

# DATA PRIVACY POLICY METASOLUTIONS

**1. INTRODUCTION** This Global Data Privacy Policy describes how Metasolutions collects, stores, processes, and protects personal data in compliance with international data protection laws, including but not limited to:

- The General Data Protection Regulation (GDPR – European Union)
- The California Consumer Privacy Act (CCPA – United States)
- The Personal Data Protection Act (PDPA – Singapore)
- The Swiss Data Protection Act (DSG)
- The Dubai International Financial Centre (DIFC) Data Protection Law
- Other applicable regional and international data privacy regulations

This policy applies to all users, customers, and partners worldwide.

**2. COLLECTION AND PROCESSING OF PERSONAL DATA** Metasolutions collects and processes personal data only within the scope of applicable legal regulations and as necessary to provide its services. The types of data collected include:

- **Personal Information:** Name, address, email address, phone number
- **Technical Data:** IP address, browser, and device information
- **Financial Data:** Payment and transaction details
- **Voluntary Information:** Any additional data provided by users

**3. LEGAL BASIS FOR PROCESSING** The processing of personal data is conducted based on the following legal grounds:

- User consent
- Necessity for contract fulfillment
- Legitimate business interests
- Legal obligations
- Public interest (where applicable under law)

## **4. DATA SHARING AND USAGE**

### **4.1 Data Access Rights**

Where legally permissible, users acknowledge that Metasolutions has a non-exclusive right to use, analyze, and share collected data in accordance with applicable laws and international data protection principles.

### **4.2 Data Monetization**

Metasolutions may use anonymized and aggregated data for commercial purposes, including selling or licensing such data to third parties. Users have the right to opt in or out of data monetization programs, and explicit consent is required where mandated by law. Additionally, businesses that contribute data to Metasolutions may participate in the financial earnings generated from the monetization of such data. The terms of participation, including revenue-sharing agreements, will be clearly defined and communicated transparently in each contract.

**5. DATA SECURITY** Metasolutions implements industry-standard technical and organizational measures to protect personal data from unauthorized access, loss, or misuse. These measures include:

- Encryption technologies
- Access controls and authentication protocols
- Regular security audits and compliance checks

## **6. DISCLAIMER OF LIABILITY**

### **6.1 Exclusion of Liability for Cyberattacks**

Metasolutions assumes no liability for damages resulting from unauthorized third-party access (e.g., hacking, cybercrime) unless caused by our intentional misconduct or gross negligence.

### **6.2 Force Majeure Clause**

Metasolutions is not liable for data loss or security breaches caused by force majeure, natural disasters, armed conflicts, or other unforeseeable events beyond our control.

**7. USER RIGHTS** Under applicable data protection laws, users have the following rights:

- Right to access stored data
- Right to rectification or deletion of data
- Right to restrict processing
- Right to object to data usage
- Right to data portability

Requests regarding these rights can be sent in writing to the Metasolutions Headquarters.

**8. CHANGES TO THE PRIVACY POLICY** Metasolutions reserves the right to modify this Privacy Policy at any time to comply with evolving legal requirements or reflect changes in our services. The latest version will always be available on our website.
