

Pravara Institute of Medical Sciences

Innovate, Inspire, Ignite

Breaking New Grounds in Innovation and Excellence

INVENTUM'25

**INDIA'S First National UG-PG Research
Convention for Health science students
(Medical, Dental, Physiotherapy)**

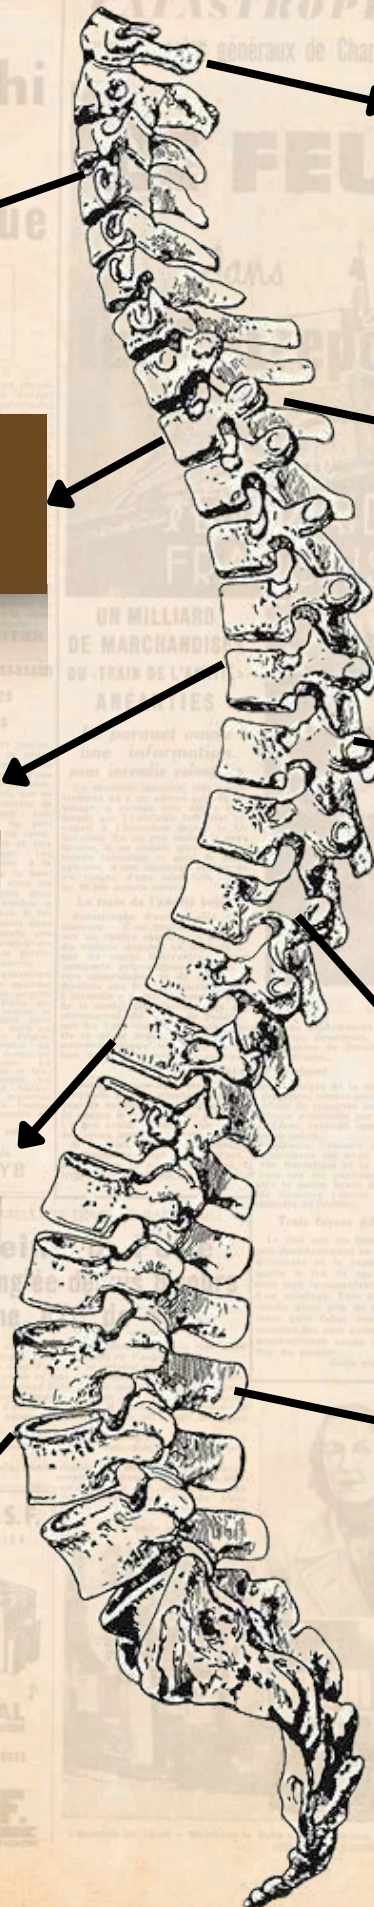

Welcome to Inventum 2025, the flagship event of Pravara Institute of Medical Sciences, where knowledge meets innovation! Dive into a world of groundbreaking ideas, expert talks, workshops, and competitions that empower the leaders of tomorrow.

This year, we promise a unique amalgamation of medical advancements, technology, and creative excellence. Stay tuned for event highlights, success stories, and the inspiration behind every achievement.

Join Us and Be a Part of History in the Making!

About College

PRAVARA INSTITUTE OF MEDICAL SCIENCES

Pravara Institute of Medical Sciences (PIMS) is a prestigious Deemed-to-be University located in Loni, Maharashtra, India. Established in 2003 under the guidance of Padmabhushan Dr. Balasaheb Vikhe Patil, PIMS is dedicated to advancing medical education, healthcare, and research. The institute is recognized by the University Grants Commission (UGC) and the Ministry of Education, Government of India.

PIMS encompasses several constituent colleges offering undergraduate, postgraduate, and doctoral programs in medical, dental, nursing, physiotherapy, biotechnology, and public health sciences. Its flagship institution, the Rural Medical College, is renowned for producing skilled healthcare professionals equipped to address the challenges of rural and underserved communities.

BASIC REGISTRATION

Unlock your gateway to Inventum 2025! Complete your basic registration now to join a dynamic lineup of workshops, debates, presentations, and more. Don't miss this opportunity to innovate, learn, and connect!

ONLY BASIC REGISTRATION REQUIRED TO PARTICIPATE

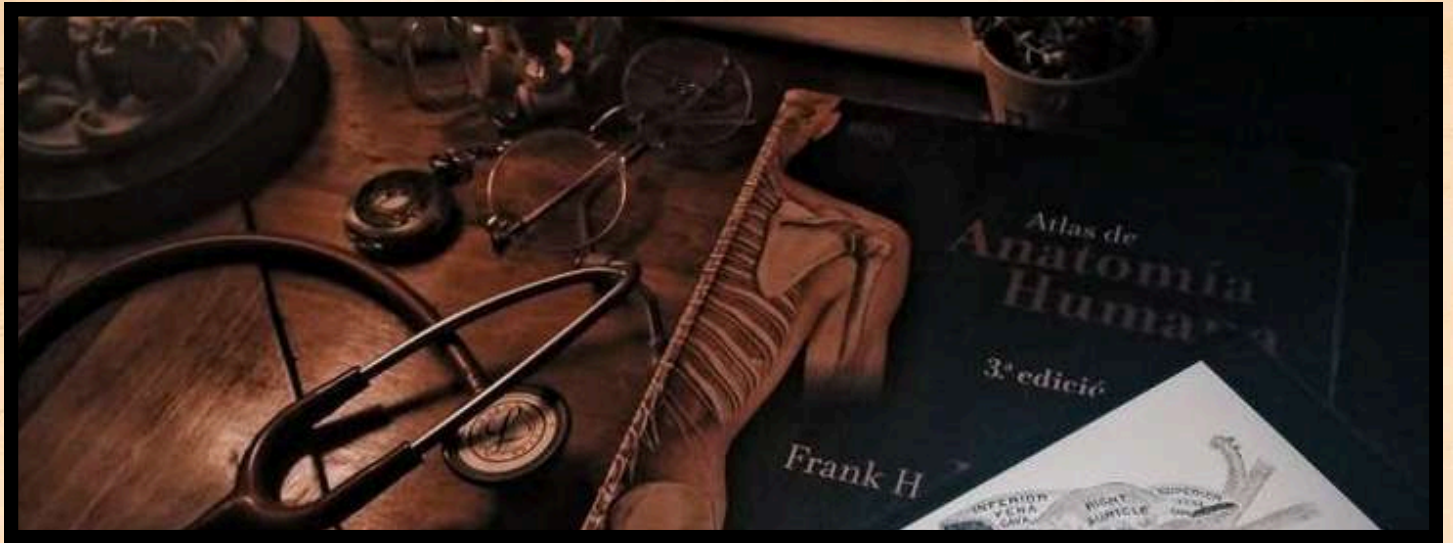

NO SEPARATE REGISTRATION FEE FOR COMPETITIVE EVENTS.

LAST DATE TO REGISTER - 10 MARCH 2025

PRESENTATIONS & QUIZ

Showcase ideas and challenge perspectives in impactful presentations and engaging debates. A platform for creativity, critical thinking, and inspiration!

REGISTRATION FOR UG - RS. 1500

REGISTRATION FOR PG / OTHER - RS. 3500

LAST DATE TO REGISTER - 10 MARCH 2025

MED INNOVATE

THE MEDICAL SYMPOSIUM

A medical symposium that promotes innovation, research, and critical thinking. Participants present research, case studies, or medical innovations before a panel of judges and an audience. The event fosters knowledge exchange, interdisciplinary collaboration, and advancements in medical science.

REGISTRATION

RULE BOOK

FIRST PRIZE - 18,000

SECOND PRIZE - 12,000

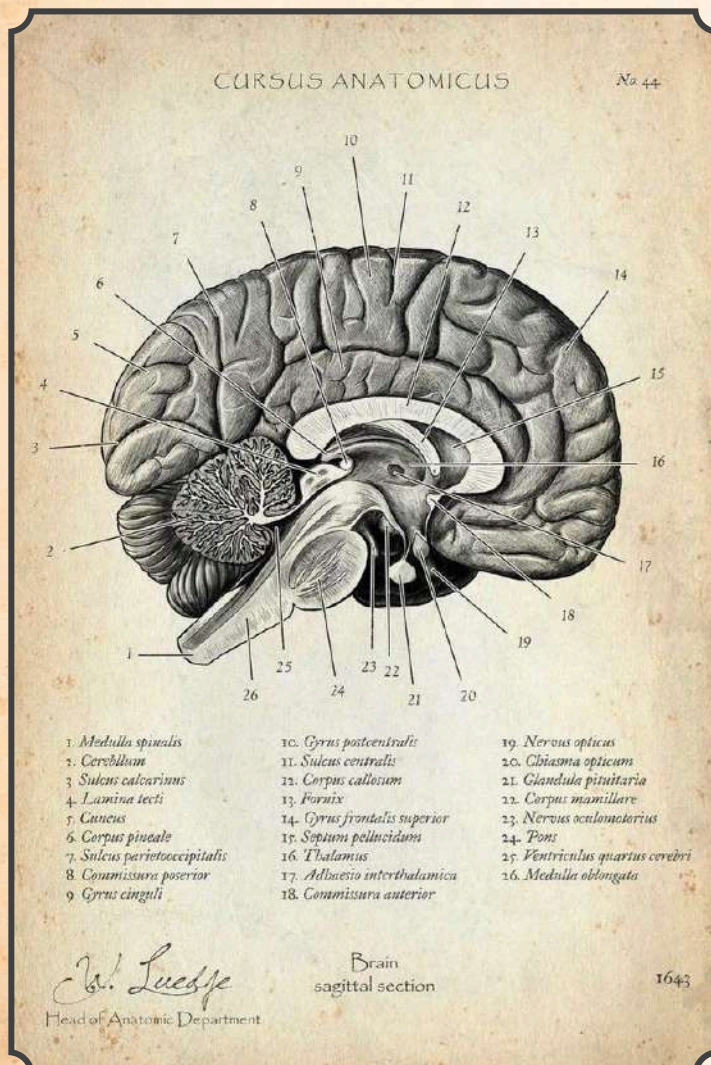

CONTACT: Dr. Shaswat Jaiswal

THE RESEARCH EXHIBIT

E-POSTER/POSTER PRESENTATION

The Poster/ E-Poster Presentation is a creative platform for displaying research in a concise and visually engaging format. It effectively communicates complex ideas, encourages discussion, and fosters collaboration among researchers, students, and professionals. This exhibit combines innovation and interaction, making research accessible and impactful.

REGISTRATION

RULE BOOK

FIRST PRIZE - 4,000
SECOND PRIZE - 2,000

PATIENTS PUZZLE

THE CASE PRESENTATION

The Case Presentation is a detailed exploration of a patient's medical journey, piecing together clinical findings, diagnostic challenges, and treatment strategies. It sharpens critical thinking, enhances problem-solving skills, and fosters collaborative learning among medical professionals. This practice bridges theory and patient care, turning complex cases into valuable learning experiences.

REGISTRATION

RULE BOOK

FIRST PRIZE - 4,000
SECOND PRIZE - 2,000

PAPER IN FOCUS

THE PAPER PRESENTATION

The Paper Presentation is a platform to showcase research insights, highlighting key findings and their significance. It combines clear communication with an in-depth analysis, encouraging critical discussions and knowledge sharing. This presentation bridges written research and audience engagement, making ideas impactful and memorable.

REGISTRATION

RULE BOOK

FIRST PRIZE - 5,000

SECOND PRIZE - 3,000

CONTACT: Dr. Shaswat Jaiswal

ETHICS UNDER THE SCALPEL

ETHICS BASED DEBATE

An ethics-based debate exploring moral dilemmas in medicine, focusing on patient autonomy, societal impact, and medical responsibility. It enhances critical thinking and compassionate reasoning in real-world scenarios. This debate fosters awareness, empathy, and a deeper understanding of the ethical frameworks guiding healthcare decisions.

WORKSHOPS

Get ready to ignite your curiosity and elevate your skills with Inventum Workshops! From hands-on medical techniques to insightful sessions on cutting-edge advancements, each workshop is designed to inspire, educate, and empower. Dive in, discover, and innovate!

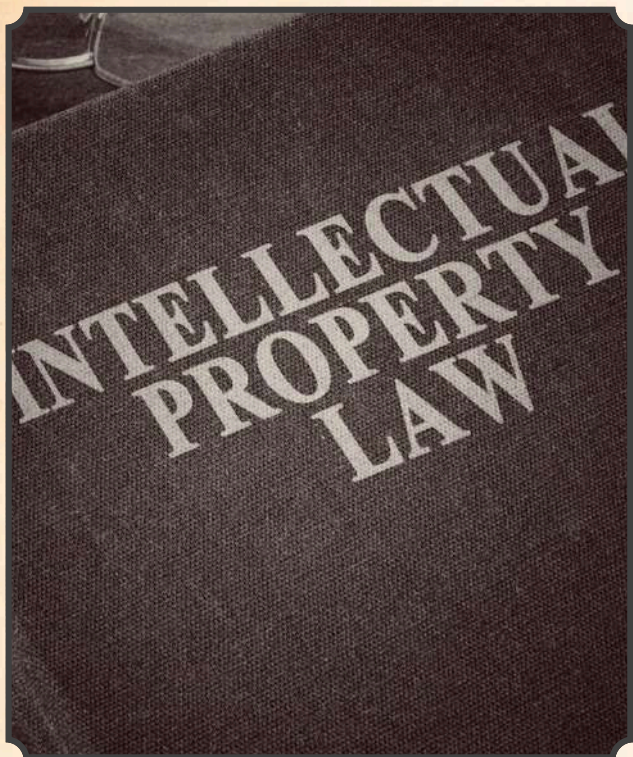

LAST DATE TO REREGISTER - 10 MARCH 2025

REGISTRATION FEE - RS. 350 PER WORKSHOP

THE RIGHTS OF THE INNOVATOR

(INTELLECTUAL PROPERTY RIGHTS WORKSHOP)

Understand the basics of protecting medical innovations through intellectual property rights, including patents and trademarks.

REGISTRATION

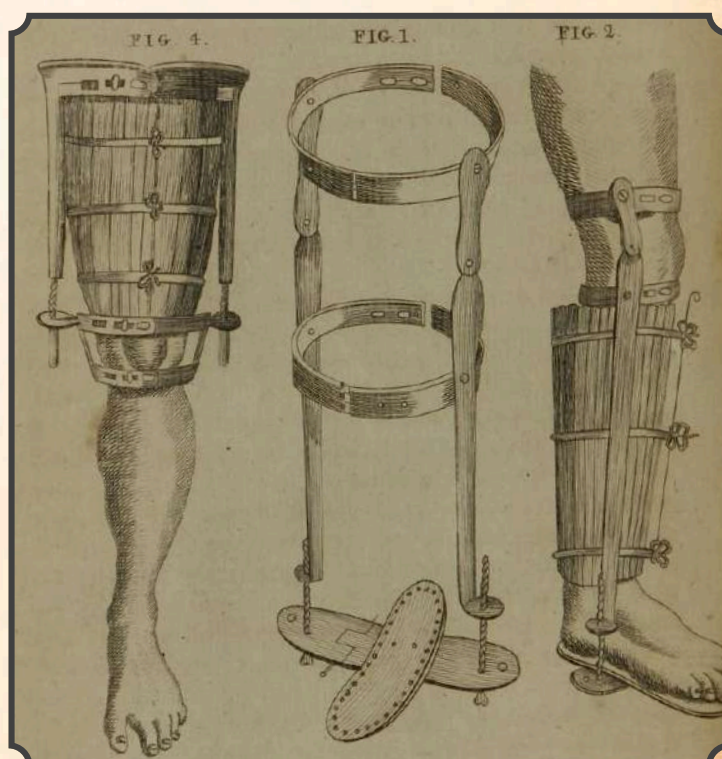

GUILD OF BONECRAFT

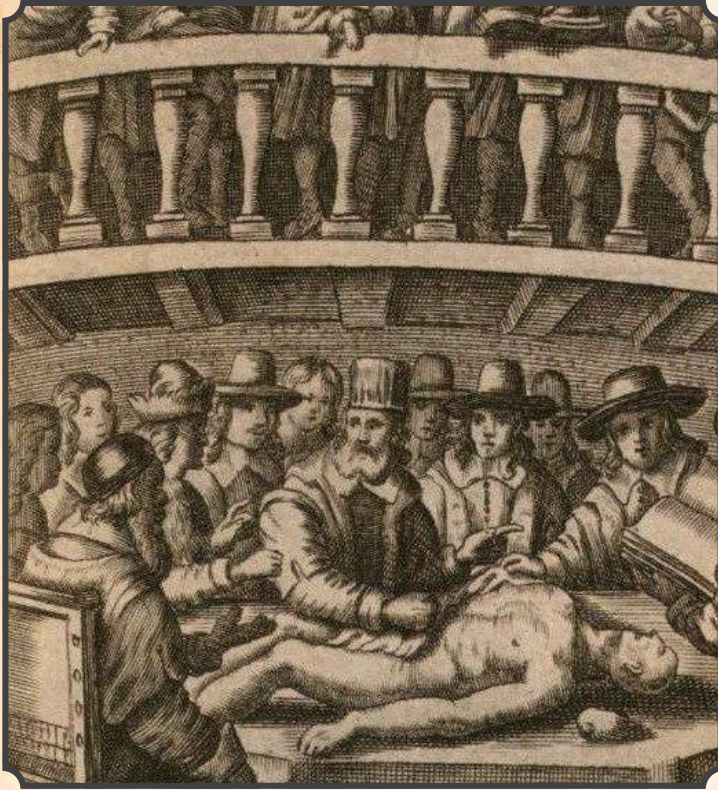

(Slab & Cast Workshop)

Learn the basics of applying and managing slab casts for fracture immobilization in this hands-on session conducted by our experts.

REGISTRATION

HEALING TOUCH

(Pain Management Workshop)

A focused session on understanding pain mechanisms and learning effective strategies for pain assessment and relief, including pharmacological and non-pharmacological techniques.

REGISTRATION

FLOW OF VITAL FORCES

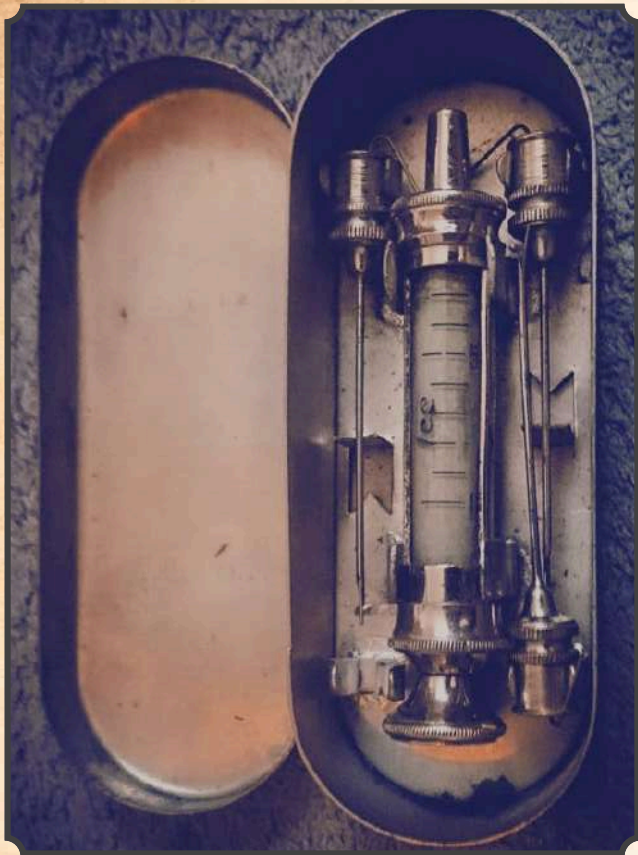

(ABG Analysis Workshop)

A hands-on session to master ABG analysis, focusing on interpretation of acid-base balance, oxygenation, and ventilation parameters for effective clinical decision-making.

REGISTRATION

VENESECTION: MASTERING THE ART OF BLOOD COLLECTION

The "Renaissance of Venesection" workshop covers the history of blood collection from Renaissance methods to modern practices, with a hands-on training session in venipuncture.

REGISTRATION

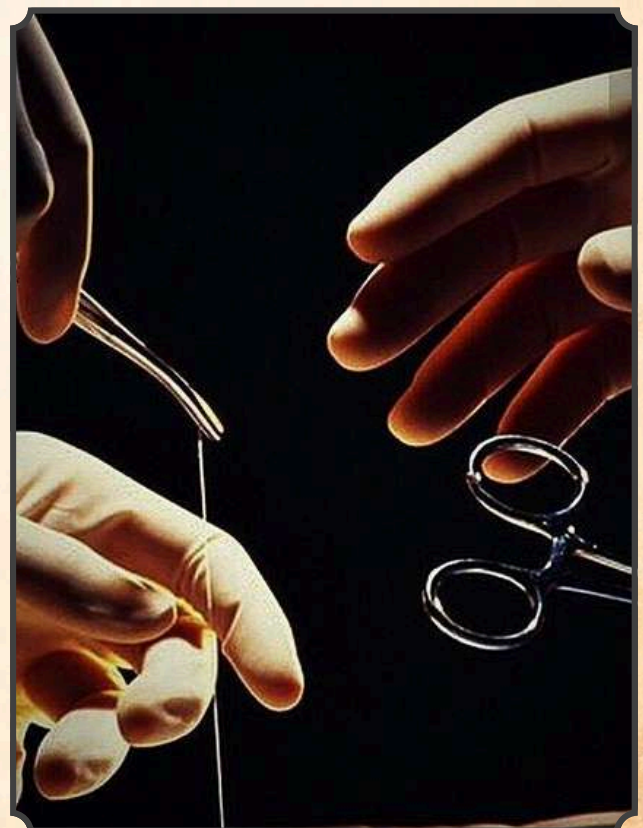

THE HEALERS NEEDLECRAFT

(Suturing Workshop)

A hands-on session teaching wound closure techniques, including basic and advanced suturing, knot-tying, and instrument handling, guided by experts to enhance practical skills.

REGISTRATION

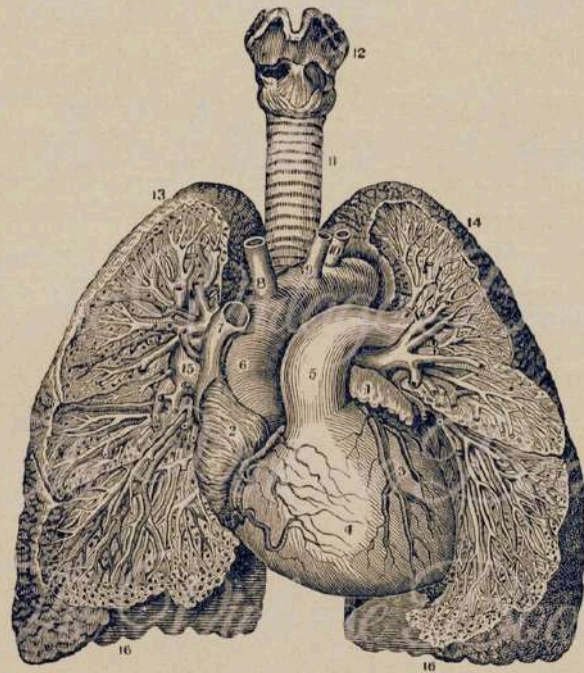

ART OF THORACIC EVACUATION

(Intercostal Drainage Workshop)

A practical session on performing thoracocentesis, including indications, techniques, and managing complications, guided by experienced clinicians.

REGISTRATION

430.—A view of the Bronchia and Blood-vessels of the Lungs, as shown by dissection, as well as the relative position of the Lungs to the Heart.
