

Autism Day Centre Concept Plan - Grafton Services Australia Ltd

Design Identity – Base Palette

Biophilic Influence – The interior palette is inspired by the native landscape around specific sites, these colours lend a timeless appeal with nature, growth, and renewal. From soft sage to vibrant emerald, natural hues add a refreshing and calming element. With inclusions of brown & sandy beige, these finishes are reminiscent of the earth, lending to enhance the well-being & recovery of users with the space

Autism Day Centre Concept Scheme - Grafton Services Australia Ltd
