## What is Music Capital

At **TMC** we refer "Music Capital" to a "city" that is considered a focal point for the music industry, with a vibrant musical culture, numerous venues, recording studios, and a significant impact on the development and promotion of various music genres. It's often a hub for musicians, producers, and other professionals in the music business.

For example Nashville is often called the "Music Capital of the World" due to its prominence in country Music. And Salzburg, Austria for The Sound Of Music movie & legendary Wolfgang Amadeus Mozart's mesmerizing music.

India's first of its kind music capital pulsates with rhythmic energy, Every corner echoing diverse melodies and harmonies. It's a vibrant tapestry of genres, where every note tells a story. In this lush green campus, artists and enthusiasts harmonize, creating a symphony that resonates far beyond city limits.

## The Campus & The People

A music capital is a vibrant musical & cultural platform where the soul of the State (Gujarat) resonates through its diverse and pulsating melodies. From iconic venues to hidden gems, it's a landscape adorned with the echoes of countless genres, each contributing to India's first heritage city Amdavad's unique culture identity. In these Campus, aspiring musicians find inspiration, industry professionals forge connections and Audience immerse themselves in an ever evolving musical journey. It's not just a place; it's a living, breathing composition that shapes the sound track of the generation .

The team behind this campus is renowned music stalwarts, current of the best Orchestra/Musicians, Music Lovers with Deep Pockets, Profession Agencies who team-up to make it more than just a geographical location; a dynamic cultural hub where creativity, innovation and profitable music start-up of its own kind.
