Large Windows
& Balconies

Air Changes per Hour (ACH) is a measure of the number of times the air within a defined space (a room or the house) is replaced by ventilation.

Scientific analysis has helped identify key factors that contribute to maintaining optimum temperature levels within a home by allowing more Air Changes per Hour (ACH). Adequate measures have been taken, from the right window size to the spacious living room, to keep the temperature within your home pleasant, all day long.

Art, Culture & Music

Creating Meaningful Experiences

Our experiences and the spaces we frequent should make us pause for a bit. They should start a flow of thoughts that just wouldn't stop. They should bring wonder to our eyes, and purpose to our minds. They should fire up a new passion or leave us with a heart-warming experience. That's the power of experiencing Art in its full glory.

Here at the PWC, you can find your space and pause to reflect. We believe that art, language and music deeply impact each individual in different ways. Exposure to a variety of cultural elements enriches our thinking and makes us happier individuals. We wish to foster a creative culture that benefits children and adults alike.

- .Film festivals and cinematic indulgences

Courtyard

*“Respond to every call that
excites your spirit”*

Rumi

As you amble through the Courtyard, you will see the well-structured Amphitheatre, the looming Clock Tower, and the beautiful Veranda. At the Courtyard, you will experience the power of art. The music that chimes with the heart. A talk perhaps that ignites the fire within, like wildfire through the bones and the skin. As the towering clock ticks above the Art Gallery, you will find yourself going back in time, admiring the work of artists, the strokes on each painting and the story that it holds within. And when you want to bring people together, what better place than hosting an evening under the stars with great food, drink and your friends for company?

Sports & Well-being

Building Strong Individuals

We believe sport empowers human beings irrespective of age, gender or ability. Sport also has a crucial role to play in character building and has a very strong roll-on effect in one's personal and professional life.

Exercise of any form releases endorphins, which help improve our mood and sleep. Our aim at the Club is to help our members become physically and mentally stronger.

A massive multi-utility ground flanks the Poona Western Club, abundant with well-maintained grass turf and state-of-the-art sporting facilities. The Club has dedicated Sports Academies led by Certified Coaches and supported by qualified fitness and nutrition experts, who will help you stay healthy with scientifically designed personalised fitness plans. We have adopted technology in every facet of the club. Our frequent monitoring and review of your progress with coaches and trainers using technology will also elevate your overall experience.

Gymkhana

The Gymkhana flanks the Maidan along its curvature. Whether you're in the Banquet, the Outdoor Deck, the Tea House, or the Lounge, you get a glorious view of the Maidan. At the Gymkhana, find what baffles you or excites you or inspires you and make it your own. A world of your own in a world on its own. The exclusivity of the Gymkhana is sure to take you away from the city and closer to your loved ones.

'Gymkhana' is an Anglo-Indian expression, which is derived from the Persian word 'Jam-at-khana.' More specifically, Gymkhana refers to a social and sporting club in the Indian subcontinent.

Maidan

The Maidan is all yours to explore.

As your feet touch the dewy grass, the Maidan gives you a sense of belonging. Whether you're doing the surya namaskar in a yoga class or you're lacing up your running shoes, the green field gives a warm welcome. The Maidan can be a peaceful place where you are simply "being present" or it can be a high energy space when there are live music concerts to enliven the soul.

Kids Play Area

*The Kids Play Area is a place
for your kids to enjoy and make friends.*

Sip a coffee as you watch your little ones make friends at the Kids Play Zone. As they climb up and down the slides or rise high up over the trampoline, the high energy tiny tots are sure to have a safe and happy place to experiment and experience new things.
