Welcome to Our World of Toy Manufacturing

we believe that toys should be more than just playthings—they should be tools for imagination, learning, and growth. Our mission is to craft unique, safe, and thoughtfully designed toys that inspire wonder and creativity in children of all ages. Each product is a fusion of quality, innovation, and precision, and every step of our process reflects our commitment to excellence.

Who, What and Why

At **Todos Toys**, we don't just create toys – we create moments of wonder, joy, and imagination. Our company is built on the belief that every child deserves toys that not only entertain but also inspire learning, creativity, and emotional growth. What makes us unique is our meticulous approach to toy design, where every concept is crafted with purpose, precision, and a touch of magic.

What Makes Us Different?

- Innovative Concepts, Crafted with Care

At Todos innovation drives everything we do. Each toy starts as a spark of imagination, transformed through rigorous research and design into a masterpiece of play. We integrate insights from child development specialists, educators, and trend analysts to ensure our toys align with evolving play patterns and learning needs.

- A Focus on Quality and Safety

We hold ourselves to the highest standards, using only premium, child-safe materials. Every toy undergoes extensive testing to meet global safety regulations, ensuring peace of mind for parents and endless fun for kids.

- Personalized and Thematic Creations

From timeless classics to themed collections, our designs cater to diverse interests and preferences. Whether it's a hands-on STEM kit, an artistic craft set, or an imaginative play world, we deliver toys that resonate with children of all ages and stages.

- Sustainability at Heart

We care about the planet as much as we care about playtime. Our manufacturing process incorporates eco-friendly practices, including the use of recyclable materials and minimal packaging, ensuring that our toys are as kind to the Earth as they are exciting for children.

Vision

Todos Toys and Games is a dynamic Indian startup with a mission to redefine the toy manufacturing industry by blending innovation, quality, and cultural relevance. Our vision is to create toys that inspire imagination, foster learning, and celebrate the rich diversity of India. At Todos, we are committed to designing safe, sustainable, and engaging toys that resonate with children while supporting their cognitive and emotional growth. As a proudly homegrown brand, we aim to contribute to India's growing presence in the global toy industry, offering thoughtfully crafted products that bring joy to children and families everywhere.

Mission

Todos Toys and Games is an exciting Indian startup revolutionizing the toy manufacturing industry. Our mission is to create high-quality, innovative toys that foster creativity, learning, and joy in children. We believe that play is essential to a child's development, and our products are designed to inspire imagination while promoting educational growth. With a focus on safety, sustainability, and precision, we create toys that are not only fun but also environmentally friendly. As a proud Indian brand, we are committed to delivering exceptional value, creativity, and entertainment to families across the world.

Mould Design

We specialize in crafting high-quality, innovative mold designs using advanced CAD tools. Our expertise ensures accuracy, durability, and seamless production for complex and intricate toy manufacturing needs.

Mould Assembly

Our company specializes in high-precision mold assembly, ensuring seamless integration, durability, and efficiency. We deliver reliable molds tailored to perfection for flawless production and exceptional product quality.

Mould Analysis

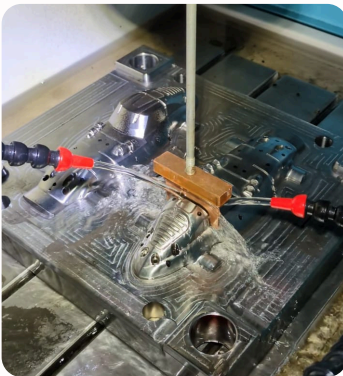

We specialize in advanced mold analysis, ensuring flawless design, enhanced durability, and optimal performance. Our expertise minimizes errors, maximizes efficiency, and guarantees exceptional quality in every project.

Mould Design & Manufacturing

VMC Machining

Delivering precision-crafted components with advanced vertical machining centers. We excel in complex designs, high accuracy, and efficiency, ensuring superior quality for diverse manufacturing needs.

EDM Operations

Electrical Discharge Machining (EDM) operations, delivering precise, intricate, and high-quality components for diverse industries with unmatched accuracy and efficiency. Excellence in every spark!

At Todos Toys, we specialize in precision mold manufacturing for the toy industry. Combining advanced technology and skilled craftsmanship, we create durable, high-accuracy molds tailored to your unique designs. From simple shapes to intricate components, our expertise ensures efficiency, consistency, and flawless results for every production run. We also look forward to connecting with others in their Mould manufacturing journey
