

Empirical Government Contracting

Capability Statement

Company Overview:

Empirical Government Contracting is a woman-owned, minority-owned small business providing a wide range of general contracting services to local, state, and federal government agencies. Though newly established, our leadership team brings extensive experience in healthcare operations, logistics, administrative services, and facility management — positioning us as a dependable partner for public sector projects. We are committed to delivering services that are reliable, efficient, fully compliant, and cost-effective.

Differentiators:

★ Woman-Owned & Minority-Owned Small Business

Contributing to agency supplier diversity goals and set-aside program participation.

★ Diverse, General Contracting Capabilities
Offering a broad range of services to support public agency operations.

★ Healthcare Sector Expertise
Leaders with hands-on healthcare management experience, supporting non-clinical and clerical services.

★ Subcontracting Partner Ready
Flexible, responsive, and scalable — ideal for prime contractors seeking qualified, certified small business partners.

★ Focused on Compliance & Quality
Services aligned with FAR, Service Contract Act (SCA), and agency-specific guidelines.

Core Competencies:

- ✓ Janitorial & Facilities Management
- ✓ Healthcare Support Services
- ✓ Administrative & Office Support
- ✓ Logistics & Warehousing
- ✓ Transportation & Courier Services
- ✓ Event Management & Staffing
- ✓ General Labor & Maintenance
