Get ready to take a walk on the wild side! Welcome to Disney's Animal Kingdom! EPCOT has the reputation of being THE spot for foodies, but Animal Kingdom is a sleeper hit for unique bites, reimagined classics, and just all-around delicious eats.

You'll only find four sit-down Table Service restaurants and they honestly range from "meh" to "amazing." But every one of them is themed to the gills, so you're gonna have a feast for the eyes!

If your priority is riding all the rides & seeing all the critters in Animal Kingdom, you may find that a fast meal at a Quick Service restaurant will fit your needs. Lucky for you, Animal Kingdom has some of the highest quality Quick Service spots in all of Disney World. So you can get a hearty and tasty meal without dropping a lot of cash.

Animal Kingdom also has quite a few kiosks throughout the park with unique snacks that could make for smaller meals too. But be warned! Some of these kiosks are very hidden, have extremely limited hours, are seasonal, or may have very small menus. Still, if you know just where to go, you could find your NEW favorite treat!

We're giving you the full rundown of every single Table Service restaurant, Quick Service spot, and snack stand at Animal Kingdom so you can make the best decision for your trip.

HOW TO USE OUR GUIDE

There is a LOT of information about Disney food and dining options out there, but we've broken down some of the key details you need to know to make the best dining choices for your group. So, let's dive in!

First, you'll notice that we have a smattering of symbols at the top of the restaurant and other dining location pages. These are quick indicators of what you need to know. Most of them are self-explanatory, but we'll give you a rapid rundown of them.

DISNEY DINING PLAN ACCEPTED

- This indicates that the restaurant accepts credits from the Disney Dining Plan. **IMPORTANT:** The location might accept Snack Credits, Table Service credits, Quick Service credits, or a mix. This symbol only indicates that **the location accepts some form of Disney Dining Plan credits**, but you'll want to verify what type of credits are accepted, how many might be needed, and if there are any specific restrictions as to what dishes qualify.
- **PRO TIP:** For locations accepting Mobile Order via the My Disney Experience app, use the app to create a sample mobile order. That can let you see what might qualify as a snack credit.
- For an in-depth look at the Disney Dining Plan, check out our [entire guide dedicated solely to the Dining Plan](#) and how to make the best use of it.

HOW TO USE OUR GUIDE

PRICING SCALE

If you're paying out of pocket, this will help you know approximately how much to budget if you plan to dine at this location.

- \$ – \$14.99 and under per adult
- \$\$ – \$15-\$34.99 per adult
- \$\$\$ – \$35-\$59.99 per adult
- \$\$\$\$ – over \$60 per adult

DFB FAVORITE

We've eaten it ALL, and there are some spots we keep coming back to because they are just THAT GOOD! If you want to know our favorites, be on the lookout for this symbol. Keep in mind that while restaurants marked with this symbol might be our favorites, that doesn't mean that the other restaurants are bad. Other spots might have some seriously delicious eats too! Or those other spots might have more standard eats that are just what your group needs. It's all about finding what suits you best. We've got our favorites, but we can't wait to hear all about yours.

CHARACTER MEAL

Dining with the characters is a unique and quintessential Disney World vacation experience.

MOBILE ORDER

Mobile Order allows you to pre-order and pre-pay for your food via the My Disney Experience app (which you'll use on your mobile device) for participating Quick Service restaurants around Disney World.

HOW TO USE OUR GUIDE

SERVICE TYPE

Disney offers three primary dining service types: Snack, Quick Service, and Table Service.

Snack: This is typically the category for those little carts or kiosks you'll find around the parks. Think popcorn or ice cream carts. Expect little to no dedicated seating near these. Plan to eat on a nearby bench or walk as you snack!

Quick Service: For these spots, you'll typically order at a counter (or on your mobile device), collect your food, and seat yourself. Think fast food, but Disney-fied. Seating can vary - sometimes there's ample seating (indoors and/or outdoors). Other times, seating is more limited. Look for our indications throughout this guide of what seating is like at each Quick Service spot

Table Service: At these restaurants, you'll be seated for your meal and waited on by servers. This service type includes buffets, character meals, and fancy signature dining spots. Seating for these is typically indoors, though some spots may also offer outdoor seating.

DISCOUNTS

Some restaurants offer discounts if you are a member of a certain group. Those discounts tend to range from 10%-20%. There may be restrictions on the discounts in terms of what is included, whether it applies to only one meal time or another, and whether there are blackout dates. You can check on the Disney World, [Annual Passholder](#), [Disney Vacation Club](#), and [Disney Visa websites](#) for details. The red tags indicate which groups get discounts at these locations:

DVC: Disney Vacation Club members

AP: Annual Passholders

DV: Disney Visa Cardholders

HOW TO USE OUR GUIDE

MEAL TIMES AVAILABLE

Not every location is open for every meal. We'll indicate which meal each location serves with these letters:

- B Breakfast** (we'll typically use this for any spot that is open any time before 11 AM)
- L Lunch** (we'll typically use this for any spot that is open between 11 AM and 4 PM)
- D Dinner** (we'll typically use this for any spot that is open 4 PM and on)

Some restaurants may serve brunch (every day or only on select days) in addition to other meals (particularly a few restaurants in Disney Springs). We have not specifically noted brunch in these icons, but it's something to keep in mind. You'll typically find notes about brunch in our pro tips or menu highlights sections! You'll want to check the Disney World website or the My Disney Experience app for updates.

1 Advance Dining Reservation (ADR) Rating

- 2 Dining reservations are strongly recommended for all Table Service locations at Disney World, and some are more
- 3 challenging to secure than others. We've ranked each Table Service location from 1-5 with color coding, with 1 being the hardest to get and 5 being the easiest to get.

Now, you're a master at using this book to its fullest potential! Let's get planning!

A photograph of a restaurant interior with a warm, rustic aesthetic. The walls are adorned with large, colorful tapestries and butterfly-themed artwork. The ceiling features exposed wooden beams and modern lighting fixtures. In the foreground, a wooden dining table is set with plates, cutlery, and a yellow candle. Two chairs with patterned upholstery are positioned around the table. In the background, other tables and chairs are visible, with a few patrons seated. A large, semi-transparent number '03' is overlaid in the center of the image.

TABLE SERVICE

TABLE SERVICE RESTAURANTS

Table Service refers to a restaurant where you are seated by a host and served by waitstaff.

Table Service restaurants encompass a variety of dining options, including:

- Signature Dining (Fine Dining)
- Character Dining (Meet Disney Characters)
- Buffets/Family-Style Meals (All you care to enjoy)
- More Standard, Plated Options

Reservations are highly recommended for these spots and can fill up FAST for popular locations. Book reservations up to 60 days in advance via the My Disney Experience app or website. You can also call (407) 939-3463.

Be mindful of the cancellation policies. Most will charge a \$10 per person fee if you cancel less than 2 hours in advance. However, some restaurants may have different cancellation policies. Look at those carefully when booking.

Table Service meals all feature indoor seating.

Since you'll have a server, it is customary to leave a gratuity, so factor that into your budget.

RAINFOREST CAFE

If you want a restaurant with an immersive atmosphere, Rainforest Cafe is IT. It has it ALL – intermittent rainstorms, animal animatronics, and a dark, jungly atmosphere. This is a chain restaurant, though, so it's not unique to Disney. It's NOT a good choice for those who want a quiet meal with really unique or inventive food. But if you've got kiddos and want a meal with entertainment, or you've got picky eaters in the group who want some classic chain restaurant-style eats, this might work for you!

MENU HIGHLIGHTS

- HUGE menu with lots of variety– they've got seafood, burgers, sandwiches, beef, pork, chicken, pasta, salads, and more
- For breakfast, you'll find plenty of options like skilletts, fried steak and eggs, pancakes, and more
- Things we've enjoyed: Shrimp Scampi Flatbread, Caribbean Coconut Fried Shrimp, Mojo Bones (spare ribs), Sparkling Volcano dessert

PRO TIPS

- There is a back entrance/exit between the restaurant and Animal Kingdom.
- It can get loud with the animal sounds and simulated thunderstorms every 20 minutes.

TIFFINS

Tiffins Restaurant has some delicious food and fantastic theming, but since it is a signature restaurant (a.k.a. fancy), it will NOT come cheap. International cuisine is served here with dishes, like a whole-fried fish, meant to bring out your adventurous side, but there are some familiar flavors too! Tiffins celebrates the spirit of discovery and the Imagineers who built Animal Kingdom. If you're looking for a longer, relaxing meal with awesome theming and adventurous eats, this could be a great spot to visit.

MENU HIGHLIGHTS

- International menu with various influences.
- Some dishes aren't too far removed from familiar flavors – like the signature burger – but as a whole, the menu leans into more unique flavors
- Things we've enjoyed: Tiffins Signature Bread Service, Tiffins Signature Burger, Oaxacan Pork Duo, Champurrado Chocolate Bar, White Chocolate-Orange Crème Brûlée, Seared Yellowfin Tuna with Pork and Shrimp Dumpling, Coconut-Ube Cauliflower Soup

PRO TIPS

- Meals here are 2 Table Service credits per person on the Disney Dining Plan.
- The décor here is amazing.

TUSKER HOUSE RESTAURANT

[JUMP TO THE MAP ↗](#)

Tusker House (in the Africa section) is a WILDLY underrated spot. During your meal, you'll get to meet Mickey, Donald, and friends outfitted in safari gear. The African-inspired eats are served buffet-style and are flavorful and interesting! There's plenty for picky eaters, but adventurous eaters will also be satisfied. If you're on a tight budget and tight on time, this might not be a good fit. But if you are looking for a fun character meal in a unique setting with terrific food for breakfast, lunch, or dinner, we highly recommend this restaurant.

MENU HIGHLIGHTS

- At breakfast, expect a few African-inspired items (like bobotie), and classics like scrambled eggs and pancakes
- At lunch/dinner, expect some unique items (like naans + dips and tandoori chicken) along with classic eats like chicken strips and mac & cheese
- Things we've enjoyed: Caramel Banana Sauce, Zebra Coffee Cake, Mickey & Simba waffles (breakfast); Macaroni & cheese, Za'atar Braised Beef – when available, Tandoori chicken, Green Curry Shrimp, plant-based chocolate mousse (lunch/dinner), Jungle Juice

PRO TIPS

- Time your reservation at the tail end of breakfast and you may get to enjoy the start of the lunch buffet too.
- Breakfast (\$\$\$) is cheaper than lunch/dinner (\$\$\$\$), but all meals are 1 Table Service credit on the Dining Plan,

YAK & YETI RESTAURANT

Yak and Yeti is an incredibly well-themed restaurant, meant to transport you to a village house that has been transformed into a restaurant. The menu here is pan-Asian, featuring a wide variety of dishes. If you’re not a fan of Asian fare, you may want to look elsewhere. However, if you love Asian fusion cuisine, crave an authentic ambiance, and are looking for food that is consistently good, stop here!

MENU HIGHLIGHTS

- Menu features eats from different regions in Asia. Options may include everything from Pork Pot Stickers to Bang Bang Calamari, Lo Mein, Duck, Korean Beef, and more.
- The Kobe Beef Burger is a good choice for picky eaters.
- The Yak Attack drink is a popular pick – frozen and super sweet.
- Things we’ve enjoyed: Pork Pot Stickers, Firecracker Shrimp (seriously–get this), Fried Wontons for dessert, Dragon Roll Bowl, Ahi Tuna Nachos, Mango Pie

PRO TIPS

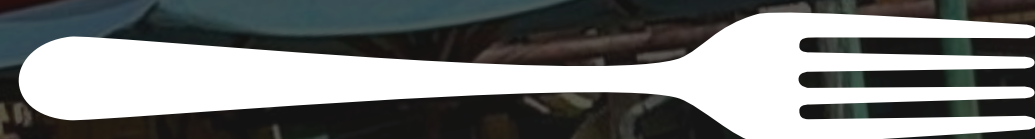

- Join the Landry’s rewards program to get discounts and perks here!
- There is an attached Quick Service spot – Yak & Yeti Local Food Cafes – but the menu there is very different.
- Stop by the bar to order a drink and order from the full restaurant menu.

QUICK
SERVICE

QUICK SERVICE RESTAURANTS

Disney World Quick Service restaurants (also called Counter Service) offer fast, convenient, and less expensive meals without requiring reservations.

You can generally order in person at a counter or via Mobile Order through the My Disney Experience app (where available). Then, you'll receive your meal on a tray and take it to your seat.

Options can range from traditional fast food to more unique, high-quality dishes. Sometimes these locations are fairly small and serve a limited menu. Other times they're much larger with more seating and menu options – it just depends!

Seating is typically first-come, first-served. On hot and tiring Disney days, when folks can linger at indoor tables in AC for quite a while, you may have to wait a little bit for a seat in your desired area.

Some spots have ample indoor seating, like Satu'li Canteen and Restaurantosaurus. Others have limited indoor seating or only offer outdoor seating, like Flame Tree Barbecue (ample seating but only outdoors) and Creature Comforts (limited outdoor seating). In those cases, you may need to wait a bit longer for a table or plan to eat your food in another spot nearby with more seating.

[JUMP TO THE MAP ↗](#)

CREATURE COMFORTS

**LIMITED
OUTDOOR
SEATING**

Creature Comforts is Animal Kingdom's Starbucks location. Stop by for your favorite Starbucks beverages, some basic sandwiches, and a few pastries. Usually what you'll find are the classic snacks you'll recognize from your local Starbucks, but watch for unique-to-Animal-Kingdom items like themed cupcakes and sweets – we've seen some seriously EPIC treats. You can also get the GIANT Mickey-shaped "colossal" cinnamon rolls here that are big enough to share (if you're willing to share, that is!). Overall, it's a good spot for a familiar drink and snack, but those unusual, unique-to-this-park treats are the stars.

MENU HIGHLIGHTS

- Starbucks classics + watch for seasonal Disney treats.
- Stay hydrated! Grab a free cup of ice water.
- Things we've enjoyed:
Starbucks Coffee,
Seasonal/Specialty treats

PRO TIPS

- There is no seating indoors, but there are a few tables outside.
- Pick up a Discovery Series mug as a souvenir.
- Help endangered monkeys with your coffee order! Order any size Flat White latte and Disney shares a portion of the sale toward the Disney Conservation Fund's efforts to protect the Cotton Top Tamarins!

FLAME TREE BARBECUE

AMPLE

OUTDOOR

SEATING

Nestled in the heart of Discovery Island, Flame Tree Barbecue is one of our TOP quick meal options in Animal Kingdom. You'll find some good eats in an outdoor setting with EPIC views of Expedition Everest. The menu features barbecue classics – this is NOT your typical fast food. If you don't eat meat, prefer standard theme park fare, or want indoor seating, this might not be a good match. But if you love barbecue & nice outdoor seating, stop here!

MENU HIGHLIGHTS

- Barbecue entrees can feature items like ribs, chicken, and pulled pork
- Some meat can be dry at times – grab barbecue sauce to help!
- Portion sizes here are GOOD – a great value for a Quick Service credit on the Disney Dining Plan.
- Things we've enjoyed: 1/2 Chicken, Baked Macaroni and Cheese with Pulled Pork, French Fries with Pulled Pork and Cheese, Cornbread, Key Lime Pie Pop (a recreation of an old favorite!)

PRO TIPS

- Seating is outdoors, but pavilions provide some shade and cover.
- Watch out for ducks and birds. Guests are strongly encouraged NOT to feed the animals!
- Look for napkins & flatware in several of the seating areas - NOT at the front counter.

[Read Our Reviews ↗](#)

HARAMBE MARKET

**AMPLE
OUTDOOR
SEATING**

If you've had one too many Mickey pretzels and you need something hearty but healthier-feeling for lunch, this is a good place to consider! Harambe Market mainly features rice bowls and Caesar salads, as well as a few other items. There's a mix of familiar items with slightly more unique flavors. It can be a tougher menu for picky eaters, but if you want something filling but a little more unique than your "usual" burger and fries, this might be a place to consider.

MENU HIGHLIGHTS

- Rice bowls and Caesar salads make up the main part of the menu. Meats can include things like peri peri-marinated shrimp or chermoula-marinated chicken. There is a plant-based option too.
- Things we've enjoyed: Chicken and Shrimp Rice Bowl, Frozen Flamingo, Mango Vanilla Mousse, Harambe Sunrise drink - may not be on mobile order, ask for it at the drink window in the back

PRO TIPS

- Hours can be REALLY limited here. This spot may close as early as 3:15 PM most days.
- There are different stalls here with windows for Mobile Order pick-up or ordering in person. One stand is exclusively a bar/drink spot!

[Read Our Reviews ↗](#)

PIZZAFARI

**AMPLE
INDOOR & OUTDOOR
SEATING**

Pizzafari offers standard Disney fast-food pizza (circular, individually sized, and puffy) with a few additional Italian-American entrees. If you're looking for what we think is the best pizza in all of Disney World...this isn't it. BUT there are lots of design details to look for, and sometimes a puffy pizza is just what you're craving or what you need to please picky eaters in the group. If that's the case, then this could be a spot to consider.

MENU HIGHLIGHTS

- Look for standard pizza options (pepperoni, cheese, & sausage), salad, and pasta.
- Some newer pasta dishes have disappointed us, while others have been alright.
- Things we've enjoyed: Cheese Garlic Bread, The Island Treasure drink is nothing groundbreaking, but is a fun slushy

PRO TIPS

- Check out the design details! Each room features animals known for something different, from camouflage tactics to sleeping upside down. Fun to explore!
- Hours can be limited with this spot often closing at 4:30 PM – plan accordingly!

RESTAURANTOSAURUS

**AMPLE
INDOOR & OUTDOOR
SEATING**

Restaurantosaurus has great theming. It seems the Paleontology students from the dig nearby have turned their home base into a restaurant. There are lots of cool props and punny humor to admire. The menu is full of classic theme park fare – burgers, hot dogs, chicken strips, and more. If you want adventurous eats, you'll want to head elsewhere. But if you want a place with a good variety of classic theme park food options, plenty of air-conditioned seating, and fun theming, stop on by.

MENU HIGHLIGHTS

- Things we've enjoyed:
S'moresosaurus Shake, Cheese Fries with Chili (even though they swapped the plastic cheese topping for shredded cheese, we're still fans!)

PRO TIPS

- The restaurant often closes **EARLY**, around 5 PM.
- Check out the old Airstream Trailer next to the indoor basketball court dining area.
- **WARNING:** DinoLand U.S.A. (where this restaurant is located) is closing to become a Tropical Americas land. The closing date for this restaurant has yet to be announced, but stay tuned.

SATU'LI CANTEEN

**AMPLE
INDOOR & OUTDOOR
SEATING**

Satu'li Canteen is the main dining location in Pandora–The World of Avatar. It celebrates the culture and art of the Na'vi. The menu features customizable bowls, steamed pods (fan-favorite cheeseburger pods), unique drinks, and desserts. If you want traditional theme park eats or the cheapest meal in the park, this might not fit your needs. But if you want good portions of unique food that feel high-quality, stop on by!

MENU HIGHLIGHTS

- Customizable bowls are the main item –choose a base, protein, and sauce. Tofu is great (if you're into tofu). We usually like the beef but it has changed and can be less consistent.
- Breakfast returned in 2024 with a goat cheese frittata & more – good for a quick & hearty meal. See if it's available during your trip.
- Things we've enjoyed: Pandoran Forest Fruits, Pork Shoulder Hash (Breakfast); Cheeseburger Pods, Ocean Moon Bowl, Customizable Bowl –our pick would be chicken or beef (Lunch/Dinner), Specialty Ube Cold Brew (All Day)

PRO TIPS

- Cheeseburger Pods pack cheeseburger flavors in a bao bun.
- Decent amount of indoor seating, but it gets popular – you may have to sit outside during peak times.
- Watch for seasonal desserts, like the festive Peppermint Cram Cheese Mousse).
- Fun specialty drinks are available, including some exclusive to Pandora, like the green beer – Hawkes' Grog Ale.

YAK & YETI LOCAL FOOD CAFES

**MODERATE
OUTDOOR**
SEATING

Outside & to the side of the Yak & Yeti Restaurant, you'll find this spot. Breakfast has basics like English muffins and bowls with scrambled eggs – more filling & substantial than a pastry. Lunch & dinner feature Asian-inspired eats that are fairly mainstream. Other spots in this park may have more impressive or unique food, there's no indoor seating here, and it may not be the best for picky eaters. But if you love Asian food and want a quick bite, consider coming here!

MENU HIGHLIGHTS

- Breakfast typically features bowls and english muffins with scrambled eggs + more, plus a pancake and sausage stick or french toast for kids
- Lunch/dinner feature things like honey sesame chicken, sweet-and-sour tempura shrimp, and more
- Things we've enjoyed: Sausage Breakfast Bowl (add Thai sweet chili sauce!), Honey Sesame Chicken, Korean Fried Chicken Sandwich, Mini Mango Pie (one of our favorite desserts in this park!), Chicken Fried Rice (sold as a side but hearty enough for a small meal), Pork Egg Rolls

PRO TIPS

- Seating is outside and fairly uncovered, so this isn't a good spot in the rain or strong sun.
- Tends to close early most days (around 5:30 PM), but may stay open later on other days.

YAK & YETI QUALITY BEVERAGES

**MODERATE
OUTDOOR**
SEATING

Yak & Yeti Quality Beverages is a little window tucked around the corner from Yak & Yeti Local Food Cafes. It can EASILY be missed, but you might want to check it out. Why? Because it serves up the popular Yak Attack frozen drink (Mango Daiquiri, Don Q Cristal Rum, and Wildberry flavors). Plus, it's a hidden way to get some of the snacks from Local Food Cafes. BUT BE WARNED – this spot is often closed, so it might not be available during your trip.

MENU HIGHLIGHTS

- Menu typically features the Yak Attack drink, a specialty Frozen Emperor Margarita, beer, sangria, some snacks from Local Food Cafes (like a pork egg roll, chicken fried rice, and mini mango pie), and non-alcoholic frozen beverages
- Things we've enjoyed: Yak Attack, Mini Mango Pie, Chicken Fried Rice side

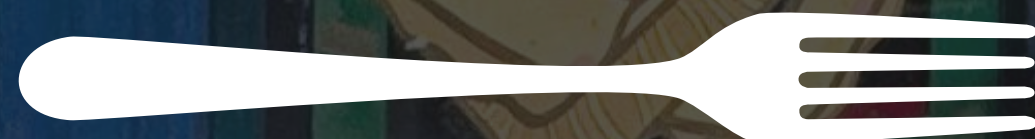

PRO TIPS

- There is a covered pavilion area for seating, but it can be crowded at lunchtime.
- This is primarily a drink window, but check to see what snacks might be offered while you're there – it could help you bypass the longer lines around the corner at Local Food Cafes.

KIOSKS &
SNACKS

KIOSKS & SNACKS

You're usually not far from a snack at Disney World, and you don't need to look too hard to find one (or seven!).

Disney World's snack kiosks are a key part of the park experience, offering iconic treats, seasonal specials, and unique flavors.

These kiosks are typically small stands or carts, providing quick & delicious items on the go. Some are famous for must-try Disney snacks, others may serve up basics, and some serve as hidden gems with unique offerings.

In terms of seating, you may find a nearby bench or ledge to sit on as you savor your snack. But you may find that many folks simply enjoy their snack as they stroll to the next attraction.

If you *need* a seat, consider grabbing your snack and hopping into a Quick Service restaurant that has ample seating. You can generally take your popcorn or pretzel into a Quick Service spot to enjoy some AC while you nibble – just be conscientious of the diners around you who also need a table for their meal.

ANANDAPUR ICE CREAM TRUCK

When you need a sweet snack or a cool-down treat, the Anandapur Ice Cream Truck in Asia is a great spot to pull over! This small stand serves up soft-serve out of a beautiful truck, and it really hits the spot on a hot summer day. Be sure to look for the fun Yeti Sundae if available!

MENU HIGHLIGHTS

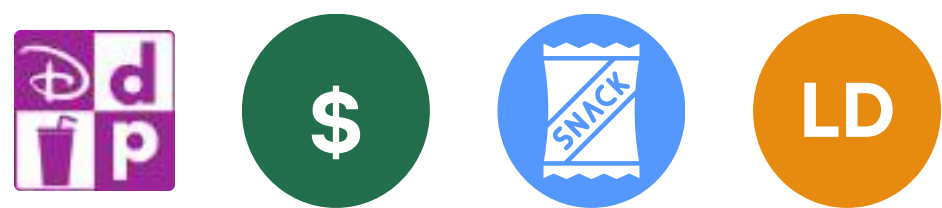

- Menu typically features soft-serve ice cream - vanilla, chocolate, or twist - in a cone or float, the Yeti Sundae (Chocolate Soft-serve topped with Vanilla Soft-serve, Blue Cake Crumbs, Sugar, Sweet Snowflakes, and a Chocolate Yeti Image), and a few beers.
- The options here are fairly basic, but if you love simple ice cream creations, this can hit the spot.
- Keep an eye out for seasonal or specialty items that may pop up here from time to time!
- Things we've enjoyed: Yeti Sundae

PRO TIPS

- There is no dedicated seating for the Anandapur Ice Cream Truck, so plan to stroll with your snack through the beautiful scenery in Asia.
- Take a moment to appreciate the beautiful colors and intricate details on the truck!

CARAVAN ROAD

Caravan Road is across from Mr. Kamal’s along a lovely path in Animal Kingdom’s Asia. A classic cold snack is on the menu here: Shaved Ice! Tropical flavors are typically featured, with Mango Passion Fruit and a non-alcoholic Pina Colada among your options. Of-age guests can add vodka to their Shaved Ice of choice. This spot can be easily overlooked, but it’s worth a stop for something cool & refreshing.

MENU HIGHLIGHTS & TOP TIPS

- Flavors can change.
- Try the Kakigori, which some might recognize as the shaved ice treat from the Japan pavilion in EPCOT – it has watermelon and sweetened condensed milk.
- Can close early (around 5 PM), check the hours.
- The treats here can be wonderfully refreshing on a hot day.

CORN-IVORES

NOTE: THIS LOCATION CLOSED PERMANENTLY IN JANUARY 2025

In the middle of Chester & Hester’s Dino-Rama in DinoLand U.S.A. you could once find Corn-Ivores serving up hot and fresh popcorn – in a box or a special souvenir bucket – in addition to ice-cold beverages.

MENU HIGHLIGHTS & TOP TIPS

- Though Corn-Ivores is closed, you can still grab popcorn at other carts throughout Animal Kingdom so keep an eye out for those!
- **WARNING:** DinoLand U.S.A. is closing to become a Tropical Americas land. Corn-Ivores and select other locations have already permanently closed - and more closures are set to follow.

DRINKWALLAH

While it's a tiny kiosk, Drinkwallah is a hidden gem with tons of details and is a good place for a cold drink on a hot day! The menu typically features frozen drinks, beer, and a few small snacks, like glazed nuts and chips.

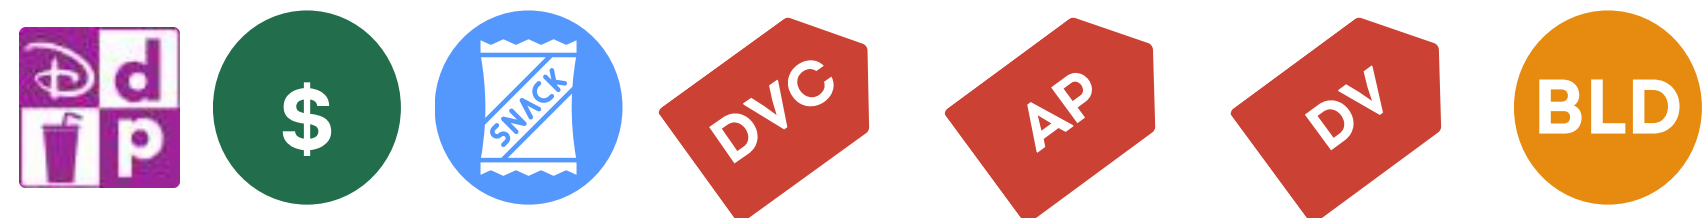

MENU HIGHLIGHTS & TOP TIPS

- Drinks can include Frozen Coca-Cola, Fanta Blue Raspberry, or Minute Maid Premium Lemonade
- Those 21+ can get a Frozen Coke spiked with rum or whiskey.
- Visit the “Lower Garden” terrace for nice views!

DINO-BITE SNACKS

Dino-Bite Snacks is one of our favorite DinoLand U.S.A. spots. The big draw here are the GIANT ice cream cookie sandwiches typically served between freshly baked cookies! They're huge, made of creamy & cold ice cream and tasty cookies, and are absolutely delicious. Step back in time to this roadside vintage-style diner to get your snack fix!

MENU HIGHLIGHTS

- Limited menu generally featuring Häagen-Dazs Hand-scooped Ice Cream, an old-fashioned sundae, floats, Mickey pretzels, ice cream cookie sandwiches, and drinks.
- Ice cream cookie sandwiches are the STAR. You can typically get a “standard” version with ice cream between chocolate chip cookies. BUT look for special options to pop up seasonally.
- The Dino Eggs-Cavation is not revolutionary, but it’s a fun choice (especially for kids).
- Things we’ve enjoyed: Ice Cream Cookie Sandwiches

PRO TIPS

- There's a small, covered seating area to the side of the kiosk. This is often quiet and sparsely populated.
- The Ice Cream Cookie Sandwich is large enough to share.
- Can close early (around 5 PM) some days; check hours carefully.
- **WARNING:** DinoLand U.S.A. (where this restaurant is located) is closing to become a Tropical Americas land. The closing date for this restaurant has yet to be announced, but stay tuned.

EIGHT SPOON CAFÉ

Eight Spoon Cafe is located on Discovery Island near The Tree of Life and the entrance to Asia. The small menu typically causes people to walk right on past, but don't make that mistake! This spot typically features some fun snack options, with the current menu focused on a variety of casual snacks, like sliders and wings, and a family-sized churro option. The menu is small, but it's worth a visit if you're looking for a quick and unique snack!

- Once upon a time, this spot offered a variety of mac and cheese options, but recently the menu has been updated. (You can still find mac and cheese options at Flame Tree Barbecue or Smiling Crocodile.)

HARAMABE FRUIT MARKET

A refreshing oasis in Africa, Harambe Fruit Market is the place to stop when you're looking for fresh fruit, cold drinks, and other quick snacks (like Mickey-shaped pretzels, hot dogs, and churros). If you've had too much popcorn and just need a side of fruit to get refreshed – or you're looking for a basic treat – this is the spot to visit.

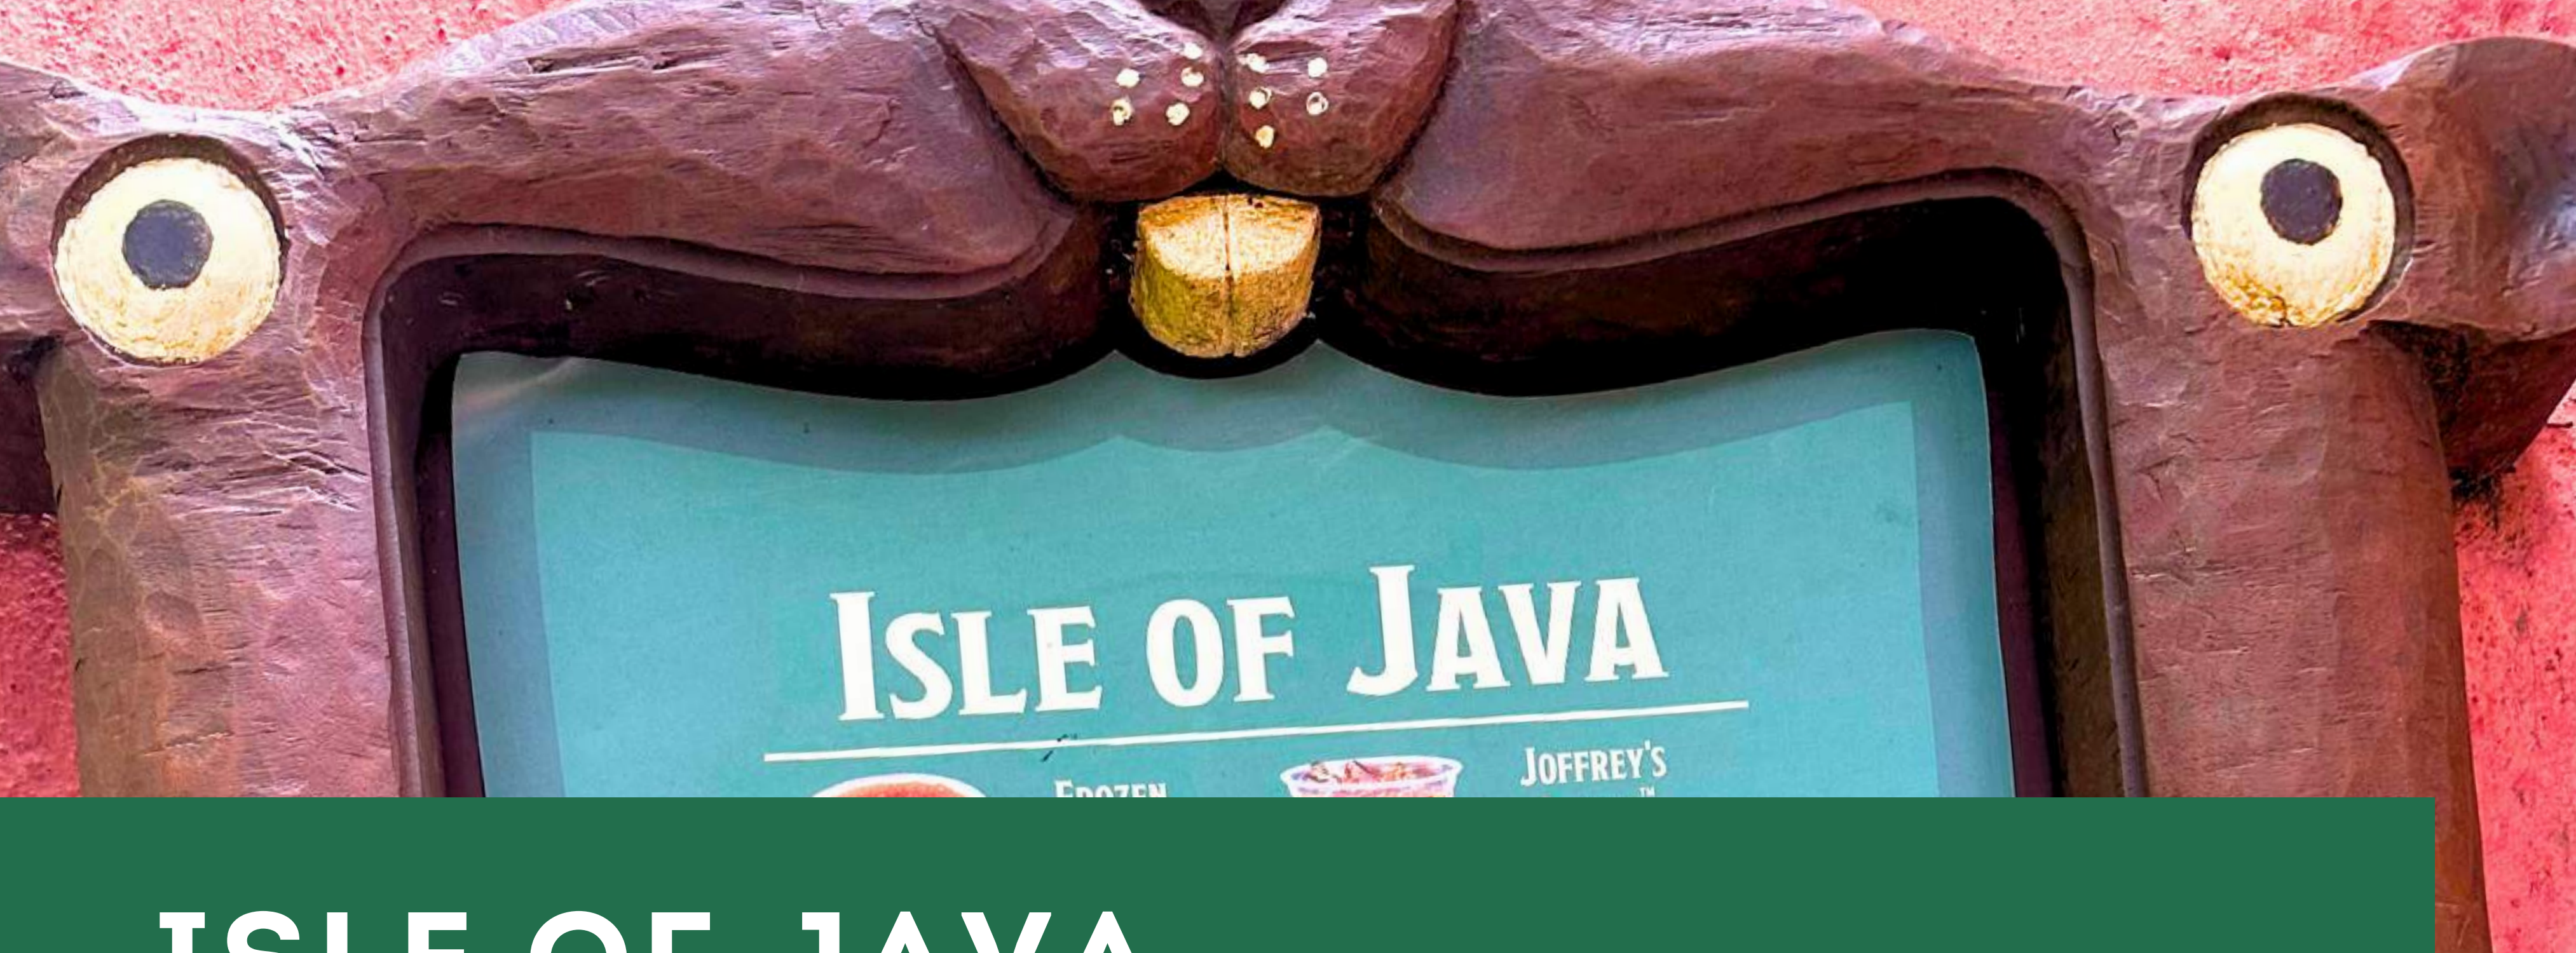

MENU HIGHLIGHTS

- Menu typically features things like whole fruit, hot dogs, Mickey-shaped pretzels, snack cheese, churros, chips, and a fresh fruit cup.
- You'll also usually find bottled soda & water, juice, and beer.
- This is *sometimes* the home of a POPULAR corn on the cob snack. In 2025, we saw it move to a cart near Harambe Market for a while, and then it moved back to this spot, but that can change! When it's freshly grilled, it can be a really tasty snack (but it is sometimes made backstage and not quite as fresh-tasting).
- The pineapple spears are a delicious choice when available. We've also had some great watermelon here.

PRO TIPS

- Be on the lookout for specialty items that might pop up here from time to time, like seasonal muffins!
- Fresh fruit items vary depending on seasonal availability.

- This spot can close early (around 5 PM) some days, check the hours carefully!

Check for a snack menu with unique offerings that can *sometimes* be offered beyond those morning hours.

PONGU PONGU

Pongu Pongu means “Party Party” in the language of Na’vi. This is the spot to get a cold beverage and a quick snack in Pandora – The World of Avatar. Menu options are limited, but Avatar theming is in full force. You can typically get a GIANT pretzel with beer cheese sauce (YUM!) and the divisive Pongu Lumpia (a pineapple-cream cheese spring roll). Plus, there are some seriously COLORFUL drinks here – like the iconic Night Blossom or the bright green Hawkes' Grog Ale. Stop by for some photo-worthy snacks and drinks.

MENU HIGHLIGHTS

- The Pongu Lumpia is a divisive snack – Some love it; some hate it. Try it and let us know what you think!

You'll find Terra Treats on the path from Discovery Island to Africa. This colorful kiosk is typically open seasonally on busy days, and the menu tends to change with some frequency, so you never know quite what you'll find. Recently, this spot offered snack-sized slices of pizza. The stuff here is NOT your standard, puffy, circle pizza from Disney's Quick Service locations. Instead, it's typically a deep-dish variety, and the flavors can change. It might not be the best pizza in all of Disney World, but it's a quick way to get a pretty tasty and filling meal.

**BARS &
LOUNGES**

BARS & LOUNGES

If you're looking for a spot to grab a drink to cool down in the middle of your park day, search for a bar or lounge that might be near you.

Some of these are more elaborate and offer more options (including small plates of food or offerings from an attached restaurant's menu), while others are smaller and feature more limited menus focused entirely on drinks.

Some may *technically* be considered a Table Service location (meaning you'll sit at a table, have a server take your order, and enjoy your drink while lounging around). Others may have some seating but offer drinks in a quicker fashion, and some might be purely grab-and-go locations.

Some may also have a full bar available, where you can get more customized drinks, while other spots may serve mainly pre-mixed drink options.

And keep in mind that while most of these locations are focused on alcoholic options, you may find some non-alcoholic drinks too.

It all depends! There's a lot out there to check out!

DAWA BAR

Dawa Bar is a boozy haven in the middle of Harambe Village in the Africa section of Animal Kingdom. The drinks are strong, the ambiance is casual with plenty of covered seating, and many (including us!) consider it a great, relaxing spot for a refreshing adult beverage.

MENU HIGHLIGHTS & TOP TIPS

- The menu features specialty cocktails, domestic and imported beer, and wine.
- Try the Ngumu Jungle Juice with the famous passion fruit, orange, and guava juice (a.k.a. POG or Jungle Juice), mixed with vodka and peach Schnapps.

The menu features unique and flavorful small plates inspired by cuisines from around the world, complemented by a selection of beers, wines, and mixed drinks. The dishes aren't exactly cheap and the menu options can be tougher for super picky eaters, but the high quality and complex flavors of the food can make it well worth the cost for many.

MENU HIGHLIGHTS

- The menu changes often, so keep an eye out for seasonal specials.
- There is a solid drink lineup – think specialty cocktails that are well-balanced and delicious, plus an international selection of wines, beers, and some great non-alcoholic options too.

WILD AFRICA TREK

Wild Africa Trek is a three-hour tour of the Safi River Valley – an area of Animal Kingdom that is typically unseen by guests. This private, guided tour offers amazing views of many of the animals that call Animal Kingdom home. Giraffes, rhinos, hippos, and crocodiles may all make appearances on the tour. The experience combines walking and riding in a safari vehicle, and you'll even get to cross a rope bridge.

- Garlic and leek hummus and pita
- Prosciutto and mozzarella
- Olive mix
- Fresh fruit
- Chicken wrap
- Marinated tandoori shrimp

The food we had here during a recent tour was great, but don't expect it to be a full meal that'll fill you up. It's more of a snack, and you typically won't spend too much time in that area before moving onto more of the experience.

A photographer comes along. All tour guests receive complimentary access to the photos.

Tours are offered multiple times daily.

The cost is generally \$219–\$229, tax not included.

WILD AFRICA TREK CONTINUED

- There is a weight requirement. You'll need to be between 45-300 pounds with the harness gear on. Disney also warns that the "safety harnesses used for this experience may prohibit Guests of certain body shapes or sizes from participating."
- You must be at least 8 years old and 48 inches tall to participate.
- The walking part of the tour includes walks over small hills, foliage, and an unsteady rope bridge – closed-toe shoes with a back strap or hiking boots are required.
- Complimentary lockers are provided for personal belongings.
- Cameras are allowed IF they can be securely fastened to the provided safety vest.
- The trek takes place in rain or shine (with an exception for severe weather or lightning).
- 24-hour cancelation requirement (to avoid forfeiting the entire price of the trek).

**DISNEY
DINING PLAN
TIPS & TRICKS**

DINING PLAN TIPS & TRICKS

If you're thinking about adding the Disney Dining Plan to your vacation, you might be wondering how to make the MOST out of your credits while at Animal Kingdom. Are there certain spots that are a better use of your credits (that'll give you the most bang for your buck)? Are there certain snacks you should consider buying to maximize that snack credit? Worry not – we've got some tips for you here!

First, a bit of background. The Disney Dining Plan is a way to essentially pre-pay for all or most of your meals ahead of your trip. Plans are an optional add-on to your vacation. If you decide to pay for the Dining Plan, you'll pay to receive a certain number of credits that you can then use at certain participating restaurants to get your food.

This is such a big topic that we have an entire Guide for it – [Disney Dining Plan: The DFB Guide to Maximizing the DDP](#) – if you'd like to explore it in more detail.

For now, let's take a moment to chat about some good things to know about the Disney Dining Plan specifically when it comes to dining in Animal Kingdom.

MAXIMIZE YOUR CREDITS

Here are a few at-a-glance options for maximizing your credits in Animal Kingdom! THESE are some of the spots you may want to consider visiting to get the most out of your Dining Plan credits (but note that qualifying snacks/meals for the Disney Dining Plan are always subject to change):

BREAKFAST

- Quick Service: Yak & Yeti Local Food Cafes, Satu'li Canteen
- Table Service: Tusker House Restaurant (Character Buffet)
- Snack items: Chocolate Twist at Kusafiri Coffee Shop & Bakery, Creature Comforts, Tiger Tail Chocolate Twist, or Colossal Frosted Cinnamon Roll at Isle of Java

LUNCH/DINNER

- Quick Service: Flame Tree Barbecue, Satu'li Canteen
- Table Service: Yak & Yeti Restaurant, Tusker House Restaurant (Character Buffet)

SNACK CREDITS

- Side of Chicken Fried Rice at Yak & Yeti Local Food Cafes
- Ice cream cookie sandwich at Dino-Bite Snacks
- Mickey-shaped pretzel with cheese sauce at Dino-Bite Snacks (and other spots)
- Seasoned fries or chicken dumplings at Mr. Kamal's
- Pineapple Crisp Sundae at Tamu Tamu Refreshments
- Colossal frosted cinnamon roll at Isle of Java
- Night Blossom at Pongu Pongu

TABLE SERVICE

Animal Kingdom is home to a VERY limited number of Table Service restaurants – really just 4 spots – Rainforest Cafe, Tusker House Restaurant, Yak & Yeti Restaurant, and Tiffins. All of these accept the Disney Dining Plan, but Tiffins is the only one that requires 2 Table Service credits per person. While the food at Tiffins can be truly fantastic, you’ll want to carefully consider whether that 2-credit spend is worth it.

At Tusker House Restaurant, ALL meals (breakfast, lunch, and dinner) are only 1 Table Service credit per person. This is a buffet, and you get to meet Disney characters while you dine, making it a great value. To take things to the next level, try to time your reservation toward the end of breakfast so you can enjoy the breakfast buffet AND eat from the lunch buffet once the restaurant switches to that.

Nomad Lounge (the lounge attached to Tiffins) is one of our FAVORITE spots – relaxing and great food. If you want to use the Dining Plan, it’ll set you back 1 Table Service credit per person. That is not really the best value since this spot mainly focuses on small plates. You’ll get a much more substantial serving of food for 1 Table Service credit at a more standard Table Service restaurant (like Yak & Yeti Restaurant) or the Tusker House character buffet. Consider your choices carefully!

QUICK SERVICE

When it comes to making the most out of your Quick Service credits in Animal Kingdom, there are a few things to keep in mind. First, each Quick Service meal credit on the Dining Plan comes with a drink – those 21+ can choose a single-serving mixed cocktail, beer, or wine. Considering how expensive alcoholic drinks can be, ordering an alcoholic drink with your meal (if you want one) can help you get more value out of 1 Quick Service meal credit. Check to see what drinks qualify for the Dining Plan when ordering your meal.

Flame Tree Barbecue is a particularly good value for Quick Service credits in Animal Kingdom. Some of the meals here are big enough to share so you could potentially save up some credits for other meals by splitting things. The bowls at Satu'li Canteen also provide a substantial amount of food for your Quick Service credit.

One interesting thing to consider with Animal Kingdom is that there are MANY little kiosks spread throughout the park with items like specialty pizzas, topped mac and cheese, and more. Many of these kiosks accept snack credits from the Disney Dining Plan but qualifying items can be limited. The more extravagant snacks might not qualify for a snack credit AND these kiosks often don't accept Quick Service meal credits, so that can create some complications. Be sure to consider that carefully!

DFB TOP PICKS

DFB TOP PICKS

Animal Kingdom is a park that can seriously SURPRISE you when it comes to food and drinks. There are a very limited number of Table Service restaurants, so if a “traditional” sit-down meal is a must-do for you, you’ll want to look at your options carefully.

There are a good number of Quick Service restaurants. Some are full of “standard” eats (puffy pizza, burgers, chicken tenders). But others, like Satu’li Canteen, will make you rethink what you’ve come to expect from “Fast Food” in theme parks. And some, like Flame Tree Barbecue, can deliver tasty eats with substantial portions that’ll fill you up.

One thing that makes Animal Kingdom unique is the number of little kiosks spread throughout the park. You might think these are just basic snack spots, but that would be a HUGE mistake. You can find some incredibly delicious items at these kiosks - some of which are big enough to be a small meal on their own. We’re talking buffalo chicken chips, a pineapple crisp sundae, seasoned fries, fantastic dumplings, shaved ice, and more. Oftentimes, these kiosks feel hidden, so it’s really easy to stroll past and not even notice them. Take some time to explore – that’s what Animal Kingdom is all about!

Not all of the eats in this park will astound you, but some are fantastic and seriously underrated. So, what should you consider trying? We’ve got a list to help. Just keep in mind that everyone’s tastes will differ. We might love a spot that doesn’t fit your tastes or needs, and what you love might not be great for someone else. Just because we don’t include a specific snack or restaurant on this list doesn’t mean it isn’t worth checking out.

But if you want to know what our top picks are for Animal Kingdom, let’s dive in:

BEST TABLE SERVICE

1. **Yak & Yeti Restaurant:** High-quality Asian-fusion cuisine, great shareable plates, good for groups looking for a meal that doesn't break the bank (cons: not great if you don't like Asian cuisine)
2. **Tiffins:** Animal Kingdom's only signature restaurant – a.k.a. FANCY, fascinating decor, adventurous food options (cons: PRICEY!! There are some "safer" food options, but they might not be worth the hefty price tag)
3. **Nomad Lounge:** Serves up consistently delicious and unique eats and fantastic drinks in an incredibly relaxing environment (cons: small plates are the focus on the menu, prices for those small plates can add up, no reservations – need to join the waitlist)
4. **Tusker House Restaurant:** buffet with a mix of standard eats and more adventurous African-inspired eats, great if you're hungry and want to fill up, great to meet a lot of popular characters at once (cons: more expensive than most sit-down meals, may not be worth it if you don't plan to eat a lot or don't really like the options on the buffet)

BEST QUICK SERVICE

1. **Satu'li Canteen:** The options are unique, but many can be customized, cheeseburger steamed pods are a BIG favorite, plenty of indoor seating (cons: can get busy, can be pricier than other Quick Service options, not the best for the pickiest of picky eaters – you won't find chicken tenders and fries here)
2. **Flame Tree Barbecue:** Lots of familiar and hearty eats, barbecue classics, good portion sizes, tasty & affordable, plenty of outdoor seating with pretty views (Cons: not great for plant-based eaters, a heavier meal, not ideal if you don't love barbecue food, the food isn't particularly adventurous)
3. **Yak & Yeti Local Food Cafes:** Pan-Asian specialties, some stand-out options: chicken fried rice is a side but hearty enough to be a small meal, mini mango pie is a HUGE favorite, one of the few spots with more savory options for breakfast (Cons: no indoor seating, other spots can have more unique food, tougher for picky eaters, can get busy during peak times)
4. **Combo: Grab snacks at The Smiling Crocodile AND Eight Spoon Cafe:** By grabbing snacks at both kiosks, you can sort of create your own little food festival; snacks here are more unique than your standard chicken and fries, you can try things like the Pulled Pork Sliders at Eight Spoon Cafe and a specialty mac and cheese from Smiling Crocodile (cons: menus are limited, hours can be very limited, sometimes certain kiosks may operate seasonally and not be open at all)

BEST SWEET SNACKS

1. **Churros:** Nomad Lounge
2. **DOLE Whip floats and Pineapple Crisp Sundae:** Tamu Tamu Refreshments
3. **Mini Mango Pie:** Yak & Yeti Local Food Cafes

BEST DRINKS

1. **African Margarita and Ngumu Jungle Juice:** Dawa Bar
2. **Khumbu Icefall:** Thirsty River Bar
3. **Night Blossom** (non-alcoholic) or **Rum Blossom** (alcoholic): Pongu Pongu
4. **Yak Attack:** Yak & Yeti Restaurant or Yak & Yeti Quality Beverages
5. **Leaping Lizard and Sinaloa Sangria:** Nomad Lounge

BEST FOR BIG GROUPS

Table Service

1. **Tusker House Restaurant:** buffet, variety of eats for the whole group to pick from

BEST QUICK BREAKFAST

1. **Pongu Lumpia:** Pongu Pongu
2. **Breakfast Totchos:** Kusafiri

3. **Cheese Fries with Chili:** Restaurantosaurus
4. **Chicken Fried Rice:** Yak & Yeti Local Food Cafes
5. **Baked Macaroni & Cheese with Buffalo Chicken or Garlic Smoked Sausage:** The Smiling Crocodile

Watch restaurant hours closely as some spots may close too early to grab dinner!

You don't have to go far to get one of our favorite treats. Imagine a whole slice of key lime pie (graham cracker crust and all) coated in dark chocolate. Yup! Grab a napkin and thank us later.

Unique Treat

Zuri's Sweets Shop

After wandering Harambe's shops, don't depart without ordering a treat from Zuri's Sweets Shop. Take your pick of treats to eat now or back in your hotel room. We recommend opting for the more unique options, such as the Peanut Butter & Jelly S'more

Tiger Tail Chocolate Croissant

Isle of Java

This sweet treat is essentially the same as the popular Cheshire Cat Tail in Magic Kingdom, just with different icing colors. If you want a cheaper version without the tiger theme, head to Kusafiri for the chocolate twist.

Mini Mango Pie

Yak & Yeti Local Food Cafes

Before heading to Expedition Everest in the Asia section of the park, you'll want to detour to Yak & Yeti Local Food Cafes. The Mini Mango Pie here is a fan favorite!

Pineapple Crisp Sundae

Tamu Tamu Refreshments

Tamu Tamu Refreshments has a hidden seating area that is a restful place for weary travelers. While there, get the Pineapple Crisp Sundae (Pineapple Crisp Cake, Vanilla Ice Cream, Pineapple Caramel, Crispy Streusel Topping) and ask if they'll swap the ice cream for DOLE Whip!

Churros

Nomad Lounge

Grab a spot on the walk-up waitlist and order the churros at Nomad Lounge. These come with vanilla crema and a seasonal sauce. They are NOT your standard Disney World churros – these are WELL worth a try!

GET READY. This tasty snack comes with house-made chips, buffalo chicken, blue cheese dressing, tomatoes, and celery relish. The flavors work so well together and the size of this approaches full-meal size status!

Chicken Fried Rice

Yak & Yeti Local Food Cafes

While the chicken fried rice is sold as a side here, it's totally enough to be a small meal and it's quite tasty too.
