

# Royal LifeWay - Vision and Pillars

A global publishing platform for Spirit-led inner healing

Royal LifeWay is a literature platform for flexible collaboration with publishers, churches, and partners. Most manuscripts by Maria Great are originally written in English and can be translated into multiple languages. The vision is to bring grace-based, Holy Spirit-led inner healing to nations through books, workshops, videos, and audiobooks.

Therapy for us is a tool. The healing power flows from God's Word and the Holy Spirit's presence. To clarify: NLP is not hypnosis. Within Royal LifeWay, NLP is used under the guidance of the Holy Spirit as a practical set of tools that helps reveal and cleanse wounds and false beliefs in the subconscious, always within the frame of Scripture and prayer.

## Three Core Pillars

### Intimacy with the Father

Growing into intimate nearness with Father God. The Father's love is a lived reality that casts out fear and establishes identity in Christ.

### Calling and Walk

Discovering one's calling and maturing in it. Rooted in grace, creativity and vocation find a safe space to flourish.

### Authenticity

A safe Father relationship where we can be our true selves. Even if the rings of the years carry wounds, the God-given core remains whole. The Holy Spirit leads us back to that original sonship and daughterhood.

## Adoption into God's Family - Theological Background

Paul uses the Greek word *huios*, meaning adoption: a legal, status-shifting placement into a family with full rights. Some Finnish translations render this more loosely as child status, which can blur the biblical emphasis that we are placed as sons and daughters and made heirs in Christ.

Romans 8:15-17

The Spirit testifies with our spirit: Abba, Father. We are God's children and heirs together with Christ.

Galatians 4:4-7

Through the Son we receive adoption; the Spirit cries in our hearts, Abba, Father. We are no longer slaves but sons and heirs.

Ephesians 1:4-6

In love He predestined us for adoption to sonship through Jesus Christ, to the praise of His glorious grace.

John 1:12-13

To all who received Him He gave the right to become children of God, born of God.

## **Grace, the Mind, and the Subconscious - How Healing Unfolds**

Grace is the Father's favor in which we live daily. As the Holy Spirit works through the Word, the mind is renewed and old subconscious patterns lose their grip. NLP's practical tools, such as careful use of language, imagery, and bodily awareness, help us notice and replace false narratives with truth. NLP is not hypnosis; we do not use suggestion or override the will. Prayer, Scripture, and the Spirit's guidance are foundational.

Romans 12:2

Be transformed by the renewing of your mind. Then you will discern God's will: good, pleasing, and perfect.

2 Corinthians 10:4-5

We demolish strongholds. We take every thought captive to make it obedient to Christ.

Hebrews 4:12

The Word of God is living and active. It judges the thoughts and attitudes of the heart.

Psalms 107:20

He sent out His word and healed them. He rescued them from the grave.

Isaiah 61:1-3

The Anointed One binds up the brokenhearted and proclaims freedom. Beauty instead of ashes.

Ezekiel 36:26

I will give you a new heart and a new spirit. I will remove the heart of stone and give a heart of flesh.

# **The Rings of the Years - A Metaphor of Renewal**

Life's rings of the years may carry wounds. As these layers are brought into the Holy Spirit's presence, the innermost core, God's originally whole sonship and daughterhood, emerges again. Adopted into the Father's family, we live with the Spirit who cries, Abba, Father (Romans 8:15-16). From this identity, creativity and calling flourish.

## **Declarations**

I have been adopted into the Father's family through Jesus (Ephesians 1:5).

The Spirit testifies with my spirit: I am God's child and heir (Romans 8:16-17).

I live from grace, the Father's favor (John 1:16; Romans 5:1-2).

My mind is renewed by God's Word (Romans 12:2).

The Lord heals my inner wounds and sets me free (Isaiah 61:1-3; Psalm 107:20).

## **Collaboration**

Royal LifeWay offers a clear path for cooperation. Rights, translations, and format conversions are tailored per project. The goal is to make grace-centered inner-healing resources accessible in Finland and internationally.
