

# Steam Gift Card Promotion – Terms and Conditions

## ***Total Voucher Summary – Based on Both Purchases***

| Previous Customer Purchase | New Customer Purchase | Total Vouchers (Prev + New) |
|----------------------------|-----------------------|-----------------------------|
| < €1501                    | < €1501               | €25 + €25                   |
| < €1501                    | €1501 - €2499         | €25 + €50                   |
| < €1501                    | ≥ €2500               | €25 + €100                  |
| €1501 - €2499              | < €1501               | €50 + €25                   |
| €1501 - €2499              | €1501 - €2499         | €50 + €50                   |
| €1501 - €2499              | ≥ €2500               | €50 + €100                  |
| ≥ €2500                    | < €1501               | €100 + €25                  |
| ≥ €2500                    | €1501 - €2499         | €100 + €50                  |
| ≥ €2500                    | ≥ €2500               | €100 + €100                 |

## ***Terms and Conditions***

1. Eligibility: This promotion is available exclusively to customers who refer a new buyer to purchase a desktop PC from CompHub. Both the referring customer and the new customer must complete a qualifying purchase for the promotion to apply.
2. Voucher Value: The value of each Steam Gift Card is determined based on the total purchase amount of each individual customer as outlined in the summary table above. Each customer is entitled to a separate gift card. Gift card values are as follows:
  - Purchases under €1501: €25
  - Purchases between €1501 and €2499: €50
  - Purchases of €2500 or more: €100
3. Gift Card Conditions: All gift cards are valid only for use on Steam accounts registered within the European Union (EU region).
4. Liability Disclaimer: CompHub shall not be held liable for any issues regarding the activation or usability of the gift card. Once the gift card code is issued, responsibility for redemption lies solely with the customer and Steam (Valve Corporation).
5. Faulty Codes: CompHub does not guarantee or replace Steam Gift Cards that are deemed non-functional. In such cases, customers must contact Steam Customer Support for resolution.

6. No Cash Alternative: Gift cards are non-exchangeable, non-transferable, and no cash alternative will be offered.

7. Promotion Validity: CompHub reserves the right to modify or terminate this promotion at any time without prior notice. Participation in this promotion implies full acceptance of these terms and conditions.

This document is issued in accordance with applicable Irish consumer protection laws, including the Consumer Rights Act 2022.
