Company Introduction

Grid Consulting LLC is a woman-owned, Ohio-based digital services partner built to support public sector teams with accessible content, data visualizations, and branded print solutions. We specialize in helping prime contractors and agencies meet deadlines through rapid-turnaround and fixed-fee support. We support 508 compliance, transcription, and presentation design without scope creep or ramp-up time.

Core Differentiators

Specialized digital subcontractor solving 3 critical pain points for public sector primes:

- ✓ **Compliance Delays:**
24-hr 508 remediation and transcription
- ✓ **Grant Reporting Bottlenecks:**
Turnkey presentation and dashboard design
- ✓ **Micro-Purchase Overhead:**
Print and promo fulfillment under \$10k

Core Services

Digital Accessibility:

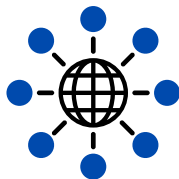

- 508 remediation (PDF/PPT)
- Meeting transcription
- Video captioning

Data and Reporting:

- Grant presentation design
- Power BI/Tableau dashboards
- eLearning modules

Print and Promo Fulfillment:

- Short-run printing
- Awards and plaques
- Blind shipping

Past Performance

State of Ohio – Commission on Service and Volunteerism
Sourced and delivered custom engraved recognition trophies for the Governor's Service Awards. Managed all vendor coordination, engraving, and delivery logistics to meet state specifications and event timelines.

City of Columbus – Department of Public Utilities
Fulfilled facilities request for specialty equipment (compact refrigeration) for use in staff breakroom areas. Delivered to exact specifications and ensured compliance with public purchasing standards.
