varying borders that existed from 1791 to 1917 in which Jews that had been expelled from Russia for their behaviour towards the Russians. The Pale of Settlement included all of modern-day Belarus and Moldova, much of Lithuania, Ukraine and east-central Poland, and relatively small parts of Latvia. Again we are supposed to believe that the Russians were ant-semites and for no reason they kicked the Jews out of the main area of Russia to live on the outside of Russia in the Pale of the Settlement. The truth is they were removed because of their behaviour and financial swindling of the Russian people. And also their assassinations of Russian leaders. The Jews created the Social Revolutionary Party and used this to assassinate the Tsar Alexander II in 1881. These Jewish assassinations, as well as other Jewish revolutionary activities, angered the New Czar, Alexander III. The Czarist government ordered a crackdown, and one by one, most of these Jews were rounded up and brought to trial. The Russian people then became fed up of the Jews and a wave of persecutions took place across Russia in 1881. Yet again the international Jewish press exaggerated the problem with accusations of extermination and persecution of the Jewish people which mirrors what they said about Hitler 50 years later. In 1888, Alexander III began to push the Jews out of

Russia, back into the Pale of Settlement. The Jews exacted revenge on the Russian people with the Bolshevik Revolution which started in 1917. I won't go into this in detail but 80% of the Bolshevik party was Jewish and between 20 and 66 million Russians were massacred by the Bolshevik leaders between 1917 and 1953. These so called Jews have done a similar thing in Gaza to the massacre that they did in Russia. As in Russia the vast majority of the people slaughtered are civilians. I will leave you with three quotes.

*"It must be added that most of the leading revolutionaries who convulsed Europe in the final decades of the last century and the first decades of this one, stemmed from prosperous Jewish families. They were perhaps typified by the father of revolution, Karl Marx. Thus when, after the chaos of World War I, revolutions broke out all over Europe, Jews were everywhere at the helm; Trotsky, Sverdlov, Kamenev and Zinoviev in Russia, Bela Kun in Hungary, Kurt Eisner in Bavaria, and, most improbable of all, Rosa Luxemburg in Berlin. To many outside observers, the Russian revolution looked like a Jewish conspiracy, especially when it was followed by Jewish-led revolutionary outbreaks in much of central Europe. The leadership of the Bolshevik Party had a preponderance of Jews. Of the seven members of the Politburo, the inner cabinet of the country, four, Trotsky (Bronstein), Zinoviev (Radomsky), Kamenev (Rosenfeld) and Sverdlov, were Jews". - Jewish writer Chaim Bermant in his book **The Jews.***

*"Soon these hordes of returning Jews would exercise the power of life and death over 170 million Christian Russians. Soon every factory, every government bureau every school district, and every army unit would function under the gimlet eye of a Jewish Commissar. Soon the blood of human beings would be oozing from under the doors of communist execution chambers as tens of thousands of Christian men and women were butchered like cattle in a slaughterhouse. Soon five million landowners would be deliberately starved to death as part of a premeditated plan. Soon a move would be under way to exterminate the gentile leader class of the entire nation by murdering every Christian factory owner, and lawyer, and government leader, and army officer, and every other person who had been, or might be, a potential leader. Soon the standing population of the slave labor camps would exceed 15 million. Soon every church and cathedral would be gutted and every priest and preacher would become a criminal in his own community. Soon Russia would have a zombie-proletariat docile, willing to work, easily controlled, incapable of revolt ... Such was the "romance" of the Bolshevik revolution", **Frank L. Britton, Author – Behind Communism-1957***

President Harry Truman on July 21, 1947 said *"The Jews have no sense of proportion, nor do they have any judgment on world affairs. The Jews, I find, are very, very selfish. They care not how many Estonians, Latvians, Finns, Poles, Yugoslavs or Greeks get murdered or mistreated as [postwar] displaced Persons as long as the Jews get special treatment. Yet when they have power—physical, financial or political—neither Hitler nor Stalin has anything on them for cruelty or mistreatment to the underdog".*

There is an unknown empire that is barely mentioned in western history books, education institutions, in the media or in Hollywood (that's because Jews own the media). The name is not mentioned anywhere especially in the West, and that is why most people never heard about it. It was called Khazaria, it was an empire that still remains relatively unknown today.

So what was Khazaria? Its origins date back to the middle ages (c.650-950), its inhabitants were mostly semi-nomadic Turkic people made up of multiple ethno-linguistic groups that came from Eastern, Western, Northern and Central Asia as well as from parts of Europe and North Africa. Many languages that were spoken belonged to the "Turkic Language family" as they shared many cultural traits and similar histories that shared common ancestries. Today, Turkic ethnicities include Azerbaijanis, Kazakhs, Kyrgyz people, Uyghurs, Uzbeks and several other groups. However, during the eighth and ninth centuries, the Khazars, a warlike Turkic people converted to Judaism who had dominated a vast area in Southern Russia and the Ukraine in what was known as Khazaria until they were destroyed by Russia.

80% of the Jews in this world do not have their roots in the Middle East. 80% of the Jews in this world are descended from the Khazarian Empire and are known as Ashkenazi Jews. In the 7th century King Bulan of Khazar converted the empire from a form of Pagan worship to Judaism. The Khazarian Empire encompassed Bulgaria, Ukraine, Georgia, Romania and Hungary now known as The Pale of Settlement. It is strange how the Jews don't speak Hebrew, they speak Yiddish which is a language that came from the Pale of the Settlement or the Khazars.

Please remember that the leaders of Zionism are neither True-Torah Jews, or Israelites or Judeans or practising converted Jews, i.e. they are Babylonian Satanists Luciferians apostate imposters as explained in the Harold Wallace Rosenthal interview. Zionism is not Biblical, rather, it is Cabalism from Babylon, just like the modern day fiat money usury based banking system and other immoral values being imposed on us.

The Khazar conversion is no revelation. It was the basis for a 1976 book by **Arthur Koestler**, **The Thirteenth Tribe**, which was reviled, then ignored, by mainstream Zionism. But the Jewish Khazars were recognised by early Zionist historians. They were only dropped from the story in the 1960s after the 1967 Six Day War.

Arthur Koestler's book traces the history of the ancient Khazar Empire, a major but almost forgotten power in Eastern Europe, which in the Dark Ages became converted to Judaism. Khazaria was finally wiped out by the forces of Genghis Khan, but evidence indicates that the Khazars themselves migrated to Poland and formed the cradle of Western Jewry. To the general reader the Khazars, who flourished from the 7th to 11th century, may seem infinitely remote today. They chose a surprising method of resisting both the Western pressure to become Christian and the Eastern to adopt Islam. Rejecting both, they converted to Judaism.

"The large majority of Jews after World War II in the world, were of Eastern origin-and thus perhaps mainly of Khazar origin. If so, this would mean that their ancestors came not from the Jordan, but from the Volga; not from the Canaan but from the Caucasus, once believed to be the cradle of the Aryan race. Genetically, they are more closely related to the Hun, Uigur and Magyar tribes than to the seed of Abraham, Isaac, and Jacob. Should this turn out to be the case, then the term anti-Semitic would be void of meaning, based on a misapprehension shared by both killers and victims. The story of the Khazar Empire, as it slowly emerges from the past, begins to look like the most cruel hoax which history has ever perpetrated", - Jewish historian/writer Arthur Koestler from his book 'The Thirteenth Tribe'.

Professor Shlomo Sand (Jewish), in his book **'The Invention of the Jewish People'** could find little evidence of either the 'exile' or the racial connection of the Jews to ancient Israel. He went on to argue that European Jews were most likely the descendants of those subject to mass conversions in north east Turkey, Europe and North Africa (Cohen 2009; Sand 2010). Many millions of Jews lived in all the far reaches of the Roman Empire, the great majority outside Judea; and Judaism as a faith was exported 'to Yemen, Ethiopia, India and China'. The 'Rhineland Theory' was contradicted by the 'Khazar Theory' (of mass conversions in the Caucasus) and other evidence of the wider origins of European Jews. At the time of the destruction of the second temple in 70AD, more than 90% of Jews were living outside Judea, mainly in southern Europe. DNA analyses show that all major sources of Ashkenazi mtDNA 'have ancestry in prehistoric Europe, rather than the Near East or Caucasus ... thus the great majority of Ashkenazi maternal lineages were not brought from the Levant, as commonly supposed, nor recruited in the Caucasus, as sometimes suggested, but assimilated within Europe.

You should also read the book by **Gilad Atzmon (Jewish)** titled **The Wandering Who: A Study of Jewish Identity Politics** which states clearly that the Jews of today are descended

from Khazar and not from Palestine. The Hebrews of the bible are the Palestinians who converted to Islam about 700 A.D.

Eran Elhaik (Jewish) has a doctorate in molecular evolution from the University of Houston and he produced a research article titled "The Missing Link of Jewish European Ancestry: Contrasting the Rhineland and the Khazarian Hypotheses," in the online journal *Genome Biology and Evolution*. Elhaik says he has proved that Ashkenazi Jews' roots lie in the Caucasus — a region at the border of Europe and Asia that lies between the Black and Caspian seas — not in the Middle East. They are descendants, he argues, of the Khazars, a Turkic people who lived in one of the largest medieval states in Eurasia and then migrated to Eastern Europe in the 12th and 13th centuries.

There are hundreds of books {most of which are Jewish Encyclopaedias and history books} available for study, which prove that over 80% of the Jews of the world are not a Semitic people, but few people other than historians ever bother to read them.

Here is an excerpt from 3 of them:

Encyclopedia Americana (1985): "Ashkenazim, the Ashkenazim are the Jews whose ancestors lived in German lands...it was among Ashkenazi Jews that the idea of political Zionism emerged, leading ultimately to the establishment of the state of Israel...In the late 1960s, Ashkenazi Jews numbered some 11 million, about 84 percent of the world Jewish population."

The American People's Encyclopedia for 1954 at 15-292 records the following in reference to the Khazars: "In the year 740 A.D. the Khazars were officially converted to Judaism. A century later they were crushed by the incoming Slavic-speaking people and were scattered over central Europe where they were known as Jews. It is from this grouping that most German, Polish and Hungarian Jews are descended, and they likewise make up a considerable part of that population now found in America. The term Aschenazim is applied to this round-headed, dark-complexioned division".

The New Encyclopaedia Britannica, Volume 6:

"Khazar, member of a confederation of Turkic-speaking tribes that in the late 6th century A.D. established a major commercial empire covering the south-eastern section of modern European Russia...but the most striking characteristic of the Khazars was the adoption of Judaism by the Kagan and the greater part of the ruling class in about 740...The fact itself, however, is undisputed and unparalleled in the history of Central Eurasia. A few scholars have ascertained that the Judaized Khazars were the remote ancestors of many of the Jews of Eastern Europe and Russia".

Former Jewish statesman Benjamin Freedman states the Jews are from the region known as Khazar. Don't forget Mr. Freedman, born in 1890, was a successful Jewish businessman of New York City and he broke with organized Jewry after the Judeo-Communist victory of

1945, and spent the remainder of his life and the great preponderance of his considerable fortune, at least 2.5 million dollars, exposing the Jewish tyranny which has enveloped the United States. Mr Freedman knew what he was talking about because he had been an insider at the highest levels of Jewish organizations and Jewish machinations to gain power over America.

Below part of Freedman's speech.

"The Jews -- I call them Jews to you, because they are known as Jews. I don't call them Jews. I refer to them as so-called Jews, because I know what they are. If Jesus was a Jew, there isn't a Jew in the world today, and if those people are Jews, certainly our Lord and Saviour was not one of them, and I can prove that.

Now what happened? The eastern European Jews, who form 92 per cent of the world's population of those people who call themselves Jews, were originally Khazars.

They were a warlike tribe that lived deep in the heart of Asia. And they were so warlike that even the Asiatics drove them out of Asia into Eastern Europe -- and to reduce this so you don't get too confused about the history of Eastern Europe -- they set up this big Khazar kingdom: 800,000 square miles. Only, there was no Russia, there were no other countries, and the Khazar kingdom was the biggest country in all Europe -- so big and so powerful that when the other monarchs wanted to go to war, the Khazars would lend them 40,000 soldiers. That's how big and powerful they were.

Now, they were phallic worshippers, which is filthy. I don't want to go into the details of that now. It was their religion the way it was the religion of many other Pagans or Barbarians elsewhere in the world.

Now, the [Khazar] king became so disgusted with the degeneracy of his kingdom that he decided to adopt a so-called monotheistic faith -- either Christianity, Islam -- the Moslem faith -- or what is known today as Judaism -- really Talmudism. So, like spinning a top and calling out "eeny, meeny, miney, moe," he picked out so-called Judaism. And that became the state religion.

He sent down to the Talmudic schools of Pumbedita and Sura and brought up thousands of these rabbis with their teachings, and opened up synagogues and schools in his kingdom of 800,000 people -- 800,000 thousand square miles -- and maybe ten to twenty million people; and they became what we call Jews. There wasn't one of them that had an ancestor that ever put a toe in the Holy Land, not only in Old Testament history, but back to the beginning of time. Not one of them! And yet they come to the Christians and they ask us to support their armed insurrection in Palestine by saying:

"Well, you want to certainly help repatriate God's chosen people to their Promised Land, their ancestral homeland, It's your Christian duty. We gave you one of our boys as your Lord

and Saviour. You now go to church on Sunday, and kneel and you worship a Jew, and we're Jews."

Well, they were pagan Khazars who were converted just the same as the Irish [were converted]. And it's just as ridiculous to call them "people of the Holy Land," as it would be. . . there are 54 million Chinese Moslems. Fifty four million! And, Mohammed only died in 620 A.D., so in that time, 54 million Chinese have accepted Islam as their religious belief.

Now imagine, in China, 2,000 miles away from Arabia, where the city of Mecca is located, where Mohammed was born. Imagine if the 54 million Chinese called themselves 'Arabs'. Imagine! Why, you'd say they're lunatics. Anyone who believes that those 54 million Chinese are Arabs must be crazy. All they did was adopt as a religious faith; a belief that had its origin in Mecca, in Arabia.

The same as the Irish. When the Irish became Christians, nobody dumped them in the ocean and imported from the Holy Land a new crop of inhabitants that were Christians. They weren't different people. They were the same people, but they had accepted Christianity as a religious faith.

Now, these Pagans, these Asiatics, these Turko-Finns. . . they were a Mongoloid race who were forced out of Asia into eastern Europe. They likewise, because their king took the faith -- Talmudic faith -- they had no choice. Just the same as in Spain: If the king was Catholic, everybody had to be a Catholic. If not, you had to get out of Spain. So everybody -- they lived on the land just like the trees and the bushes; a human being belonged to the land under their feudal system -- so they [Khazars] all became what we call today, Jews!

Now imagine how silly it was for the Christians. . . for the great Christian countries of the world to say, "We're going to use our power, our prestige to repatriate God's chosen people to their ancestral homeland, their Promised Land."

Now, could there be a bigger lie than that? Could there be a bigger lie than that?

And because they control the newspapers, the magazines, the radio, the television, the book publishing business, they have the ministers in the pulpit, they have the politicians on the soap boxes talking the same language . . . so naturally you'd believe black is white if you heard it often enough. You wouldn't call black black anymore -- you'd start to call black white". Benjamin Freedman, Willard Hotel speech, 1961.

So it looks like the Jews are not the descendants of the Hebrew people who lived in Palestine at the time of Moses so therefore had no claim to the land of Palestine. The Palestinians are the Semitic race, so anti-Semitism actually means anti-Palestinian.

"Just like 'anti-Semitic'. The Arab is a Semite. And the Christians talk about people who don't like Jews as anti-Semites, and they call all the Arabs anti-Semites. The only Semites in the world are the Arabs. There isn't one Jew who's a Semite. They're all Turkothean Mongoloids", Benjamin Freedman.

Benjamin Freedman goes on to state that the word Jew was not mentioned in the original bible and the word Jew was only inserted into the bible in the 18th century.

Freedman continues...

"In the time of Bible history, there was a geographic area known as Judea. Judea was a province of the Roman Empire. Now, a person who lived in Judea was known as a Judean, and in Latin it was Judaeus; in Greek it was Judaius. Those are the two words, in Greek and Latin, for a Judean. Now, in Latin and Greek there is no such letter as 'j', and the first syllable of Judaeus and Judaius starts 'ghu'. Now, when the Bible was written, it was first written in Greek, Latin, Panantic, Syriac, Aramaic... all those languages. Never was the word Jew in any of them because the word didn't exist. Judea was the country, and the people were Judeans, and Jesus was referred to only as a Judean. I've seen those early... the earliest scripts available. In 1345, a man by the name of Wycliffe in England thought that it was time to translate the Bible into English. There was no English edition of the Bible because who the Devil could read? It was only the educated church people who could read Latin and Greek, Syriac, Aramaic and the other languages. Anyhow, Wycliffe translated the Bible into English. But in it, he had to look around for some words for Judaeas and Judaius. There was no English word because Judea had passed out of existence. There was no Judea. People had long ago forgotten that. So in the first translation he used the word, in referring to Jesus, as 'gyu', 'jew'. At the time, there was no printing press.

Then, between 1345 and the 17th century, when the press came into use, that word passed through so many changes... I have them all here. If you want I can read them to you. I will. That word 'gyu' which was in the Wycliffe Bible became. . . first it was 'gyu', then 'giu', then 'iu' (because the 'i' in Latin is pronounced like the 'j'. Julius Caesar is 'lul' because there is no 'j' in Latin) then 'iuw', then 'ieuu', then 'ieuy', then 'iwe', then 'iow', then 'iewe', all in Bibles as time went on. Then 'ieue', then 'iue', then 'ive', and then 'ivw', and finally in the 18th century... 'jew'. Jew.

All the corrupt and contracted forms for Judaius, and Judaeas in Latin. Now, there was no such thing as 'Jew', and any theologian -- I've lectured in maybe 20 of the most prominent theological seminaries in this country, and two in Europe -- there was no such word as Jew. There only was Judea, and Jesus was a Judean and the first English use of a word in an English bible to describe him was 'gyu' -- Jew. A contracted and shortened form of Judaeus, just the same as we call a laboratory a 'lab', and gasoline 'gas'... a tendency to short up. So, in England there were no public schools; people didn't know how to read; it looked like a scrambled alphabet so they made a short word out of it. Now for a theologian to say that you can't harm the Jews, is just ridiculous. I'd like to know where in the scriptures it says that. I'd like to know the text.

Look at what happened to Germany for touching Jews. What would you, as a citizen of the United States, do to people who did to you what the so-called Jews -- the Pollacks and Litvaks and Litzianers -- they weren't Jews, as I just explained to you. They were Eastern

Europeans who'd been converted to Talmudism. There was no such thing as Judaism. Judaism was a name given in recent years to this religion known in Bible history as Torah [inaudible]. No Jew or no educated person ever heard of Judaism. It didn't exist. They pulled it out of the air. . . a meaningless word", Benjamin Freedman, 1961.

Modern Ashkenazi Jews are not the Jews of the Bible! God's covenant was with Abraham and his biological descendents. Ashkenazi Jews are not semitic and their ancestors were never in Palestine. They are not the descendents of Abraham/Isaac/Israel. They have no right to stay in Palestine. What the Zionists are doing to the Palestinians is called: genocide and ethnic cleansing! Zionist '666' Israel is not the Israel of the Bible! It is a LIE!

If you examine the so-called "Star of David," or hexagram, closely, you will discover something astonishing. It has six points, forms six equilateral triangles, and in its interior forms a six sided hexagon — thus it reveals the number of Satan' antichrist beast, — 6 points, 6 triangles, and the 6 sides of the hexagram — 666 !!!

Quote from Jewish religious text; *"By deception thou shall succeed"*; what else can account for the God almighty punishments administered to the innocent Palestinian Peoples these past seventy years? If Jews were really the "Victims" , would this situation not be described in reverse? The Palestinians would be living the "High life" and the Jewish peoples would be the ones living behind a wall in Gaza? But no! The Jews are portrayed as the victims? *"By deception thou shall succeed"*.

Jewish Power: The Hidden Powers Behind the Destruction of America

The specific threat to America is Zionist in nature — Zionism is not Judaism. While many Jews now see the distinction and are rejecting Zionism, many others have been and remain tools of Zionism, and thus, whether well-intentioned or not, are also a threat to America because of misplaced loyalties that ultimately undermine the U.S. Constitution and the Republic.

The Khazarian Mafia Takes Complete Control of the United States of America

Jewish Banking Houses and Mercantile Families (which comprise the International Banking Cartel) were directly responsible for the unlawful passage of the Federal Reserve Act of 1913 and, therefore, accountable for the stealthily engineered booms and busts that have repeatedly shocked the US economy and financially ruined the American people. The Federal Reserve Bank is the most powerful of all the central banks tasked with artificially inflating the world's premier reserve currency and fake fiat money—the US Dollar. The petrodollar, in particular, is destined for an epic collapse. Because the Global Economic & Financial System is hardwired to the US dollar, the banksters know that when it drops like a rock, the reign of the once Almighty Dollar is finally over. This is why they are concocting the largest and longest sucker's rally of all time at this very moment. The official debt of the United States

government is \$23.1 trillion as of December 2, 2019, which is owed to primarily foreign banking interests that are owned and/or controlled by Jewish banking families such as the Rothschilds. In this manner is the U.S. Corporation saddled with ever-increasing debt service payments which go right into the pockets of the member banks of the International Banking Cartel (IBC). Chief among the controlling banks is the Bank for International Settlements headquartered in Basel, Switzerland. However, the most predatory and usurious IBC banking institutions are located in the Financial District in the City of London as well as on Wall Street in New York City. Paris, Frankfurt, Brussels, Luxembourg, Rome, Madrid, Milan and other Black Nobility financial strongholds are also home to the IBC crime syndicates. Big Pharma is almost entirely owned and operated by Jewish families, stockholders, investors, hedge funds, etc. The Pharmaceutical Industry is dominated by various Jewish Crime Families such as the Sacklers, who were just forced into bankruptcy because of their obscene profiting from the nationwide opioid epidemic. It is primarily Jewish physicians, scientists, lawyers, lobbyists and politicians who are also at the forefront of the deadly and destructive Super-Vaccination Agenda. The deplorable state of the National Healthcare System, and particularly the Obamacare con job, are both the handiwork of the International Banking Cartel. The ever-increasing exorbitant healthcare costs represent a staggering 10% of the nation's GDP as well as an immense revenue stream into the IBC coffers. Not only that, but the unconstitutional imposition of Obamacare permitted the globalists to implement a HUGELY subversive piece of their NWO agenda. See *Obamacare: The Hidden Agenda*

The vast and complex web of interlocking directorships that predominate throughout Corporate America are populated with business magnates and VIPs who work directly for hidden Jewish banking interests. Serial corporate criminals such as Goldman Sachs, JPMorgan Chase, Bank of America, Citigroup, Wells Fargo, The New York Times, The Washington Post, CNN, MSNBC, Monsanto, BP, Google, Facebook, Twitter, etc. are all run by mostly Jewish (or crypto-Jewish) CEOs and Boards of Directors. Likewise, these corporate entities are effectively owned by Jewish institutional investors which possess the majority ownership in the form of both equities and debt instruments. Of course, the Jewish banker-aligned Boards of Director are always interlocking and marching in lockstep according to the New World Order globalist agenda.

This particular tribe of moneychangers and merchants learned long ago that whoever controls the media controls the society, the nation and the world. Toward that end, the entire mainstream media (MSM) in the USA is completely controlled by Jewish money and investment. So are all the top positions of the MSM occupied by Jewish CEOs, CFOs and COOs as well as Presidents and Board Directors. Because their Khazarian Mafia masters and handlers are essentially in charge of the CIA's Mockingbird Media, they all realize that any serious transgressions against The Company (aka the C.I.A.) will occur on pain of death, or worse. What needs to be said about the ironclad control that Jews have always exerted over Hollywood from the very beginning? Every major studio in Tinseltown was founded by Jewish entrepreneurs who originally hailed from Eastern or Central Europe if not Russia.

Even a cursory examination of all the most successful CEOs and presidents, directors and producers, screenwriters and film editors, actors and actresses, cinematographers and directors of photography, as well as talent agents and scouts, will prove that Hollywood is a fundamentally Jewish industry from the top down and bottom up. By the way, there's a very good reason why the Jews established and continue to run Hollywood as follows: "Hollywoodism: Jews, Movies and the American Dream".

<http://themillenniumreport.com/2016/05/hollywoodism-jews-movies-and-the-american-dream/>

Even more significantly, all the Big Tech and Big Social Media corporations are run by members of the Jewish Tribe. Almost all of the Big Social Media start-ups are commandeered by Jewish college kids who have been given stolen intellectual property, proprietary information and/or patents by attorneys or other covert agents of DARPA, the C.I.A. or DIA. The IPOs are then managed in such a way so as to guarantee immediate billionaire status to these mind-controlled puppets who are then easily kept on the CIA reservation under threat of losing everything. The notorious Mark Zuckerberg, just like Bill Gates, is just one of many Jewish fake whiz kids who was set up from the start with stolen technology to autocratically lead a major media company for his C.I.A. masters. Ditto that for Google's Jewish founders Larry Page and Sergey Brin among several other tech founders

"The modern face of this criminal cabal led by Zionist Jews has been exposed for some time. They no longer have to operate purely in the shadows. They have infiltrated positions of power and influence in every facet of cultural and government influence, through either direct or indirect authority, by either holding the positions themselves or having influence over those that do through nefarious or mutually beneficial means. The modern face and name of their criminal empire is the Bilderberg group. Here again my critics will try and claim this is a conspiracy theory, when less than a decade ago their very existence was claimed to be a conspiracy theory until they could no longer hide their existence from the public. The information below comes from their official website So we have a "secret society" comprised overwhelmingly of Jews with a Jewish surname that has existed in its current incarnation since the mid 1950's, consisting of the most powerful political and industrial leaders of the world meeting in a "forum for informal discussion about megatrends and major issues facing the world", where they are basically setting global "leftist" policy without its members and what is discussed having to be disclosed. These are the very people Eisenhower and Kennedy were warning the world about. Whether want to claim they didn't specifically call out the Zionists by name or not, that is exactly what this is a Jewish secret society with token gentile puppets to carry out their agenda in their respective countries. However, it does not take much intelligence to know what they are doing and what they're ultimate goal is when you have all of the information as I do. It is what they have always been planning, global domination under authoritarian Jewish rule where they (the state) own everything and we gentiles (non-Jews) are nothing more than livestock and property of the global state (communism)" – Daniel Estulin- 2015 Nobel Prize nominee and

a multi award-winning investigative journalist, author of 'The True Story of the Bilderberg Group', Tavistock Institute and 'In the Shadows of a Presidency'.

"The reason that you can't see what is going on in the world is because of the brainwashing of Jewish media, which are owned by the masterminds committing the crimes who have brazenly and cleverly inverted good with bad, and liberty with tyranny. And the ignorant public nods approvingly, like bobblehead dolls unable to perceive that this deception makes a few people rich and a lot of people dead. When you analyze the pattern of wars during the past two millennia, the modus operandi becomes clear: countries with their own national bank, working for the benefit of their own citizens, are swallowed up, bludgeoned into submission by the international financial behemoth that sinks its fangs into healthy nations that are suddenly declared evil by those with the power to poison millions of minds with a single surprising and false bulletin. Think Iraqi weapons of mass destruction or Germans gassing 6 million Jews, two deliberate lies that sealed the fate of millions of innocent people. This is the political pattern ascendant in the world today, as it has been dominant for at least the past 400 years, or since the Jews wormed their way back into Britain using their trademark techniques of bribery, blackmail and murder. When you realize that the serial obliterations of Libya, Syria, and Iraq — and earlier, that of Germany, Japan and Italy in World War II — were all because these countries had their own honest banking systems, and refused to be swallowed up by the criminal Rothschild central bank scam which robs countries of their hard earned money — you will begin to understand how you have been swindled throughout your lifetime by lying newspapers and fatheaded commentators in the pay of the criminal bankers themselves who have convinced you that you have been experiencing freedom when in reality you are locked in the prison of usury and giving away more than half the earnings of your labor to goons who create money out of nothing and then steal even more from everybody on the planet. Stephen Goodson's A History of Central Banking and the Enslavement of Mankind (2014) is a clear exposition of how Jewish bankers have swallowed up the world with their diabolical lending scheme. When you realize the evil and destructive nature of this scam that has fooled absolutely everyone, you will realize that the United States of America is not only on the wrong side of history, but principally responsible for the destruction of the human race. You will realize that all the wars America has fought have served to impose tyranny on luckless countries where freedom had previously existed, especially in Russia and in Germany. And all that disingenuous rhetoric about democracy and liberty has merely facilitated a tidal wave of lies engulfing everyone in the suffocating debt prison of fractional reserve lending. This becomes obvious when you realize that all the wars of both today and yesterday, for as far back as you care to calculate, have always been engineered by the most powerful central bank in the world against countries attempting to avoid its malignant control. Jews have always targeted all countries without a central bank for robbery and destruction, just as they are doing at this very moment", - John Kaminski, American writer and journalist - johnkaminski.org

Jews & Immigration into Western Society

The number one problem facing Europe, the U.K and America is unlimited immigration into those countries. The people in the U.K voted to pull out of the European Union because of the immigration policies of the EU and the non-immigration political party Reform are now the favourites to win the next general election.

English white people are a minority in London, Birmingham and Leicester and only 45 per cent of Londoners class themselves as 'White British' and nearly 3 million people living in the U.K were living in houses where no adult speaks English.

Did you know that in 1920 30% of the population on this planet was made up from the White race but today in 2026 only 10% of the population in this world is White and by 2060 the white population of the world will drop to single digit for the first time ever to 9.76%. In contrast in 1950 only 9% of the people on this earth were black Africans but today that figure is 17% and by 2060 will constitute 25% (2.7 Billion) of the population of this world. So in the past 100 years the White population has gone down from 30% to 10% and the African population has gone in the reverse from 10% to 25% in 2060 and yet the diminishing White race has to accept unlimited immigration from Africa and the Middle East.

According to the data, around a fifth of people in the UK are non-white or non-British. But this is expected to rise to a quarter by 2025, a third by 2040 and reach up to 38 per cent by 2050. It lays bare the effect of decades of immigration and claims that white Britons will be in a minority in their own country by 2066. This will eventually lead to the disappearance of the white race if the trend continues and it is all done intentionally. Dutch white people will also be a minority in the Netherlands by 2050. Overwhelmingly Muslim immigrants already account for about half of the population in the Netherlands' four biggest cities, even forming a small majority in Amsterdam. An even more striking example is Brussels, Europe's Capital. Predominantly Muslim non-Western immigrants represent 70% of the Brussels population and will reach 85% within a decade. Belgium's second-largest city, Antwerp, will have a majority-immigrant population within less than a decade, while other major Belgian cities are not that far behind.

Figures from the Belgian Statistics Agency revealed that in 2021 the proportion of native Belgians had fallen to a mere 67.3% of the population (from 74.3% in 2011 and 81.8% in 2001). The collapse of native Belgians is real, drastic, and ongoing.

"I made a projection in 2010 that if immigration stayed at its long-term rate of around 180,000 a year as it was at the time, the White British-born population would decline from 80 percent of the total then to just 59 percent in 2051. Taking the projection to a more uncertain distance, the White British population would cease to be the majority in the U.K. by the late 2060s. However, should current high levels of immigration persist for any length of time that date would move closer to the present? Britain would then become unrecognizable to its present inhabitants" - **Professor David Coleman**

In France, economist and fund manager Charles Gave, writing for the think tank Institute des Libertés, pointed out that by 2057—that is, 30 years at the very most—France and Western Europe (which he called “Old Europe”) will have a majority non-white population with a Muslim majority.

“And so, within 40 years at the latest, it is almost certain that the majority of the population will be Muslim in Austria, Germany, Spain, Italy, Belgium and Holland,” he wrote. “Again, these are not predictions but calculations, and I do not even call for new immigrants.”

“Our summer will be really over the day when demographics will change, simply because we will have become a minority in our own countries and the majority will no longer pay attention to 68-year-old jeremiads, all of whose authors will be retired or dead,” he wrote.

Every non-White racial group throughout the Western World is free to create organizations based on their racial identity with absolutely no social repercussions. In the United States there is black organizations, Hispanic organizations, & Asian organizations... all socially acceptable. But try to create a White-based organization and watch the gates of Hell swing open! Any attempt at creating such a group brings about the following labels: “racist,” “bigot,” “hater,” and “Nazi.”

They have brainwashed the masses in Europe to believe that mass migration and multi-cultural cities is good for the economy. White Europeans have been led to believe that Mass Immigration of third world people into their homelands was something that could not be stopped, that it was natural population movement. Most Europeans fell for those lies, and they fell for the deception. They hide white genocide behind words such as diversity and multiculturalism.

This is nothing to do with racism. This is about preserving each countries national heritage, customs, traditions and way of life. A country will lose their way of life because of mass migration.

Every race has a country where they're the majority. Are you saying whites shouldn't have the same?

Under international law, genocide is any attempt to eliminate a group by any means. Killing is not necessary. Mass sterilization and force blending are two methods of genocide which do not involve killing. Mass non-white immigration plus forced assimilation in ALL white countries undoubtedly meets the definition of genocide under UN Resolution 260 Article II(c) “Deliberately inflicting on the group conditions of life calculated to bring about its physical destruction in whole or in part.”

Raphael Lemkin, the man who invented the term “genocide” stated: “Generally speaking, genocide does not necessarily mean the immediate destruction of a nation, except when accomplished by mass killings of all members of a nation. It is intended rather to signify a

coordinated plan of different actions aiming at the destruction of essential foundations of the life of national groups, with the aim of annihilating the groups themselves.”

Is it the Jews?

There is a wild conspiracy theory, especially on social media that Jews are the group behind the unchecked immigration of non-white people into Western Countries, mainly Europe, Australia, Canada, America and the U.K.

But is there any truth to this theory?

Let’s start with a famous video clip of Jewish lady Barbara Spectre. She is the founder of Paideia, European Institute for Jewish Studies in Sweden. In the video she said the following:

“Europe is not going to be the monolithic society they once were in the last century. Jews are going to be at the center of that. They are now going into multicultural mode and Jews will be resented because of our leading role. But without our leading role Europe will not survive.”

<https://www.youtube.com/watch?v=Pp38upAHpfs>

So Spectre does say the Jews are behind the genocide of the White race. Hmm so far not just a theory. But let’s do a bit more research. We can’t just rely on the words of one person.

George Soros. Jewish billionaire founder of the Open Society Foundation:

“Our plan treats the protection of refugees as the objective and national borders as the obstacle. Europe has to accept at least a million asylum seekers annually for the foreseeable future. The EU ought to borrow money to pay for surge funding for refugees” – George Soros

Soros also funded Black Lives Matter and Transgenderism.

How Soros Created & Underwrote the Illegal Immigration Crisis

“Arguably the main achievement of the Biden era, if unintended, was putting the dangers of mass immigration, especially the illegal kind, on full display. There were 10.8 million border encounters during those four years, about 2 million of which resulted in migrants disappearing into the nation’s interior. Complicit were multitudes of world-saving

nongovernmental organizations (NGOs), most significantly, those funded by the Soros family's Open Society Foundations (OSF). Opening the border to unlimited immigration, and without required vetting, long has been central to the Soros mission."

Former Hungarian Prime Minister Viktor Orban accused Jew George Soros of helping immigrants come to Europe

"The European Union are implementing migration plans designed by Jewish billionaire George Soros to bring in a million migrants per year to Europe with help from his army of Ngos", **Victor Orban – Prime Minister of Hungary 2018.**

"We are fighting an enemy that is different from us. Not open but hiding. Not straightforward but crafty. Not honest but base. Not national but International. Does not believe in working but speculates with money. Does not have its own homeland but feels it owns the whole world." – **Victor Orban condemning Soros and Co 2018**

Immigration in America

Charlie Kirk (Assassinated September 10th 2025) said Jewish Money Was Ruining US Culture and was behind the **Open Borders** in America.

"Jewish donors have been the No. 1 funding mechanism of radical open-border, neo-liberal, quasi-Marxist policies, cultural institutions and non-profits ... And it's not just the colleges. It's the non-profits, it's the movies, it's Hollywood, it's all of it."

Up until the 1960s, the great nations of Canada, Australia, and the United States were protected by "White Immigration" policies. The principal motivation behind these exclusionary policies was the collective desire of these nations to remain British and/or European in ethnicity and institutions.

Then the American President Lyndon B Johnson signed the Immigration Act of 1965, which ended the exclusion of non-White immigrants, and two years later Canada adopted the Immigration Regulations of 1967, which also impose a non-racial set of admission criteria for immigrants, and six years later the "White Australia Policy" came to an end. The result was a tremendous surge in immigration from non-White countries into these three countries in the decades that followed.

Before this Act was passed immigration into the United States was almost exclusively white, yet after its passing immigration has become almost exclusively non-white. This Act was purely and simply Communist legislation designed to destroy a Republic.

These new immigrants deeply changed the face of American immigration and American society. Where America was 85% white before 1965 now they are down to 60%.

A new study conducted by Collage Group has predicted that minority and multicultural Americans will constitute the majority of the U.S. population by 2050.

The study, which utilised data from the American Community Survey, showcases a significant increase of nearly four million individuals in the multicultural population of America since 2021. The study reveals that the current population consists of approximately 192.2 million white Americans, constituting 58 percent of the total population, while black, Hispanic, Asian and other ethnicities account for around 141.1 million Americans.

What is not known is that the Jewish leaders were behind the promoting and lobbying for this immigration act to come into existence. Another name for this immigration act is the Hart-Cellar act named after the two men who helped to bring it into existence. Emanuel Celler (May 6, 1888 – January 15, 1981) was a Jewish-American politician from New York who served in the United States House of Representatives for almost 50 years. Congressman Emanuel Celler fought for unrestricted immigration for over 40 years in the House of Representatives, introduced similar legislation resulting in the “Cellar-Hart Immigration Bill,” the precursor to the fatal bill of 1965.

Here are the names of the other Jewish men behind The Open Immigration Law of 1965:

Senator Jacob Javits (NY), Congressman Emanuel Celler (NY), Leo Pfeffer (Former President of American Jewish Congress (AJC), Norman Podhoretz (Writer and Member of The Council of Foreign Relations), Senator Jacob Javits played a prominent role in the Senate hearings on the 1965 bill. The Jewish Javits authored an article entitled ‘Let’s open the gates’ that proposed immigration levels of 500,000 per year for 20 years with no restrictions on national origin. Leo Pfeffer wrote many documents and books that promoted open immigration.

In his essay, *"Jewish Involvement in Shaping American Immigration policy, 1881-1965: A Historical Review,"* University of California Professor Kevin MacDonald shows in exhaustive detail how Jewish organizations supported multiculturalism almost from the moment when eastern European Jews arrived in significant numbers on American shores. According to MacDonald, the *"historical record supports the proposition that making the US into a multicultural society has been a major goal of organized Jewry beginning in the 19th century"*. The main way in which Jews promoted multiculturalism is by changing this America’s immigration laws. "Jews," according to MacDonald, have been 'the single most persistent pressure group favouring a liberal immigration policy' in the US in the entire immigration debate beginning in 1881.

"Ethnic and religious pluralism serves external Jewish interest because Jews become just one of many ethnic groups. This results in the diffusion of political and cultural influence among the various ethnic and religious groups, and it becomes difficult or impossible to develop

unified, cohesive groups of gentiles united in their opposition to Judaism. Historically, major anti-Semitic movements have tended to erupt in societies that have been, apart from the Jews, religiously and/or ethnically homogeneous." - **Professor McDonald.**

Professor McDonald is saying that Jews want to dilute the 'White' culture so the 'White' culture cannot remove the Jews as they have done many times in the past in Europe because of the malpractices of the Jews against the host countries in the past. If the 'White' race is a minority in America or Britain then the White race cannot remove the Jews.

When Jews make the diversity-is-our-strength argument it is in support of their real goal of diluting a society's homogeneity so that Jews will feel safe. They are couching a Jewish agenda in terms they think gentiles will accept. Jews may support deviant movements, not because they think it is good for the country but because they think it is good for Jews.

In *The Culture of Critique*, Kevin MacDonald advances a carefully researched but extremely controversial thesis: that certain 20th century intellectual movements — largely established and led by Jews — have changed European societies in fundamental ways and destroyed the confidence of Western man. He claims that these movements were designed, consciously or unconsciously, to advance Jewish interests even though they were presented to non-Jews as universalistic and even utopian. He concludes that the increasing dominance of these ideas has had profound political and social consequences that benefited Jews but caused great harm to gentile societies.

Professor MacDonald traces the role of Jews in promoting multiculturalism and Third World immigration. Throughout his analysis Prof. MacDonald reiterates his view that Jews have promoted these movements as Jews and in the interests of Jews, though they have often tried to give the impression that they had no distinctive interests of their own. Therefore Prof. MacDonald's most profound charge against Jews is not ethnocentrism but dishonesty — that while claiming to be working for the good of mankind they have often worked for their own good and to the detriment of others. While attempting to promote the brotherhood of man by dissolving the ethnic identification of gentiles

Jews and Civil Rights

Despite the widespread public belief that the Civil Rights Movement was organized by black Americans, the reality is that it was almost entirely masterminded by Jews as part of their Communist agenda to undermine the stability of American society by using blacks as a wedge to divide and conquer the white majority establishment.

Behind every single black rights organization the Jews were there from the very beginning pulling the strings, from the National Association for the Advancement of Colored People (NAACP) to the Leadership Conference on Civil Rights (LCCR).

Jewish Arnold Aronson (1911-1998) was founder and leader of the Leadership Conference on Civil Rights (LCCR). The LCCR, a powerful coalition of political and religious groups, organized major, countrywide lobbying efforts to aid passage of the Civil Rights Act of 1964.

The main author of the Civil Rights Act of 1964 was Jewish assistant attorney general Norbert A. Schlei (1929-2003). (Schlei also wrote the Voting Rights Act of 1965).

Jews funded many civil rights organisations, including the NAACP, the Urban League, the Congress of Racial Equality, and the Student Non-Violent Coordinating Committee. Most of the civil rights attorneys in the South during the 1960s were Jews, as were well over half of the whites who went to Mississippi in 1964 to challenge Jim Crow Laws. Jews such as Marvin Rich, a chief fundraiser and key speech writer for the Congress of Racial Equality, and Stanley Levison, a leader of the Communist Party USA who wrote Martin Luther King's speeches for him.

The Jewish community has continued to press for government legislation to undermine traditional American culture and wholesome family values through their support of affirmative action giving preferential treatment to not only blacks but also gays and lesbians. Jewish rabbi David Saperstein, director of the Religious Action Center of Reform Judaism, is currently the only non-African-American member of the NAACP board.

Jew Aaron Goldman addressing the National Council of Jewish Women said:

"We Jews have played a significant part in securing laws for Negroes that guarantee equality. We have raised the expectations of American Negroes and must not allow them to become frustrated, angry, and desperate if their dreams fail to materialize. The Negro must enter the mainstream of American life."

Sen. Jacob Javits addressing the National Commission of the Jewish Anti-Defamation League in 1967 said: *"The Negroes' struggle for equal rights is of vital importance to American Jews, and is the most important struggle in the United States. Jewish support of the Negroes' aspirations for equality should be regarded as a badge of honour."*

The Jews raised the culture of the black people in America for one reason only, it was not because they like the blacks it was because by raising the blacks up to the same level as the white race, it diluted white power and the white culture in America.

The most cleverly contrived scheme in the history of race relations is being employed by the Jews to break down the resistance of the White race. It is an elaborate plan to make White people ashamed of the color of our skin. It is deliberately designed to give us an inferiority complex whereby we will feel compelled to bring about our own racial destruction to rectify the superior position we naturally hold over the Black race. The Jewish plan is spelled out very clearly in the Jew Cohen's racist words below.

Israel Cohen, a leading Communist in England, in his "A Radical Program for the 20th Century," wrote in 1912 the following:

"We must realize that our party's most powerful weapon is racial tensions. By propounding into the consciousness of the dark races that for centuries they have been oppressed by whites, we can mould them to the program of the Communist Party. In America we will aim for subtle victory. While inflaming the Negro minority against the whites, we will endeavour to instil in the whites a guilt complex for their exploitation of the Negros. We will aid the Negroes to rise in prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige, the Negro will be able to intermarry with the whites and begin a process which will deliver America to our cause."

On November 27, 1961, Israel Cohen's obituary would be published in London newspapers announcing the death of "Israel Cohen, veteran Zionist, Journalist and author, died here today at the age of 82. A former secretary of the World Zionist Organization, he played an important part in the development of the Zionist movement since the beginning of this century." Even today, despite the proven existence of Israel Cohen and his authorship of over 25 known published works on Jewish Zionism, Jews still refute the existence of his article A Radical Program for the 20th Century and have gone to great lengths to dismiss it as a fabrication and a hoax.

America Is Undergoing Genocide

By Paul Craig Roberts (former economic adviser to ex President of America Ronald Reagan)

It is not a conspiracy theory that the 300,000 immigrant-invaders (official count) entering the US unopposed each month are recruits organized by NGOs and not refugees from political persecution. The NGOs that are underwriting the invasion provide maps of the routes along which food and shelter are provided. Roads and bridges are being constructed to aid the invasion.

*One of the NGOs is the Hebrew Immigrant Aid Society (HIAS), of which the current director of the US Department of Homeland Security, **Alejandro Mayorkas, himself a Jew**, was a*

board member until December 2020. According to an article on substack, HIAS has received \$100,000,000 from the US government in the past three years

Jewish Mayorkas Runs U.S. Foreign Policy in the Western Hemisphere

The 'Mayorkas Doctrine' has completely remade migration patterns in the Americas and changed the internal politics of migrants' countries of origin—and not for the better.

Alejandro Mayorkas's designed failure at the border is disgraceful

<https://thehill.com/opinion/immigration/4360377-alejandro-mayorkas-designed-failure-at-the-border/>

So here we have the evidence that Alejandro Mayorkas, who is Jewish and was in charge of the borders in America intentionally letting the migrants flood into America. Mayorkas was the United States Secretary of Homeland Security, serving from 2021 until 2025.

Hugh Davis Graham, on the forces behind the 1965 law. He wrote in his 2002 book Collision Course (pp. 56-57):

"Most important for the content of immigration reform [i.e., loosening], the driving force at the core of the movement, reaching back to the 1920s, were Jewish organizations long active in opposing racial and ethnic quotas. These included the American Jewish Congress, the American Jewish Committee, the Anti-Defamation League of B'nai B'rith, and the American Federation of Jews from Eastern Europe. Jewish members of the Congress, particularly representatives from New York and Chicago, had maintained steady but largely ineffective pressure against the national origins quotas since the 1920s.... Following the shock of the Holocaust, Jewish leaders had been especially active in Washington in furthering immigration reform. To the public, the most visible evidence of the immigration reform drive was played by Jewish legislative leaders, such as Representative Celler and

Senator Jacob Javits of New York. Less visible, but equally important, were the efforts of key advisers on presidential and agency staffs. These included senior policy advisers such as Julius Edelson and Harry Rosenfield in the Truman administration, Maxwell Rabb in the Eisenhower White House, and presidential aide Myer Feldman, assistant secretary of state Abba Schwartz, and deputy attorney general Norbert Schlei in the Kennedy-Johnson administration”.

The Jews were also behind the passing of immigration laws in Britain which was also in 1965. The Jewish Home Secretary, Frank Soskice, passed into law the, “Race Relations Act,” which incidentally was drafted by, “The Board of Deputies of British Jews.” This led to the, “Commission for Racial Equality,” which led to the so-called, “hate-laws,” which were designed to prevent native white Britons from speaking out against the constant flood of immigration transforming the white nation their ancestors created into a nation devoid of national or racial identity.

The Jewish Barbara Roche (Minister of State for Asylum and Immigration, under Tony Blair) was at the heart of Labour’s conspiracy to harm its traditional voters by opening Britain’s borders to the world. Barbara Roche’s vision was of a Britain where the White British will disappear amid a flood of diversity and immigration. In a new biography of Tony Blair, Barbara Roche, is alleged in the book to have taken extraordinary steps to increase net migration — going above and beyond even that requested by Mr. Blair. In the book a civil servant remarked of Ms. Roche’s personal mission at the ministry: “It was clear that Roche wanted more immigrants to come to Britain. She didn’t see her job as controlling entry into Britain, but by looking at the wider picture in a “holistic way” she wanted us to see the benefit of a multicultural society”.

‘I see Jewish people helping... It makes me want to give something back to the country’

All of the people behind the removal of the White Australia Policy and forcing Immigration and Multiculturalism were Jewish every single time.

The Jewish War on White Australia: Refugee Policy and the African Crime Plague, Part 1

The Jewish War on White Australia: Refugee Policy and the African Crime Plague, Part 2

Australia's African (and Pacific Islander, and Middle Eastern) crime epidemic is the inevitable result of the successful campaign waged by Jewish activists to end Australia's White Australia policy. As detailed in the series of essays entitled The War on White Australia, Jewish ethnic activism was pivotal in overthrowing Australia's longstanding European-only immigration policy. The Jewish academic Dan Goldberg proudly acknowledges this, noting that "In addition to their activism on Aboriginal issues, Jews were instrumental in leading the crusade against the White Australia policy, a series of laws from 1901 to 1973 that restricted non-White immigration to Australia."

Anti-White Propaganda in the Mainstream Media

Surely most people in Europe and America must have noticed that the commercials on their T.V screens have more non white people in the adverts and less white people. The United Kingdom remains majority white with 83.0% of people identified as white in the 2021 census. If T.V adverts reflect those statistics then 8 out of 10 adverts should have white people only in the advert. But if you watch the adverts closely in the U,K you will find about 2 out of every 10 adverts has white actors in the adverts. It is the same in America.

Who's Behind The Race Mixing Agenda In Advertising?

See the video below which shows that it is the Jews who are behind The Race Mixing and Anti-White Agenda In T.V Advertising? It shows the Jewish owners of the media companies that are behind it at the 20 minute mark.

Blacks Can Sell Anything: TV Commercials as Race Replacement

Blacks make up roughly one-eighth of the U.S. population. So why do they now seemingly comprise at least one-half of all people in TV commercials? Whites often grumble about this privately, but maybe they should go public. For the advertising industry's obsession with casting blacks is more than affirmative action run wild. It is mental reprogramming designed to convince whites of their eventual demographic demise.

International journalist Ioannis Gatsiounis, writing in the Washington Times in 2019, remarked: "While statistics are hard to come by, we can say with confidence that blacks appear far in excess of their 13 percent of the population—so much so that if a foreigner had nothing to go on but our ads, she might reasonably conclude that America is a majority-African-American country."

Madison Avenue, or The Anti-White Agenda of Jewish Ad Agencies

In every Jewish commercial ever created, a Black or brown person is never, no matter what the situation, portrayed in a bad light, ever — in the fantasy world of Jewish commercials, only non-Whites are the flawless decision-makers, the sure, certain, take-chargers, the best and the brightest mankind has to offer, selfless, giving and kind. They never commit the same stupid mistakes as the crude, clumsy, clueless White men. They are all cool, confident, well-dressed, natural-born-leader types; they are scientists, surgeons, professors, jet pilots, or just your common everyday successful Black or brown businessman coolly making their million dollar decisions each day inside Fortune 500 boardrooms. White males in these

commercials are often looked at askance and lectured by Blacks and browns on the proper, mature and intelligent way of doing things. Never mentioned or even hinted at is the fact that the ancestors of these brilliant non-Whites, with millions of years to work with, somehow never managed to even invent the simple wheel.

Race-mixing, of course, is the main goal of these Jewish commercials. Virtually every other couple shown is a mixed race twosome, usually a charming, successful, intelligent young Black man embracing, kissing and rolling happily in bed with a lovely, slim, graceful White woman. These couples are always portrayed as laughing, care-free, successful, and deeply in love; they are never seen as they in reality usually are — miserable, angry, arguing, drunken, drugged, fat, vulgar, disheveled, and violent.

“European Americans still compose 63% of the population of the USA. Anyone watching television in America now days will get the mistaken idea that African Americans compose nearly half of the population of the USA judging by their prominence on the TV screen. African Americans compose only 13% of the population of the USA. Hispanics compose 18% but are absolutely under-represented on television. Asians compose 3% of the population of the USA but are more prominent on television than Hispanics. The JEWS who own and control television are deliberately engineering these misconceptions and have been engineering non-European immigration since the HART-CELLAR Immigration Act of 1965”.

Brother Nathanael – American Evangelist

The most obvious example of anti-white propaganda came from Netflix via a set of three commercials for the company. The series of the three Netflix commercials is titled “The Couple”, which features a white woman and a black man. The Netflix commercial “Open Relationship” depicts two couples, an interracial couple, and a white couple. The white man is depicted as small, weak, insecure, “non-progressive” and closed-minded. His white girlfriend quickly decides to cast him aside to spend the evening with the interracial couple, as the black man quite literally steals the man’s girlfriend in front of him, humiliating him.

HLG Studios out of Los Angeles was behind the production of these three creepy Netflix commercials. The advertising company has worked on campaigns for a myriad of national brands, from fast food chains to banks, technology companies, and clothing retailers. HLG Studios was founded by Yuri Baranovsky, the same person who directed Netflix’s race-mixing, anti-white propaganda pieces. Yuri Baranovsky is Jewish, an ethnic group that is vehemently opposed to Jews forming relationships outside their own ethnic group. Just four Jewish owned mega-corporations control the vast majority of all advertising agencies. The Omnicom Group of New York, WPP of London, Publicis of Paris, and Interpublic of New York are the key corporations in the West. Globalist CEO John Wren currently heads Omnicom Group. Omnicom was founded by Allen Rosenshine, Keith Reinhard, and John Bernbach, all three are Jewish and promote the exclusivity of Jews — but work hard to destroy ethnic-

European ethnicity. Long-standing CEO of Publicis (1987–2017) has been Maurice Lévy, who cited his rabbi grandfather as his greatest inspiration. Lévy has been honoured by the Anti-Defamation League, for his work fighting anti-Semitism, and his relentless promotion of “diversity”. WPP of London was founded and is currently run by Martin Sorrell, who is a Jew. Chairman and CEO of the Interpublic Group (IPG), is Michael Isor Roth. Roth condemned the “white supremacist ideology” at Charlottesville. There is clearly a disproportionate number of Jews and those with Jewish sympathies involved in mass media advertising. From small start-up firms to multi-billion-dollar corporations, all of which are promoting hostile anti-white falsehoods, while praising “diversity” and “inclusion.” All this is carefully calculated ethnic-European genocide fueled by Jewish hatred for Christian Europeans. These companies are not merely promoting racial bastardisation and trying to appeal to a wider range of consumers, they are promoting the increased abuse and sexual degradation of white women. The race-destroyers purpose is to recreate a nation without ethnic-Europeans. Race mixing propaganda says bluntly that white children are not wanted in the New Order and White men have no place in the globalists’ nightmarish world

“In every Jewish commercial ever created, a black or brown is never, no matter what the situation, portrayed in a bad light, ever—in the fantasy world of Jewish commercials, they are always the flawless decision-makers, the sure, certain, selfless take-chargers, the best and the brightest mankind has to offer. They never commit the same stupid mistakes as the crude, clumsy, clueless white men. They are all cool, confident, well-dressed, natural-born-leader types; they are scientists, surgeons, professors, jet pilots, or just your common everyday successful black or brown businessman coolly making their million dollar decisions each day inside Fortune 500 boardrooms. White males in these commercials are often looked at askance and lectured by blacks and browns on the proper, mature and intelligent way of doing things even though the ancestors of the latter, with millions of years to work with, somehow never managed to even invent the simple wheel. Race-mixing, of course, is the main focus of these Jewish commercials. Virtually every other couple shown is a mixed race twosome, usually a charming, successful, intelligent young black man embracing, kissing and rolling happily in bed with a lovely, slim, graceful white woman. These couples are always portrayed as laughing, care-free, successful, and deeply in love; they are never seen as they in reality usually are—miserable, angry, arguing, drunken, drugged, fat, vulgar, disheveled, and violent. In one Progressive Insurance ad, a beautiful young white woman bumps into a black man at a juke box whereupon they fall instantly in love. In the next shot the deeply smitten duo are happily performing together on stage, singing to a rapturous audience. “Now That’s Progressive” reads the Jewish moral message. Clearly, blacks, browns and whites do not create these commercials—Jews do. All the above is how Jews want unthinking TV watchers to perceive white men. Blacks and browns in these Jewish commercials are used by Jews as they have always been used—as hammers against us whites. Jews do not care a fig about the well-being or elevation of blacks and browns; their sole purpose is for them to be used as Jews have always used them—as clubs and bricks to attack us whites. This is how the Jews who create the ads want us and others to think about

ourselves. Their hope is that ultimately we will think so badly about ourselves that we will no longer care about ourselves, about our past, about our present or especially about our future, about marriage and children, about fighting Jewish hate around the world; that we will simply give up and commit suicide. And, of course, these devious individuals hope their fanciful dreams become reality for young and dumb white women and that they will naturally fall into the arms of REAL men—the black and brown mud men. Truly, the depth of Jewish hatred is breath-taking. But so is their almost comical, suicidal ignorance. Sooner than they could ever imagine the consequences of their efforts to destroy whites via immigration replacement, inter-racial sex commercials, pornography, abortion, actual white on white World Wars, or a hundred other means, will bear them a terrible fruit. As we know from history, when white people finally get pissed off, really pissed off, hell is to pay. And, as we all know, the white world is very, very close to critical mass right now. A word, a warning, a historical truth: An armed and angry white man is the most deadly killing machine the earth has ever known—he is intelligent, resourceful, adaptable, strong as steel, hard as iron, he never sleeps, he never forgets...and he is virtually impossible to kill.” - Thomas Goodrich (Author of HELLSTORM - The Death of Nazi Germany)

The Jews control literally thousands of newspaper and television media outlets between them, which they frequently use to promote diversity and multiculturalism. Below the Jewish owned National Geographic. It is not difficult to see what they are promoting.

Jewish NGOs helping Migrants

There is many Jewish NGOs (non-governmental organisation) helping migrants come to any Western nation in order to dilute the White people.

One of the main Jewish NGOs is HIAS which operates in many countries around the world

HIAS stands for a world in which refugees find welcome, safety, and opportunity.

During these extraordinary times, HIAS is meeting the moment head on. We remain dedicated to our mission of providing vital services to refugees and asylum seekers around the world, which is needed now

Our Mission

Drawing on our Jewish values and history, and working with host communities, HIAS provides vital services to refugees, asylum seekers, and other forcibly displaced and stateless persons around the world and advocates for their fundamental rights so they can rebuild their lives.

Our History

More than one hundred years ago, the Jewish community founded HIAS (originally the Hebrew Immigrant Aid Society) in New York City, the immigrant gateway to America. Supporting Jews

<https://hias.org/>

Another Jewish NGO helping migrants come to Europe and America is IsraAid

Jews working for the Israeli state-funded foreign aid agency IsraAID, are actively working on the ground in Greece to help the mass non-white invasion of Europe take place—even though all those “refugees” are barred from entering Israel. Meanwhile, in Israel itself, the Jewish state has refused to take in any “refugees” and ordered the extension of fortified border walls to physically keep them out. But it is ok for them to be sent thousands of miles to Europe to help make the White race disappear.

There is a never ending source of Jewish NGO's and groups helping refugees come to Europe and America but not to Israel

Jewish Involvement in Contemporary Refugee and Migrant Organizations

Jewish Representation in Secular Contemporary Refugee and Migrant Organizations.

In contrast to the modest over representation of Jews in anti-immigration groups (around 5%), Jews are nothing short of prolific in influential senior roles in contemporary refugee, asylum, and pro-migration organizations. Significantly, Jews occupy the leadership of all four of the largest and most influential (and nominally secular) organizations active in America today, the International Rescue Committee (President and CEO David Miliband), Refugees International (President Eric P. Schwartz, formerly of HIAS), International Refugee Assistance Project (Director Becca Heller), and Human Rights Watch (Executive Director Kenneth Roth, and Deputy Directors Iain Levine and Fred Abrahams).

The International Rescue Committee (IRC) is one of the most significant organizations bringing migrants to the United States. In their countries of origin, refugees and their families are assisted by the IRC to prepare their cases to the Department of Homeland Security (DHS), compiling personal data and background information for security clearance. Once their cases are approved, refugees are usually greeted at the airport by case workers

from the IRC. The IRC then provides these migrants with a home, furnishings, food, and any other assistance that might be required. The IRC operates 27 offices across the United States, each offering food, housing, educational, and medical assistance. It also works closely with the U.S. Office of Refugee Resettlement (ORR) Division of Refugee Assistance, which was reported in August 2018 as quietly removing its staff directory page. Consultations with the Internet Wayback Machine revealed the Director of the Office of Refugee Resettlement to be one Carl Rubenstein, an alumnus of Tel Aviv Law School. In 2017, the IRC, in conjunction with Rubenstein's ORR, resettled more than 51,000 migrants to the United States, and is currently a staunch lobbyist against current restrictions imposed by President Trump.

Canada

Jews feature prominently among the top immigration lawyers in Canada. In Nova Scotia, Lee Cohen "has become a leading light in immigration and human rights law" since "his representation of 174 Sikhs who landed in Shelburne in the summer of 1987." Cohen now recalls: "Nobody was for immigration," he says. "Nobody wanted refugees. I felt I was one of the very few people struggling to open the eyes of our community to something that needed to be talked about. We had the opportunity to bring people to Canada — people who would help build our prosperity and our nation, but who also needed to be here. So I dedicated myself to refugee and immigration law." Cohen went on to found the Halifax Refugee Clinic, and has "served as a mentor to a new generation of immigration law professionals, who are helping him push for changes in the system." Halifax Magazine has described Cohen as "the face of immigration law in Nova Scotia."

U.K

In the UK, Jews have also been remarkably overrepresented in the development of pro-immigration policy. In 2000, Tom Steinberg, a British Jew who doesn't appear to have expertise in anything but has been extraordinarily successful in gaining influence with British and American governments, penned a policy document for the Institute of Economic Affairs titled "Reforming British Migration Policy."

<https://iea.org.uk/publications/research/reforming-british-migration-policy>

Throughout the document are multiple references to speeches by Barbara Roche, Britain's Minister of State for Asylum and Immigration, 1999-2001. Roche is also Jewish. In February 2016, a biography of Tony Blair, *Broken Vows: Tony Blair — The Tragedy of Power* (serialized in the Daily Mail), described Roche's part in the deliberate encouragement of mass immigration into the UK during Blair's time as Prime Minister. The Daily Mail, in its serialisation, commented: "The most incredible revelations concern Barbara Roche, a little-known MP who was immigration minister between 1999 and 2001. During this period, she quietly adopted policies that changed the face of the UK ... She changed the rules to allow

more work permits to be issued, especially to people who would previously have been considered asylum seekers.” Stephen Boys Smith, who was then head of the Home Office’s immigration directorate, added: “It was clear that Roche wanted more immigrants to come to Britain. She didn’t see her job as controlling entry into Britain, but by looking at the wider picture in a “holistic way” she wanted us to see the benefit of a multicultural society.”

One of Britain’s foremost pro-migrant activists prior to the Roche years was Steve Cohen, a Jewish human-rights lawyer in Manchester. Cohen founded the Immigration Aid Unit, and was “politically opposed to immigration controls in their totality and took part in many anti-deportation and immigration campaigns both as a lawyer and a campaigner.” He founded the ‘No One is Illegal’ Group in September 2003, and penned a number of tracts with titles such as Imagine There’s No Countries and From the Jews to the Tamils: Britain’s mistreatment of refugees. The UK’s Refugee Law Initiative, based at the University of London, was founded and is led by a Jew, Director David Cantor. Cantor previously worked at the Refugee Legal Centre, a London-based public law centre that provides free legal advice and representation to asylum seekers.

Ireland

Ongoing Jewish Influence in the Transformation of Ireland

Ireland's National Action Plan Against Racism has Jewish origins.

NO other country in the world has been decimated by illegal immigration in the way that Ireland has.

The Jewish mafia that runs most global governments, controls international banking and is the key driver of mass immigration into first world Western nations has undoubtedly singled out Ireland for annihilation due in no small part to our centuries-long resistance to it as a result of our Catholic identity and heritage which they despise.

The above is a clipping from issue 22 of the Irish Light Newspaper which can be downloaded here:

<https://irishlightpaper.com/wp-content/uploads/2024/07/The-Irish-Light-22.pdf>

Irish to become minority in Ireland

After a millennium spent striving for Irish independence and nationhood, the Irish people are once again under the control of outsiders

THE Irish will become a minority in most parts of Ireland in the coming years as a result of the aggressive population replacement plan proposed by Leo Varadkar and Michael Martin within the EU globalist agenda.

Already many rural Irish communities in the west of Ireland are being replaced by Eastern European, Asian and African immigrants in Co. Limerick and Co. Tipperary.

Parts of north Dublin like Ballybegan are being replaced by Eastern European, Asian and African immigrants while some sections of the inner city are now more than 50% non-Irish. In restaurants, shops and hotels around the capital, it is increasingly rare to be served by an Irish person while Eastern European, Asian and African immigrants are everywhere.

The increasing impact of this will be felt for decades, if not centuries, as the Irish population is reduced to a tiny fraction of its former size.

Throughout our lives, we will come to learn that the Irish people have been deceived by their politicians and the media who have lied to them about the future of their country.

Government admits it has no official figures on the number of undocumented migrants in the country

Following the path of every other European nation, the Irish government has been unable to establish an official record of the number of undocumented migrants in the country. This is because the government has no official figures on the number of undocumented migrants in the country.

World, you will learn it. Most immigration has led to a significant increase in crime, social and sexual abuse in Ireland. In the past, when the Irish people were still being treated as second-class citizens, they were not allowed to vote in general elections.

The large numbers of immigrants being brought in by the government are being used to replace the Irish people who are being driven out of the country. This is a deliberate policy to replace the Irish people with non-Irish people.

the love with your bank? The Irish government has been using the love with your bank? to replace the Irish people with non-Irish people.

Immigration is the only reason property prices are rising again, as the government is using the love with your bank? to replace the Irish people with non-Irish people.

The New World Order's motto is 'the love with your bank?'. This is a deliberate policy to replace the Irish people with non-Irish people.

Below is an excerpt from the article the Jewish influence in the transformation of Ireland

Laura Weinstein and the Dangers of "Irish Inbreeding"

Feldman is not the first American Jew to arrive on Irish shores and start telling the Irish they have no ethnic interests. Back in 2019, Laura Weinstein, a New York PhD living in Ireland and claiming to be an expert in Irish history and culture waded into Ireland's growing immigration debate. Of all the aspects of Irish history and culture Weinstein could have

chosen to focus on, she decided she was most interested, like Feldman and others, in the “myth” of a homogeneous Irish identity and “right wing Irish nationalism.”

Weinstein employed her Twitter account to the trolling of Irish political figures opposed to mass immigration. In one example she responded to a post by the National Party by implying that Irish opposition to immigration would leave the Irish like “neurotic” “inbred” “dogs.”

Ronit Lentin’s Deconstruction of the Irish

As well as being a direct protege of Alice Feldman, Eibun Joseph is the ideological child of Ronit Lentin, the Israeli Jew who in 1997 established Ireland’s first “Ethnic and Racial Studies” programme, and thereby ushered in the arrival of Critical Race Theory in Ireland. Lentin was also a colleague and collaborator with Alice Feldman in an early 2008 side project of the National Action Plan Against Racism. From 1997 until 2012 Lentin was Head of Sociology, and acted as director of the MPhil program in “Race, Ethnicity, Conflict.” She was also the founder of the Trinity Immigration Initiative, from which she advocated an open-door immigration policy for Ireland and opposed all deportations, as well as engaging in activism to liberalise Irish abortion laws. As an academic and “anti-racist” activist, Lentin formulated what would become some of the cardinal facets of Irish self-recrimination on matters of race, beginning with her definition of Ireland as “a biopolitical racist state.” By her own account, before she began her work on stoking Irish race guilt in the early 1990s, “most people were not conscious that Irish racism existed.”

So, in Lentin’s worldview, Irishness is not only a fiction, but a racist, “white supremacist” fiction. Lentin’s advice to the Irish, should they wish to rid themselves of the delusion of peoplehood, was to engage in mass celebrations of “diversity and integration and multiracialism and multiculturalism and interculturalism,”

Lentin adds: “I propose an interrogation of how the Irish nation can become other than white.” Keeping up the family tradition, Ronit Lentin’s daughter Alana moved to Australia several years ago, where she quickly established herself as an equally rabid promoter of White guilt and engaged in successive critiques of Australian “racism.” She is now President of the Australian Critical Race and Whiteness Studies Association, and has penned articles for The Guardian asserting that Australian identity is as fictional as that of the Irish, and demanding Australia adopt an open borders policy so that it too can become other than White.

Louise Derman-Sparks and The Perils of Racist Irish Children

“Teaching anti-racism” is a top priority for Jewish ethnic activists across the West, and involves inculcating a sense of White guilt and shame about expressing White ethnic interests. The groundwork for the brainwashing of Irish children was laid by Katherine Zappone, an American lesbian who served as Minister for Children, Equality, Disability, Integration and Youth from 2016 to 2020. In 2016 Zappone unveiled the “Diversity, Equality

and Inclusion Charter, and Guidelines for Early Childhood Care and Education.” The document opens by explaining these guidelines for transforming Irish education in an anti-White direction “are informed by national and international equality and antidiscriminatory educational approaches and practice. They draw heavily on the anti-bias approach developed by Louise Derman-Sparks in the USA.”

Derman-Sparks is an American Jew who “pioneered” anti-bias and anti-racism courses for children in the 1980s through such works as *Leading Anti-Bias Early Childhood Programs: A Guide for Change*, *Anti-Bias Education for Young Children and Ourselves*, *Teaching/Learning Anti-Racism: A Developmental Approach*, and *What If All the Kids Are White?* Derman-Sparks travelled to Ireland on at least one occasion, in October 1998, to preach her doctrine, giving a keynote speech at a conference on early-years education with a paper titled “Education without Prejudice for the Early Years.”

A good example of Derman-Sparks’ work, which is being incorporated into the teaching of Irish children, can be found in an article for the American Federation of Teachers

In *What If All The Kids Are White?* (2011), Derman-Sparks writes that “White children’s learning to be “White” is part of the maintenance of systemic racism, and “Whiteness” plays a significant role in the behaviour of all White adults.” By incorporating the work of Derman-Sparks into the national education system, Ireland has sealed the fate of its youth, consenting to the ongoing brainwashing of generations.

Jewish Anti-White Books

Anti-whiteness is deeply embedded in academia and popular culture. It is not hard to find out that it is Jews who are behind the anti-white message?

Now imagine what would happen if these writers were white Christians who were giving an anti-Jewish message and saying Jewishness must be eradicated?

This is real Hate Speech but Jews are a protected class of people. Had any other people wrote these books charges of Hate Speech could have been brought against them in a court of law?

In *Dying of Whiteness*, Jewish psychiatrist Jonathan Metzl argues right-wing ideas are "enmeshed with white identity." He concludes White voters are hurting public health because of their unfavorable views on taxes, gun control, and welfare, so their identity must be abolished.

In *White Like Me*, Jewish activist Tim Wise laments his White privilege, although he is not White. He asserts a just society must "confront whiteness," which he simultaneously defines as a "social construct" and "a way of being." Whatever it is, Wise argues it must be abolished.

In *Uprooting Racism*, Jewish activist Paul Kivel provides a "practical guide for white people." How thoughtful! However, this text also describes "Whiteness" as a transient force ("a way of seeing the world") that must be "uprooted" and "dismantled."

In 1978, Jewish author Judy Katz wrote the "first systematic training program to address racism from a white perspective." She was the first to psychologize "whiteness," describing it as a "psychological prison that victimizes and oppresses" and popularized "racial sensitivity."

There is many more Jewish anti-White book s below:

The University of Minnesota has invited a professor, who believes “whiteness” is an “existential threat” to the United States and needs to be “dismantled,” to be a guest speaker.

The lecture, titled "The Elephant in the Room: A 'Grown-Up' Conversation about Whiteness," will be delivered by Jewish Professor Lisa Anderson-Levy.

What do Jews say about Multiculturalism and Diversity in Western Countries

Former Jewish French President Nicholas Sarkozy told the French public, “Not to intermarry racially is bad for the survival of the country.” The goal is to meet the challenge of racial interbreeding”. Nicolas Sarkozy – Former Jewish President of France.

“Multiculturalism has been a completely Jewish creation from start to finish. For over 100 years now, Jews in America have been promoting multiculturalism as a strategy for weakening the dominant culture and thereby enhancing Jewish power”, - Jewish Wall Street Journal columnist Dorothy Rabinowitz

“Europe has not yet learned how to be multicultural. And I think we are going to be part of the throes of that transformation, which must take place. Europe is not going to be the monolithic societies that they once were in the last century. Jews are going to be at the centre of that. It's a huge transformation for Europe to make. They are now going into a multicultural mode, and Jews will be resented because of our leading role. But without that leading role, and without that transformation, Europe will not survive.” Barbara Lerner Spectre (Jewish), IBA-News, 2010.

Read this racist speech against the white people by **Rabbi Emmanuel Rabinovich** before a special meeting of the Emergency Council of European [Jewish] Rabbis in Budapest, Hungary, January 12, 1952

“We will openly reveal our identity with the races of Asia and Africa. I can state with assurance that the last generation of white children is now being born. Our Control Commissions will, in the interests of peace and wiping out inter-racial tensions, FORBID the Whites to mate with Whites. The White Women must cohabit with members of the dark races, the White Men with black women. Thus the White Race will disappear, for the mixing of the dark with the White means the end of the White Man, and our most dangerous enemy will become only a memory. We shall embark upon an era of ten thousand years of peace and plenty, the Pax Judaica, and our RACE will rule undisputed over the world. Our superior intelligence will easily enable us to retain mastery over a world of dark peoples.”

“It was only after World War II that immigration law was drastically changed to eliminate such discrimination. In one of the first pieces of evidence of its political coming-of-age, the Jewish community has a leadership role in effecting those changes.” “The Census Bureau has just reported that about half of the American population will soon be non-white or non-European. And they will all be American citizens. We have tipped beyond the point where a Nazi-Aryan party will be able to prevail in this country, we [Jews] have been nourishing the American climate of opposition to ethnic bigotry for about half a century. That climate has not yet been perfected, but the heterogeneous nature of our population tends to make it irreversible”, Earl Raab, Writer, previously Executive Director of the Jewish Community Relations Council and an associate of the ADL (Anti-Defamation League of B’nai B’rith).

“Arab migration has been the best thing that’s happened to Europe in the past 50 years. Arabs in Europe are a fact of life. It’s time we started to accept that there’s no way to block the migration of Chinese, Pakistanis or Arabs to Europe. ... It’s true, Europe won’t be what it once was, but that’s a good thing. ... [The] more migrants from Africa and Asia who arrive, the better off Europe will be. Sooner or later, their children and grandchildren will marry into veteran European families and change the demographics of their countries. Europe will be different”, Yigal Ben-Nun, Israeli Writer.

“Jews should rejoice at the fact that Christian Europe is losing its identity as a punishment for what it did to us for the hundreds of years were in exile there,” “We will never forgive Europe’s Christians for slaughtering millions of our children, women and elderly... Not just in the recent Holocaust, but throughout the generations, in a consistent manner which characterizes all factions of hypocritical Christians” “And now, Europe is losing its identity in favour of another people and another religion, and there will be no remnants and survivors from the impurity of Christianity, which shed a lot of blood it won’t be able to atone for”, Rabbi Baruch Efrati, a yeshiva head and community rabbi in the West Bank settlement of Efrat.

“Mozart, Pascal, Boolean algebra, Shakespeare, parliamentary government, baroque churches, Newton, the emancipation of women, Kant, Balanchine ballets, et al. don’t redeem what this particular civilization has wrought upon the world. The white race is the cancer of human history.” Susan Sontag, Jewish American writer.

Oh America which was founded by European Whites, gives her a country to live in and she calls us a cancer, stupid b**ch.

When asked in a TV interview what she thought of white people, the controversial Jewish columnist Yasmin Alibhai-Brown responded: “I don’t like them. I want them to be a lost species in a hundred years”.

“The Census Bureau has just reported that about half of the American population will soon be non-white or non-European. And they will all be American citizens. We have tipped beyond the point where a Nazi-Aryan party will be able to prevail in this country. We [Jews] have been nourishing the American climate of opposition to ethnic bigotry for about half a century. That climate has not yet been perfected, but the heterogeneous nature of our population tends to make it irreversible”, Earl Raab, Writer, previously Executive Director of the Jewish Community Relations Council.

The late Noel Ignatiev, (Harvard professor) was a communist Jew in the United States and a professor at Massachusetts College of Art, and he openly calls for the "destruction of the white race", *"The key to solving the social problems of our age is to abolish the white race, which means no more and no less than abolishing the privileges of the white skin".*

Ignatiev goes on to say *“If you are a white male, you don’t deserve to live. You are a cancer, you’re a disease, white males have never contributed anything positive to the world! They*

only murder, exploit and oppress non-whites! At least a white woman can have sex with a black man and make a brown baby but what can a white male do? He's good for nothing. Slavery, genocides against aboriginal peoples and massive land confiscation, the inquisition, the holocaust, white males are all to blame! You maintain your white male privilege only by oppressing, discriminating against and enslaving others".

"The strengthening of multicultural or diverse Australia is also our most effective insurance policy against anti-Semitism. The day Australia has a Chinese Australian Governor General I would be more confident of my freedom to live as a Jewish Australian." – **Miriam Faine, editor of Australian Jewish Democrat**

"You white people are on the endangered list and unlike, say, the bald eagle or some exotic species of muskrat, you are not worth saving. In forty years or so, maybe fewer, there won't be any more white people around", - **Tim Wise - Jewish writer**

"One of the more common meme that I've seen white supremacists spread around recently has been "diversity is a code word for the white genocide". The concept here is that diversity is only promoted in white nations and that the end goal is to eliminate white people altogether by flooding all white countries with non-white people until there are no white people left. Well, guess what, white supremacists? This is exactly right. Diversity IS about getting rid of white people and that's a good thing". – **Emily Goldstein, Jewish professor**

"If you're trying to say we have been plotting to replace the white population in America with immigrants, your absolutely right. And it doesn't matter if you know or not. We have been at this for some time now. Nothing can stop us now. Nothing."- **Mark Potok, Jewish attorney, SPLC, 2011**

What some Christian researchers/writers say about the Jews pushing immigration policies in Western Nations

"The many "ISMs" that plague American society today, which are purposefully used to contrive wedge issues that are driven deeply into the heart of the body politic, have been manufactured by Jewish intellectuals, academics, writers, philosophers, thought leaders, social scientists and political reformers. For example, the most societally destructive of these ISMs is Cultural Marxism, a highly divisive and devastating social theory and critical philosophy painstakingly developed by the Frankfurt School which was associated with the Institute for Social Research at Goethe University in Frankfurt, Germany. This extremely deceptive and perfidious movement was populated exclusively by Jewish intellectuals whose primary purpose was to construct a blueprint for the complete takeover of Western civilization, which they have practically done. Other repugnant philosophies, movements and ISMs originated by similar groups of Jewish intellectuals and thinkers include Multiculturalism, Feminism, Transgenderism, and Homosexuality as well as the prevailing worldwide regime of Political Correctness that's currently destroying societies everywhere.

The same groups are also the most aggressive in strategically hurling slurs and slanders of racism, sexism, homophobicism, ageism and, of course, their favorite calculated aspersion— anti-Semitism. Then there are the highly divisive political forces associated with Communism, Fascism, Bolshevism, Socialism, and Predatory Capitalism which, when they're let loose into American society, will bring down the Republic quicker than you can say 9/11" - <http://themillenniumreport.com/2019/12/the-hidden-powers-behind-the-destruction-of-america/>

"The Jews are easily the biggest hypocrites in the entire world. They openly organize, raise money and advocate for their own unique political, cultural and economic interests, often at the expense of everyone else. And yet they condemn anyone and everyone – especially White Christian peoples – for attempting to do the same exact thing. The Jewish state of "Israel" – an illegitimate, fraudulent terrorist state occupying Palestine – is the home of the Jewish people. Non-Jews in Israel are discriminated against, persecuted and even deported on a regular basis. And yet the Jews are the biggest proponents of "diversity" and "multiculturalism" and massive non-White immigration into traditionally White Western European countries, including the United States, Canada, Australia and, of course, Europe. According to the Jews, there can be no White nations – that's "racist" after all. White people that seek to protect their homelands, culture, racial identity and traditions are considered "backwards" and "racist" while the Jews openly organize and champion their own unique Jewish interests and have their own Jewish state. This is unacceptable. Anyone even slightly criticizing the globalist, anti-White "multicultural" agenda which is seeking to displace and eliminate White people, White countries, White identity and White culture is somehow an "evil Nazi bigot" who "hates other people" and "wants to kill Six Million Jews." We are forced to be "tolerant" and "respectful" of everything and everyone – homosexuals, transgendered individuals, sexual deviants and perverts, criminal illegal aliens, subversives and everything in between – except for White people who care about and want to preserve their homelands, heritage, culture and race. The hypocrisy from the Jews is simply astounding and intolerable" - John Friend, independent journalist, and host of the <http://therealistreport.com> *and reporter for American Free Press* (<https://americanfreepress.net>)

"Jews conspired for most of the 20th century to undermine immigration restrictions on non-Whites and succeeded with stunning effect through the 1965 Immigration Act (Soft Genocide Act). An Act that resulted in Whites declining from nearly 90% of the population then to about 60% today. While Jews made it appear to be Teddy Kennedy's brainchild in fact the bill was written by Norbert ('now let the floodgates open!') Schlei and pushed through the Senate by Emmanuel Celler and Jacob Javits. Behind the scenes various Presidential advisers and policy makers worked on the same project. These included Julius Edelson and Harry Rosenfield in the Truman administration and Max Rabb in Eisenhower's. It was a Jewish project from start to finish. And the work continues unabated to this day as Jewish organizations openly admit to strongly supporting immigration "reform" ("reform" =

favoring immigration from the Third World). <https://forward.com/news/179296/jews-unite-behind-push-for-immigration-reform/?p=all#ixzz2m9ob0u2K> - <http://irishsavant.blogspot.com>

"Marcus Eli Ravage, yet another Jewish author, wrote in the January 1928 issue of Century Magazine: "You have not begun to appreciate the real depth of our guilt. We are intruders. We are disturbers. We are subverters. We have taken your natural world, your ideals, your destiny, and played havoc with them." The Jews have always been the leading radicals, subversives and revolutionaries throughout history. Communism, feminism, "gender equality", homosexual rights, transgender rights, sexual deviancy, pornography and sexual promiscuity – Jews have led and championed all of these movements and efforts all throughout history, even to this very day. The Jews absolutely hate traditional Western civilization, and have worked overtime to critique, subvert, debase and ultimately destroy our civilization and traditions. The Jews have poisoned our minds with subversive, degenerate ideas, and have normalized debauched, grotesque behaviors and lifestyles, including homosexuality, sexual licentiousness, miscegenation and other perverted, destructive practices. Turn on the television today and you will see how far we have fallen" - John Friend, independent journalist, and host of the <http://therealistreport.com> and reporter for American Free Press (<https://americanfreepress.net>)

"Diversity and multiculturalism provide a fertile field for Identity Politics. Identity Politics has succeeded in turning everything white into racism. Indeed, the word "white" is now a code word for racist. Western Civilization and science itself are explained as mechanisms of white domination. According to Identity Politics, white people are in charge, but the evidence is to the contrary. There are no quotas for whites in university admissions, hiring, and promotion. It is the allegedly victimized "preferred minorities" who get to go to the front of the line. There are no hate speech or hate crime protections for whites. Whites can be called every hurtful and offensive name in the book and have no right or power to demand apologies or the firing of the offender. White DNA has been declared to be "an abomination," and white people "shouldn't exist." In America today, the way to get ahead is to claim victim-hood. Jews are experts at this, and blacks, women, and illegal immigrants have learned the same trick. On April 10, 2019 the Center for Jewish Civilization at Georgetown University is hosting an all-day propaganda session at the National Press Club to work up opposition to white gentiles who are allegedly using Nazi techniques to attack Jews and blacks. In other words, the Center for Jewish Civilization is doing precisely to white gentiles what the center claims white anti-semites are doing to Jews and blacks. The "conference" is focused on "How Do We Deal with a New Ecosystem of Hate and Anti-Semitism on the Far Right?" We all know what the "far right" is—white people, which as a group are being recast as "white supremacists." Far right is not a term ever applied to blacks or other races. Try to imagine a Center for Palestinian Civilization at Georgetown University that was hosting a National Press Club all day event to combat an "Ecosystem of Hate and Anti-Palestinianism in Israel." The center would be lumped in with the Alt-Right and accused of promoting hate and anti-

semitism. As whites still constitute the majority of the U.S. population, what are the consequences for society when it is the majority that is constantly demeaned? What does it mean when white males, still the backbone of the military, are more easily cowed than women and “preferred minorities”? When whites become a minority, what is their fate when the new majority has been taught hatred of whites for decades?” - Paul Craig Roberts - Chairman of The Institute for Political Economy and former Assistant Secretary of the Treasury for Economic Policy under President Ronald Reagan.

“Jews had been lobbying for open immigration since 1914, but the Immigration and Nationality Act. Amendments of 1965 (House Bill H.R. 2580) opened the flood gates by removing the favored nation status for. Western European nations regarding immigration. Since 1965 open immigration has been accomplished with a vengeance. With an influx of Hispanics, Black African, Eastern Europeans and Asians, the Jews were better able to ‘blend in’ and go largely unnoticed in what was previously a predominately White-Christian America. It’s much easier to divide and influence public opinion and eviscerate Anglo-Saxon Christian American cultural traditions if there are a convoluted mix of races and cultures introduced to the land. Not to mention the influx of cheap labor that would be beneficial to all business concerns, especially Jewish owned businesses. The Zionist Jewish Americans who brought us the immigration law of 1965 were New York Senator Jacob Javits (D-NY), New York Congressman Emanuel Celler (D-NY), former president of the American Jewish Congress Leo Pfeffer, and Council of Foreign Relations member Norman Podhoretz. Earlier immigration reformists were Jews such as Senator Herbert H. Lehman, who installed Harry Rosenfield as the Executive Director of the President’s Commission on Immigration and Naturalization, and Philip Perlman as the Chairman in 1952. Jewish organizations such as the American Jewish Congress, The Jewish Federation, the American Civil Liberties Union, and the B’nai B’rith filed briefs in support of open immigration before the Senate Subcommittee in the early 1960s leading up to the passage of the Immigration and Nationality Act Amendment of 1965. The Immigration act of 1965 radically changed the ethnic make-up of immigration into America. Before the Act was passed, the majority of immigrants coming to America were Western European whites from favored nations. After the passage of the Act, 80% of immigrants were from non-white, non-Christian countries world-wide. The Zionist creed calls for the non-assimilation of Jews into the dominate culture of the countries they choose to live in. So by blurring the dominate culture by introducing a myriad of different cultures into the mix, Zionists don’t have to assimilate into anything. Notice by watching TV that there are presently and seemingly as many African, Hispanic and Asian faces represented on sitcoms and advertisements as there are Anglo faces, as if the racial numbers in America are all equal. They are not equal”, - Charles Maultsby, American Researcher, Author of ‘Who Should Go Down in History’,

“The one thing communists fear more than anything else is a rebirth of race consciousness among the great white majority of the Christian world. The communists remember that the very instant the German people became race-conscious, they turned with deadly fury

against Jewish-communism. They know the same thing could happen in this country (USA). Therefore, all communist—and Jewish—propaganda is directed in an effort to destroy every vestige of race consciousness among the white people. That is what red propagandists seek to achieve with their propaganda movies and their "tolerance campaigns", **Frank L. Britton, Author – Behind Communism**

The above comment from Mr Britton was written more than 60 years ago in his book which describes how Jews were behind Communism and Marxism in the early 20th Century and they still are today, but today it is called 'The New World Order' or 'Globalism' to try and deceive the population.

"The flooding of our European Continent with "migrants" from Africa and the Middle East, who are disguised as so-called "Refugees", is not an accident. After the fall of the Third Reich, Genocidal Kaufman, Coudenhove-Kalergi and Hooton Plans for Germany, became the reality for all of Western Europe through the creation of the European Union and UN. Not only Germany, but the entire white western world has since then undergone attacks of unprecedented scales demographically that will lead to the indigenous European populations very soon becoming minorities in the homelands of their ancestors. Through the Immigration Law of 1965, a group of Jews, including: Jacob Javits, Emanuel Celler, Leo Pfeffer (Former President of American Jewish Congress (AJC), Norman Podhoretz (Writer and Member of The Council of Foreign Relations) decided that America would open its borders and become a "melting pot". Ten years later, the Zionist Jews David Schwartz and Inga Gottfarb would do the same with Sweden. With a population of 10 million people Sweden is today home to just 20,000 Jews. Being just 0.2% of the population they own the majority of Sweden's anti-Swedish media through the Bonnier family and a disproportionate number of journalists and experts have names like Wolodarski, Silberstein,, Radetzki, Rothstein, Aschberg, Leman, Epstein etc. Another example is Jersey Sarnecki, a Jewish criminologist who is trotted out on a regular basis to "debunk" that crime is increasing or that migrants commit more crime than natives", - from the website - europathelastbattle.wordpress.com/2017/10/21/the-kalergi-plan-for-european-genocide/

"Just like the media. We are not being taught history correctly, and all we are ever being told is that the Nazis are responsible, they are evil. But no one are talking about what Jews are doing to the White race. They are not talking about the 33 million White Christians who were murdered in Russia during the Bolshevik revolution, which was a Jewish operation. No one talks about that. They only talk about the "Holocaust". For seventy years straight, that's what we see on TV, in the movies. It's pounded into our brains, so that we will feel guilty for the Holocaust. And they are going to continue to eradicate the White race and we are just going to allow it happen because White people have been conditioned to feel so guilty that they are docile, subservient slaves. That is what the Jews want. They want one brown race of

gentiles so that they can more easily dominate us. They don't want White Nationalism. Because to them White nationalism is the only thing that stands in the way of their global domination. That is why they are doing everything they can to get rid of the White European race. So unless you, White people, wake up and stop being afraid of being called a racist or an anti-Semite, all the time, and just start speaking the truth, our race will come to an end. In fact, by 2040, the White race will be a minority [in the USA]. And if you want to see how we are going to be treated as a minority, have a look what is happening to whites in South Africa", - Teutonic Warrior Chick – YouTube Channel

"As established by the United Nations Charter in 1945, each people/ethnicity/racial group should have their own geographic area on Earth (i.e., a bordered country) in which to exercise their right to self-determination as a unique people/ethnicity/racial group. The UN essentially follows this policy for nearly all non-White peoples of the world. However, the UN pressures White nations to maintain (and even increase) their multiracial/multicultural policies. The UN essentially demands that White nations continue allowing millions of non-Whites to immigrate into White nations. Is this a double standard? Of course. Whites make up a mere 13% of the world's population and this percentage is shrinking with each passing year. White nations are under attack. A rapidly increasing rate of attack which is often called demographic warfare on the West (i.e., radical demographic change via massive non-White immigration into the Western World). At current 3rd world immigration rates into White nations, White people will become a minority in each White nation by 2028. And by 2043, Whites will make up 20% - 25% of each (historical) White nation. The White Western World is gradually being erased - and - once the West is gone... it's gone forever. Approximately 3,500 years of Western Civilization is on schedule to be reduced to scattered pieces. Shockingly, this epic and colossal transformation will have occurred in a mere 100 - 125 years. It began in the 1950's and will likely be complete around 2050 - 2075 ... unless something can stop the global elite from carrying out the West's destruction (and yes... without a doubt... it is the global elite who are orchestrating the West's demise - the reason has to do with the global elites push for global government). Whites are intimidated into submission through politically correctness. For decades Whites have been told to "be tolerant" because "diversity is our strength." This liberal slogan is a huge lie; history proves it's a lie. The truth is that diversity is a cancer on any nation. Racial/ethnic diversity within a Nation-State typically leads to tension, then conflict, which is often violent and bloody. Whites who complain about 3rd world migrants are called "racists", "xenophobes", "haters", "bigots", "Islamophobes", etc. Such outspoken Whites are often screamed at and shamed into submission, even though their country is being demographically transformed (and eventually erased) right before their eyes. Sadly, some weak minded Whites would rather watch their country destroyed than be called a racist", - James L. Miller, Researcher - (PhD in Physics) - <http://immigration-globalization.blogspot.com>

The Kalergi Plan

You could say one of the founding fathers of the EU was the man behind White European genocide Richard Coudenhove-Kalergi.

In 1922 he founded the “Pan-European” movement in Vienna, which aimed to create a New World Order, based on a federation of nations led by the United States. European integration would be the first step in creating a world government.

In his book Practical Idealism, Kalergi indicates that the residents of the future United States of Europe will not be the People of the Old Continent, but a kind of sub-humans, products of miscegenation. He clearly states that the peoples of Europe should interbreed with Asians and coloured races, thus creating something akin to a multinational herd of livestock with no quality and easily controlled by the ruling elite.

Kalergi was funded by the Jewish bankers the Rothschilds and Warburgs

Kalergi states in his book “The man of the future will be of mixed race. The races and classes of today will gradually disappear due to the elimination of space, time, and prejudice. The Eurasian-negroid race of the future, similar in appearance to the Ancient Egyptians, will replace the diversity of peoples and the diversity of individuals”

Kalergi also states in his book:

“Main representatives of this corrupt as well as upright brain-aristocracy: of Capitalism, Journalism and Literature, are the Jews. The superiority of their spirit predestines them to become a main factor in future nobility. A look at the history of the Jews explains their lead in the struggle for governance over humanity. The human of the far future will be a hybrid. Today’s races and castes will fall victim to the increasing overcoming of Space, Time and prejudice. (In other words, it’s only a matter of time until individual races cease to exist). The Euro-Asian-Negroid hybrid race of the future, akin to the likeness of the ancient Egyptians, will replace the variety of races with variety of personalities”.

Although no textbook mentions Kalergi, his ideas are the guiding principles of the European Union.

The Coudenhove-Kalergi European Prize (known as the Charlemagne Prize) is awarded nearly every year to Europeans who have excelled in promoting this plan of ever further integration. Among those awarded with such a prize are Angela Merkel and Herman Van Rompuy. We can see how Merkel won this prize because look what she has done to Germany inviting at least 2 million Muslims into Germany between 2015 and 2016.

Below is a picture of German Chancellor Merkel in 2008 accepting an award from the Jewish leaders of the Jewish cult B'nai B'rith. There is no doubt she was working for the Jewish Zionists to destroy Germany.

These same Jewish Zionists are also funding a campaign to make White Christians in the U.K to hate Muslims. They are funding the English Defence Leagues Tommy Robinson to run an anti muslim campaign. He had financial backing and political support by an Israel lobby centred largely in Tel Aviv and the United States. In fact the English Defence League was originally called the Jewish Defence League.

Double Down News: Tommy Robinson & Israel

<https://www.doubledown.news/watch/2026/may/17/tommy-robinson-israel-its-worse-than-you-think>

So it is not a conspiracy theory after all. The evidence is piled high that Jews are the main driving force in making the White people a minority in their own homelands.

White Europeans have been led to believe that Mass Immigration of third world people into their homelands was something that could not be stopped, that it was natural population movement, that it was evolution. All of these lies were concocted by Jewish academics and pushed by their useful idiot Gentile lackeys who couldn't see that they were being played and used to advance specifically Jewish interests.

It is the Jews who are supremacists, who see themselves as the chosen people on this planet. They are the ones in control so to speak and it is only the White race who have understood this and that is why over the past several hundred years the European whites have removed the Jews from nearly every country in Europe because of the control they try force on the host country. Look at the statement above from Earl Raab he is content that the Whites (or Nazi-Aryan as he calls us) will soon be a minority in their own country. Because the Jews will then be able to plunder America (they own the banks, all the media, all the big corporation's and the government) and the Whites soon will not be able to

remove them because they will be a minority and that is what the Jewish Zionists want. They want us to be a minority in our own countries, especially America and Europe and unfortunately they will soon succeed. You see someone like Hitler has to be touted as a madman by the Jewish owned Hollywood and Media because he did remove the Jews and he wanted a white only Germany which the Jews would never allow. You cannot have a German only country or a White only country but you can have a black only country or a Jewish only country (Israel) or a Chinese only country or a Latino only country but White, no chance or you are a White Supremacist. It is very strange isn't it that it is the Jews who are the ones promoting immigration into America, Britain, Ireland and Europe. It is not Muslims promoting this immigration into White countries, it is not the Chinese either or the Indians, it is the Jews who are in leading and influential positions in White governments and they also promote it in the media which they control.

You see Western culture and Christianity were the reasons why the people had come to reject Communism. So Marxist communists came up with the idea that Western civilisation had to be conquered from within. That is where we find the promotion of multiculturalism, Pornography, Feminism, Homosexuality and now we also have transgenderism and the breakdown of family values in the Western world. People are brainwashed by the mainly Jewish media with these unhealthy values to make us believe that these values are now accepted as normal when they are anything but. If you look at homosexuality and the new transgender movement, it is astonishing how social morals and laws that have been around for 10,000 years of human civilization are being overturned in a matter of 20 years. Gay marriages are now legal and the fundamental concepts of gender are being challenged (for example, California is now considering officially recognizing more than two genders; and kids as young as 5 are brainwashed to think they are of different gender. There are even laws in Canada that would jail parents if they don't, for example, let their kid "choose" his/her own gender.) And by the way it was Jews who created the first Transgender surgery in Germany before Hitler came to power in 1933 and Jews have been the number one group promoting Transgenderism ever since.

What is Anti-Semitism?

"Today we are taught in the schools that "Anti-Semitism" began in Germany because of "white supremacy" in the 1930s that we now know is a complete fabrication. White supremacy was a myth concocted by Jewish supremacists to describe opposition to their attempts to enslave the brave people of Germany that fought the embodiment of evil. You will see this tactic used time and time again by Jews all through history claim your enemy is what you in fact are then demonize them for it while claiming you are the victim. I will show how they have weaponized this tactic and indoctrinated our youth with it through the spread of Cultural Marxism and the rise of supremacist groups employing and normalizing

terrorism, hate and oppression like Antifa, Black Lives Matter, Social Justice, and 3rd wave feminism in the modern political landscape over the last decade”, - Daniel Estulin, Author ‘Communism’ and ‘The True Story of the Bilderberg Group’

So, when the media or governments throw around accusations about what’s “anti-Semitic” or who is an anti-semite. Then it is not these Israeli imposters from Eastern Europe. If Jews feel threatened or to cover up Israeli crimes against the Arabs or if anyone dares to say Jews control American Politicians you will get the word anti-Semitism thrown at you like a weapon. However the term Semite means a member of any various ancient and modern Semitic speaking peoples in the Middle East including Akkadians, Canaanites, Phoenicians, Hebrews, Arabs and Ethiopian Semites. Therefore the term anti-Semitic is a misnomer as a true anti Semite would imply discrimination against anyone of Semitic descent including Arabs, Ethiopians and other Semites. But the Jews use it to shutdown criticism of Israel or any discussion about Jewish power or over representation of Jews in the media. Many people in high places have lost their job by being labelled an anti-semite.

Former Israeli Education Minister Shulamit Aloni on "Antisemitism"

"Well, it's a trick, we always use it. When from Europe somebody is criticising Israel, then we bring up the Holocaust. When in this country people are criticising Israel, then they are anti-Semitic ... And it's very easy to blame people who criticise certain acts of the Israeli government as anti-Semitic, and to bring up the Holocaust, and the suffering of the Jewish people, and that is justify everything we do to the Palestinians."

Antisemitism used to mean “someone who doesn’t like Jews,” but nowadays it means “someone that Jews don’t like for some reason or another.” The deliberate trick here is to make you think there is something wrong not with the Jewish baby killers, liars, or scum who are doing bad things but with the person noticing and reacting to the bad things these miscreants are doing.

What do Jews themselves say about antisemitism. Is it a rational and logical reaction to Jewish behaviour? Or is it, as most Jews claim, an irrational hatred of a totally harmless people who have been the innocent victims of human jealousy, vindictiveness, and persecution since the beginning of time?

Theodore Herzl, the Jewish father of Zionism, believed that hostility towards Jews was a natural consequence of their behaviour:

“This perfectly understandable reaction follows from the defects of the Jews... The Jews are a people distinct and separate from others, whose interests are different, and often in conflict with those of the peoples among whom they live”.

Chaim Weizmann, the first president of the State of Israel:

“Whenever in a country the number of Jews reaches a certain level of saturation, that country reacts against them... Now, this reaction is not antisemitism in the ordinary or

vulgar sense of the word, but a universal social and economic consequence of Jewish immigration; it is impossible to ignore it"

Bernard Lazare, the Jewish author of the book *Antisemitism, its History and Causes*:

"That an opinion as universal as antisemitism, having flourished in all places and at all times, before the Christian era and after, in Alexandria, Rome, Antioch, Arabia, and Persia, in medieval and modern Europe, in a word, in all parts of the world where there have been and where there are Jews, it seemed to me that such an opinion could not be the result of a whim and a perpetual caprice, and that there must be deep and serious reasons for its blossoming and its permanence"

Samuel Roth - Jewish writer, publisher, and entrepreneur:

"There is not a single instance when the Jews have not fully deserved the bitter fruit of the fury of their persecutors... We come to the nations pretending to escape persecution, we [Jews] are the deadliest persecutors in all the wretched annals of man".

Antisemitism is a logical rational reaction to Jewish behaviour. What behaviour is that, you may ask?

Well everything covered in this book for a start.

Do you really think that no one notices the preponderance of Jews at the top levels of the social pyramid? Do you really think that no one has noticed that all governments in the West are either staffed and run by Jews or financed by Jewish donors?

Don't forget Jews are a tiny minority of people on this planet, something like 0.02%

There is a vast amount of evidence that Jews and Jewish groups have at the very least pushed Pornography, Transgenderism and Mass immigration onto Western Society.

Many of the general public are starting to notice these things.

'Anti-Semitism' serves only one purpose today; it is used as a smear word. When so-called Jews feel that anyone opposes any of their objectives, they discredit their victims by applying the word 'anti-Semite' or 'anti-Semitic' through all the channels they have at their command and under their control". It should be eliminated from the English language.

Are You Tired of Hearing About Antisemitism? Simply stop killing Gazans and the anger directed at Jews might end by Philip Giraldi - An American columnist, commentator and security consultant - Former intelligence officer for the CIA,

One might well ask how a group composed of little more than 3% of the US population has managed to gain control of the nation's foreign policy, its legislature and executive branches, its media, its entertainment industry, its financial institutions, and its elite universities while also making the United States subservient to the wishes of a monstrous small state located seven thousand miles away and composed of its coreligionists? Well, it helps to have a great deal of money liberally applied to corrupt the existing political and economic systems, but that is not necessarily a good place to start as one might reflexively be accused of wielding a trope much favored by antisemites when discussing Zionist Jews, the group of which we are speaking. Alternatively perhaps, one might take an oblique approach by observing how the highly privileged and protected Zionists in question get rich living in America while having true loyalty to apartheid Israel, something that normally might be considered untenable if not borderline treasonous. there is the issue of the "crime" of antisemitism, which is the only thing that the Justice Department seems to think is worth addressing, to the point where people who have done nothing beyond expressing their concern over what is going on in the Middle East are being arrested without any charges being filed and detained while being processed for deportation. Secretary of State Marco Rubio has publicly announced that he has authorized the arrest and deportation of 300 students for their criticism of Israel. The US House of Representatives has obligingly passed a measure equating criticism of the racist, Jewish supremacist ideology of Zionism with what they describe as a hate crime "antisemitism." Meanwhile the Israel Lobby and its politician choral society are constantly using the Jew-controlled media to sing about how Hebrew students fear going to school due to the presence of all the "antisemites." This is, of course, largely a convenient fiction largely created by the media, and it is rather Jews who have been beating up peaceful demonstrators. And it is extremist Jewish-funded groups that have been stirring the pot, going after anyone who is perceived as anti-Israeli. One of the groups, Canary Mission, has run a massive disinformation operation for years, publishing the names and photos of thousands of alleged pro-Palestine activists, while another group, Betar, openly encourages targeting of student activists and brags that it has "provided names of hundreds of terror supporters" to the Trump administration. Ross Glick, the head of Betar's US branch, believes that "Foreign students on visas in the US shouldn't have the right to free speech." Jews, however, should be allowed to behave with complete freedom to include carrying out murder, war crimes, and human rights violations targeting those it sees as opponents. To be sure, protesting against any of the horrors that Israel is engaged in is regarded to be one symptom of "antisemitism" which is ipso facto considered to be something like a capital offence, even though it is pretty much generated in America by the impunity and savagery with which Israel behaves towards the rest of the world. And the parameters of what might constitute a legitimate search for "antisemites" is expanding. The US State Department will now demand from foreigners wishing to travel to the United States information on their social networking sites. Those sites will be screened for anti-Israel content and the visas will be refused. This is an extension of the anti-Boycott, Divestment and Sanctions (BDS) policies now in place in 38 states in the US where a job or services will

be denied to citizens if they will not sign a pledge or promise not to support the movement to boycott or punish Israel. The situation is even worse for those foreigners who are currently going through screening to become US permanent residents as it is the issue of one's views of Israel alone that could easily determine who is allowed to become a future citizen and who is rejected. Indeed, protecting Jews is a full-time job of the Trump Administration, even more so that under Genocide Joe Biden. Antisemitism comes up in speech after speech and fully ninety per cent of the discretionary Homeland Security Agency grants already go to Jewish groups or buildings, to the tune of more than \$400 million. Let's stop making excuses for Israeli behaviour that depicts Jews as the perpetual victims while seeking to falsely label Israel's enemies as the war criminals and racists. We will leave those attributes to Israel itself. Better still, arch-Zionist Donald Trump should pick up the phone in the Oval Office and call Prime Minister Benjamin Netanyahu to tell him that America has become tired and the game is over. America will no longer be sacrificing its own interests to support a genocide and no longer will be footing the bill and providing the weapons to carry out the slaughter. "Goodbye Bibi! And don't let the door hit you in the ass on the way out!" - Philip Giraldi

Jewish Zionists are intent on bringing laws into Western countries to protect their power and to stop criticism of Israel.

The Antisemitism Awareness Act is a wrecking ball designed to pulverize the First Amendment. While the alleged intention of the bill is to make Jewish students feel safer on campus, the real purpose is to put an end to the anti-genocide demonstrations that have broken out across the country and to prevent the criticism of Israel. The proposed bill invokes a dodgy legal mechanism to derail the protests and to silence Israel's critics.

Florida passes law protecting Israel from criticism

Under the state's legislation, it would be illegal to speak out in public institutions against Israel's human rights violations. Florida's House Bill 741 redefines anti-Semitism to include "applying a double standard to Israel by requiring behavior of Israel that is not expected or demanded of any other democratic nation or focusing peace or human rights investigations

only on Israel.” The law also says that speech “delegitimizing Israel by denying Jewish people their right to self-determination and denying Israel the right to exist” is considered anti-Semitism. Such tropes are classic attempts to censor criticism of Israel’s state ideology, Zionism.

<https://electronicintifada.net/blogs/nora-barrows-friedman/florida-passes-law-protecting-israel-criticism>

“Americans should think about the fact that Israel is the only country on earth that it is impermissible to criticize. Anyone who criticizes Israeli policy, especially toward the Palestinians, or remarks on Israel’s influence, is branded an “anti-Semite.” Even mild critics who are trying to steer Israel away from making mistakes, such as former President Jimmy Carter, are branded “anti-Semites.” The Israel Lobby’s purpose in labelling a critic an “anti-Semite” is to discredit the criticism as an expression of dislike or hatred of Jews. In other words, the criticism is presented as merely an expression of the person’s aversion to Jewishness. A persistent critic is likely to be charged with trying to incite a new holocaust. It is possible to criticize the policy of Germany, France, Spain, UK, Italy, Brazil, Mexico, Russia, China, Iran, the US, indeed, every other country without being called anti-German, Anti-French, Anti-British, Anti-American, etc., although US policy in the Middle East is so closely aligned with Israel’s that the Israel Lobby regards critics of US Middle East policy as hostile to Israel. Despite the failures of US policy, it is getting more and more difficult to criticize it without the risk of being branded “unpatriotic,” and possibly even a “Muslim sympathizer” and “anti-Semite.”, - Dr. Paul Craig Roberts- Former assistant secretary of the U.S. Treasury under President Ronald Reagan.

This is an excerpt from the article titled ‘The Primacy of Anti-Semitism’ by Thomas Dalton PhD

As I write these words (February 2024), the death toll in the Gaza massacre (not “war”) has surpassed 28,000, of whom some 70% are women and children. As I write these words, nothing has evidently changed in Jewish attitudes, of which roughly 80% of American Jews and 95% of Israeli Jews are satisfied with the brutal assault. As I write these words, nothing has deterred the pro-Israel, pro-Jewish attitude of the Biden administration or of the so-called leaders in Europe—Ursula von der Leyen, Roberta Metsola, Jens Stoltenberg, Olaf Scholz—as they offer all possible aid and assistance to the criminal Jewish state. These facts are extremely telling, but are unsurprising for those who have long studied the Jewish Question. Confronted with the stark reality of Gaza, we must be clear and explicit. We must state the obvious: Israel’s actions are crimes against humanity, out of any proportion to the Hamas attack that nominally instigated it. As a resistance movement to a 75-year-long occupying power, Hamas is legitimate in its use of force against Israelis. All those around the world who aid and comfort the Israeli government are themselves criminals and must be held accountable; this includes Joe Biden, Justin Trudeau, and virtually every national leader

in Europe. Those who refuse to speak up and condemn Israeli atrocities are moral cowards, concerned more about their personal status and personal well-being than mass human suffering. Such people, especially those in positions of influence, should be identified, labeled, shunned, and punished by the appropriate court of law. And it's not just Palestine. Jewish malfeasance around the world seems worse than ever, and with far greater consequence. Whether it is pedophile Jeffrey Epstein, sexual predator Harvey Weinstein, the crypto fraudster Sam Bankman-Fried, war-mongering leader of the Senate Chuck Schumer, Jewish lunatic Volodymyr Zelensky destroying the nation of Ukraine, or any number of Jewish billionaires who have used their money to corrupt politicians of all parties and all nations—enough is enough. The time has come to take an unambiguous anti-Jewish stance. The stakes are simply too high. In fact, I will go out on a limb and assert here that the vast majority of social problems in America, in Europe, and in the West, are primarily (though not solely) due to Jewish manipulation and corruption. Things are disintegrating on several fronts around the world: war, migration, economic gyrations, physical and mental illness, environmental degradation, overpopulation, runaway technology. When things go badly, those in charge must take the blame. And in the West, those in charge, those who have the most leverage and the greatest control, are predominantly Jews. This is my thesis; it is well-grounded by empirical evidence. If this is so, then the overriding concern of the day, and the primary moral imperative, is to be anti-Jewish—that is, to be an anti-Semite. Every person of conscience needs to stand up and state, unambiguously and proudly, “I am an anti-Semite.” This is not some mindless “hatred of Jews” but rather an informed and rational challenge to Jewish influence—and really their dominant position—of Western societies. We need to say, in so many words, “Jews are at the heart of the global poly-crisis, and therefore we must, of necessity, be anti-Jewish.” Anything less is to evade the root cause, and anything less will effectively yield to catastrophe. This, of course, demands a fundamental change in the social outlook of most people in the West. As we all know, anyone today who dares challenge mainstream unconditional support for Israel, or who dares to even suggest that “Jews” have anything at all to do with the malign state of the world, is immediately branded an anti-Semite, or worse, a Nazi (or perhaps a “neo-Nazi,” as if that means anything). Such labels are obviously intended to strike fear by tarring the subject with a hated designation, thus marking them as a racist, as deserving of punishment (loss of livelihood, ‘cancellation’, etc.), and as a generically “bad person.” They also serve as a deterrent to any potentially like-minded individuals who may be tempted to speak up on behalf of sanity and justice. By and large, and sadly, they work.

The Russian or Bolshevik Revolution in 1917 was largely a Jewish revolution against the Russian Christians were millions of Christians were slaughtered.

Robert Wilton was Russian correspondent of the Times of London at St Petersburg between 1902 and 1919 and in his book *The Last Days of the Romanovs* he provides 556 important figures of the Bolshevik leaders and the list included 17 Russians, 2 Ukrainians, 11 Armenians, 35 Letts, 15 Germans, 1 Hungarian, 10 Georgians, 3 Poles, 3 Finns, 1 Czech, and 457 Jews. Wilson obtained his list from the Soviet Press who provided a list of 556 important figures of the Soviet Government, identifying their ethnicity.

The very first piece of legislation approved by the Bolsheviks was “The Anti-semitism Act of 1917”. This made “anti-semitism” a CAPITAL crime. In fact, the Bolsheviks were so Jewish that anyone considered an anti-communist, was also considered an “anti-semite”.

America is heading down the EXACT same path.

"At the same time, fifty Jewish families own 80% of all wealth. Where do you see the Ukrainian oligarch? I don't know any. They are all Jews. Their wealth betrays their own bragging rights: Rolls-Royces, planes, castles, hotels, casinos owned in Monte Carlo. Aircraft and yachts under foreign flags. And, of course, they don't pay taxes. And plants and factories were bought by them not at a real price, but stolen from the entire Ukrainian people." - Serhiy Ratushniak, Former Mayor of Uzhhorod

Jewish Corruption in Ukraine

With Russia now slowly escalating its 'special military operation' against Ukraine on the eve of its first anniversary, I find myself drawn once again to the complex but stark phenomenon of extreme Jewish corruption in the latter nation. While it's become commonplace to note Volodymyr Zelensky's Jewishness, and perhaps also that of Volodymyr Groysman, the first Prime Minister to serve under Zelensky, I have yet to read a detailed discussion of the major Jewish players in the ongoing saga of Ukrainian oligarchy and its political affiliates. If anything, the present conflict is a huge distraction from the fact that, for decades, the biggest threat to Ukraine hasn't been Russia, but financiers and speculators operating with impunity within Ukraine's borders to exploit ethnic Ukrainians and plunder their resources.

Jewish Zionist Harald Rosenthal stated in an interview in 1976:

"Our greatest fear is that this falsehood will be discovered, for we will be stamped out the moment the general public comes into possession of the truth and acts upon it (It is one thing to put a man in possession of the truth, to get him to understand it is another, and to get him to act upon it is another still. Truth by itself has no value unless used or applied in some way.) It is becoming apparent that an awakening is occurring even here in America. We had hoped that through our devastation of Christian Germany that any subject dealing with us would be a fearful taboo. However, there seems to be a resurgence here in the one nation that we so strongly control. We are presently making plans for a rapid exodus. We know that when the light begins to dawn, there will be no stopping it. We fear that light is coming forth in movements across this land, especially yours. It has amazed us how you have been successful in reaching the people after we closed every door of communication. This, we fear, is a sign of a coming pogrom that will take place in America soon. The American public has realized that we are in control, which is a fatal mistake on our part. This nation could never be the land of the free as long as it is the land of the Jew. (This is a concept most patriots cannot understand. Patriots have spent untold man-hours fighting the IRS, the Federal Reserve, the media, Congress or government in general. These things are merely tools which the Jew now uses against the detestable 'goyim'. The problem is not the tool or device, but the heathen in control of it.) This is the revelation that will be our undoing".

"American politicians are scared stiff of the Jews because anybody who votes against the Jews will lose elections. The Jews in America are supporting the Jews in Israel. Israel and other Jews control the most powerful nation in the world. And that is what I mean [about Jews controlling the world by proxy]. I stand by that view." - Dr. Mahathir Mohamad, ex-prime-minister of Malaysia, to the UK Guardian in 2005.

"During the past 30 years, I have witnessed first-hand the extremely brutal Israeli occupation of Palestine and seen how Zionists operate to subjugate entire nations. My years in Palestine/Israel were my political awakening. Zionist control of the mass media and

"Holocaust" propaganda serve to protect and promote their criminal agenda. I have watched how the people of America and Europe are deceived and forced to bear the yoke of the ruthless Zionists who control their political systems and media. Thousands of young Americans and Europeans have been maimed or lost their lives in fraudulent wars for Israel in Middle Eastern nations they know nothing about. Americans have become mercenaries of Zionism. Unfortunately, both presidential candidates (Obama and McCain) are pro-war and pro-Israel. These are the only candidates we have to choose from because both parties in the United States are political machines financed and run by Zionists. Zionist control of our political parties compels candidates from both parties to support Zionism, an utterly racist and un-American ideology based on a false and dangerous notion of Jewish supremacy. What kind of patriotic American could support that nonsense?" - Christopher Bollyn, American Author - 9/11 researcher.

"Anyone who thinks that the government in the United States at all levels does not consistently and almost obsessively defer to Israeli and Jewish interests has been asleep. The requirement to sign a document relating to one views of any foreign government to obtain a job or disaster relief is an abomination. Protecting Israel and going on a worldwide search for anti-Semitism or Holocaust deniers are not the responsibility of the American government and they are not what state legislators and congressmen are supposed to be doing to serve the public interest. Israel is sometimes referred to as the "51st State," but that is hardly true as it contributes nothing to the United States, collects billions of dollars a year from the U.S. Treasury and is totally unaccountable in terms of the actual damage it does to American interests. The American people are being hoodwinked by their own elected leaders and laws are being passed to make it impossible for them to even complain. Well, enough is enough. It is past time to shut the door on the Israeli influence machine and take back what remains of truly responsive and representational government", - Philip M. Giraldi, Former CIA, Ph.D., Executive Director of the Council for the National Interest.

Those Who Reign Supreme: The Holocaust as Linchpin of a Jewish-Ruled World

<https://www.unz.com/article/those-who-reign-supreme-the-holocaust-as-linchpin-of-a-jewish-ruled-world/>

It is my belief that there is a secret group trying to control humanity behind the scenes. The Covid-19 scam was a big example of that. Some people call this group the Illuminati or the Deep State. But either the Jews are the Illuminati or at the very least they are helping the Illuminati with their plans. Because how can this tiny minority of people have so much power? Now that does not mean all of the 15 million or so of the Jews in the world, it means a Jewish Cabal which some researchers, authors name Organised Jewry. If you look at the big events of the last 100 years or so, for instance the WW1, WW2, Bolshevik Revolution, JFK assassination, banking crash 2008, 9/11, War of Terror against the Arab countries, Covid-19, Ukraine, Gaza Genocide and if you look behind the curtain of these events you will always find a bunch of Jews pulling the strings. Henry Ford (Founder of Ford) knew this over 100 years ago and wrote his book in 1921 titled 'The International Jew, the World's Foremost Problem'.

Jews casting themselves as the victims but all the while been the conspirators, instigators and genociders is the biggest GRIFT in the entire history of humanity.

"I had made up my mind to write no more either about the Jews or against them. But since I learned that those miserable and accursed people do not cease to lure to themselves even us, that is, the Christians, I have published this little book, so that I might be found among those who opposed such poisonous activities of the Jews and who warned the Christians to be on their guard against them. I would not have believed that a Christian could be duped by the Jews into taking their exile and wretchedness upon himself. However, the devil is the god of the world, and wherever God's word is absent he has an easy task, not only with the weak but also with the strong.

May God help us. Amen".

MARTIN LUTHER. From the book On the Jews and their Lies (1547)

Martin Luther was a German priest, theologian, author, hymn writer, professor, and Augustinian friar. He was the seminal figure of the Protestant Reformation, and his theological beliefs form the basis of Lutheranism. Luther was ordained to the priesthood in 1507.

This article contains the text of a most revealing and shocking interview of a Jew by the name of Harold Rosenthal, which was conducted in 1976, by a concerned patriot, a Walter White, Jr.. Mr. Rosenthal, an influential Jew learned in the Jewish ways and involved in the workings of government in Washington, D.C., explained the Jewish involvement and cause of the major problems we face today.

Rosenthal, in exposing certain aspects of the 'inner invisible world of Jewry', revealed the modes and tactics Jews have used in destroying Christian civilization and covertly attaining control over our lives and governments. The result has been a 'hidden tyranny' upon us like the tyranny waged against the Saints by the red beast system of Revelation referred to as 'Mystery Babylon'.
