

# Mr. Jossie Gallizia

Master Instructional Designer | Math Fluency Strategist | Educational Consultant  
3208 Blue Ridge Dr, Round Rock, TX 78681 | [galliziajossie@gmail.com](mailto:galliziajossie@gmail.com) | 469-493-5111

## **Professional Summary**

Visionary education leader, SEL expert, and math fluency strategist with over 20 years of experience transforming underperforming schools into thriving learning environments. An expert in math fluency, instructional leadership, and school improvement, I specialize in high-impact campus coaching, research-based curriculum implementation, and ensuring fidelity of instructional strategies. With extensive experience in Targeted Improvement and Turnaround Plans, instructional design, and strategic transformation, I empower educators and campus leaders to drive real, measurable student success.

As the founder of Trailblazer Academy and creator of the B.R.I.G.H.T. Learning System, I integrate neuroscience-aligned SEL, trauma-informed support, and cognitive learning tools to address both the academic and emotional needs of students. My work aligns directly with the Texas Education Agency's Effective Schools Framework and state accountability standards, ensuring sustainable improvement across diverse student populations, including SPED, ELL, and historically underserved communities.

My mission is clear: to rebuild the learning brain, restore educator impact, and reimagine what's possible for every learner, especially those the system has left behind.

## **Key Achievements**

- ◆ Author of Solved Autism: Transforming Disability into Genius, presenting a groundbreaking approach to unlocking the potential of neurodiverse students and those with learning differences.
- ◆ Creator of the B.R.I.G.H.T. Learning System, a revolutionary strategy that boosts standardized math scores and transforms low-performing students into confident scholars.
- ◆ Achieved 98% pass rates on state math assessments in historically underperforming schools using student-centered, cognitive-based fluency strategies.
- ◆ Closed academic achievement gaps for diverse student groups, including SPED and ELL populations, through data-driven interventions and equity-based instruction.
- ◆ Transformed failing schools into high-performing campuses, elevating district rankings from the bottom 10% to the top 5% on state accountability metrics.
- ◆ Developed and scaled SEL systems and mental reset routines, leading to increased engagement, emotional regulation, and overall learner well-being.
- ◆ Led high-impact coaching for instructional leaders and District Coordinators for School Improvement (DCSIs), strengthening alignment with the Effective Schools Framework.
- ◆ Implemented research-backed coaching strategies that measurably improved teacher effectiveness, math instruction fidelity, and student mastery outcomes.

## **Core Competencies**

- ◆ Instructional Systems Design & Learning Technology
- ◆ Math Fluency & Academic Recovery
- ◆ SEL Frameworks & Emotional Regulation Coaching
- ◆ Trauma-Informed and Mental Health-Aligned Pedagogy

- ◆ Special Education & Inclusive Instruction
- ◆ Curriculum Development & Campus Turnaround
- ◆ Cognitive Rehabilitation & Brain-Based Learning
- ◆ Equity Advocacy & Wellness Integration
- ◆ School Improvement Strategy & Stakeholder Engagement
- ◆ Professional Development & Executive Coaching

## **Professional Experience**

### **Trailblazer Academy & W.I.L.D. (World Innovative Learning Development)**

Founder & Lead Educational Strategist | 2004–Present

- Developed and deployed the B.R.I.G.H.T. Learning System, an all-inclusive strategy targeting math fluency, comprehension, SEL, and critical thinking.
- Led SEL-based interventions that dramatically reduced student referrals and improved classroom climate across multiple campuses.
- Coached administrators and teachers in trauma-informed classroom management, emotional intelligence instruction, and crisis de-escalation.
- Designed cognitive reset routines for neurodivergent and emotionally dysregulated learners, boosting retention, focus, and confidence.
- Authored custom curriculum infused with mindfulness, growth mindset, and behavior self-awareness for Tier II/Tier III student groups.

### **QI Life Foundation**

Director of Educational Services & Board Treasurer | 2022–Present

- Developed and scaled SEL-infused wellness programs aligned with mental clarity, self-healing, and social learning for K–8 students.
- Led community workshops in underserved areas integrating emotional frequency therapies, vagal tone stimulation, and sensory self-regulation strategies.
- Designed trauma-informed SEL curricula for educators, caregivers, and youth practitioners.
- Integrated neuroscience-backed interventions with school-based wellness programs to reduce anxiety, improve behavior, and deepen cognitive engagement.

### **Pflugerville Independent School District, Pflugerville, TX**

8th Grade Math Teacher | August 2024 – Present

- Implementing data-driven instructional strategies to elevate student achievement.
- Supporting special education initiatives, fostering inclusivity and academic growth.

### **Dallas Independent School District, Dallas, TX**

Resident 8th Grade Math Teacher | 2022 – 2024

- Applied B.R.I.G.H.T. Learning Strategies, improving student pass rates from 0% to 65% on state assessments.
- Collaborated with Special Education teams, ensuring accessibility and success for all students.
- Conducted instructional walkthroughs and fidelity tracking, ensuring high-quality lesson delivery and curriculum adherence.

### **Uplift Education, Various Locations**

Resident Math Teacher & Math Interventionist | 2017 – 2022

- Led instructional innovations, elevating school rankings from the bottom 10% to the top 5% on state accountability measures.
- Trained and coached educators in instructional best practices, improving student outcomes.

### **Publications**

Solved Autism: Transforming Disability into Genius — A revolutionary guide turning mental “disorders” into superpowers of learning and innovation.

### **Education & Certifications**

Master’s Degree in Instructional Design & Technology

Bachelor of Science in Management & Information System

Certified in Mathematics (Grades 4–8) & K-12 Special Education

Extensive mentorship and training from master educators and education leaders worldwide
