Hook

An empire that chained magic for three centuries is starting to fail—and three fugitives are

Summary

For three hundred years, the Dominion has controlled magic through the Lattice: a web of towers and bindings that turned wild power into property. Now the bindings are failing. The Quickening is spreading, and the world is remembering what it was before the chains. Some doors, once opened, cannot be closed.

Appeal

- Epic fantasy with momentum (escape, pursuit, rising stakes)
 - Rule-bound magic system (the Lattice / bindings / consequences)
 - Found-family pressure and hard choices under an oppressive regime
 - Strong entry point for series readers (Book One of a planned trilogy)
 - Paperback (6x9, B&W, 436 pages)
-
- US List Price: \$21.99
