

Halloween at Disney World:

DFB's Spook-tacular Guide

AJ WOLFE & THE DFB TEAM

HALLOWEEN AT THE PARKS

BOO! Are you ready to SCARE up some GOODIES in Walt Disney World? We sure hope so...because we've been keeping track of all the treats.

Specialty snacks will pop up over all four Disney World theme parks – Magic Kingdom, EPCOT, Disney's Hollywood Studios, and Disney's Animal Kingdom – as well as Disney Springs and the Resort hotels, and [we will share them here](#) throughout the Spooky Season.

From pumpkin spice to candy corn to (not really) poisoned apples and beyond, we've got all the FLAVORS OF FALL for you!

We are gathering pictures and reviews of all the fall and Halloween treats in Walt Disney World and you can see them [here on this page!](#)

So, if you're hoping to visit Disney World in the fall of 2025, you can get an idea of some of the treats that might be available.

SNACKS AT MULTIPLE WDW LOCATIONS

JOFFREY'S - SEASONAL BEVERAGES

In 2024, we spotted a Salted Caramel Mudslide Cold Brew at Joffrey's in EPCOT.

STARBUCKS - SEASONAL BEVERAGES

We love trying new fall flavors (including Pumpkin Spice, of course) at Starbucks. Fall flavors are returning on August 26th, 2025.

Keep in mind speciality Starbucks drinks (including with Fall flavors) and seasonal snacks can gnerally be found at any of the Starbucks locations throughout Disney World.

MAGIC KINGDOM

MAGIC KINGDOM HALLOWEEN SNACKS OVERVIEW

Main Street Confectionery is a must-stop for sweets, and during Halloween you'll spot festive options like a Pumpkin Caramel Apple or a Spiderweb Cookie alongside the classics. It's also perfect for a grab-and-go treat on your way out of the park.

Disney has announced new Halloween souvenir sippers and popcorn buckets for 2025, but as of the latest update, they're still "coming soon":

- **Pluto Skeleton Sipper** (planned for Magic Kingdom, Animal Kingdom, EPCOT, and Hollywood Studios)
- **Stitch Mummy Popcorn Bucket** (planned for Magic Kingdom, Animal Kingdom, EPCOT, and Hollywood Studios)
- **Mickey Mouse Ghost Popcorn Bucket** (planned for Disney Springs)

Over in Fantasyland, Big Top Treats offers seasonal baked goods, though it usually closes by early evening.

These items may also show up during Mickey's Not-So-Scary Halloween Party, but they're not party exclusives.

BIG TOP TREATS - SNACKS

Big Top Treats features a number of snacks during the Halloween season. Goodies may include: Spider Web Sugar Cookie, Pumpkin Butter Bar, Rice Cereal Treat, Halloween-themed Cupcake, Mummy Marshmallow Pop, Mickey Pumpkin Caramel Apple, and more.

MAIN STREET CONFECTIONERY - SNACKS

Main Street Confectionery showcases some spooky and not-so-spooky treats during the Halloween season.

Goodies may include a Halloween-themed popcorn mix, cupcakes, cookies, marshmallow treats, candy apples, and more!

EPCOT

DINING

Look for tasty menus featuring fall flavors at the Food and Wine Festival. We love the [Germany Booth](#) – try the Apple Strudel!

TREATS

Suggested year-round treats:

- Prefer caramel over chocolate? Then you CAN'T MISS Karamell-Küche in EPCOT, with its bakery case filled-to-the-brim with golden goodies!
- Speaking of Karamell-Küche... though you'll still find the widest assortment of treats featuring that buttery Werther's Caramel in the Germany pavilion, a few favorites from this spot – like the Caramel Butter Bar and Caramel Pecan Cluster – can now often be spotted in the other WDW confectionery cases.
- **Maple Popcorn** at Canada Popcorn Cart
- **Viennoiserie Pomme** (Apple Crumble Pastry) at Les Halles

SUNSHINE SEASONS

In 2023, a special treat – [Bat Mousse](#) – was featured at [Sunshine Seasons](#). It was made with tri-colored layers of Candy Corn-flavored White Chocolate Mousse with Dark Chocolate Glacage and “Bat” Wings.

A MUST for chocolate lovers.

CONNECTIONS CAFE & EATERY

In 2024, we picked up the [Mickey Halloween Liege Waffle](#) from [Connections Cafe](#)! This was a Dark Chocolate Liege Waffle with Purple and Green Icing and Mickey on top. This treat was available on Halloween day only.

FOOD & WINE FESTIVAL

The EPCOT International Food and Wine Festival is an annual celebration of global cuisine in Disney World. The dates for the [2025 EPCOT Food and Wine Festival](#) are August 28th through November 22nd!

We have an ENTIRE guide dedicated to the Food and Wine Festival! You can get it [here](#).

PUMPKIN SCAVENGER HUNT

Watch for [Pluto's Pumpkin Pursuit](#) scavenger hunt. It will start [September 2nd, 2025](#).

The goal of this scavenger hunt is to spot all the hidden Disney-themed pumpkins around the park. Once you find all of the pumpkins and mark where they are on your card (using the stickers provided), you can return to where you bought the card to redeem your prize!

DISNEY'S HOLLYWOOD STUDIOS

DINING

At various spots throughout Hollywood Studios, you may find spooktacular Halloween treats!

HOLLYWOOD & VINE

Hollywood & Vine is known for being a unique character dining spot, as this is where you'll find the Minnie's Seasonal Dine events. Minnie hosts various "dinner parties" throughout the year that are themed to the seasons. During the fall, Minnie hosts guests for her spooooooky Halloween Dine party. In 2025, Halloween Dine will be offered from August 16th through November 5th.

Typically, Minnie's Seasonal Dine events are available for lunch and dinner, while Disney Jr. characters meet at breakfast. BUT **NEW for this**

year, Minnie and friends will appear in their seasonally-themed outfits for **breakfast here** (as well as lunch and dinner) **starting October 12th!**

As you enter the restaurant, you'll find a pretty substantial photo op set up that you can pose in front of.

Guests will also receive a complimentary autograph card signed by Minnie, Mickey, Pluto, and Goofy to commemorate this special character meal.

Minnie flounces around the restaurant greeting guests and showing off her oh-so-fashionable **spider-witch costume**. Mickey is here too, dressed as a spooky spider-vampire to match his girl, Minnie! You'll also get to hang out with Goofy and Pluto (in their Halloween outfits) at this buffet meal.

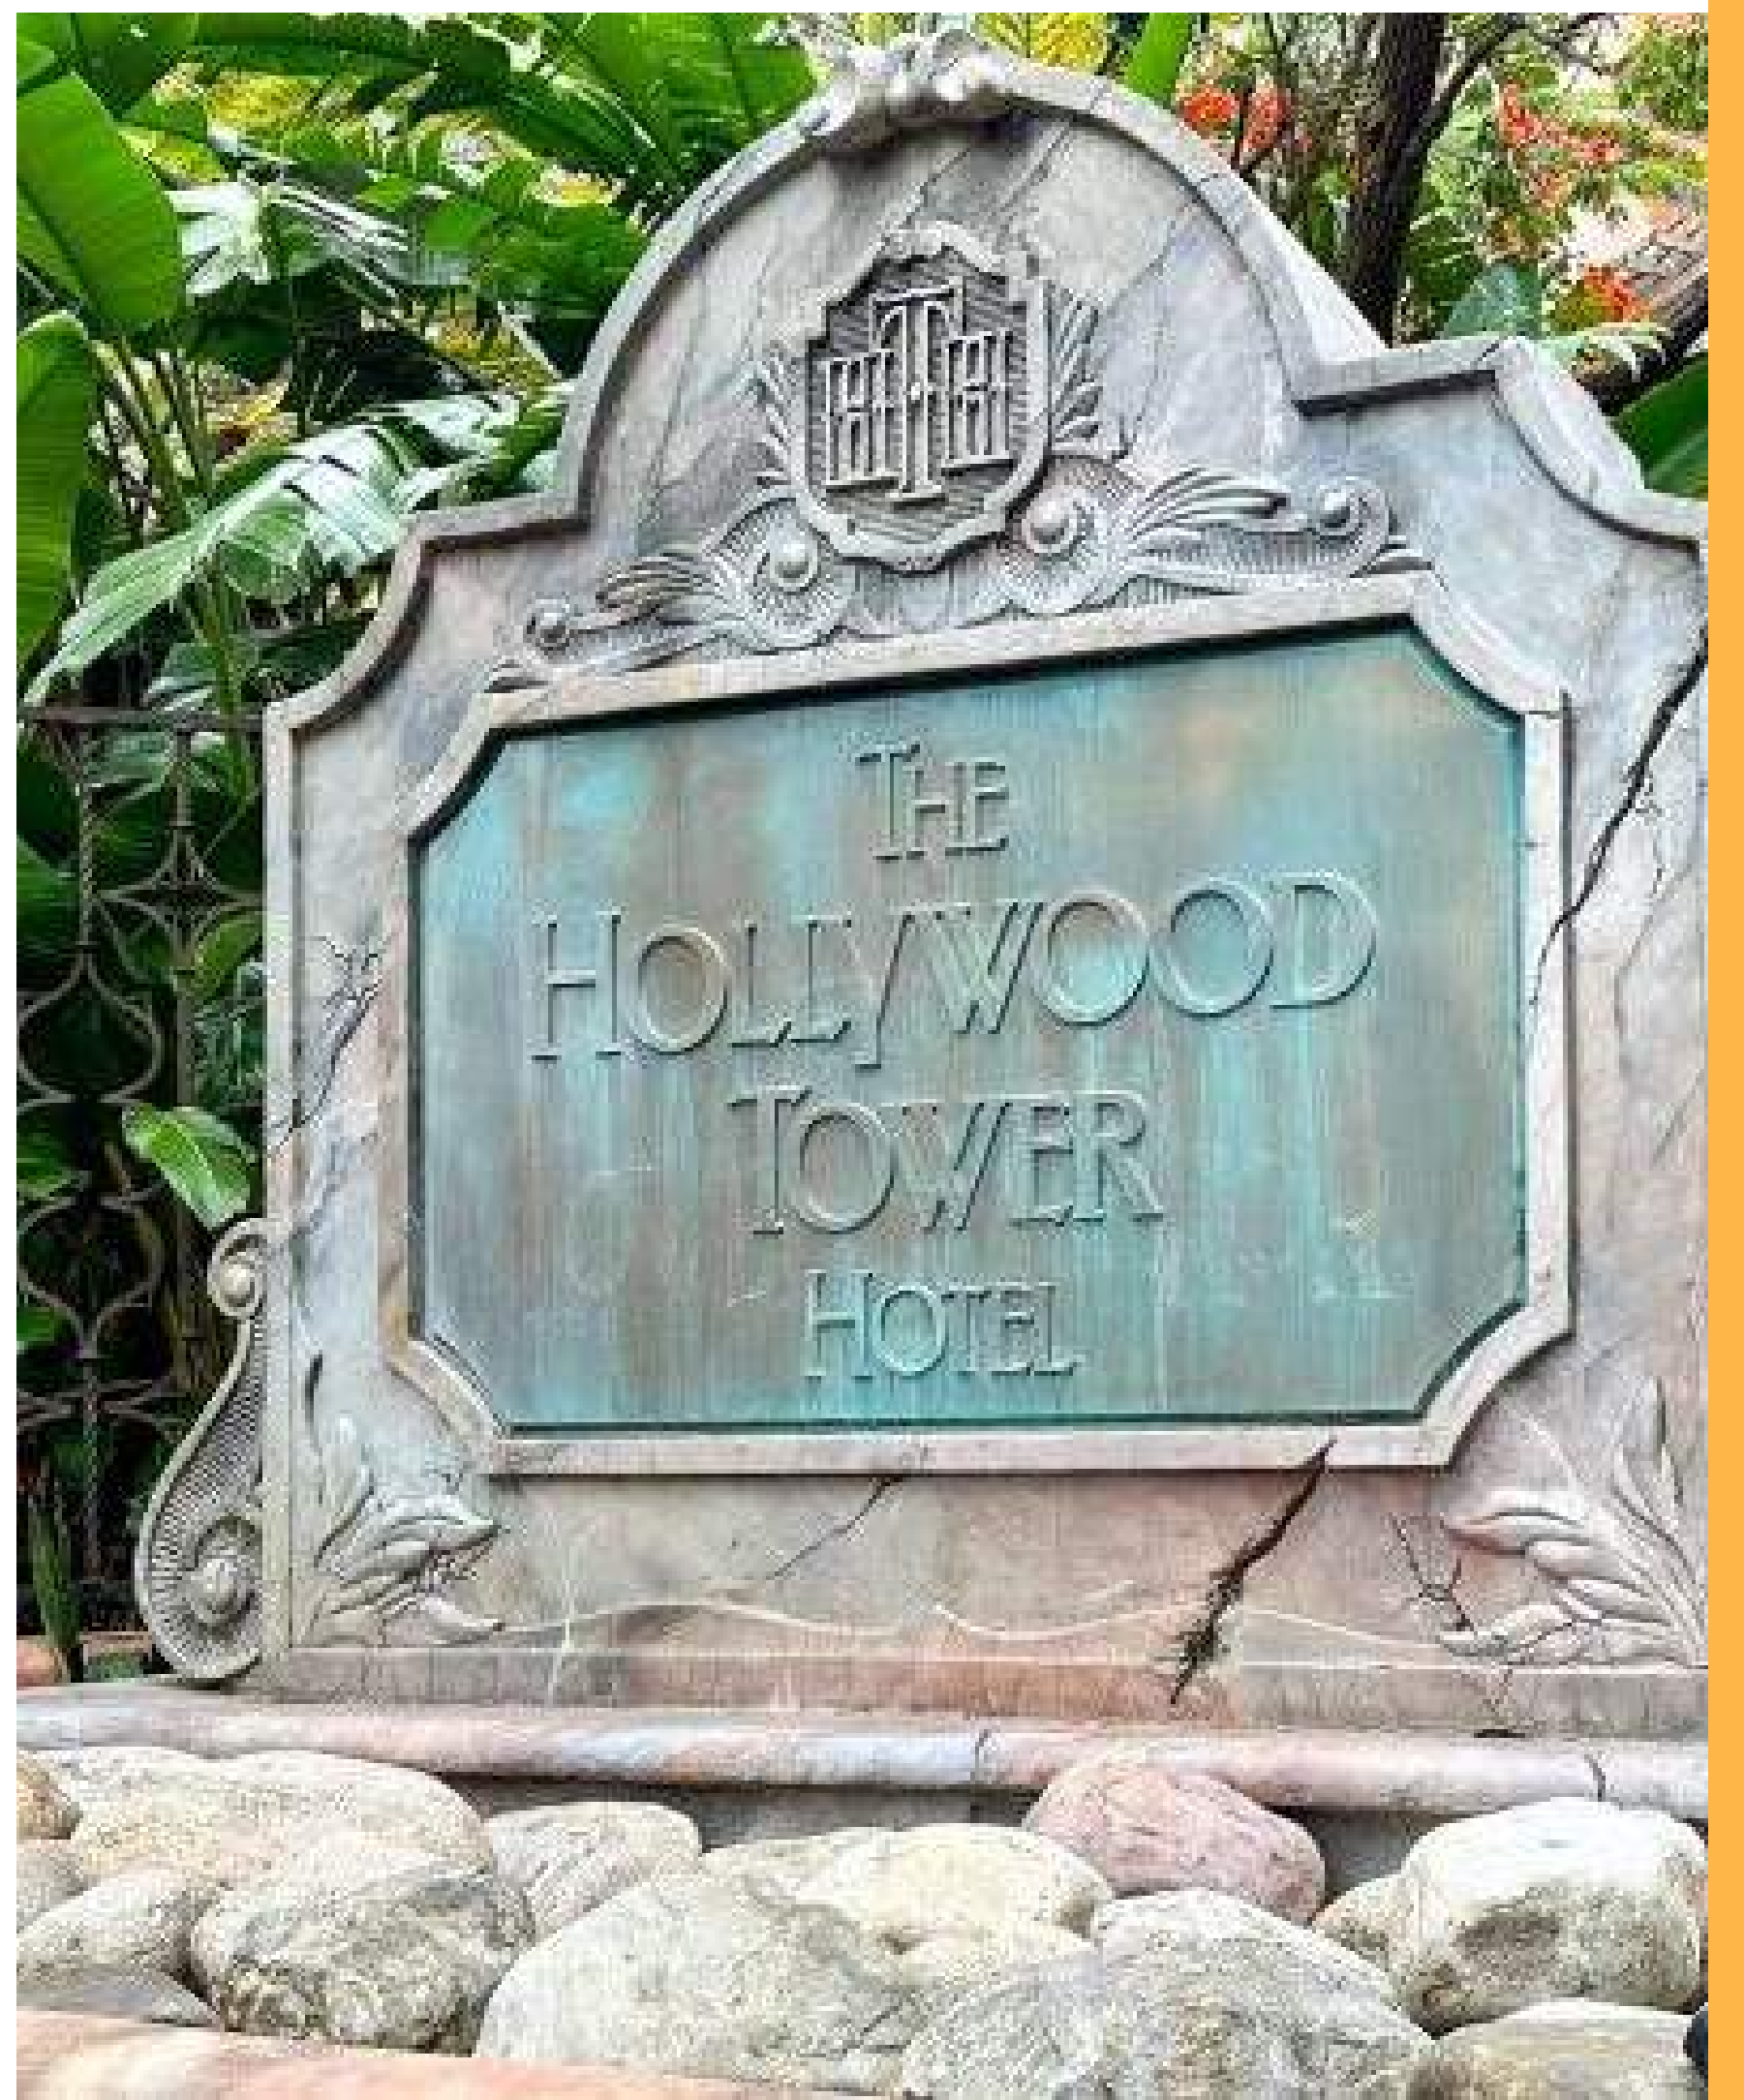

THE TWILIGHT ZONE TOWER OF TERROR

Amid the glitz and the glitter of a bustling Hollywood Studios, [The Twilight Zone Tower of Terror](#) is a star in its own right. This innovative drop ride has got it all—an amazing story, thrills and chills, crazy cool technology, and flawless design.

The story is that five people were in the hotel's elevator during a very stormy night – on HALLOWEEN (if you peek in the windows on the outside of this [30+-year old attraction](#) you can actually spot jack-o-lanterns and spooky decor collecting dust)!

Without warning, lightning struck the tower and transported the elevator and the entire wing of the building into the Twilight Zone or “the fifth dimension.” After you learn the story, you're invited to board the still-functioning service elevator for a straight to the Twilight Zone.

Although the plot of the Tower of Terror is nothing less than eerie, it's the exit of the ride that creeps us out the most. As you're leaving the elevator, you may be able to spot the Caesar ventriloquist doll from the show's episode “Caesar and Me.” In case you haven't watched it, Caesar is a demonic doll that convinces people to do harmful things. (Oh, and here's a fun little piece of info! Tower of Terror Cast Members believe that if you don't say hello and goodnight to Caesar each day, bad things will happen!)

Folks with fear of the dark, claustrophobia, or fear of heights may have some trouble on this ride. There's a “chicken exit” if you change your mind about riding just before you get in the elevator. Let a Cast Member know if you'd like to leave.

DISNEY'S ANIMAL KINGDOM

DECORATIONS

Frightfully good Halloween treats typically materialize at Animal Kingdom! These themed desserts add extra fun to your touring day. Look for themed snacks at kiosks and Quick Service locations around the park, including Zuri's Sweets Shop – home to many candy and bakery items.

CHARACTERS

Fall decor is limited, but in the past, we've seen characters dressed up in special costumes. Look for experiences in the My Disney Experience app.

MERCHANDISE

When spooky season is in full swing, Riverside Depot will typically feature Halloween merchandise.

ENTERTAINMENT

During previous Octobers, guests could learn to draw Disney villains at the Animation Experience at Conservation Station. Check to see if this is available during your trip.

EXHIBITS

'Monsters' roam Discovery Island in Disney's Animal Kingdom?! Okay, so Phantom, Dracula, Mummy, Frankenstein, Wolfman, and Creature may have monster names, but they're plant-eating giant Galapagos tortoises.

In 2023, on National Pumpkin Day (October 26th), Cast Members served up tasty pumpkins to these herbivores.

SALT & STRAW

[Salt & Straw](#) had an EXTRA creepy and crawly treat in 2024, [Don Bugito's Creepy Crawly Critters](#). This returning flavor was made with Matcha ice cream, coconut candied meal worms, and chocolate-covered crickets. Yep, there were real bugs in this ice cream...and WE ATE IT – for science. But here's the thing, it was GOOD. This is an iconic seasonal flavor at this spot so look for it's likely return, along with other seasonal ice cream flavors. Look for these around October.

GOOFY'S CANDY COMPANY & CANDY CAULDRON

Both of these spots feature many of the classic snacks you'll find at Disney's confectionery cases – think seasonally-themed apples, marshmallow treats, cupcakes, krispie treats, and more.

Goofy's Candy Company gets an extra nod for its special option to Create-Your-Own Snack!

THE EDISON

Don't miss what's brewing at [The Edison](#)!

During October, The Edison typically debuts signature Halloween-inspired cocktails!

This year you can find:

- **Clear Divide** – Suntory Whisky toki, Massenez Green Apple, Supasawa, and Fee Foam.
- **Weekend Botanist** – Sam Adams Summer Ale, rosemary simple syrup, and lemonade.

GIDEON'S BAKEHOUSE

If you're looking for spooky, Halloween vibes all year round, one of the best places to find them is at [Gideon's Bakehouse](#). This bakery has a dimly lit interior with large, antique-looking bookcases and portraits of ghoulish (but also sort of adorable) characters. This bakery is a one-stop shop for all your cookie, cake, and coffee needs.

Of course, Gideon's is in its ELEMENT during the entire month of October. Halloween and Gideon's Bakehouse go together like milk and cookies. But October is also the official birthday month of Gideon's Bakehouse. Happy birthday, Gideon's!

In 2025, you'll find the following spooktacular treats:
