PERFORMANCE

pivotech

Deco wardrobe systems expertly combine quality materials and craftsmanship for beautiful performance.

Choose Deco Edge for a true frameless look with edge-to-edge mirrored wardrobe doors.

Elegant and modern, the Deco Edge wardrobe system offers inspired design and performance, including an optional soft close feature. The system's thoughtful engineering eliminates sharp edges and ensures a sleek looking system.

Deco Edge wardrobe doors feature an edge-polished 4mm mirror. Choose your frame finish from a selection colours to complement a room's design palette.

DECO EDGE FEATURES

- Edge-to-edge mirrored wardrobe doors
- Add our soft close mechanism for quiet, effortless closing
- Contemporary minimal grip stile
- Convex nylon ball bearing rollers ensure years of smooth, quiet operation
- An open design roller allows for easy cleaning and less dust collecting
- Can be made to measure to suit multiple configurations

WARDROBE SYSTEM

pivotech

timeless design

Estate wardrobes can be found in homes across Australia, looking great and delivering effortless performance.

Estate features a traditional design with a grip stile handle. Incorporated into the frame, the handle runs vertically along the entire edge of the wardrobe door.

Estate profiles are available in a range of finishes and colours and can be adapted to suit glass, mirror, and board.

trusted performance

- Estate systems can be custom designed and manufactured to suit many configurations
- high quality rollers ensure years of quiet operation
- designed for easy cleaning and less dust build-up
- door weights can be up to 50kgs
- our quality hardware is in compliance with relevant Australian Standards

ESTATE WARDROBES AVAILABLE FROM:

A BIG SOLUTION FOR SMALL ROOMS

Pivotech's ION narrow track wardrobe system gives you more storage with a reduced footprint for small living areas.

Perfect for apartments, laundries, hallways and other small spaces, the ION fits a triple sliding door system into a standard double door footprint.

- Large 2/3 door opening offers easy access inside
- A narrow track means ION's three door configuration fits in the space other systems need for two doors
- Smooth sliding doors feature solid finger grip style handles
- Slim, strong rollers keep doors on track, increasing durability and lifespan
- Quick and effortless to clean
- Be confident with a trusted Australian brand

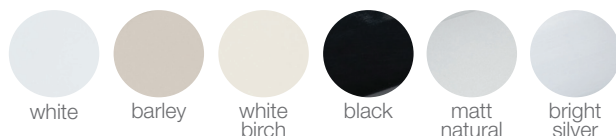

MODERN, YET TIMELESS

A range of door infills such as mirror and painted glass are available to give your ION wardrobe a fresh look. Your Pivotech installer can show you more ways to coordinate your ION wardrobe with your interior design.

The easily accessible ION wardrobe is effortless. The sleek design of the ION wardrobe transforms a cluttered room into an organised, upscale suite.

Talk to your local Pivotech installer about the benefits of an ION narrow track wardrobe system.

FINISHES*

*not all finishes available in all styles, please see your Pivotech installer for details; colours are a representation of the finishes in printed form, actual finishes may vary in appearance.
