WELCOME!

Welcome to the **Disney Food Blog Guide to Magic Kingdom Snacks**. We're so glad you're here!

We first released this guide in 2011, and the Disney World snacking landscape has expanded every year since! Here we offer a broad range of savory and sweet snacks (very nearly every snack option) in the Magic Kingdom that run in the \$4-\$12 price range. We admit, some may venture slightly out of that range (Turkey Leg, we're talking to you). And while some of these items are Disney classics, many will likely be new to you!

This e-Book was created to give reviews and details about some of the best snacks in the Magic Kingdom, but it offers even more.

While we'll certainly cover the basics, with photographs, reviews, and locations (as well as Disney Dining Plan Snack Credit information costs for over 130 snacks), we also wanted to provide a few fun extras, such as:

- A list Best Snack Values so you can get the most bang for your buck (OR for your Disney Dining Plan Snack Credit!);
- A few of our famous Disney Food Blog Snack Crawls, specific to Magic Kingdom;
- Strategies for a Day of Dining—All Snacks-style! (Yes, it's possible. It's also budget-friendly, fun, and flavorful!)

DISNEY DINING PLAN

The Disney Dining Plans (DDP) are pre-paid meal plans created by Disney and available for add-on to an existing vacation package. Along with these plans come “snack credits,” with which guests can purchase a variety of snacks in the Disney parks and resorts.

If You Have A Disney Dining Plan:

If you've purchased a Disney Dining Plan for your visit, this book will guide you toward some of the best snacks available in the Magic Kingdom. Any time you see the Disney Dining Plan Snack Credit logo by the name of snack in this guide (and, funny enough, by an eligible snack listed on a menu in the park ;-D), that means that the snack is eligible to receive for your snack credit, at no additional out-of-pocket cost! Here is what the logo looks like:

IF YOU DON'T HAVE A DISNEY DINING PLAN:

If you have not purchased a Disney Dining Plan for your visit, this book works just as well for you! We've gathered our favorite snacks regardless of their ability to be purchased with a snack credit and have included prices!

Please be aware that menu items and prices throughout this guide are subject to change. And you may make some fun new discoveries on your trip!

Remember, a little planning goes a long way... and we hope we can help you bring some fun to this part of your journey as well as to your trip with the the Disney Food Blog Guide to Magic Kingdom Snacks!

MAIN STREET,
U.S.A.

MAIN STREET, U.S.A.

TURN OF THE CENTURY CHARM

There's nothing quite like that first stroll down Main Street on your Disney vacation, browsing the shops lining the street with Cinderella Castle completing the view in the distance.

You might encounter top-notch entertainment such as the Dapper Dans Barbershop Quartet or the Main Street Philharmonic along the way!

But Main Street isn't only shops and entertainment. It's also home to some truly quintessential Disney snacks and Quick Service locations such as Casey's Corner and sweet stops like the Main Street Confectionery. (And, yep... you can grab your morning cup o' joe here, too, before you take on ALL THE RIDES!)

Let's take a look at some of the treats you can enjoy while you take your own walk *“right down the middle of Main Street, U.S.A.!”*

CASEY'S CORNER

PLAY BALL!! Memorializing the famous poem, *Casey at the Bat*, **Casey's Corner** serves up your favorite ballpark foods: **hot dogs and fries, and a few twists on the classics** like the spot's famous Corn Dog Nuggets.

These are seriously some of the best hot dogs I've ever eaten. (And I'm sure the view of Cinderella Castle from the spot's outside tables doesn't make me biased at all ;-D). Be sure to grab one of those outdoor tables for a nice view of a passing parade, or enjoy live ragtime tunes performed by Casey's piano player!

MINI CORN DOGS

\$10.99

Savory little hot dog nuggets coated in sweet corn batter and fried, **Mini Corn Dogs** (also known as **Corn Dog Nuggets**) are your favorite State Fair treat in a bite-sized package! Sure, you could dip them in traditional mustard or ketchup. But Casey's gives you the option to add cheese sauce/plastic cheese for an extra buck... which makes 'em even better! The Nuggets are served as a combo with your choice of French Fries or a Cuties Mandarin.

CHILI-CHEESE FRIES

\$6.99

Wherever you find Chili-Cheese Dogs, you're bound to find **Chili-Cheese Fries**! And that's the way it is at Casey's Corner, where you can get those same hearty, cheesy toppings on a pile of fries. I am pretty impressed with the portion size and plentiful toppings of these fork-worthy fries.

BASEBALL BROWNIE

\$4.79

Casey's Corner pays tribute to America's National Pastime: Baseball! So what better sweet treat for Casey's than a **Baseball Brownie**?

A fudgy, rich brownie is topped with vanilla frosting and decorative icing to perfectly resemble a baseball. Your little Slugger will love it. We sure do!

MINT JULEP

\$7.29

If you're familiar with the traditional bourbon-based Mint Julep cocktail, you should know that *this* is not *that*. Here at Casey's, the non-alcoholic **Frozen Mint Julep Lemonade** mixes frozen lemonade with mint syrup. The cooling mint balances the tart lemon for a fun and flavorful refresher. Garnished with lemon and a cherry, it's a terrific and unique frozen option on a hot day.

LOADED FRIES

\$7.79

In addition to your regular hot dogs, Casey's often serves up specialty dogs such as the Chipotle Barbecue All-Beef Hot Dog topped with Pulled Pork, Slaw, and Chipotle Barbecue Sauce. But here's the fun part... you can get those specialty toppers on a pile of FRENCH FRIES instead of a dog! See what's available on your visit!

"PLASTIC"

\$1.00

I should let you know that "**Plastic Cheese**" (which you'll see on menus as "**Cheese Sauce**") is a term of endearment. I LOVE the stuff. When you consider the possibilities—from dipping your French Fries to topping a classic Casey's Dog—I wholeheartedly believe that it's a dollar well spent. *FOR REAL.*

MAIN STREET BAKERY

Good news, friends... even on turn-of-the-century Main Street, U.S.A., you don't have to go without your Starbucks fix. **Main Street Bakery** is Magic Kingdom's own **Starbucks** location, and it features all of your favorite Starbucks beverages and pastries that you know and love from back home. But you'll find a few unique-to-Disney snacks here, too. Heads up that lines can get VERY long here – especially first thing in the morning! But you are guaranteed to be able to enjoy your favorite Starbucks drink just the way you like it, then bring it outside to sip within view of Cinderella Castle. Not bad!

P.S. See that mug just below? Each Disney World theme park has its VERY OWN collectible Starbucks mug, so you can show everyone that you've "BEEN THERE!"

MICKEY-SHAPED CINNAMON ROLL

\$7.49

Check out this awesome **Mickey-shaped Cinnamon Roll**! It's more flavorful than it looks, but I still think it could use an extra dose of that butter-sugar-cinnamon and frosting since it is, admittedly, often a bit dry. You can also find it at Animal Kingdom's Creature Comforts, but Magic Kingdom is the only park where the Mickey Cinnamon Roll gets “dressed up” for Halloween and other holidays!

You may even spy a Minnie version with pink icing from time to time. Fun!

STARBUCKS BEVERAGES

VARIES BY DRINK AND SIZE

The menu at the Main Street Bakery features your traditional **Starbucks beverages** in those famous Starbucks sizes—tall, grande, and venti. During certain times of the year you'll also find popular seasonal drinks such as the Pumpkin Spice Latte in the fall and the Peppermint Mocha Frappuccino during the winter holidays. And, just like back home, you can always order your own custom drink, exactly the way you like it! No matter what you order, remember this: no matter the drink, size, or add-ins, ANY drink is eligible for a Disney Dining Plan snack credit!

MAIN STREET CONFECTIONERY

Got a sweet tooth? Then stop by the **Main Street Confectionery**! You'll find the bakery cases packed full of classic Mickey-shaped snacks including cake pops, cookies, and Krispie treats alongside cupcakes, candy and caramel apples, and more. But unique to the Confectionery among the candy kitchens around Disney World is the Kernel Kitchen (customizable popcorn), the Color Kitchen (mix-and-match candies), and the Glacier Kitchen (frozen beverages). You can even take a peek inside to see fresh goodies being created by cast members in the Confectionery Kitchen!

MICKEY KRISPY TREATS

\$7.99

The classic **Mickey (or Minnie!) Krispy Treat** is a FAV-OR-ITE among Disney fans. You can find them in most food and candy stores in the park, but head over to the Confectionery on Main Street or Big Top Treats to see them being made! You'll find seasonal varieties in unique shapes and sizes, too. The Krispie Treats at Main Street Confectionery sport chopped Twix or other popular candies, and the Confectionery also serves the exclusive **Peanut Butter Krispy Treat with Mini M&Ms** (pictured right)! And remember: no matter how it's topped, a Krispie Treat (*CEREAL*, folks!) is totally fair game for breakfast!

CONFECTIONERY CUPCAKES

\$5.99-\$6.49

Creative and fun **CUPCAKES** can be found throughout Magic Kingdom! Keep an eye out for seasonal varieties all year long, and be sure to check various locations for new flavors and themes. While you'll typically find decorative variations on chocolate and vanilla (and even Red Velvet), you should also look for fun additions like the pretty Pineapple Cupcake pictured on the right. Cupcakes are constantly changing, so look forward to being surprised on your visit!

MICKEY CAKE POPS

\$5.99

Mickey Cake Pops are available in flavors like Red Velvet, Chocolate, Vanilla, and Marble on the inside, with milk or white chocolate on the outside. And, of course, you're bound to find some covered in bits of Snickers or M&Ms at the Main Street Confectionery. This is one of my favorite candy case treats. I personally prefer the rich chocolate cake versions. They really are VERY good!

MICKEY MARSHMALLOW POP

\$7.29

Why, HELLO there, **Mickey Marshmallow Pop**! This treat takes classic, fluffy marshmallows and gives them a Mickey-shaped twist! Though you'll spy other toppings (and occasionally even flavors like Churro or Strawberry), our Mickey Marshmallow is completely covered in chocolate and sprinkles. But the true star of the snack is the fresh and gooey marshmallow goodness under all those toppings.

MICKEY SCONE

\$6.29

Among the cookies, fudge, and cupcakes at the Confectionery, you can grab a more traditional breakfast item thanks to the **Mickey Scone made with Dove Chocolate**! Okay... maybe calling this scone “traditional” is a bit of a stretch. After all, it's packed AND covered with bits of Dove chocolate, and complete with a generous drizzle of chocolate. And that Mickey shape is a happy reminder that you're starting your day on Main Street, U.S.A.!

MICKY AND MINNIE CARAMEL APPLES

-\$13.99

Our **Minnie Caramel Apple** you see here – all dressed up for spring! – is just one example of the photogenic (and SUPER yummy) Specialty Apples you'll spy in Disney treat cases! White or milk chocolate layered over caramel provides the base for edible decorations that change with the seasons. These are a splurge... but they're HUGE, so you can easily share and still enjoy a VERY satisfying snack.

CARAMEL APPLES

\$7.49-\$7.99

Of course, you can't go wrong with the classic apple simply covered in golden caramel. Disney uses green Granny Smith apples and Werther's Original Caramel for the ultimate combination of sweet and tart. Like some extra crunch? Then opt for the **Caramel Apple with Peanuts**!

CHERRY CANDY APPLE

\$7.99

Old-fashioned **Candy Apples** will always be in style on Main Street, U.S.A.! Red Delicious Apples are covered with a cherry candy coating. And here at the Confectionery, they're often topped with a few gummy Lifesavers... you know, in case that candy coating isn't sweet enough for you. ;-D Personally, though, I always opt for caramel... a bit less messy and not so difficult to eat on-the-go in the parks.

BLONDIE PIE WITH TWIX

\$7.49

The **Blondie Pie** topped with chopped TWIX is CHOCK FULL of more goodies than the name implies. Butterscotch chips and caramel bits are baked into the dense blondie, and it's all topped with a TWIX Minis... for some dessert after your dessert. ;-D If you're a fan of Twix, chocolate, caramel—and the perfect balance of salty and sweet—then the Blondie Pie is a must-try.

That said... we've got two more of these incredible "pies" to show you before you make your final decision... even if that final decision is to try all three throughout your trip!

BROWNIE PIE

\$7.49

The **Brownie Pie** is an incredibly thick, rich and even *hefty* treat, yet it retains that touch of gooey-ness that makes a brownie great. This thing is also PACKED with peanut and milk chocolate M&Ms, adding some nice crunch and extra sweetness to every bite. It's given to you in a little bag, so if you have a tough time finishing, you can pack half away for later so it can be ALL YOURS. Fair enough. ;-D

PEANUT BUTTER COOKIE PIE

\$6.99

OK, THIS one's my favorite... The **Peanut Butter Cookie Pie**! A HUGE soft and thick peanut butter cookie is topped with rich chocolate frosting. The main purpose of that frosting is to affix about HALF A BAG of Peanut Butter M&Ms on top of the whole thing! If that wasn't enough, peanut butter chips are baked throughout the cookie adding some nice texture, to boot. The only thing missing is a big glass of milk to wash it down!

CHOCO CARAMEL COOKIE

\$5.99

If you're one of my fellow TWIX fans, I'm about to give you the BEST heads-up ever. The **Chocolate Caramel Cookie** takes all the same scrumptious elements of the famous candy bar (chocolate, caramel, and shortbread), turns them into a big ol' cookie, then tops it all with... WAIT FOR IT... *real TWIX*! It's love at first bite.

CRISPED TREAT STACK

\$10.99

Let's start with the good news when it comes to the **Crisped Rice Cereal Treat Stack**: It's fun and original, it's fruity and flavorful (with layers of lemon, orange, cherry, and grape), and it's even creamy thanks to the vanilla icing that binds everything together. The bad news? The price is *high* while the portion is small. I wish we could recommend this unique option, but there are MUCH better values in the Confectionery (with the Peanut Butter Pie being the best among them).

BUNDT CAKES

\$6.49

The **Strawberry Lemon Bundt Cake** is – quite frankly – our favorite snack featuring freeze-dried Skittles at the Main Street Confectionery. Here, the bright candy flavors pair really well with the fruity cake and frosting, and it's a delightful spring treat. Be aware, though, that this Bundt – along with its Chocolate TWIX counterpart – tends to come and go from the Confectionery. When both are available, this is our favorite of the two by far.

C-Y-O GLACIER

\$8.99

Create-Your-Own Glacier at the Confectionery's Glacier Kitchen! Start with your choice of Glacier flavor (including unique ones like Banana and Watermelon). Next, choose up to THREE toppings from options including marshmallows, gummy candies, and more. Now, if that sounds like a LOT of sugar, that's because IT IS. But the kiddos love this candy-topped cooler AND the options for customizing their very own drink.

CONFECTIONERY FUDGE

\$5.79-\$6.29

You'll find **Fudge** in classic flavors (like chocolate peanut butter and cookies and cream) in confectioneries all over Disney World. But the Main Street Confectionery serves up a little something extra, with more unique flavors like the **Caramel Cold Brew Fudge** you see above. No matter which you choose, you'll enjoy a true treat for your sweet tooth!

SKITTLES FUDGE BITES

\$12.49

Skittles Fudge Bites come in a box of five (grape, green apple, lemon, orange, and strawberry), each enrobed in white chocolate with a flavored drizzle and a candy center. Honestly, this one's too much of a gamble to recommend. Some of the fruit flavors worked well in fudge-form, and others... not so much. For the hefty price tag, you're better off sticking with a sure thing.

TWIX FUDGE POP

\$6.29

The **TWIX Fudge Pop**, on the other hand, is a great example of a twist that works! Served up on a stick, caramel and TWIX cookie topping lies atop a classic chocolate fudge. The TWIX crumbles add a fun texture and balance out the sweetness a bit, and the caramel is rich, delicious, and gooey. An altogether fun combo!

“MAKE-YOUR-OWN POPCORN”

\$13.99 WITH TWO TOPPINGS

The Kernel Kitchen is tucked inside the Confectionery, and **Custom Popcorn Mixes** are the name of the game! Start by choosing a popcorn flavor from options like caramel, rainbow, butter, and cheddar. Next, add a syrup (dark milk, or white chocolate). Finally, take your pick from a bunch of candies and extras to top off your treat: M&M’S, pretzels, marshmallows – the WORKS. For example, our custom combo (pictured), combines caramel popcorn, dark chocolate syrup, and two toppings: pretzels and TWIX.

There are no two ways about it: as fun as customization is, this is a pricey snack. It’s \$13.99 for 2 toppings and a syrup, \$14.99 for 3 toppings and a syrup, and \$1.00 for any additional toppings. Fortunately, it’s a big portion, a very rich snack, and super fun to share, which brings the cost per person down.

KERNEL KITCHEN SEASONAL MIXES

\$16.99

No matter the season, the Confectionery’s Kernel Kitchen is whipping up a **Seasonal Popcorn Mix** to make the celebration even sweeter! The S’mores Mix (pictured left) and Springtime Mix (right) are just two examples of the ever-changing over-the-top options.

Take the Springtime Mix: caramel popcorn is layered with M&Ms, crushed vanilla cookies, mini marshmallows, and yellow and white chocolate. *Whew!* Beware: these fun treats are typically for MAJOR SWEET TOOTHs only!

PLAZA ICE CREAM PARLOR

Step back in time to a vintage-style ice cream parlor located right on Magic Kingdom's Main Street, U.S.A.! Featuring indulgent sundaes, floats, and cones with hand-scooped ice cream, the **Plaza Ice Cream Parlor** has many flavors to choose from, so it's hard to pick just one... which is as good a reason to order up a double scoop as any!

Avoid parade and fireworks times when long lines develop! (And don't confuse this parlor with the adjacent sit-down Plaza Restaurant. The Parlor is grab-and-go all the way.)

THE PLAZA SUNDAE

\$9.29

The **Plaza Sundae** is a famed dish served at the Plaza Ice Cream Parlor. This snack is large enough to share (possibly with the whole family!). Served in a tasty waffle bowl (which you'll catch the wonderful scent of when you walk in the shop), two scoops of your choice of ice cream, hot fudge, whipped cream, and cherries make this a memorable treat.

ALL-AMERICAN SUNDAE

\$8.29

If you're a peanut butter lover (like me!!), THIS is the sundae for you in the Magic Kingdom!

Featuring chocolate and vanilla ice cream, topped with hot fudge AND hot peanut butter topping, whipped cream, and—of course!—a cherry on top (along with chocolate and peanut butter chips), the **All-American Sundae** is an ice cream marvel! The flavors are perfect together.

BROWNIE SUNDAE

\$9.29

Take a moist, chewy warm brownie and have it served up with your choice of two scoops of ice cream, gooey hot fudge, and whipped cream, and you've got yourself a delicious **Brownie Sundae**! This is a terrifically rich treat and can definitely be shared. We'd happily go with this one over the Brownie Sundae you can find in Tomorrowland, so don't forget that you can snag this one right on Main Street!

ICE CREAM COOKIE SANDWICH

\$7.49

OK, so you've got homemade **Ice Cream Sandwiches** on your Disney snack bucket list, but I'm about to plus that up for you!! Head to the Plaza Ice Cream Parlor for your Ice Cream Sammie and get it with peanut butter, hot fudge, or caramel topping for only 69 cents extra!! This is a truly messy indulgence. And if you're as excited about this as I am, then we *definitely* need to be friends.

S'MORES SHAKE

\$8.99

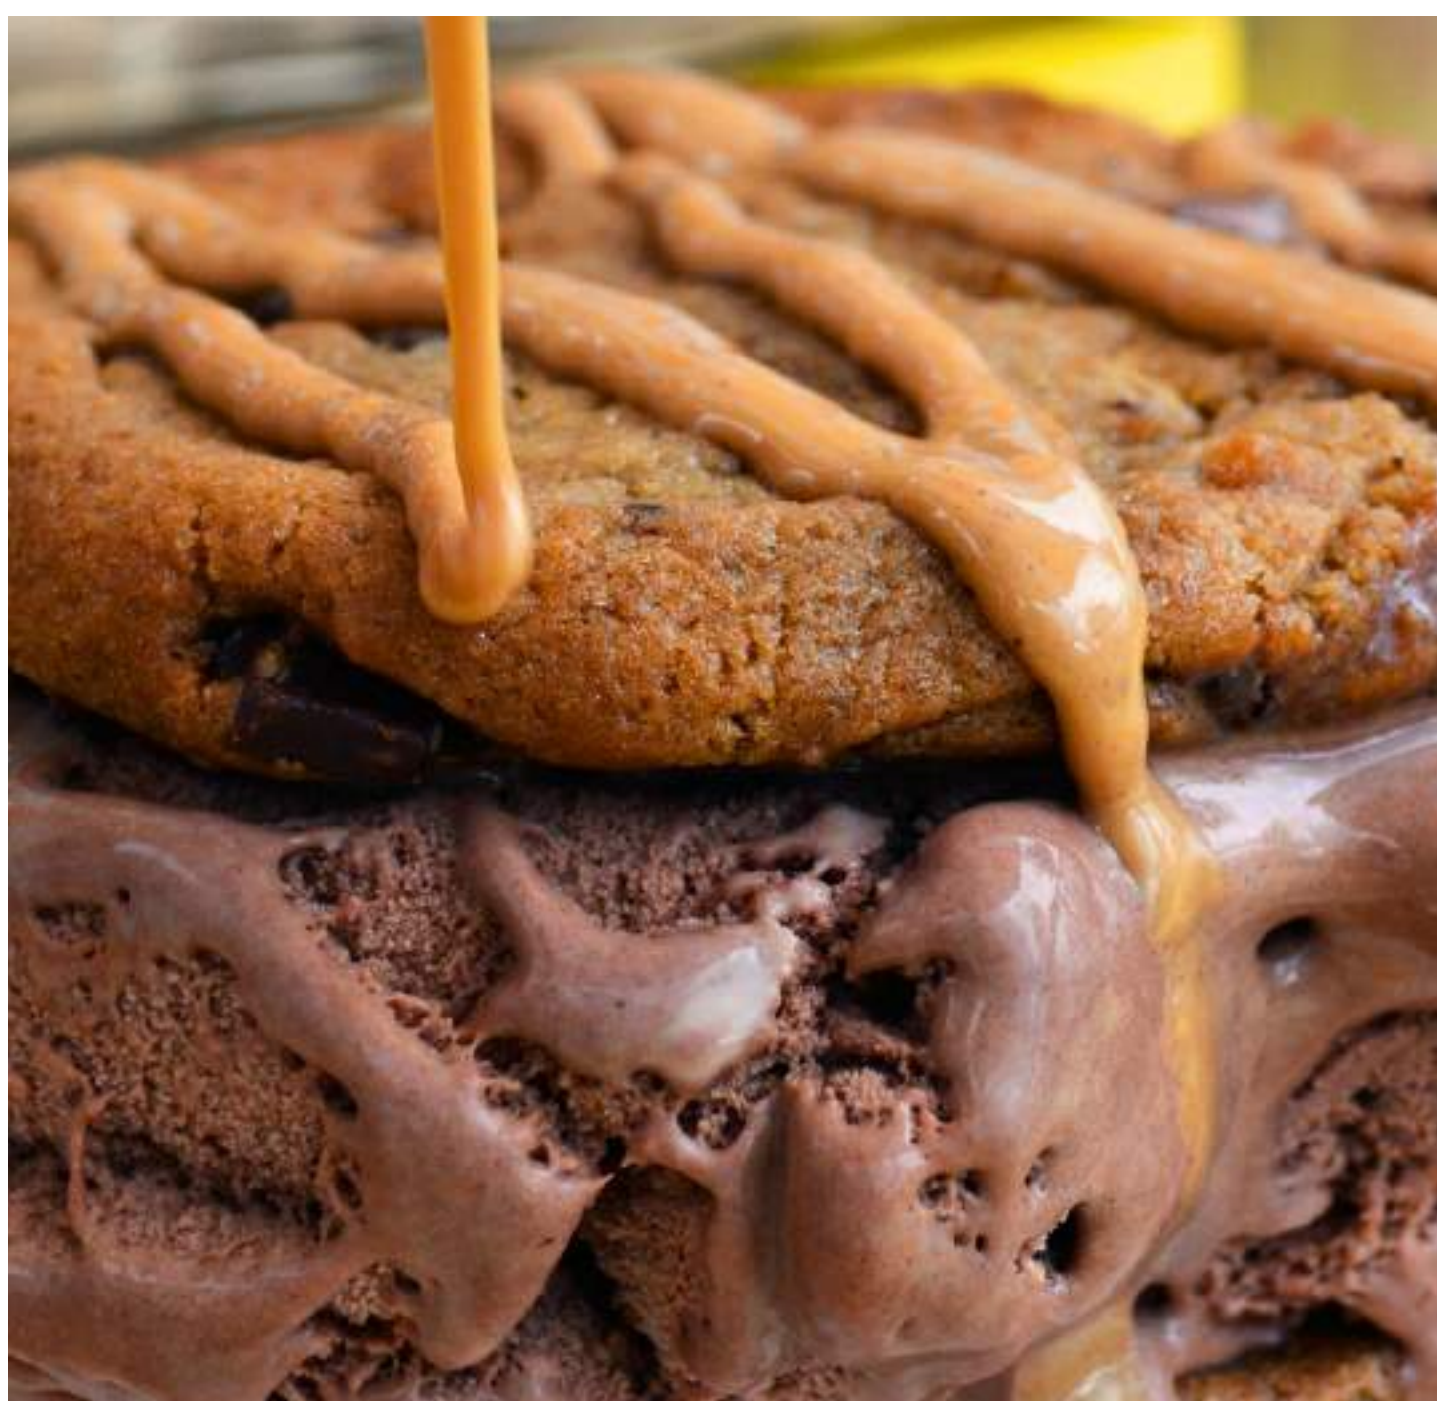

The **S'mores Shake** is made with chocolate ice cream blended with graham cracker crumbles, topped with whipped cream, graham cracker crumbles, mini marshmallows, and hot fudge. There are even marshmallow bits and chocolate chips throughout the shake (not just on top), making this one decadent and delicious treat that's also a little tough to finish due to how very rich it is. Just grab a pal and share... I mean, that's what you'd do around the campfire, anyway!

FLAVORS AND TOPPINGS

VARIES PER TREATS

Remember: no matter which treat you order at the Plaza Ice Cream Parlor, **YOU** choose your favorite ice cream flavors from options like Vanilla, Chocolate, Strawberry, Cookies and Cream, No-Sugar-Added Raspberry Sorbet, and more. Look for Featured Flavors like Pumpkin Spice in the autumn months. Plant-based non-dairy options (typically Tofutti and Rice Dream) are also available. You can even top your treat with a selection of candies for an extra 99 cents, or extra sauce (peanut butter, caramel, or hot fudge) for 69 cents.

MAIN STREET POPCORN AND SNACK CARTS

The tempting fragrance of buttery popcorn greets you on Main Street, U.S.A. from the moment you first walk under those Train Station arches, thanks to the prime real estate occupied by the **Main Street Popcorn Cart!**

If you are a major popcorn fan (or your group has several popcorn fans!), take advantage of the Refillable Popcorn Bucket offer. You'll get a souvenir bucket (an example is pictured left below) filled with popcorn for \$14.25 - \$15.50 for your initial purchase. Refills for your length of stay are only \$2.25 a POP. ;-D

You'll also find popular ice cream novelties available, which we'll explore on the next page.

MICKEY PREMIUM ICE CREAM BAR

\$6.50

The **Nestle Mickey Premium Ice Cream Bar** is delicious AND shaped like our favorite mouse! With rich vanilla ice cream enrobed in chocolate, this ice cream treat on a stick is a Walt Disney World favorite snack... so much so that it's also become a beloved icon of Disney park food. When you're on vacation at Disney World, you are always just a few steps away from a Mickey Ice Cream Bar. And that is a *very* good thing.

MICKEY ICE CREAM SANDWICH

\$6.50

The **Mickey Cookies and Cream Ice Cream Sandwich** is a true Disney tradition—another one of the classic ice cream novelty treats found at carts throughout the Magic Kingdom. Combining cookies and cream ice cream with two soft chocolate cookies in the shape of Mickey's face, this is a simple, but wonderful, portable snack. If you're an ice cream sandwich fan, this one's for you!

OLAF FROZEN LEMONADE BAR

\$6.25

At several Magic Kingdom ice cream carts you'll find the **Olaf Frozen Lemonade Strawberry Bar**, with the wrapper sharing the snowman's famous sentiment: *"Some things are worth melting for."* A mottled red and yellow frozen fruit bar boasts strawberry and lemon flavors that are sour and... *sour*. Yep—there's a SUPER tart quality to this bar that might turn off some of the little Olaf fans who may be drawn to the packaging. Just be prepared!

ADVENTURELAND

ADVENTURELAND

PACK YOUR SENSE OF ADVENTURE...

Welcome to Adventureland! This is the land where you can take a Jungle Cruise, channel your inner pirate on The Pirates of the Caribbean attraction, fly on a Magic Carpet (just like Aladdin and Jasmine!), climb to the tip-top of the Swiss Family Treehouse, and sing along with some charming feathered friends in Walt Disney's Enchanted Tiki Room.

Yes, it's a land of mystery, intrigue... and EATS!! Adventureland is the original home to one of Magic Kingdom's most iconic snacks. If you're not yet acquainted with the beloved DOLE Whip, we'll be introducing you in this section, along with LOTS of new, flavorful twists on the classic treat!

But there's even more in store, so pack up your sense of adventure and join us!

ALOHA ISLE

No matter when you're in Magic Kingdom, **Aloha Isle** should be a stop for you! Head to this hideaway in Adventureland to pick up a tried-and-true favorite Disney treat: Pineapple DOLE Whip! Grabbing a DOLE Whip in Disney World is practically a rite of passage, and you can [read up on the history of one of Disney's most beloved treats here](#).

Variations on the classic DOLE Whip including floats are served here, too.

DOLE WHIP SOFT SERVE

\$5.99 - \$6.99

Though we're seeing new flavors these days, the OG **Pineapple DOLE Whip** has a near cult-like following among Disney-goers. This pineapple soft-serve frozen treat is low in fat and calories (and the pineapple flavor specifically is non-dairy, gluten-free, and vegan)! You might enjoy the DOLE Whip Float in which the DOLE Whip is paired with pineapple juice. (You can even swirl the pineapple with vanilla—as pictured on the left—to mellow out the strength of the pineapple a bit.) It's one of the best-loved Disney snacks with good reason.

PINEAPPLE UPSIDE DOWN CAKE

\$6.99

OH, MY... when Aloha Isle started swirling up some of that Pineapple DOLE Whip and vanilla we've been raving about and place it atop a round of moist pineapple cake, they created one of my personal FAVORITE SNACKS in all of Disney World! Seriously, I LOVE the **Pineapple Upside-Down Cake topped with DOLE Whip**... I've been known to skip rides just to eat it again (and again). Grab a fork – and a spoon! – and DIG IN to this twisty, tasty, tropical treat, my friend!

DOLE WHIP FLAVOR VARIATIONS

\$5.99 - \$6.99

As mentioned, Aloha Isle is most famous for its signature DOLE Whip flavor: Pineapple. However, **DOLE Whip flavor variations** pop up from time to time, giving guests more ways to try this popular treat! **Coconut** (pictured left) has become especially popular as of late and has remained on the menu the longest, and we've enjoyed flavors such as raspberry on occasion, too. Just like the Pineapple, you can swirl the rotating flavors with Pineapple and even enjoy as a Float. Just be aware that, unlike the Pineapple, select flavors are not vegan, so if that is a concern you'll want to check with a Cast Member.

TROPICAL SERENADE

\$7.99

Take a generous serving of Coconut DOLE Whip. Swirl it into a cup of the Disney-famous POG Juice (Passion Fruit-Orange-Guava). Tuck an Upside-down Pineapple Cake Pop into the soft-serve, and what do you get? The **Tropical Serenade**! This Enchanted Tiki Room-themed float is **THREE** great treats in one! For those who love those tropical tastes, this can't be beat. Enjoy... and then come back for another one later in your trip. (That's what I do!)

SPRING ROLL CART

If you find yourself walking towards Adventureland in Magic Kingdom thinking “*I could really go for a spring roll right about now,*” then you’re in luck... BEHOLD the **Spring Roll Cart**!

But let me fill you in on a little something first: you may not find *exactly* what you expect when you think about a spring roll... and THAT’S a big part of the fun! This colorful cart serves up some *serious* spring roll twists. We’ve found (and tasted) everything from Pepperoni Pizza Spring Rolls to Cheeseburger Spring Rolls to Reuben Spring Rolls, and more!

CHEESEBURGER SPRING ROLLS

\$9.50 FOR 2

These are the ones that started it all. The **Cheeseburger Spring Rolls** are the OG not-your-average-Spring-Roll served in Magic Kingdom. These meaty, cheesy spring rolls taste like a fast food cheeseburger surrounded in a golden, crispy shell instead of a bun! And they're SUCH a huge hit, that – even though the second flavor on the menu rotates – the Cheeseburger Spring Rolls are always up for grabs. You can get two for the price OR choose one Cheeseburger Spring Roll and the current specialty flavor to go along with it.

SPECIALTY SPRING ROLLS

\$9.50 FOR 2

As we've mentioned, **Specialty Spring Rolls** tend to rotate, but other Rolls we've enjoyed have included – but aren't limited to – Bacon Macaroni and Cheese Spring Rolls, Reuben Spring Rolls, Buffalo Chicken Spring Rolls, Pepperoni Pizza Spring Rolls (as pictured above), and Pastrami Spring Rolls! Reminder: because you get two spring rolls with your order, you can get two of the same, or try one of each available. (Keep in mind that we always recommend grabbing at least one of the Cheeseburger version, no matter what else is up for grabs!)

SUNSHINE TREE TERRACE

Sunshine Tree Terrace is a classic Magic Kingdom refreshment stop! Here, you'll find soft-serve treats including a variety of DOLE Whip flavors and floats unlike those you'll find in other areas of the park.

Sunshine Tree Terrace also happens to be home to the beloved little Orange Bird. In fact, you can see the ORIGINAL Orange Bird tucked in the Terrace from your own "perch" at the Counter!

Don't see him? Simply ask a Cast Member to see a piece of true Magic Kingdom history.

CITRUS SWIRL

\$5.79

The **Citrus Swirl** is a favorite from yesteryear. This twist of tart frozen orange juice and vanilla soft serve is a cult favorite. Refreshing and nostalgic, this is a Magic Kingdom rite of passage than can ONLY be found in this park. Please be aware that the Citrus Swirl tends to come on and off the menu, but be sure to check with a Cast Member if it's not listed—we've found that it can *sometimes* – but not always – be made by request!

"I LAVA YOU" FLOAT

\$7.29

The **"I Lava You" Float** is a tribute – in float form! – to the Pixar short film, *Lava*. This fun float features Orange DOLE Whip served with Strawberry Fanta Soda. Red passion fruit syrup provides the "lava" running down the treat. And the finishing touch is strawberry popping candy for a flavor "explosion!" The chosen flavors work wonderfully well together in this cold refresher.

SOFT-SERVE CUPS

\$5.79

Along with your typical chocolate and vanilla, look for fun soft-serve flavors at Sunshine Tree Terrace like **Strawberry DOLE Whip** and **Orange DOLE Whip**. (P.S. If the Citrus Swirl is unavailable during your visit, you can order the pictured **Orange Cream Cup**, which swirls Orange DOLE Whip with vanilla for a similar "creamsicle" flavor experience!)

SOFT SERVE FLOATS

\$6.49

How 'bout some electrolytes with your ice cream ;-D? Hey, on a hot day in the parks, it's not the worst idea, and the **Powerade Mountain Berry Blast Float** (pictured with Strawberry) can help you out! Powerade, though, is just one of the beverages you can mix with ANY of the soft-serve flavors mentioned above. We enjoy the Fanta Strawberry with Orange DOLE Whip. Have fun with a new-to-you combo!

TORTUGA TAVERN

Tortuga Tavern welcomes you to a quaint Caribbean village at this eatery serving “Grub and Grog!” This open-air Quick Service restaurant is located across from the Pirates of the Caribbean attraction in Magic Kingdom’s Adventureland. So channel your inner PIRATE and stop on by!

Please be aware that Tortuga Tavern typically operates as a seasonal location (meaning it’s open only during busier seasons for the park). However, Tortuga Tavern has not been open for several months (at press time) because the area is being prepared to welcome a new Pirates of the Caribbean themed TAVERN later this year!

DESERT PEAR LEMONADE PIRATE SLUSHY

\$6.49

AAAARRRR ye ready for a cold refreshing frozen beverage? Then check out the **Pirate Desert Pear Lemonade Pirate Slushy**! This variation on Frozen Lemonade is a nice change of pace thanks to the sweet, distinctive, and strong pear flavor balancing out the tart lemonade. It's so tasty that I wish it were available in more locations, because Tortuga Tavern has limited operating hours. But you can find something similar at Cosmic Ray's in Tomorrowland, where it goes by the name of Lunar Lemonade, and is served over ice.

PEANUT BUTTER AND BANANA SANDWICH

\$10.99

Peanut Butter! Chocolate-Hazelnut Spread! Banana! Sandwich! Tortuga Tavern sure caught us by surprise with this combo. Sure, the **Peanut Butter, Chocolate-Hazelnut Spread, and Banana Sandwich** is not the prettiest sandwich you'll ever eat... and I can't attest to how many pirates have partaken in this particular dish. But it sure is tasty! Served with chips, this sweet (and SUPER RICH) sandwich is sure to please the kiddos. And, yes, we grown-ups like it, too—*really*!!

ADVENTURELAND SNACK CART

It's not just Popcorn you'll find at the **Adventureland Popcorn and Snack Cart**... Cotton Candy and iconic ice cream treats and more are found here, too!

That said, if you are a major popcorn fan (or if your group has several popcorn fans!), take advantage of the Refillable Popcorn Bucket offer. You'll get a souvenir bucket (an example is pictured left below) filled with popcorn for \$14.25 - \$15.50 for your initial purchase. Refills for your length of stay are only \$2.25 a POP. ;-D

MICKEY PREMIUM ICE CREAM BAR

\$6.50

The **Nestle Mickey Premium Ice Cream Bar** is delicious AND shaped like your favorite mouse! With rich vanilla ice cream enrobed in chocolate, this ice cream treat on a stick is a CAN'T MISS Disney World snack! It's more than a yummy treat; it's also a beloved icon of Disney park food. When you're on vacation at Disney World, you are always just a few steps away from a Mickey Ice Cream Bar. And that is a *very* good thing.

MICKEY ICE CREAM SANDWICH

\$6.50

The **Mickey Cookies and Cream Ice Cream Sandwich** is a true Disney tradition—another one of the classic ice cream novelty treats found at carts throughout the Magic Kingdom. Combining cookies and cream ice cream with two soft chocolate cookies in the shape of Mickey's face, this is a simple, but wonderful, portable snack. If you're an ice cream sandwich fan, this one's for you!

CINNAMON-GLAZED NUTS

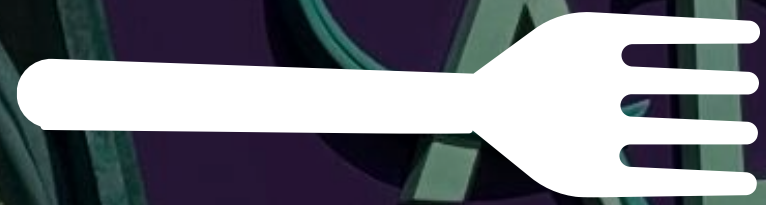

\$6.25

You can smell the delicious aroma of **Cinnamon Glazed Nuts** almost as soon as you enter Adventureland. Sweet, crunchy, and coated over and over with that gorgeous cinnamon-y, sugary syrup, the cinnamon glazed almonds (or pecans, if you prefer) are a favorite among many park-goers. Don't forget—nuts are a great source of protein, which means they can give you an energy boost to make it through more time in the park!

FRONTIERLAND

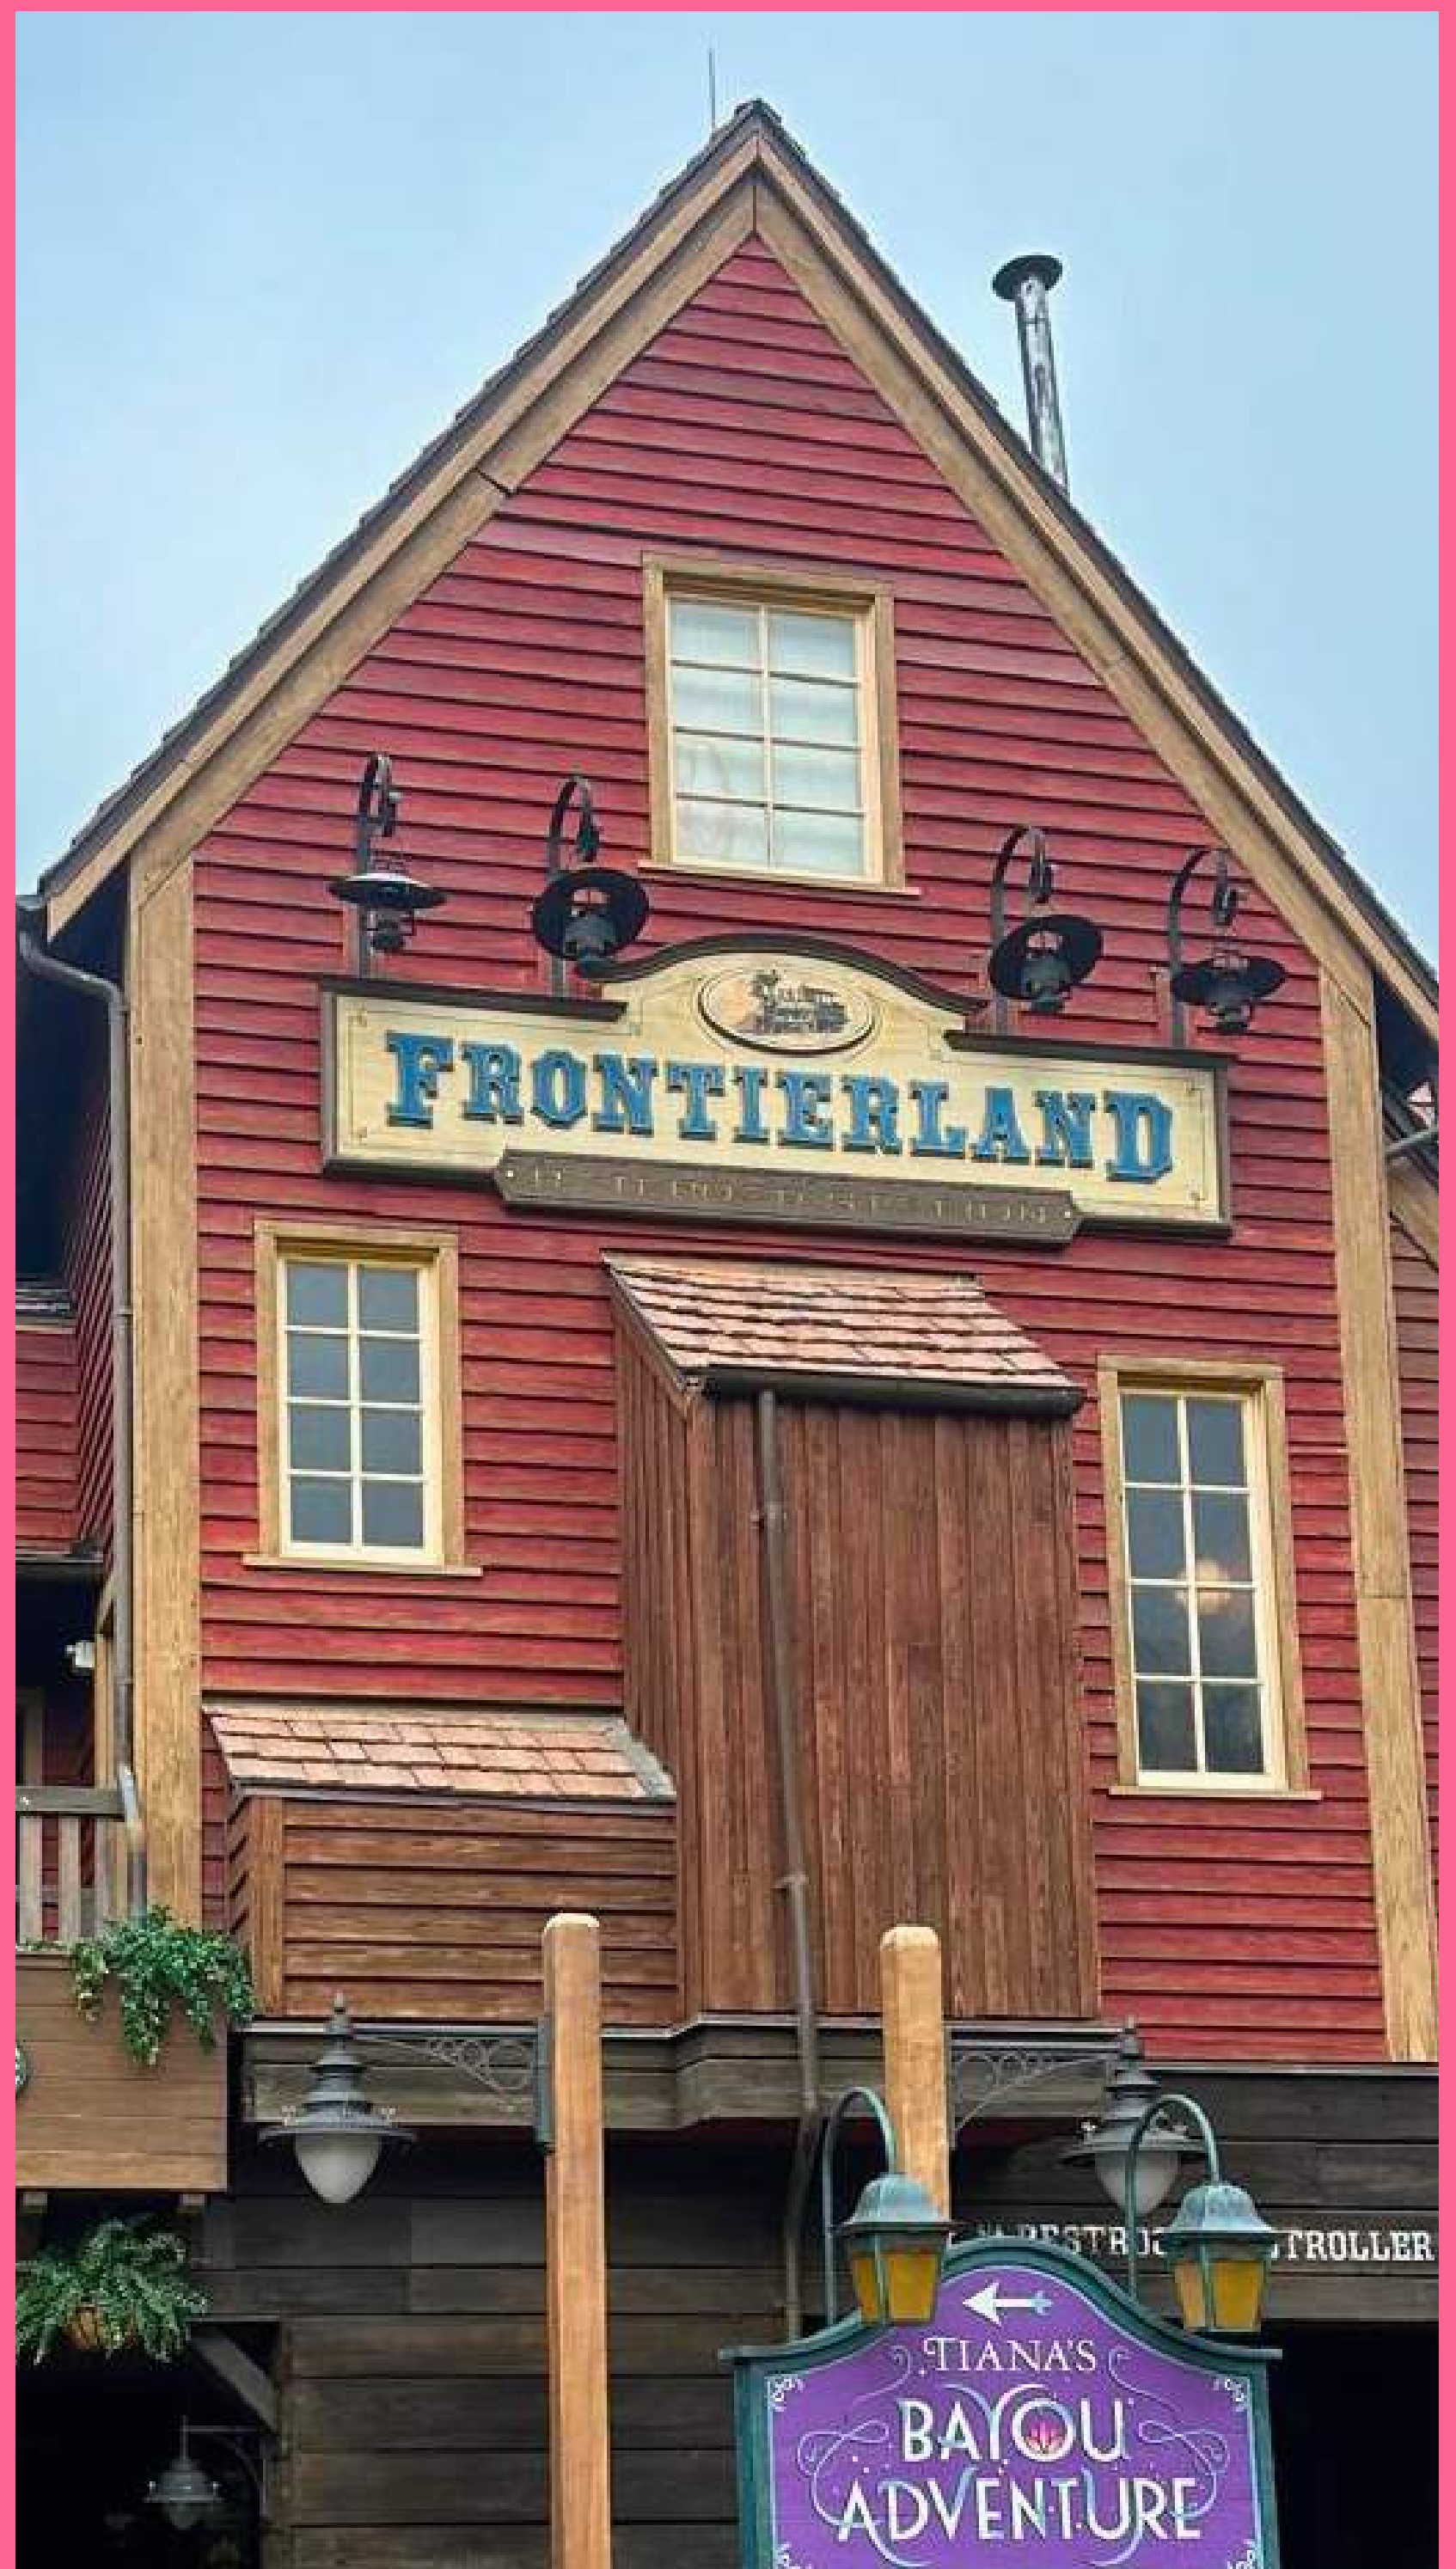

FRONTIERLAND

EXPLORE THE WILD, WILD WEST

Howdy, *pardner*! You've just moseyed on into Frontierland! Tucked between Adventureland and Liberty Square, Frontierland transports you back in time to the WILD WEST of the 1800s!

When you're ready to take on Big Thunder Mountain, make a splash on the NEW Tiana's Bayou Adventure, or attend a Jamboree by the land's famous Country Bears, you may need to round up some vittles while you're at it!

Here you can satisfy your cravings for Tex-Mex at Pecos Bill Tall Tale Inn and Cafe or grab a classic snack -- the Churro! -- at the Frontierland Churro Cart... and, of course, MUCH more. *Giddyup!*

GOLDEN OAK OUTPOST

This Magic Kingdom Frontierland hitchin’ post serves up some good eats, a couple treats, and drinks to satisfy a ten-gallon-hat-sized thirst. **Golden Oak Outpost** is located just steps away from Tiana’s Bayou Adventure, and offers up a some quick-service offerings inspired by Princess Tiana herself!

There is no indoor seating (nor, unfortunately, much in the way of shade) at this seasonally open spot, but across from the Outpost is the patio for Pecos Bill Tall Tale Inn and Cafe where some outdoor tables are equipped with coverage.

BAYOU LAVENDER LEMONADE

\$6.59

The **Bayou Lavender Lemonade** features lemonade with lavender flavors, which Disney shares is “inspired by New Orleans’ influence on American Cuisine.” And it is simply delightful!

The lavender comes through in subtle hints, resulting in a really nice, fresh drink that truly has a lovely floral undertone to it. It’s a pleasant surprise!

TIANA’S FAMOUS BEIGNETS

\$7.29

Tiana’s Famous Beignets made their debut in Magic Kingdom along with the new Tiana’s Bayou Adventure attraction. Okay, REAL TALK: If you want the best Beignets in Disney World, you’ll find them at Scat Cat’s Cafe in Port Orleans – French Quarter Resort. But, drizzled with honey and dusted with powdered sugar, these are a close second (if a little messy from the honey)! You’ll receive three fried Beignets in a batch to cure your cravings... until you can get to Port Orleans, that is!

PECOS BILL TALL TALE INN AND CAFE

Mosey on over to **Pecos Bill Tall Tale Inn and Cafe** for a little grub when you're wandering through Frontierland! This massive Quick Service spot serves Mexican-inspired fare such as Nacho Bowls and Rice Bowls for both vegetarians and meat eaters, and Steamed Tamales (though you can find a burger on the menu, too).

Located on the corner of Frontierland and Adventureland, this entrance to the Old West is a great place to sit for a spell, chow down, and relax. Just be sure to follow the Code of the West ("Don't ever spit in front of women and children!") and you'll fit right in.

BARBECUE CHEDDAR SEASONED FRIES

\$4.99

The **BBQ-Cheddar Seasoned Fries** have a taste akin to a barbecued chip in fry form (not too dissimilar to Worcestershire sauce). Like the barbecue, the cheddar flavor is simply a seasoning (as opposed to a sauce) and comes through in the aftertaste. These can be ordered alone or as a side with select entrees. They won't change your world or anything, but they do offer a slight change of pace from your typical fries.

TORTILLA CHIPS WITH QUESO DIP

\$5.99

The **Tortilla Chips with Queso Dip** is not necessarily the most groundbreaking menu item you'll find in Disney World, but naturally, it's the perfect side item for any of the Mexican fare served up at Pecos Bill's.

And, of course, the slightly spicy Queso Dip is really the star of the show. And that's why we want to give it its very own nod next...

QUESO DIP

\$1.00

Okay, so obviously we mentioned the **Queso Dip** above... but the reason we think it's important to mention *again* is that you can get a side serving of it – for just A BUCK – to add to *any* of your dishes at Pecos Bill's! Entrees include Create-Your-Own Rice Bowls, a Steamed Tamale, and more. Honestly? I would even put this creamy Queso on the Bacon Cheeseburger here. Don't knock it 'til you've tried it!

CHARRO BEANS

\$4.99

The **Charro Beans** are a very unique side item or snack at Pecos Bill's! The consistency is more akin to a brothy stew than expected, and I could see enjoying this warm dish on its own on a cool day. Stewed pinto beans are topped with pico de gallo and a bit of Queso Fresco, which lends a nice creaminess to the flavorful and lightly smoky beans. It's quite filling, and would pair well with the Tortilla Chips and Queso Dip for a light lunch.

SWEET CORN MOUSSE

\$6.29

Don't let your eyes deceive you... the "sweet corn" you see pictured here is actually a surprising **Sweet Corn Mousse**! It's a fun, cute, and oddly photogenic dessert that's quite simple in taste. Sweet corn is the dominant flavor with not much coming from the white chocolate and raspberry powder toppings, so you must appreciate that flavor to enjoy this. Prepare to be surprised if you give it a try!

MINI CHURROS

\$6.99

These fried, cinnamon-sugar-dusted donut-like confections are fan favorites, and you can find **Churros served bite-sized** at Pecos Bill Tall Tale Inn and Cafe. (Honestly, we prefer these to the full-size Churros served at snack stands around the park.)

This tasty snack is made even tastier since it comes with a side of chocolate dipping sauce. *CHURR-AY!*

WESTWARD HO

As you're touring Magic Kingdom's Frontierland and find yourself in need of a quick snack, look for the cabin-like kiosk that is **Westward Ho Refreshments**.

You'll find a modest assortment of snacks like chips and cookies, and a variety of ice cold beverages and frozen slushes on the menu. But this spot }also has a few tricks up its sleeve with items like Corn Dog Nuggets, Jalapeno Poppers, and even Candied Bacon!

P.S. Every now and then, your path to Westward Ho may be blocked by the Frontierland Hoedown featuring classic Disney pals, and YOU'RE invited to join in! We promise, the Poppers and Bacon will still be there after...

CINNAMON-SUGAR DOUGHNUT HOLES

\$5.99

Cinnamon-Sugar Doughnuts are the sweet offering for breakfast at Westward Ho. Five doughnut holes are fried to a golden brown and rolled in cinnamon-sugar.

The portion size is smaller than what we would hope for the price. But the doughnut holes certainly are tasty, nonetheless. Ultimately, though, we'd opt for the Apple Cider Doughnuts at Friar's Nook in Fantasyland over these.

BREAKFAST BISCUIT SANDWICH

\$7.49

The **Breakfast Biscuit Sandwich** is quite impressive! This hearty morning meal is made with a tasty and wonderfully fresh fried chicken patty topped with a half-egg and pepper jack cheese. It's all placed between a soft, golden buttermilk biscuit. Perhaps the only thing we would have preferred is a spicier kick from the pepper jack cheese, which carries that distinct flavor, but without the anticipated heat. Overall, though, it's delicious and a good value that will keep you going right through to lunch time!

MINI CORN DOGS WITH CHIPS

\$10.99

The best place to grab a yummy batch of **Mini Corn Dogs** is Casey's Corner on Main Street, since you can get your batch with fries (instead of chips, as served here in Frontierland), and the plastic cheese that you can grab to dip them in at Casey's *really* ups the ante. But the lines at Casey's can get *loooong*, so it's good to know you can pick up this classic dish quick and easy at Westward Ho!

CANDIED BACON SKEWER WITH CHIPS

\$9.99

The **Candied Bacon Skewer** is a truly unexpected snack, and it's served with potato chips to make the HUGE thick piece of bacon closer to a small meal! Though the flavor of the bacon is outstanding with the candied coating giving the whole thing sweet-and-savory vibes, the texture is not quite as crisp as we'd hoped. And the pieces are often quite fatty. But still... *BACON*.

JALAPENO POPPERS

\$6.29

Heat seekers can *pop* over to Westward Ho for some **Jalapeno Poppers**! These particular poppers are stuffed with cheddar (as opposed to the usual cream cheese) to complement the jalapenos and are fried to a golden crisp, and are served with a side of ranch dressing for dipping. Overall, a nice savory find!

FRONTIERLAND CHURRO CART

The Churro is one of the quintessential snacks at Disney World. It's so beloved, it even has its own pair of Minnie Mouse Ears! You can find the fan favorite treat at none other than the **Frontierland Churro Cart** in Magic Kingdom.

But that's not all you'll find! Pretzels are also on offer (including the famous Pepper Jack along with Mickey-shaped Pretzels) at this cute wagon if you're in the mood for something savory.

MICKEY PRETZEL

\$8.50

Sure, you've had a **Soft Pretzel** before... but was it THIS CUTE?!

You can find the **Mickey-fied** version of this classic snack in just about every Land in the park. Cheese sauce for dipping is included in the price, making it an even better deal for a snack credit.

PEPPER JACK WARM-STUFFED PRETZEL

\$8.50

It was a happy day, indeed, when the **Pepper Jack Warm-Stuffed Pretzel** showed up in the Magic Kingdom. I had fallen in love with it when it went by the name of the Jalapeno Cheese Stuffed Pretzel. You'll now spot it in Magic Kingdom by its newer name, but with the same terrific savory, spicy, cheesy flavor profile. No matter what they want to call it... I'm getting it.

CHURRO

\$7.50

Churros are a convenient snack all over the Disney theme parks.

These cinnamon-sugar clad, fried, donut-like sticks are easy to munch on the go, and have developed a solid fan base over the year among Disney guests. Oh, and they come with **CHOCOLATE SAUCE** for dipping!

FRONTIERLAND POPCORN CARTS

Frontierland is home to TWO **Frontierland Popcorn Carts**: one on the main Frontierland path across from Pecos Bill's, and one to the left of the entrance to Big Thunder Mountain. But it's not just Popcorn you'll find... Cotton Candy and iconic ice cream treats and more are here, too!

That said, if you are a major popcorn fan (or if your group has several popcorn fans!), take advantage of the Refillable Popcorn Bucket offer. You'll get a souvenir bucket (an example is pictured left below) filled with popcorn for \$14.25 - \$15.50 for your initial purchase. Refills for your length of stay are only \$2.25 a POP. ;-D

MICKEY PREMIUM ICE CREAM BAR

\$6.50

The **Nestle Mickey Premium Ice Cream Bar** is delicious AND shaped like your favorite mouse! With rich vanilla ice cream enrobed in chocolate, this ice cream treat on a stick is a CAN'T MISS Disney World snack! It's more than a yummy treat; it's also a beloved icon of Disney park food. When you're on vacation at Disney World, you are always just a few steps away from a Mickey Ice Cream Bar. And that is a *very* good thing.

MICKEY ICE CREAM SANDWICH

\$6.50

The **Mickey Cookies and Cream Ice Cream Sandwich** is a true Disney tradition—another one of the classic ice cream novelty treats found at carts throughout the Magic Kingdom. Combining cookies and cream ice cream with two soft chocolate cookies in the shape of Mickey's face, this is a simple, but wonderful, portable snack. If you're an ice cream sandwich fan, this one's for you!

CINNAMON-GLAZED NUTS

\$6.25

You can smell the delicious aroma of **Cinnamon Glazed Nuts** almost as soon as you enter Frontierland. Sweet, crunchy, and coated over and over with that gorgeous cinnamon-y, sugary syrup, the cinnamon glazed almonds (or pecans, if you prefer) are a favorite among many park-goers. Don't forget—nuts are a great source of protein, which means they can give you an energy boost to make it through more time in the park!

TIANA-INSPIRED TREATS

MARDI GRAS POPCORN

What better way to celebrate Mardi Gras all year long than with colorful candied popcorn?

SPICY TOFFEE PEANUTS

The Toffee Peanuts are given a bit of a Cajun kick with hints of spice!

DOOKY CHASE SEASONINGS

Dooky Chase's Restaurant is the restaurant that was owned and operated by legendary chef Leah Chase, who was one of the inspirations for Princess Tiana as a character, and you can get seasonings from the restaurant here! SO cool!

Tiana's Bayou Adventure made its big debut in Frontierland in June of 2024, and two shops opened alongside of the attraction: **Critter Co-op** and **Tiana's Bayou General**.

In addition to merchandise, these stores offer a selection of prepackaged goodies inspired by Princess Tiana and the pals you "meet" along the way as you take the rollicking flume ride in Frontierland! These make great take-home treats to enjoy some magical eats when you get back home.

LIBERTY SQUARE

LIBERTY SQUARE

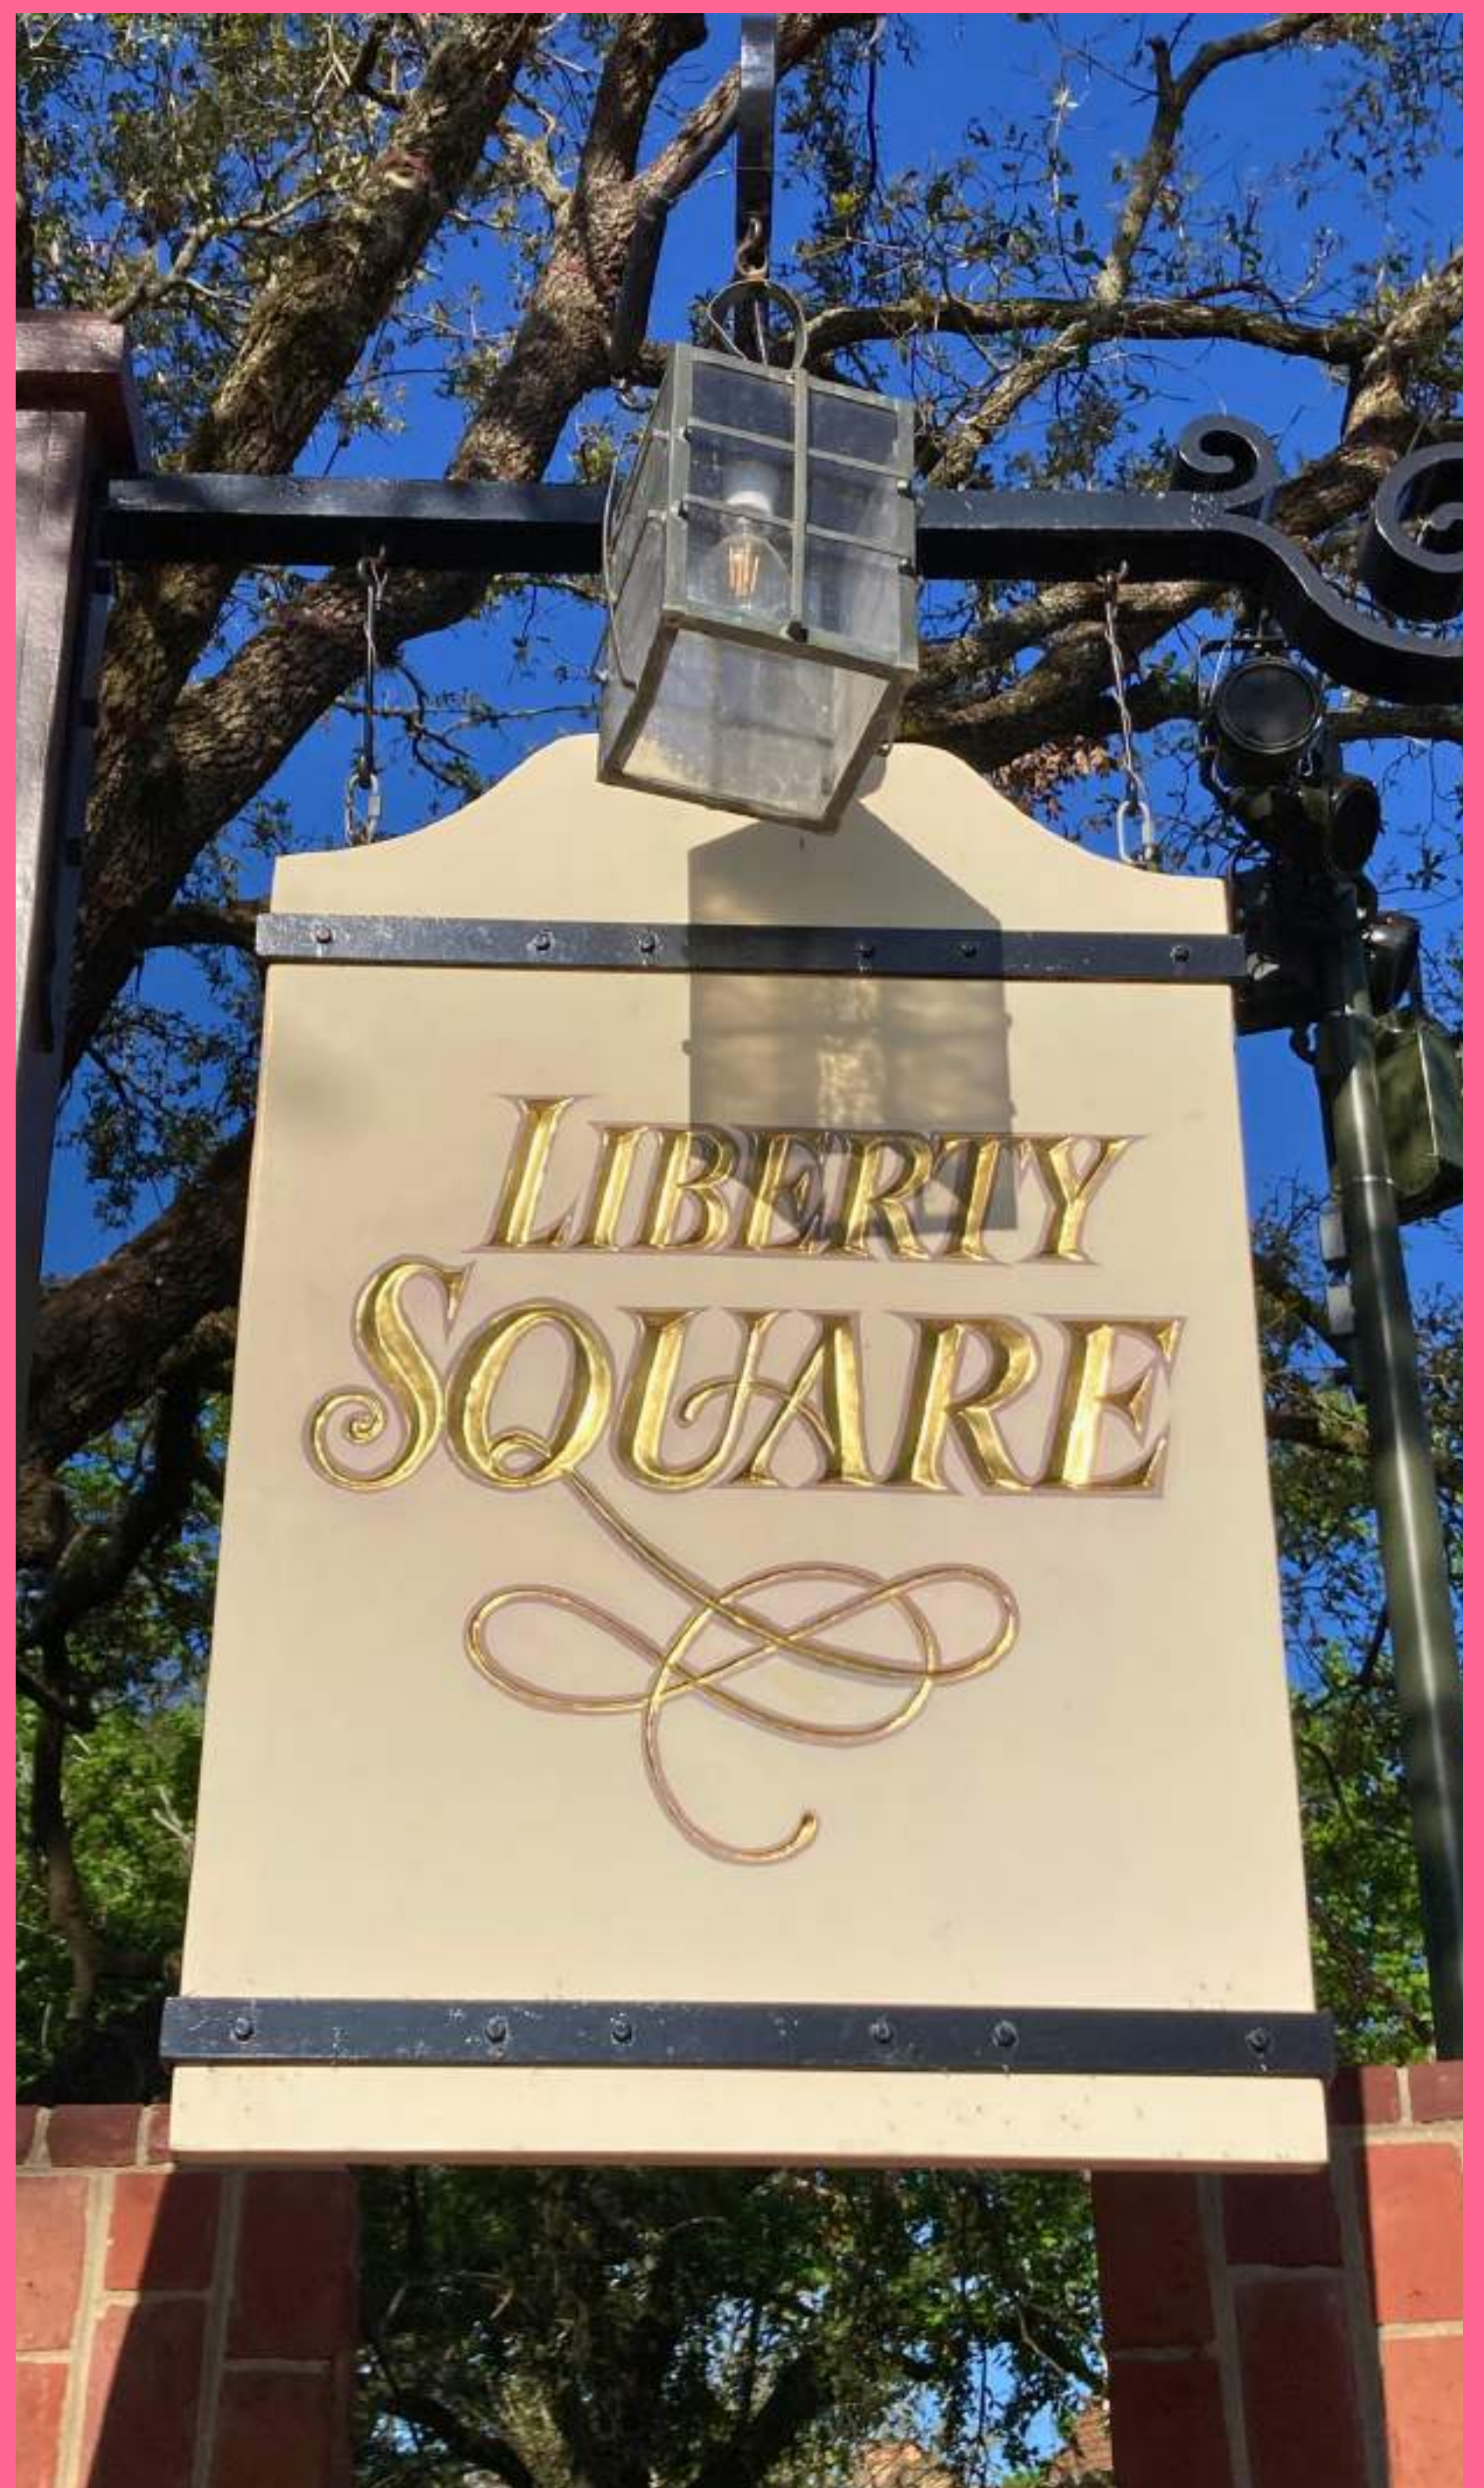

A CELEBRATION OF EARLY AMERICA

Liberty Square is a celebration of America's early history.

999 Happy Haunts share a little *history* of their own inside the Haunted Mansion, which is located just around the corner from The Hall of Presidents.

Liberty Square is also home to some of the best eats in Magic Kingdom! Sleepy Hollow serves up an array of sweet and savory waffles and more, while Columbia Harbour House offers guests some healthier-for-you fare (though you'll find plenty of fried goodies on the menu, too).

And that's just scratching the surface, so join us in Liberty Square!

COLUMBIA HARBOUR HOUSE

Enjoy some New England-inspired surf-and-turf at **Columbia Harbour House**! In addition to HUGE Platters featuring fried fish, chicken, and shrimp, the spot also boasts a fan-favorite Lobster Roll. Landlubbers can opt for chicken strips (among other options). Those searching for lighter fare can enjoy items such as Grilled Salmon or an entree salad.

There really is something for everyone here in this charming, nautically-themed quick service restaurant!

CLAM CHOWDER

\$6.79

The **New England Clam Chowder** at Columbia Harbour House is quite rich, offering a delicious taste in each hearty and savory spoonful. Granted, given the heat of Orlando, a creamy bowl of steaming soup may not top your list. But allow me to assure you that those cooler days and nights do indeed come along in the winter months, and this dish provides the perfect way for seafood fans to warm up!

HUSHPUPIES

\$4.99

Nice and crispy on the outside, thick and doughy on the inside, the **Hushpuppies** are a perfectly classic side item for the seafood fare at Columbia Harbour House. That said, they hold up well as a snack in their own right. These deep-fried golden cornmeal balls are complete with whole corn pieces inside adding just a hint of sweetness to this otherwise savory snack.

TRUFFLE FRIES

\$6.49

The **Black Garlic, Truffle, and Parmesan Fries** are a unique – and even sophisticated – snack featuring a black garlic-truffle aioli and parmesan cheese. The creamy garlic-truffle sauce boasts a rich, earthy garlic flavor. Meanwhile, the truffle is light and not overwhelming, and the cheese really sets everything off in a great way. These flavors are perhaps best suited for adults, and we are loving this addition!

BOSTON CREAM PIE

\$5.99

So the presentation of this trifle-style **Boston Cream Pie** may be nontraditional, but those classic tastes and textures are all there! Vanilla cake is layered with vanilla cream, chocolate popping candies, and crisp pearls. It's all topped with fudge icing and a cherry on top. The chocolate frosting on top is more like a delicious thick and creamy ganache, while the cake inside is light and fluffy. This small treat delivers.

LIBERTY SQUARE MARKET

Hear ye, hear ye! Guests searching for better-for-you fare will find that **Liberty Square Market** is one of the best places in Magic Kingdom to get a healthy snack! You'll find fresh fruit and bottled juices among the options here. Be on the lookout, too, for a few theme park staples such as Turkey Legs, Mickey Pretzels, hot dogs, and Frozen Slush drinks.

Be sure to check out the area surrounding the ordering registers; you may spy some extra snack options that aren't posted on the regular menu!

TURKEY LEG

\$13.49

If you've been to Magic Kingdom, chances are you have seen someone walking around with a **GIGANTIC Turkey Leg**. They are a staple in Disney parks! Disney smokes the turkey legs so that they have a crispy outer layer and tender juicy meat that will make your mouth water. Many claim that the turkey leg tastes more like ham due to the salt-brining process the legs undergo. This is a **HUGE**, salty snack, so come prepared for the **CHALLENGE** (should you choose to accept it)!

MICKEY SOFT PRETZEL

\$7.99

Sure, you've had a **Soft Pretzel** before... but was it **THIS CUTE**?! You can find the **Mickey-fied** version of this classic snack in just about every Land in the park.

Cheese sauce for dipping is included in the price, making it an even better deal for a snack credit.

FROZEN SLUSHY

\$6.29

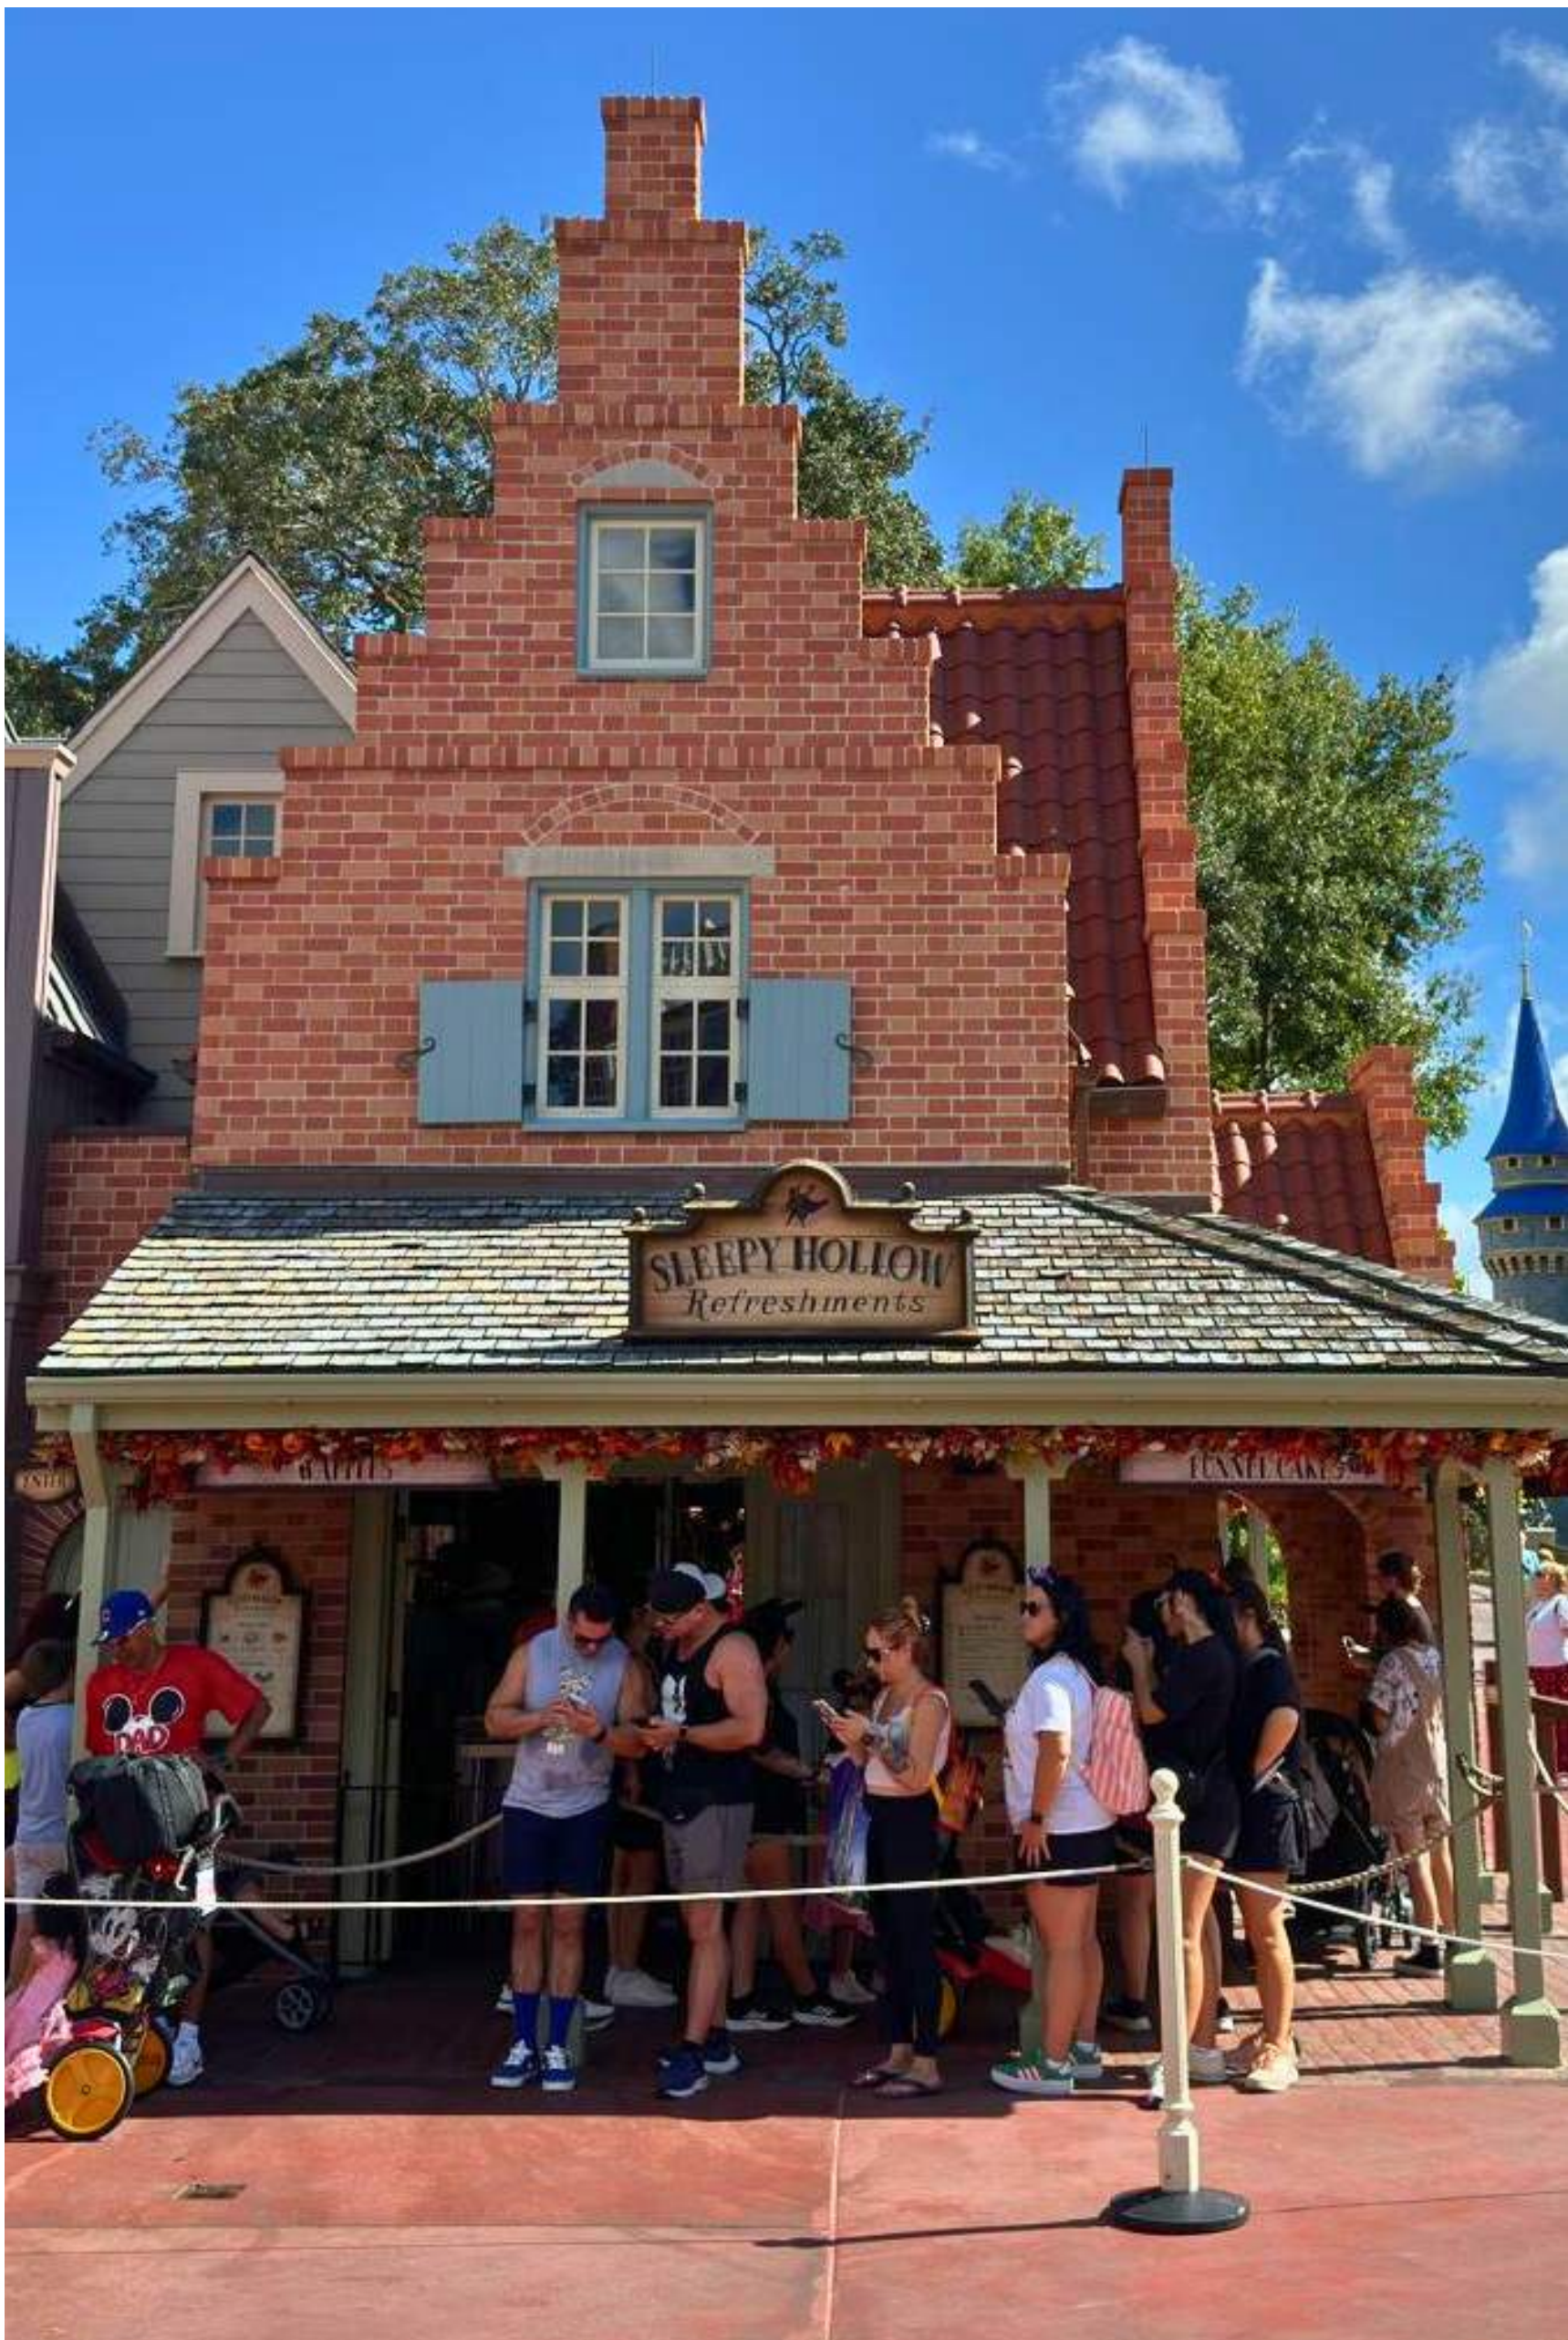

Frozen Slushies come in a variety of flavors around the park, but Liberty Square Market typically offers Fanta Cherry and Blue Raspberry.

On a hot summer day this beverage is going to hit the spot and cool you down as you get ready to take on the queue for the Haunted Mansion. Just **BEWARE** of brain freeze!

SLEEPY HOLLOW REFRESHMENTS

Tucked into a cobble-stoned corner of Magic Kingdom’s Liberty Square is the quaint refreshment counter, **Sleepy Hollow Refreshments**, providing a beautiful profile view of Cinderella Castle along with delicious and truly unique eats, some of which you won’t find anywhere else in the park... or in Disney World, for that matter!

MICKEY WAFFLE WITH CHICKEN

\$12.29

So, the full name of this savory waffle is the **Mickey Waffle with Sweet-and-Spicy Maple Chicken**... and it's a literal mouthful in *every* way! Take deep-fried battered chicken tenders and cover them with some tasty sweet-and-spicy glaze (with maple for the sweet and sriracha for the HEAT). Stick them on top of a golden Mickey Waffle and you've got yourself a gem that you can only find [HERE](#)!

WAFFLE WITH BANANAS, BERRIES, AND CREAM \$9.49

There are even more toppings on this EPIC **Mickey Waffle** than you just read above... this particular Waffle is loaded—yep, there *IS* a waffle under there!—with every single sweet topping in the house: chocolate-hazelnut spread, bananas, berries (blueberries and strawberries), AND whipped cream! This thing is smothered in all good things. And since lots of those *good things* are fruits... well, you can make a pretty good argument for this being a healthy snack, too! (I mean, I'd back you up on that, in any case!) P.S. This is a FANTASTIC value for a Dining Plan snack credit!

HAND-DIPPED CORN DOG

\$11.49

You can enjoy a taste of Disneyland right in Disney World's Magic Kingdom! One of the things that Disneyland is famous for is **Hand-dipped Corn Dogs**. These babies are dipped-to-order, and the result is a terrific crunch to the golden batter that truly elevates your standard corn dog experience. The Hand-dipped Corn Dogs are served with a side of house-made chips (which are also available on their own), making this a truly substantial dish all-around. HIGHLY recommended!

SWEET MICKEY WAFFLES

\$6.49 - \$8.49

Mickey Waffles are a classic breakfast item in Disney World. But, believe it or not, it's a rare thing to find a Mickey Waffle at a snack location in a park, so it's a BIG DEAL that you can get a Mickey Waffle at Sleepy Hollow! This is not the same small Mickey Waffle you'll typically spot at Disney restaurants... This is a JUMBO Mickey Waffle! In addition to the loaded version we mentioned on the previous page, you can get yours simply dusted with powdered sugar, or add to it with a specific fruit selection such as just the berries and cream or only the chocolate-hazelnut spread and bananas on the side for an extra dollar.

FUNNEL CAKE

\$7.29 - \$8.49

Funnel Cakes are American theme park food staples! And here in Magic Kingdom, you can enjoy yours right within view of Cinderella Castle. Not bad, right? Have your Funnel Cake covered in powdered sugar, with whipped cream and berries, or with chocolate-hazelnut spread and bananas (and, yes, there's whipped cream on that one, too.) While I prefer mine with just the sugar, you really can't go wrong no matter which way you top it!

LIBERTY SQUARE POPCORN CART

Grab some of that golden goodie – POPCORN – or fill up your Refillable Popcorn Bucket at the Liberty Square Popcorn Cart! (You can grab ice cream novelties here, too.)

If you're a big popcorn fan, take advantage of the Refillable Popcorn Bucket offer. You'll get a souvenir bucket (an example is pictured left below) filled with popcorn for \$14.25 - \$15.50 for your initial purchase. Refills for your length of stay are only \$2.25 a POP. ;-D You may also spy a seasonal PREMIUM Popcorn Bucket during your visit (like the Prince Charming Regal Carrousel Bucket pictured on the right). These highly sought-after collectibles are more costly than the standard Popcorn buckets, but they are also refillable and make terrific souvenirs!

MICKEY PREMIUM ICE CREAM BAR

\$6.50

The **Nestle Mickey Premium Ice Cream Bar** is delicious AND shaped like your favorite mouse! With rich vanilla ice cream enrobed in chocolate, this ice cream treat on a stick is a Walt Disney World favorite snack! It's not only a yummy treat, it's also a beloved icon of Disney park food. When you're on vacation at Disney World, you are always just a few steps away from a Mickey Ice Cream Bar. And that is a *very* good thing.

MICKEY ICE CREAM SANDWICH

\$6.50

The **Mickey Cookies and Cream Ice Cream Sandwich** is a true Disney tradition—another one of the classic ice cream novelty treats found at carts throughout the Magic Kingdom. Combining cookies and cream ice cream with two chocolate cookies in the shape of Mickey's face, this is a simple, but wonderful, portable snack. If you're an ice cream sandwich fan, this one's for you!

FROZEN BANANA

\$6.25

A **Frozen Banana** dipped in chocolate and rolled in chopped peanuts? Could it get any better? Well, maybe. ;-D But not if you want to keep your calorie count down a smidge while still enjoying a sweet, cold treat. Personally, I've never figured out how to actually *finish* one. They take a long time to eat. When they first come out of the freezer, you might have to let them soften up a bit before taking a bite if you don't want to break a tooth. These aren't “scarf-and-go” snacks.

06

FANTASYLAND

FANTASYLAND

A FLIGHT OF FANTASY

Fantasyland... now THIS is the stuff that Disney vacation memories are made of.

Fly through the air with Dumbo, or over London with Peter Pan! Celebrate the fact that “it's a small world after all,” then choose your horse on Prince Charming's Regal Carrousel.

Fantasyland is truly home to Magic Kingdom's most classic attractions, and also boasts a headliner with the Seven Dwarfs Mine Train! And, of course, you can dine inside the Beast's Castle at Be Our Guest Restaurant.

And don't forget to take a spin on the teacups at the Mad Tea Party... just remember: it's always best to spin *before* you eat ;-D!

While we're here... let's find all the fun and fantastical flavors you can enjoy in Fantasyland!

BIG TOP TREATS

Located inside Big Top Souvenirs in the Magic Kingdom’s Storybook Circus, **Big Top Treats** is the place to find house-made caramel corn (!!), plus other yummy confectionery classics like cotton candy, Disney character apples, and more. Big Top Treats also has a show kitchen so you can watch the cast members as they create sweet treats right before your eyes.

By the way, the larger Big Top Souvenirs surrounding Big Top Treats carries prepackaged snacks like Cotton Candy. Grab a bag for some nostalgia, and you’ll really feel like you’ve had that full under-the-big-top experience!

CARAMEL BUTTER BAR

\$5.79

Golden, buttery shortbread meets a thick layer of Werther's caramel to create the incredibly rich **Caramel Butter Bar**. (I mean it... this thing is *decadent*, and while the first several bites are nothing short of heavenly, it gets a bit challenging to finish the entire thing once you reach those final few bites.) Caramel and shortbread is a pretty amazing combination, and it's a happy thing that this snack can be found in several spots these days! P.S. You may spot variations like Caramel Apple and Caramel Strawberry Bars, too!

CARAMEL CORN

\$7.99

Indulge in **Caramel Corn** made fresh daily with Werther's Caramel at Big Top Treats!

Bonus: it's served with a fun Dumbo sticker on the outside of the bag.

It's a great treat to share, and is perfect for hot days because it won't melt!

CARAMEL PECAN CLUSTER

\$5.79

Get ready to go a little nutty over the **Caramel Pecan Cluster**! A generous serving of pecans is doused in caramel and topped off with a round of milk chocolate. Pretty simple, but totally delicious. And, similar to a few other Werther's caramel creations, this former EPCOT-exclusive treat can often be found in several locations around Disney World nowadays, including Big Top Treats!

MICKY AND MINNIE CARAMEL APPLES

\$13.99

Our **Minnie Caramel Apple** you see here – all dressed up for spring! – is just one example of the photogenic (and SUPER yummy) Specialty Apples you'll spy in Disney treat cases!

White or milk chocolate layered over caramel provides the base for edible decorations that change with the seasons. These are a splurge... but they're HUGE, so you can easily share and still enjoy a VERY satisfying snack.

CARAMEL APPLES

\$7.49 - \$7.99

Of course, you can't go wrong with the classic apple simply covered in golden caramel. Disney uses green Granny Smith apples and Werther's Original Caramel for the ultimate combination of sweet and tart.

Like some extra crunch? Then opt for the **Caramel Apple with Peanuts!**

MICKEY MOUSE COOKIES

\$5.49 - \$6.99

Mickey Mouse Cookies come in various flavors such as Chocolate Chip, Frosted Sugar, and the Churro (!!!) that you see here. You have two size options, but the large (pictured) is HUGE and can definitely be shared. But even the smaller ones are plenty to satisfy a sweet tooth. And, of course, you'll find them all dressed up for the seasons! It's tough to go wrong with a classic.

BROWNIE PIE

\$7.49

The **Brownie Pie** is an incredibly thick, rich and even hefty treat, yet it retains that touch of gooey-ness that makes a brownie great. This thing is also PACKED with peanut and milk chocolate M&Ms, adding some nice crunch and extra sweetness to every bite. It's given to you in a little bag, so if you have a tough time finishing, you can pack half away for later so it can be ALL YOURS. Fair enough. ;-D

PEANUT BUTTER COOKIE PIE

\$6.99

OK, THIS one's my favorite... The **Peanut Butter Cookie Pie**! A HUGE soft and thick peanut butter cookie is topped with rich chocolate frosting. The main purpose of that frosting is to affix about HALF A BAG of Peanut Butter M&Ms on top of the whole thing! If that wasn't enough, peanut butter chips are baked throughout the cookie adding some nice texture, to boot. The only thing missing is a big glass of milk to wash it down!

CONFECTIONERY CUPCAKES

\$5.99-\$6.49

Creative and fun **CUPCAKES** can be found throughout Magic Kingdom! Keep an eye out for seasonal varieties all year long. While you'll typically find decorative variations on chocolate and vanilla (and even Red Velvet), you should also look for fun additions like the Churro Cupcake pictured on the left. Cupcakes are constantly changing, so look forward to being surprised on your visit!

MICKEY MARSHMALLOW WAND

\$6.29

Why, HELLO there, **Mickey Marshmallow Wand**! This treat takes classic, fluffy marshmallows and gives them a Mickey-shaped twist! Though you'll spy other toppings (and occasionally even flavors like Churro or Strawberry), our Mickey Marshmallow is completely covered in chocolate and sprinkles. But the true star of the snack is the fresh and gooey marshmallow goodness under all those toppings.

MICKEY AND MINNIE KRISPY TREATS

\$7.49 - \$7.99

The classic Mickey – or Minnie! – Krispy Treat is a FAV-OR-ITE among Disney fans. You can find them all over Disney World, but head over to the Confectionery on Main Street or Big Top Treats to see them being made. You'll find seasonal varieties in unique shapes and sizes, too (like the Mickey Pumpkin you see here for the fall!). And remember: no matter how it's topped, a Krispy Treat (CEREAL, folks!) is totally fair game for breakfast!

FUDGE

\$5.79

Fudge is available at Disney's candy counters in several flavors including peanut butter, chocolate peanut butter, turtle (caramel chocolate) and more, including specialty seasonal flavors for the holidays like pumpkin and eggnog. The Cookies and Cream Fudge that you see here tastes just like a super creamy Cookies and Cream Milkshake in fudge form – delicious!

As you'd expect, these treats are incredibly rich, so a little goes a *loooooong* way.

S'MORES TREAT BAR

\$7.49

If you like marshmallows, you'll REALLY like the extra amount topping the krispy treat of the **S'mores Treat Bar**! Also topping the snack is a thick layer of milk chocolate... with *more* drizzled on top AND bits of dark chocolate in the form of MICKEYS! Alas, the final S'mores element – the graham cracker – gets lost amidst all those toppings, but it is tasty nonetheless!

MICKEY CHOCOLATE MINT COOKIE SANDWICH \$7.79

Now, the **Mickey Mint Chocolate Chip Cookie Sandwich** may LOOK almost exactly like the Mickey Ice Cream Sandwich you'll spot all over Disney World, but it is *definitely* not the same. Two soft chocolate Mickey cookies are filled with mint chocolate chip flavored buttercream frosting, and that mint is *potent* (but without tasting like toothpaste, thankfully). It's not for everyone, but mega chocolate mint fans can happily get on board.

CHESHIRE CAFE

Cheshire Cafe in Magic Kingdom’s Fantasyland is themed to match the Alice in Wonderland-inspired Mad Tea Party that spins and twirls guests in the famous teacups just steps away.

The whimsical kiosk serves up a few snacks, including the signature Cheshire Cat Tail. Slushies are also up for grabs; however, here they have a Mad-Tea-Party-inspired twist: they’re TEA Slushies, of course!

CHESHIRE CAT TAIL

\$6.29

How much fun is this?! I mean, sure, the **Cheshire Cat Tail** is basically a Chocolate Danish Twist. But first, there's nothin' wrong with that! And second, it's dressed up with drizzles of pink and purple icing to resemble the mysterious and beguiling Cheshire Cat from Alice in Wonderland. Pair it with a Cold Brew Coffee if it's on the cafe's menu during your visit!

MERRY UNBIRTHDAY CUPCAKE

\$6.10

Is today your UNBirthday? Funny thing, it's mine, too! And why not celebrate the special occasion with the **Merry Unbirthday Cupcake**?? The inside of this birthday cake cupcake is **PACKED** with fun sprinkles and topped with a unique tea buttercream. That said, the taste of tea is not very prominent, which might be preferable to little ones who are drawn to the bright and fun look of this sweet snack. And, as the Mad Hatter sings, *“A VERY MERRY UNBIRTHDAY to yooooouuu!”*

PEPPER JACK PRETZEL

\$7.99

It was a happy day, indeed, when the **Pepper Jack Warm-Stuffed Pretzel** showed up in the Magic Kingdom. I had fallen in love with it when it went by the name of the Jalapeno Cheese Stuffed Pretzel. You'll now spot it in Magic Kingdom by its newer name, but with the same terrific savory, spicy, cheesy flavor profile. No matter what they want to call it... I'm totally getting it every time.

TEA SLUSHIES

\$6.59

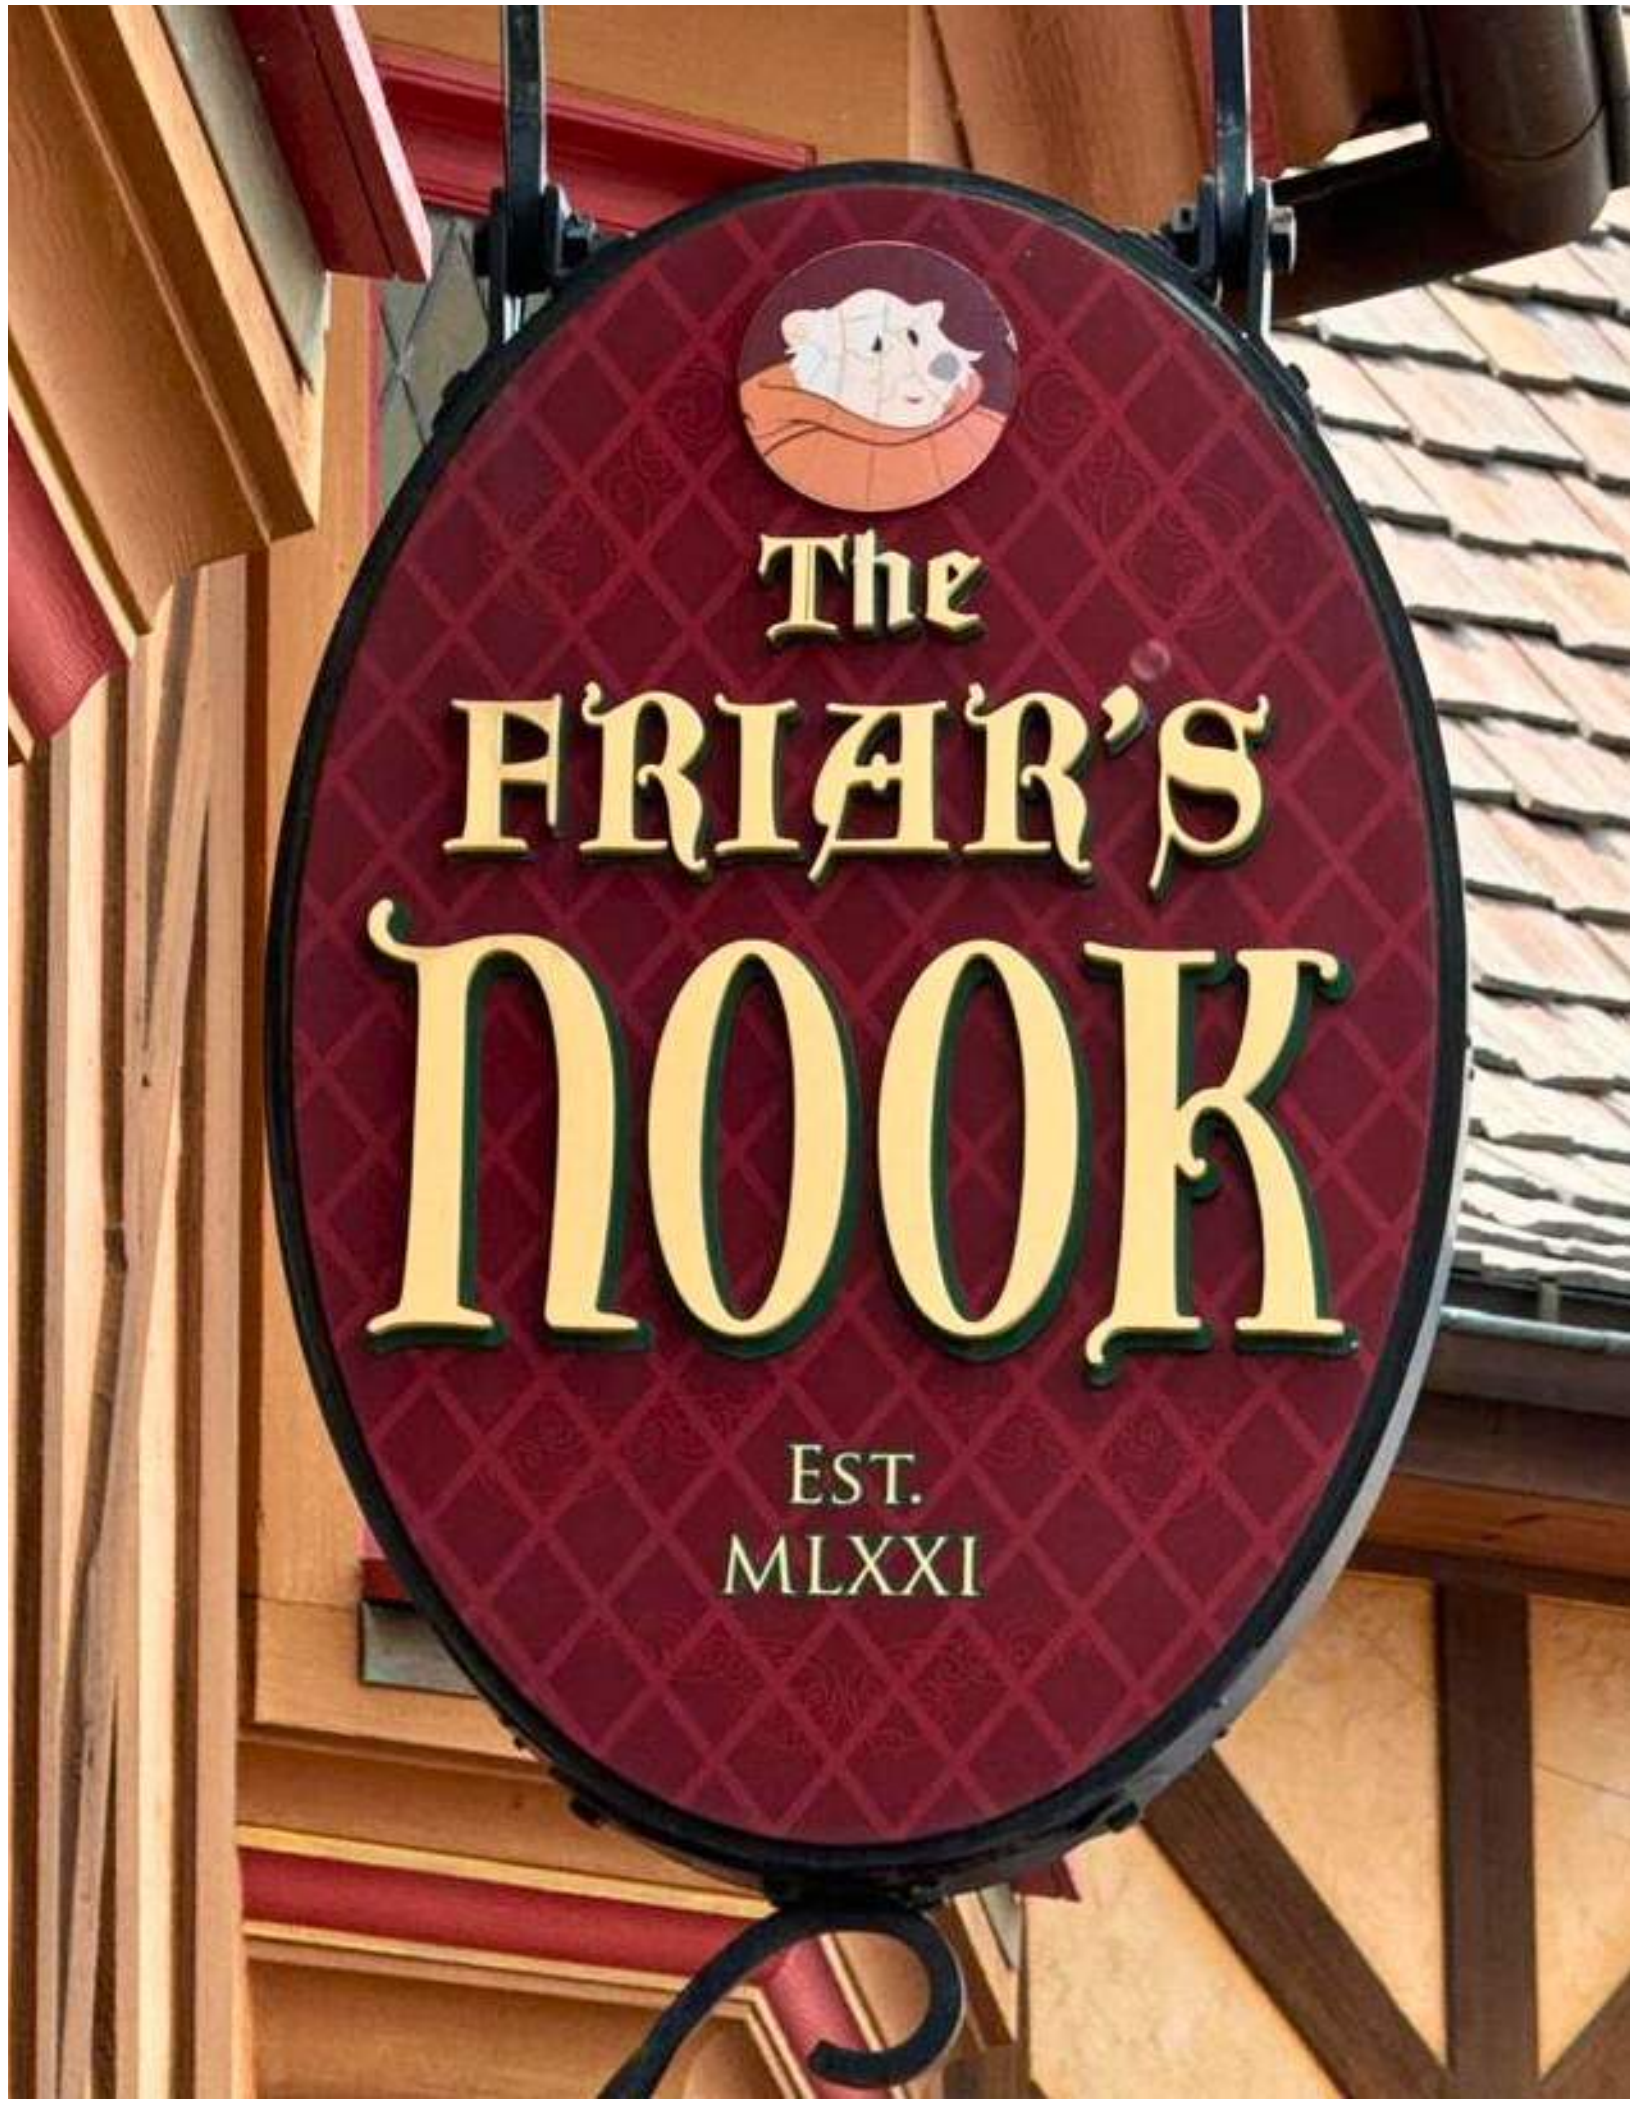

Here's another way to attend that "Mad Tea Party" you've always wanted to go to... TEA Slushies! Your options include a **Mixed Berry Tea Slushy** and a **Blackberry Tea Slushy** (pictured). The tea flavor is quite pronounced in these drinks. So much so that, even with the presence of sweet and flavorful whipped topping (covered in colorful sprinkles, of course!), we don't think the flavor will appeal to many kiddos who might be anticipating a sweeter sip. That said, it's super fun to have a couple of themed drinks geared towards a more grown-up palate!

THE FRIAR'S NOOK

The Friar's Nook in Magic Kingdom's Fantasyland is a hidden gem of a counter service location tucked within view of the Seven Dwarfs Mine Train. The spot previously had a knack for changing up the menu, but the current selections feature Loaded Tater Tots and Hot Dogs along with some unique snacks. Hot breakfast items are served here, too.

Do note, however, that there is no indoor seating; and nearby outdoor seating is quite limited. Still, it's often well worth a stop to check out the menu to see what the Friar is serving up these days!

CHEDDAR, BACON, AND RANCH TOTS

\$10.49

Presenting the **Cheddar, Bacon, and Ranch Tots**! A *seriously* hearty helping of tater tots is drizzled with ranch dressing and cheese sauce, and topped with bacon bits and green onions. The cheese is wonderfully melty (it's my beloved Disney "plastic cheese") and the ranch has a nice tang. But there are a LOT of bacon bits that tend to take over the dish. My honest take? If they served a half portion of this for a cheaper price, it would be perfect! So even though I usually have NO problem finishing a giant bowl of tots, this is one you might want to share with a pal.

MAC & CHEESE HAND PIE

\$8.99

The **Mac & Cheese Hand Pie** is essentially an empanada filled with mac & cheese. And yes, it is as ooey, gooey, and delicious as it sounds! The fried golden shell is filled with a creamy, classic mac and cheese. Of course, it's accompanied by cheese sauce. As you know, I'm a fan ;-D! However, if you're not, the hand pie is delicious without it. This is SUCH a fun find!

APPLE CIDER DOUGHNUTS

\$6.49

Craving fall flavors no matter the season? The **Apple Cider Doughnuts** might just do the trick!

In fact, this treat delivers *before* you even eat it, as the fragrance of the autumnal-spiced doughnuts greets you immediately. The doughnuts, which are nice and fluffy on the inside and crispy on the outside, are complete with a generous drizzle of caramel. *YUM.*

HOT DOG AND TOTS

\$10.99

Well, parents, I know that a **Hot Dog with tots** isn't the most exciting thing you'll find in Magic Kingdom, but let's face it: if you have a picky eater in tow, it can be a lifesaver to know where to find one. The hot dog comes plain, but you have a great choice of prepackaged condiments to jazz it up with at Friar's Nook. And the tots are a kid-friendly side that are *just* outside the norm of your typical fries—nice and fresh with a little crispiness to them. So, there you go!

STRAWBERRY LEMONADE SLUSH

\$6.49

The **Strawberry Lemonade Slush** is a great summertime refresher. If you look closely at the picture, you can spy the bits of strawberry seeds throughout the drink, with a puree lending a more authentic and fresh flavor to the beverage that keeps it from being cloyingly sweet.

It's a treat that won't weigh you down on a hot day.

GASTON'S TAVERN

Gaston's Tavern is a quick service eatery located near the Beast's Castle in Fantasyland, and it's a tribute to Gaston from Disney's *Beauty and the Beast*. As guests walk up to Gaston's Tavern, an enormous outdoor statue (placed there by... himself ;-D) showcases this character with a huge ego!

The Tavern's small menu boasts some big winners like The Grey Stuff Cupcake and the Warm Cinnamon Roll. So, we'll hand it to you Gaston. You've gone and impressed us again!

WARM CINNAMON ROLL

\$6.99

Cinnamon Rolls can rev up your morning with that first bite of yummy goodness, but the Magic Kingdom takes this treat to the next level. A hint of maple flavor is added to the icing that tops this substantial roll. This cinnamon roll is so large that, as your host Gaston might say, “it’s roughly the size of a BARGE!” Oh, and while there’s no guarantee, we think it’s always worth it to ask for an extra cup full of icing!

THE GREY STUFF CUPCAKE

\$5.99

“Try the **Grey Stuff**, it’s DELICIOUS!” YES, the very same “Grey Stuff” that Lumiere sings the praises of in *Beauty and the Beast*! The Grey Stuff is a cookies-and-cream frosting which sits atop (and is tucked inside) a chocolate cupcake base. The serving size is a bit small compared to the larger cupcakes you’ll find around the park. But we still recommend it because it truly IS a “delicious” and memorable treat!

LEFOU’S BREW

\$6.99

LeFou’s Brew is the signature beverage at Gaston’s Tavern—and while it is non-alcoholic, it was created to look like ale! The drink is a no-sugar-added frozen apple juice flavored with marshmallow and topped with a creamy passion fruit foam. I’m not a fan of foam on food, but it works here if only to make the drink look more “ale-like.” The frozen apple juice is good, but the marshmallow makes it a bit too sweet for most adult palates. But the kiddos love it!

HAM AND GRUYERE TART

\$9.49

The **Ham and Gruyere Tart** presents crispy croissant dough topped with ham and gruyere, and it's served with chips. The crust is buttery and flaky, while the ham is savory and salty and adds the perfect chew. The melted gruyère on top provides a creamy cheesiness that's almost like fondue.

It honestly reminds me of something that could be served at the EPCOT Food and Wine Festival, since it's more sophisticated than most dishes in Magic Kingdom. It's not super heavy, either (which is especially nice in the summer), but still filling enough to be a meal. TERRIFIC!

CRÈME BRÛLÉE CROISSANT

\$5.49

The **Crème Brûlée Croissant** fills a croissant pastry with vanilla bean custard. First, get napkins because this baby is messy to eat, and the caramelization on top is a bit sticky. That said, it adds a unique texture and a hint of char flavor to the croissant as a whole. And inside you'll find lots of yummy vanilla bean custard. If you love croissants or even filled donuts, this could be just the sweet treat you're looking for!

PINOCCHIO VILLAGE HAUS

He’s “got no strings” around here... unless they’re strings of cheese! **Pinocchio Village Haus** is known for flatbread pizzas and salads, so head over here if you’re craving either! Classic Chicken Strips are also up for grabs.

This charming indoor village is a great place to take a breather while enjoying some truly beautiful artwork commemorating the classic Disney film, *Pinocchio*. Select seats also offer a view of the boats sailing on the “it’s a small world” attraction!

BREADSTICKS

\$6.99

Need a carb load to fuel your day at Magic Kingdom? **Breadsticks** just might do the trick! These are served with a house-made marinara for dipping. That said, these aren't especially exciting, despite the pleasant addition of herbs and garlic. (I, for one, would LOVE to see a hefty amount of butter glistening on the batch, wouldn't you?)

TOMATO BASIL SOUP

\$3.99

The **Tomato Basil Soup** at Pinocchio Village Haus has a creamy texture with a buttery flavor – more savory than sweet (tomato soup lovers will get what I mean by that) -- and is a great option for guests looking for something healthier than ice cream and funnel cakes. It's a convenient snack that fills you up and will stave off any in-between-reservations cravings. Use your snack credit wisely and make this a mid-day meal. Pair it with the breadsticks for something heartier.

KEY LIME PIE TART

\$5.79

The Village Haus is not exactly known for its desserts... which is why this **Key Lime Pie Tart** comes as a nice surprise! Of course, the word “tart” refers to its presentation with a lovely golden crust, but it can do double-duty here, as the *tart* lime flavor is quite pronounced – get ready to pucker! There is still a pleasant sweetness, though, that brings it some balance (as does the bit of whipped cream). Very nice, Pinocchio!

TRUFFLE FRIES

\$6.49

The **Black Garlic, Truffle, and Parmesan Fries** are a unique – and even sophisticated – snack featuring black garlic-truffle aioli and parmesan cheese. The creamy garlic-truffle sauce boasts a rich, earthy garlic flavor. Meanwhile, the truffle is light and not overwhelming, and the cheese really sets everything off in a great way. These flavors are perhaps best suited for adults, and we are loving this addition at the Village Haus!

STORYBOOK TREATS

Storybook Treats is Fantasyland’s soft-serve ice cream spot! Look for the classics: sundaes, cones, and ice cream floats.

And keep an eye out for more unique offerings, as this is a great spot to find seasonal soft-serve treats (like unique DOLE Whip flavors presented in themed snacks) in Magic Kingdom! As of late, these have paid sweet tributes to beloved Disney Princesses.

RAPUNZEL SUNDAE

\$8.29

The **Rapunzel Sundae** features shortcake with DOLE Whip Lemon and Wild Berry Soft-serve, and is also topped with Berry Compote and Sugar Flowers. It's a shame that it melts so quickly on a hot day, because it is a gorgeous treat as well as a yummy one. However, the flavors pair wonderfully together, and the Lemon DOLE Whip is especially refreshing. A fun treat for the little "Punzie" fan in your group!

AURORA CONE

\$6.29

Sleeping Beauty's Fairy Godmothers have been at it again (*"Make it pink! Make it blue!"*) with the **Aurora Cone**!

DOLE Whip Strawberry and vanilla soft-serve (in a blue hue) are topped with white chocolate pearls and presented in a blue sugar cone. The strawberry together with the vanilla is a wonderful flavor combo in this fun, cooling treat that's fit for Royalty!

SOFT SERVE FLOATS

\$6.49

Sure, you can find **Soft-Serve Floats** in several locations around Magic Kingdom. But this is a friendly reminder that you can include the more unique flavors found at Storybook Treats for a more interesting combo than your typical Root Beer Float with vanilla.

For example, we love the burst of fruity flavors when Strawberry DOLE Whip meets Orange Fanta, as pictured here.

PRINCE ERIC'S VILLAGE MARKET

Prince Eric's Village Market is located at the base of the Seven Dwarfs Mine Train in Fantasyland and it's a great spot to grab a quick snack. The Market sells a selection of “better for you” snacks like fruit (and even pickles), and you'll also find frozen slush drinks to cool you down on a hot day.

This spot also serves Turkey Legs and even a few unique snacks themed to *The Little Mermaid*. Please be aware that this location, however, is sometimes only open seasonally.

JUMBO PRETZEL

\$12.29

There are pretzels... and then there **JUMBO PRETZELS**! Seriously, this thing is HUGE and made for sharing, and comes with Cheese Sauce (YES!!) to dip your gigantic pretzel.

While the price tag is high, when split between two people it ends up being quite reasonable.

SEASIDE SERENADE

\$6.29

The **Seaside Serenade** is a pina colada (pineapple and coconut) frozen slush with a splash of curacao syrup and topped with blue boba pearls. The flavors are great—tropical and refreshing, with an emphasis on the coconut and a nice burst of fruitiness from the boba and syrup. What's not so great? It's served with a straw that's too small for the boba pearls, turning it into more of a hassle than a fun treat. It's a bummer because with a wider straw, Prince Eric would have a winner on his hands.

TURKEY LEG

\$15.49

If you've been to Magic Kingdom, chances are you have seen someone walking around with a GIGANTIC Turkey Leg. They are a staple in Disney parks! Disney smokes the turkey legs so that they have a crispy outer layer and tender juicy meat that will make your mouth water. Many claim that the turkey leg tastes more like ham due to the salt-brining process the legs undergo. This is a HUGE so come prepared for the CHALLENGE, should you choose to accept it! P.S. It's served with chips at Prince Eric's.

FANTASYLAND POPCORN CARTS

Grab some of that golden goodie – POPCORN – or fill up your Refillable Popcorn Bucket at a Fantasyland Popcorn Cart! (You can grab ice cream novelties here, too.) You’ll find a few of these signature snack carts in Fantasyland: Maurice’s Amazing Popcorn Machine (pictured above), and two more in the Storybook Circus area.

If you’re a big popcorn fan, take advantage of the Refillable Popcorn Bucket offer. You'll get a souvenir bucket (an example is pictured left below) filled with popcorn for \$14.25 - \$15.50 for your initial purchase. Refills for your length of stay are only \$2.25 a POP. ;-D

MICKEY PREMIUM ICE CREAM BAR

\$6.50

The **Nestle Mickey Premium Ice Cream Bar** is delicious AND shaped like your favorite mouse! With rich vanilla ice cream enrobed in chocolate, this ice cream treat on a stick is a CAN'T MISS Disney World snack! It's more than a yummy treat; it's also a beloved icon of Disney park food. When you're on vacation at Disney World, you are always just a few steps away from a Mickey Ice Cream Bar. And that is a *very* good thing.

MICKEY ICE CREAM SANDWICH

\$6.50

The **Mickey Cookies and Cream Ice Cream Sandwich** is a true Disney tradition—another one of the classic ice cream novelty treats found at carts throughout the Magic Kingdom. Combining cookies and cream ice cream with two soft chocolate cookies in the shape of Mickey's face, this is a simple, but wonderful, portable snack. If you're an ice cream sandwich fan, this one's for you!

CINNAMON-GLAZED NUTS

\$6.25

You can smell the delicious aroma of **Cinnamon Glazed Nuts** almost as soon as you enter Storybook Circus. Sweet, crunchy, and coated over and over with that gorgeous cinnamon-y, sugary syrup, the cinnamon glazed almonds (or pecans, if you prefer) are a favorite among many park-goers. Don't forget—nuts are a great source of protein, which means they can give you an energy boost to make it through more time in the park!

TOMORROWLAND

07

TOMORROWLAND

TOMORROWLAND

Tomorrowland is a bright, neon-enhanced, retro vision of the future. It's where you'll find Walt Disney's Carousel of Progress, Space Mountain, Buzz Lightyear's Space Ranger Spin, and more. And you can see it all from above by way of the Tomorrowland Transit Authority PeopleMover.

Adding to the excitement is the recent addition of TRON Lightcycle / Run!

Tomorrowland is also home to Magic Kingdom's Joffrey's Coffee and Tea kiosk: Revive. And the Energy Bytes stop opened along with TRON. The land also has some super yummy pretzels along with some cool, refreshing treats. And where else can you be serenaded by an alien lounge singer while you dine other than Cosmic Ray's Starlight Cafe?

Nowhere that I can think of... so let's BLAST OFF to Tomorrowland!!

AUNTIE GRAVITY'S GALACTIC GOODIES

Satisfy a galaxy-sized appetite for ice cream here in Tomorrowland at **Auntie Gravity's Galactic Goodies**! You don't have to wait for the future to indulge in frozen goodies; they're here today at this Tomorrowland treasure.

Serving up ice cream floats, soft serve ice cream, milkshakes, and sundaes, Auntie Gravity's is located next to the Merchant of Venus store. A limited amount of outdoor seating is available with a few cafe tables covered by umbrellas, or you can enjoy your cold treat inside.

ASTEROID SHAKE

\$8.79

Auntie Gravity doesn't play around when it comes to Shakes! For instance, the **Asteroid Shake** is a truly decadent; it's a chocolate milkshake with hot fudge, whipped cream, chocolate doughnut holes, and graham cracker crumbs. This one's for *serious* chocolate lovers only.

That said, you can also get a "regular" Chocolate Shake... but even that one comes complete with whipped cream and galactic sprinkles for something a little outside the norm.

BROWNIE SUNDAE

\$8.29

If you're looking for a little something more with your soft-serve ice cream, you can order up a **Brownie Sundae**. The components are fairly simple: soft-serve (it comes standard as vanilla, but feel free to request chocolate or swirl) with hot fudge served with two rounds of rich brownie, plus whipped cream. It's super sweet, super filling, and certainly shareable. (That said, we think the *superior* Brownie Sundae is the one served at the Plaza Ice Cream Parlor.)

COLD BREW FLOAT

\$6.99

Torn between ice cream and caffeine for your afternoon pick-me-up? How about BOTH with the **Cold Brew Float**? You can choose from vanilla, chocolate, or the Cast Member-recommended salted caramel soft-serve, which is what we chose... and we are so glad we did! The caramel ice cream has a very potent and distinct flavor, but as it melts unto the cold brew it creates the perfect cup of creamy, sweet coffee -- no extra sugar needed *AT ALL*!

SOFT-SERVE CUPS AND FLOATS

\$5.79 - \$6.49

You know the **Soft-Serve** drill: **Chocolate, Vanilla, or Swirl**. But Auntie Gravity's also offers a more unique option with **Salted Caramel** for your cup or ice cream float! Better yet, Auntie's is known for serving up special seasonal flavors for the fall (we've seen both Candy Corn and Pumpkin Spice) and the holiday season. Stop on by and see what everyone's favorite Auntie has up for grabs!

CHURRO

\$6.99

Churros are a convenient snack all over the Disney theme parks.

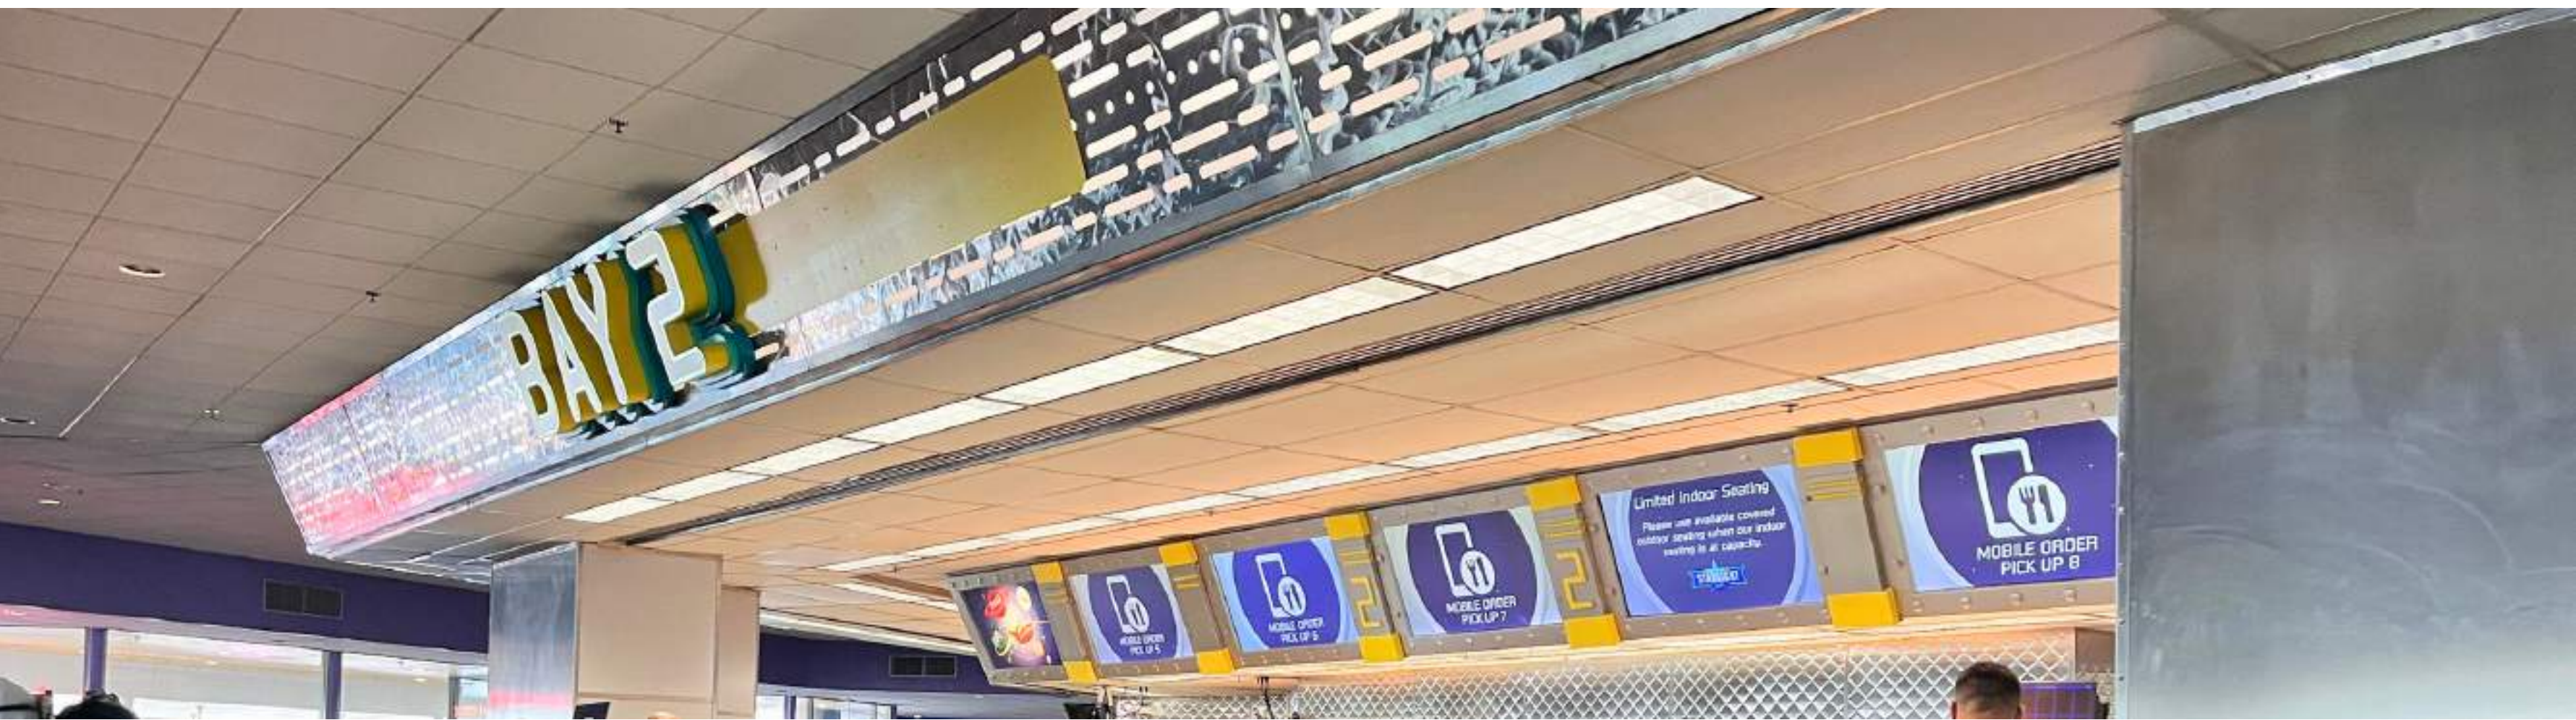

These cinnamon-sugar clad, fried, donut-like sticks are easy to munch on the go, and have developed a solid fan base over the year among Disney guests. Oh, and they come with **CHOCOLATE SAUCE** for dipping!

COSMIC RAY'S STARLIGHT CAFE

Cosmic Ray's Starlight Cafe is fast food from the future! Dine on an array of quick-service items, and don't forget to catch Sonny Eclipse's next set! Cosmic Ray's has a great variety of counter service classics on the menu (burgers, chicken nuggets, and the like) and includes items for those eating vegetarian as well.

While the atmosphere is a bit blah (save for the audio-animatronic alien lounge crooner, Sonny Eclipse), there's plenty of seating and the food isn't bad.

GARLIC, TRUFFLE AND PARMESAN FRIES

\$6.49

The **Black Garlic, Truffle, and Parmesan Fries** are a unique—and even sophisticated—snack featuring a black garlic-truffle aioli and parmesan cheese. The creamy garlic-truffle sauce boasts a rich, earthy garlic flavor. Meanwhile, the truffle is light and not overwhelming, and the cheese really sets everything off in a great way.

These flavors are perhaps best suited for adults, and we are loving this addition to Cosmic Ray's!

PASSION FRUIT-MANDARIN TART

\$5.99

The stunning **Passion Fruit-Mandarin Tart** is a layered treat which fills a buttery shell with a light and fluffy citrus mousse. Topping the mousse is a passion fruit curd that surprises with its tart taste (which you'll want to be aware of if you prefer a more sweet dessert) and a dollop of whipped cream. The eye-catching topper is made of a substantial piece of white chocolate. For a restaurant known for its somewhat basic entrees, this snack is certainly an unexpected surprise!

LUNAR LEMONADE

\$6.79

Lunar Lemonade has arrived from among the stars and landed at Cosmic Ray's! And we're pretty glad about that, because this variation on your basic lemonade is a really nice change of pace thanks to the way the sweet, distinctive, strong pear flavor balances out the tart lemon.

That said, I prefer the frozen version of this drink at Tortuga Tavern (it's called the Pirate Slush there), in which the syrup blends into the beverage better overall.

SULLEY SLUSH

\$6.49

This one's for all the *Monsters, Inc.* fans: Presenting the **Sulley Slush**!! A Blue Raspberry Slush is layered with purple whipped cream. The resulting effect mimics Sulley's signature blue and purple fur! Of course, whipped cream added to an already sweet slush (seriously, the Blue Raspberry just might be the sweetest flavor of the bunch), so we're talking about one seriously sweet sip here. That said, we think any little Sulley fans will be totally on board!

ENERGY BYTES

Tomorrowland is home to **Energy Bytes**! This kiosk can be found outside the entrance to the TRON Lightcycle / Run attraction.

Ironically, Energy Bytes only serves a couple of... well, *bites*. The menu these days primarily consists of cold drinks. However, even after a few menu revamps, this newer snack stand still seems to be finding its footing. For now, we've learned to expect the unexpected when it comes to Energy Bytes.

DOUGHNUT HOLES

\$6.29

Heads up: You may not spy the **Chocolate Cake Doughnut Holes** on the posted menu at Energy Bytes, which is unfortunate... because they're the best thing at this stand! The good news is that you'll often see a sign posted by the registers alerting of their presence. These rich, cakey doughnuts come swimming in mocha sauce and are topped with chocolate popping candies, making them closer to a fun dessert than a run-of-the-mill breakfast sweet. We love these!

BLUE COCONUT SLUSHY

\$6.49

The **Blue Coconut Slushy** is our current favorite among the drinks at Energy Bytes, featuring flavors of coconut, lemon, and lime, and boasting a bright blue hue. The prominent coconut flavor is delicious, but a lot of the lime flavor also shines through. This is the kind of drink you want to have when you're sitting on the beach on a tropical island somewhere... This mocktail is definitely a fun way to beat the heat!

WATERMELON SLUSHY

\$6.49

The sweet **Watermelon Slushy** features watermelon, yuzu citrus, ginger, and popping candies. But this drink isn't too heavy on that faux watermelon flavor. The tartness from the yuzu and bit of bite from the ginger are the primary flavors that come through. It's reminiscent of a sweet candy with just a bit of complexity, and is quite pleasant! But given the small portion, I'd rather spend my money on the more traditional slushies found around the park.

FRUIT AND CUCUMBER CUP \$5.99

The **Watermelon, Cucumber, and Pineapple Cup** is filled with fruit and cucumber spears topped with sweet chili sauce and the Japanese seasoning, furikake. We feel like this unique take on a fruit cup could benefit from more of the sweet chili sauce, as it really does elevate the fruits where it is present. As it is, though, it's not a huge hit, as the unique flavorings tend to get lost over everything but the pineapple.

JOFFREY'S REVIVE

Revive yourself with a cup of coffee during a busy day in the Magic Kingdom at **Joffrey's Revive**! This coffee and tea kiosk serves up specialty espresso drinks (hot or iced), tea, and pastries for the start of your Magic Kingdom touring day or a much-needed pick-me-up a little later.

P.S. Facing long lines at Main Street Bakery, the park's Starbucks location? Visit Joffrey's Revive to get on your way – coffee in hand -- that much quicker!

JOFFREY'S COOKIES

\$5.99

I should mention right away that treats – pastries, donuts, and the like – change with some frequency at the Joffrey's Coffee locations in Disney World. But here in Tomorrowland is the only place we've found the lemon-blueberry “**Team Blue**” **Cookie** (in honor of TRON, pictured left... obviously ;-D), and the S'mores Cookie (right). Truth: they're okay, but we *always* prefer what you'll see next...

JOFFREY'S DONUTS

\$5.99

Again, though treats rotate at the Joffrey's Revive kiosk, among the giant muffins, danishes, and more, you may spy these doughnuts as big as your head! These lovelies are made locally by Donut King, and rarely fail to impress due to how fresh and fluffy they are. We're big fans!

FROZEN MISSION TO S'MORES

\$7.99

Can't decide between coffee and dessert? Why not have BOTH with the **Frozen Mission to S'mores**? This over-the-top caffeine kick includes all the makings of a S'more with chocolate sauce and marshmallow syrup mixed in with the espresso, and toppings like marshmallows, graham “space sprinkles,” and whipped cream... served frozen! Old school Disney fans (like me!) appreciate the nod to the old *Mission to Mars* attraction from back in the day.

THE LUNCHING PAD

The Lunching Pad serves up a very limited number of quick service entrees, but it's a pretty decent place for a snack: specifically, we're talkin' specialty pretzels and gourmet hot dogs!

It's outdoor seating only here, but it's all under cover thanks to fact that the loading area for the Tomorrowland Transit Authority PeopleMover is located directly above!

BREAKFAST BOWL

\$10.79

The Lunching Pad's take on a **Breakfast Bowl** boasts a southwestern twist, comprised of potato barrels (tots), a cheese omelet, chili con carne queso, and sour cream. The star of the show is the Chili Con Carne Queso, delivering a ton of flavor to this dish... though it's certainly outside of the norm when it comes to breakfast, so this twist may not appeal to everyone first thing in the morning. But if you're up for it, it's a truly hearty and tasty way to start the day!

LOADED HOT DOGS

\$12.99

You can choose from two over-the-top hot dogs at The Lunching Pad: the **Cuban Hot Dog** (left) and the **Queso Fundido Hot Dog** (right). Each are LOADED UP with toppings. For instance, the Cuban features diced ham, pickles, a Swiss fondue, and dijonnaise, while the Queso Fundido Hot Dog is topped with Queso Fundido, street corn relish, and spiced tortilla strips. Both are served with chips. The flavors are solid, but these make a MESSY (and even somewhat soggy) meal, and require a fork for digging in. LOVE the idea, but I'm sticking to Casey's Corner for my dogs.

STICKY BUBBLE BREAD

\$5.99

Get a load of this! The **Sticky Bubble Bread** is a sweet bread rolled in cinnamon, caramel, and other warm spices. The bread is pleasantly moist, while the flavors are heavy on the cinnamon and caramel. It pulls apart so easily that it would be easy for two kiddos to share. But me? I'm not sharing this with anybody. ;-D YUM!

Oh, and we have even MORE good news about this treat: though it was previously only available for breakfast, now you can get it ALL DAY!

SWEET CREAM CHEESE PRETZEL

\$7.99

Don't be fooled by the humble appearance of this **Sweet Cream Cheese Pretzel**; it is anything but typical! A soft pretzel is topped with something like sugary breadcrumbs; it's sweet, but not *too* sweet. And then comes the cream cheese filling (think more "sweetened cream cheese" than cream cheese frosting). It's SO good. Seriously, don't miss the chance to try this delectable – and totally addicting – treat.

MICKEY SOFT PRETZEL

\$7.99

Sure, you've had a **Soft Pretzel** before... but was it THIS CUTE?!

You can find the **Mickey-fied version** of this classic snack in just about every Land in the park.

Cheese sauce for dipping is included, making it an even better deal for a snack credit.

COOL SHIP AND TOMORROWLAND SNACK CARTS

There are two cool things about **Cool Ship**, located in Magic Kingdom's Tomorrowland.

One, you can find cold drinks here (or grab a some Cotton Candy or Popcorn, if you like). And two, you can cool down thanks to a refreshing mist spray at the Cool Scanner right next to it. Perfect for those hot summer days!

You can find similar goodies (including ice cream novelties) at the Tomorrowland Popcorn and Snack Cart.

MICKEY PREMIUM ICE CREAM BAR

\$6.50

The **Nestle Mickey Premium Ice Cream Bar** is delicious AND shaped like our favorite mouse! With rich vanilla ice cream enrobed in chocolate, this ice cream treat on a stick is a Walt Disney World favorite snack... so much so that it's also become a beloved icon of Disney park food. When you're on vacation at Disney World, you are always just a few steps away from a Mickey Ice Cream Bar. And that is a *very* good thing.

MICKEY ICE CREAM SANDWICH

\$6.50

The **Mickey Cookies and Cream Ice Cream Sandwich** is a true Disney tradition—another one of the classic ice cream novelty treats found at carts throughout the Magic Kingdom. Combining cookies and cream ice cream with two soft chocolate cookies in the shape of Mickey's face, this is a simple, but wonderful, portable snack. If you're an ice cream sandwich fan, this one's for you!

OLAF FROZEN LEMONADE BAR

\$6.25

At several Magic Kingdom ice cream carts you'll find the **Olaf Frozen Lemonade Strawberry Bar**, with the wrapper sharing the snowman's famous sentiment: *"Some things are worth melting for."* A mottled red and yellow frozen fruit bar boasts strawberry and lemon flavors that are sour and... *sour*. Yep—there's a SUPER tart quality to this bar that might turn off some of the little Olaf fans who may be drawn to the packaging. Just be prepared!

Warm Cinnamon Roll

Gaston's Tavern

Look, we try not to encourage Gaston and his huge ego... but he's earned his kudos for the Warm Cinnamon Roll (especially when we ask for extra icing to go along with it)!

Cheeseburger Spring Rolls

Adventureland Spring Roll Cart

These savory snacks are meaty, cheesy, and taste like a fast food cheeseburger enveloped in a golden, crispy shell instead of a bun. The Spring Roll Cart switches out flavors regularly, but the cheeseburger option tends to stick around. See what's available during your next visit!

The Grey Stuff Cupcake

Gaston's Tavern

This moist chocolate cupcake is topped with the famous Grey Stuff (ie: cookies and cream icing), then garnished with crispy pearls for a nice little crunch.

Cold Brew Float

Auntie Gravity's Galactic Goodies

Coffee and ICE CREAM? It's a float that will also take care of your caffeine fix. (You get your choice of soft-serve, and we recommend the Salted Caramel!)

All-American Sundae

Plaza Ice Cream Parlor

This sundae is made with vanilla and chocolate ice cream, hot fudge, peanut butter drizzle (The BEST part), whipped cream, and a cherry! TBH, you can't go wrong with any of the treats at Plaza Ice Cream Parlour.

Aurora Cone

Storybook Treats

DOLE Whip Strawberry and vanilla soft-serve (colored blue in honor of Princess Aurora's ever-changing gown) come together to create a treat that's as yummy as it is pretty.

Tropical Serenade

Aloha Isle

The Tropical Serenade is made with passion-orange-guava (POG) juice, coconut soft-serve, and a pineapple cake pop. It's like three snacks in one!

Caramel Butter Bar

Big Top Treats

Caramel and BUTTER? You don't need to tell me twice! Okay, so the butter flavor comes through in the shortbread surrounding the caramel, and let me tell you – the combination WORKS.

Cream Cheese Warm Stuffed Pretzel

The Lunching Pad

We love the crispy exterior and the warm gooey interior of this one. Keep an eye out – sometimes this pretzel likes to wander to other nearby Quick Service locations, too.

Peanut Butter Cookie Pie

Main Street Confectionery

This one is for the peanut butter lovers out there! This huge, soft, thick peanut butter cookie is topped with chocolate frosting and Peanut Butter M&Ms. There's also a bunch of peanut butter chips baked throughout the cookie base, which adds some nice texture and even MORE peanut butter flavor!

BREAKFAST SNACKS

MICKEY SCONE

Main Street Confectionery's Mickey Scone with Dove Chocolate is the perfect reminder that you're starting the day in the Most Magical Place on Earth!

BREAKFAST BISCUIT

Searching for something savory? The tasty and filling Fried Chicken Breakfast Biscuit at Westward Ho is topped with your choice of cheese.

CINNAMON ROLL

Gaston's Tavern is home to Cinnamon Rolls the size of your head! (We always request extra icing for some more "fuel" for the day.)

COLD BREW FLOAT

Who says you can't have ice cream for breakfast? Not me, that's for sure... and not Auntie Gravity in Tomorrowland, either!

CHESHIRE CAT TAIL

This lovely and colorful pastry at Cheshire Cafe pairs perfectly with your coffee in the morning.

MICKEY WAFFLE

Who can resist breakfast with MICKEY??? The Mickey Waffle at Sleepy Hollow comes in a JUMBO version.

STICKY BUBBLE

BREAD Sweet cinnamon-spiced bread covered with a generous pour of gooey caramel. Not a bad way to start the day, if you ask me!

CRÈME BRÛLÉE CROISSANT

The **Crème Brûlée Croissant** looks pretty plain from the outside... but it's filled with a delectable vanilla custard inside!

MICKY KRISPY TREAT

The main ingredient is riced CEREAL. And cereal equals BREAKFAST.

You're welcome.

LUNCH SNACKS

CHILI-CHEESE

FRIES

Chili. Cheese. Fries. This is THREE treats in one! (If you consider cheese a “treat,” that is. WHICH I DO.)

CLAM CHOWDER

This is one of those dishes that makes you rethink “theme park food.” It’s a classic and comforting meal-in-a-bowl.

BREADSTICKS

Talk about a CARB LOAD! This filling snack will keep you going for your afternoon ride-tackling!

TOMATO BASIL SOUP

Simple. Affordable. Comforting. There's a reason this soup has retained its spot on the Pinocchio Village Haus menu for YEARS.

LOADED FRIES

Stop by Casey's Corner to see how they're loading up the FRIES these days! There is nearly always a source of meat protein topping the fries to fill you up for your afternoon.

CINNAMON GLAZED NUTS

Nuts (almonds and pecans are typically your choices) are another fantastic source of protein. BONUS: these are complete with a cinnamon-sugar glaze for a fun flavor (and even energy) boost!

CANDIED BACON SKEWER

BACON!! It's not just for breakfast anymore. ;-D

PEPPER JACK PRETZEL

Because THIS particular pretzel is packed with spicy cheese, it's more filing than your typical twist.

HAM AND GRUYÈRE TART

Elevate your lunch time with French-inspired cuisine by way of the Ham and Gruyère Tart!

DINNER SNACKS

TURKEY LEG

Just try and find a more filling snack anywhere than the Turkey Leg. Go on, I dare you.

CORN DOG NUGGETS

Not only are Corn Dog Nuggets super filling... Casey's Corner also offers up fantastic views of the nighttime fireworks from the outdoor seating area!

SPRING ROLLS

Okay, listen... it really doesn't matter the time of day. Promise me you won't leave Magic Kingdom without trying these, okay?

MICKEY WAFFLE WITH CHICKEN

Top a Mickey Waffle with sweet (honey) and spicy (sriracha) maple chicken tenders? Sounds like dinner to me!

HAND-DIPPED CORN DOG

This Disneyland favorite is so beloved, it made its way to Disney World, too. But you'll only find the Hand-Dipped Corn Dog in Magic Kingdom!

CHEDDAR, BACON, AND RANCH TOTS

There are literally FOUR distinct great things just in the name of this dish alone: CHEDDAR. BACON. RANCH. TOTS. Who can possibly resist??
