

# PRESENTATION OF THE RA GROUP: INTEGRATION AND STRATEGY FOR THE MOZAMBIKAN MARKET

The RA Holding Group is an innovative business structure that brings together two fully integrated companies with operations in Mozambique and management from Brazil. Our mission is to promote strategic development aligned with local demands, especially in the mining and infrastructure sectors.

With an integrated model that combines specialized consulting and international trade, the RA Group establishes a solid bridge between the African and Brazilian markets, expanding opportunities for investors, partners and stakeholders.
