WELCOME!

Welcome to the **Disney Food Blog Guide to Hollywood Studios Snacks**. We're so glad you're here!

Disney World snacking is a passion of ours at the Disney Food Blog, and we're pleased to share this guide (which is updated every year) with you! We think you'll have a different idea of "theme park food" by the time you've learned about all of the unique treats there are to enjoy in Hollywood Studios.

Here we offer a broad range of savory and sweet snacks (very nearly every snack option) in Hollywood Studios that run in the \$4-\$12 price range. We admit, some may venture slightly out of that range. And while some of these items are Disney classics, many will likely be new to you!

This e-Book was created to give reviews and details about some of the best snacks in Hollywood Studios, but it offers even more.

While we'll certainly cover the basics, with photographs, reviews, and locations (as well as Disney Dining Plan Snack Credit information costs for around 100 snacks), we also wanted to provide a few fun extras, such as:

- A list Best Snack Values so you can get the most bang for your buck (OR for your Disney Dining Plan Snack Credit!);
- A few of our famous Disney Food Blog Snack Crawls, specific to Hollywood Studios;
- Strategies for a Day of Dining—All Snacks-style! (Yes, it's possible. It's also budget-friendly, fun, and flavorful!)

DISNEY DINING PLAN

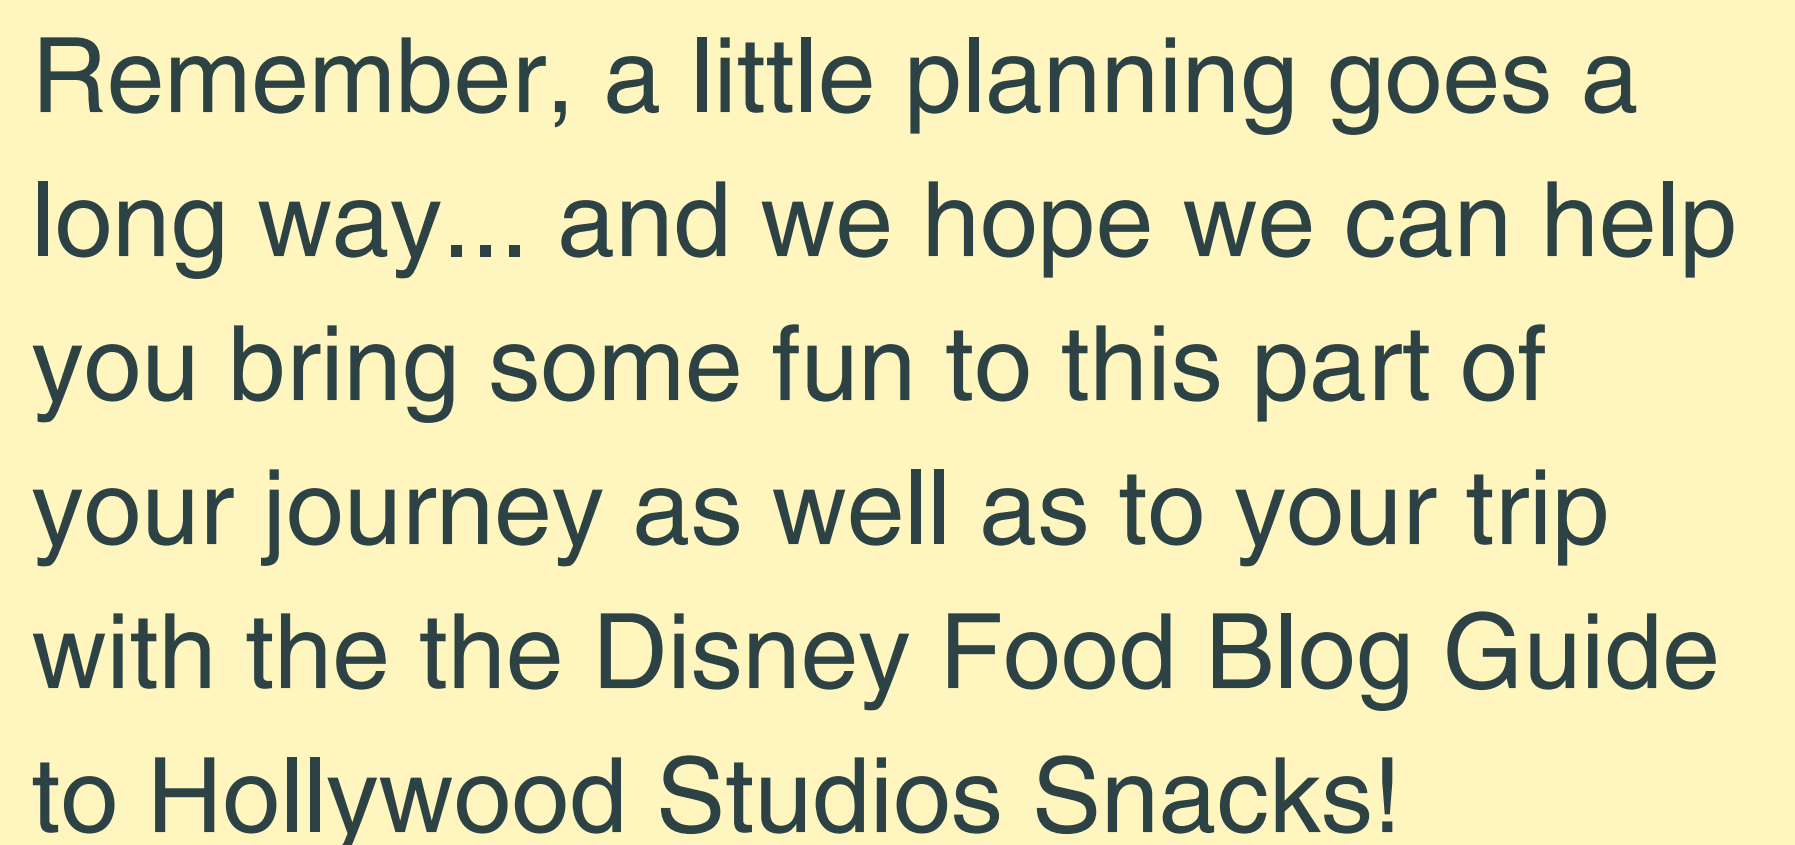

The **Disney Dining Plans (DDP)** are pre-paid meal plans created by Disney and available for add-on to an existing vacation package. Along with these plans come “snack credits,” with which guests can purchase a variety of snacks in the Disney parks and resorts.

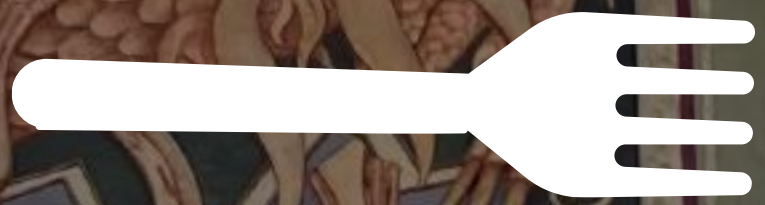

If You Have A Disney Dining Plan:
If you've purchased a Disney Dining Plan for your visit, this book will guide you toward some of the best snacks available in the Hollywood Studios. Any time you see the Disney Dining Plan Snack Credit logo by the name of snack in this guide (and, funny enough, by an eligible snack listed on a menu in the park ;-D), that means that the snack is eligible to receive for your snack credit, at no additional out-of-pocket cost! Here is what the logo looks like:

Please be aware that menu items and prices throughout this guide are subject to change. And you may make some fun new discoveries on your trip!

HOLLYWOOD BOULEVARD

Hollywood Boulevard is your entryway into Disney's Hollywood Studios!

Considered the “Main Street” of Hollywood Studios, Hollywood Boulevard sets the scene as you step into the glitz and glamour of the Golden Age of Hollywood, with a replica of the Chinese Theatre that resides in actual Hollywood, California. (The theatre in Hollywood Studios also serves as the home to Mickey & Minnie's Runaway Railway!)

The Boulevard is lined with shops and food stops, including the park's Starbucks location as well as its Signature Restaurant and Lounge at The Hollywood Brown Derby.

So stroll with us along Hollywood Boulevard as we check out this area's snacks and sips!

ICE COLD ENTRANCE STAND

Ice cold refreshment awaits you in the entrance area of Disney's Hollywood Studios at the **Ice Cold Stand!**

Just inside the gates you'll find a small menu of hot and cold beverages (including Frozen Slushes) and even a few novelty ice cream treats like a Premium Mickey Ice Cream Bar to kick off your Hollywood Studios stroll.

P.S. This stand is where you can often find a souvenir sipper featuring the beloved *Star Wars* droid, BB-8!

MICKEY ICE CREAM BAR

\$6.29

The **Nestle Mickey Premium Ice Cream Bar** is delicious AND shaped like our favorite mouse! With rich vanilla ice cream enrobed in chocolate, this ice cream treat on a stick is a Walt Disney World favorite snack as well as a beloved icon of Disney park food. When you're on vacation at Disney World, you are always just a few steps away from a Mickey Ice Cream Bar. And that's a very good thing.

MICKEY ICE CREAM SANDWICH

\$6.29

The **Mickey Cookies and Cream Ice Cream Sandwich** is a true Disney tradition—another one of the classic ice cream novelty treats found at carts throughout the parks. Combining cookies and cream ice cream with two soft chocolate cookies in the shape of Mickey's face, this is a simple, but wonderful, portable snack. If you're an ice cream sandwich fan, this one's for you!

FROZEN SLUSHY

\$5.49

Frozen Slushies come in a variety of flavors around the park, but the Ice Cold Stand typically offers lemonade and cherry.

On a hot summer day this beverage is going to hit the spot and cool you down as you get ready to take on the queue for Slinky Dog Dash. Just BEWARE of brain freeze!

MICKEY MOUSE BROWNIE

\$5.49

The **Mickey Mouse Brownie** can be found at several snack carts around Hollywood Studios, and it's often decorated with sprinkles to match the current holiday or season (like the Halloween one you see here). Honestly, it's never quite as soft as I like, so I recommend the Mickey Mouse Cookie from The Trolley Car Cafe over this particular Mickey-shaped snack.

HOLLYWOOD BROWN DERBY LOUNGE

It was a happy day when The Hollywood Brown Derby in Disney’s Hollywood Studios opened up **The Hollywood Brown Derby Lounge** just outside its walls.

This lounge gives guests the chance to enjoy the fine food featured at the signature restaurant (including the “Famous Cobb Salad”) along with cocktails or any selections from the full bar – all without an Advanced Dining Reservation. My personal favorite is the Margarita Flight, and we also love the Grapefruit Cake Martini inspired by the Derby’s signature dessert (pictured right below). You can just walk up to enjoy your chance to “*dine like the stars*” in this refined setting, complete with plenty of shade provided by the spot’s umbrella-topped tables.

TROLLEY CAR CAFE

Good news, friends... even though you've stepped into the Golden Age of Hollywood, you don't have to go without your Starbucks fix! The **Trolley Car Cafe** is the Studios' own Starbucks location, and it features all of your Starbucks beverages and pastries that you know and love from back home. But you'll find a few unique-to-Disney snacks here, too. Heads up that lines can get VERY long here – especially first thing in the morning! But you are guaranteed to be able to enjoy your favorite Starbucks drink just the way you like it, then sip it within view of the Hollywood Tower of Terror. Not bad!

P.S. See that mug just below? Each Disney World theme park has its VERY OWN collectible Starbucks mug, so you can show everyone that you've "BEEN THERE!"

CARROT CAKE WHOOPIE PIE

\$5.70

I have long sung the praises of the **Carrot Cake Cookie** in Hollywood Studios. (Note that, these days, Disney calls it the **Carrot Cake Whoopie Pie**.) You'll find it at the Trolley Car Cafe (which means you have to brave the Starbucks lines to get it... but it's worth it). Decadent cream cheese frosting is sandwiched with two rounds of zesty carrot cake, and it is *heavenly*. Be aware that this a truly hefty treat... but that doesn't mean I'm willing to share mine.

MICKEY CHOCOLATE CHIP COOKIE

\$4.79

There are no surprises in the ingredients of the **Mickey Chocolate Chip Cookie**: your traditional golden cookie is positively packed with chocolate chunks. (Why mess with a classic, after all?) It is remarkably soft—nice and chewy! Now, chocolate chip cookie in the park is Jack-Jack's Num Num Cookie on Pixar Plaza. But there's nothing to complain about here, and if you're craving a Mickey-shaped snack while you're picking up your Starbucks coffee at the Trolley Car, you can't go wrong with this one!

STARBUCKS BEVERAGES

VARIES BY DRINK AND SIZE

The Trolley Car Cafe serves your traditional **Starbucks beverages** in those famous Starbucks sizes – tall, grande, and venti. And, just like back home, you can always order your own custom drink, exactly the way you like it! No matter what you order, remember this: no matter the drink, size, or add-ins, ANY drink is eligible for a Disney Dining Plan snack credit!

HOLLYWOOD BOULEVARD POPCORN AND SNACK CARTS

Taking center stage at the end of Hollywood Boulevard is one of the park’s headliner attractions: Mickey & Mickey’s Runaway Railway. This area also serves as a hub for the entire park. For that reason, the area is also home to several **Snack Carts** featuring all the park classics you need, from Mickey Pretzels to Mickey Ice Cream Bars to a few non-Mickey-shaped snacks (*gasp!*) like Popcorn and Churros and more ice cream novelties.

Speaking of Popcorn... If you are a major popcorn fan (or your group has several popcorn fans!), take advantage of the Refillable Popcorn Bucket. You'll get a souvenir bucket (an example is pictured left below) filled with popcorn for \$14.00 for your initial purchase. Refills for your length of stay are only \$2.25 a POP. ;-D

CHURRO

\$6.99

Churros are a convenient snack all over the Disney theme parks.

These cinnamon-sugar clad, fried, donut-like sticks are easy to munch on the go, and have developed a solid fan base over the year among Disney guests. Oh, and they come with **CHOCOLATE SAUCE** for dipping!

MICKEY SOFT PRETZEL

\$8.50

Sure, you've had a **Soft Pretzel** before... but was it **THIS CUTE?!** You can find the **Mickey-fied version** of this classic snack in just about every Land in the park.

Cheese sauce for dipping is included in the price, making it an even better deal for a snack credit.

GLAZED ALMONDS

\$6.25

You can smell the delicious aroma of **Glazed Almonds** as you approach Mickey & Minnie's Runaway Railway. Sweet, crunchy, and coated over and over with that gorgeous cinnamon-y, sugary syrup, the cinnamon glazed almonds are a favorite among many park-goers. Don't forget – nuts are a great source of protein, which means they can give you an energy boost to make it through more time in the park!

MICKEY ICE CREAM BAR

\$6.29

The **Nestle Mickey Premium Ice Cream Bar** is delicious AND shaped like our favorite mouse! With rich vanilla ice cream enrobed in chocolate, this ice cream treat on a stick is a Walt Disney World favorite snack as well as a beloved icon of Disney park food. When you're on vacation at Disney World, you are always just a few steps away from a Mickey Ice Cream Bar. And that's a *very* good thing.

MICKEY ICE CREAM SANDWICH

\$6.29

The **Mickey Cookies and Cream Ice Cream Sandwich** is a true Disney tradition—another one of the classic ice cream novelty treats found at carts throughout the parks. Combining cookies and cream ice cream with two soft chocolate cookies in the shape of Mickey's face, this is a simple, but wonderful, portable snack. If you're an ice cream sandwich fan, this one's for you!

OLAF LEMONADE STRAWBERRY BAR

\$6.25

At several Hollywood Studios snack carts you'll find the **Olaf Frozen Lemonade Strawberry Bar**, with the wrapper sharing the snowman's famous sentiment: "Some things are worth melting for." A mottled red and yellow frozen fruit bar boasts strawberry and lemon flavors that are sour and... sour. Yep—there's a SUPER tart quality to this bar that might turn off some of the little Olaf fans who may be drawn to the packaging. Just be prepared!

FROZEN BANANA

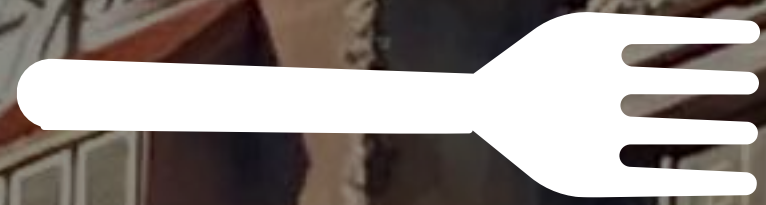

\$6.25

A **Frozen Banana** dipped in chocolate and rolled in chopped peanuts? Could it get any better? Well, maybe. ;-D But not if you want to keep your calorie count down a smidge while still enjoying a sweet, cold treat. Personally, I've never figured out how to actually *finish* one. When they first come out of the freezer, you might have to let them soften up a bit before taking a bite if you don't want to break a tooth. These aren't "scarf-and-go" snacks.

The image shows the Hollywood Tower Hotel, a tall, multi-story building with a gothic-inspired architectural style. The building is light pink or peach-colored with dark brown accents around the windows and roofline. It features several towers and spires. The name "The HOLLYWOOD Tower Hotel" is visible on the building's facade. A large, semi-transparent number "03" is overlaid on the upper part of the building. Below the number, a white fork icon is positioned horizontally. At the bottom of the image, there are green trees and bushes. The sky is a clear, bright blue.

03

SUNSET
BOULEVARD

SUNSET BOULEVARD

Just off Hollywood Boulevard is **Sunset Boulevard**. And as home to several headliner attractions in Hollywood Studios, this area is always hoppin'!

Two of the park's biggest thrill rides are here: **The Twilight Zone Tower of Terror** and **Rock 'n' Roller Coaster Starring Aerosmith**. (BTW, stay tuned to Disney Food Blog... because **the Rock 'n' Roller Coaster** will soon be rethemed to *The Muppets*!)

This is also where you'll enjoy two popular shows: *Beauty and the Beast – Live on Stage* and the park's nighttime spectaculars, Fantasmic! Fantasmic! is presented in the Hollywood Hills Amphitheater, and you'll find the entrance right here on Sunset.

Oh, and don't say we didn't warn you... Sunset Boulevard is also where you can see the most famous Disney Villains starring in their very own show as of May 27th, 2026!

With so much going on, there are several places to feed hungry guests who need a snack or two between attractions. Let's check it out!

ANAHEIM PRODUCE

When you're looking for a healthier snack on-the-go at Disney's Hollywood Studios, you can stop by **Anaheim Produce** on Sunset Boulevard. You'll often find fresh fruit (starring Cuties mandarins), juices, and more. But they also have Mickey Pretzels and frozen margaritas, if that's what you're craving!

Anaheim Produce takes up residence at Sunset Ranch Market, along with several other Quick Service spots located along the same thoroughfare.

MICKEY SOFT PRETZEL

\$7.99

Sure, you've had a **Soft Pretzel** before... but was it THIS CUTE?!

You can find the **Mickey-fied version** of this classic snack in just about every Land in the park.

Cheese sauce for dipping is included in the price, making it an even better deal for a snack credit.

CHURRO

\$6.99

Churros are a convenient snack all over the Disney theme parks. These cinnamon-sugar clad, fried, donut-like sticks are easy to munch on the go, and have developed a solid fan base over the years among Disney guests.

Even better, they're served with chocolate sauce for dipping!

FROZEN SLUSHY

\$5.79

Frozen Slushies come in a variety of flavors around the park, but the Anaheim Produce typically offers lemonade, blue raspberry, and Coke.

Of-age guests may opt to try their Frozen Coke with Jack Daniel's Whiskey or Bacardi Superior Rum! (Just remember, in this case, that the price will be higher – \$15.50 – and your drink will no longer be snack credit eligible.)

CATALINA EDDIE'S

Catalina Eddie's is one of the Quick Service window options that make up Sunset Ranch Market in Disney's Hollywood Studios. Italian dishes are on offer here with pizza and salad as the featured items. There is plentiful seating (most under shade) to accommodate all of the eateries in the area.

Keep an eye out for seasonal dessert options here, especially around Halloween and the holidays!

TOFFEE AND COCONUT BLONDIE

\$5.29

The **Toffee and Coconut Blondie** just so happens to offer a lot of bang for your buck among Disney World snacks! This seriously hefty (yet moist) blondie boasts toffee and coconut, and it's topped with a dollop of salted caramel buttercream.

The entire thing is so rich, it's actually a bit difficult to finish... but that sure doesn't stop me from trying! It's just *that* good.

BREADSTICKS SERVED WITH MARINARA

\$5.49

Fresh and filling, the **Breadsticks with Marinara Sauce** make a decent snack, and can even serve as a small meal. They have a nice buttery flavor with a hint of herbs even if they aren't “glistening” with butter like those that come from a popular restaurant chain. Since they serve Caesar Salad at Catalina Eddie's, I've requested Caesar dressing for dipping (as opposed to the Marinara they're served with), but that's just a personal preference. You do you!

STRAWBERRY LEMONADE SLUSHY

\$6.49

The **Strawberry Lemonade Slushy** is a classic summertime refresher, served frozen. I like how the tartness of the lemonade keeps the strawberry from tasting to cloyingly sweet.

It's simple, but it's a treat that won't weigh you down on a hot day, and might offer just the boost you need.

FAIRFAX FARE

In the ominous shadow of the Tower of Terror sits a bright, open-air quick service restaurant: **Fairfax Fare**. Enjoy a hearty meal in the style of a California outdoor market while you hear the distant screams of guests on an elevator ride gone awry. Only in Hollywood!

The menu here currently features an assortment of savory Waffle Bowls, including a plant-based option (though this spot has been known to change things up now and then)!

Fairfax Fare is one of several Quick Service locations that make up Sunset Ranch Market, so this is a great area to visit when each member of the group wants something a little different to eat.

SAVORY WAFFLE BOWLS

\$13.49 - \$15.29

For the most part along Sunset Ranch Market, you’ll find the usual crowd-pleasing classics like Chicken Strips, burgers, and pizza. But **Savory Waffle Bowls** are stealing the spotlight at Fairfax Fare these days! These meals-in-a-bowl include a Barbecued Beef Brisket Bowl (my favorite! pictured left), a Korean Barbecued Pork, a Buffalo Chicken Bowl (pictured right), and a plant-based Soba Noodle Salad. So if you’re looking for something outside the norm, looks for these flavorful meals served in a fun fashion!

ENCHANTED ROSE

\$5.79

The gorgeous **Enchanted Rose** is such an unexpected find. This nod to *Beauty and the Beast* features dark chocolate mousse with small bits of blackcurrant atop a Morella cherry-chocolate shortbread cookie with whipped cookies ’n cream fluff and golden chocolate-covered cacao nibs. There is a nearly overwhelmingly sweet cherry flavor to this dessert, but it’s balanced by a slight bitterness from the cacao. It’s obviously beautiful to look at, but you must be a fan of that cherry-and-chocolate combo to enjoy the taste.

MICKEY WAFFLE PLATTER

\$9.49

How does THIS look for a great way to start your day in Hollywood Studios?! Three tasty, fluffy – and, frankly, adorable – **Mickey Waffles** are plated with BACON... for protein, of course ;). Syrup is served on the side.

Please be aware that these are only served during Breakfast hours (which typically end around 10:30AM). But if you can time it right, it's a terrific option!

BELLE CUP OF ENCHANTMENT

\$7.59

Given its proximity to the *Beauty and the Beast* stage show, Fairfax Fare decided to whip up another Belle-themed treat: the **Belle Cup of Enchantment** is made with cranberry and passion fruit-orange-guava juices and is topped with a hint of yellow shimmer and strawberry boba pearls. The fruit flavors may be especially fun for kiddos who may not enjoy the flavors of the Enchanted Rose, which may appeal more to adult palates.

HOLLYWOOD SCOOPS

THIS is the place for hand-scooped ice cream at Hollywood Studios! You'll find **Hollywood Scoops** in the Sunset Ranch Market on Sunset Boulevard. The menu features sundaes, ice cream cups or cones, and some surprisingly over-the-top seasonal shakes.

You can enjoy your sweet, cold treat in the shadow of the Tower of Terror.

MICKEY BROWNIE SUNDAE

\$7.79 - \$8.29

How on earth can you possibly improve on vanilla ice cream topped with hot fudge, whipped cream, sprinkles, and – but, of course! – a cherry on top? By putting **MICKEY** on it, that's how! In this case, Mickey bedecks the **Mickey Sundae** in a soft and cakey brownie **PACKED** with chocolate chunks to make **TWO** treats in one!

You can also opt for a traditional (read: **NON-Mickey Brownie**) Sundae... but really: **WHY?** ;-D Either option is eligible for a Disney Dining Plan snack credit.

HAND-SCOOPED ICE CREAM CUP OR CONE

\$7.29

Looking for something simple but good? No worries; Hollywood Scoops has got you covered with a **Hand-Scooped Ice Cream Cup or Cone**.

Though flavor options may vary, we most often spy chocolate, vanilla, orange sherbet, strawberry, mint chocolate-chip (my personal favorite, if you couldn't tell!), cookies 'n cream and a fat-free, no-sugar added vanilla.

It's tough to beat a classic.

JOFFREY’S COFFEE AT TOWER OF TERROR

You’ve escaped thus far... but not anymore. It’s time that you faced *The Twilight Zone Tower of Terror*!!! Well, if you want some caffeine in this area, that is. ;-D

Welcome to one of two **Joffrey’s Coffee & Tea Kiosks** in Hollywood Studios. You’ll find specialty espresso beverages (just about any espresso drink can be made hot or iced), and sweet treats like pastries and other goodies. Just steps away from one of the park’s most popular attractions, this is a fantastic spot to grab something to sip while you wait in the outdoor portion of the Tower of Terror line. AND you’ll have outsmarted the crowd that’s bound to gather at The Trolley Cafe Cafe (Starbucks). It’s a win-win!

FROZEN IN FEAR

\$6.49

If you're thinking to yourself, "Gee, that drink looks awfully *gray*..." you're right! **Frozen in Fear** is this particular stands exclusive drink, in tribute to the nearby Tower of Terror attraction. Good news, though... it's simply a frozen mix of lemonade with wild grape flavor! I'll confess... I'm not typically the biggest fan of grape, but fortunately the tart lemon is the most prominent flavor, with just a hint of grape to set it apart. Refreshing!

TERROR COOKIE

\$5.99

Joffrey's isn't done yet. Meet the **Terror Cookie**! But don't be scared... this traditional sugar cookie is dyed purple and complete with white chocolate chips, Oreo bits, and a dusting of cinnamon sugar on top. I'll was initially hesitant due to the cookie's intentionally disconcerting appearance. And that's why it comes as such as surprise that this treat is soft and moist, with plenty of cinnamon coming through in the flavor. That said, I wish it were bigger for the price.

JOFFREY'S DONUTS

\$5.99

Sure, a donut probably doesn't sound all that exciting. But we're talking about the GIGANTIC DONUTS they serve at the Joffrey's locations in the parks!

These fresh, fluffy, flavorful (and seriously HUGE) donuts impress... even when they're simply topped with vanilla icing. That said, you'll often find seasonal colors and sprinkles atop these tasty treats.

KRNr THE ROCK STATION

KRNr The Rock Station is a food truck located just outside Rock ‘n’ Roller Coaster* in Hollywood Studios, making it a convenient place to stop for a quick snack. Just look for the GIGANTIC RED GUITAR and you’ll see it just on the left! (Alas, it’s not an actual radio station, but keep those ears peeled in the air for some classics by Aerosmith, Journey, and more... *Don’t Stop Believin’*, my friends!) While the food truck serves frozen treats including soft serve ice cream, root beer floats, and frozen lemonade, you can also find the popular Mini Corn Dogs here – it’s one of the few places we’ve found them outside of Magic Kingdom!

**BTW, stay tuned to Disney Food Blog... because the Rock ‘n’ Roller Coaster will soon be rethemed to The Muppets!*

MINI CORN DOGS

\$10.99

Mini Corn Dogs are a beloved snack in Magic Kingdom, so we were thrilled to see them pop up in Hollywood Studios! The Mini Corn Dogs are... well, they're exactly what they sound like! All the yumminess of a classic corn dog fried up in bite-sized fashion, served with cheese sauce for dipping and perfect for snacking (and *maaaaybe* for sharing, IF you're feeling generous). They're served with chips.

ICE CREAM FLOAT

\$6.49

Among the frozen goodies at KRNR is a classic **Ice Cream Float**. Your posted options include Coca-Cola or Barq's Root Beer, but KRNR typically has Sprite and Orange Fanta up for grabs, too.

When soft serve vanilla ice cream is added to this thirst-quenching snack, it's a classic combo. (Note that you can also enjoy your soft-serve in a waffle cone.)

MINI CHURROS

\$7.99

These fried, cinnamon-sugar-dusted donut-like confections are fan favorites, and you can find **Mini Churros** tucked in with the fare at KRNR.

This is a tasty snack, made even tastier since it comes with a side of chocolate dipping sauce. *CHURR-AY!*

PRETZEL PALOOZA

Pretzel Palooza is a small stand with HUGE bragging rights. Why? Well, along with the signature Mickey Pretzels, you can often TWO of my favorite *twists* (ha!) on the classic: the Sweet Cream Cheese Stuffed Pretzel and the Cheddar Jalapeno Stuffed Pretzel! But if you're craving something cool, an assortment of ice cream novelties and drinks are available as well.

You'll find this cart right near the entrance of Rock 'n' Roller Coaster Starring Aerosmith on Sunset Boulevard, so you can rock 'n roll right on over to the Palooza before or after your ride on a super-stretch limo!

SWEET CREAM CHEESE-STUFFED PRETZEL

\$8.50

Don't be fooled by the humble appearance of this **Sweet Cream Cheese Pretzel**; it is anything but typical! A soft pretzel is topped with something like sugary breadcrumbs; it's sweet, but not too sweet. And then comes the cream cheese filling (think more "sweetened cream cheese" than cream cheese frosting). It's SO good. Seriously, don't miss the chance to try this delectable—and totally addicting—treat.

PEPPER JACK WARM-STUFFED PRETZEL

\$8.50

It was a happy day, indeed, when the **Pepper Jack Warm-Stuffed Pretzel** showed up in Hollywood Studios. I had fallen in love with it when it went by the name of the Jalapeno Cheese Stuffed Pretzel. You'll now spot it by its newer name, but with the same terrific savory, spicy, cheesy flavor profile. No matter what they want to call it... I'm getting it.

MICKEY SOFT PRETZEL

\$8.50

Well, now... if you can't find a **Mickey Soft Pretzel** at a place called Pretzel Palooza, then where can you find one? And sure, you've had a Soft Pretzel before... but was it THIS CUTE?! You can find the Mickey-fied version of this classic snack in just about every Land in the park. Cheese sauce for dipping is included in the price, making it an even better deal for a snack credit.

ROSIE’S ALL-AMERICAN CAFE

Welcome to Rosie’s All-American Cafe! While “*Staying True to the Red, White, and Blue,*” Rosie rolls up her sleeves to serve hungry guests some classic American fare. Rosie’s open-air Victory Garden serves quick service classics like burgers and fries, hot dogs (Foot-Long Chili Dogs, in fact!), and chicken nuggets. (A vegan friend of mine raves about the plant-based “Lobster” Roll here.)

Keep ‘em flying, Rosie!

BUFFALO FRIES

\$6.49

Dig in to some **Buffalo Fries**! These ranch-seasoned fries are drizzled with buffalo-ranch sauce and blue cheese dressing. The buffalo sauce is very flavorful atop the crispy fries, though not as spicy as typical buffalo sauce. For someone like me who loves the kick, that's a bit of a letdown. That said, if you enjoy buffalo sauce purely for its flavor, you'll like these. And while the blue cheese flavor doesn't come through as much, these are still quite enjoyable to munch on!

CHILI-CHEESE FRIES

\$6.99

If you're not quite up to tackling the **Chili-Cheese** Foot-Long Hot Dog at Rosie's, you can order up a batch of hot **French Fries** with the same tasty toppings featured on the dog: TONS (truly, TONS) of melty cheese sauce and a mildly spicy chili! Quite often, this savory snack is just the thing to hit the spot, and the portion is filling enough to serve as a small meal.

PEANUT BUTTER SANDWICH COOKIE

\$5.99

The **Peanut Butter Sandwich Cookie** features a pretzel shortbread cookie as the base for strawberry jam and a peanut butter-chocolate fudge topping. The top fondant piece pays tribute to the park's spectacular, **Fantasmic**! This gets mixed reviews. Some members of our team love the mix of flavors, while others think they just don't work. If you're a huge PB&J fan, though, you will likely enjoy this fun twist!

STRAWBERRY LEMONADE SLUSHY

\$6.49

The **Strawberry Lemonade Slushy** is a classic summertime refresher, served frozen. I like how the tartness of the lemonade keeps the strawberry from tasting to cloyingly sweet. It's simple, but it's a treat that won't weigh you down on a hot day, and might offer just the boost you need. P.S. Adults may opt for the Frozen Rum Berry Lemonade on the menu (though it will not be snack credit eligible).

SUNSHINE DAY BAR

Sunshine Day Bar serves up a small assortment of cocktails from its prime real estate at the very front of Sunset Ranch Market. The signature drinks are the Southside Fizz (with gin and pure cane sugar, pictured left below), the rum-based Cherry Blossom (pictured right), and Blackberry Moonshine Lemonade.

Though it's not always open, you'll also find beer, hard seltzer, and a full bar available when it is (along with seasonal sips during the holidays).

FANTASMIC! CONCESSIONS

Fantasmic! is the nighttime spectacular at Disney's Hollywood Studios. This larger-than-life production combines fireworks, water effects, and DOZENS of Disney characters – including Sorcerer Mickey – all set to unforgettable Disney songs!

If you choose to see Fantasmic! (and I sincerely hope you do!), you'll find snacks at the ready at **Concession Stands in the Hollywood Hills Amphitheater**. It's advised that you arrive to the amphitheater at least a half an hour before the show starts to get a seat for this popular show. And after a day of walking around the park, a little treat may be exactly what you need!

MINI CORN DOGS

\$10.99

Mini Corn Dogs are a beloved snack in Magic Kingdom, so we were thrilled to see them pop up in Hollywood Studios! The Corn Dog Nuggets are... well, they're exactly what they sound like! All the yumminess of a classic corn dog fried up in bite-sized fashion, served with cheese sauce for dipping and perfect for snacking (and *maaaaybe* for sharing, IF you're feeling generous). They're served with chips.

MICKEY SOFT PRETZEL

\$7.99

Look, I don't want to spoil anything, but Mickey Mouse *just might* play a very important part in Fantasmic! ;-D So why not honor the star of the show with a **Mickey Soft Pretzel**? Sure, you've had a Soft Pretzel before... but was it THIS CUTE?! You can find the Mickey-fied version of this classic snack in just about every Land in the park. Cheese sauce for dipping is included in the price, making it an even better deal for a snack credit.

MINI CHURROS

\$7.99

These fried, cinnamon-sugar-dusted donut-like confections are fan favorites, and you can find **Mini Churros** tucked in with the fare at the Fantasmic! Concession stands.

This is a tasty snack, made even tastier since it comes with a side of chocolate dipping sauce. CHURR-AY!

ECHO LAKE

ECHO LAKE

Echo Lake is much more than the body of water you come across as you make your way down Hollywood Boulevard. It is, in fact, an entire land in Hollywood Studios, housing a mix of popular attractions and shows, beloved Table Service restaurants, snack stops, and stores.

From *For the First Time in Forever: A “Frozen” Sing-Along Celebration* to the *Indiana Jones Epic Stunt Spectacular*, there are shows to take in before or after enjoying *Star Tours*. This area is also home to the *Mickey Shorts Theater* where you can catch “*Vacation Fun—An Original Animated Short with Mickey & Minnie*,” which debuted alongside *Mickey & Minnie's Runaway Railway* in 2020!

Echo Lake is also where you'll find a favorite among Quick Service restaurants in the park – *Backlot Express*. And the lake itself is surrounded by several snack kiosks serving everything from ice cream to funnel cakes and much more. Let's have a look!

BACKLOT EXPRESS

“A Warehouse of Good Eating” is the motto at **Backlot Express**, which is themed as a production warehouse and positively packed with unique props, paints, and more! It’s well worth taking a look around to scope out all the little details tucked in the backlot, no matter where you enjoy your meal!

Backlot Express offers classic Quick Service entrees: burgers, sandwiches, chicken strips, and salads, as well as a few dishes with regional and international flair. And even though you’re outside of Galaxy’s Edge, you may even happen upon a *Star Wars*-inspired treat!

WOOKIEE OATMEAL COOKIE SANDWICH

\$6.99

The **Wookiee Oatmeal Cookie Sandwich** (a WOOKIEE COOKIE!) is inspired by everyone's favorite *Star Wars* fuzzball, Chewbacca. A VERY fluffy and sweet vanilla cream is tucked between two huge and – dare I say – *chewy* oatmeal cookies. (Ha!) Chewbacca's signature bandolier is given a nod with a piece of chocolate on top. It's a ton of tasty fun!

BUFFALO FRIES

\$6.49

Dig in to some **Buffalo Fries**! These ranch-seasoned fries are drizzled with buffalo-ranch sauce and blue cheese dressing.

The buffalo sauce is very flavorful atop the crispy fries, though not as spicy as typical buffalo sauce. For some, that might be a positive; for someone like me who loves the kick, that's a bit of a letdown. That said, if you enjoy buffalo sauce purely for its flavor, you'll like these. And while the blue cheese flavor doesn't come through as much, these are still quite enjoyable to munch on!

BLUE RASPBERRY FROZEN SLUSHY

\$5.49

Frozen Slushies come in a variety of flavors around the park, but Backlot Express currently offers Blue Raspberry and... Blue Raspberry. ;-D

That said, there is usually another frozen refresher just for adults available here, and currently it's a Strawberry Daquiri. Just so you're in the know. ;-D

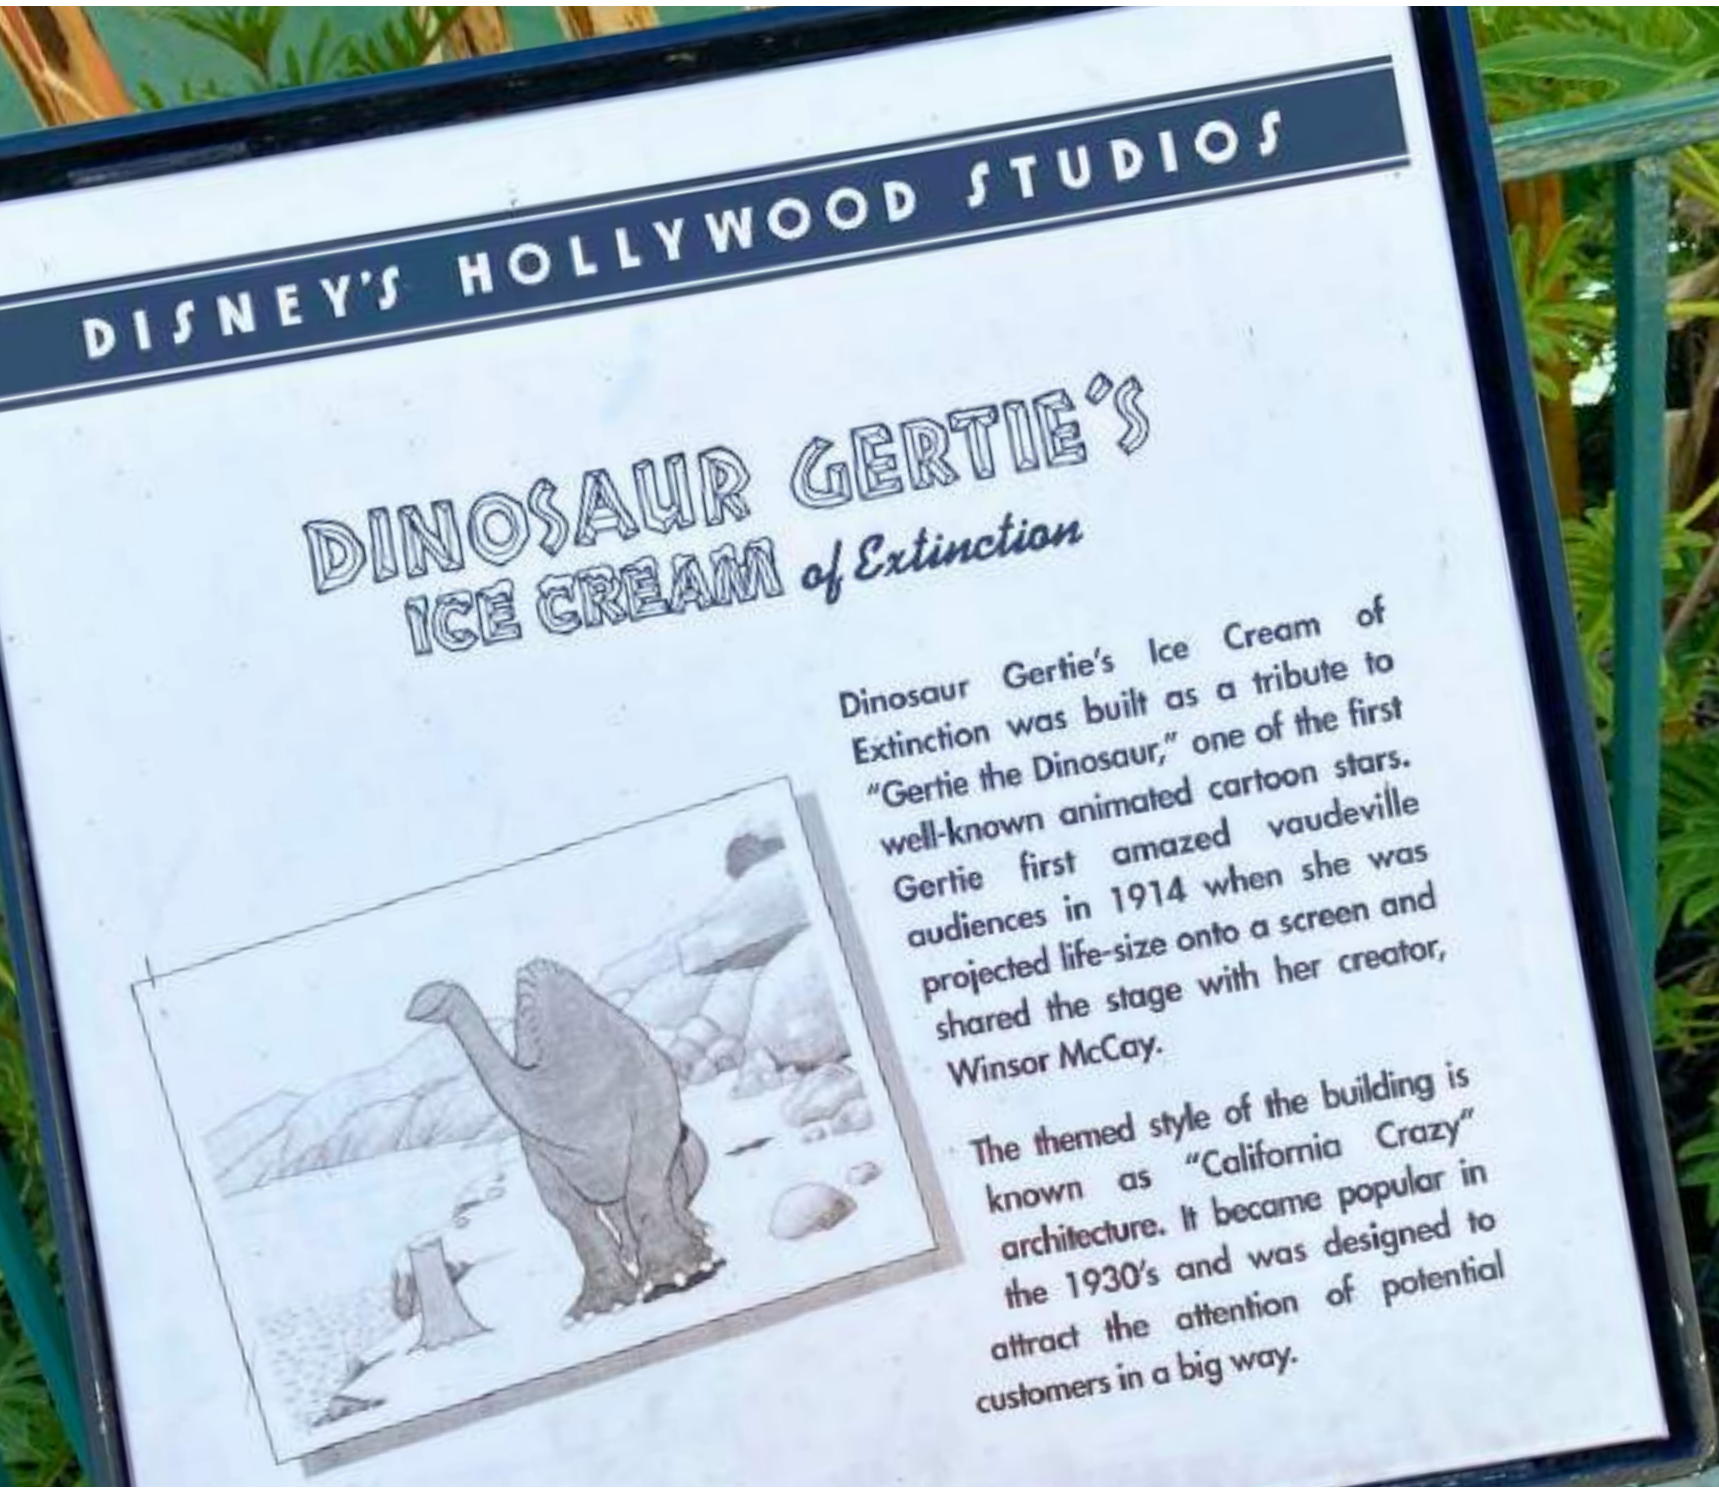

DINOSAUR GERTIE'S ICE CREAM OF EXTINCTION

Welp, you sure can't miss GERTIE! When you're looking for an ice cream treat at Disney's Hollywood Studios, just look for the big, green dinosaur on Echo Lake: It's **Dinosaur Gertie's Ice Cream of Extinction!**

Gertie's is more than just a quick ice cream stop – it's also a place where you can study up on some animation history. Make sure you stop and read the history of this beloved icon on the nearby posted sign as you enjoy your Mickey Ice Cream Bar or soft-serve waffle cone.

P.S. Gertie is so beloved, that she even has her own mug and tumbler now that you can pick up as a souvenir!

ICE CREAM CUP OR CONE

\$5.79 - \$6.29

Gertie is nothing if not a classic, so the fact that she's been swirling up **Soft-serve Ice Cream** since the Age of the Dinosaurs (or at least since the Golden Age of Hollywood Studios) should come as no surprise.

Vanilla, chocolate, or a swirl of both are your options, served in your choice of a cup or cone.

MICKEY ICE CREAM BAR

\$6.29

The **Nestle Mickey Premium Ice Cream Bar** is delicious AND shaped like our favorite mouse! With rich vanilla ice cream enrobed in chocolate, this ice cream treat on a stick is a Walt Disney World favorite snack as well as a beloved icon of Disney park food. When you're on vacation at Disney World, you are always just a few steps away from a Mickey Ice Cream Bar. And that's a very good thing.

MICKEY ICE CREAM SANDWICH

\$6.29

The **Mickey Cookies and Cream Ice Cream Sandwich** is a true Disney tradition—another one of the classic ice cream novelty treats found at carts throughout the parks. Combining cookies and cream ice cream with two soft chocolate cookies in the shape of Mickey's face, this is a simple, but wonderful, portable snack.

If you're an ice cream sandwich fan, this one's for you!

DOCKSIDE DINER

Drop your anchor at the rustic “S.S. Down the Hatch” ship on Echo Lake for a quick lunch or dinner at the **Dockside Diner**!

There are plenty of tables right in front, with lots of umbrellas to keep guests comfortable. Though the menu has seen its share of changes, you’ll currently find gourmet hot dogs and milkshakes up for grabs.

Please note that this location is sometimes closed (or running for limited hours) on days when lower crowds are anticipated.

PRETZEL DOG

\$12.99

The **Pretzel Dog** is unique among other Hot Dogs for its pretzel bun. The bun, while tasty and dotted with coarse salt, does tend to overwhelm the other components like the apple-braised sauerkraut, onions, and mustard aioli – and even the dog itself. But this is still a great tribute to those classic German flavors. So if you'd like a little hot dog with your pretzel ;-D, this is a fun find!

CALIFORNIA BLTA DOG

\$12.99

The **California BLTA Dog** tops an all-beef hot dog with lettuce, tomato, avocado, and bacon. Not bacon bits, mind you; we're talkin' true BIG pieces of bacon. It's further topped with a house-made black pepper mayo and Cool Ranch tortilla chips for some crunch. Fresh and fun, the stars of the show are the bacon and avocado. Honestly, it doesn't even need all of the other ingredients, but it's tasty nonetheless!

BACON MACARONI & CHEESE DOG

\$12.99

One of my favorites: the **Bacon Macaroni and Cheese Dog**! Seriously, I know it sounds like a bit much to have a TON of creamy, cheesy macaroni packed into a brioche butter bun with a hot dog, topped with applewood-smoked bacon crumbles. But for whatever reason, this things just WORKS. The drizzle of mustard aioli lends a nice addition to the flavor profile, too. It's served with House-made Chips. (P.S. You can also order just the Bacon Mac and Cheese, if preferred!)

SEASONAL SHAKE

VARIES; TYPICALLY \$9.79

Though they may not always be available, the **Seasonal Shakes** at Dockside Diner are showstoppers when they are!

The Princess of Alderaan Shake (complete with Cinnamon Roll “Buns” as a Princess Leia tribute) is just ONE example of what you might find!

HOUSE-MADE CHIPS

\$4.99

The **House-made Chips** are something you’ll find at several Quick Service spots all over Disney World. They are delightfully crunchy and have gained their own fan following.

You’ll receive them as a side with any of the hot dogs at Dockside Diner, but if you’re just in need of a salty crunch, they’re served on their own, too!

CHOCOLATE OR VANILLA SHAKE

\$5.99

Okay, so... if the Seasonal Shake (like the Princess of Alderaan example above) seems a *biiiiit* much for you, this is a friendly reminder that a **Chocolate or Vanilla Shake** is also an option. And, in fact, of-age guests may opt to order their shake with Baileys and Kahlua (though the price will increase, and it will no longer be snack credit eligible. But I still say that’s a great thing to know. ;-D)

EPIC EATS

So, what exactly are the “epic eats” served up at **Epic Eats**? They include soft serve ice cream and ice cold beverages. But Funnel Cakes -- with options for some heaping toppings! – are really where the “Epic” part comes in!

In addition to Cookies ‘n Cream, Strawberry, and ice cream-topped funnel cakes, you may spot a seasonal specialty, such as the 4th of July Funnel Cake pictured below. (Just make sure Dale doesn’t spot it *first!*)

FUNNEL CAKE

\$7.29

Funnel Cakes are American theme park food staples! The classic, as pictured, is fried to a golden crisp and dusted with powdered sugar; you really can't go wrong with it. In fact, this simple version is my favorite!

That said, there are some truly—*ahem*—EPIC options for topping that we'll tuck into next...

LOADED FUNNEL CAKES

\$8.49

The **Cookies 'n Cream Funnel Cake** is impressive to look at – and delicious to eat! A crispy fried funnel cake is dusted with powdered sugar, then topped with a swirl of vanilla soft-serve and – of course! – cookies and whipped cream. You may also opt for the **Funnel Cake with Strawberry topping and vanilla ice cream**. Either one is a GENIUS use of a snack credit!

P.S. Epic Eats can be a popular stop on busy park days, so be prepared for—but not discouraged by—long lines. They move pretty quickly!

SOFT-SERVE ROOT BEER FLOAT

\$6.49

Epic Eats serves up a classic **Barq's Root Beer Float**. When soft serve vanilla ice cream is added to this thirst-quenching snack, it's a classic combo. (Note that you can also enjoy your soft-serve in a waffle cone.) P.S. While the Root Beer Float is specifically posted on the menu, Epic Eats also offers Coke, Diet Coke, Sprite, and Orange Fanta if you prefer another flavor. And of-age guests may opt to enjoy it with Stoli Vanil Vodka!

OASIS CANTEEN

Looking for a cold refresher around Echo Lake in Disney’s Hollywood Studios? **Oasis Canteen** serves up a small assortment of mixed drinks and even offers a full bar. The specialties of the “house” include fruity cocktails like The Lost Jewel, Snake Alley, and the Long Lost Island. A couple of the drinks come complete with a souvenir glow cube.

BTW, if those drink names ring a bell, it’s because they are themed to the *Indiana Jones* film franchise. In fact, you’ll find the park’s *Indiana Jones Epic Stunt Spectacular* just steps away!

PEEVY'S POLAR PIPELINE AND TREAT CARTS

When you're positively melting at Hollywood Studios and you want something icy and cold to drink, stop by **Peevy's Polar Pipeline** for a sweet frozen sip or snack! Choices include Frozen Cokes and Frozen Lemonade, plus a few other flavors (and of-age guests may choose to add a shot of rum or vodka, or order up a Jack Daniel's and Coke).

See? Peevy (based on Peevy from Disney's film, *The Rocketeer*) is doing his best to help you keep your COOL!

Ice cream novelties are also up for grabs. And, in fact, you can find many of the same novelties – along with Popcorn and Cotton Candy – at additional Treat Carts around Echo Lake.

FROZEN SLUSHY

\$5.79

Frozen Slushies come in a variety of flavors around the park, but Peevy's delivers **FOUR**: Lemonade, Blue Raspberry, Cherry, and Coke.

Of-age guests may opt to try their Frozen Coke with Jack Daniel's Whiskey or Bacardi Superior Rum! (Just remember, in this case, that the price will be higher – \$15.50 – and your drink will no longer be snack credit eligible.)

MICKEY ICE CREAM BAR

\$6.29

The **Nestle Mickey Premium Ice Cream Bar** is delicious AND shaped like our favorite mouse! With rich vanilla ice cream enrobed in chocolate, this ice cream treat on a stick is a Walt Disney World favorite snack as well as a beloved icon of Disney park food. When you're on vacation at Disney World, you are always just a few steps away from a Mickey Ice Cream Bar. And that's a very good thing.

MICKEY ICE CREAM SANDWICH

\$6.29

The **Mickey Cookies and Cream Ice Cream Sandwich** is a true Disney tradition—another one of the classic ice cream novelty treats found at carts throughout the park. Combining cookies and cream ice cream with two soft chocolate cookies in the shape of Mickey's face, this is a simple, but wonderful, portable snack.

If you're an ice cream sandwich fan, this one's for you!

TUNE-IN LOUNGE

Stop by the **Tune-In Lounge** for some laid-back fun in a 1950s-themed setting at this charming Hollywood Studios watering hole.

This super-friendly lounge is a well-kept secret, tucked between two restaurants – 50’s Prime Time Cafe and Hollywood and Vine – on Echo Lake. In fact, Tune-In shares the same wonderfully kitschy theming as 50's Prime Time, so it’s likewise chock full of black-and-white TVs and more mid-century fixtures!

A full bar is available, but a few specialty cocktails are up for grabs such as the Tune-In PBJ Cocktail (which, believe it or not, I recommend) and Dad’s Electric Lemonade.

COMMISSARY
LANE

COMMISSARY LANE

Okay, we'll grant this: "Commissary Lane" isn't the most exciting name for an area of Disney World. But it IS actually well in keeping with the theme of Hollywood Studios.

Commissary Lane houses no attractions, but does boast a location where you can meet both Mickey AND Minnie as well as everyone's favorite snowman, Olaf!

It also features Sci-Fi Dine-In Theater Restaurant, a Table Service eatery where you can dine under the stars any time of day or night while enjoying vintage movie spots on the big screen from your "car" (which is also your dining table!).

But at the heart of this small area is the ABC Commissary, which is a Quick Service location that imitates a working production studio cafeteria. The "ABC," of course, stands for the ABC network, which is owned by Disney. So you'll spot plenty of advertisements throughout the area for the network's most popular TV shows. (Yep; network shows still exist! Who knew!?)

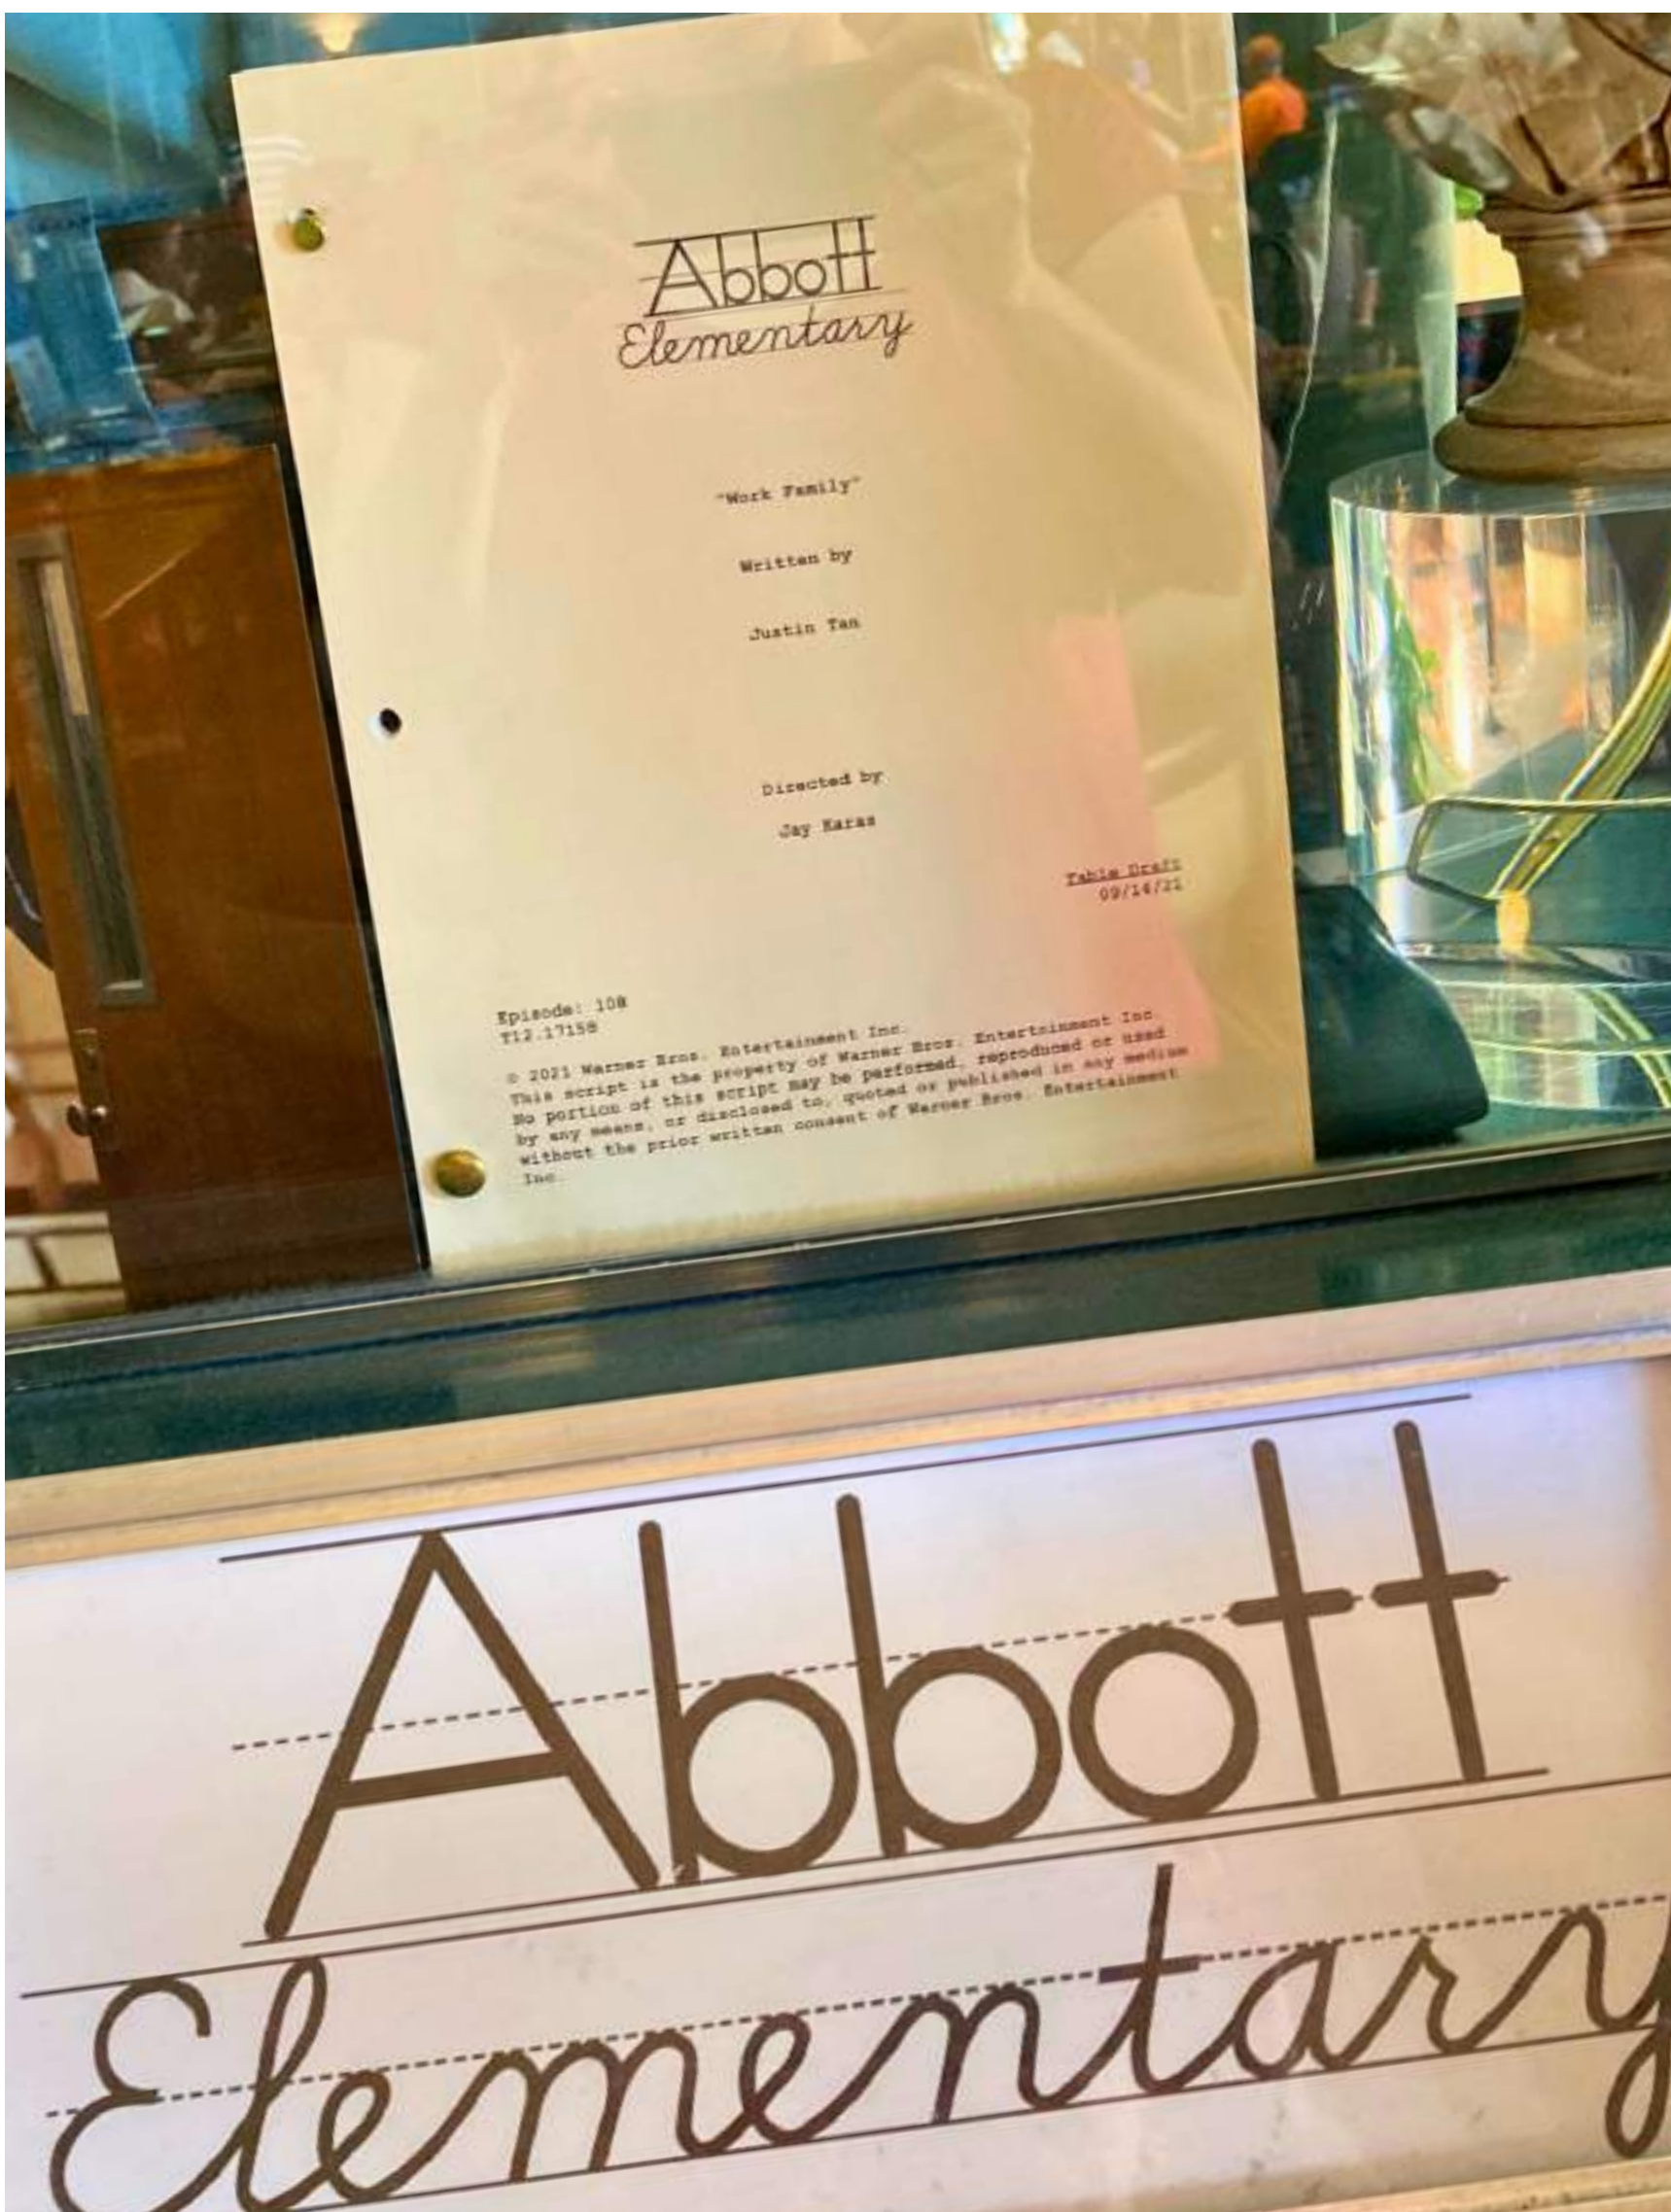

ABC COMMISSARY

Grab a quick service bite surrounded by posters (and even props) featuring favorite shows presented by the ABC network at the **ABC Commissary**!

Themed as a simple commissary for a production studio, ABC Commissary has a quick service menu featuring a few twists with an international flair (think street-style tacos, Mediterranean salads, and more). The dining room has a generous air-conditioned seating area indoors to accommodate the large crowds that dine during peak meal times.

BUFFALO CHICKEN GRILLED CHEESE SANDWICH \$12.79

The **Buffalo Chicken Grilled Cheese Sandwich** is a game changer for ABC Commissary! If there are two things I love, they are Buffalo Chicken and gooey, melted cheese (we're talkin' monterey, provolone, cheddar, and cream cheese). Here, it's all placed between sourdough bread and served with a side of buffalo sauce. If you love that potent kick of buffalo sauce like I do, then you'll likely love this spectacular sammie! OH, and you can enjoy **buffalo ranch sauce and blue cheese dressing atop a pile of FRIES** here, too with the **Buffalo Fries!**

SEASONAL CHEESECAKE

\$5.79

WOW... ABC Commissary has been churning out lovely little **Seasonal Cheesecakes** with BIG flavors! The Mint Chocolate Chip Cheesecake pictured above is just one example, with additional showstoppers including Strawberry-Lemon Cheesecake and even a Gingerbread Cheesecake for the holiday season. These are seriously among the best cheesecakes we've found in all of Disney World – rich and creamy with chosen flavors that compliment that classic sweetened cream cheese. If the season's flavors appeal to you while you're there, don't miss this!

STEAK FRIES

\$4.99

French Fries are kind of a no-brainer: deep fried and covered in cheese or dunked in ketchup -- we love 'em every way. Over at ABC Commissary, you can pick up a slightly different variation: **Steak Fries**.

Now, I love a good steak fry. Their larger surface area means more room for salt and other condiments. ;)

ARUGULA-FARRO SALAD

\$4.29

The **Arugula-Farro Salad** presents a unique mix of flavors presented in a light, refreshing, and delicious plant-based option! This side-portioned salad features peppery arugula tossed with farro grain, bits of Granny Smith apple, dried cranberries, pecans, and a plant-based Parmesan together with a Dijon vinaigrette for a wide range of textures and tastes. We really think it's enjoyable for anyone looking for a nice and creative change of pace from fried fare.

BUFFALO FRIES

\$6.49

Dig in to some **Buffalo Fries**! These ranch-seasoned fries are drizzled with buffalo-ranch sauce and blue cheese dressing. The buffalo sauce is very flavorful atop the crispy fries, though not as spicy as typical buffalo sauce. For someone like me who loves the kick, that's a bit of a letdown. That said, if you enjoy buffalo sauce purely for its flavor, you'll like these. And while the blue cheese flavor doesn't come through as much, these are still quite enjoyable to munch on!

722 GRAND AVENUE

GRAND
AVENUE

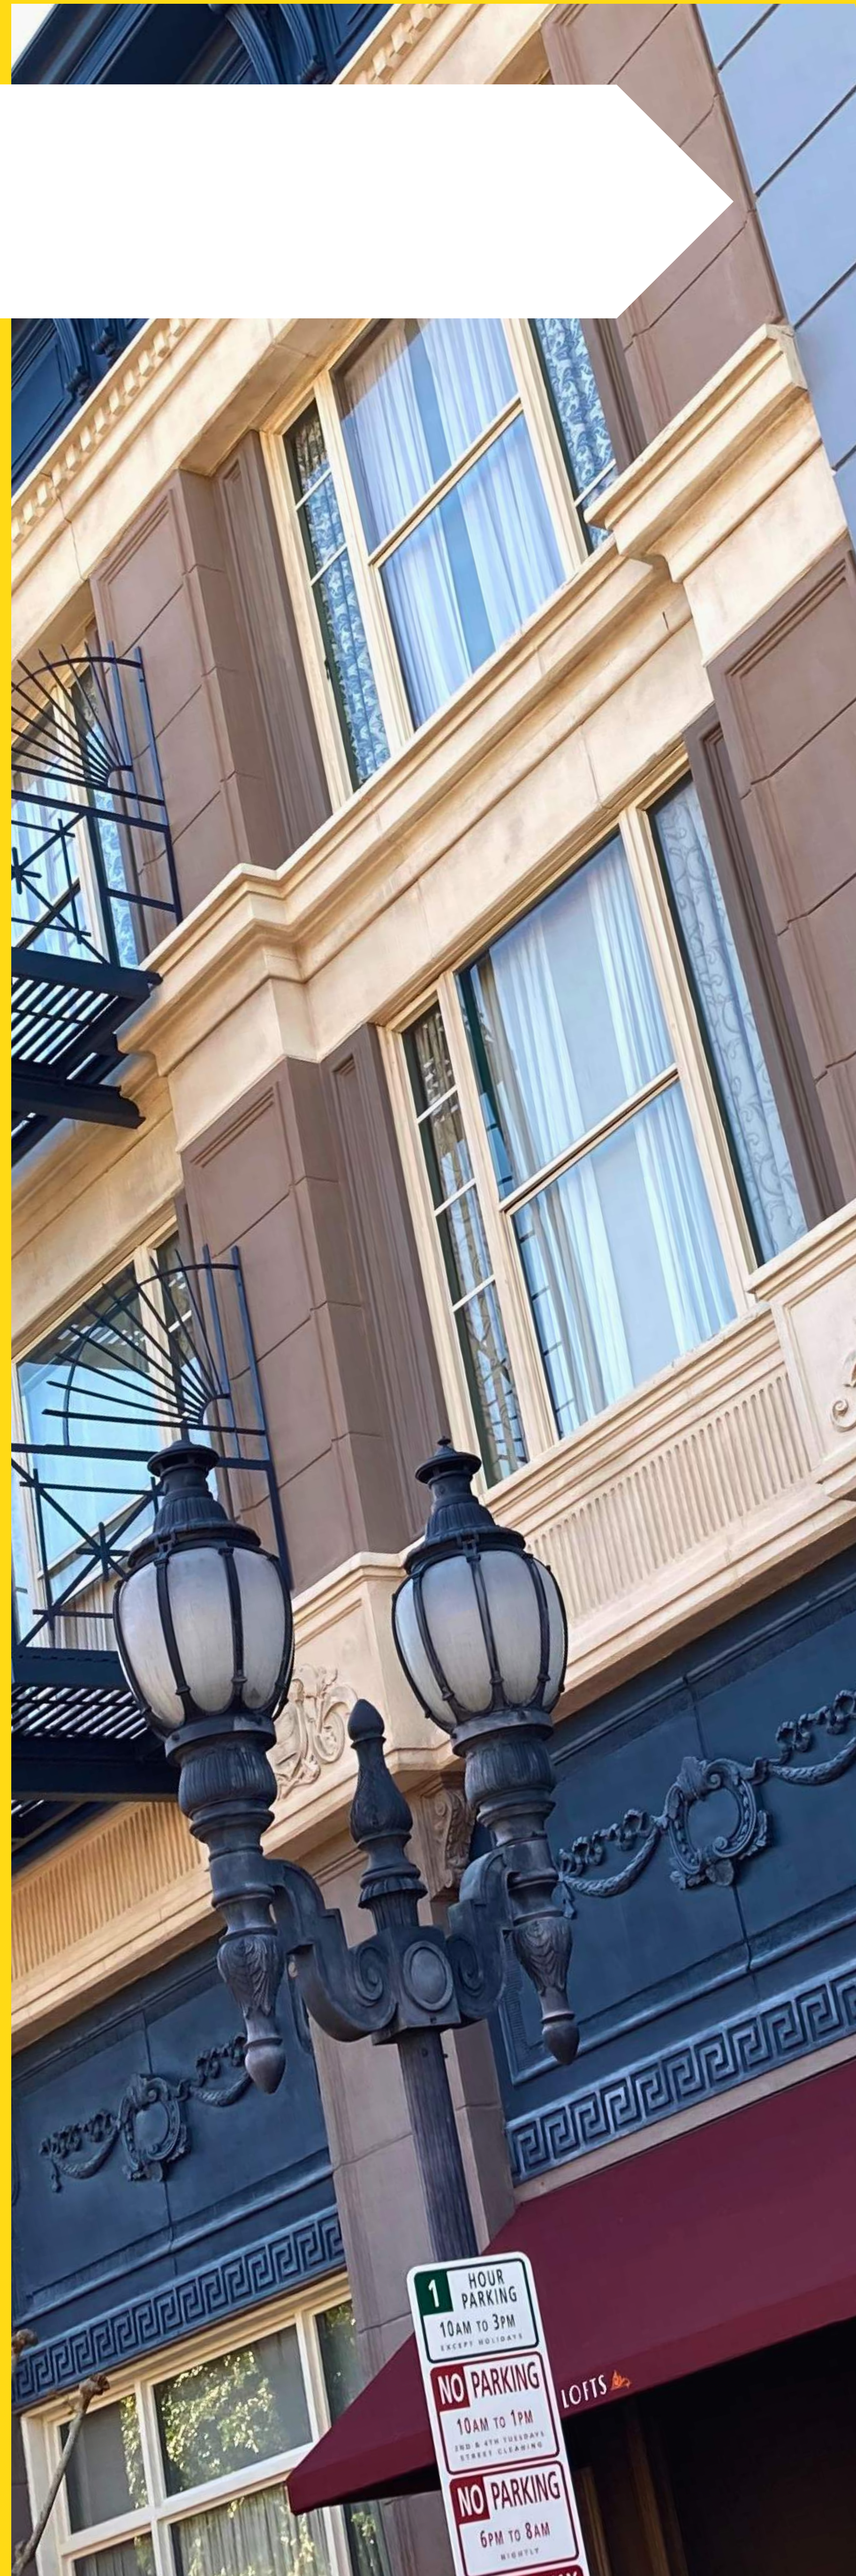

GRAND AVENUE

Grand Avenue delivers some California-themed flair to Hollywood Studios!

This area is home to BaseLine Tap House, which became a favorite destination in the park almost immediately upon its debut! The spot offers California beers, hard cider, and wine with some fantastic outdoor seating to soak up some rays. (You'll find some small bites here, too.)

Muppet*Vision 3D is the primary attraction in the area, and the Muppets are celebrated further at the area's Counter Service location, PizzeRizzo... *for now*. You see, the Muppets Courtyard section of Grand Avenue is soon closing to accommodate construction for a **brand new land themed to Monsters Inc.**, so we'll be chatting about those exciting changes a bit throughout this chapter, too.

Let's check out what Grand Avenue has to offer!

BASELINE TAP HOUSE

BaseLine Tap House is a great spot to grab a beer (try the Create-Your-Own Flight!) and take in the scene of Grand Avenue in Disney’s Hollywood Studios. Serving California beer and wine, along with a small bites menu, Baseline Tap House offers a bit of the west coast out east. Fitting, since the Grand Avenue area celebrates the city of Los Angeles.

There is a *wee* bit of indoor seating, but there is much more room outside where you can take some time to relax and enjoy the laid back scene.

BAVARIAN PRETZEL

\$10.00

While the emphasis at the BaseLine Tap House is on California beers, ciders, and wine, there is also a small food menu in case you want to grab a bite to go with your brew. Among the eats is the **Bavarian Pretzel**. This thing is ENORMOUS (and great for sharing). It's served with two dipping sauces: spicy mustard and a crave-worthy beer cheese fondue. So, it's yummy, but it also provides a really nice excuse to spend more time at this charming and laid-back spot.

AVENUE CHIPS

\$7.00

The **Avenue Chips** at Baseline are house-made salt and vinegar potato chips served with beer cheese. The thick-cut and crispy chips offer just a hint of salt-and-vinegar flavor and pair wonderfully with the creamy beer cheese dip. If you're not typically a salt and vinegar person, don't worry — the beer cheese masks a lot of the tangy bite you might expect from the vinegar. So if you prefer your beer cheese with some crunch, this is the option for you at the Tap House!

BARRILITOS STRAWBERRY HIBISCUS SODA

\$4.99

The **Barrilitos Strawberry Hibiscus Soda** is essentially a fun carbonated fruit juice... and it's available on tap at BaseLine! It's a bit on the sweet side (with a strong emphasis on the strawberry flavor), and a really nice non-alcoholic option in case you have little ones in tow, or simply someone in your group who chooses not to imbibe, but would still like to enjoy this Hollywood Studios hangout.

CALIFORNIA CHEESE AND CHARCUTERIE PLATE

\$13.00

Though featured cheeses may vary, the **California Cheese and Charcuterie Plate** typically features Toma Farmstead Cheese, Point Reyes Original Blue Cheese, and Laura Chenel's Sonoma Goat Cheese. Paired with the cheeses are calabrese salami, cornichons, grapes, and toasted baguette slices. While the meats are fine, the cheeses absolutely make the plate. The strong, potent blue cheese is in nice contrast with the mild Toma. And the goat cheese often sports a bit of seasonal flair (for instance, a pumpkin and cranberry crust) that gives it a dessert cheese quality. Enjoy with a California wine for the full experience!

GELATO CART

Craving something cool to beat the heat in Disney’s Hollywood Studios? Well, a **Gelato Cart** has landed on the scene to help you do exactly that! Simple scoops are served up here, featuring cold and creamy gelato in eight different flavors. You might enjoy yours in a waffle cone or as a “split scoop” for an additional charge. Look for the featured Flavor of the Day, too!

We’ve spotted this cute cart primarily making camp in Muppets Courtyard, but since it is technically on wheels (AND since Muppets Courtyard is soon to be rethemed as part of the upcoming land themed to Monsters Inc.), you never know where it might roll off to in the park next. But one thing is certain... we’ll keep you posted on Disney Food Blog!

GELATO—CREAMY

\$7.75 FOR ONE SCOOP; \$9.75 FOR TWO

There are no two ways about it: The **Gelato** found in Hollywood Studios is spendy, but it is absolutely the real deal when it comes to gelato, and a truly enjoyable indulgence. Creamy flavor choices include – but aren’t limited to – Cookies and Cream, Chocolate, Mint Chocolate Chip, Vanilla and Dulce de Leche. A Flavor of the Month is often featured, too! (We love the Pumpkin Cheesecake that tends to pop up in the fall!)

GELATO - FRUITY

\$7.75 FOR ONE SCOOP; \$9.75 FOR TWO

If you’re on the hunt for a cold treat on a hot day, but with a little lighter feel than the richer creamy gelatos, you can opt for one of the **fruity sorbet-style** options, like **Mango, Prickly Pear, or Lemon!** The other fruity option on the menu is one that started out as a “Flavor of the Month,” but became such a guest favorite that it’s now featured on the regular menu: **POG!** “POG” is Disney-speak for the truly refreshing tropical combo of Passion Fruit, Orange, and Guava flavors, and you’ll primarily find it served as a juice at a few Table Service spots in Disney World.

ICE COLD HYDRAULICS

If you stop by **Ice Cold Hydraulics** along Grand Avenue, you may just walk away with some truly unique treats! Spotlight items on the menu at this recently opened spot include Candy Painted Cinnamon Rolls and savory Bouncin’ Mini Churros.

Classic park snacks including Mickey Ice Cream Bars, Mickey Soft Pretzels, and popcorn are also up for grabs. Oh, and so is Coca-Cola! And while that may not come as a surprise, you might be interested to see how the popular soda is used as an ingredient in some of the snacks here...

CANDY PAINTED CINNAMON ROLLS

\$8.99

Your batch of three **Candy Painted Cinnamon Rolls** are topped with a Coca-Cola-infused glaze and toasted nuts. I've rarely met a Cinnamon Roll I didn't like, but (portion size notwithstanding), these are a bit disappointing. The rolls themselves struck me as dry (except in the very middle), and the glaze is VERY sticky, making a bit of a challenge to eat the rolls. Unfortunately, I recommend that you pass.

BOUNCIN' MINI CHURROS

\$9.29

Savory churros? Yep! The **Bouncin' Mini Churros** are topped with Coca-Cola and bourbon candied bacon, sriracha aioli, and scallions. In my opinion, THIS is the snack to get at Ice Cold Hydraulics! The churros themselves have the classic cinnamon-and-sugar topping that pairs surprisingly well with the savory elements, and the Coca-Cola and bourbon flavors really shine here. A very pleasant surprise!

FROZEN SLUSHY

\$5.79

Frozen Slushies come in a variety of flavors around the park, and here you'll find Lemonade, Blue Raspberry, and Coke. Of-age guests may opt to try their Frozen Coke with Jack Daniel's Whiskey, Stoli Vanil Vodka, or Bacardi Superior Rum! (Just remember, in this case, that the price will be higher – \$15.50 – and your drink will no longer be snack credit eligible.)

MINI CHURROS

\$7.99

If you're not into the idea of savory Churros, you can grab the classic, sweet, cinnamon-and-sugar dusted **Mini Churros** at Ice Cold Hydraulics instead.

Just like the full-sized Churros you'll find around the park, these are served with chocolate sauce for dipping.

MICKEY SOFT PRETZEL

\$7.99

Sure, you've had a **Soft Pretzel** before... but was it THIS CUTE?! You can find the **Mickey-fied** version of this classic snack in just about every Land in the park.

Cheese sauce for dipping is included in the price, making it an even better deal for a snack credit.

MICKEY ICE CREAM BAR

\$6.29

The **Nestle Mickey Premium Ice Cream Bar** is delicious AND shaped like our favorite mouse! With rich vanilla ice cream enrobed in chocolate, this ice cream treat on a stick is a Walt Disney World favorite snack as well as a beloved icon of Disney park food. When you're on vacation at Disney World, you are always just a few steps away from a Mickey Ice Cream Bar. And that's a *very* good thing.

ICE CREAM SANDWICH

\$6.29

The **Mickey Cookies and Cream Ice Cream Sandwich** is a Disney tradition—another one of the classic ice cream treats found at carts throughout the park. Combining cookies and cream ice cream with two soft chocolate cookies in the shape of Mickey's face, this is a simple, but wonderful, snack. If you're an ice cream sandwich fan, this one's for you!

PIZZERIZZO

PizzeRizzo is the ultimate pizza joint in Disney’s Hollywood Studios! Pizza (of course) is served up in Quick Service fashion, in a restaurant “owned and operated” by none other than the Muppet Rizzo the Rat! Unique touches to the location include a “cheesy” banquet room decorated to host a wedding reception as well as a special booth that Rizzo keeps for his celebrity VIP (Muppets!) pals. Be sure to spend a little extra time enjoying the classic humor of the Muppets presented in signs and sight gags; they provide tons of fun touches to the atmosphere.

PLEASE BE AWARE: PizzeRizzo is closing to accommodate construction of a new Monsters, Inc. Land in the park! The final day to dine at PizzeRizzo will be June 7th, 2025.

CANNOLI

\$5.29

This quintessential Italian dessert is a fun find in Hollywood Studios. The **Cannoli** is prepared in the traditional way. First, you've got that crispy fried dough cylinder filled with slightly sweetened mascarpone cream. Chocolate bits and powdered sugar complete the simple presentation. I've never been a huge cannoli fan, and this one doesn't raise the dessert in my estimation. But if the classic version is something you love, enjoy!

PIZZA COOKIE

\$4.79

A SWEET pizza?? That's what you'll get with the **Pizza Cookie**! This fun snack is a surprisingly soft sugar cookie topped with strawberry jam (for the “tomato sauce”), white chocolate for the “cheese”), and sprinkles for the toppings. Depending on the time of year, you may find seasonal candies on the treat (such as candy corn at Halloween). The flavors are simple in spite of the colorful toppings, so this could be a great choice for the little pizza lovers in your crew!

FROZEN PEACH BELLINI

\$6.79

The non-alcoholic **Frozen Peach Bellini** is a fun, tasty, and refreshing sip. And who doesn't love a pretty mocktail?

The Bellini isn't overly sweet, but the peach flavor is pleasant. And since it is not made with alcohol, everyone in the family can enjoy it. A true refresher for a hot day in the Studios!

Disney's HOLLYWOOD STUDIOS

PIXAR PLAZA &
ANIMATION
COURTYARD

PIXAR PLAZA & ANIMATION COURTYARD

Blink and you'll miss **Pixar Plaza**... but as home to one of the **BEST SNACKS** in Hollywood Studios (and a few unique drinks), you don't want to miss it!

Just steps away from the wonderful walk-through attraction, Walt Disney Presents: One Man's Dream, Pixar Plaza is a very small area. And inside Pixar Plaza you can meet Pixar PALS including characters from *The Incredibles*, *Monsters, Inc.*, and more!

Neighboring Pixar Plaza is **Animation Courtyard**, which honestly isn't home, food-wise, to much other than a couple of Popcorn Carts. However, there are **LOTS** of shows and characters for your little Disney Junior fan to enjoy, so you may well be in need of one of those carts while your kiddo enjoys playtime!

That said, Pixar Plaza is the perfect spot to grab a quick snack or sip to fuel up before **PLAY TIME** in the neighboring Toy Story Land!

Let's check it out...

MARKET

You'll find the simply named **Market** in just outside of the bustling entrance to Toy Story Land.

This unassuming counter serves a limited menu of classic Disney Parks snacks including Mickey Pretzels and Churros. Market also serves non-alcoholic and alcoholic beverages.

But the BEST thing to know about the Market is that THIS is where you can find the famous Jack-Jack's Num Num Cookie if its primary home (the nearby Neighborhood Market) has closed for the day!

JACK-JACK'S NUM NUM COOKIE

\$6.59

Baby Jack-Jack from The Incredibles has brought his popular treat to Pixar Plaza, and the **Jack-Jack's Num Num Cookie** is just what you want from a chocolate chip cookie... and then some! This super thick, rich, buttery cookie is positively packed from edge to edge with chocolate chunks, baked just right so it's still soft. This truly is the ultimate version of the classic comforting cookie.

PEPPER JACK WARM-STUFFED PRETZEL

\$7.99

It was a happy day, indeed, when the **Pepper Jack Warm-Stuffed Pretzel** showed up in Hollywood Studios. I had fallen in love with it when it went by the name of the Jalapeno Cheese Stuffed Pretzel. You'll now spot it by its newer name, but with the same terrific savory, spicy, cheesy flavor profile.

No matter what they want to call it... I'm getting it.

SWEET CREAM-STUFFED PRETZEL

\$7.99

Don't be fooled by the humble appearance of this **Sweet Cream Cheese-Stuffed Pretzel!**

A mildly sweet soft pretzel is topped with sugary breadcrumbs. And then comes the cream cheese filling (think more "sweetened cream cheese" than cream cheese frosting). SO good! Seriously, don't miss the chance to try this delectable treat.

PINEAPPLE-COCONUT SLUSHY

\$5.50

The **Pineapple-Coconut Slushy** tastes exactly like the name implies!

This frozen refresher boasts those classic tropical tastes for the most unique non-alcoholic slushy flavor you'll find in the park. (Of-age guests may also get a Pina Colada cocktail here, too!)

NEIGHBORHOOD BAKERY

The **Neighborhood Bakery** is located on Hollywood Studios’ refreshed Pixar Plaza!

The Neighborhood Bakery serves crowd favorites like Frozen Slushies and popcorn. But the reason you REALLY want to stop by is the signature Jack-Jack’s Num Num Cookie (brought to you by Jack-Jack from *The Incredibles*)! It’s simply DIVINE, and you don’t want to miss this treat while you’re in Hollywood Studios! (Remember: you won’t find it in any of the other Disney World parks!)

JACK-JACK'S NUM NUM COOKIE

\$6.59

Baby Jack-Jack from *The Incredibles* has brought his popular treat to Pixar Plaza, and **Jack-Jack's Num Num Cookie** is just what you want from a chocolate chip cookie... and then some!

This super thick, rich, buttery cookie is positively packed from edge to edge with chocolate chunks, baked just right so it's still soft.

This truly is the ultimate version of the classic comforting cookie.

FROZEN SLUSHY

\$5.79

CONFESSION TIME: The **Frozen Slushy** you see pictured here is a mix of the two flavors offered at the Neighborhood Bakery: **Blue Raspberry** and **Wild Cherry**. We thought it might be the perfect color complement to the Pixar Ball and primary hues seen around Pixar Plaza... and we were right! Of course, you can simply get one flavor for your own chilly refresher, but remember to ask a Cast Member if you'd like to mix things up a bit – they're often more than happy to do so!

PIXAR PLAZA JOFFREY'S

Welcome to one of two Joffrey's Coffee & Tea Kiosks in Hollywood Studios.

Here at the **Pixar Plaza Joffrey's**, you'll find specialty espresso beverages (just about any espresso drink can be made hot or iced), and sweet treats like pastries and other goodies.

Just steps away from some of the park's most popular attractions, this is a fantastic spot to grab something to sip while you wait in the outdoor portion of the Slinky Dog Dash. AND you'll have outsmarted the crowd that's bound to gather at The Trolley Cafe Cafe (Starbucks). It's a win-win!

ROUND 'EM UP LATTE

\$6.49 - \$7.99

Joffrey's on Pixar Plaza has its own signature drink that you can only find at this location: the **Round 'Em Up Latte**! A creamy latte is flavored with cookie butter and dulce de leche! It's topped, of course, with whipped cream. But colorful sprinkles and animal crackers placed on top really help you feel like a kid again as you head into Toy Story Land, just a few steps away! As with all Joffrey's coffee drinks, you can choose to enjoy this fun beverage hot or iced. Or you can try it frozen (as seen here) for \$7.99.

PLAY-DOH COOKIE

\$5.99

What FUN! The **Play-Doh Cookie** is a surprisingly soft Funfetti sugar cookie with caramel and white chocolate chips tucked throughout. It's all garnished with a frosted animal cracker.

This is a great concept for this section of the park that is executed beautifully! If you're looking for a simple but terrific cookie, this is for you.

JOFFREY'S DONUTS

\$5.99

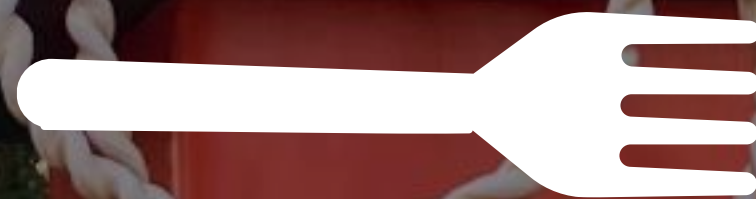

Sure, a donut probably doesn't sound all that exciting. But we're talking about the **GIGANTIC DONUTS** they serve at the Joffrey's locations in the parks!

These fresh, fluffy, flavorful (and seriously HUGE) donuts impress... even when they're simply topped with vanilla icing. That said, you'll often find seasonal colors and sprinkles atop these tasty treats.

TOY STORY
LAND

TOY STORY LAND

All of us guests “shrink” to the size of toys as we're surrounded by friends and familiar sights from the Toy Story movies (and possibly from our own childhoods) in **Toy Story Land**!

This land delivered two new rides when it opened in 2018 in addition to one of the park's headliner attractions, Toy Story Mania. Get ready to swirl with some of the Little Green Men on Alien Swirling Saucers, where you might just be chosen by The Claw! And Slinky Dog Dash brings a family-friendly roller coaster to Hollywood Studios.

Of course, a toy's gotta eat! Woody's Lunch Box provides Quick Service food options that serve up a twist on nostalgic treats. Note that 2023 delivered a Table Service restaurant to Toy Story Land: Roundup Rodeo BBQ!

Get ready for the best playtime of *all time* at Toy Story Land! Now, let's see what a toy's got to eat around here ;-)...

WOODY'S LUNCH BOX

Grab a bite at **Woody's Lunch Box**! Andy from *Toy Story* has taken his very own lunch box and thermos, and has used them to build a walk-up window Quick Service location that serves breakfast, lunch, and dinner to all of us “toys” visiting Toy Story Land!

Fun twists on American classics are the name of the game, and nostalgia is on the menu with comforting dishes like Grilled Cheese and Tomato Soup, Tater Tots, and more.

BREAKFAST BOWL

\$8.79

The **Breakfast Bowl** at Woody's Lunch Box starts your day with a generous helping of Potato Barrels (baked tater tots) covered with smoked brisket country gravy, then topped with scrambled eggs and green onions. No two ways about it: this is a hearty bowl, which is great for filling you up for a long while. We've found that the Kids' Breakfast Bowl – which features the same yummy ingredients – is a better portion size to not weigh you down. It's also served with a drink and two sides (one of which is... *more* Potato Barrels, but when in Andy's Backyard, you eat as the Toys eat!). Breakfast dishes are typically served until 10:30AM.

TOTCHOS

\$10.49

What are “**Totchos**,” you ask? Why, they're Tater Tot Nachos! A pile of baked potato barrels (tater tots) is covered with chili, shredded cheese, and corn chips, as well as a dollop of sour cream and green onions. The surprise ingredient is a flavorful queso made with cheddar and cream cheese that gives the whole dish a real added bonus. If you love all things chili-and-cheese, don't miss the Totchos! (Oh, and P.S. There's a plant-based version available of this dish, too!)

RASPBERRY LUNCH BOX TART

\$4.99

Lunch Box Tarts – a twist on the popular toaster tart – are available for breakfast, lunch, or dinner at Woody's Lunch Box! The **Raspberry Lunch Box Tart** fills a golden and buttery pastry crust with raspberry marmalade. Topping the treat is strawberry fondant and crispy pearls. It's a fun nod to a nostalgic childhood favorite... and a pretty good value for the price, too!

MYSTIC PORTAL PUNCH \$6.29 (WITHOUT SOUVENIR CUP)

The bright hue of the **Frozen Mystic Portal Punch** matches the Little Green Men from *Toy Story*, and the drink is a blend of POWERADE (Mountain Berry Blast) with lemon-lime and tangerine flavors. The citrus tempers the sweetness of the POWERade, and I was surprised by how much I enjoyed it! You can purchase it on its own, or in a Souvenir Alien Sipper, complete with the famous CLAW. (Ooooh!)

SEASONAL LUNCH BOX TART

\$4.99

You'll often find a **Seasonal Lunch Box Tart** on the menu in addition to the Raspberry staple. The pictured Chocolate-covered Strawberry Lunch Box Tart, for instance, was up for grabs to celebrate Valentine's Day.

Depending on the season, you'll find something completely different, which is part of the fun!

TOMATO-BASIL SOUP

\$3.99

Tomato-Basil Soup is obviously the perfect item to pair with a Grilled Cheese Sandwich at Woody's, but also available as an item all its own.

No matter what you've heard, I promise you that chilly days DO come to Florida over the winter months every now and then, and I love that this warm and savory bowl is available when the weather calls for some coziness!

ICE CREAM FLOAT WITH ROOT BEER

\$6.49

Does it get any more nostalgic than a classic **Root Beer Float** with vanilla ice cream? Of course not, and that's why you'll find it as a cold refresher on the menu at Woody's!

If you prefer a different flavored soda, though, you can opt for Coke, Diet Coke, Sprite, or Fanta Orange instead.

"PLASTIC CHEESE"

\$1.00

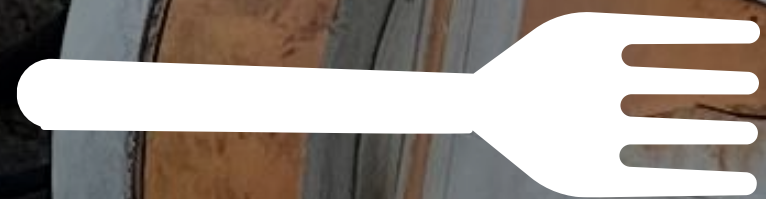

I should let you know that "**Plastic Cheese**" (which you'll see on menus as "**Cheese Sauce**") is a term of endearment. I LOVE the stuff.

When you consider the possibilities—from dipping your Potato Barrels to your Brisket Sandwich at Woody's (which, yes, already has cheese on it, but can you ever have too much??) —I wholeheartedly believe that it's a dollar well spent. *FOR REAL.*

STAR WARS:
GALAXY'S EDGE

STAR WARS: GALAXY'S EDGE

Star Wars: Galaxy's Edge gives guests the chance to step right into “a galaxy far, far away” as they enter the village of Black Spire Outpost on the planet Batuu.

Black Spire Outpost invites you to stroll the marketplace to find unique souvenirs and even build your own droid or lightsaber further inside the village. You can step inside – and take control of! – “the fastest hunk of junk in the galaxy” on Millennium Falcon: Smugglers Run. And you can face Kylo Ren in the groundbreaking and immensely popular *Star Wars: Rise of the Resistance* attraction.

To fuel your adventure? You can enjoy a unique sip inside a genuine *Star Wars* Cantina, or drink some Blue or Green Milk. Dine in a spaceship Docking Bay or grab some savory “ronto meat!” Munch on a snack beloved by Batuu's locals, and much more. The “locals” (Cast Members) on Black Spire Outpost may greet you with “Bright suns” for a hello! So we say, BRIGHT SUNS! And welcome to Galaxy's Edge...

DOCKING BAY 7 FOOD & CARGO

Black Spire Outpost serves up unique Quick Service plated eats in a restaurant with a Delivery Shuttle docked right on top. Hence, **Docking Bay 7 Food and Cargo!** This spot serves lunch and dinner to travelers from a galaxy far, far away...

Proprietor Chef Strono “Cookie” Tuggs runs the kitchen, having honed his skills in the kitchen of Maz Kanata. The menu of this restaurant includes regional delicacies like Fried Endorian Chicken Tip Yip, Felucian Falafel with Hummus Garden Spread, and Smoked Kaadu Ribs! You’ll even find a sweet bite on the menu, for some “space dessert.” ;)

RONTO WRAP—AFTER 3PM

\$14.69

The **Ronto Wrap** is the specialty of the house at Ronto Roasters. (Ronto meat is, in Earth terms, a grilled pork sausage). The Wrap also includes slices of roasted pork, tangy slaw, and peppercorn sauce.

However, Ronto Roasters tends to close early, so this is a friendly reminder that you can typically get this popular wrap at Docking Bay 7 starting at 3PM daily, where it's served with chips!

BLACK SPIRE MOUSSE

\$6.79

What, exactly, **Black Spire Mousse**? Named for its home in Black Spire Outpost, this dessert plates a white chocolate jogan fruit mousse (akin to passion fruit in flavor) atop a brownie pistachio brittle served with blue milk sauce, pineapple cream, and hibiscus sponge topped with a chocolate Black Spire coin. The fruity flavors work well together, and the pistachio, while present, isn't overpowering. Docking Bay has had some trouble finding its footing with sweet treats, but we think this one could be a keeper.

CRISPY HERBED YUCA

\$4.99

The **Crispy Herbed Yuca** is certainly a nice change of pace from your typical French Fries. They're nice and crispy on the outside, and soft in the middle. The herbs are Italian-adjacent with hints of pepper, garlic, and parsley. This side item is altogether tasty, and honestly one of our favorite eats at the Docking Bay!

MOOF JUICE

\$6.29

Moof Juice – aside from having a wonderful name – is an interesting and refreshing drink. It's a combo of Simply Fruit Punch®, Simply Orange® with Pineapple, and chipotle-pineapple flavors. Don't be too concerned about the chipotle-pineapple; it isn't overly spicy or smoky, and the juices really run the flavor show. This is our favorite of all the drinks we tried at Docking Bay, and if you're brave enough to try the chipotle, this could be a real winner!

BLUEBERRY-CORN MUFFIN

\$4.99

The **Blueberry-Corn Muffin** is up for grabs all day, but we find it to be a decent morning treat. At first, it tastes like your standard cornbread until the blueberry comes through to lend some unexpected tanginess. These flavors together are quote unique, but they work. This otherwise simple snack won't blow your mind, but it'll do in a pinch (and could pair well with the Cold Brew Black Caf at Kat Saka's Kettle).

TAKODANA VEGGIE DIPPERS

\$8.79

This is a fresh and fun option for the Younglings! The **Takodana Veggie Dippers** features bright chilled veggies and multigrain crisps along with dips like black bean hummus, ranch dressing, and even “edible soil” with nuts. It's representative of the greenery from the planet Takodana, so you can tell the kiddos they're eating *space veggies* to make it extra cool. ;-D This is a refreshing Kids' Meal that adults may enjoy as a light snack, too.

KAT SAKA’S KETTLE

Kat Saka’s Kettle has transformed everyone’s favorite grain – Popcorn – into an intergalactic snack!

The sweet, spicy, and savory Outpost Mix is beloved by the citizens of Black Spire Outpost. However, understanding that some travelers visiting the village may not be drawn to this unique mix, Kat Saka has also made sure that buttered popcorn is up for grabs, too... albeit, with a *Star Wars* twist!

You’ll also find Coca-Cola products in unique-to-Galaxy’s Edge packaging here, too.

OUTPOST MIX

\$6.99

Wanna eat like the locals on Batuu? If so, grab a Black Spire Outpost signature snack: **Outpost Mix**! This colorful mix of sweet and spicy popcorn offers a contrast between fruity purple kernels and savory red chili kernels. Now, not everyone enjoys the unique flavors and how they come together, but honestly, I do. I say give it a try and see for yourself! Be aware, though, that Outpost Mix is NOT eligible for Refillable Popcorn Bucket refills.

BUTTERED BLUE GRAINS

\$6.99

Buttered Blue Grains sure sounds intriguing, doesn't it?! In actuality, though, it's your basic buttered popcorn with flavorless coloring added. (And for some reason, it always looks more green than blue. Is that just me?) But, hey, since traditional Disney popcorn is pretty great, so is the Buttered Blue version! It provides an additional snack option for those who aren't drawn to the unique Outpost Mix. Be aware Buttered Blue Grains is NOT eligible for Refillable Popcorn Bucket refills.

COLD BREW BLACK CAF

\$5.99

Need a caffeine kick while you're visiting Batuu? The **Cold Brew Black Caf** is the way to get it! Joffrey's Cold Brew is topped with Sweet Cream Cheese and Chocolate Puffs. I know – it sounds totally weird. But remember: you're in a whole other GALAXY, so things are bound to be different! Plus, the cereal and sweet cream (which we recommend mixing in entirely) are more than a gimmick – they actually lend a nice sweetness to balance out the strong and slightly bitter brew. Of-age guests can it “Spiked” with Godiva Chocolate Liqueur.

BOTTLED ORB SODAS

\$5.99

The popular bottled beverages of **Sprite**, **Coca-Cola**, **Diet Coke**, and **Dasani water** are all available in Black Spire Outpost... but with a Star Wars-inspired twist! The soda bottles – made to resemble orb-shaped thermal detonators – boast packaging that is exclusive to Galaxy's Edge. You'll see the beverage names in the written language of Aurebesh (even on the Dasani water, though the water bottle itself is more standard). By the ounce (13.5, to be exact), these contain less beverage than your typical bottle. But they look super cool and are quite collectible!

MILK STAND

Black Spire Outpost serves up Blue Milk AND Green Milk at its **Milk Stand!** Both flavors are served as frozen beverages made with non-dairy rice and coconut milks. The optional souvenir cup honors the Bubo Wamba Family Farms, with a Bantha (producer of Blue Milk) on one side, and a Thala-Siren (producer of Green) on the other.

Both milks were made famous by Luke Skywalker, who drank the original Blue Milk in *Star Wars: Episode IV – A New Hope* and Green Milk in *Star Wars: Episode VIII – The Last Jedi*... clearly making the Milk Stand a must-visit for Star Wars fans!

BLUE MILK

\$9.29

THIS is **Blue Milk**!! It's a soft-frozen drink of rice milk and coconut milk combined with the flavors of dragon fruit, pineapple, lime, and watermelon. I find the flavors to be a bit diluted, honestly, so I don't love it. But if you're a fan of the franchise, you'll likely want to give it a whirl... and, of course, have your camera ready for the requisite Blue Milk photo! (Adults can also try Blue Milk Cooler with rum, though it's no longer snack credit eligible.)

GREEN MILK

\$9.29

Like the Blue version, **Green Milk** is a soft-frozen mixture of rice and coconut milks, but this drink has a bright chartreuse color and citrus notes. Also like the Blue Milk, we find that it's... just okay (and honestly, a bit bland). Both drinks favor fashion over flavor. But it's still an undeniably fun drink for *Star Wars* fans! (Of-age guests can also jazz it up by ordering it with Corazon Blanco Tequila, though it will no longer be snack credit eligible.)

TENOO SWIRL CRUNCHIES CEREAL

\$10.29

The **Tenoo Swirl Crunchies Cereal** swirls raspberry jelly and mini rainbow crunchy candies with Blue Milk. You read that correctly: this is NOT cereal; it's candy (Nerds), and a LOT of it! The raspberry jelly actually pairs nicely with that sweetness, so you get both sweet and tart flavors. This drink is fruity (almost tropical), and kids are going to LOVE this. But fair warning: it's a total SUGAR RUSH in a cup!

POLYSTARCH PUFFBREAD

\$5.29

If the **Polystarch Puffbread** looks familiar, it's because you may have seen it in *The Force Awakens*. (It's based on the bread that Rey eats on Jakku.) This version is made with croissants topped with blue and green milk craquelin and served with yuzu-passion fruit-coconut dipping sauce. It doesn't *look* all that appetizing (nor is it meant to), but it's actually tasty, especially thanks to the dipping sauce. This is probably the best snack in Galaxy's Edge if you *really* want to eat something from the *Star Wars* movies.

OGA’S CANTINA

Live your far, far away fantasy as you sip a bubbling brew and listen to beats provided by the famous DJ-R3X at **Oga’s Cantina!**

Oga’s Cantina is well known for its concoctions – available with choices for both younglings (kids!) and adults. Themed cocktails (like the Dagobah Slug Slinger, the Fuzzy Tauntaun, and Jet Juice), non-alcoholic specialty drinks, and proprietary beer and wine selections are on offer. Though it is unusual for a lounge to do so, Oga’s Cantina accepts Advance Dining Reservations due to its popularity.

HAPPABORE SAMPLER

\$22.00

The **Happabore Sampler** certainly falls outside of our definition of a “snack.” But since it is one of only a few food offerings at Oga's – and because it is definitely unique – we couldn't resist including it! Though precise inclusions may vary, the board includes cured and roasted meats (like prischottoa, pastrami and uncooked chorizo sausage) and cheeses (blue dyed Goat Cheese and Caveman Blue Cheese). Interesting? Absolutely. Tasty and worth your dough? *Ummm...* no. While I do love a good charcuterie board... this is not a good charcuterie board. I think the concept has GREAT promise, but the execution – for now – is lacking.

OGA'S OBSESSION

\$8.25

Oga's Obsession is listed under “Provisions” on the Cantina's menu (like a necessary boost, but with popping pearls)! Served in what looks like a petri dish, this jello-like snack is Minute Maid Lemonade, cotton candy flavor, blueberry popping pearls, and bursting “dried fruits” (pop rocks). It's a little odd... but a LOT of fun, and just weird enough to capture the attention of even the most disinterested Padawans! (There is also a “non-Padawan” version available—made with Tito's Handmade Vodka and Dekuyper Pucker Sour Apple—by the name of **Rodian Ration**.)

BATUU BITS

\$12.00

Batuu Bits is a “crispy galaxy snack mix” served with a spiced (and VERY garlicky) Chermoula dip. Crisped veggies include carrots and green beans, fried to the consistency of a potato chip. Fried lotus chips and mini chocolate meringues also make up the plate, along with our surprise favorite dipper: salty fried seaweed! It's a true mix, filled with plenty of things you probably won't recognize. ;-D. But that's what makes it fun!

UMBARAN CHEESE ROLL

\$12.00

The **Umbaran Cheese Roll** is a spice-dusted pretzel bun that's wonderfully crispy on the outside, fluffy on the inside, and filled with a warm and creamy herbed cheese. And it's got a bit of a kick from those spices! It's served with a dipping sauce that tastes akin to honey mustard, and the sweetness balances well with the spices from the bread. This cheese roll is unique and flavorful, and we hope Oga's churns out more items like it moving forward!

THRUSTER ROASTED BANTHA FLATBREAD

\$17.00

Thruster Roasted Bantha Flatbread tops soft naan flatbread with spiced chorizo beef and a four-cheese blend. It's spiced with hints of cinnamon and nutmeg. Though there's not much of the cheese, the spiced and juicy chorizo and tomato sauce are *delicious*.

We sure hope Oga keeps this one around!

RONTO ROASTERS

Black Spire Outpost serves up sandwiches, snacks, and beverages at **Ronto Roasters**! You'll spy a pitmaster droid busy at work turning a mechanical spit at Ronto Roasters. What's he grilling? Why, it's a side of Ronto – a beast native to Luke Skywalker's home planet of Tatooine.

Ronto Roasters specializes in the Ronto Wrap, a handheld snack featuring spiced grilled sausage and roasted pork. But you'll also find some truly tasty plant-based options, as well. Look for additional snacks and intergalactic beverages to fuel your Batuan adventures for breakfast and lunch.

Be aware that Ronto Roasters tends to close early, but because the Ronto Wrap is so popular, you can find it at Docking Bay 7 Food and Cargo after Ronto Roasters closes for the day.

RONTO WRAP

\$13.99

The **Ronto Wrap** is the specialty of the house at Ronto Roasters. The Ronto meat is, in Earth terms, a grilled pork sausage! The Wrap also includes slices of roasted pork, tangy slaw, and a delicious peppercorn sauce. These are all served up in a pita (just like the Morning Wrap). We love the zesty flavor of the “Ronto meat” sausage, and the tangy slaw provides a nice contrast and a portion of fiber). It's an excellent option for staying full while you explore this land.

RONTO MORNING WRAP

\$12.79

Ronto Roasters has you covered for a warm breakfast that's portable – so you can fuel up fast before you get right into the action on the Millennium Falcon or Rise of the Resistance! The **Morning Wrap** consists of “ronto meat” (pork sausage)! Eggs, cheese, and peppercorn sauce are also placed inside the pita. That's a few hits of protein to keep you full through hours of intergalactic adventures! Breakfast options like the Morning Wrap are typically served until 11AM.

ZUCHII WRAP (PLANT-BASED)

\$12.99

The **Zuchii Wrap** is the plant-based counterpart to the popular Ronto Wrap. This pita is packed with grilled zucchini, smoky chickpea onion slaw, creamy garlic tahini sauce, and fresh cilantro. That creamy garlic sauce surprises with a TON of flavor and a hint of heat. This is such a nice change of pace, even if you don't follow a plant-based diet and are simply searching for a tasty way to get your veggies in while on Batuu!

TRIPLE SUNS BREAKFAST WRAP (PLANT-BASED)

\$11.79

Remember the Morning Wrap we mentioned earlier from Ronto Roasters? Well, the plant-based **Triple Suns Breakfast Wrap** is available here as well. The pita holds a plant-based “egg” with a truly tasty smoky chickpea-onion slaw and roasted tomato sauce. There is some terrific spice along for the ride, too! It leans more towards the curry variety than the hot stuff, so even the heat-averse can enjoy it, we think! Another great plant-based option (like the Zuchii Wrap) right here on Batuu! Breakfast options at Ronto Roasters are typically served until 11AM.

RISING MOONS OVERNIGHT OATS

\$6.99

Rising Moons Overnight Oats is light breakfast option that makes a good mid-morning snack, too, as it consists of oats softened with some dragon fruit juice and loads of seasonal fresh fruit.

We enjoy the texture and the slightly sweet flavor of the Overnight Oats and recommend them for a healthy hit of fruit and grain energy!

KYRYLL PORK RINDS

\$7.49

Counting carbs on Batuu? If so, the **Kyryll Pork Rinds** might be right up your alley.

These wonderfully crunchy rinds are seasoned with ancho chili, cheddar, smoke, and cinnamon for LOTS of fantastic flavor! You can truly taste each component shine in the generous amount of seasoning. Not bad, Batuu! Nat bad at all...

ANDOAN FRUIT WITH MUJA SAUCE

\$6.99

The **Andoan Fruit with Muja Sauce** is a plant-based snack on Batuu. This fruit cup comes with jicama sticks, cucumber, pineapple, melon, and dragon fruit doused in a tamarind sauce and dusted with peppercorn ash. Sounds... *interesting*, right? But in all seriousness, the fresh and crisp fruit is quite refreshing, and the tamarind sauce is spicy and flavorful with its hint of heat to contrast the sweetness of the fruit.

TATOOINE SUNSET

\$6.79

The **Tatooine Sunset** is a fruity beverage offering at Ronto Roasters. This drink is a combination of Gold Peak® Unsweetened Tea and Minute Maid® Lemonade with melon and blueberry flavors. (Think of an Arnold Palmer with a fruity twist!) These create a tasty sweet-and-tart drink that's both refreshing and as colorful as a sunset featuring the two suns of Tatooine.

DROID CART

Do this Droid look familiar to you? If so, it's probably not just because he looks like the beloved R2-D2. You are likely recognizing the logos for Coca-Cola! The bottled beverages of Sprite, Coca-Cola, Diet Coke, and Dasani water are all available in Black Spire Outpost... but with a *Star Wars*-inspired twist, of course! The soda bottles – made to resemble orb-shaped thermal detonators – boast packaging that is *exclusive* to Galaxy's Edge. You'll see the beverage names in the written language of Aurebesh (even on the Dasani water, though the water bottle itself is more standard). By the ounce (13.5, to be exact), these contain less beverage than your typical bottle. But they look super cool and are quite collectible! Keep your eyes peeled for **Droid Carts** – coordinated to match the beverages! – around the land.

Join us and nosh on our favorite snacks at Disney's Hollywood Studios!

HOLLYWOOD BOULEVARD

Walk straight down Hollywood Boulevard and start your day with a Carrot Cake Cookie at **The Trolley Car Cafe!**

SUNSET BOULEVARD

The Toffee & Coconut Blondie at **Catalina Eddie's** is a relatively newer snack compared to most on this Crawl, which have earned their spot by standing the test of time. However, this thick, rich, and scrumptious Blondie is so delicious that it's landed here among our favorites!

STAR WARS: GALAXY'S EDGE

Okay, so... the Blue and Green Milks served up at the **Milk Stand** don't *technically* count as a DFB Favorite... since they're not my favorite. ;-D But there is NO denying that you can't pass miss the chance to try Luke Skywalker's signature drinks during your trip to Galaxy's Edge, so we're covering it in our crawl!

DFB FAVORITES CRAWL

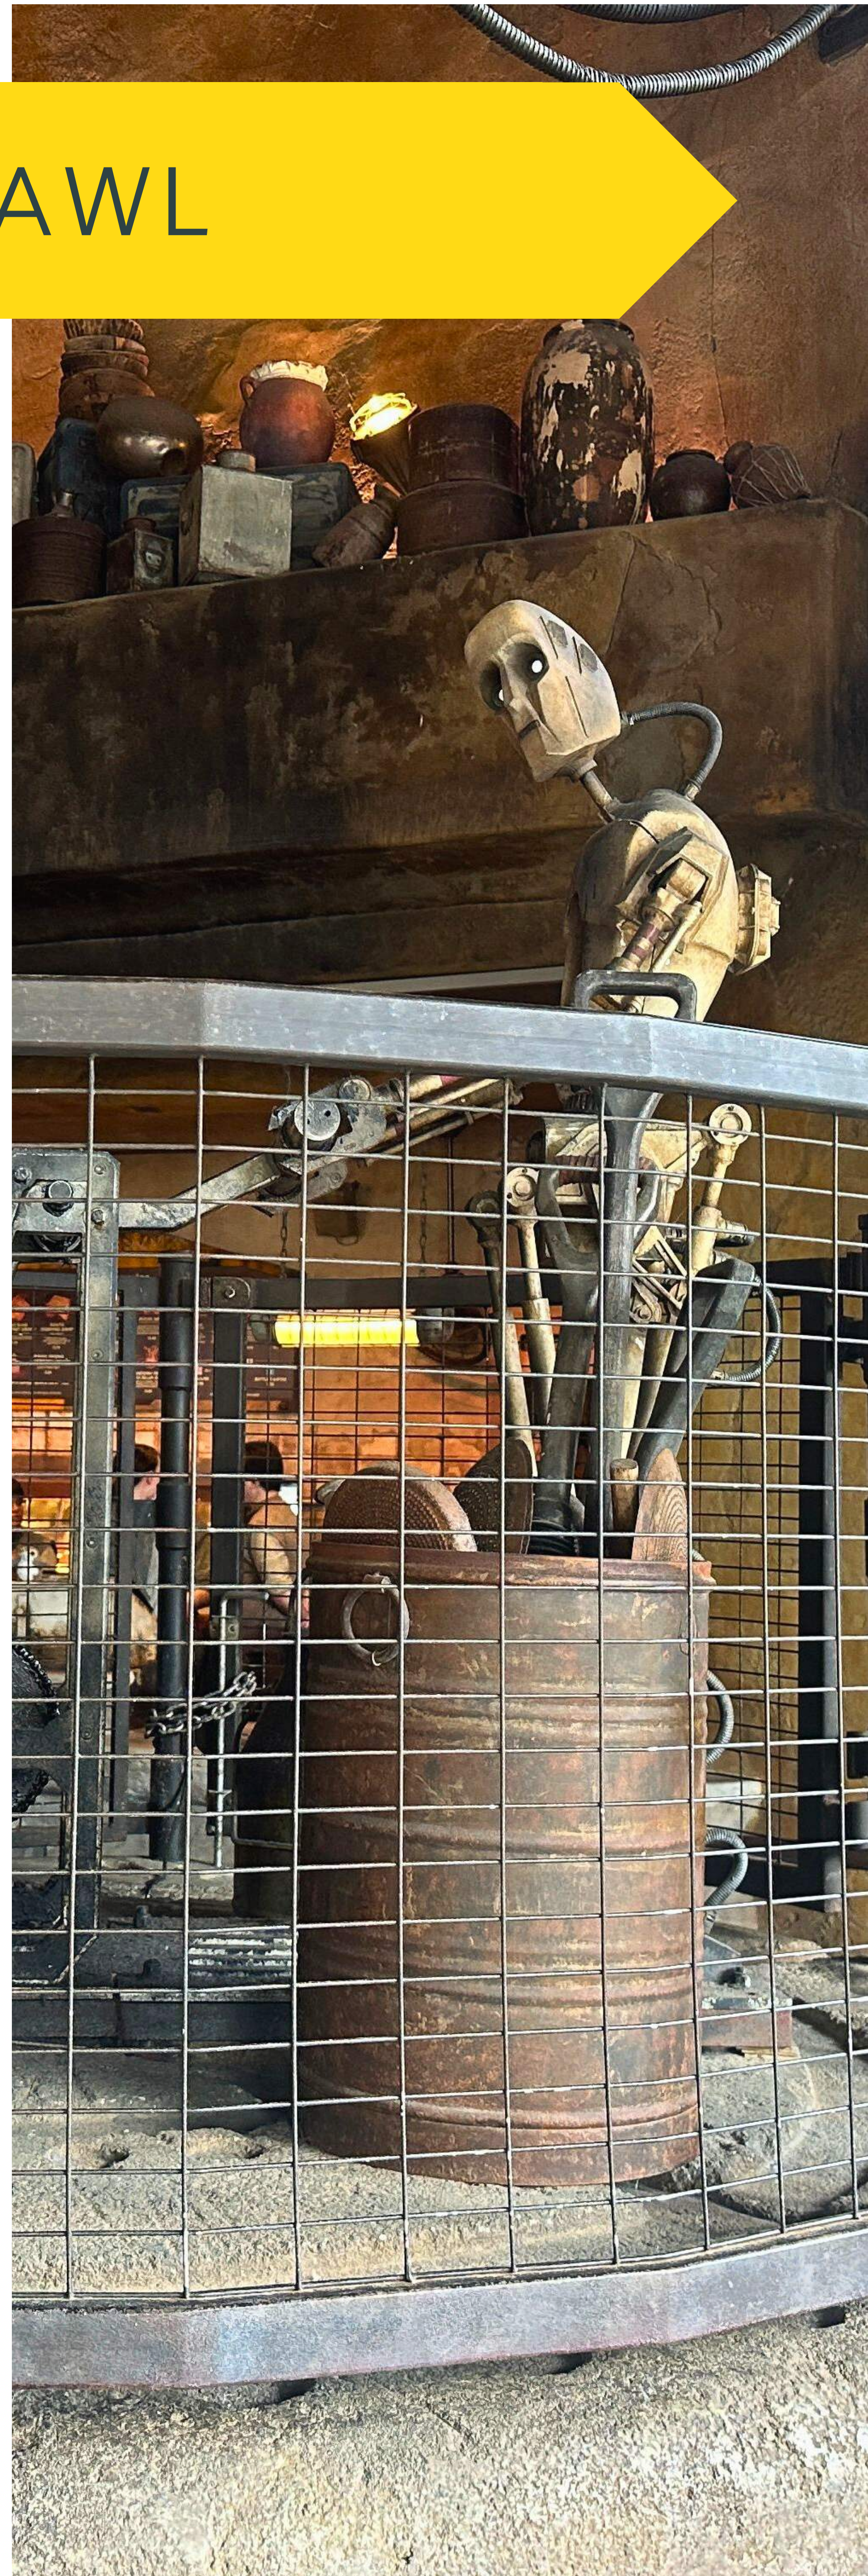

Stay in Galaxy's Edge for our TRUE favorite *Star Wars* snack: the Ronto Wrap at **Ronto Roasters**!

TOY STORY LAND

You'll want to head over to Andy's backyard next: Toy Story Land! That's where you'll find TOTCHOS at **Woody's Lunch Box**!

PIXAR PLAZA

Ready for dessert? ;-) Because we're wrapping this Crawl with Jack-Jack's Num Num Cookie at the Neighborhood Bakery on Pixar Plaza! (Be aware that **Neighborhood Bakery** has limited hours, but FRET NOT! You can still complete this Crawl at the **Market**, just a few steps away, which also carries the Num Num Cookie. *Whew!*)

BEST OF BATUU CRAWL

Batuu is the planet you're on when you visit Galaxy's Edge, and we're taking you on a food-and-drink crawl which includes every dining location in the land!

May the Force be with you!

RONTO ROASTERS

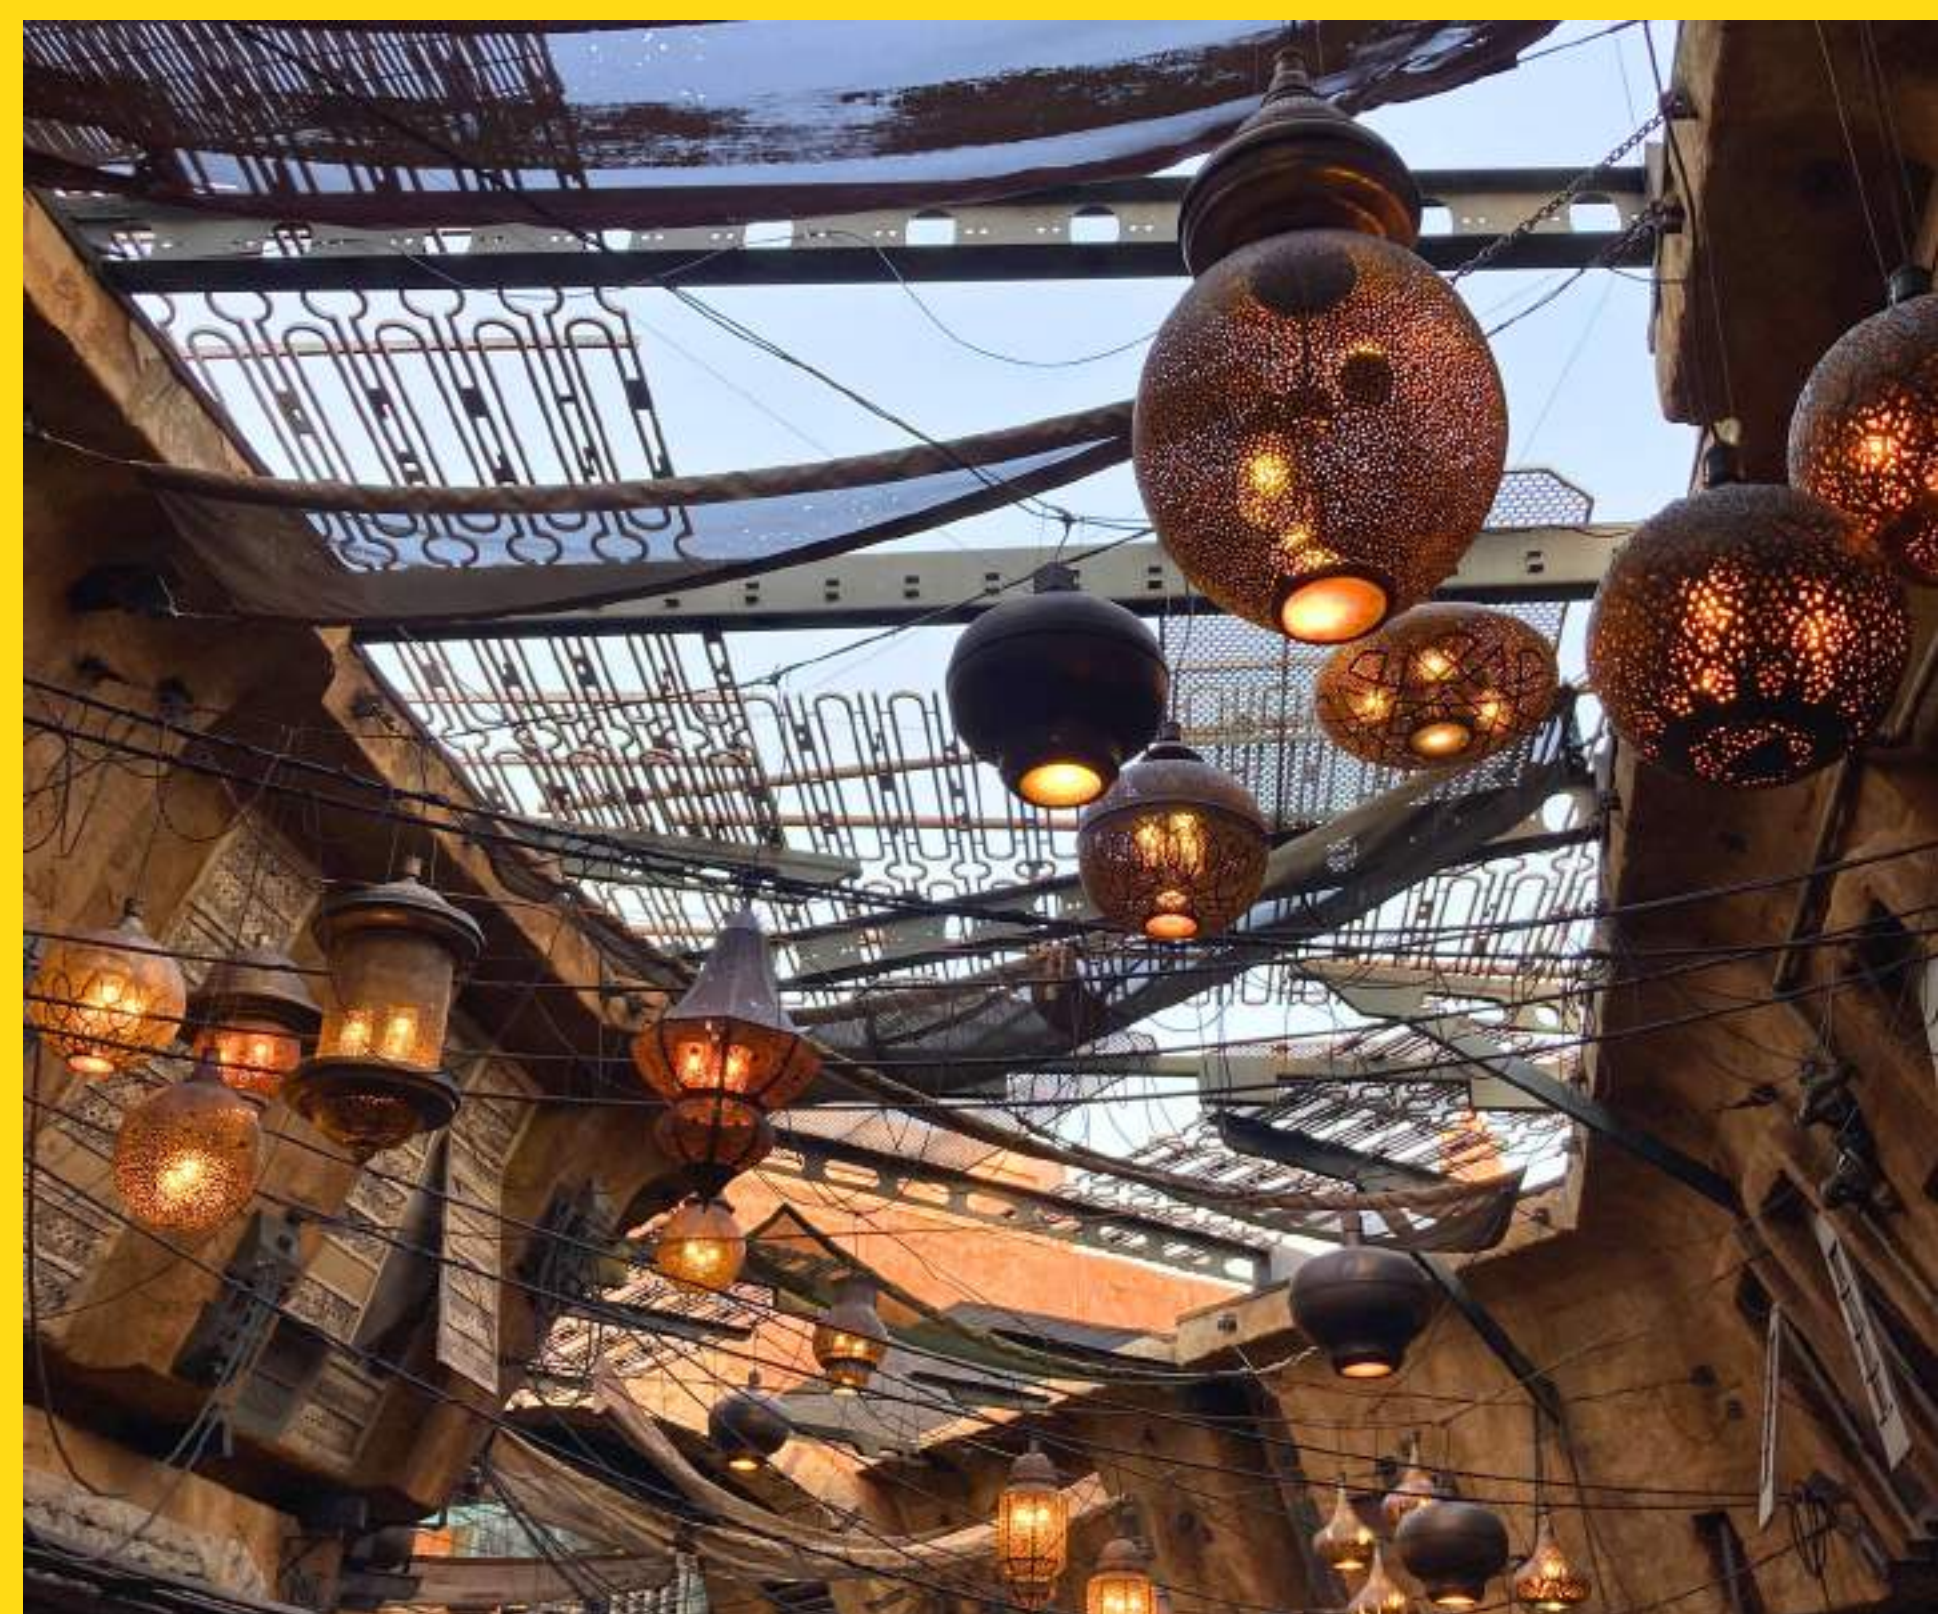

Bright Suns... That's the greeting you'll hear from the locals on Batuu! You can start your day with a Morning Wrap – which is one of my favorite things in all of Galaxy's Edge – at **Ronto Roasters**.

MILK STAND

Your next stop is the **Milk Stand** for a Galaxy's Edge rite of passage: try your choice of Blue or Green Milk!

DOCKING BAY 7 FOOD & CARGO

Docking Bay 7 Food & Cargo is where you'll sip on the unique and tasty Moof Juice!

BEST OF BATUU CRAWL

OGA'S CANTINA

Oga's Cantina serves up the Fuzzy Tauntaun. The Blue Bantha is a great non-alcoholic options, if preferred. (Oga's does accept walk-in guests, but it's best to book an Advance Dining Reservation for this popular spot!)

KAT SAKA'S KETTLE

Stop by **Kat Saka's Kettle** for a treat that's popular with the locals on Black Spire Outpost: Outpost Mix! (And you can rack up extra Crawl points by getting the Cold Brew Black Caf to go along with it!)

DROID CART

Finally, drop on by a **Droid Cart**! You'll find that these colorful carts bear a not-so-subtle resemblance to the drinks they serve, like Sprite and Coca-Cola. Why these classic pops earn a spot on our crawl? It's because you'll enjoy them in Bottled Orb packaging that's entirely unique to Galaxy's Edge, finished with the drink names in the written language of Aurebesh. You can bring the bottle back down to earth as an intergalactic souvenir!

Are you ready? **LET'S GO!**

BREAKFAST SNACKS

MICKEY WAFFLES

Not one, not two, but **THREE** Mickey Waffles make up the yummy breakfast platters at Fairfax Fare and Hollywood Scoops!

LUNCH BOX TART

Who doesn't remember starting the day with iced toaster tarts as a kid? Relive the memories with a Lunch Box Tart at Woody's Lunch Box. Don't you worry about "Lunch" in the name—this pastry makes a solid breakfast!

MORNING RONTO WRAP

Some say the Morning Ronto Wrap is even better than the beloved standard lunch and dinner Ronto Wrap.

ROUND ‘EM UP LATTE

Need a caffeine boost first thing in the morning before tackling the line for Slinky Dog Dash? This animal cracker-topped latte at the Pixar Plaza Joffrey’s may fit the bill quite nicely!

BREAKFAST BOWL

If you’re searching for something more substantial, this Breakfast Bowl at Woody’s Lunch Box is loaded with tater tots, scrambled eggs, and country gravy!

CANDIED CINNAMON ROLLS

Why have one Candied Cinnamon Roll when you can have THREE at Ice Cold Hydraulics?

MINI CHURROS

Munch on bite-sized Churros with chocolate dipping sauce as the perfect morning pastry... DISNEY-style!

COLD BREW BLACK CAF

The Cold Brew Black Caf at Kat Saka's Kettle is topped with cereal, so this is a total breakfast two-fer!

TENOO SWIRL CRUNCHIES "CEREAL"

And now for some "cereal" that *not* actually cereal... it's Tenoo Swirl Crunchies Cereal which is Blue Milk and CANDY. (You still with me?) Basically it's SPACE CEREAL, and you can find it at the Milk Stand!

LUNCH SNACKS

BAVARIAN PRETZEL

Sit, relax, and refuel at BaseLine Tap House with a HUGE Bavarian Pretzel for your midday respite.

TOTCHOS

Totchos are not just “Tater Tot Nachos...” They’re also one of the best lunchtime eats in Hollywood Studios! Grab a bowl at Woody’s Lunch Box.

BREADSTICKS

Who doesn’t love the idea of a carb load at Catalina Eddie’s to gear up for a fun and busy afternoon in the park?

RONTO WRAP

If it's lunchtime (anywhere from 11AM-3PM as far as park hours go), you can pick up your Ronto Wrap at Ronto Roasters! (After 3PM, head to Docking Bay 7 if you're lunching later in the day.)

CHILI-CHEESE FRIES

The Chili-Cheese Fries, topped with LOTS of "Plastic Cheese" (our beloved cheese sauce) make for a super filling savory lunch snack!

PEPPER JACK PRETZEL

The gooey, melted Pepper Jack cheese that fills this Pretzel Palooza gem provides some protein along with your pretzel. (At least, that's what I tell myself.)

GLAZED NUTS

It's your choice: you can pick up sweet Glazed Almonds OR Pecans at the Nut Cart just outside of Mickey & Minnie's Runaway Railway!

KYRYLL PORK RINDS

Nosh on some pork rinds in Galaxy's Edge for a filling snack with lots of crunch. A little of these goes a long way...

ZUCHII WRAP

For the record, the plant-based Zuchii Wrap at Ronto Roasters gets rave reviews from both vegan and non-vegan guests alike!

DINNER SNACKS

WAFFLE BOWL

Wait... aren't waffles for breakfast? Nope! Not when Hollywood Scoops fills them with your choice of Buffalo Chicken, Korean BBQ Pork Belly, or BBQ Beef Brisket!

BACON MAC & CHEESE

Fun Fact: Since you can get a Bacon Mac & Cheese Dog at Dockside Diner, you can also get a big ol' bowl of just Mac & Cheese, if you prefer!

PRETZEL DOG

It's the Pretzel Bun that makes this Dockside Diner Dog so unique!

CHARCUTERIE

Take your time over dinner by enjoying some Charcutier—perhaps paired with a California brew or Wine on Tap—at BaseLine Tap House.

MINI CORN DOGS

The Mini Corn Dogs may be bite-sized, but the hearty helping of them at KRNR Rock Station should surely satisfy. This dish comes with chips, and you'll also find it at the Fantasmic! Concession stands if you're doing a later dinner while waiting for the big show.

BACON MAC & CHEESE DOG

The Bacon Mac & Cheese Dog is basically TWO dinners in one!
