TRANSPORTATION

Unless you are staying at a nearby resort, we recommend allowing at least an hour of travel time.

DRIVING TO THE PARTY

Whether you're staying off-property or prefer using your own car, you can park at Disney's Hollywood Studios.

PARKING FEES

Disney Resort Hotel Guests and Annual Passholders receive complimentary standard theme park parking. Standard parking fees are \$35 per day for cars or motorcycles. Oversized Vehicle Parking is \$40 per day.

TRANSPORTATION FROM DISNEY RESORTS

[Free Disney transportation](#) is available from all Disney Resorts to Hollywood Studios and typically runs until 1AM on event nights.

TRANSPORTATION FROM ANOTHER DISNEY PARK

If you're headed to the event from another park, you can use Disney's free transportation.

RIDESHARE OR MINNIE VAN

During the event, or any time you're headed to Hollywood Studios, non-Disney ride share services can drop you off. [Minnie Vans](#), which cost substantially more, are also an option.

SKYLINER

The Skyliner *was only operating until 9:30PM* and a Cast Member confirmed that this was the case for all 2025 Jollywood Nights.

So, guests had to take a bus back to their resorts.

Keep your wristband and lanyard on. We saw several cast Members informing guests that they had to keep both their wristbands and commemorative lanyards on throughout the night.

ARRIVAL

Party guests can enter Disney's Hollywood Studios at 5:30PM. Expect lines to likely start forming by 4:00PM.

If you have a regular park ticket or an Annual Pass, you can enter the park during regular hours.

WRISTBANDS

To reduce lines, more wristband locations were added. In addition to the front of the park, wristbands for guests already in the park are available at Star Wars: Galaxy's Edge, coming from Grand Avenue and at Walt Disney Presents.

Even Cast Members had [special name tags!](#)

PARTY MAP

Grab a [Jollywood Nights map](#) for all the event details. The map this year is jam-packed with information, and it is a hefty guide!

You'll find attractions, dining, merchandise, and entertainment information.

SHOPPING

This year's party guests have the opportunity to purchase an [Ollie Gingerbread Loungefly](#). Additionally, guests will have access to an [exclusive spirit jersey](#), mug, and ornament all featuring the event's mascot, Ollie!

MAGIC SHOTS

To commemorate the event, look for special holiday-themed Magic Shots and Disney PhotoPass experiences.

Your ticket comes with complimentary digital downloads of your Disney PhotoPass photos from the event.

At [Welcome to Disney Jollywood Nights](#), pose with family and friends in front of a stunning neon sign.

If you're looking for these photo ops, you'll find them on the party map (look for the camera icons):

ATTRACTIONS

You will also have access to select rides:

- Slinky Dog Dash, Aliens Swirling Saucers, and *Toy Story* Mania in Toy Story Land
- Rock N' Roller Coaster and The Twilight Zone Tower of Terror on Sunset Boulevard
- Mickey & Minnie's Runaway Railway
- Star Tours
- In Star Wars Land, ride Millennium Falcon: Smugglers Run and Star Wars: Rise of the Resistance

Ride wait times for most rides were very low early in the evening. Tower of Terror only had a 13-minute wait time, Millennium Falcon only had a 15-minute wait time, and *Toy Story* Mania! had a 5-minute wait.

We checked the wait times again later in the evening, and interestingly,

Toy Story Mania! jumped up to a 40-minute wait! In comparison, the wait for Slinky Dog Dash was only 25 minutes. Alien Swirling Saucers was pretty much a walk-on. Note that there was also no holiday overlay on any of the rides. We're not sure what happened there, but note that even during an after-hours event, the wait times can fluctuate!

Fantasmic! will be shown at 6:30PM on event nights, so folks who arrive within that 6PM early window can catch it, if they'd like!

If you're a huge ride fan, you'll be thrilled to know you can ride your favorite rides as many times as you'd like during the party.

Star Wars: Rise of the Resistance will have a standby line during the party.

CHARACTER WAITS

We recommend waiting until later in the evening for some characters—at 12AM the line for Duffy was only 20 minutes! At the start of the party, it took us 60 minutes to see Duffy.

Other observations:

- At 8:50PM the line for Bing Bong was only 20 minutes.
- At 12:00AM the line for Phineas and Ferb was 15 minutes.

MICKEY & FRIENDS

Watch for returning characters wearing holiday costumes with vintage, glam vibes featuring soft pastel colors.

MEET OLLIE

There was a NEW Disney parks character introduced in 2023!

When you walked into the event there is a big, light-up sign. It's a cute way to introduce guests to the party, but that adorable gingerbread man is more than just a holiday decoration.

The gingerbread man is none other than **Ollie!**

Ollie isn't available as a walk-around or meet-and-greet character, but as the mascot for Jollywood Nights, he is featured on the park map and merchandise.

GLISTEN

Glisten is back! This holiday ice skating show takes place in front of the Chinese Theater, with international champion skaters performing to Disney and holiday favorites alongside festive projections.

Catch the 15-minute performances at 8:10PM, 9:10PM, 10:30PM, 11:10PM, and 12AM. It's a fun one to add to your holiday night!

DANCE PARTY

A new dance party starring all your favorite Pixar characters will debut at this year's Jollywood Nights.

You'll get to join Joy, Frozone, Edna Mode, and other Pixar characters on the dance floor.

HOLIDAY FIESTA EN LA CALLE

The Latin street fair, Holiday Fiesta en la Calle, will return this year on Sunset Boulevard, near Rock 'n' Roller Coaster.

This year José Carioca and Panchito from The Three Caballeros join the festivities again!

NIGHTMARE BEFORE CHRISTMAS SING-ALONG

One of the most anticipated shows at this returning event is [What's This? Tim Burton's Nightmare Before Christmas Sing-Along](#).

You'll join Jack Skellington for a "dreamlike adventure inspired by Tim Burton's The Nightmare Before Christmas" during this event. Guests are invited to sing along with the Pumpkin King to beloved songs from Nightmare Before Christmas while following two friends on a larger-than-life journey!

During the show, we sang along to:

- What's This
- Kidnap the Sandy Claws
- Sally's Song
- Oogie Boogie's Song
- This is Halloween
- Jack and Sally's Song

And yes, Oogie Boogie made an appearance, too. The crowd went wild when he arrived!

It's a cute little show that's perfect for all the people who still want a little Halloween-themed celebration during the holidays.

2025 shows are at 7:30PM, 8:30PM, 9:30PM, 11:30PM and 12:30AM.

HOLIDAYS IN HOLLYWOOD

One of the most anticipated shows at the party—[Holidays in Hollywood](#)—features singing and dancing (as well as some antics, of course) from Kermit the Frog, Miss Piggy, and more.

We don't want to spoil too many details, but we want you to know how good this show is. It's quite wonderful and we highly recommend seeing it during your time at Jollywood Nights!

This returning musical variety show takes place at the Theater of the Stars on Sunset Blvd. 2025 shows are at 8:15PM, 9:15PM, 11PM and 12AM, and last around 30 minutes.

JINGLE BELL JINGLE BAM

[Jingle Bell, Jingle BAM!](#) returns! This is a holiday fireworks and projection show that happens in front of the Chinese Theater each night of the after-hours event.

The holiday-themed show has lights, projections, lasers, and fireworks.

Grab a spot around midnight to watch the show.

There will be just one show each night, at 10PM in 2025.

EXCLUSIVE EVENTS

LIMITED CAPACITY EXPERIENCES

Meanwhile, look out for two limited-capacity entertainment experiences happening during the event:

- The Hollywood Brown Derby will transform into a **jazz lounge**
- The Hollywood Tower Hotel Courtyard will host an “other-worldly soiree” with a ghostly band

The jazz lounge at the Hollywood Brown Derby will be a singalong piano bar with live music. Songs from the 20s through the 50s will be featured during this swinging, speakeasy-inspired party.

And, over at the Hollywood Tower Hotel Courtyard, this “other-worldly soiree” is set to be complete with a ghostly band. The idea here is that Disney has recreated the Tip Top Club from the Tower of Terror lore. You’ll also be able to indulge in custom food!

JAZZY HOLIDAYS

Jazzy Holidays will once again take place from November 8-December 22 at The Hollywood **Brown Derby** each party night. This iconic restaurant turns into a sophisticated jazz joint with holiday music, craft cocktails, and an exclusive menu of light bites. Capacity will be very limited though.

There's festive holiday decor all around, and the jazzy music really elevates the scene. The restaurant has various Christmas decorations up including garlands and lights.

Last year, Jazzy Holidays utilized a waitlist for guests wishing to dine here.

For 2025, reservations became available on September 17th. This is a welcome change as guests will be able to pre-plan their Jollywood Nights evening.

You'll need to visit the My Disney Experience website or app to book the reservation for Jazzy Holidays and don't forget to include each member who plans to join you!
